In Memoriam

MILES E. HOOKER

Born September 12, 1895 Died December 6, 1966

Served his God as moderator of the First Baptist Church of North Attleboro.

Served his country as a veteran of World War I.

Served his town as a dedicated town father from March 1961 until December 6, 1966, during what could have been his retirement years, so that his experience and sound judgment might aid his neighbor.

Served his fellowman as administrator of the Board of Welfare; chairman of the Plainville Division of the Sturdy Hospital Building Fund: Chairman of the Plainville United Fund: Originator of Plainville Housing Authority to provide housing for the elderly.

"May He Rest In Peace"

Annual Report

of the

TOWN CLERK

of

PLAINVILLE, MASSACHUSETTS

For the Year Ending December 31, 1966

OFFICE OF TOWN CLERK

Town of

Plainville, Massachusetts

March 22, 1966

To: Bessie Barton of said Plainville,

Dear Madam:

By virtue of the authority in me vested, with full power of revocation, I do hereby appoint you Assistant Town Clerk of said Plainville, with all powers, duties and authority appertaining to said office.

AUSTIN F. GRANT,

Town Clerk

WARRANT

FOR ANNUAL TOWN MEETING

Monday, March 7, 1966

THE COMMONWEALTH OF MASSACHUSETTS

Norfolk, ss.

To Either of the Constables of Plainville:

Greetings:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Plainville qualified to vote in Town affairs, to meet in the Elementary School Auditorium, South Street, in said Plainville on

MONDAY, THE SEVENTH DAY OF MARCH 1966 A. D.

at eight o'clock in the forenoon, then and there to act on the following articles, viz:

ARTICLE 1. The following Town Officers to be chosen by ballot viz: One Town Clerk; one Auditor; one Moderator; one Tree Warden; and three Constables for one year. One Selectman, Board of Welfare; one Assessor; one Water Commissioner; one Trustee of the Public Library; one Park Commissioner; two members of the Finance Committee; and one member of the Regional School Committee, for three years. Two members of the School Committee, one for three years and one for two year. One member of the Planning Board and one member of the Housing Authority for five years.

For this purpose the polls will open at eight o'clock in the forenoon and shall be closed at eight o'clock p.m. in the evening.

For the consideration of all other Articles in this Warrant the meeting shall stand adjourned to the Third Monday in March at 7:30 p.m. in the Auditorium of the Plainville Elementary School on South Street in said Town.

ARTICLE 2. To choose all other necessary Town Officers not named in Article 1 for a term of one year.

ARTICLE 3. To consider and act on the reports of the Selectmen, Treasurer and other Town Officers.

ARTICLE 4. To see if the Town will vote to accept the provisions of Chapter 81 of the General Laws.

ARTICLE 5. To see if the Town will vote to fix the salary and compensation of all elective officers of the Town as provided by Section 108 of Chapter 41, General Laws, as amended, as follows:

	Appropriated 1965	**Requested 1966**
Moderator	$25.00 each meeting	$25.00 each meeting

ARTICLE 8. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1967 and to issue a note or notes therefor, payable within one year and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws, or take any action relative thereto.

ARTICLE 9. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, the sum of $15,000 for a Reserve Fund to provide for the extra-ordinary unforeseen expenses, as authorized by Section 6, Chapter 40, General Laws, or do or act in any manner relative thereto.

ARTICLE 10. To see if the Town will vote to accept the provisions of Chapter 90 of the General Laws, and raise and appropriate or transfer from unappropriated available funds in the treasury, the sum of $6,050.00 for Chapter 90 Highway Maintenance, or do or act in any manner relative thereto.

ARTICLE 11. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, the sum of $14,650.00 for Chapter 81 Highways, or do or act in any manner relative thereto.

ARTICLE 12. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, the sum of $12,050.00 for Chapter 90 Highway Construction, to furnish the laying out and construction of George Street from Route 1 to School Street, and to start the laying out and construction on Messenger Street, or do or act in any manner relative thereto.

ARTICLE 13. to see of the Town will vote to raise and appropriate or transfer from available funds in the treasury, the sum of $2,650.00 for permanent road construction on Cowell Street, from George Street easterly, or do or act in any manner relative thereto.

ARTICLE 14. To see if the Town will vote to raise and appropriate or transfer from available funds in the treasury, the sum of $3,000.00 for the purchase of a new Sand and Salt Spreader for the Highway Department, or do or act in any manner relative thereto.

ARTICLE 15. To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury, the sum of $1,500.00 for

the purchase of a Used Sidewalk Plow for the Highway Department, or do or act in any manner relative thereto.

ARTICLE 16. To see if the Town will vote to join with other cities and towns along the Ten Mile River to create a Ten Mile River Conference, said organization being formed for the purpose of providing regional leadership in the solution of problems of stream clearance, pollution control, multiple-purpose water use, recreation, beautification and flood control and to raise and appropriate or transfer the sum of $200.00 for same, or do or act in any manner relative thereto.

ARTICLE 17. To see if the Town will vote to raise and appropriate a sum of money to purchase or erect a swimming pool, to be expended by the Board of Selectmen, and to determine the method of raising and appropriating said sum, whether by taxation, transfer of available funds, and/or borrowing, and if by borrowing to authorize the issuance of bonds or notes of the Town therefor, and to grant the Board of Selectmen authority to apply for and accept on behalf of the Town any and all State or Federal Funds which may be available for the aforesaid purpose, or do or act in any manner relative thereto. (⅔ vote required if bonded.) (Approximate cost up to $90,000.00.)

ARTICLE 18. To see if the Town will vote to raise and appropriate the sum of $1,294.11, or any other sum, for the control of insects and Dutch Elm Disease, $500.11 for Insect Pest Control and $794.00 for Dutch Elm Disease, as provided under Chapter 132 of the General Laws, as amended by Chapter 657, Acts of 1956, and to be expended under the direction of the Moth Superintendent, or do or act in any manner relative thereto.

ARTICLE 19. To see if the Town will vote to authorize the Board of Fire Engineers to purchase Fire Alarm equipment to replace the present system and to raise and appropriate for this purpose the sum of $7,500.00 and to determine the manner of raising and appropriating the said sum, whether by transfering of available funds or by taxation, or both, or do or act in manner relative thereto.

ARTICLE 20. To see if the Town will vote to raise and appropriate or transfer the sum of $369.50 to pay the following overdraft: Interest on Temporary Loans and Maturing Debt Account, or do or act in any manner relative thereto.

ARTICLE 21. To see if the town will vote to raise and appropriate or transfer from available funds in the treasury, the sum of $25,000.00

for the Stabilization Fund, under authority of Chapter 40, Section 5B of the General Laws, or do or act in any manner relative thereto.

ARTICLE 22. To see if the Town will vote to raise and appropriate the sum of $12,500.00 for carrying on the different catagories of Welfare, or do or act in any manner relative thereto.

ARTICLE 23. To see if the Town will vote to create a special unpaid committee to be known as a Vocational Regional School District Planning Committee, to consist of three members, including one member of the school committee, to be appointed by the Moderator in accordance with provisions of section 14 of Chapter 71 of the General Laws, as amended; and that there be appropriated for the use of said committee, the sum of $100.00, or do or act in any manner relative thereto.

ARTICLE 24. To see if the Town will vote to create a special unpaid committee to be known as a long-range Elementary School Expansion Committee, that shall meet at regular intervals to study elementary school expansion needs and report at each Annual Town Meeting, this committee to be appointed by the Selectmen, and to consist of seven (7) members; one (1) member each from the Board of Selectmen, School Committee, Planning Board, Finance Committee, and three (3) at large members to be selected by the appointed members, or do or act in any manner relative thereto.

ARTICLE 25. To see if the Town will vote to raise and appropriate the sum of $1,000.00 for the Conservation Fund, to be used by the Conservation Commission for Conservation purposes, including the purchase of land, or do or act in any manner relative thereto.

ARTICLE 26. To see if the Town will vote to transfer that parcel of land totaling approximately 56 acres, situated in the Southerly part of the Town of Plainville, on the Southerly side of Stoughton Gore, so-called, known as the "Pitcher and White" lot, appearing on the Assessors' maps as Lot #1 on Sheet #14, to the Conservation Commission of the Town of Plainville and to its custody and control for all purposes included in Chapter 40, Section 8-C and amendments thereto, or do or act in any manner relative thereto.

ARTICLE 27. To see if the Town will vote to amend the Zoning By-Law as follows:

A. In Article I, Section 1.4 by striking therefrom the word "twenty" and inserting in lieu thereof the word "fifty".

B. In Article I, Section 1.5 by striking therefrom the words "three members" and inserting in lieu thereof the words "five members".

C. In Article I, Section 1.5 by striking therefrom the words "two-associate members" and inserting in lieu thereof the words "three associate members".

D. In Article II, Section 2.6.1 (c), footnote a. by striking the same in its entirety and inserting in lieu thereof "a.—4,000 additional square feet of lot area for each family unit in excess of four family units in any single, multi-family dwelling".

E. In Article II, Section 2.8 by adding under "RESIDENTIAL USES" the following:

	RA	RB	RC	RD	CA	CB	CC	IA	IB
Mobile Home Parks	O	O	O	O	O	O	A	O	O

F. In Article III, Section 3.1.1 sub-paragraph d, by striking "(75% of the replacement cost)" and inserting in lieu thereof the following: "provided however that no building shall be rebuilt or restored if the extent of damage is more than 75% of its replacement value except in conformity with this By-Law".

G. In Article III, Section 3.8.1 by striking therefrom the words "at the site of removal of a building" and inserting in lieu thereof "at the site or removal of a building".

H. In Article III, Section 3.8.2 by striking therefrom the sentence, to wit "The Board of Appeals shall hold a public hearing, giving legal notices, prior to issuing a permit". And inserting in lieu thereof the words "Prior to issuing an initial permit, the Board of Appeals shall hold a public hearing and give public notice as required by Section 17 of Chapter 40A of the General Laws and Amendments thereto."

I. In Article III, Section 3.8.2.2 by striking therefrom the word "posed" and inserting in lieu thereof the word "posted".

J. In Article III, Section 3.8.2.3 by striking said Section in its entirety and inserting in lieu thereof the following "3.8.2.3 Acceptance of such permit and attached conditions, If any, shall constitute a binding agreement between the applicant and the Town and shall be the basis for judgment of performance as provided for in Section 3.8.2.2."

K. In Article III, Section 3.8.2.4 by striking said Section in its entirety and inserting in lieu thereof the following: "3.8.2.4 Permits may be issued for periods of up to five (5) years at a fee of Twenty-Five ($25.00) dollars per year. The fee will be paid at date of issue and yearly at each renewal in the case of permits for longer than one year. Any permit issued for longer than one year will be reviewed yearly at each anniversary

date by the Zoning Board of Appeals. Written request for renewal, accompanied by a check for the annual fee, must be submitted at least thirty (30) days prior to the anniversary date by the holder of the permit. After publication of a notice of proposed renewal, placed at least seven (7) days prior to the review date, in a regular publication available in Town and a physical reviewing of the site to insure compliance with permit conditions; the Board may issue a letter of renewal.

If no renewal application is received by the Board within thirty (30) days after expiration of renewal date of the permit; it may, without further notice, declare the permit void and require a new application to be filed in accordance with Section 3.8.2 of the Zoning By-Law before allowing resumption of operations."

L. In Article III, Section 3.8.5 by striking therefrom the words ". . . . . hours of the during . . . . ." and inserting in lieu thereof the words ". . . . . hours of the day during . . . . .".

M. In Article III, Section 3.8.6 by striking said Section in its entirety and inserting in lieu thereof the following: "3.8.6 THE REVOCATION OF PERMIT—The Board of Appeals, after hearing and proof of violation of the conditions of the permit, or of this By-Law, shall withdraw the permit, after which the operation shall be discontinued and the area restored in accordance with paragraph 3.8.4".

N. By adding to Article III, the following Section, "3.8.7 PROCUREMENT, STORAGE OF LOAM, TOPSOIL OR GRAVEL—Procurement, storage of, or stock-piling of loam, topsoil or gravel upon private property, which is intended for public sale and use elsewhere, and which requires the operation of mechanical or power equipment in loading or unloading, shall fall within the jurisdiction of this By-Law and shall be governed by its conditions."

O. In Article III, Section 3.10.1 by striking said Section in its entirety and inserting in lieu thereof, the following: "3.10.1A so-called Mobile Dwelling shall at no time be serviced by or connected with power or utilities, public or private, or erected upon any form or kind of foundation or ever occupied for dwelling purposes, except in a Mobile Home Park duly licensed by the Town of Plainville as and to the extent only that this By-Law permits the same and not otherwise."

P. In Article IV, Section 4.1 by striking the word "member" as used in the definition of "family" and inserting in lieu thereof the word "number".

Q. In Article IV, Section 4.1 by adding after the words "TRAILER PARK" the words "or MOBILE HOME PARK".

Or do or act in any manner relative thereto. (⅔ vote required.)

ARTICLE 28. To see if the Town will vote to amend the Zoning By-Laws of the Town of Plainville by changing from a RB-Single family residential district to an RD-General residential district, the following described parcel:

Beginning at the intersection of the northerly line of Messenger Street, with the westerly line of Taunton Street, thence northerly by the westerly line of Taunton Street, 200 feet; thence westerly in a straight line parallel with the northerly line of Messenger Street, and 200 feet distant therefrom to land of the Town of Plainville; thence southerly by land of the Town of Plainville to East Bacon Street, thence easterly by the northerly line of East Bacon Street in part and in part by the northerly line of Messenger Street to the point of beginning, or do or act in any manner relative thereto. (Petition. ⅔ vote required)

ARTICLE 29. To see if the Town will vote to amend the Zoning By-Laws by changing to a Special Industrial District the following described parcel:

Beginning at a point in the easterly line of Washington Street at the present boundary of the Special Industrial District 250 feet south of Belcher Street; thence the line runs easterly by said Special Industrial District to the Foxborough Town line; thence the line runs southerly by the Foxborough Town line 600 feet to a point 600 feet north of Mirimichi Street, thence the line runs westerly in a straight line to the easterly line of Washington Street at a point 1,878 feet, south of Belcher Street; thence the line runs north by the easterly line of Washington Street 1,628 feet to the point and place of beginning, or do or act in any manner relative thereto. (⅔ vote required.) (Explanation: This makes it 600 feet from the closest point on Mirimichi Street, 500 feet closest to Haynes Road, and 94 feet from closest lot of any other owner.)

ARTICLE 30. To see if the Town will vote to raise and appropriate or transfer from unexpended available funds the sum of $20,000.00 for future improvements to the water system, or do or act in any manner relative thereto.

ARTICLE 31. To see if the Town will vote to file with Home Housing and Finance Agency or other agency of the United States Government, forms under Public Law 89-136 or regulation for securing and acceptance of contributory funds for public works construction; such funds to be under the direction of and expended by the Water Commissoners for the purpose of constructing a water storage tank off High Street; a new well supply and pumping station on Town owned land off George Street; all pipes, conduits and related facilities necessary to the use of

the storage tank and pumping station; and water mains not less than six inches but less than sixteen inches in diameter along Fuller, Walnut, High, Warren, Hancock, Rhodes, Bow, Hawkins, Cross and South Streets; and to authorize the issuance and sale of bonds and notes of the Town (and subject to such limitations as the Town may impose) under the authority of Section 8 of Chapter 44 of the General Laws, or do or act in any manner relative thereto. (⅔ vote required if bonded.)

ARTICLE 32. To see if the Town will vote to raise and appropriate or transfer from unexpended available funds the sum of $4,000.00, such funds to be under the direction of and expended by the Water Commissioner for pumping test of several days' duration at the site while the existing well is in normal operation; logs of the test wells installed in 1957 show that Well 7B, located about 180 feet northeasterly, yielded water freely at a depth of 40 feet. Inasmuch as the Town owns all land within 400 feet of Well 7B, thus meeting requirements of the Mass. Department of Public Health, it appears that the logical place to install a new well in that area would be at the site of Well 7B. Accordingly, with a distance of about 180 feet between wells, the above pumping tests should be conducted as recommended by engineers of Camp, Dresser & McKee, rather than increasing the pumping capacity of the existing well, or do or act in any manner relative thereto.

ARTICLE 33. To see if the Town will vote to install a gravel packed well approximately 50 feet deep, a pump and pumping station connected to the public water distribution system, with electric power line, and a chain link fence to enclose the well area and access road; and to raise and appropriate for the aforesaid purpose a sum of $49,000.00, to be expended by and under the direction of the Water Commissioners; and to determine how said appropriation shall be raised, whether by taxation, by appropriation of available funds, by borrowing or otherwise, and if by borrowing, to authorize the issuance and sale of bonds and notes of the Town therefor; or do or act in any manner relative thereto. (⅔ vote required if bonded.)

ARTICLE 34. To see if the Town will vote to authorize the Board of Selectmen to appoint a committee of seven members, authorized to study a method of meeting municipal expansion needs, either by alteration of present facilities, use of the Garford property or new construction on the Town owned land located at the corner of School Street and Spring Street, and to appropriate or transfer the sum of $3,000.00 for preliminary plans, sketches, estimates of cost and technical assistance, or do or act in any manner relative thereto.

ARTICLE 35. To see if the Town will vote to amend the votes adopted under Articles 3, 4 and 5 of the Warrant for the Special Town Meeting held on October 21, 1963 so as to reduce the aggregate amount of the appropriations made by said votes from $235,000.00 to $176,000.00 and so as to reduce the aggregate principal amount of the sums authorized to be borrowed pursuant to said votes from $183,000.00 to $124,000.00 or do or act in any manner relative thereto.

ARTICLE 36. To see if the Town will vote to amend the vote adopted under Article 17 of the Annual Town Meeting, held on March 15, 1965, so as to rescind authority to borrow $10,000.00, and to raise and appropriate said sum by taxation or by transfer of available funds, or do or act in any manner relative thereto.

ARTICLE 37. To see if the Town will vote to authorize the Board of Selectmen to purchase a new ambulance, and to raise and appropriate or transfer from available funds in the treasury, the sum of $5,200.00 for this purpose, or do or act in any manner relative thereto.

ARTICLE 38. To choose any committee and hear the report of any committee and act thereon.

And you are directed to serve this Warrant by posting copies thereof, in seven (7) Public Places in said Town, seven (7) days at least before the time of holding said meeting.

Hereof, fail not, and make due return of this Warrant, with your doing thereon, to the Town Clerk at or before the time and place of said meeting as aforesaid. Given unto our hands this sixteenth day of February in the year of our Lord one thousand nine hundred and sixty-six.

RAYMOND V. MILLER
LeROY B. WILSON
MILES E. HOOKER
Selectmen of Plainville

DONALD J. PECK, Constable

This 28th day of February, 1966.

I have this day posted seven (7) copies of the within Warrant in seven (7) public places in the Town of Plainville.

DONALD J. PECK, Constable

Attest:
AUSTIN F. GRANT, Town Clerk

PROCEEDINGS OF THE SIXTY-FIRST ANNUAL TOWN MEETING

TOWN OF PLAINVILLE, MASSACHUSETTS

March 1, 1966

Pursuant to the foregoing Warrant, the Sixty-first Annual Town Meeting was held in the Auditorium of the Plainville Elementary School, South Street.

The call of the meeting was read by the Moderator, Charles O. Peasley, and the polls declared officially opened at 8:00 A.M.

The ballot box having been inspected by Warden Earl B. Thompson, (R), Jacqueline DiGiantomasso, Deputy Clerk (D), Nancy Loew (D), Dorothy Spaulding (R), with Ballot Box Officer, Robert Keniston, was declared empty, dial set at zero, and the keys turned over to Ballot Box Officer.

The following officials having been appointed by the Board of Selectmen, were sworn in for their duty by Town Clerk Austin F. Grant.

Earl B. Thompson, Warden (R)

Robert Keniston, Ballot Box Officer (R)

Daniel T. Malone, Deputy Warden (R)

Wanda Faille, Clerk (D)

Jacqueline DiGiantommasso, Deputy Clerk (D)

Tellers: Helen Cobb, Margaret Frederksen (R), Marilyn Flynn, Marie Diede (D), Dorothy Spaulding (R) alternate and Nancy Loew (D) alternate.

At 2:00 P.M., Marion Reilly and Pauline Walsh (D) were sworn in as tellers.

The representatives for the Board of Registrars were Richard Cobb (R), Robert Thibedeau (D), and at 3:00 P.M. Robert Guillette (D) replaced Mr. Thibedeau.

Five times during the day the ballot box jammed and each time the box was opened under the inspection of representatives from both parties, officially sworn in.

At 8:00 P.M. the polls were declared officially closed by Warden Earl B. Thompson. The ballot box was inspected by Earl B. Thompson (R), Daniel Malone (R), Jacqueline DiGiantomasso (D) and Carol Barton (D). The ballot box registered 1229 votes cast. The voting lists were checked by the tellers, shown 597 men and 632 women, a total of 1229 voters.

At 8:10 P.M. the following were sworn in by Town Clerk Austin F. Grant as counters: Jesse Franklin (R), Phyllis Bolduc (R), Alfred Bolduc (R), Walter Fink (R), Sally Brown (R), Carol Barton (D), Helen Theriault (D), Gael Kelly (D), Rita Pimental (D), and John Flynn (D).

At 11:00 P.M. the results of the voting showed:

AUSTIN F. GRANT, Town Clerk

EARL B. THOMPSON, Election Warden

PROCEEDINGS OF THE SIXTY-FIRST ANNUAL TOWN MEETING

PLAINVILLE ELEMENTARY SCHOOL

MARCH 21, 1966

MINUTES OF THE ADJOURNED TOWN MEETING

The adjourned Town Meeting was called to order by the Moderator, Charles O. Peasley, at 7:38 P.M., March 21, 1966 in the Auditorium of the Plainville Elementary School, South Street, Plainville, Massachusetts.

The Reverend Thomas Urban was called upon for the Invocation.

The voters were checked into the hall by means of the voting lists, by Robert Keniston (R) and Francis McCabe (D), recording a total of 264 voters present—169 men and 95 women.

The bounds of the hall were declared to be the seats set up on the floor of the auditorium.

The following were appointed tellers by the Moderator. Right side of the hall, Fred Stuart and Harry Cooper; left side of the hall, George Pray and William Simpson. Austin F. Grant, Town Clerk, was appointed ballot box officer in the event of a ballot vote.

The Moderator stated that if there were no objections the minutes of the meeting of March 7, 1966, Election of Officers, would not be read. There were no objections.

ARTICLE 2. Upon motion by Miles E. Hooker and seconded by LeRoy B. Wilson, Alec Fredrickson, Francis Simmons and Everett W. Skinner, Sr., be appointed Measurers of Wood, Bark and Lumber for the ensuing year, and unanimously voted.

Upon motion by Raymond V. Miller and seconded by LeRoy B. Wilson, Donald J. Peck, Robert R. Faille and Allen S. Breen, were appointed as Field Drivers and Fence Viewers for the ensuing year, and unanimously voted.

ARTICLE 3. Motion by Miles E. Hooker and seconded by Raymond V. Miller and unanimously voted that the reports of the Selectmen, Treasurer and other Town Officers, as printed with the exception of any typographical errors and ommissions be accepted.

ARTICLE 4. Motion by Everett W. Skinner, Sr. and seconded by Raymond V. Miller and unanimously voted that the Town vote to accept the provisions of Chapter 81 of the General Laws.

ARTICLE 5. Motion by Marshall Brown and seconded by Robert O. Malin that the Town vote to fix the salary and compensation of all elective officers of the Town as provided by Section 108 of Chapter 41, General Laws, as amended, as follows:

Moderator	$25.00 each meeting
Town Clerk	650.00 per year
Town Treasurer	1,500.00 per year
Selectmen, Chairman	700.00 per year
Second Member	600.00 per year
Third Member	600.00 per year
Board of Health, each member (3)	100.00 per year
Assessor, Chairman	900.00 per year
Second Member	900.00 per year
Third Member	900.00 per year
Tax Collector	1,500.00 per year
School Committee, Chairman	75.00 per year

School Committee, each member	60.00 per year
Water Commissioner, Chairman	200.00 per year
Second Member	200.00 per year
Third Member, Secretary	350.00 per year
Auditor	250.00 per year
Constables	2.00 per hour
Tree Warden	2.00 per year

UNANIMOUSLY VOTED.

ARTICLS 6. Motion by Robert O. Malin and seconded by Daniel T. Malone that the sum of $835,148.26 be raised and appropriated by borrowing or otherwise to defray town charges for the financial year ending December 31, 1966 and expressly for the following purposes: Section

1.	**For Support of the Public Library** To include available Dog Tax and State Grant		$4,533

47.	For Civil Defense	750

Upon motion by Everett W. Skinner and seconded by Robert O. Malin, Section 37, Removal of Snow was increased from $14,000 to $17,000. The total amount of $838,148.26 was voted to defray town charges for the financial year ending December 31, 1966.

ARTICLE 7. Motion by Mrs. H. Bertha Browne and seconded by Daniel Malone that the town vote to have the surety of the Collector of Taxes, Deputy Collector of Taxes, Treasurer, Town Clerk, Secretary of the Water Department and Clerk of the Selectmen's bonds placed with a fidelity or guarantee company. Unanimously voted.

ARTICLE 8. Motion by Robert Malin and seconded by Daniel Malone that the Town vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1967, and to issue a note or notes therefor, payable within one year and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws. Unanimously voted.

ARTICLE 9. Motion by Daniel Malone and seconded by Raymond V. Miller and unanimously voted that the Town transfer from unappropriated available funds in the treasury, the sum of $15,000 for a Reserve Fund to provide for the extraordinary unforeseen expenses, as authorized by Section 6, Chapter 40, General Laws.

ARTICLE 10. Motion by Everett Skinner and seconded by Raymond Miller and unanimously voted that the town raise and appropriate the sum of $2,050 for the Town's share of Chapter 90 Maintenance and that in addition the sum of $4,000 be transferred from unappropriated available funds in the treasury to meet the State and County's share of the cost of the work, the reimbursement from the State and County to be restored upon their receipt to unappropriated available funds in the Treasury.

ARTICLE 11. Motion by Everett Skinner and seconded by Raymond Miller that the town vote to raise and appropriate the sum of $4,750 to meet the Town's share of the cost of Chapter 81 Highways, and that in addition the sum of $9,900 be transferred from unappropriated available funds in the Treasury to meet the State's share of the cost of the work. The reimbursement from the State to be restored upon the receipt to unappropriated available funds in the Treasury. Unanimously voted.

ARTICLE 12. Motion by Everett Skinner and seconded by Robert Malin that the Town vote to raise and appropriate the sum of $12,050 for Chapter 90 Highway Construction, to finish the laying out and construction of George Street from Route 1 to School Street, and to start the laying out and construction on Messenger Street. The money to be raised as follows: $3,050 for the Town's share to be raised and appropriated by taxation, and the State and County's share of this work $9,000 be transferred from unappropriated available funds in the Treasury. The reimbursement from the State and County to be restored upon their receipt to unappropriated available funds in the Treasury. Unanimously voted.

ARTICLE 13. Motion by Everett Skinner and seconded by Raymond Miller and unanimously voted that the sum of $2,650 be appropriated for the permanent construction of Cowell Street from George Street, easterly, and to meet said appropriation the sum of $2,650 be transferred from proceeds received, or to be received from the State under the provisions of Chapter 679, Acts of 1965.

ARTICLE 14. Motion by Everett Skinner and seconded by Daniel Malone that the Town vote to raise and appropriate or transfer, the sum of $3000 for the purchase of a new Sand and Salt Spreader for the Highway Department, the money to be raised as follows: $1,000 by taxation and $2,000 by transfer from Road Machinery Account. Unanimously voted.

ARTICLE 15. Motion by Everett Skinner and seconded by Robert Malin that the town vote to raise and appropriate the sum of $1,500 for the purchase of a used Sidewalk Plow for the Highway Department and unanimously voted.

ARTICLE 16. Motion by David Lomasney and seconded by Everett Skinner that the Town vote to join with other cities and towns along the Ten Mile River to create a Ten Mile River Conference, said organization being formed for the purpose of providing regional leadership in the

solution of problems of stream clearance, pollution control, multiple purpose water use, recreation, beautification, and flood control and transfer the sum of $200 from available funds in the Treasury for Expenses of the Conference Appointees.

ARTICLE 17. Upon a motion by Thomas Armitage and seconded by John Ronan it was voted to grant the Park Commissioners authority to apply for any and all State or Federal funds which may be available for the purpose of obtaining a swimming pool for the Town of Plainville. Not a unanimous vote.

ARTICLE 18. Motion by Robert Loew and seconded by Everett Skinner that the Town vote to raise and appropriate the sum of $500 for the control of insects and Dutch Elm disease to be expended under the direction of the Moth Superintendent. Unanimously voted.

ARTICLE 19. Motion by Alfred Bolduc and seconded by Robert Malin that the Town vote to authorize the Board of Fire Engineers to purchase Fire Alarm Equipment to replace the present system and to appropriate for this purpose the sum of $7,500 to be raised as follows: $2,500 by Taxation, and $5,000 by transfer from the Fire Alarm Replacement Account. Unanimously voted.

ARTICLE 20. Motion by Marshall Brown and seconded by Robert Malin and unanimously voted to raise and appropriate the sum of $369.50 to pay the following overdraft: Interest on Temporary Loans and Maturing Debt.

ARTICLE 21. Motion by Mrs. H. Bertha Browne and seconded by Robert Loew that the Town vote to transfer from available funds in the Treasury, the sum of $15,000 for the Stabilization Fund, under the authority of Chapter 40, Section 5B of the General Laws, and unanimously voted.

ARTICLE 22. Motion by Daniel Malone and seconded by Raymond Miller that the Town vote to raise and appropriate the sum of $12,500.00 for carrying on the different categories of Welfare, and unanimously voted.

ARTICLE 23. Motion by David Lomasney and seconded by Raymond Miller that the Town vote to create a special unpaid committee to be known as a Vocational Regional School District Planning Committee, to consist of three members, including one member of the school com-

mittee, to be appointed by the Moderator in accordance with provisions of Section 14 of Chapter 71 of the General Laws, as amended, and that the sum of $100 be raised and appropriated for the use of said committee.

ARTICLE 24. Motion by Robert Malin and seconded by Raymond Miller that the Town vote to create a special unpaid committee to be known as a long-range Elementary School Expansion Committee, that shall meet at regular intervals to study elementary school expansion needs and report at each Annual Town Meeting, this committee to be appointed by the Selectmen, and to consist of seven (7) members; one (1) member each from the Board of Selectmen, School Committee, Planning Board, Finance Committee, and three (3) at large members to be selected by the appointed members. So voted, but not unanimous.

ARTICLE 25. Motion by Robert Loew and seconded by Raymond Miller that the Town vote to raise and appropriate the sum of $1,000 for the Conservation Fund to be used by the Conservation Commission for the purchase of land.

This motion was withdrawn in favor of the original motion and article. Motion by Raymond Smith and seconded by LeRoy Wilson that the Town vote to raise and appropriate the sum of $1,000 for the Conservation Fund, to be used by the Conservation Commission for Conservation purposes, including the purchase of land. So voted.

ARTICLE 26. Motion by Raymond Smith and seconded by LeRoy Wilson that the Town vote to transfer that parcel of land totaling approximately 56 acres situated in the Southerly part of the Town of Plainville, on the Southerly side of Stoughton Gore, so-called, known as the "Pitcher and White" lot, appearing on the Assessors' maps as Lot #1 on Sheet #14, to the Conservation Commission of the Town of Plainville and to its custody and control for all purposes included in Chapter 40, Section 8-C and amendments thereto. Unanimously voted.

ARTICLE 27. Motion by William Clarke and seconded by Jesse W. Franklin that the Town of Plainville vote to amend the Zoning By-Laws as read with the following amendments:

1. Paragraph L — Delete the words "of the Day".

2. Paragraph N — Delete the word "Procurement" from the paragraph heading and in the first sentence.

Article 27, as amended: Article 1, Section 1.4 by striking therefrom the words "twenty" and inserting the word "fifty". (This amendment was not allowed by the Attorney General.)

B. In Article 1, Section 1.5 by striking therefrom the words "three members" and inserting in lieu thereof the words "five members."

C. In Article 1, Section 1.5 by striking therefrom the words "two associate members" and inserting in lieu thereof the words "three associate members."

D. In Article II, Section 2.6.1 (c), footnote a. by striking the same in its entirety and inserting in lieu thereof "a.—4,000 additional square feet of lot area for each family unit in excess of four family units in any single, multi-family dwelling."

B. In Article II, Section 2.8 by adding under "RESIDENTIAL USES" the following:

	RA	RB	RC	RD	CA	CB	CC	IA	IB
Mobile Home Parks	O	O	O	O	O	O	A	O	O

F. In Article III, Section 3.1.1. sub-paragraph d, by striking "(75% of the replacement cost)" and inserting in lieu thereof the following: "provided however that no building shall be built or restored if the extent of damage is more than 75% of its replacement value except in conformity with this By-Law".

G. In Article III, Section 3.8.1 by striking therefrom the words "at the site of removal of a building" and inserting in lieu thereof "at the site or removal of a building."

H. In Article III, Section 3.8.2. by striking therefrom the sentence, to wit: "The Board of Appeals shall hold a public hearing, giving legal notices, prior to issuing a permit". And inserting in lieu thereof the word: "Prior to issuing an initial permit, the Board of Appeals shall hold a public hearing and give public notice as required by Section 17 of Chapter 40A of the General Laws and Amendments thereto."

I. In Article III, Section 3.8.2.2. by striking therefrom the word "posed" and inserting in lieu thereof the word "posted."

J. In Article III, Section 3.8.2.3. by striking said Section in its entirety and inserting in lieu thereof the following "3.8.2.3. Acceptance of such permit and attached conditions, if any, shall constitute a binding agreement between the applicant and the Town and shall be the basis for judgment of performance as provided for in Section 3.8.2.2."

K. In Article III, Section 3.8.2.4. by striking said Section in its entirety and inserting in lieu thereof, the following: "3.8.2.4 Permits may be issued for periods of up to five (5) years at a fee of Twenty-five ($25.00) dollars per year. The fee will be paid at date of issue and yearly at each renewal in the case of permits for longer than one year. Any permit issued for longer than one year will be reviewed yearly at each anniversary date by the Zoning Board of Appeals. Written request for renewal, accompanied by a check for the annual fee, must be submitted at least thirty (30) days prior to the anniversary date by the holder of the permit. After publication of a notice of proposed renewal, placed at least seven (7) days prior to the review date, in a regular publication available in Town and a physical reviewing of the site to insure compliance with permit conditions; the Board may issue a letter of renewal.

If no renewal application is received by the Board within thirty (30) days after expiration of renewal date of the permit; it may, without further notice, declare the permit void and require a new application to be filed in accordance with Section 3.8.2 of the Zoning By-Law before allowing resumption of operations."

L. Article III, Section 3.8.5 by striking therefrom the words "..... hours of the during ....." and inserting in lieu thereof the words "..... hours of the day during.....". Amended to read: "..... hours during .....".

M. In Article III, Section 3.8.6 by striking said Section in its entirety and inserting in lieu thereof the following: "3.8.6 THE REVOCATION OF PERMIT — The Board of Appeals after hearing and proof of violation of the conditions of the permit, or of this By-Law, shall withdraw the permit, after which the operation shall be discontinued and the area restored in accordance with paragraph 3.8.4".

N. By adding to Article III, the following Section, "3.8.7 PROCUREMENT, STORAGE, OF LOAM, TOPSOIL OR GRAVEL — Procurement, storage of, or stock-piling of loam, topsoil or gravel upon private property, which is intended for public sale and use elsewhere, and which requires the operation of mechanical or power equipment in

loading or unloading, shall fall within the jurisdiction of this By-Law and shall be governed by its conditions." AMENDED TO DELETE THE WORD PROCUREMENT.

O. In Article III, Section 3.10.1 by striking said Section in its entirety and inserting in lieu thereof, the following: "3.10.1 A so-called Mobile Dwelling shall at no time be serviced by or connected with power or utilities, public or private, or erected upon any form or kind of foundation or ever occupied for dwelling purposes, except in a Mobile Home Park duly licensed by the Town of Plainville as and to the extent only that this By-Law permits the same and not otherwise."

P. In Article IV, Section 4.1 by striking the word "member" as used in the definition of "family" and inserting in lieu thereof the word "number".

Q. In Article IV, Section 4.1 by adding after the words "TRAILER PARK" the words "or Mobile Home Park". (⅔ vote required.)

A standing vote showed: Affirmative 173, Negative 0.

ARTICLE 28. Motion by Earl Peck and seconded by Robert Loew that the Town vote to amend the Zoning By-Laws of the Town of Plainville by changing from a RB-Single family residential district to an RD-General residential district, the following described parcel:

Beginning at the intersection of the northerly line of Messenger Street, with the westerly line of Taunton Street, thence northerly by the westerly line of Taunton Street, 2000 feet; thence westerly in a straight line parallel with the northerly line of Messenger Street, and 200 feet distant therefrom to land of the Town of Plainville; thence southerly by land of the Town of Plainville to East Bacon Street, thence easterly by the northerly line of East Bacon Street in part and in part by the northerly line of Messenger Street to the point of beginning. This was a petitioned article and a ⅔ vote required. 171 Affirmative and 4 Negative. Motion passed.

ARTICLE 29. Motion by Miles E. Hooker and seconded by Raymond V. Miller that no action be taken on this article. (Amend Zoning By-Law by changing to a Special Industrial District.) Unanimously voted that no action be taken.

ARTICLE 30. Motion by Robert O. Malin and seconded by David Lomasney that the Town vote to transfer the sum of $525.95 from the Walnut Street Water Extension Account to the Water System Reserve Account. Unanimously voted.

ARTICLE 31. Motion by Alton French and seconded by Daniel Malone that the Town vote to file with Home Housing and Finance Agency or other agency of the United States Government, forms under Public Law 89—136 or regulation for securing and acceptance of contributory funds for public works construction; such funds to be under the direction of and expended by the Water Commissioners for the purpose of constructing a water storage tank off High Street; a new well supply and pumping station on Town owned land off George Street; all pipes, conduits and related facilities necessary to the use of the storage tank and pumping station; and water mains not less than six inches but less than sixteen inches in diameter along Fuller, Walnut, High, Warren, Hancock, Rhodes, Bow, Hawkins, Cross and South Streets; and to authorize the issuance and sale of bonds and notes of the Town (and subject to such limitations as the Town may impose) under the authority of Section 8 of Chapter 44 of the General Laws.

Upon motion by Robert Malin and seconded by David Lomasney, this motion was amended by deleting "and to authorize the issuance and sale of bonds and notes by the Town (and subject to such limitations as the Town may impose) under the authority of Section 8 of Chapter 44 of the General Laws," vote on the amended article was unanimous.

ARTICLE 32. Motion by Marshall Brown and seconded by Raymond Miller that the Town vote to transfer from available funds in the treasury the sum of $4,000 to conduct a pumping test of several days duration at the site identified as test well 7B in the water survey report of Camp, Pressor, and McKee and located about 180 feet northeasterly of the present well, said funds to be expended by, and under the direction of the Water Commissioners. Unanimously voted.

ARTICLE 33. Motion by Robert Malin and seconded by Marshall Brown that no action be taken on this article. (Gravel packed well.) So voted but not unanimous.

ARTICLE 34. Motion by M. Bertha Brown and seconded by Miles E. Hooker that the Town vote to authorize the Selectmen to appoint a committee of seven members to study a method of meeting municipal expansion needs by alteration of present facilities, use of the Garford property, or new construction on Town-owned land located at the corner

of School Street and Spring Street and to transfer the sum of $3,000 from the Sale of Real Estate Account as available for Preliminary Plans, sketches, estimates of cost and technical assistance. Unanimously voted.

ARTICLE 35. Motion by Robert Malin and seconded by Robert Loew that the Town vote to amend the votes adopted under Articles 3, 4, and 5 of the Warrant for the Special Town Meeting held on October 21, 1963 so as to reduce the aggregate amount of the appropriations made by said votes from $235,000.00 to $176,000.00 and so as to reduce the aggregate principal amount of the sums authorized to be borrowed pursuant to said votes from $183,000.00 to $124,000.00. As a ⅔ vote was required a standing vote was called, showing affirmative 171, negative 0.

ARTICLE 36. Motion by Daniel Malone and seconded by Robert Loew that the Town vote to amend the vote adopted under Article 17 of the Annual Town Meeting held on March 15, 1965, so as to rescind authority to borrow $10,000.00 and to raise the sum of $5,000.00 by taxation and to transfer the sum of $5,000.00 from available funds in the treasury. A two-thirds vote is required, standing vote called for, showing affirmative 147, negative 0.

ARTICLE 37. Motion by David Lomasney and seconded by Robert Malin that the Town vote to authorize the Board of Selectmen to purchase a new ambulance, and to transfer the sum of $5,200 from the Ambulance Replacement Account for this purpose. Unanimously voted.

ARTICLE 38. As there was no report of any committees and no committees to be appointed, upon a motion by Daniel Malone and seconded by Reginald Keyes the meeting was adjourned at 10:55 P.M.

AUSTIN F. GRANT, Town Clerk

THE COMMONWEALTH OF MASSACHUSETTS

Department of the Attorney General

State House, Boston 02133

Edward W. Brooke, Attorney General

June 20, 1966

Mr. Austin F. Grant

Town Clerk

Plainville

Massachusetts

Dear Mr. Grant:

I enclose the amendments to zoning by-laws adopted under article 27 of the warrant and the map relating thereto at the annual town meeting held March 21, 1966, with the approval of the Attorney General endorsed thereon, except as to the first sentence thereof "A. In Article 1, Section 1.4 by striking therefrom the word 'twenty' and inserting in lieu thereof the word 'fifty' ", which is disapproved and deleted therefrom for the reason that violations of zoning by-laws are enforced in equity and not by criminal penalties under the provisions of Chapter 40A, section 2. The section of the present by-law which is amended was approved in error.

Very truly yours,

CARTER LEE

Assistant Attorney General

CL:lp

Enclosures

COMMONWEALTH OF MASSACHUSETTS

Norfolk, ss.

To the Sheriffs of our several Counties, or their Deputies,

Greeting:

WE COMMAND you to attach the goods or estate of Dorcon Incorporated, of Warren, Pennsylvania, a corporation organized under the Laws of the State of Delaware, Defendant,

to the value of Fifty Thousand ($50.000) dollars, and summon the said Defendant, (if it may be found in your precinct) to appear before our Justices of our Superior Court, to be holden at Dedham within and for our County of Norfolk, on the first Monday of November next, then and there in our said Court to answer unto George F. Burgess, of Hingham, Plymouth County, Plaintiff,

in an action of Contract to the damage of the said Plaintiff, (as he says) the sum of Fifty Thousand ($50,000) dollars, which shall then and there be made to appear with other due damages. And whereas the said Plaintiff says, that the said defendant has not, in its own hands and possession, goods and estate to the value of Fifty Thousand ($50,000) dollars, aforesaid, which can be come at to be attached, but has intrusted to and deposited in the hands and possession of inhabitants of the Town of Franklin, a municipal corporation, of Franklin, Norfolk County, Commonwealth of Massachusetts; and inhabitants of the Town of Plainville, a municipal corporation, of Plainville, Norfolk County, Commonwealth of Massachusetts, Trustees of said Defendant's, goods effects and credits to the said value;

WE COMMAND you therefore that you summon the said Trustees (if they may be found in your precinct) to appear before our Justices of our said Court to be holden as aforesaid, to show cause, if any they have why execution to be issued upon such judgment as the said plaintiff may recover against the said defendant in this action (if any) should not issue against its goods, effects or credits in the hands and possession of the said Trustees.

And have you there this writ with your doings therein.

Said Trustees and the defendant are notified that under the law, if wages for personal labor or personal services or a pension not otherwise

exempt by law from attachment is hereby attached, an amount of such wages not exceeding fifty dollars for each week during which such wages were earned and an amount of such pension not exceeding forty dollars for each week which has elapsed since the last preceding payment under such pension was payable are exempt from such attachment, and said Trustees are hereby directed to pay over such exempted amounts in the same manner and at the same time such amounts would have been paid if no attachment had been made.

Witness, G. JOSEPH TAURO, Esquire, at Dedham, the Eighth day of September in the year of our Lord one thousand nine hundred and sixty-five.

JOHN P. CONCANNON, Clerk.

A true Cop. Attest:

PROCEEDINGS OF THE STATE PRIMARY

September 13, 1966

The Primary Election was held in the Elementary School Auditorium on Tuesday, September 13, 1966. The following officials, having been appointed by the Selectmen, were sworn in by Town Clerk Austin F. Grant at 11:45 A.M. to the faithful performance of their duties:

Warden: Earl B. Thompson (R)

Deputy Warden: Daniel T. Malone (R)

Clerk: Marion McCabe (D)

Deputy Clerk: Jane Flynn (D)

Ballot Box Officer: Robert Keniston (R)

Tellers: Violet Osterholm (R) Helen Cobb (R)
Jacqueline DiGiantomasso (D) Frances Muir (D)

Alternates: Margaret Frederiksen (R) Wanda Faille (D)

Representatives for Board of Registrars: Richard Cobb (R), Robert Guillette (D), Robert Thibedeau (D).

The ballot box was inspected, found empty, dial set at zero and the key turned over to the Police Officer.

The Town Clerk read the call of the meeting and at twelve o'clock noon the polls were declared open.

At eight o'clock P.M. the polls were declared closed by the Election Warden. The ballot box registered 544 votes cast, and the check lists showed 544 votes cast — 415 Republican and 129 Democrat.

The following counters were sworn in at 8:00 P.M. by Austin F. Grant, Town Clerk — Gael Kelly, Maurice Theriault, Carol Barton, Nancy Loew (D); Jesse Franklin, Sally Brown, Walter Fink, Jean Henrich and Allie B. C. McAlpine (R). The results of the voting showed:

FOR STATE ELECTION

THE COMMONWEALTH OF MASSACHUSETTS

Norfolk, ss.

To either of the Constables of the Town of Plainville,

Greetings:

In the name of the Commonwealth of Massachusetts you are hereby directed to notify and warn the legal voters of the Town of Plainville to meet in Plainville Elementary School Auditorium, South Street in said Plainville, on

TUESDAY, THE EIGHTH DAY OF NOVEMBER, 1966

at 8:00 o'clock in the forenoon, it being the Tuesday after the first Monday in said month, then and there to give their votes for the following officers:

Senator in Congress	For this Commonwealth
Governor	For this Commonwealth
Lieutenant Governor	For this Commonwealth
Attorney General	For this Commonwealth
Secretary of the Commonwealth	For this Commonwealth
Treasurer and Receiver-General	For this Commonwealth
Auditor of the Commonwealth	For this Commonwealth
Representative in Congress	For 10th Congressional Distrrict
Councillor	For the Second Councillor District
Senator	For Second Norfolk Senatorial District
One Representative in General Court	For 9th Norfolk Representative District
District Attorney	For the Norfolk District
Register of Probate and Insolvency	For Norfolk County
County Commissioner (1)	For Norfolk County
County Treasurer	For Norfolk County

And also to vote "Yes" or "No" on the following questions:

QUESTION NO. 1
Proposed Amendment to the Constitution

Do you approve of the adoption of an amendment to the constitution summarized below which was approved by the General Court in a joint session of the two branches held June 11, 1963, received 228 votes in the affirmative and 29 in the negative, and in a joint session of the two branches held May 5, 1965, received 225 votes in the affirmative and 24 in the negative?

YES ____
NO ____

Summary

The proposed amendment provides that at state elections candidates for Governor and Lieutenant-Governor shall be grouped on the official ballot according to the party that they represent and that it shall not be possible to vote for Governor and Lieutenant-Governor except as a partisan group.

QUESTION NO. 2
Proposed Amendment to the Constitution

Do you approve of the adoption of an amendment to the constitution summarized below which was approved by the General Court in a joint session of the two branches held July 16, 1963, received 169 votes in the affirmative and 100 in the negative, and in a joint session of the two branches held May 5, 1965, received 200 votes in the affirmative and 61 in the negative?

YES ____
NO ____

Summary

The proposed amendment provides that the Governor, for the purpose of making certain structural changes in the executive department, may from time to time prepare reorganization plans to be presented to the General Court. If the General Court fails to disapprove a reorganization plan within sixty days of its presentation and has not prorogued by the end of such sixty days, the plan at that time shall have the force of law.

QUESTION NO. 3
Proposed Amendment to the Constitution

Do you approve of the adoption of an amendment to the constitution summarized below which was approved by the General Court in a joint session of the two branches held June 11, 1963, received 232 votes in the affirmative and 18 in the negative, and in a joint session of the two branches held May 19, 1965, received 159 votes in the affirmative and 91 in the negative?

YES ____
NO ____

Summary

The proposed amendment authorizes the Commonwealth and the cities and towns therein to provide for municipal industrial development in such manner as the General Court may determine.

QUESTION NO. 4
Proposed Amendment to the Constitution

Do you approve of the adoption of an amendment to the constitution summarized below which was approved by the General Court in a joint session of the two branches held July 16, 1963, received 208 votes in the affirmative and 43 in the negative, and in a joint session of the two branches held May 19, 1965, received 219 votes in the affirmative and 39 in the negative?

YES ____
NO ____

Summary

The proposed amendment confers considerable authority upon cities and towns with respect to the conduct of municipal government, including the authority to adopt, repeal and amend city and town charters and, in accordance therewith, local ordinances and by-laws. The General Court retains general power to act in relation to cities and towns and classes thereof and, in some circumstances, to enact special laws regarding a particular municipality, including laws for its incorporation, dissolution or merger. Cities and towns are not empowered to act with respect to general elections, taxation, pledges of credit, dispositions of park land, general civil relationships, the punishment of felonies, or the imposition of imprisonment except as the General Court may lawfully confer such powers upon them.

QUESTION NO. 5
Laws Submitted upon Referendum after Passage

Do you approve of a law summarized below, which was approved in the House of Representatives by a vote of 118 in the affirmative and 102 in the negative and was approved in the Senate by a vote of 21 in the affirmative and 10 in the negative?

YES ____
NO ____

Summary

The Act imposes a temporary tax upon all retail sales of tangible personal property at the rate of three per cent of the selling price. Sales of certain items are exempted from the tax, including but not limited to sales of food products for human use, articles of clothing, prescription medicines, agricultural machinery and certain publications. The statute contains specific provisions relating to the registration of vendors, the

PLAINVILLE PUBLIC LIBRARY

filing of returns and the payment of the amounts collected by such vendors. Vendors may apply to the State Tax Commission for abatements of the amounts owed where they believe such amounts to be excessive, and decisions of the Commission on such applications may be reviewed by the Appellate Tax Board. The Commissioners of Corporations and Taxation shall have the usual powers and remedies provided for tax collection of the taxes imposed by this section. The State Tax Commission shall issue regulations necessary for proper administration and enforcement of the section.

The Act further imposes a temporary excise upon the storage, use or other consumption in Massachusetts of tangible personal property at the rate of three per cent of the sales price of such property. Sales upon which the retail sales tax described above has been imposed, or which are exempt from the retail sales tax, shall be exempt from the use tax. Sales upon which a tax has been paid in another jurisdiction shall also be exempt. Assessment, abatement and collection of the use tax shall be governed by the provisions which relate to the tax upon retail sales. The tax upon retail sales and the excise upon storage, use or other consumption shall be effective during the period from April 1, 1966 to December 31, 1967.

Each qualified taxpayer shall be entitled to a credit of four dollars for himself, four dollars for his spouse and eight dollars for each qualified dependent, but such credit shall not be allowed if the taxable income of such individual and his spouse exceeds five thousand dollars for the year. In addition to the taxes described above, the Act provides for new excises upon certain banks; new taxes upon the income of certain corporations; new taxes upon cigarettes; a room occupancy excise upon rent paid for the use of hotel rooms and other lodging places; and excises upon sales of certain alcoholic beverages.

The Act creates the Local Aid Fund for the purpose of providing educational assistance, and authorizes the periodic distribution of amounts from such Fund to the cities and towns. In addition, the Act contains a variety of provisions relating to the program of State Aid to public schools, and to its administration.

QUESTION NO. 6

Do you approve of an act passed by the General Court in the year nineteen hundred and sixty-six, entitled "An Act imposing a temporary tax on retail sales, and a temporary excise upon the storage, use or other consumption, of certain tangible personal property, revising and imposing certain other taxes and excises, establishing the Local Aid Fund, and providing for the distribution of funds therefrom to cities and towns?"

YES ____

NO ____

QUESTION NO. 7

YES | NO |

A. Shall licenses be granted in this town for the sale therein of all alcoholic beverages (whiskey, rum, gin, malt beverages, wines and all other alcoholic beverages)?

YES | NO |

B. Shall licenses be granted in this town for the sale therein of wines and malt beverages (wines and beer, ale and all other malt beverages)?

YES | NO |

C. Shall licenses be granted in this town for the sale therein of all alcoholic beverages in packages, so called, not to be drunk on the premises?

YES | NO |

D. Shall licenses be granted in this town for the sale of all alcoholic beverages by hotels having a dining room capacity of not less than ninety-nine persons and lodging capacity of not less than fifty rooms?

QUESTION NO. 8

YES | NO |

B. Shall the pari-mutuel system of betting on licensed dog races be permitted in this county?

For these purposes the polls will be open from 8:00 o'clock a.m. to 8:00 o'clock p.m.

And you are directed to serve this warrant by posting up attested copies thereof in not less than seven (7) public places in the town seven (7) days at least before the time of holding said meeting.

Hereof fail not and make return of this Warrant with your doings thereon at the time and place of said meeting.

Given under our hands this 26th day of October in the year One Thousand Nine Hundred and Sixty-Six.

AUSTIN F. GRANT, Town Clerk October 29, 1966

PROCEEDINGS FOR STATE ELECTION

November 8, 1966

The State Election was held in the Auditorium of the Plainville Elementary School, South Street, Plainville, on Tuesday, November 8, 1966, it being the first Tuesday after the first Monday.

The following officials, having been appointed by the Board of Selectmen, were sworn in to the faithful performance of their duties, by Town Clerk Austin F. Grant.

Warden: Earl B. Thompson (R)

Deputy Warden: Daniel T. Malone (R)

Clerk: Marion McCabe (D)

Deputy Clerk: Jane Flynn (D)

Tellers: Violet Osterholm (R) Helen Cobb (R)
Jacqueline DiGiantomasso (D) Frances Muir (D)

Ballot Box Officer: Robert Keniston (R)

Alternates: Wanda Faille (D, Dorothy Spaulding (R)

Representatives for Board of Registrars: Richard Cobb (R), Robert Thibedeau (D), Robert Guillette (D).

The call of the meeting was read by Town Clerk Austin F. Grant. The ballot box was inspected, dial set at zero, and the key turned over to the Police Officer. Several times during the voting the ballot box jammed and each time it was opened under the supervision of representatives from each party.

At 8:00 o'clock P.M. the polls were declared closed by the Election Warden, Earl B. Thompson. Due to the heavy voting it was declared that all within the hall would be eligible to vote. At nine o'clock the tellers began checking the voting lists, which showed a total of 1464 ballots cast. At this time the Absentee votes were put through the ballot box, making a total votes cast 1477; 769 women and 708 men.

At 8:00 P.M. the following were sworn in by Town Clerk Austin F. Grant for counting: Gael Kelly (D), Nancy Loew (D), Carol Barton (D), Edward Reilly (D), John Flynn (D), Gretta Barton (R), Margaret Fredriksen (R), Walter Fink (R), Lucille Keniston (R), Raymond Smith (R).

The results of the counting which lasted until 5:00 o'clock A.M., Wednesday, November 9, 1966, were as follows:

Annual Reports

of the

TOWN ELECTED

and

APPOINTED OFFICERS

TOWN OF PLAINVILLE
MASSACHUSETTS

For the Year Ending December 31, 1966

ASSESSORS' REPORT FOR 1966

To the Honorable Board of Selectmen

Gentlemen:

The following is a report of the Assessors for the year ending 1966.

Value of Assessed Personal Estate:

Other personal property	$ 188,250.00	
Stock in trade	227,800.00	
Machinery	63,450.00	
Live stock	2,395.00	
Total		$ 481,895.00

Value of Assessed Real Estate:

Land, exclusive of buildings	$ 794,000.00	
Buildings, exclusive of land	4,491,360.00	
Total		5,285,360.00
Total Valuation of Assessed Estate: Tax Rate — $110.00		$5,767,255.00

Taxes for State, County and Town purposes, including Overlay:

On Personal Estate	$ 53,008.45	
On Real Estate	581,389.60	
Total Taxes Assesed		$ 634,398.05
Number of Dwelling Houses	1,080	
Number of Acres Assessed	6,306	
Number of Cars Assessed	2,660	
Commissioner's Value		$1,809,425.00
Excise on Cars Assessed		$ 109,566.33

Excise Tax, 1966 — $66.00

Appropriation		$4,200.00
State and County Dues	$ 30.00	
Mary Carrado, Tax Cards	10.00	
Norfolk County Registry of Deeds and Land Court	76.05	
Subscriptions	38.00	
Hobbs & Warren, Inc., Forms and Binding	53.65	
Baldwin Office Supply, file	85.50	
North Attleboro Chronicle Co., Letterheads	10.75	
Frederick Sousa, Map System	45.00	
Clerical	750.00	
		$1,105.45
Salaries:		
Francis W. Simmons	$900.00	
Expenses	78.00	
Stanley G. Cole	900.00	
Expenses	78.00	
Robert B. McAlice	900.00	
Expenses	78.00	
		$2,934.00
		$4,039.45
Balance		$ 160.55

Report of The Town Forest Committee

To the Honorable Board of Selectmen

Gentlemen:

We herewith submit our report for the Town Forest Committee for the year ending December 31, 1966.

Again this year the Town Forest was cleaned and trimmed. This was taken care of by the Boy Scouts as a Conservation project.

Appropriation	$75.00
Expended for Labor	$75.00

Respectfully submitted,

EVERETT W. SKINNER, SR.
ALEC H. FREDERICKSON
ROBERT J. PROAL
Town Forest Committee

Report of The Tree Warden

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit my report as Tree Warden for the year ending December 31, 1966.

Appropriation		$500.00
Expended: Taking down trees, trimming and spraying		
Labor	$ 24.00	
Equipment Rental and Purchased labor	320.25	
Material	152.75	
Total		$497.00
Balance		$ 3.00

Report of The Planning Board

To the Honorable Board of Selectmen

Gentlemen:

The major business coming before the Planning Board this year involved the location of the Pacella Brothers Concrete Pipe Plant. This issue dates back to before zoning was adopted. The proposed plant location was adjacent to Route 495 and consequently in one of the Town's best industrially zoned areas. It was the belief of this board and many other townspeople that the location of this plant in that area would discourage more "desirable" industries from settling in the surrounding acreage.

After many meetings with Pacella Brothers Incorporated and the Plainville Townspeople, it has been resolved that the plant will be constructed on the North side of Route 495, in an area less suited for the more "desirable" industries.

To prevent a similar situation from occuring, the Planning Board has submitted their proposed amendments to the zoning by-laws. It is our hope that the townspeople will vote to accept these changes at the annual town meeting.

The balance of business for the year involved routine decisions on subdivisions and approving parcels of land for recording by the Registry of Deeds.

Respectfully submitted,

WILLIAM E. CLARKE, Chairman
BRUCE HASTINGS, Clerk
JOHN FARIA
WILLIAM GILL
EDWARD HADERER

PLANNING BOARD EXPENDITURES

Authorized for 1966		$350.00
Expended:		
Office Supplies	$15.00	
Association Meetings	10.00	
Transportation	10.00	
Registry of Deeds	10.00	
Advertising for Hearings	65.00	
Total Expended		110.00
Balance		$240.00

Report of Library Trustees

To the Honorable Board of Selectmen

Gentlemen:

In 1966 the library was the fortunate recipient of a federal grant which was administered by the Massachusetts Division of Library Extension and enabled us to buy reference books worth $300.00. This was over and above and separate from the local appropriation. From our state aid funds we were able to purchase a new table and chairs for the children's room and to continue our shelving replacement program. We received donations of 310 books from various persons plus a collection of 30 records from the Columbia Record Company. Mrs. John Ippiliot, a former local teacher, has succeeded Mrs. Robert Keniston as assistant to Mrs. Richard Cobb, librarian.

Library hours are: Monday through Friday, 2:30-5:00 p.m.—Monday and Wednesday, 7:00-9:00 p.m.

Circulation:

Juvenile fiction	5,089
Juvenile non-fiction	1,666
Adult fiction	2,730
Adult non-fiction	1,590
Magazines	502
Records	2

Appropriation (includes State Aid and dog tax)		$4,533.00
Expenditures:		
Salaries	$1,838.16	
Books and magazines	1,028.47	
Operating expenses	700.14	
State Aid	952.00	
(includes additional book and shelving)		$4,518.77
Balance		$ 14.23

Respectfully submitted,

BARBARA P. FLUCK
STANLEY MYERS
JEAN HENRICH

Report of The Park Department

To the Honorable Board of Selectmen

Gentlemen:

The 1966 Plainville Park Program ran from June 27, 1966 to September 3, 1966. The staff consisted of: Jill Lomasney, Arts and Crafts Instructor; Melvin Santos, Lifeguard, and Robert Littleton, Park Maintenance. The Commissioners wish to express their thanks for a job well done.

Once again the lack of swimming facilities was felt. The pool remained open for approximately three weeks during the summer. The effects were far-reaching for the swimming class enrollment was nearly 300. With the cooperation of the Town of North Attleboro and the Plainville Park Staff it was possible to take 15-20 youngsters to North Attleboro each day for swimming lessons.

Throughout the year the Park Department has explored ways in which to obtain some sort of swimming facilities for the town. The Commission worked in close cooperation with the Town Counsel in an attempt to obtain federal aid but the results were disappointing. According to the Regional Office of Housing and Urban Development there are no funds available for the construction of swimming pools.

The Park Commissioners held a meeting with local business people with the hope that a pool could be built with the help of private contributions of money and services. Although they were only too willing to help, the 1964 state regulations concerning the construction of public swimming pools makes the cost prohibitive.

In hopes that the requirements could be waived the Regional Director of Public Sanitation was contacted. A representative from that office visited the town, viewed the existing swimming facilities, and informed the Commission that the state requirements must be adhered to. When asked if the project could be spread over a period of years, in order to ease the financial burden on the town, the reply was no.

The last course the Park Commission pursued was an attempt to obtain state aid. Chapter 632 of the Acts of the Commonwealth makes state funds available for local recreational facilities. Swimming pools are included in this Act. At present the law includes only Worcester, Plymouth, Hamden, and Hampshire Counties. Our elected representatives have been contacted in the hope that Norfolk County can be included in this Act. The Amendment to the bill is still in committee and and no definite action has as yet been taken by the Legislature.

One of the findings of the numerous meetings held by the Park Commission is that local recreation seems to be of significant interest to many of the inhabitants of the town. It is the hope of the Park Commissioners that all of these groups will cooperate with the Park Commission in order to best serve the interests and recreational needs of the children in the Town of Plainville.

Respectfully submitted,

THOMAS ARMITAGE
JOHN J. RONAN
RICHARD GUILLETTE
Park Commissioners

Report of The Conservation Commission

To The Honorable Board of Selectmen

Gentlemen:

This Commission met on a regular monthly basis in 1966, calling special meetings as necessary.

Plans have been made to erect a dam at the easterly end of the pond lying on the westerly side of George Street in the Conservation area. The onset of cold weather prevented the erection of this dam. Our rather large unexpended balance of appropriated money was to have been used for this purpose, hence we have increased our request for funds for 1967.

In addition, Mr. Ritzer of the Soil Conservation Service, has discussed with us the possibility of erecting another dam farther downstream to make a pond of about 15 acres with an estimated depth of 12-14 feet.

Not only will these two bodies of water lie within the watershed area feeding our wells but we feel that water stored in such volume will be of great help in controlling the outbreak of fire in this area.

Again this year, a Conservation Field Day was held for Boy Scouts and Cadette Girl Scouts. We feel that this is a very worthwhile activity and hope to continue it as an annual event, with enlarged participation. Also in the month of May, the area around the old Cowell Homestead foundation was bull-dozed, the cellar hole filled-in and the resulting bare earth fertilized and reseeded for appearance and erosion control.

As a body, we went on record, unanimously, as being strongly opposed to indiscriminate, broadcast spraying of large areas for insect control. There is good reason to question the effectiveness of this as a curb on undesireable insect life as well as its effect on all forms of life, human included, when any of the chlorinated or fluorinated hydrocarbons are used as the toxic agents.

We wish to thank all those who provided us with assistance and cooperation during the past year.

Respectfully submitted,

ARTHUR W. WASHBURN, JR.
RAYMOND N. SMITH
CLIFFORD deMOTTE
ALEC FREDERICKSON
RONALD FREDERICKSON
STANLEY MYERS
EVERETT SKINNER
ROBERT PROAL, Ex-Officio

REPORT OF THE

ELEMENTARY SCHOOL EXPANSION COMMITTEE

The Committee formed to study Elementary School Expansion as voted at the March 1966 Town Meeting has met regularly during the year. The Committee had a census made of pre-school children to obtain information for valid enrollment projections.

This census of pre-school children now living in Plainville showed not the usual increase but rather a reduction in the number of children who will become of school age in the years after 1969. As long as this trend prevails, our present school facilities should be adequate and there is no urgency to make plans for additional construction.

To keep abreast of the situation, the Committee will need up-to-date information. For this purpose funds for another pre-school census late in 1967 are being requested. In the future it is hoped this can be coordinated with the census carried out annually by the Board of Registrars.

This Committee believes that the next step in any expansion program should be at the Jackson School. While this appears to offer the best approach at the present time, the Committee also recognizes that there could be changes in circumstances by the time space is needed so that building at another location could be more advantageous.

This Committee strongly urges that the town continue to build up the Stabilization Fund to provide the most economical means for financing future school construction.

HARRY A. SCHOENING, JR., Chairman
BERTHA BROWN, Secretary
RAY FELIX
DAVID KELLY
RAYMOND MILLER
WILLIAM GILL
JOHN MacDONNELL

Report of Inspector of Milk and Dairies

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my report as Inspector of Milk and Dairies for the Town of Plainville for the year ending December 31, 1966.

Thirty milk licenses at $1.00 each.
Paid to the Town Treasurer $30.00.

Respectfully submitted,

EARL B. THOMPSON
Milk Inspector

Report of The Town Ambulance

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit my report for the year ending December 31, 1966.

Trips	186
Mileage	3161 miles
Patients	202
Man Hours	476
Total Billing	$2,084.00
Billing collected and turned over to Treasurer	$1,632.16
Oxygen	33 tanks
Gasoline	203 gallons

Appropriation		$900.00
Transfer E & D, Dec. 31, 1966		107.13
Total		$1,007.13
Expended:		
Office Supplies	$17.20	
Gasoline	54.19	
Oxygen	31.47	
Ambulance Maintenance	203.55	
Laundry	144.72	
Labor	556.00	
Total Expended		$1,007.13

The services of the ambulance continues to be in more demand each year. This year we made fifty more trips than the previous year with many more calls being handled with the Fire Department car.

This year we received bids on a new ambulance as per vote of last March Town Meeting. All bids were rejected as the prices were above available monies. I would therefore recommend that your Honorable Board submit this matter for reconsideration by the townspeople at the first Town Meeting to be held in 1967.

Respectfully submitted,

C. E. SKINNER, JR.

Report of Town Counsel

To the Honorable Board of Selectmen

Gentlemen:

Cases presently pending against the Town of Plainville:

Ruth B. Franey Vs: Inhabitants of the Town of Plainville, Bristol Superior Court #21306. The Town is represented by the Attorney for the liability insurance company.

There is also pending a case against the Zoning Board of Appeals, Edward Harderer, et als, Vs: Pacella Brothers, Inc. et als in the Norfolk Superior Court #87814.

Opinions were given amongst other matters relative to the following:

Town Ambulance
Building Permits
Swimming Pool
Railroad Crossings
Common Victuallers License
Zoning By-Laws
Sub-division Control
Soil Removal
Trailers
Personnel Committee
Public Welfare

There are also pending plans relative to sewerage in the Town of Plainville.

There was one prosecution in the District Court for violation of the Town Zoning By-Law resulting in a finding of Guilty.

The transfer of the property on Messenger Street to the King Philip Regional School District was completed with the exception of an escrow held pending the extention of the water main and adjustments.

I still have several files open relative to land with owners unknown and tax title foreclosures.

There is considerable activity generated by the Zoning By-Laws, Planning Board, etc. and I suggest the formation of a somewhat permanent By-Law and coordinating committee to keep the By-Laws current and to coordinate the activities of the various Boards and Departments.

Respectfully submitted,

CHARLES R. MASON
Town Counsel

Report of The Highway Department

To the Honorable Board of Selectmen

Gentlemen:

The following streets were surface treated with one-quarter gallon per square yard of M.C. asphalt with a sand cover:

Vernon Young Drive, Hillcrest Avenue, Potter Avenue, Grove Street, Pleasant Street, Lincoln Avenue, Cross Street, High Street from Walnut Street to Warren Street, Peck Road, Hawkins Street from the North Attleboro Town line to Fales Road, Green Street, Carleton Road, Eliazbeth Street, George Street from Messenger Street to East Bacon Street, Munroe Drive, Walter Street, June Street, Laurell Street, Cowell Street and Treasure Island Road, a total distance of five and one-half miles.

Under Chapter 90 Maintenance, Taunton Street a distance of one and one-half miles was surface treated with one-quarter gallon of R.C. asphalt with a sand cover. Messenger Street a distance of 700 feet, 300 tons of Bituminous Concrete type I-1 was applied.

Under Chapter 90 New Construction, George Street from Route 1 to School Street, the drainage system was completed. Two inches of Bituminous Concrete type I-1 was applied to the asphalt treated gravel surface. Bituminous concrete curbing was placed where there was a 3 per cent grade or more.

This completes the construction of George Street from Route 1 to School Street, with the exception of some shoulder work to be done next spring.

In conjunction with the Highway Department program, drainage, sidewalks, catch basins, brush cut along the roadside, gravel roads were gravelled and scraped; bituminous patching and the usual maintenance of roads was realized.

The Chapter 679 money was used to widen, reconstruct and asphalt Cowell Street from George Street to the Town dump.

For many years people have asked what is Chapter 81, Chapter 90, Highway Exclusive of Chapter 81 and 90, and so forth? a brief explanation of these accounts are:

Chapter 81: Every year a sum of money is allotted for the repair and improvement of public ways other than State Highways, under Chapter 81, which provides for State grants on highways in towns having a valuation under $5,000,000.00.

The road mileage is determined by dividing the proportion of the State tax per million by the number of miles of town streets, exclusive of State highways in each town. The town then contributes specific amounts per mile, according to a predetermined schedule based on their road mileage ratio. The State contributes a flat $275.00 per mile in all towns which qualify.

The amounts appropriated by the State and Town is expended under the direction of the Department of Public Works on such ways as the Department and Selectmen may agree.

Such roads may be patched, surface treated, widened, reshaped or surfaced with gravel; brush may be cut, culverts and catch basins may be built, and road oiling with tar or asphalt shall be applied as deemed necessary.

The Town of Plainville has 36.07 miles of road under Chapter 81.

Chapter 90; Maintenance money uses a 1-1-1 ratio. State, County and Town. This money can only be used on Chapter 90 roads as set up by the State Department of Public Works for maintenance.

Chapter 90 Construction money is a 2-1-1 ratio, two parts State, and one part County and Town.

This money can be used only on a street which has been laid out by the County, known as a Chapter 90 layout.

The County establishes grades and so forth, takes and records land and sets up land damage costs to be paid by the Town.

Then the State Department of Public Works engineer and design the actual building of the road.

Highway Exclusive of Chapter 81 and 90; This money is appropriated at Town Meeting and is used where Chapter 81 and 90 money cannot be used, such as gas, oil, repairs, parts, supplies, heat, telephone, sidewalks, signs and all operating cost for the Department.

Chapter 679 of the Acts of 1965 provides for the distribution of $15,000,000.00 to the municipalities of the Commonwealth for highway construction purposes.

In submitting this report, I again wish to thank your Board and the members of the Department, and other department heads of the town for their cooperation during the year.

Respectfully submitted,

EVERETT W. SKINNER
Superintendent of Streets

Pre-hatch Dusting	89 Acres
Drainage Clearance	1,677 Feet
Culverts Cleaned	12 Culverts
Catch Basins Treated	345 Catch Basins

Respectfully submitted,

JOHN C. KUSCHKE, Superintendent

Report of Water Commissioners – 1966

To the Honorable Board of Selectmen

Gentlemen:

Following is the report of the Water Department for the year ending December 31, 1966. This has been the first full year of pumping at the Town Pumping Station and records show that 103,000,000 gallons of water was pumped at the cost of six cents per thousand gallons.

The drain has been installed from the transmission pit to the Highland Avenue drain, with work done by the Highway Department and their time and material used paid from the Water Department budget.

The test well was completed at a cost of $4,204.02 which required a transfer by the Finance Committee of $204.02, due to the fact there were only two bidders.

The results of the pumping test on the 8-inch well indicate that a gravel packed well could be installed at this location with very little effect on the performance of the existing pumping station. The engineers of Camp, Dresser & McKee, recommends the capacity for the new well station be approximately the same as that now serving the existing well, which would result in a combined pumping rate slightly in excess of 830 GPM. Results of the water quality from the new well as analyzed by the Mass. Department of Public Health indicates the same water quality as the existing well. The engineers estimated the cost to be $58,000. They also advised for long-range water supply planning, the Town should consider further ground-water explorations so that additional supplies may be located, purchased and developed, as they are needed. Due to the fast rate which land areas are decreasing, future supplies should be located to fulfill the needs of the Town in the future.

There were a total of nine new services installed this year.

We wish to thank Supt. Skinner, the Highway Dept., Treasurer, Selectmen, North Attleboro Water Dept., and Camp, Dresser & McKee for their cooperation during the year.

Insurance Employees Claim	176.00
Photostatic Copies Insurance Reports	210.00
Pistol Permits	92.00
Gun Dealers Permits	35.00
Hawkers and Peddlers Permits	9.00
Bicycle Registrations	5.75
	$743.75

This year your Police Department installed Emergency phones into the Fire Department, the Police Chief's home, the Sergeants home, and all locations are Radio equiped. We feel that communications are a vital factor in time lost during an emergency. We urgently need round the clock coverage in communications. We have the equipment but lack manpower.

We assisted in (8) lost child searches, and are happy to report all safe and sound.

I wish to express my sincere thanks and appreciation for their assistance throughout the year, to the Fire Chief and members of his department, the Highway Superintendent and his department, Board of Selectmen, Mrs. Bessie Barton, Special Officer Ruth Fulton, the members of the Plainville Police Department and the members of the North Attleboro Police Department.

Respectfully submitted,

DONALD J. PECK,

Chief of Police

Report of The Building Inspector

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit my report as Building Inspector for the Town of Plainville for the year ending December 31, 1966.

Ninety-four building permits were issued during the year, as follows:

13	New Business and additions to present business establishments	$287,250.00
2	Additions to Schools, Dominican Academy and Wentworth Institute	75,000.00
21	New dwellings	282,500.00
9	Tool Sheds	1,867.88
11	Garages	17,660.00
1	Stable	750.00
7	Buildings razed and moved	
2	Swimming pools	3,500.00
28	Alterations and additions	26,510.00
	Total Estimated Value	$709,441.80
	Total fees turned over to Treasurer	$ 734.00

I wish to extend my thanks and appreciation to the Board of Selectmen, all other Town Officials, townspeople and contractors for their cooperation during this past year.

Respectfully submitted,

CLINTON E. BARTON, SR.,
Building Inspector

Appropriation:	Salary and Expenses	$350.00
Expended		$350.00

Report of Inspector of Slaughtering

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my report as Inspector of Slaughtering for the year ending December 31, 1966.

The monthly reports required were sent to the Department of Health.

One carcas was inspected and stamped.

Respectfully submitted,

EARL B. THOMPSON
Inspector of Slaughtering

Report of Sanitary Inspector

To the Board of Helath

Plainville, Mass.

Gentlemen:

I herewith submit my report as Sanitary Inspector for the year ending December 31, 1966.

On site subsurface sewage disposal supervision program as of Article XI, State Sanitary Code was completed for all new building, and repair or addition to existing disposal facilities as required.

Cooperation of builders has been found very good. It is the intent of the Board of Health and Inspector to give as prompt service as is possible. Efficient process of applications by the Town Office has been of great help to builders and the Inspector. Results of this program have shown very satisfactory sanitary standards for the Town.

Inspection of eating and drinking establishments were made on the basis of Article X of the State Sanitary Code, also bacteria swab counts of eating and drinking utensils to check proper washing and sanitizing operations. The Town requires inspection of any establishment before license and permit is issued, to determine proper facilities and equipment.

Bacteriological water analysis was made of Town Swimming Pool during short time it was in use during the season.

Analysis of milk and cream was made on quarterly basis at the laboratory and reported to the Milk Inspector.

Respectfully submitted,

PUTNAM STEELE,

Sanitary Inspector

APPROPRIATION UNDER BOARD OF HEALTH

	Appropriated	Expended
Salary, Putnam Steele	$500.00	$500.00
Special Antibiotic Testing	200.00	200.00
Sanitary Inspections for Sewage Disposal	450.00	260.00

There were twenty-six inspections and tests made for Sewage Disposal Systems, and fees collected for same amounted to $390.00.

Report of The Zoning Board of Appeals

To the Honorable Board of Selectmen

Gentlemen:

We are pleased to submit the following report of the activities of the Zoning Board of Appeals for the year ending December 31, 1966.

The Board was increased, at the annual Town Meeting, to five regular members and three associate members by amendment of the Zoning By-Laws.

There were fourteen cases handled by the Board during the year. Four of these were for gravel permits and all were approved, with performance bonds being requested in three of the four cases. One special permit was issued for the erection of a warehouse. Five variances were requested, three were granted. They included a frontage variance, multiple family use of land and a temporary use of land for a trailer site. Two requested variances were denied by the Board. They were for construction of a stable and for erection of a gasoline station. The Board also heard four appeals from decisions of the Building Inspector. Three of these were denied. One of these cases was further appealed to the Superior Court and the case is still in the hands of the Court. One appeal was upheld and the decision of the Building Inspector was reversed.

We wish to thank all the town departments for their assistance and cooperation during the past year.

Respectfully submitted,

ROBERT C. KENISTON, Chairman

GEORGE W. PRAY, Secretary

ROBERT W. HAYES

RICHARD W. ESTEN

WILLIAM SCHOLTES

RICHARD D. PLANTE, Associate

FRANCIS R. McCABE, Associate

FRED TABER, Associate

OFFICE OF CIVIL DEFENSE

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit my report as Civil Defense Director for the year ending December 31, 1966.

Appropriation		$ 750.00
Expended:		
Supplies	$ 46.94	
Postage	29.20	
Telephone	147.01	
Printing	13.85	
Labor	66.50	
Surplus Property	85.85	
C.D. Police	15.00	
C.D. Fire Department	132.72	
C.D. Communications	65.48	
Rent and Equipment for C.D. Hospital	133.29	
Total Expended		$ 735.84
Balance		$ 14.16

Civil Defense had a rather inactive year in 1966 due to a lack of funds. The C.D. Auxiliary Police Department was not reorganized and the Communications Service was not expanded as had been planned.

During the year we had to move approximately one half of the C.D. Emergency Hospital out of the Anna Ware Jackson Elementary School. This was unexpected and created some problems as we had to find storage space that was suitable to the Federal Government. After some pains taking searching we were able to rent a garage in the center of town which proved suitable to the Federal Government. This situation dealt Civil Defense a serious financial blow as we have only very limited funds to work with.

On the brighter side we were able to form a fine nucleus for a Civil Defense Auxiliary Fire Department, and were able to purchase some small amount of equipment such as coats and boots for them.

Due to the situation in Viet Nam the supply of Federal Surplus Property has been depleated, but we were able to pick up some worthwhile items, one of which was a 5-Kilowatt generator. We paid fifty dollars for this item and we feel we got an exceptional buy as the generator is in excellent condition and has been run only about forty hours. This item is actually worth many times this amount both in terms of money and use as an emergency lighting unit to the town of Plainville.

Also during the year the Highway Department was able to purchase a truck chassis to put under the new sander body that was approved for them at town meeting. The truck cost the town one hundred twenty-five dollars and was in excellent condition. Needless to say we in C.D. are quite proud of our small part in this, and its savings to the town in that the actual value of the chassis on the market is in excess of ten thousand dollars.

Again this year we are planning to reorganize the C.D. Police and expand and improve the Communications Service. We hope the Finance Committee and townspeople will approve our request for funds so these goals may be attained this year.

Respectfully submitted,

DANIEL H. HUNT,
Civil Defense Director

Report of Inspector of Animals

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my report as Inspector of Animals for the year ending December 31, 1966.

All cattle brought in from out of state were identified by ear tag and released.

The fall inspection asked for by the State was completed and the report was sent to the State.

Respectfully submitted,

EARL B. THOMPSON
Inspector of Animals

Report of The Plumbing Inspector

To the Honorable Board of Selectmen

Appropriation		$500.00
Expended:		
Labor	$104.00	
Purchased Labor and Equipment rental	339.50	
Total		$497.50
Balance		$ 2.50

REPORT OF THE FIRE ENGINEERS

To the Honorable Board of Selectmen

Gentlemen:

We herewith submit our report for the year ending December 31, 1966.

Grass and Brush Fires	123
Buildings	38
Auto	13
Accidents	20
Power Line	2
Rescue	6
Lock-out	6
Water, Well and Tanks	37
Transportation	21
Mutual Aid	10
Lost Children	7
False Alarms	5
Accidental Alarms	5
Sprinkler Surges	2
Flooded Cellars	4
Bomb Scares	3
Emergency Lights	1
Miscellaneous	41
Practices and Meetings	24
Total	368
Ambulance Trips	186
Grand Total	554

During the year 1965 we had a total of 456 compared with this years 554 for an increase of 98 calls. The regular fire department handled most of the daytime fires and emergencies. Also many hours are spent by these men on maintenance of the Town Offices and Fire Station along with the fire apparatus and police cruiser. This year the Fire Department in co-operation with the Police Department have assumed the responsibility of manning the Police phone and radio during the day time. We believe this has improved the services of these two departments to the townspeople and has proven to be very beneficial to both the Fire and Police Departments especially during emergencies. We also have a Highway Department mobile radio in the dispatch room whenever it is not needed in a

highway truck. With this radio the three departments are able to work as a unit under all circumstances. We do feel that the dispatching service should be extended to cover twenty-four hours a day.

The new Fire Alarm Console has been delivered from the Gamewell Company and installed by members of the department. This gives us a modern system which should serve the Town for many years to come. This console also contains the Fire and Police radios. Two new Fire Alarm Boxes were installed this year. Box 35, Lynn Avenue and Wales Road; Box 312, Grant and Park Avenue. We hope to install a box in the housing development off Route 106 this coming year.

This year we purchased a dual frequency mobile radio on 33:50 and 33:54 for the Chief's car. This is the Norfolk County frequencies and allows us to better work Mutual Aid with our neighbors. This coming year we are asking for a Walkie-Talkie Radio.

We also received our Ladde Truck from the Farrar Company. This is a 85-foot Aerial Ladder with all necessary ground ladders on an FWD Chassis. It has proven to be satisfactory and many hours of training and practice are being put into the operation of this truck. We welcome all townspeople to stop into the station and view both the New Ladder Truck and the Fire Alarm Console.

We are asking to continue the Apparatus Replacement Account so as to have monies available in the near future to replace a pumping engine. Engine 1 was purchased in 1947; Engine 2, 1952; Engine 4, 1957. We are also in need of a tank truck to replace Engine 3 which is out of operation. This truck is needed for outside the water district and during the grass and brush fire seasons.

The ladders on Engine 1 and Engine 2 are unsafe and we are requesting money in our budget to replace same. Also, Engine 2 and the Rescue Truck have to have tires replaced. We are including this item in our 1967 budget. We had snow tires donated to the Department for the Rescue Truck this year, we are asking to replace the front tires.

The C.D. Auxiliary Fire Department continues to be very helpful to the Department. We are very thankful for the many hours of coverage, fire fighting, and training these young men furnish the Town.

Many hours were spent on training this year. Deputy Chief Shurtleff of the Brockton Fire Department conducted a class for seven weeks on firefighting and ventilation. Four members of the department attended a two day training Seminar in Attleboro and ten members attended a two

day Seminar in Walpole. Besides these special classes department practices are held twice a month.

Fire Drills in all schools were conducted throughout the year, also many hours of inspections and investigations.

We wish to express our thanks to you, the Officers and men of the Department, the Police Department, Highway Superintendent and his men, and all other persons who have cooperated and assisted us during the past year.

Respectfully submitted,

EVERETT HATT
FREEMAN ROGERS
L. KENNETH BARNEY

Report of The Housing Authority

To the Honorable Board of Selectmen

Gentlemen:

The past year has seen progress made in our final objective, housing for the senior citizens of Plainville.

Armstrong and Pollis of North Attleboro have been engaged as legal counsel. A site has been selected, and approved by the State Housing Authority.

At present we are awaiting a ruling from the Zoning Board of Appeals, as a variance is needed before the proposed housing project can be constructed. When this technicality is cleared, the Housing Authority will then move on to phase two of its plan.

Report of The Town Auditor

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit my report as Auditor for the Town of Plainville for the year ending December 31, 1966.

Following suggestions received from the State auditing department the audit for the year ending December 31, 1965 was completed and the Report of Financial Transactions, Schedule A for the calendar year 1965 was completed and submitted to the Commonwealth of Mass., Dept. of Corporations and Taxation, Bureau of Accounts.

The cooperation received from the various departments during the audit was appreciated by me.

Respectfully submitted,
ARTHUR H. GLEICHAUF, JR.,
Auditor

Appropriation (including part of 1965)	$388.00
Expenses	0.00
Expended	$388.00

Report of The Personnel Planning Committee

To the Honorable Board of Selectmen

Submitted herewith is the recommended Consolidated Personnel By-Law prepared by this committee at your direction.

The purpose of the By-Law is to define Personnel Practices and Policies to be followed by the Town with regard to full and part-time employees of the Town. Its aim is to insure fair and equitable treatment for those concerned and in the best interests of the Town.

The By-Law sets forth and establishes a Personnel Board which shall have full authority to decide conclusively for all parties concerned all questions relative to the interpretation and application of the By-Law. It further sets the structure for Classification and Compensation Plans to be adopted by the Town, and the method of amending the By-Law or any section thereof should this become necessary. The proposed By-Law was authored solely by the committee but only after much research and consultation with Department Heads of the Police and Fire Departments and the Department of Public Works.

Although there was no paid consultant firm involved, we are deeply indebted to the Massachusetts Personnel Boards Association, Incorporated for their assistance and guidance in furnishing research material and advice.

Respectfully submitted,
THE PERSONNEL PLANNING COMMITTEE

L. RAYMOND LAFERRIERE, Chairman

JAY L. UNDERHILL, Secretary

S. ROBERT ADAMS

ROBERT A. FIRTH

RICHARD SPAULDING

RECOMMENDED CONSOLIDATED PERSONNEL BY-LAW

ARTICLE I — APPLICATION AND DEFINITIONS

Section 1.01 — Application

All town departments and all positions in the Town Service, other than the School Committee and the Welfare Department, and positions under their control shall be subject to the provisions of this By-Law; provided, however, that the compensation of elected officials of the Town shall be established annually by vote of the Town Meeting, in conformity with the requirements of Section 108 and 108A of Chapter 41 of the General Laws.

Section 1.02 — Definitions

As used in this By-Law, the following words and phrases shall have the following meanings unless a different construction is clearly required by the context or by the laws of the Commonwealth:

1. Administrative Authority—The elected official or board, or the appointed official having jurisdiction over a function or activity.
2. Board—The Personnel Board as defined in Section II.
3. Classification—A group of positions in the Town Service sufficiently similar in respect to duties, responsibilities and authority thereof that the same descriptive title may be used to designate each position allocated to the classification, that the same requirements as to education, experience, capacity, proficiency, knowledge, ability, and other qualifications shall be be required of the incumbents, that the same tests of fitness may be used to choose employees and that the same scale of compensation can be made to apply with equity.
4. Continuous Employment—Full-time employment uninterrupted except for authorized leave of absence, required military service, authorized vacation leave, court leave.
5. Department—Any department, board, committee, commission, or other agency of the town subject to this By-Law.
6. Department Head—The officer, board, or other body having immediate supervision and control of a department.
7. Full-time Employment—Employment for not less than seven hours per diem for five days a week for fifty two weeks per annum, minus legal holidays and authorized leaves of absence, required military leave, vacation leave and court leave.
8. Full-time Employee—An employee retained on full-time employment.
9. Holiday Pay—Extra pay authorized pursuant to Article VII of this By-Law.
10. Overtime—Time in excess of the normal number of hours of days of working time in the work week of the department.
11. Part-time Employment—Employment for less than full-time employment as defined above.

12. Promotion—A change from a position of lower class and compensation to a position of higher class and compensation and/or greater responsibilities.
13. Town—The Town of Plainville.
14. Veteran—A person who is a veteran within the meaning of Section 21 of Chapter 31 of the General Laws as amended.

Section 1.03 —Civil Service and Veterans Laws

Nothing in this By-Law shall be construed to conflict with the Civil Service Law or with the laws pertaining to the Civil Service Law or with laws pertaining to the employment of war veterans by the Town.

ARTICLE II — PERSONNEL AGENCY

Section 2.01 — Established

A Personnel Board of five unpaid members, appointed by a joint committee of the Selectmen and three members of the Finance Committee designated by the Chairman thereof, shall be responsible for the administration of the classification plans, shall establish procedures necessary for proper administration, and shall maintain adequate personnel records of all employees subject thereto.

Section 2.02 — Qualifications

In making appointments to the board, the joint committee shall give consideration to the personal qualifications of those voters of the Town who will best meet the responsibility of the board to represent both the Town employees and taxpayers, and who have professional familiarity with the principles, methods and practices of labor relations and personnel administration.

Section 2.03 — Membership

Appointments to the Board shall consist of five voters of the Town who are neither employees nor officers of the Town.

Section 2.04 — Term of Office

Members of the Board shall serve overlapping terms of three years; provided, however, that of the members originally appointed one shall serve for a term of one year, two shall serve for a term of two years, and two shall serve for a term of three years as designated by the Joint Committee. Furthermore, a member shall continue to hold office until his successor shall have been appointed and qualified. Any vacancy shall be promptly filled by the aforementioned Joint Committee for the balance of the unexpired term.

Section 2.05 — Organization

At its first meeting after the adoption of this By-Law, and annually thereafter, the Board shall organize by electing a Chairman and a Secretary, both of whom shall be members of said Board. The Board shall appoint a clerk who shall not be a member of the Board. Meetings shall be held quarterly, and also may be called by the Chairman at any time when the need arises. Meetings shall also be held upon the request of an employee or his representative in writing.

Three members shall constitute a quorum for the transaction of business of the committee and the affirmative vote of a majority of said total membership shall be necessary for any official act of the Board.

The Board may also employ professional and additional clerical assistance as it deems necessary, subject to the appropriation of funds thereof.

Section 2.06 — Duties

The Board shall have the power and/or duty to:

1. Maintain through its clerk adequate and confidential personnel records of all employees occupying positions subject to the Classification and Compensation Plans; information to be furnished by department heads and employees as requested; and these records shall be kept in a secure place by the Town Treasurer on behalf of the Personnel Board.
2. Investigate from time to time, but at intervals not exceeding three years, compensation of any and all positions subject to this By-Law; hold hearings for that purpose if deemed necessary, and recommend such amendments to the Classification and Compensation Plans and other provisions of this By-Law as the results of its investigations and hearings shall warrant.
3. Maintain written job descriptions or specifications of the classes in the Classification Plan, each of which shall consist of a statement describing the essential nature of work and the characteristics that distinguish one class from others, but such descriptions prescribing what the duties or responsibilities of any position shall do, not as modifying nor in any way affecting the power of any administrative authority—as otherwise existing—to appoint, assign duties, to promote or direct and control the work of any employees under his jurisdiction; and in any case employees shall perform any duties assigned them by their appropriate administrative superiors and within proper and legal authority.
4. Authorize, upon the recommendation of a department head and supported by evidence in writing of special reasons and exceptional circumstances satisfactory to the Board, an entrance rate for a position higher than the minimum or any other variance to the Classification and Compensation Plans it may deem necessary for the proper functioning of the services of the Town, but no such variance shall become effective until funds have been appropriated thereof.
5. Make an annual report in writing to the Board of Selectmen and the Finance Committee not later than eight weeks prior to the closing of the warrant for the annual Town Meeting, said report to be printed in the Annual Town Report for the information of the voters and employees.
6. Administer the Classification and Compensation Plans and other provisions of this By-Law and shall have the authority to decide conclusively for all parties concerned all

questions relative to the interpretation and application of this By-Law.

7. Determine which job title under the Classification plan is applicable to an employee.
8. Reclassify a position found to be classified under an incorrect title provided that the incumbent thereof has been given an opportunity to be heard and the recommendation of his department head has been obtained.
9. Establish a title and rate for each new or changed position, subject to receipt of explanatory and substantiating data relative to the content of the position in such form as the Board shall require; any new classes or titles added to the Classification Plan as a result of Board action being subject to ratification by vote of the Annual Town Meeting.
10. Recommend to the Town any action it deems advisable to maintain a fair and equitable compensation level and policy based on continuing studies of rates and policies in effect outside the service of the Town, including recommended action on any article relative to the Personnel By-Law in the warrant for any annual or special Town Meeting.

ARTICLE III — PERSONNEL RECORDS

Section 3.01 — Personnel Records and Reports

A personnel record of all Town employees, including both elected and appointed employees, shall be kept by the Town Clerk in his office. Said record shall contain all the vital statistics and other pertinent data of each and every person employed by the Town. It shall be the duty of each Town officer and employee to furnish to the Town Clerk forthwith, upon his request, all data needed for the completion of this record, and such personnel records and reports as the Personnel Board may require.

Each department head shall submit to the Town Treasurer on Monday of each week, in such form as the Personnel Board shall prescribe, a report of all employees of the department absent from duty during the calendar week immediately preceding, specifying in each case whether the employee was absent on an authorized leave of absence, vacation leave, occupational accident leave, required military absence, court leave, or specifying the nature of his absence if it was not for one of the foregoing reasons. The oath of affirmation required of persons entering the employ of the Town by Section 14 of Chapter 264 of the General Laws, as amended, shall be kept on file in the office of the Town Clerk.

ARTICLE IV — HOURS, DAYS AND WEEKS OF WORK

Section 4.01 — Work Week

The work week for full time employment in each occupational group shall be as follows:

Group	Work Week
Clerical Group	35 Hours
Public Works Group	45 Hours

Public Safety Group
Police Classes .....(1)... .(2) .... 40 Hours
Fire Classes .....(2)..... 50 Hours

1. Except that the Chief of Police as the Administrative authority may, with the approval of the Personnel Board, adjust the hours of each shift to compensate for court appearances on the part of any employee during other than his assigned shift.
2. Where work shifts are rotated over a cycle of weeks, the work week may be computed as an average of the cycle.

Section 4.02 — Overtime Provision

Any Town employee except the Supervisory Group who performs extra time work over his regularly scheduled work day or work week shall be paid for this overtime work at the rate of one time his basic hourly rate or hourly equivalent of the rate established for his respective position by the Compensation Plan Schedule.

ARTICLE V — EMPLOYMENTS, PROMOTIONS & TRANSFERS

Section 5.01 — Conditions

The employment, promotion and transfer of Town personnel shall be according to the following conditions:

1. No permanent full time employment in or transfer to a paid appointive position in the Town Service shall take effect until the same has been approved by the Personnel Board as being in compliance with the requirements of the Classification Plan, Compensation Plan and other provisions of this By-Law; and if such employment or transfer is in compliance as aforesaid, the Personnel Board shall approve the same, and may make such approval retroactive. In the case of an emergency declared by a Department Head with the approval of the Board of Selectmen, said department may, subject to the limitations of its appropriation and to such requirements as the Personnel Board may determine, employ part-time employees without requirement of prior approval by said Board.
2. No employment or promotions hereunder shall become effective until such time as the appropriation or other monies out of which the compensation is to be paid shall be adequate.
3. No proposed promotion to a position subject to this section shall be approved by the Personnel Board until it shall first have been approved by the elected officer or elected board having the supervision and control of the department in which the employee is employed.

Section 5.02 — Medical Examinations of Job Applicants

Every applicant for permanent appointive employment by the Town shall be certified by a practicing physician, designated by the Town, as to his or her physical fitness to perform the duties of the position to which such applicant seeks appointment, and as to any physical condition of the applicant which might adversely affect the insurance coverage of the Town under Chapter 152 of the

General Laws or the group insurance coverage of other Town employees. If the Personnel Board deems such action necessary to the protection of the Town, it may require any applicant for temporary appointive employment by the Town who is to be employed for thirty days or more, or any temporary appointive employee who has been employed by the Town for thirty days and has not been so certified by a physician, designated by the Town, as to his or her physical fitness to do the work required by the Town, and as to the presence of any condition detrimental to the insurance coverage hereinbefore described. The certification required hereunder shall be in such form as the said Board shall determine. The cost of any physical examination required by this section shall be paid by the Town, and shall be charged to the appropriation of the department in which the position is for which such application was made or temporary employment authorized, or shall be charged to such special appropriation as the Town may make for the purposes of this section.

ARTICLE VI — CLASSIFICATION PLAN

Section 6.01 — Establishing of Classification Plan

The following section shall constitute the Classification Plan of the Town within the meaning of Section 108A of Chapter 41 of the General Laws.

The positions of all employees in the service of the Town, other than the positions of officers elected by the Town and positions in the service of the School Department, are hereby classified by titles in groups listed in the following schedule, whether said positions are full-time, part-time, seasonal or other in nature.

Section 6.02 — Classification of Positions by Occupational Groups and Assignment to Compensation Grades

Clerical Group

Clerk, Senior Administrative	C-3
Clerk	C-2
Clerk, Junior	C-1

Public Works Group

Foreman	PW-5
Equipment Operator	PW-4
Driver	PW-3
Laborer, Skilled	PW-2
Laborer	PW-1

Public Safety Group

Sergeant, Detective	PS-4
Sergeant	PS-3
Patrolman	PS-2
Firefighter, Senior Grade	PS-3
Firefighter	PS-2
Dispatcher, Fire & Police	PS-1

Supervisory Group

Police Chief	S-1
Fire Chief	S-1
Highway Superintendent	S-1

Part Time & Seasonal Group

Mechanic, Part Time	M-7
Deputy Chief, Fire, Part Time	M-6
Lieutenant, Fire, Part Time	M-5
Patrolman, Relief, Part Time	M-5
Laborer, Skilled, Part Time	M-4
Driver, Highway, Part Time	M-4
Driver, Fire, Part Time	M-4
Matron, Police, Part Time	M-4
Librarian, Part Time	M-4
Patrolman, Special, Part Time	M-3
Firefighter, Part Time	M-3
Ambulance Driver, Part Time	M-3
Ambulance Attendant, Part Time	M-3
Laborer, Part Time	M-2
Custodian, Part Time	M-2
Librarian, Assistant, Part Time	M-1
Clerk, Part Time	M-1
Lifeguard, Seasonal	X-1
Playground Supervisor, Seasonal	X-2

Inspection Group

Building Inspector	I-6
Wiring Inspector	I-5
Plumbing Inspector	I-4
Gas Piping Inspector	I-3
Inspector of Animals & Slaughtering	I-2
Inspector of Milk & Dairies	I-1

Section 6.03 — Classification of Existing and New Positions

The title of each class, as established by the Classification Plan, shall, except as otherwise provided herein, be the official title of every position allocated to the class and the official title of each incumbent of a position so allocated, and shall be used to the exclusion of all others on payrolls, budget estimates and other official records and reports pertaining to the positions.

Whenever a new position is established, or the duties of an existing position are so changed as in effect to create a new position, upon presentation of substantiating data satisfactory to the Personnel Board, the said Board shall allocate such new or changed position to its appropriate class. No position shall be reclassified until the Personnel Board has determined that such reclassification will be consistent with the Classification and Compensation Plans.

Section 6.04 — Classification Descriptions and Qualifications

The Personnel Board shall establish, maintain and amend from time to time, as it deems necessary, written definitions or job descriptions for each class of positions established pursuant to Section 6.01. Said definition or job description shall describe the essential character of the duties and responsibilities of positions properly allocated to the class, with illustrative examples of work where desirable, setting forth the minimum qualifications for entrance to positions of the class. Such definitions or job descriptions shall be descriptive only and, except as provided herein with respect to minimum qualifications, not restrictive. They shall

serve to define the scope of the several classes and not to prescribe in detail the duties or lines of promotion of any individual position.

In the instance of all other classes of positions, the minimum qualifications for allocation thereto shall be prescribed by the Personnel Board and shall be based upon the following:

1. The minimum qualifications recommended to said Board for classification purposes by department heads.
2. An examination by the Personnel Board of the work content of positions allocated to the class.
3. The Personnel Board's study of comparable positions in private employment, in the service of other municipalities and in the State service.

ARTICLE VII — THE COMPENSATION PLAN

Section 7.01 — Compensation Plan Establishment

A Compensation Plan shall be established, and from time to time amended, by vote of the Town at an Annual Town Meeting. Said plan shall provide minimum and maximum salaries, or single rate salaries, or pay on an hourly rated basis, for the groups of positions in the Classification Plan established by Section 6.01. The salary range, wage range, or rate, of a group shall be the salary range, wage range, or rate, for all positions classified in the group.

The Personnel Board shall administer the provisions of the Compensation Plan and shall establish such policies, procedures and regulations as it deems necessary for the administration thereof, subject to the requirements of Section 2.06.

Upon recommendation of a department head, supported by evidence in writing of special reasons and exceptional circumstances satisfactory to the Personnel Board, said Board may authorize an entrance rate higher than the minimum rate for a position established by vote of the Town, and such other variances in the Compensation Plan as it may deem necessary for the proper functioning of the services of the Town.

Section 7.02 — Salary and Wage Adjustment Reserve

Each department head shall include in the budget of his department a salary and wage adjustment reserve to provide funds for anticipated salary and wage adjustments of personnel of the department during the year. Expenditures shall be made from such reserve only in accordance with the Compensation Plan and with the approval of the Personnel Board.

Section 7.03 — Grandfather Clause

No employee incumbent in a Town position subject to this By-Law shall suffer a reduction of the base salary or wage being received by him at the time of installation of the Compensation Plan.

Section 7.04 — Initial Application of The Compensation Plan

Upon adoption of this amended By-Law at an annual Town

Meeting, the base rate of each eligible employee occupying a position in the Classification Plan shall be effective and retroactive to January 1, 1967.

The rate of each eligible employee shall be adjusted to the step rate in his designated compensation grade that is equal to or next above his existing rate or established at such other rate approximate to either of these as is determined by the Personnel Board.

Section 7.05 — Holiday Pay

1. The following days or dates shall be recognized as legal holidays within the meaning of this By-Law:

New Years Day	January 1st
Memorial Day	May 30th
Independence Day	July 4th
Labor Day	First Monday in September
Columbus Day	October 12th
Veterans Day	November 11th
Thanksgiving Day	4th Thurs. in November
Christmas Day	December 25th

2. Regular full-time employees with three or more months continuous service shall be entitled to receive pay for the designated holiday based on the following terms:

   2.1 No employee except those designated by their Department Heads to be necessary to maintain essential Town Services shall be required to work on any of the above holidays.

   2.2 Each eligible employee, in addition to his earned pay, shall receive one day's Holiday Pay based on 20% of his regular week's base pay exclusive of any extra or additional hours worked.

   2.3 An employees "earned pay" during a holiday week shall be calculated on the basis of actual hours worked, including hours worked on said Holiday, times the basic hourly equivalent of the rate established for his respective position by the Compensation Plan Schedule.

   2.4 The provisions of this section shall not be construed to authorize more than one additional days' pay to any one employee even though he may be required to work on both the day the holiday occurs and the day it is legally observed, or is required to work more than one shift, watch, or tour of duty on the same legal holiday.

3. Payment under the provisions of this section shall be made provided:

   3.1 That the employee shall have worked on the last regularly scheduled working day prior to and his next regularly scheduled working day following such holidays.

   3.3 That if an employee regularly scheduled to work on a holiday shall not report for duty because of illness,

he shall not be entitled to an extra days' pay as provided above.

3.3 That if an employee working on such holiday shall be unable to complete a full days' work because of injuries sustained by him in the line of duty on such holiday, he shall nevertheless be entitled to the full amount of such extra days' pay.

3.4 That if an employee reporting for duty on such a holiday shall be taken ill in the course of the days' work and shall have to be relieved of duty, he shall be entitled to that portion of an extra days' pay which is in proportion to the number of hours that he worked out of a full number of hours that he was scheduled to work.

ARTICLE VIII — VACATION PROVISIONS

Section 8.01 — General Requirements

Regular full-time employees shall be entitled to paid vacations on their individual anniversary date of employment subject to the following provisions:

1. Vacation leave of one calendar week with full pay shall be granted to any such employee who has been continuously employed by the Town for at least six months but less than one year.
2. Vacation leave of two calendar weeks with full pay shall be granted to any such employee who has been continuously employed by the Town for one year, but less than 15 years.
3. Vacation leave of three calendar weeks with full pay shall be granted to any such employee who has been continuously employed by the Town for 15 years or more.
4. The time of granting vacation leave shall be determined by the Department Head with the consideration given to the wants of the employee.
5. Vacation with pay shall be taken in the calendar year in which they are due and shall not be accumulated from year to year.
6. In a week in which a holiday occurs and in which an employee is on his vacation, he shall, upon his return to work, receive that amount of holiday pay that he would have otherwise received if he had not been on vacation leave.

ARTICLE IX — COURT LEAVE PROVISIONS

Section 9.01 — When to be Granted

An employee called for jury duty shall be paid the difference between his regular pay, as calculated above, and the compensation received by him as a juror, exclusive of travel allowances. An employee summoned as a witness on behalf of the Town shall

be granted leave and paid the difference between his said regular pay and his witness fees, exclusive of travel allowances.

Section 9.02 — Private Court Appearances

When court leave is granted to an employee to appear in court as a defendant or litigant, it shall be granted without pay.

ARTICLE X — SELECTIVE SERVICE & MILITARY LEAVE

Section 10.01 — General Requirements

1. Any employee coming within the scope of this By-Law with a minimum of six months continuous service with the Town, who serves in the State or Federal military training forces under orders, shall be paid the difference between his regular pay, and his servicemen's pay for training or emergency duty, not to exceed fourteen days in any one year, and shall be granted military leave of absence without pay for the period of his required service with said forces in excess thereof.
2. Any employee who is drafted or enlists in the Armed Services during any wartime emergency, shall be granted Military Leave. Within sixty days upon release, he shall be reinstated if he so desires to the same or comparable position. He shall be given the benefits of all increased rates of pay and vacation status as if his services had been continuous.

ARTICLE XI — SICK LEAVE PROVISIONS

Section 11.01 — Occupational Sick Leave

1. Each employee, subject to Chapter 152 of the General Laws, pertaining to workmen's compenation, shall be entitled to the benefits of said Chapter.
2. A full-time employee who is incapacitated by reason of an injury sustained in the course of and arising out of his employment by the Town shall receive the difference between his normal work week compensation and the weekly indemnity of the Workmen's Compensation Act, beginning with the first day of incapacity.
3. Each full-time employee not covered by said Chapter 152, including firemen and policemen, who sustains injury arising out of his employment in the Town service, shall be entitled to receive his full pay for the period of his incapacity.
4. In both above cases whether entitlement is by virtue of Chapter 152 or not, if such period exceeds thirty days, continued payment (or difference) beyond such period shall be subject to approval by the Personnel Board which may require periodic written medical testimony supporting the claim of continued incapacity as a condition precedent to its approval.

Section 11.02 — Non Occupational Sick Leave

1. To be granted by the Department Head for a period of up to and including five days per year at regular pay. This,

on an annual basis, and not accumulative from year to year.

2. To be granted by the Department Head, with the approval of the Personnel Board. A physicians certificate of illness may be requested for periods in excess of five days in any calendar year, after one year of continuous service, at $40.00 per week according to the following schedule:

1 year, up to and inc. 2 years	1 week
2 years, up to and inc. 3 years	2 weeks
3 years, up to and inc. 4 years	3 weeks
4 years up to and inc. 5 years	4 weeks
After 5 years	5 weeks
After 6 years	6 weeks

And so on up to a maximum of 26 weeks

ARTICLE XII — MISCELLANEOUS LEAVE PROVISIONS

Section 12.01 — Bereavement Leave

In the event of a death in the employee's immediate family, ie, father, mother, sister, brother, son, daughter, husband or wife, father-in-law, mother-in-law, it is recognized that three consecutive calendar days may be needed by the employee to attend the funeral service. If any of these three days are regularly scheduled working days for that employee, he shall suffer no loss in pay. For each day which otherwise would have been a regularly scheduled working day, the employee will receive one normal days' pay exclusive of any overtime. The last of these three days shall be the day of the funeral.

Section 12.02 — Leave Without Pay

Except as otherwise provided in this By-Law, all leaves of absence shall be without compensation and shall be subject to approval of the department head, and in the instance of any such leave exceeding two weeks, to the approval of the Personnel Board. In no case will a leave of absence be granted to enable an employee to accept or experiment with other gainful employment.

ARTICLE XIII — PERSONNEL GRIEVANCE PROVISIONS

Section 13.01 — Personnel Board to Administer

The Personnel Board of the Town shall constitute the Personnel Relations Review Board of the Town, and in that connection shall have the powers and duties, and perform the functions, assigned such Personnel Relations Review Boards by Section 21B of Chapter 40 of the General Laws; and said Boards shall, in the performance of its duties as Personnel Relations Review Board, be subject to the limitations imposed by said Section 21B and by the By-Laws of the Town.

When sitting as the Personnel Relations Review Board, the Personnel Board shall keep a separate record of its proceedings, which shall not be open to public inspection except as may otherwise be required by State law.

Section 13.02 — Grievance Procedure

There shall be a grievance procedure available to those employees of the Town whose rights under the classification plan have, in their opinion, been prejudiced in any way and covering all other grievances. As used in this section, the word "grievance" shall be construed to mean dispute between an employee and his supervisor arising out of an exercise of administrative discretion by such supervisor or supervisors.

STEP I. The employee shall take up his grievance orally with his immediate supervisor who shall reach a decision and communicate it orally to the employee within two working days.

STEP II. If the grievance is not settled as Step I, the employee shall within five working days present his grievance in writing to his supervisor who shall forward it to the department head (if he is not one and the same person) who shall hold a hearing within five working days if required. At this hearing there shall be present the employee and one representative if he requests it, his supervisor, the department head and the Chairman of the Personnel Board.

STEP IIA. If the grievance is not settled at Step II in those cases where the department involved is under the jurisdiction of a Board or Commission, Step II shall be reviewed before said Board or Commission with the same group in attendance.

STEP III. If the grievance is not settled at Step II or Step IIA, all records and facts in the case shall be referred to the Personnel Board acting as the Personnel Relations Review Board for adjudication. Those present at Step II or Step IIA shall appear at this hearing. Within twenty working days of the hearing, which shall be the next regular meeting of the Board except in cases of emergency, the employee shall be notified in writing through the department head as to the decision of the Board which shall be final.

ARTICLE XIV — AMENDMENTS AND SEVERANCE

Section 14.01 — Amendments

It shall be Town policy to amend this By-Law only at an Annual Town Meeting, unless amendment at an earlier time shall be made clearly imperative by a specific provision of State Law.

Section 14.02 — Severance Clause

The provisions of this By-Law are hereby declared to be severable, and if any such provision or the application of any such provision to any person or circumstances shall be held to be invalid, illegal or unconstitutional, such invalidity, illegality or unconstitutionality shall not be construed to affect the validity, legality, or constitutionality of any of the remaining provisions

or the application of said By-Law to persons or circumstances other than those as to which it is held invalid, illegal or unconstitutional.

The Industrial Development Commission

To the Honorable Board of Selectmen

Gentlemen:

The Industrial Development Commission was re-activated by the Board of Selectmen the latter part of 1966.

At an organizational meeting held October 5th, Joseph Doiron was elected chairman and Mrs. Grace Simmons, secretary. Other members are: Camilo DiGiantommaso, Jimmy Rignanese, Chester Roberts, Raymond Miller, John Haley.

The Commission is requesting a budget of $700.00 for the year 1967. Largest proposed expenditure would be for a brochure setting forth available land in town and detailed facts about Plainville.

Emphasis at the present time is on working with IDC's of Foxboro and Wrentham to develop the 1,000 acre tract located in the three towns at the boundaries.

Regular meetings are held the second Thursday of each month.

Respectfully submitted,

GRACE SIMMONS

Secretary

Appropriation	250.00
	26.95
Expended	$223.05

Report of The Municipal Planning Committee

To the Honorable Board of Selectmen:

The Municipal Planning Committee was appointed by the Board of Selectmen following the Annual Town Meeting in March 1966.

This committee was appointed to study a method of meeting municipal expansion needs, either by alteration of present facilities, use of the Garford property, or new construction on Town owned land located at the corner of Spring and School Streets.

On Tuesday, May 31, 1966 the committee met with five architectural firms to discuss the possibilities of this project. The firm of Korslund, LeNormand and Quann, of Norwood, Massachusetts was selected to draw up preliminary plans, and has been meeting with Town Officials explaining the proposed plans and getting their ideas for their needs for various offices.

The architect is having slides made of plans and the committee is scheduling public hearings during February and before Town Meeting in March in order to acquaint the townspeople with the plans and possibilities of the municipal expansion program.

Respectfully submitted,

CLINTON E. BARTON, SR., Chairman

LEROY B. WILSON, Clerk

Report of The School Committee

To The Citizens of Plainville:

During 1966 the Plainville Elementary School System has been presented with opportunities for continued improvement in the educational program.

Federal support was received for Opportunity Classes, Summer Head Start and Library Aid. The School Committee believes this town should make use of Federal Aid whenever there is a real need and benefit will result. We commend Superintendent Green for his alertness and diligence in setting up these programs and applying for funds.

Increased State Aid for education has been made available from Sales Tax receipts. The School Committee is taking this into account by making improvements with prudence in the overall program.

As required by recently enacted State Laws, the School Committee recognized the Plainville Teachers Association as the bargaining agent for the Plainville teachers and signed an agreement for collective bargaining. At this writing, negotiations are underway concerning salaries and conditions of employment. It is expected a salary schedule will result which will enable us to secure qualified teachers and keep those we have.

Consistent with the policy to make school facilities available for public use, the Plainville Youth Center has been permitted to meet in the school building during the past year.

This year it was necessary to apply to the town for emergency funds to cover the final bus payment (approximately $1,800). Actual bus costs could not be anticipated at the time the 1966 budget was prepared since the old contract expired this Fall. The new three-year contract was appreciably higher than expected and an extra bus had to be scheduled since a sidewalk was not extended all the way to the Jackson School as planned for.

The school lunch program is operating at a loss and the situation has to be corrected. Reasons for the present condition are reduced donated commodities, higher food costs and increased costs to operate lunchrooms at both schools.

The Committee extends thanks to those associated with the school for their good work during the year. We gratefully acknowledge the devotion of those mothers who assist in the library program. Our appreciation is also extended to the Teachers Association for money for library books and to the PTA for funds donated for equipment.

Respectfully submitted,

HARRY A. SCHOENING, Chairman

ROBERT W. ROOT, Secretary

Plainville School Committee

Report of The Superintendent of Schools

To the Plainville School Committee:

I consider it a privilege to submit my seventh annual report.

Introduction

The calendar year of 1966 has been different in many ways, but in particular in the matter of State Aid for Education. With the money available from the sales tax, Plainville is in a position to receive over 48 per cent of the town's educational expenses from the Local Aid Fund established by the Sales Tax Law, Chapter 14 Acts of 1966.

Chapter 70 School Funds and State Aid for Public Schools Section 1 reads as follows: "The purpose of the financial assistance provided by this chapter shall be to promote the equalization of educational opportunity in the public schools of the commonwealth and the equialization of the burden of the cost of school support to the respective cities and towns" . . . . .

You will see the effect of this act if you compare 1966 Estimated Receipts with those for 1967.

Enrollment

October 1, 1966 enrollment of 663 is an increase of only 4 pupils over the 659 of October 1, 1965. The main reason for the small increase was the low enrollment in grade 6 caused by changing the entrance age from 5 years 6 months to 5 years 8 months in 1961. After this year we have no grades under 100 pupils.

Teaching Staff

One new teaching position was added in September 1966. This position was for an ungraded class of second, third, fourth and fifth grade pupils. A class of this type not only serves an educational purpose but also is more economical. Of 28 staff members in June 1966, 23 were still with us in September 1966. Family or husband located in another area caused all resignations. Changes are shown in list of teachers later in this report.

School Facilities

All twenty rooms in the Elementary School are being used. We still have two rooms available in the Jackson School. For the 1966-67 school year facilities are used as follows:

Elementary School		Jackson School
Grade 1	4	1 room
Grade 2	4	2 room
Grade 3	3	1 room
Grade 4	3	1 room
Grade 5	3	1 room
Grade 6	3	
Ungraded Class		1 room
Opportunity Class		1 room
Special Class		1 room

One room at the Jackson School has been rented to the Attleboro Area Association for Retarded Children for a nursery class and one is used for storage by Civil Defense. Of course these rooms are available when needed.

Federal Programs

Federal money was available this year in respectable amounts and has been used to supplement local and state funds. The following projects have been completed to date, (costs in parenthesis). Opportunity Class, April - August 1966, Title I ESEO ($7,424). Summer Head Start ($7,917). Library, Title II ESEA ($1,563). Reading Projects NDEA ($234.72). Social Studies Project NDEA ($331.50). Opportunity Class September 1966 ($4,826). The total of $22,295.72 shows that Plainville is receiving substantial Federal Aid. Estimates for 1967-68 Federal Funds and their use are included in the budget.

Noon Lunch

The Lunch Program has always operated at a profit but rising costs of everything require changes in financing. The supervisor's salary can be paid from the school budget. Price of lunches can be raised to 25 cents. We may need to take both of these steps to remain in the black.

School Physician

Dr. John T. Cotter

The examination of the students of the Elementary School is nearing completion at this time. There have been no new serious problems seen. The general health of the students is good. There have been the usual number of cases of diseased tonsils and adenoids seen; however, a number of previously reported cases had been adequately attended. Postural defects in the early stages have been observed, and in view of this it is considered that a formal course in physical education should be recommended.

I wish to thank the school nurse, Mrs. Pray, for her able assistance to me in my work. The faculty has been most considerate in arranging their schedules to fit my time.

Dental Hygiene Program

This program ended in December 1966. Results should be available in the fall.

Speech Therapy
Mrs. Paula Becker

The speech therapy program has continued from last year. Results of a program of his type may be difficult to notice at first but over a period of years should pay dividends. The ultimate goal is to have all children who complete Plainville Elementary Schools speaking clearly. Parental cooperation is very important but conferences are difficult to arrange as Mrs. Becker is on a tight part-time schedule.

Library

We have added over 250 volumes to our libraries this year. A library board consisting of Mrs. David Lomasney, chairman; Mrs. Robert Faille, Mrs. Joseph Henry, Mrs. Robert McAlice, Mrs. Henry Watson, has operated the library at the Elementary School. In all, twenty mothers have assisted.

At the Jackson School, Mrs. William Moreshead acted as librarian from September 1965 to June 1966, and for the school year beginning in September 1966 several mothers have performed this task. Miss Linda Clarner, the first grade teacher, devoted many hours to cataloging and organizing the library. About $1,200 in Federal Funds under Title II Public Law 89/10 was used to purchase books which were divided between the libraries as required by this law. Every effort will be made to bring the Jackson School library up to equal the Elementary School library. Books are exchangable from school to school under our present system.

Custodians

No changes have been made in the custodial staff. Mr. Albert Pothier is the Head Custodian. Mr. Aram Pothier, Elementary School, and Mr. Frank Sienko, Jackson School.

Summary

Changes are happening in education, and Plainville must keep pace or your children will be at a disadvantage in later years. Change for the

sake of change is not the answer. Careful evaluation of what is going on elsewhere and then selective change makes sense. New emphasis on quality education for all children is being supplied from state and federal sources. Mandatory school hours and longer school years are new regulations having the force of law. Physical education is a recent addition, and kindergarten for all will be required in the near future. On the other end of the ladder, 13th and 14th years are being considered. As a small community, Plainville probably won't lead or even want to lead in these areas but I am sure Plainville does not want to fall too far behind.

I wish to thank the school committee, school personnel and all persons who have contributed to make this a successful year.

Respectfully submitted,

CARL W. GREEN, Superintendent

Regular Meeting of the School District Committee

Every first and third Monday at King Philip Regional High School
at 8:00 o'clock P.M. sharp.

REPORT OF THE CHAIRMAN

I take this opportunity to thank my fellow committee members for their faithful attendance and active participation in discussions at our many regular and special meetings over the past year.

The problems facing your District Committee are ever changing, and the latest ones arise from the recently enacted "Collective Bargaining" statue. The solutions in these areas that the Committee is striving for are those that will ensure an increased educational capability be obtained for every expenditure dollar added via bargaining with its employees.

Your Committee has seen little evidence of increased financial aid either to the District or to the Member Towns as a result of the Sales Tax. In fact, the current distribution formula has eliminated a substantial vocational school reimbursement which previously came directly to the District.

The Problems of making practical and effective use of new Federal grants and aid programs all seem to lead to solutions that require spending money to get money, not always an attractive idea.

The increasing pupil enrollment situation has been relieved, albeit temporarily, with the opening of the King Philip Regional School-North last September. This new building serves Grades 7 and 8, and the Committee intends that this facility will assume an important role in meeting the needs of the District.

CHARLES F. WINTER, Chairman

King Philip Regional School

District Committee

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To:

King Philip Regional School District Committee
Citizens of the King Philip Regional School District

It is a pleasure for me to submit this my second annual report as the superintendent of schools for the King Philip Regional School District. Since this is the tenth year in which the King Philip Regional School District has operated as a school unit, I shall do my best to make this report as meaningful and worthwhile as possible for the officials and citizens who will take the time to read it.

Accomplishments in 1966

The first achievement was the preparation, presentation, and acceptance of the largest King Philip Regional School District budget to date by the voters of the three towns at their town meetings in an atmosphere which expressed confidence in your superintendent and your elected School Committee. I hope that the comments expressed to me by members of the Tri-Town Finance Committee, indicating their confidence in our efforts to operate our schools with realistic budgets is shared by other citizens. I assure all of you that I shall always endeavor to present a realistic responsible budget with care and concern for the tax dollar in order to provide the quality education which our boys and girls deserve.

Another significant achievement was the successful completion of the second building of the district, (King Philip Regional School-North) which opened on schedule as the 10th Anniversary Year began. It is true that we had only limited use of the building as of September 7th. Nonetheless, through the tireless efforts of the Principal, Paul B. Waaramaa, and his staff, in spite of some inconveniences, we opened on time. It is important also to commend the cooperative efforts and actions of the boys and girls, who could have made this a difficult process. It is my opinion that our new junior high school provides us with a functional school which contains numerous flexible features which will permit the improvement and expansion of the program with a minimum of expense and inconvenience. A constant problem confronting us in equipping and furnishing the building were delays due to reported shortages of materials resulting from the war in Viet Nam. Hopefully, in the very near future all items contracted for will be delivered and installed. It should be called to your attention that a summation of the junior high school con-

struction budget appearing on a later page shows that as of the end of the year 1966 the School Committee maintained expenditures within the approved budget of $1,850,000.00. This achievement has been due to the diligence of the members of the King Philip Regional School District Committee and to the efforts of our architectural firm of Haynes, Lieneck & Smith of Fitchburg, Massachusetts. We have been most fortunate to have the constant supervision and advice of Mr. Paul Lieneck, Mr. Richard Smith or their field engineer, Mr. Ronald Bartlett. This section of my report on the construction of the junior high school would be incomplete if I failed to give recognition and commendation to our most capable clerk-of-the-works, Mr. John Apsit of Wrentham. It is impossible to estimate the amount of money he was able to save the district in construction as well as the constant attention he gave to insuring that we had the very best quality of construction.

I would be remiss if I did not express my sincere praise for the high quality of effort of our Principal Paul B. Waaramaa. He has demonstrated his ability to organize and administer our new King Philip Regional School-North. He is to be congratulated on his many hours of work in preparation for the opening of school and his continual concern for the well-being of our 7th and 8th graders. His many ideas for innovations and improvements in the junior high school program indicate that we will be providing the best in education for our boys and girls.

Problems of Staffing

I believe that we have been most fortunate in obtaining conscientious and qualified teachers for both of our school buildings. We have been most fortunate in retaining most of our former staff.

The staffing of schools at all levels becomes increasingly difficult especially in selecting the best for our students. Business and industry continue to attract college graduates, many of whom have the potential for becoming very fine teachers. Directives from the United States Selective Services during the past year encourage local boards and state boards of review NOT to grant deferments to teachers. It was necessary to appeal several cases to state boards of review and one case to the Presidential Review Board in order to obtain deferments.

In seeking new teachers, we send notices of vacancies to college and university placement offices in the New England states as well as state and private employment agencies. Members of the administrative staff visit many placement offices to interview interested candidates. Of course, many teachers apply directly to us and are interviewed locally. We require written evaluations from the references of each individual

and also a transcript of his college and, if applicable, his graduate school record. If at all possible teachers are observed in their current classroom teaching position. The best qualified applicants are then recommended to the School Committee for appointment as teachers in the King Philip Regional School District.

I might add that this basic procedure, other than notifying college and teacher placement offices, is followed in the selection of candidates for all positions.

It is my belief that care in the initial selection of personnel, prior to employment, results in a better teaching staff than having to release people soon after they are employed.

It is important at this point in my report to comment on staff turnover. During the year 1966 we lost 11 teachers of whom: 4 moved to other teaching positions, 1 to a governmental position, 1 to dental school, and 5 left for family reasons. In addition to replacing these people we added 5 teachers to the staff at King Philip Regional High School, 5 teachers to the staff of King Philip Regional School-North, as well as a librarian, a school nurse, and an additional guidance counsellor at the Junior High School. One of our teachers was granted a leave of absence for the school year 1966-67 in order to work for her Master's Degree. We also joined with Wrentham Public Schools in order to share the employment of a speech therapist, replacing a very minimal program in terms of time although not in quality.

King Philip Regional High School

Our high school program and the atmosphere prevailing with 550 less pupils and only the upper four grades, gives one the feeling of real enthusiasm for learning as well as an emerging school spirit. This reflects the efforts of Mr. Charles L. Manos, Principal and his faculty to create and develop with the cooperative efforts of the students, a real purposeful on-going high school program. Improvements in the curriculum and in the so-called extra-curricula area are emerging and will continue to be made as the several departments evaluate their program, making such recommendations to the administration and to the School Committee.

King Philip Regional Vocational High School

Again this year Mr. Preston Titus, the Director of our Vocational High School, his staff and pupils have achieved many successes. Another new house was completed and one started through the carpentry program, not to mention the many smaller projects for both the schools, the communities, and individuals. A project of which we are justly proud

is the construction of the new garage and storage building adjacent to the Vocational High School wing which will serve to help us better protect and maintain numerous pieces of custodial and athletic equipment. It will also help the King Philip Scholarship Foundation to have a more efficient booth for refreshments at our athletic events. We would also like to commend the King Philip Boosters Club for their assistance in the construction of the new press box which was accomplished largely by our vocational students.

Another achievement of our Vocational High School was accomplished through the efforts of Mr. Titus and his Machine Shop instructors by the new Cooperative Machine Shop programs worked in conjunction with the area machine tool industry. These are valuable phases of vocational education and offer benefits to both our boys and to the cooperating businesses.

Maintenance Efforts

The opening of the King Philip Regional School-North necessarily resulted in additions to our custodial staff as we added to the 144,000 square feet of floor area at King Philip Regional High School 88,000 square feet at the junior high school. We also added to our staff, matrons at both buildings, which helps to supplement the efforts of our custodians and enables us to better maintain the facilities for our teen age girls.

Commendations are in order for Mr. Clayton Cummings and his staff of custodians at King Philip Regional High School as well as for Mr. Curtis Willard and his staff at King Philip Regional School-North. Few people realize the varied skills needed by custodians in order to properly maintain modern school buildings, with their extensive and expensive heating and ventilating systems, the constant need for a knowledge of carpentry, an understanding of plumbing, and the care of grounds including lawns and shrubs to mention just a few.

Again during this past summer our custodians at King Philip Regional High School painted 6 classrooms and the entire second floor corridor, which incidentally included plastering as needed. They were also involved in numerous other repair projects as well as the thorough cleaning of the entire building which included windows, walls, furniture and light fixtures.

The grounds care program was a private contract in 1966 and I believe the improvements speak for themselves, although we must continue this program each year. We also resurfaced our tennis courts which were in desperate need of repair. We hope to make certain

changes in the tennis court area which will enable us to permit their continued use during the summer.

We are extremely grateful to those Vocational High School boys and girls who participated in the Cooperative Summer Work Program financed by Federal Funds, under the Direction of Mr. Preston Titus and Mr. Gerald Desrosier. This effort supplemented the work of our custodians and assisted our clerical staff in a wide variety of ways. It also provided varied work experience to our vocational students.

Plans for 1967

We feel it necessary and desirable to make a few comments about the plans for 1967 which includes at the fore the greatly increased budget. It is important to emphasize that this budget has increased significantly for several reasons. First, 1967 is the first year when we feel the full impact of the operation of our King Philip Regional School-North. Since the school's fiscal year is based on the Federal and State Fiscal Year of July 1 to June 30, the local budget in any one year reflects only about 35% of the effects of increased costs for the next school year. A second reason is the gradual increase in enrollment at the high school, grades 9-12, which has been increasing by 50 to 100 pupils per year as small senior classes graduate and larger freshman classes enter. This means adding to our staff to accommodate the increase. We also are increasing our staff of science teachers in order to provide an additional two laboratory periods for students in physics, chemistry and, hopefully in biology. This will enable us to better prepare these students for their future vocational or educational objectives.

The combined enrollment of our elementary schools does not indicate yet that a leveling off period is in sight. We expect to experience a temporary, slight decrease in enrollment at the King Philip Regional School-North in September of 1967, caused by a change in the entering age of first graders in Plainville some six or seven years ago.

A third factor causing an increase in the 1967 budget is the increased costs of supplies and materials reported to range from 5% to 15%. A fourth cause of the increase is due to our desire to provide greater experiences in home economics and industrial arts at the King Philip Regional School-North for our boys and girls as well as to more fully utilize the existing facilities.

A fifth and a major cause of the increase is due to salary adjustments not only those voted for September 1967, but those voted in the last year or two. The sixth and last significant cause of the increase is due to the

new state aid formula which continues to reimburse regional school districts directly for 100% of the cost of transportation and 50% of the costs of special education but which discontinued 50% reimbursement of the costs of vocational education for the day school or adult evening program. Reimbursement for vocational education is theoretically included in the increased state aid to the individual towns. The loss of 50% reimbursement for our Vocational High School represents about $40,000.00 in the 1967 budget.

In order to improve our school program we have proposed a number of items under the Acquisition of Fixed Assets most of which are 50% reimbursable under the National Defense Education Act. We have also proposed a Summer School Program for our students, the major cost of which would be borne by each individual electing to participate in the program. Depending upon the amount of participation we would endeavor to provide both remedial or make up programs as well as enrichment. This past summer 65 of our students enrolled in summer programs outside of our district. We believe that we should provide this opportunity for our own students and believe that additional students would participate if held locally. We are also proposing the addition to our Driver Education Program of the "on the road" or "behind the wheel" phase which was discontinued a few years ago. Again the major cost of this would be borne by each individual student participating. This would be conducted after school hours just as in the case of the present classroom program.

What of the Future

Not having a crystal ball, I can only "guesstimate" on some items. Enrollment, however, unless some rapid increase or influx of children occurs, should permit us to provide a good school program, with the present facilities, for the next four to five years. It might necessitate some adjustments in assignment of grades to the King Philip Regional School-North and the King Philip Regional High School at some time in the future such as accommodating grade 9 in the new junior high school. We might even gain another year or two if the Proposed Regional Vocational Technical School District should become a reality. We anticipate that when the 20th year of operation of the King Philip Regional High School occurs we will have a second junior high school on land recently purchased in Plainville and rather suspect that at about the same time it may be necessary to add to the King Philip Regional High School building. Please remember this is pure speculation not based on reliable figures and without knowing the possible effects of Route 495, the expansion of such major industries as Texas Instruments, The Foxboro Company, The Plimpton Press plant when it is constructed, or other

new industry attracted to our area by our aggressive and industrious industrial development boards or commissions.

We do hope to introduce a Remedial Reading Program during 1967, with the use of Title I Funds allocated to the King Philip Regional School District. At the very latest it is hoped it will be operating during the summer. We also hope to utilize some $2,000.00 under the Vocational Business Act (PL 88-210) to improve our program in Business Education. We will do our best, limited only by time, stamina and staff to make as much use as possible of any Federal Funds which are available to us.

We neglected to mention the allocation of some $3,200.00 under Title II (ESEA) for the improvement of Library resources during 1966 of which we were able to expend about $2,800.00 and would have expended the full amount except for the lack of availability of the books and material requisitioned. A similar Federal program is expected to be announced within the next few weeks.

In Closing

In spite of this lengthy report I would be remiss if I failed to express my sincere appreciation to the members of the King Philip Regional School District Committee for their confidence and support as well as their questioning and evaluation of my recommendations. Let no one think for a minute that the nine committee members are "yes" men (or women) or that they are uninformed about the work and operation of the schools. You should all indeed be grateful that you have elected such dedicated people who have spent uncounted hours and too numerous special meetings in the conduct of the affairs of the District. Certain people are reported to think they spend money without care or consideration. From personal experience as your superintendent, I know that this is not true. Having been brought up in the family of a school committee member, I know it is a thankless job, so I for one say to each of the King Philip Regional School Committee members, "Thank you for your conscientious efforts in behalf of the education of our boys and girls."

I also wish to express my appreciation for their counsel and assistance to our principals, Charles L. Manos, Preston M. Titus, and Paul B. Waaramaa. They help to make the lonely job of superintendent of schools a little less so. A special word of thanks and praise to Walter White and Anthony DiRe for jobs extremely well done. I believe that the high level of performance of the Guidance Department under the direction of Francis X. O'Regan speaks for itself through the best reporters in the world, your sons and daughters.

My sincere appreciation to your dedicated staff of teachers who are doing their best for our youth. My commendation to the clerical staff of our schools who are the ones who keep the wheels moving smoothly. My special appreciation to our custodians for their efforts as parts of the team to provide good schools. A special word of praise to Julius Candela and his cafeteria workers for providing one of, if not the best, school lunch programs in the Commonwealth with the highest participation—95% plus. A word of special thanks to our students for their expressions of concern during my illness in December and a special commendation to them for their high morale and outstanding achievements academically as well as athletically.

A special word of appreciation is necessary for very conscientious efforts of Mrs. Marilyn Ware and Mr. Arthur Gleichauf, Jr.

And finally a very special word of appreciation to my clerical staff during 1966 which included Mrs. Katherine Sheehan, Mrs. Dorothy Draheim, Mrs. Priscilla Hill and Mrs. Mildred Hill. Only they and I have even the vaguest ideas of the many, many hours of work accomplished far in excess of a 40 hour week.

Respectfully submitted,

DAVID W. EATON,

Superintendent of Schools

Report Of Principal

To: Mr. David W. Eaton, Superintendent King Philip Regional School District

From: Mr. Charles L. Manos, Principal, King Philip Regional High School, Wrentham

Subject: Annual Report

It is with extreme pleasure that I submit the following report as the Principal of the King Philip Regional High School:

Organization

Grade 12	154
Grade 11	177
Grade 10	226
Grade 9	236
	793

Although the fall enrollment in the regional school building in Wrentham was the lowest in many years, the 793 high school students present at the opening of the 10th anniversary year at King Philip represented the largest high school population since the inception of the regional school district. In view of the fact that approximately 550 students are now enrolled in the junior high grades at the King Philip Regional School-North, may I add my congratulations and heartfelt thanks to the school committee and to the voters of the regional school district for making this new facility possible.

The King Philip Regional High School functions as a cohesive unit on the basic premise that the school should effectively meet the needs of the individual student. To assist in the achievement of this goal, a program of studies has been constructed which contains a number of curricula and a variety of required and elective courses in each area. The construction and the constant revision of this program, which has been geared to meet the needs of the individual, there is also, on an after-school basis, driver education, a variety of co-curricular activities and a complete slate of interscholastic teams. In conjunction with our policy of constant review of the program of studies, annual reports have been received from all department heads regarding progress made in the department

plans for the coming year, suggestions of new courses to be added to the curriculum and information on new programs under consideration.

This next year for the first time we will offer a course in creative writing to interested capable seniors. For students who started French in grade eight and who have successfully completed four years of this subject, we will offer a fifth year of French. This is another first at King Philip. In the college curriculum, instead of merely offering a course in typing I, we will be changing the format of the course so that interested students will receive ½ year of typing and ½ year of note-hand to facilitate note taking in college. In the music department a new course "Music Theory" will be offered during the 1967-68 school year.

In the business education department, the office machines course has expanded. The senior clerical course was enriched and the course in record keeping was strengthened. By increasing the scope of the summer reading program growth was noted of students in English. The department was also strengthened by the development of a sequential course in grammar. For the student in the college curriculum it is possible to complete a course from Algebra I through Calculus. This year, a four year program in general mathematics was offered for the first time. It is hoped that course in computer mathematics will be offered our students in the near future.

This year has been one of readjustment for the Home Economics Department. Since the 8th grade students have moved to the Regional School-North the hospitality room has been converted to the "Philippe Boutique" where the products of all classes have been displayed. The addition of Cultural Geography to the Social Studies program has provided a better balance to the department. One of the many worth-while activities carried on this year by the students and faculty was the "Get Out the Vote" campaign conducted during the gubernatorial campaign.

The language department program is rapidly moving into a complete audio lingual approach. New materials are now being utilized in these classes. We are anxiously awaiting the day we may have a language laboratory in the high school so that the students may have a greater opportunity to become proficient in modern languages.

The exodus of the 7th and 8th grade students has enabled the physical education program to attain a "new look". Classes have been stabilized as to grade level and size and the program itself has been strengthened.

Of special note has been the addition of remedial reading instruction to the developmental program already in effect. We hope to better meet

the needs of all students with the expansion of this program. Urgently needed is a permanent reading laboratory. Overcrowdedness has taken its toll in the form of laboratories for science classes. However, with additional space available, as a result of the completion of the new junior high school building, laboratories again became a permanent part of the scene at King Philip. The industrial arts and mechanical drawing programs have expanded through additional offerings to upper class students. We are in the process of developing a more expansive program in this area to better meet the needs of our students.

The art department is a very active and essential part of the school program. During the past year a variety of exhibitions and displays were presented for the students and parents of the district. The art show in the spring included students working on their individual projects.

Of the 48 King Philip Regional High School students who took the National Merit Scholarship Qualifying Test, 20 scored higher than 90% of the nation's students taking the examination. Five of these students received letters of commendation from the National Merit Scholarship Corporation: — Leo Briere, Janice E. Collins, William S. Proal, Dana B. Hill and Dennis H. Porter.

Two students have qualified as finalists (Jere Sievert and Donald Power) and are in the competition for national scholarships.

We are extremely proud that for the first time at King Philip a student has qualified as a finalist for a National Honor Society Scholarship by scoring among the highest in the United States on the Preliminary Scholastic Aptitude Test. Dennis Porter, a senior, achieved this honor. Dennis is a member of the Honorificists Chapter of the National Honor Society.

Mrs. Charles Bailey and Mrs. Howard Davis, school secretaries in the general office and in the guidance department, together with Mrs. Elton Franklin and Mrs. William Ware contribute a tremendous service to our school with their untiring efforts. Theirs is the mammoth task of being receptionist, completing local and state reports, keeping registers, preparing schedules, preparing transcripts, assisting teachers and a multitude of other tasks too numerous to mention.

We have a fine and untiring custodial staff headed by Mr. Clayton Cummings. These men take particular pride in their work and we are proud of them and the cleanliness of our school. In conjunction with our

custodial work, we have been extremely fortunate in having a very competent matron whose services have proven invaluable.

Mr. Preston Titus with his extremely capable staff and students have provided the school with many varied and worth-while projects and services. These range from repairing baseball backstops to constructing scenery for plays, bookcases and a variety of other items.

The student body and faculty feel that we are fortunate to have Mr. Julius Candela to guide our "tops in the state" lunch program. The King Philip Lunch program was rated #1 (for regional schools) by the State Lunch Program Office. We are proud of our cafeteria staff and its contribution to the overall educational picture in the region.

Mr. Raymond Hill and his King Philip "Warrior" Band deserve special credit for their outstanding performance during the past year. They have performed at all school assemblies and have presented outstanding exhibitions of precision drill and fine music at our football games. The concert given during the Christmas season entitled "Musical Moments and Holiday Highlights" was one of the finest ever presented by the band.

Regional parents enjoyed a "day at school" when they followed the schedule of their youngsters during the Education Week "Open House" in November. After school, all participants enjoyed the "sweets table" presented by the King Philip High School cafeteria staff. During the spring we are planning a series of "nights" for parents: in January, on the program of studies; in March, on the testing program at King Philip; in May, for parents of juniors planning to go on to some further education.

As an integral part of the school program, the health program has functioned efficiently and effectively at King Philip. The students are carefully screened for potential problems by means of physical examinations and vision and hearing tests.

During the school year Tine tests were given to all grade 9 students desiring them and Diphtheria Tetanus Toxoid to grade 10 students and students participating in inter-scholastic sports.

This year King Philip completed its participation in the Boston University Graduate School of Dentistry toothpaste project. This was a three year project in which over 300 students voluntarily took part. Starting in January, 9th and 10th grade students will begin participation in a

three year dental rinse survey, also in conjunction with the B. U. Graduate School of Dentistry.

I have been extremely pleased with the performance and devotion to duty of all members of the school staff. It is essential that all members cooperate fully, if a school is to function successfully.

The efficient operation of the guidance staff, under the capable direction of Mr. Francis X. O'Regan, has been of great assistance to all staff members and to me.

Many thanks to Mr. Walter White, my capable assistant, for his excellent work during the past school year. He works diligently at all times for the benefit of the King Philip Regional High School.

My sincere thanks to the members of the regional school committee and to Mr. David W. Eaton, Superintendent of the Regional School District, and to all of the staff at the King Philip Regional High School.

Respectfully submitted,

CHARLES L. MANOS

Principal

REPORT OF THE PRINCIPAL—KING PHILIP-NORTH

To: Mr. David W. Eaton, Superintendent, King Philip Regional School District

From: Mr. Paul B. Waaramaa, Principal, King Philip Regional School-North

I hereby submit my first annual report as Principal of King Philip Regional School-North.

The School opened, for the first time, on September 9, 1966. The student body numbered 290 seventh graders and 265 eighth graders. The staff is made up of 2 administrators, 2 guidance personnel, 26 teachers, a librarian, a nurse, a speech therapist, 3 secretaries, 4 custodians, a matron, a cafeteria manager, and 9 kitchen personnel.

A typical school day begins at 7:30 A.M. when the first students arrive. The first class period begins at 8:00 A.M. The students go through a seven period day with a 26 minute lunch period and a 10 minute exercise period. The class day ends at 2:15 P.M. The school day ends at 3:45 P.M. when the last bus leaves.

Ever student studies English, Social Studies, Mathematics, Science, Music, Art, Home Arts or Industrial Arts, and capable eighth graders may also study French and Algebra. Remedial Reading and Speech classes are held for those students who need them.

Co-Curricular Activities:

A Student Council was formed and named The Sachem Council. It is made up of 52 elected students and its purpose is to promote school spirit, a desire for knowledge, and self-discipline. The officers for this group are: President, Joseph Beals; Vice-President, Willis Boudreau; Secretary, Donna Figaratto; and Treasurer, Bruce Petrovick.

A Chapter of the National Junior Honor Society was formed and named the Shaman Chapter. Its purpose is to honor those students deemed outstanding in scholarship, citizenship, loyalty, leadership, and character.

An intramural basketball program was begun with both boys and girls participating. Because we believe strongly that good healthy bodies help make good, healthy minds, it is our aim to encourage every child to participate in some intramural activity.

A Broadcasting Club was organized to broadcast over the school's intercom system not only the opening exercises each day, but also to plan, write, and prepare special programs for the students.

Open House:

National Education Week (November 6, to November 12, 1966) began with a successful "Open House". During the week itself parents and friends were invited to visit the school and observe it in operation.

Future Plans:

Education is always developing and the teachers and administration of this school are always on the lookout for ways to improve. Some of the improvements planned are:

1. A new Science curriculum.
2. Modern Mathematics for all students.
3. The addition of educational television to our audio-visual program.
4. An expanded intramural sports program.
5. A revised report card.

Statement:

The job assigned to the school and its staff is to continue and extend the work of the elementary school and to prepare pupils for success in high school. We do not intend to become an advanced elementary school or a junior, high school. We are unique because we teach an unequalled variety of children. They differ more in physical, emotional, and social maturity than at any other educational level.

King Philip-North provides instruction by subject specialists, who know and understand children. King Philip-North has electives, but also continues instruction in the fundamentals. King Philip-North holds social activities and athletics, emphasizing wide participation with close supervision. King Philip-North has organized guidance for every child. King Philip-North sees that some pupils pursue advanced work and some receive remedial help, but all are assisted in discovering hidden talents, exploring interests, and finding goals.

In closeing, I want to thank the School Committee, the Teaching Staff, the Custodial Staff, the Cafeteria Staff, the School Secretaries, and Treasurers, the Townspeople, and you, Mr. Eaton, for all the cooperation and friendliness shown me during these past seven months.

Respectfully submitted,

PAUL B. WAARAMAA,

Principal

YEARLY REPORT

KING PHILIP REGIONAL VOCATIONAL HIGH SCHOOL

1966

The King Philip Regional Vocational High School graduated seventeen students in June of 1966. There were eleven from the machine shop and six from the carpentry division. All graduates were employed or in the armed service before or immediately after graduating.

The Vocational School enrollment as of October 1, 1966, numbered ninety-one. There were forty-eight in the double carpentry division, twenty-eight in machine shop training and fifteen girls in the Vocational Home Economics department of the High School.

On June 19, 1966, an open house was held at the site of the sixth new home constructed by the carpentry division. This home is located at 9 Vernon Young Drive in Plainville, Massachusetts. The open house was well attended and many favorable comments were made concerning the quality of workmanship displayed by the students. The second and third year carpentry students are now in the process of building another new home. The site of this home is on South Street in Wrentham, Massachusetts.

The first and second year carpentry students began the construction of a storage building when they returned to school in September. This building is located behind the Vocational wing of the King Philip Regional High School. It is a wood frame building twenty-eight feet wide by sixty-five feet long and has five large overhead doors and a small entrance door in each end. This building has been completed except for the painting and hot top work that will be done when weather permits. The building will be used to store the school trucks, lawn mowers, tractor, as well as portable platforms and athletic equipment. Besides providing much needed storage space for the school it has given the younger carpentry classes some very practical training that was appreciated by both the students and their instructor.

The first and second year carpentry students will continue their training in the shop, building cabinets, bookcases and the many kinds of projects which they are called upon to do for the school, charitable organizations and the general public. The third and fourth year students continue their working away from the school on house carpentry in conjunction with the building program.

The machine shop students are working in their shop doing jobs adapted to the machinist's trade. Besides doing work for other departments, the students turn out many different machine shop tools. For training purposes each of the tool projects are assigned to them in order of construction difficulty so that they may advance from simple problems to more complex. When completed these tools are retained by the pupil for the cost of material involved. By the time the student graduates he is able to acquire many different machinist tools at a fractional cost of their value.

Beginning in January 1966, the first cooperative school in conjunction with our machine shop course was established. Since that time there have been added three more openings in the machine shop program and one in the building construction.

A part time cooperative school is one providing alternate periods of vocational instruction for pupils in cooperative employment as an integral part of their vocational training and in instruction given at the school plant.

Part-time cooperative schools shall be organized and approved by individual courses, conducted in approved schools where technical and related instruction is given in conjunction with practical experience by employment in cooperative factories, manufacturing, mechanical establishments or workshops. Cooperative ourses include work experience in industry as a part of the school program, in which the pupils is legally considered as a member in the publicly-supported school system rather than an employee in the usual sense of the word. This form of training is authorized by a special co-operative employment certificate.

This is a co-operative agreement with the Department of Labor, Department of Education, participating firm and the vocational school. A formal (written) agreement between the co-operating concern and the board of control shall be a condition of approval for each co-operative course. This agreement shall be in a form prescribed or approved by the state office.

The work during the week at the co-operating concern shall be of a useful and productive and progressive nature and shall meet the standards of industry. A progressive schedule of work experience with

specific training objectives shall be submitted for the "work experience" phase of this training.

Personnel used as instructors in co-operating establishments must meet the qualifying status of journeymen in their particular trades or occupations.

Co-operative pupils must be paid wages during the work-week at the co-operating establishments reasonably comparable to those paid to other persons doing similar work in the same establishment.

Their wages, hours, and conditions of "employment" shall conform with those established by statutory regulations affecting minors of the same age groups in regular employment. The school must have supervision of the employment outside the school plant.

No minor under sixteen years of age may be admitted to membership in an industrial co-operative course and a minimum of two successful years of training in a vocational school program is required.

The selection of students for a co-operative program would be chosen according to their grades, attendance, punctuality, co-operation, initiation, personal appearance and character. A transcript of the student's school records will be furnished and the final selection will be made by the co-operating concern. The students selected would be covered with their own school insurance and also by the company's Workmen's Compensation Insurance. The students will be required to furnish their own transportation. The school will secure written permission from the parent for the student to participate in a co-operative program.

There are a number of worthwhile advantages to being in a co-operative program. It provides a student with the opportunity to be receiving an income while attending school. This tends to discourage school dropouts. It allows a student to work on industrial type machines under industrial conditions that might not be afforded in the school shops. It would provide an incentive for students to do their best so that they might qualify for this kind of a program. It provides for good public relations with the school working co-operatively with industry.

The Norfolk Bristol County Regional Vocational Techincal School Planning Board was formed after the town meeting in March 1966.

The planning board consists of four committees. The Site and Transportation Committee, Finance Committee, Curriculum Committee and the Agreement.

There have been several meetings by the committees and the complete planning board, and progress has been made. It is hoped that it will not be too long before the findings of the board can be compiled in printed form and distributed to the public for their consideration.

Until there is a change the King Philip Regional Vocational High School will continue with their program to serve the needs of the youth in this immediate area.

Respectively submitted,

PRESTON I. TITUS, Director

ADULT EDUCATIONAL YEARLY REPORT

1966

This year the following classes are being conducted with an enrollment of well over 300 adults.

The evening classes are divided into four catagories and each includes the following courses.

I. Vocational Evening Trade Extension: These courses are for those who are employed at the trade but wish to learn more about it and become more proficient. The courses being held are machine shop practice, which is held for 120 hours; and machine shop blueprint reading and math, which is held for 80 hours.

II. Vocational Practical Arts: These courses are designed to help people in home making and a more satisfying use of leisure time. Classes being held are in beginning and advanced sewing, rug braiding, knitting, rug hooking; tailoring, decorative painting, floral craft and decorations. All the practical arts classes are in session for 60 hours.

III. Vocational Apprenticeship: There are now two apprenticeship courses being held, one in apprenticeship carpentry and the second for apprentice machinists. These courses are for men who are serving an apprenticeship or learning a trade. They are held for 150 hours each year and each complete course covers four years. The courses give training in math, science, blueprint reading, and trade history related to each particular trade.

IV. Academic Classes: The classes being held this year are in English, history, architectural blueprint reading, typing I and II, bookkeeping, and income tax returns. All of the academic classes are in session for a total of 40 clock hours, except income tax returns which is in session for a total of 10 hours.

Several of the academic courses are offering credits that are acceptable to the State Department of Education, Division of University Extension, and may be applied toward a state high school diploma.

The King Philip Regional District will continue to offer educational courses to the many adults in the area who wish to continue their education.

Respectively submitted,

PRESTON I. TITUS, Director

KING PHILIP REGIONAL SCHOOL DISTRICT
ANNUAL REPORT OF THE DIRECTOR OF GUIDANCE

The year 1966 has been a significant year in that many of the plans cited in the previous annual reports of the Director of Guidance have been realized. The following is a brief description of these tasks:

Summer Work Program:

This program has enabled the staff of the guidance department to complete many of the clerical tasks during the summer months so that the school months can be spent in counseling students.

Program Election Cards: A great deal of time is spent reviewing the program election cards, insuring that the students meet the academic requirements for the subjects they have elected, and checking the graduation points to insure that they have the proper amount of points to be placed in the next class. Each of the above areas are important and require precise work for the benefit of each student; however, another important step in this work is the checking of course numbers so that the students will be assigned to the classes that they selected.

Cumulative Records: The members of the guidance department record the students' final marks, activities, honors, awards, plans, and test scores.

Class Rank: Compile the class rank for students who have completed six semesters of academic work.

Inventory: All tests are inventoried and material is ordered for the next school year. In addition, the occupational and educational information library is reviewed in order to keep the material current.

Statistical Studies: During the past summer, statistical studies were provided for the Principal, English Department Chairman, and the Math Department Chairman. During the summer of 1967, seven statistical studies encompassing both the junior and senior high schools are planned.

Counseling: A very important phase of the summer work program has been the fact that at all times during the summer months a qualified guidance counselor has been available to the students of the region who wish to discuss their program of studies or their future educational or occupational plans. In addition, the counselors have been available to register all students new to the region so that they may begin their new school year with a minimum of difficulty.

Clerical Work: The Summer Work Program has also provided the guidance department secretary with more time to prepare tran-

scripts. Normally all transcripts for the graduating class are prepared during the summer months, thereby eliminating delay during the peak months of application — November and December. During this year, the guidance department has forwarded 831 transcripts for graduates and members of the senior class, 58 transcripts for transfer students, and a large number of unofficial transcipts for students who wish to visit with admissions officers of institutions of higher learning.

Counseling:

In keeping with established policy, every student from grade 7 through 12 was seen at least twice during the school year, with the bulk of the time being reserved for those students who were in need of extensive or sustained guidance. Some students were provided with ten or more interviews or were referred to outside agencies for special help. Records indicate that during 1966 there were 3,559 counseling interviews with students, 602 parent conferences, and 330 teacher conferences.

In September 1966, the school consultation program was reinstituted. Mr. Willis Scott, social worker from the Lesley B. Cutler Guidance Clinic in Norwood, has visited the school biweekly. This program, instituted by the clinic, provides assistance for guidance counselors, teachers, administrators, and parents of both elementary and secondary school children, in order to help effect school and personal adjustment.

Test Program:

In the past year, the guidance department has administered the following tests to students of the region: College Entrance Examination Boards to juniors and seniors, National Merit Scholarship Qualifying Test to juniors; National Educational Development Test, the Differential Aptitude Test, Otis Mental Ability Test, and the Kuder Preference Record to sophomores. The Cooperative English and Math Tests were administered to students in grades 9 through 11; in the junior high school, the Differential Aptitude Test, Otis Mental Ability Test, and Kuder Preference Record to grade 8, and the Science Research Associates Achievement Test to grade seven students.

This program will continue throughout 1967; however, some changes are being planned. Mr. Manos, as center supervisor, has requested that the College Entrance Examinations — better known as the College Boards — be administered at the high school in March. With the addition of the March test date, the students of the region will be able to

take all College Boards at their own school. This will eliminate their having to travel to other communities.

The Cooperative test series will be expanded this year to include Science and Social Studies so that the chairmen of the respective departments may take advantage of the statistical studies provided by the guidance department, and the item analysis provided by the test publisher.

At the junior high school, the Iowa Test of Basic Skills will replace the Science Research Associates Test, which has been previously administered. This change grew out of meetings of the Director of Guidance and the Elementary School Principals during the past two years. After lengthly study and numerous meetings with representatives of test publishers, it was decided that the Iowa Test best suited the educational needs of the students in the region.

Occupational and Educational Programs: The opening of the junior high school has greatly assisted this aspect of the guidance program.

At the junior high school, a library of occupational and educational information is being developed. This will be a current information source so that students and their parents will have the benefit of the latest information. In addition, an assembly specifically for junior high school students will be conducted by Northeastern University Career Information Center, and during 1967 the junior high school will begin a library of tape recordings on occupational and educational information.

At the senior high school, one of the offices is being used by students to listen to the tape recordings which are available through the cooperation of Northeastern University. At present the guidance office has a library of 140 tape recordings. With the assistance of Mr. Frank Gallipeau, Director of Audio Visual Aids, a new program has been instituted. Five times each year the guidance office receives filmstrips and taped commentaries and Mr. Gallipeau has made available the equipment and space for the students to view these worthwhile programs during their study periods.

A number of institutions of higher learning have met with the guidance staff and students during the past year, as well as personnel officers from various businesses in the area.

Drop-Out Study: A tally and classification of school leavers at the junior and senior high schools during the twelve month period ending October 1, 1966 were as follows:

		Boys	Girls
1.	Was not interested in school work	2	1
2.	Preferred to work	3	0
3.	Was failing, was discouraged, or didn't want to repeat grade	0	0
4.	Financial reasons	0	0
5.	Ill health	0	1
6.	Marriage	0	5
7.	Disliked a certain subject or teacher	0	0
8.	Parents wanted pupil to leave school	1	0
9.	Entered U. S. Armed Services	3	0
10.	Other	0	0
11.	Unknown	0	0
	Total	9	7

By Grades:

Grade 7		Grade 8		Grade 9		Grade 10		Grade 11		Grade 12	
B	G	B	G	B	G	B	G	B	G	B	G
0	0	0	0	3	0	4	2	1	1	1	4

The most recent survey conducted by the Department of Education indicated that the Commonwealth's secondary schools hold 97.4% of the students through graduation, with a drop-out rate of 2.6%. These figures place Massachusetts among the nation's highest ranking states in holding power. Local statistics indicate that for the period of October 1, 1965 to October 1, 1966, the King Philip Regional School District has a drop-out rate of 1.2%, with 98.8% of the school population remaining in school.

One Year Follow-up — Class of 1965

The Director of Guidance also served as President of the South Shore Guidance Association, which is a professional group of guidance personnel in thirty-five cities and towns in Southeastern Massachusetts, and was elected to the Board of Directors of the Massachusetts School Counselors Association, a state-wide guidance organization.

The cooperation of the school administrators has been outstanding and the continued support and assistance of Mr. David W. Eaton, Superintendent of Schools, assures the continued growth and improvement of the guidance services of our school district.

Annual Report

of the

SELECTMEN

BOARD OF WELFARE

and

BOARD OF HEALTH

of the

TOWN OF PLAINVILLE

MASSACHUSETTS

For the Year Ending December 31, 1966

REPORT OF THE BOARD OF SELECTMEN

To the Citizens of Plainville:

We, the Selectmen of the Town of Plainville, herewith submit our report for the year ending December 31, 1966.

During the year a new boiler was installed in the Town Office Building, and in December the King Philip Regional District Vocational High School students completely renovated the corridor and the Selectmen's Office. Many compliments on the workmanship of these students has been received. The Board invites the townspeople to stop in and inspect the fine work of these students.

The Board held several meetings in regard to the proposed sewer system for the town.

The Plainville Civic Association sponsored two band concerts at the Clarence E. Telford Memorial Park. Fine entertainment was enjoyed and it is the hope of the Board of Selectmen that these concerts continue, as it brings together many townspeople.

The New England Telephone and Telegraph Company petitioned the Town for permission to install their lines underground at the junction of Route 106 and 1A (center of town). This work was done during the summer.

Several group meetings of department heads were held during the year to discuss departmental problems and finances.

The Commonwealth of Massachusetts Department of Labor and Industries, Division of Standards under Chapter 406 Acts of 1965 amending Chapter 98 of the G.L., established that all test and weighing devices in towns having a population of less than 5,000 would come under the State Department, thus eliminating a town appointee as Sealer of Weights and Measures.

The Board of Selectmen signed the deed for the sale of town owned land on Messenger Street to the King Philip Regional School District.

The Industrial Development Commission, consisting of nine members was reactivated.

The certification of Mrs. Ruth R. Fulton as Welfare Director was received, following Mrs. Fulton's fine grade on the examination conducted by the Civil Service Commission.

On December 4, 1966 our colleague, Miles E. Hooker passed away. His friendliness and interest in the Town of Plainville will be greatly missed.

The Board of Selectmen wish to thank the Town Departments and the Townspeople for their fine support.

Respectfully submitted,

LEROY B. WILSON, Chairman
RAYMOND V. MILLER

A check in the amount of $624.00 from Lumbermens Mutual Insurance Company, was received for repairs to the Boiler. Therefore the cost of replacing the boiler in the Town Office and Fire Station was reduced to $984.00 expended by the Town.

Board of Health Report

To the Citizens of Plainville:

We herewith submit our report for the year ending December 31, 1966.

During this past year the Board of Health licensed a local sanitary pumping service, which eliminated a series of problems that existed.

A successful clinic was held in December by the Norfolk County Health Association. Their mobile unit was stationed at the Town Office and many townspeople were X-rayed.

A court conviction was obtained by the Town for a violation of the Board of Health regulations.

The Town Dump has been ablely maintained by the Highway Department and the program for extermination of rats has been continued.

Plans were completed during December for a Measles Clinic to be held early in January of 1967.

Once again the Board would like to call upon the parents to notify this Board regarding communicable diseases.

The Board of Health has on file the following list of dangerous diseases:

Chicken Pox	30
German Measles	15
Mumps	5
Scarlet Fever	3
Dob Bites	14

The Board of Health would like to thank the Department heads and the townspeople for their fine support during this year.

Respectfully submitted,

LEROY B. WILSON, Chairman
RAYMOND V. MILLER

Report of Agent for Board of Selectmen

To the Honorable Board of Selectmen

Gentlemen:

As Agent fo rthe Board of Selectmen, I herewith submit my report for the year ending December 31, 1966.

I have made many investigations regarding violations to the Zoning By-Laws. These were in relation to trailers, earth removal without permits, the keeping of horses illegally, junk, multiple dwellings, and annual inspections of the restaurants and clubs before issuance of licenses for 1967.

One case was taken to court in violation of the Sanitary Code, Building Code and Zoning By-Law. This case was found in favor of the Selectmen's Agent.

I wish to thank the Board of Selectmen and all Town Officials for their help and also the townspeople for their excellent cooperation.

Respectfully submitted,

CLINTON E. BARTON, SR.

Selectmen's Agent

Appropriation	$350.00
Expended: Salary and Expenses	350.00

WARRANT

For

Annual Town Meeting

1967

WARRANT

FOR ANNUAL TOWN MEETING

Monday, March 6, 1967

THE COMMONWEALTH OF MASSACHUSETTS

Norfolk,ss.

To Either of the Constables of Plainville:

Greetings:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Plainville qualified to vote in Town affairs, to meet in the Eelementary School Auditorium, South Street, in said Plainville on

MONDAY, THE SIXTH DAY OF MARCH 1967 A. D.

at eight o'clock in the forenoon, then and there to act on the following articles viz:

ARTICLE 1. The following Town Officers to be chosen by ballot viz: One Town Clerk, one Auditor, one Moderator, one Tree Warden; and three Constables for one year. One Selectman, Board of Welfare; one Assessor; one Water Commissioner; one Trustees of the Public Library; one Park Commissioner; one member of the Regional School Committee; two members of the School Committee, for three years. Three members of the Finance Committee; two for three years, and one member for one year. Two members of the Planning Board; one for five years and one for one year; and one member of the Housing Authority for five years.

For this purpose the pools will open at eight o'clock in the forenoon and shall be closed at eight o'clock in the evening.

For the consideration of all other Articles in this Warrant the meeting shall stand adjourned to the Third Monday in March at 7:30 p.m. in the Auditorium of the Plainville Elementary School on South Street in said Town.

ARTICLE 2. To choose all other necessary Town Officers not named in Article 1 for a term of one year.

ARTICLE 3. To consider and act on the reports of the Selectmen, Treasurer and other Town Officers.

ARTICLE 4. To see if the Town will vote to accept the provisions of Chapter 81 of the General Laws.

ARTICLE 5. To see if the Town will vote to fix the salary and compensation of all elective officers of the Town as provided by Section 108 of Chapter 41, General Laws, as amended, as follows:

44.	For Elementary School Expansion Committee	300.00
45.	For Personnel Board	988,66.88

ARTICLE 7. To see if the Town will vote to have the surety bonds of the: Collector of Taxes, Treasurer, Town Clerk, Secretary of the Water Department and Clerk of Selectmen placed with a fidelity or guarantee company, and appropriate the sum of $420.00 to pay for same, or do or act in any manner relative thereto.

ARTICLE 8. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1968, and to issue a note or notes therefore, payable within one year and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws, or take any action relative thereto.

ARTICLE 9. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the treasury, the sum of $15,000.00 for a Reserve Fund to provide for the extra-ordinary unforeseen expenses, as authorized by Section 6, Chapter 40, General Laws, or do or act in any manner relative thereto.

ARTICLE 10. To see if the Town will vote to accept the provisions of Chapter 90 of the General Laws, and raise and appropriate or transfer from unappropriated available funds in the Treasury, the sum of $6,050.00 for Chapter 90 Highway Maintenance, or do or act in any manner relative thereto.

ARTICLE 11. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the treasury, the sum of $14,650.00 for Chapter 81 Highways, or do or act in any manner relative thereto.

ARTICLE 12. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, the sum of $12,050.00 for Chapter 90 Highway Construction, to start the laying out and construction on Messenger Street, or do or act in any manner relative thereto.

ARTICLE 13. To see if the Town will vote to raise and appropriate or transfer from available funds in the treasury, the sum of $5,421.68, for permanent road construction on Bow Street and Rhodes Street, or do or act in any manner relative thereto.

ARTICLE 14. To see if the Town will vote to raise and appropriate the sum of $1,000.00 for the Conservation Fund, to be used by the Conservation Commission for Conservation Purposes, including the purchase of land, or do or act in any manner relative thereto.

ARTICLE 15. To see if the Town will vote to raise and appropriate the sum of $12,500.00 for carrying on the different catagories of Welfare, or do or act in any manner relative thereto.

ARTICLE 16. To see if the Town will vote to authorize the Board of Selectmen to appoint a Board of five, to be known as the By-Law Review Board, which Board shall review all the By-Laws and Ordinances of the Town together with all Rules and Regulations adopted by Town Departments, for the purpose of considering amendments or additions thereto, and to determine the feasibility and cost of compiling and printing the same, and to report at each Annual Town Meeting, or do or act in any manner relative thereto.

ARTICLE 17. To see if the Town will vote to accept Chapter 53, Section 121 of the Annotated Laws of Massachusetts, or do or act in any manner relative thereto. (A petition) Explanation: The acceptance of this Chapter and Section of the General Laws establishes a non-partisan Town Caucus.

ARTICLE 18. To see if the Town will vote to raise and appropriate the sum of $1,294.00, or any other sum, for the control of insects and Dutch Elm Disease, $500.00 for Insect Pest Control and $794.00 for Dutch Elm Disease, as provided under Chapter 132 of the General Laws, as amended by Chapter 657, Acts of 1956, and to be expended under the direction of the Moth Superintendent, or do or act in any manner relative thereto.

ARTICLE 19. To see if the Town will vote to raise and appropriate, or transfer the sum of $5,000.00, or any other sum, to the Fire Department Apparatus Fund, or do or act in any manner relative thereto.

ARTICLE 20. To see if the Town will vote to establish a Municipal Swimming Pool Fund (for the purpose of erecting, and/or replacing

municipal swimming pool or pools) and to raise and appropriate or transfer from available funds in the treasury, the sum of $5,000.00 for this purpose, or do or act in any manner relative thereto.

ARTICLE 21. To see if the Town will vote to raise and appropriate or transfer from available funds in the treasury the sum of $25,000.00 for the Stabilization Fund, under authority of Chapter 40, Section 5B of the General Laws, or do or act in any manner relative thereto.

OK — ARTICLE 22. To see if the Town will vote to install a gravel packed well approximately 50 feet deep, a pump and pumping station connected to the public water distribution system, with electric power line, and a chain link fence to enclose the well area and access road; and to raise and appropriate for the aforesaid purpose a sum not to exceed $58,000.00 to be expended by and under the direction of the Water Commissioners; and to determine how said appropriation shall be raised, whether by taxation, by appropriation of available funds, by borrowing or otherwise, and if by borrowing, to authorize the issuance and sale of bonds and notes of the Town therefore; or do or act in any manner relative thereto. (⅔ vote required)

ARTICLE 23. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of $20,000.00 to be expended by and under the direction of the Water Commissioners for maintenance, improvement, extension of mains and/or new development to the public water system, as they in their judgment deem in the best interest of the Town, provided however, that such maintenance, improvement, extension and/or new developments conform to the plans and proposals submitted by Camp, Dresser, and McKee, engineers in their report to the Town.

ARTICLE 24. To see if the Town will vote to appropriate, by raising or transfer the sum of $1,100.00 to extend the existing water main (12") on Route #106, from the Anna Ware Jackson Elementary School, easterly approximately 135 feet, more or less, to the property of the King Philip South land; or do or act in any manner relative thereto.

ARTICLE 25. To see if the Town will vote to authorize the School Building Committee appointed under Article I of the Special Town Meeting of November 17, 1962 to complete the construction and initial equipping of the Anna Ware Jackson School and to raise and appropriate the sum of $3,014.62 for this purpose, and to determine how said sum shall be raised, whether by taxation or by transfer of available funds including the transfer of the School Building Preliminary Plans Fund, or do or act in any manner relative thereto.

ARTICLE 26. To see if the Town will vote to lay out, construct, maintain and operate a system or systems of common sewers in accordance with Chapter 83 of the General Laws, to be under the control of the Sewer Commissioners as provided for in Chapter 41 Section 63 of the General Laws, and for this purpose to authorize the Board of Selectmen to enter into on behalf of the Town, such agreements and contracts with other cities and towns as they deem in the best interest of the Town, and further to authorize the Board of Selectmen to apply for, whether individually or together with other cities and towns, available Federal or State Funds, and that a Committee of three be appointed by the Board of Selectmen to be known as the Sewer Committee, which Committee is hereby duly authorized to carry out the work, pending election of the Sewer Commissioners, or do or act in any manner relative thereto.

ARTICLE 27. To see if the Town will vote to authorize the Board of Selectmen to enter into a contract with the Town of North Attleborough for the purpose of making connections for the collection, treatment and disposal of sewage and to provide capacity in the North Attleborough sewage system and sewer treatment facilities for the sewage of the Town of Plainville in accordance with Section 1 Chapter 83 of the General Laws of the Commonwealth, or do or act in any manner relative thereto.

ARTICLE 28. To see if the Town will vote to install street lights on the following named streets, and raise and appropriate a sum of money to pay for same:

One street light on pole #6, Mirimichi Street
Three street lights on Appletree Drive, poles #1, 3 and 5
Two street lights on Deerfield Road, poles #5 and 6
One street light on Grove Street, pole #3
One street light on Morse Avenue
One street light at intersection of Cross and High Streets
One street light on Wampum Street
One street light on Evergreen Road
One street light on Fales Road, pole #18
One street light on Hancock Street
One street light on Mathewson Street
One street light on Spring Street, pole #1268/1

or do or act in any manner relative thereto.

ARTICLE 29. To see if the Town will vote to raise and appropriate or transfer from available funds in the treasury, the sum of $1,000.00 or any other sum, to cover the cost of materials necessary to repair and renovate the town building on Spring Street, now being used by the Plain-

ville Boy Scouts. This money to be under the supervision of the Board of Selectmen and only expended under their authorization, or do or act in any manner relative thereto.

ARTICLE 30. To see if the Town will vote to amend the By-Laws of the Town by adding to the "CONSOLIDATED PERSONNEL BY-LAW" the following Compensation Schedule:

COMPENSATION PLAN
Compensation by Grades

	Minimum	Weekly		Maximum
C-3	$ 80.00	$ 85.00	$ 90.00	$ 95.00
C-2	72.00	77.00	82.00	87.00
C-1	55.00	60.00	70.00	75.00
PW-5	110.00	115.00	120.00	125.00

I-4	300.00
I-3	250.00
I-2	200.00
I-1	150.00

or do or act in any manner relative thereto. (⅔ vote required)

ARTICLE 31. To see if the Town will vote to amend the Zoning By-Laws as follows:

A. Amend the Zoning by adding in Article II, Section 2.1, the following: IC—Controlled Industrial District.

B. Amend the Zoning By-Law by amending the Zoning Map referred to in Article II, Section 2-2, by changing to an IC, Controlled Industrial District, the land presently zoned and shown as IB on said plan south of Fuller Street and north of West Bacon Street, and also that land shown as IB on said land bounded on the north by said West Bacon Street between South Street and Fletcher Street.

C. In Article IV, Section 4.1, by striking the words "Industrial Light" and inserting in lieu thereof the words "Industry".

D. In Article IV, Section 4.1, by adding after the words "Farm, Pig" Filling Station—Any area of land, including structures thereon, that is used for the supply of gasoline or oil or other vehicle fuel and which may include facilities used or designed to be used for polishing, greasing, washing, spraying o rotherwise cleaning or servicing such motor vehicles. Such use shall not include body work or the painting of vehicles or other than minor repair work.

E. In Article II, Section 2.8 "Use Requlations Schedule", by striking the same in its entirety and substituting the following:

Explanation of coded numbers appearing in the schedule above:

1—Provided that no buildings housing poultry are within 200 feet of any street or 100 feet of any adjoining property line.

2—Provided that 75% of the products sold must be raised on the premises. Not permitted within 20 feet of a lot line or 15 feet of a street line.

3—In existing dwellings only.

4—Providing the structure is at least 200 feet from any lot line.

5—Permitted for personnel required for the safe operation of a permitted use.

6—Not more than four boarders.

7—For a period of time not exceeding the greater of the two following time periods: (1) for a period of sixty days or (2) for a period commensurate with diligent pursuit of any construction, renovation or alteration to a building or buildings on the premises.

8—As Accessory Building Only.

E. In Article II, Section 2.6.1, by striking the same in its entirety, and inserting in lieu thereof the following:

2.6.1 The following Intensity of Use Schedule governs with respect to the various zoning districts except where compliance with the applicable schedule is excused:

(a) By provisions of the By-Law, or

(b) By reason of the grant of an exception from the Zoning Board of Appeals, in the form of a Special Permit, as hereafter permitted in certain instances, or

(c) By reason of the provisions of Sections 5A or 7A, or both, of Chapter 40A of the General Laws (Terc. Ed.) of Massachusetts.

(In multiples of 100 sq. ft.)	6.6	9.6	6.0	9.0	13.5	9.0	13.5	45f	45f
Landscape Open Space									
Required (% of Lot Area)	—	—	—	20%	10e	—	—	10e	10e
Maximum Floor Area									
All floors except cellar (In multiples of 1000 sq. ft.)	—	—	6	27	27	18	27	90	90

Footnotes to Intensity of Use Schedule above:

a.—4,000 additional square feet of lot area for each family unit in excess of four dwelling units.

b.—Requirements for the RC district shall apply to residential uses permitted in the CB District.

c.—Within the area formed by the lines of intersecting streets and a line joining points of such lines twenty feet distant from their point of intersection, or in the case of a rounded corner, from the point of intersection of their tangents, no structure and no foliage shall be maintained between a height of three and one-half feet and six feet above the pavement grade.

d.—Corner lot shall maintain front yard requirements for each street frontage.

e.—Required in front yard.

f.—Area used for outdoor storage must be added to building coverage for intensity of use per cent.

* —Never more than three stories high.

**—Never more than two stories high.

F. Amend the Zoning By-Law by amending the Zoning Map referred to in Article II, Section 2.2 by changing from Industrial IA and Residential B to Commercial A the following described property:

Beginning at a point on a stone wall, said point being 490 feet northwesterly from Haynes Road;

Thence running northeasterly along said stone wall 110 feet to the line which defines the present Commercial A zoning line of land now or formerly of Edward J. Toone;

Thence turning and running northeasterly along said Commercial A zoning line to a point at the interchange of Route 495, a distance of 1684 feet;

Thence turning and running along the southerly line of said interchange and Route 495 to a point at land of the City of Attleboro;

Thence turning and running in several courses along the boundary line of land owned by the City of Attleboro to a point 580 feet measured along said line of the land of the City of Attleboro northerly from Haynes Road;

Thence turning and running in a straight line 1880 feet in a southwesterly direction to the point of beginning.

The entire area is shown in orange on a plan entitled, "Plan of land Plainville, Mass." for Pacella Bros. Corp., dated July, 1965, by James A. Freeman, C. E., of 429 No. Main Street, Attleboro, Mass., said plan being on file with the Planning Board of the Town of Plainville.

or do or act in any manner relative thereto. (⅔ vote required)

ARTICLE 32. To see if the Town will vote to participate as a member of a non-profit Massachusetts corporation to be formed under the proposed name of the "Southeastern Massachusetts Economic Planning and Development Corporation", the purpose of which corporation shall be to establish an economic development district under the Public Works and Economic Development Act of 1965, and all amendments thereto and revisions thereof, and authorize the Selectmen to apply to State and Federal Agencies and administrations for grants, loans, technical assistance and any other grants available to it under applicable provisions of State and/or Federal law, which grants, loans and technical assistance shall be used to conduct and undertake surveys, programs, engineering studies and construction projects which will benefit one or more of the cities and/or towns in the economic development district to be established by said corporation, and to appropriate the sum of Five Hundred Dollars ($500.00) as the Town's share of said corporation's first year anticipated expenses and participation contribution or take any other action relative thereto.

ARTICLE 33. To see if the Town will vote to authorize the Selectmen to apply for Federal Funds for the new proposed Fire, Police and Civil Defense Building, or do or act in any manner relative thereto.

ARTICLE 34. To choose any committee and hear the reports of any committee and act thereon.

And you are directed to serve this Warrant by posting copies thereof in seven (7) Public places in said Town, seven (7) days at least before the time of holding said meeting.

Hereof, fail not, and make due return of this Warrant with your doing thereon, to the Town Clerk at or before the time and place of said meeting as aforesaid.

Given under our hands this eighteenth day of February in the year of our Lord one thousand nine hundred and sixty-seven.

Annual Report

of the

TOWN CLERK

of

PLAINVILLE, MASSACHUSETTS

For the Year Ending December 31, 1967

OFFICE OF TOWN CLERK

Town of

Plainville, Massachusetts

March 22, 1967

To: Bessie Barton of said Plainville,

Dear Madam:

By virtue of the authority in me vested, with full power of revocation, I do hereby appoint you Assistant Town Clerk of said Plainville, with all powers, duties and authority appertaining to said office.

AUSTIN F. GRANT,

Town Clerk

WARRANT

FOR SPECIAL TOWN MEETING

THE COMMONWEALTH OF MASSACHUSETTS

Norfolk, ss.

To either of the Constables of the Town of Plainville.

Greeting:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Plainville to vote in elections and Town affairs, to meet at the Elementary School Auditorium in said Plainville on

TUESDAY, FEBRUARY 7, 1967

at 7:30 o'clock p.m., then and there to act on the following articles, viz:

ARTICLE 1. To see if the Town will vote to establish, under authority of Chapter 41, Section 108A of the General Laws, a plan classifying any and all positions permitted by such section or amendments thereto, and to amend the By-Laws by adding thereto the "CONSOLIDATED PERSONNEL BY-LAW" recommended by the Personnel Planning Board, a copy of which is on file with the Town Clerk, or do or act in any manner relative thereto. (2/3 vote required).

ARTICLE 2. To see if the Town will vote to authorize the Selectmen to purchase a new ambulance, and to raise and appropriate or transfer from available funds in the treasury, the sum of $7,900.00 for this purpose, or do or act in any manner relative thereto.

ARTICLE 3. To see if the Town will vote to extend the water main, 12" in diameter, in Messenger Street easterly from its present terminus at or near the elementary school to Garrison Road, a distance of approximately one thousand three hundred feet, more or less, and to raise and appropriate a sum of $13,500.00 for the foregoing, and to determine how said funds shall be raised, or do or act in any manner relative thereto. (Petition.)

And you are directed to serve this Warrant, by posting up seven (7) attested copies thereof in said Town, seven (7) days at least before the time of holding said meeting.

Hereof fail not and make return of this Warrant with your doings thereon at the time and place of said meeting.

Given under our hands this 21st day of January in the year of Our Lord one thousand nine hundred and sixty-seven.

LEROY B. WILSON

RAYMOND V. MILLER

Selectmen of Plainville

RECOMMENDED CONSOLIDATED PERSONNEL BY-LAW

ARTICLE I — APPLICATION AND DEFINITIONS

Section 1.01 — Application

All town departments and all positions in the Town Service, other than the School Committee and the Welfare Department, and positions under their control shall be subject to the provisions of this By-Law; provided, however, that the compensation of elected officials of the Town shall be established annually by vote of the Town Meeting, in conformity with the requirements of Section 108 and 108A of Chapter 41 of the General Laws.

Section 1.02 — Definitions

As used in this By-Law, the following words and phrases shall have the following meanings unless a different construction is clearly required by the context or by the laws of the Commonwealth:

1. Administrative Authority—The elected official or board, or the appointed official having jurisdiction over a function or activity.
2. Board—The Personnel Board as defined in Section II.
3. Classification—A group of positions in the Town Service sufficiently similar in respect to duties, responsibilities and authority thereof that the same descriptive title may be used to designate each position allocated to the classification, that the same requirements as to education, experience, capacity, proficiency, knowledge, ability, and other qualifications shall be required of the incumbents, that the same tests of fitness may be used to choose qualified employees and that the same scale of compensation can be made to apply with equity.
4. Continuous Employment—Full-time employment uninterrupted except for authorized leave of absence, required military service, authorized vacation leave, court leave.
5. Department—Any department, board, committee, commission, or other agency of the town subject to this By-Law.
6. Department Head—The officer, board, or other body having immediate supervision and control of a department.
7. Full-time Employment—Employment for not less than seven hours per diem for five days a week for fifty two weeks per annum, minus legal holidays and authorized leaves of absence, required military leave, vacation leave and court leave.

8. Full-time Employee—An employee retained on full-time employment.

9. Holiday Pay—Extra pay authorized pursuant to Article VII of this By-Law.

10. Overtime—Time in excess of the normal number of hours of days of working time in the work week of the department.

11. Part-time Employment—Employment for less than full-time employment as defined above.

12. Promotion—A change from a position of lower class and compensation to a position of higher class and compensation and/or greater responsibilities.

13. Town—The Town of Plainville.

14. Veteran—A person who is a veteran within the meaning of Section 21 of Chapter 31 of the General Laws as amended.

Section 1.03 —Civil Service and Veterans Laws

Nothing in this By-Law shall be construed to conflict with the Civil Service Law or with the laws pertaining to the Civil Service Law or with laws pertaining to the employment of war veterans by the Town.

ARTICLE II — PERSONNEL AGENCY

Section 2.01 — Established

A Personnel Board of five unpaid members, appointed by a joint committee of the Selectmen and three members of the Finance Committee designated by the Chairman thereof, shall be responsible for the administration of the classification plans, shall establish procedures necessary for proper administration, and shall maintain adequate personnel records of all employees subject thereto.

Section 2.02 — Qualifications

In making appointments to the board, the joint committee shall give consideration to the personal qualifications of those voters of the Town who will best meet the responsibility of the board to represent both the Town employees and taxpayers, and who have professional familiarity with the principles, methods and practices of labor relations and personnel administration.

Section 2.03 — Membership

Appointments to the Board shall consist of five voters of the Town who are neither employees nor officers of the Town.

Section 2.04 — Term of Office

Members of the Board shall serve overlapping terms of three years; provided, however, that of the members originally appointed one shall serve for a term of one year, two shall serve for a term of two years, and two shall serve for a term of three years as designated by the Joint Committee. Furthermore, a member shall continue to hold office until his successor shall have been appointed and qualified. Any vacancy shall be promptly filled by the aforementioned Joint Committee for the balance of the unexpired term.

Section 2.05 — Organization

At its first meeting after the adoption of this By-Law, and annually thereafter, the Board shall organize by electing a Chairman and a Secretary, both of whom shall be members of said Board. The Board shall appoint a clerk who shall not be a member of the Board. Meetings shall be held quarterly, and also may be called by the Chairman at any time when the need arises. Meetings shall also be held upon the request of an employee or his representative in writing.

Three members shall constitute a quorum for the transaction of business of the committee and the affirmative vote of a majority of said total membership shall be necessary for any official act of the Board.

The Board may also employ professional and additional clerical assistance as it deems necessary, subject to the appropriation of funds thereof.

Section 2.06 — Duties

The Board shall have the power and/or duty to:

1. Maintain through its clerk adequate and confidential personnel records of all employees occupying positions subject to the Classification and Compensation Plans; information to be furnished by department heads and employees as requested; and these records shall be kept in a secure place by the Town Treasurer on behalf of the Personnel Board.

2. Investigate from time to time, but at intervals not exceeding three years, compensation of any and all positions subject to this By-Law; hold hearings for that purpose if deemed necessary, and recommend such amendments to the Classification and Compensation Plans and other provisions of this By-Law as the results of its investigations and hearings shall warrant.

3. Maintain written job descriptions or specifications of the classes in the Classification Plan, each of which shall consist of a statement describing the essential nature of work and the characteristics that distinguish one class from others, but such descriptions prescribing what the duties or responsibilities of any position shall do, not as modifying

nor in any way affecting the power of any administrative authority—as otherwise existing—to appoint, assign duties, to promote or direct and control the work of any employees under his jurisdiction; and in any case employees shall perform any duties assigned them by their appropriate administrative superiors and within proper and legal authority.

4. Authorize, upon the recommendation of a department head and supported by evidence in writing of special reasons and exceptional circumstances satisfactory to the Board, an entrance rate for a position higher than the minimum or any other variance to the Classification and Compensation Plans it may deem necessary for the proper functioning of the services of the Town, but no such variance shall become effective until funds have been appropriated thereof.

5. Make an annual report in writing to the Board of Selectmen and the Finance Committee not later than eight weeks prior to the closing of the warrant for the annual Town Meeting, said report to be printed in the Annual Town Report for the information of the voters and employees.

6. Administer the Classification and Compensation Plans and other provisions of this By-Law and shall have the authority to decide conclusively for all parties concerned all questions relative to the interpretation and application of this By-Law.

7. Determine which job title under the Classification plan is applicable to an employee.

8. Reclassify a position found to be classified under an incorrect title provided that the incumbent thereof has been given an opportunity to be heard and the recommendation of his department head has been obtained.

9. Establish a title and rate for each new or changed position, subject to receipt of explanatory and substantiating data relative to the content of the position in such form as the Board shall require; any new classes or titles added to the Classification Plan as a result of Board action being subject to ratification by vote of the Annual Town Meeting.

10. Recommend to the Town any action it deems advisable to maintain a fair and equitable compensation level and policy based on continuing studies of rates and policies in effect outside the service of the Town, including recommended action on any article relative to the Personnel By-Law in the warrant for any annual or special Town Meeting.

ARTICLE III — PERSONNEL RECORDS

Section 3.01 — Personnel Records and Reports

A personnel record of all Town employees, including both elected and appointed employees, shall be kept by the Town Clerk

in his office. Said record shall contain all the vital statistics and other pertinent data of each and every person employed by the Town. It shall be the duty of each Town officer and employee to furnish to the Town Clerk forthwith, upon his request, all data needed for the completion of this record, and such personnel records and reports as the Personnel Board may require.

Each department head shall submit to the Town Treasurer on Monday of each week, in such form as the Personnel Board shall prescribe, a report of all employees of the department absent from duty during the calendar week immediately preceding, specifying in each case whether the employee was absent on an authorized leave of absence, vacation leave, occupational accident leave, required military absence, court leave, or specifying the nature of his absence if it was not for one of the foregoing reasons. The oath of affirmation required of persons entering the employ of the Town by Section 14 of Chapter 264 of the General Laws, as amended, shall be kept on file in the office of the Town Clerk.

ARTICLE IV — HOURS, DAYS AND WEEKS OF WORK

Section 4.01 — Work Week

The work week for full time employment in each occupational group shall be as follows:

Group	Work Week
Clerical Group	35 Hours
Public Works Group	45 Hours
Public Safety Group	
Police Classes .... (1) ... (2)	40 Hours
Fire Classes ..... (2)	50 Hours

1. Except that the Chief of Police as the Administrative authority may, with the approval of the Personnel Board, adjust the hours of each shift to compensate for court appearances on the part of any employee during other than his assigned shift.

2. Where work shifts are rotated over a cycle of weeks, the work week may be computed as an average of the cycle.

Section 4.02 — Overtime Provision

Any Town employee except the Supervisory Group who performs extra time work over his regularly scheduled work day or work week shall be paid for this overtime work at the rate of one time his basic hourly rate or hourly equivalent of the rate established for his respective position by the Compensation Plan Schedule.

ARTICLE V — EMPLOYMENTS, PROMOTIONS & TRANSFERS

Section 5.01 — Conditions

The employment, promotion and transfer of Town personnel shall be according to the following conditions:

1. No permanent full time employment in or transfer to a paid appointive position in the Town Service shall take effect until the same has been approved by the Personnel Board as being in compliance with the requirements of the Classification Plan, Compensation Plan and other provisions of this By-Law; and if such employment or transfer is in compliance as aforesaid, the Personnel Board shall approve the same, and may make such approval retroactive. In the case of an emergency declared by a Department Head with the approval of the Board of Selectmen, said department may, subject to the limitations of its appropriation and to such requirements as the Personnel Board may determine, employ part-time employees without requirement of prior approval by said Board.
2. No employment or promotions hereunder shall become effective until such time as the appropriation or other monies out of which the compensation is to be paid shall be adequate.
3. No proposed promotion to a position subject to this section shall be approved by the Personnel Board until it shall first have been approved by the elected officer or elected board having the supervision and control of the department in which the employee is employed.

Section 5.02 — Medical Examinations of Job Applicants

Every applicant for permanent appointive employment by the Town shall be certified by a practicing physician, designated by the Town, as to his or her physical fitness to perform the duties of the position to which such applicant seeks appointment, and as to any physical condition of the applicant which might adversely affect the insurance coverage of the Town under Chapter 152 of the General Laws or the group insurance coverage of other Town employees. If the Personnel Board deems such action necessary to the protection of the Town, it may require any applicant for temporary appointive employment by the Town who is to be employed for thirty days or more, or any temporary appointive employee who has been employed by the Town for thirty days and has not been so certified by a physician, designated by the Town, as to his or her physical fitness to do the work required by the Town, and as to the presence of any condition detrimental to the insurance coverage hereinbefore described. The certification required hereunder shall be in such form as the said Board shall determine. The cost of any physical examination required by this section shall be paid by the Town, and shall be charged to the appropriation of the department in which the position is for which such application was made or temporary employment authorized, or shall be charged to such special appropriation as the Town may make for the purposes of this section.

ARTICLE VI — CLASSIFICATION PLAN

Section 6.01 — Establishing of Classification Plan

The following section shall constitute the Classification Plan of the Town within the meaning of Section 108A of Chapter 41 of the General Laws.

The positions of all employees in the service of the Town, other than the positions of officers elected by the Town and positions in the service of the School Department, are hereby classified by titles in groups listed in the following schedule, whether said positions are full-time, part-time, seasonal or other in nature.

Section 6.02 — Classification of Positions by Occupational Groups and Assignment to Compensation Grades

Clerical Group

Clerk, Senior Administrative	C-3
Clerk	C-2
Clerk, Junior	C-1

Public Works Group

Foreman	PW-5
Equipment Operator	PW-4
Driver	PW-3
Laborer, Skilled	PW-2
Laborer	PW-1

Public Safety Group

Sergeant, Detective	PS-4
Sergeant	PS-3
Patrolman	PS-2
Firefighter, Senior Grade	PS-3
Firefighter	PS-2
Dispatcher, Fire & Police	PS-1

Supervisory Group

Police Chief	S-1
Fire Chief	S-1
Highway Superintendent	S-1

Part Time & Seasonal Group

Mechanic, Part Time	M-7
Deputy Chief, Fire, Part Time	M-6
Lieutenant, Fire, Part Time	M-5
Patrolman, Relief, Part Time	M-5
Laborer, Skilled, Part Time	M-4
Driver, Highway, Part Time	M-4
Driver, Fire, Part Time	M-4
Matron, Police, Part Time	M-4
Librarian, Part Time	M-4
Patrolman, Special, Part Time	M-3
Firefighter, Part Time	M-3
Ambulance Driver, Part Time	M-3
Ambulance Attendant, Part Time	M-3
Laborer, Part Time	M-2
Custodian, Part Time	M-2
Librarian, Assistant, Part Time	M-1
Clerk, Part Time	M-1
Lifeguard, Seasonal	X-1
Playground Supervisor, Seasonal	X-2

Inspection Group

Building Inspector	I-6
Wiring Inspector	I-5
Plumbing Inspector	I-4
Gas Piping Inspector	I-3
Inspector of Animals & Slaughtering	I-2
Inspector of Milk & Dairies	I-1

Section 6.03 — Classification of Existing and New Positions

The title of each class, as established by the Classification Plan, shall, except as otherwise provided herein, be the official title of every position allocated to the class and the official title of each incumbent of a position so allocated, and shall be used to the exclusion of all others on payrolls, budget estimates and other official records and reports pertaining to the positions.

Whenever a new position is established, or the duties of an existing position are so changed as in effect to create a new position, upon presentation of substantiating data satisfactory to the Personnel Board, the said Board shall allocate such new or changed position to its appropriate class. No position shall be reclassified until the Personnel Board has determined that such reclassification will be consistent with the Classification and Compensation Plans.

Section 6.04 — Classification Descriptions and Qualifications

The Personnel Board shall establish, maintain and amend from time to time, as it deems necessary, written definitions or job descriptions for each class of positions established pursuant to Section 6.01. Said definition or job description shall describe the essential character of the duties and responsibilities of positions properly allocated to the class, with illustrative examples of work where desirable, setting forth the minimum qualifications for entrance to positions of the class. Such definitions or job descriptions shall be descriptive only and, except as provided herein with respect to minimum qualifications, not restrictive. They shall serve to define the scope of the several classes and not to prescribe in detail the duties or lines of promotion of any individual position.

In the instance of all other classes of positions, the minimum qualifications for allocation thereto shall be prescribed by the Personnel Board and shall be based upon the following:

1. The minimum qualifications recommended to said Board for classification purposes by department heads.

2. An examination by the Personnel Board of the work content of positions allocated to the class.

3. The Personnel Board's study of comparable positions in private employment, in the service of other municipalities and in the State service.

ARTICLE VII — THE COMPENSATION PLAN
(See Schedule on Page 16)

Section 7.01 — Compensation Plan Establishment

A Compensation Plan shall be established, and from time to time amended, by vote of the Town at an Annual Town Meeting. Said plan shall provide minimum and maximum salaries, or single rate salaries, or pay on an hourly rated basis, for the groups of positions in the Classification Plan established by Section 6.01. The salary range, wage range, or rate, of a group shall be the salary range, wage range, or rate, for all positions classified in the group.

The Personnel Board shall administer the provisions of the Compensation Plan and shall establish such policies, procedures and regulations as it deems necessary for the administration thereof, subject to the requirements of Section 2.06.

Upon recommendation of a department head, supported by evidence in writing of special reasons and exceptional circumstances satisfactory to the Personnel Board, said Board may authorize an entrance rate higher than the minimum rate for a position established by vote of the Town, and such other variances in the Compensation Plan as it may deem necessary for the proper functioning of the services of the Town.

Section 7.02 — Salary and Wage Adjustment Reserve

Each department head shall include in the budget of his department a salary and wage adjustment reserve to provide funds for anticipated salary and wage adjustments of personnel of the department during the year. Expenditures shall be made from such reserve only in accordance with the Compensation Plan and with the approval of the Personnel Board.

Section 7.03 — Grandfather Clause

No employee incumbent in a Town position subject to this By-Law shall suffer a reduction of the base salary or wage being received by him at the time of installation of the Compensation Plan.

Section 7.04 — Initial Application of The Compensation Plan

Upon adoption of this amended By-Law at an annual Town Meeting, the base rate of each eligible employee occupying a position in the Classification Plan shall be effective and retroactive to January 1, 1967.

The rate of each eligible employee shall be adjusted to the step rate in his designated compensation grade that is equal to or next above his existing rate or established at such other rate approximate to either of these as is determined by the Personnel Board.

Section 7.05 — Holiday Pay

1. The following days or dates shall be recognized as legal holidays within the meaning of this By-Law:

New Years Day	January 1st
Memorial Day	May 30th
Independence Day	July 4th
Labor Day	First Monday in September
Columbus Day	October 12th
Veterans Day	November 11th
Thanksgiving Day	4th Thurs. in November
Christmas Day	December 25th

2. Regular full-time employees with three or more months continuous service shall be entitled to receive pay for the designated holiday based on the following terms:

   2.1 No employee except those designated by their Department Heads to be necessary to maintain essential Town Services shall be required to work on any of the above holidays.

   2.2 Each eligible employee, in addition to his earned pay, shall receive one day's Holiday Pay based on 20% of his regular week's base pay exclusive of any extra or additional hours worked.

   2.3 An employees "earned pay" during a holiday week shall be calculated on the basis of actual hours worked, including hours worked on said Holiday, times the basic hourly equivalent of the rate established for his respective position by the Compensation Plan Schedule.

   2.4 The provisions of this section shall not be construed to authorize more than one additional days' pay to any one employee even though he may be required to work on both the day the holiday occurs and the day it is legally observed, or is required to work more than one shift, watch, or tour of duty on the same legal holiday.

3. Payment under the provisions of this section shall be made provided:

   3.1 That the employee shall have worked on the last regularly scheduled working day prior to and his next regularly scheduled working day following such holidays.

   3.2 That if an employee regularly scheduled to work on a holiday shall not report for duty because of illness, he shall not be entitled to an extra days' pay as provided above.

   3.3 That if an employee working on such holiday shall be unable to complete a full days' work because of injuries sustained by him in the line of duty on such holiday, he shall nevertheless be entitled to the full amount of such extra days' pay.

3.4 That if an employee reporting for duty on such a holiday shall be taken ill in the course of the days' work and shall have to be relieved of duty, he shall be entitled to that portion of an extra days' pay which is in proportion to the number of hours that he worked out of a full number of hours that he was scheduled to work.

ARTICLE VIII — VACATION PROVISIONS

Section 8.01 — General Requirements

Regular full-time employees shall be entitled to paid vacations on their individual anniversary date of employment subject to the following provisions:

1. Vacation leave of one calendar week with full pay shall be granted to any such employee who has been continuously employed by the Town for at least six months but less than one year.
2. Vacation leave of two calendar weeks with full pay shall be granted to any such employee who has been continuously employed by the Town for one year, but less than 15 years.
3. Vacation leave of three calendar weeks with full pay shall be granted to any such employee who has been continuously employed by the Town for 15 years or more.
4. The time of granting vacation leave shall be determined by the Department Head with the consideration given to the wants of the employee.
5. Vacation with pay shall be taken in the calendar year in which they are due and shall not be accumulated from year to year.
6. In a week in which a holiday occurs and in which an employee is on his vacation, he shall, upon his return to work, receive that amount of holiday pay that he would have otherwise received if he had not been on vacation leave.

ARTICLE IX — COURT LEAVE PROVISIONS

Section 9.01 — When to be Granted

An employee called for jury duty shall be paid the difference between his regular pay, as calculated above, and the compensation received by him as a juror, exclusive of travel allowances. An employee summoned as a witness on behalf of the Town shall be granted leave and paid the difference between his said regular pay and his witness fees, exclusive of travel allowances.

Section 9.02 — Private Court Appearances

When court leave is granted to an employee to appear in court as a defendant or litigant, it shall be granted without pay.

ARTICLE X — SELECTIVE SERVICE & MILITARY LEAVE

Section 10.01 — General Requirements

1. Any employee coming within the scope of this By-Law with a minimum of six months continuous service with the Town, who serves in the State or Federal military training forces under orders, shall be paid the difference between his regular pay, and his servicemen's pay for training or emergency duty, not to exceed fourteen days in any one year, and shall be granted military leave of absence without pay for the period of his required service with said forces in excess thereof.

2. Any employee who is drafted or enlists in the Armed Services during any wartime emergency, shall be granted Military Leave. Within sixty days upon release, he shall be reinstated if he so desires to the same or comparable position. He shall be given the benefits of all increased rates of pay and vacation status as if his services had been continuous.

ARTICLE XI — SICK LEAVE PROVISIONS

Section 11.01 — Occupational Sick Leave

1. Each employee, subject to Chapter 152 of the General Laws, pertaining to workmen's compenation, shall be entitled to the benefits of said Chapter.

2. A full-time employee who is incapacitated by reason of an injury sustained in the course of and arising out of his employment by the Town shall receive the difference between his normal work week compensation and the weekly indemnity of the Workmen's Compensation Act, beginning with the first day of incapacity.

3. Each full-time employee not covered by said Chapter 152, including firemen and policemen, who sustains injury arising out of his employment in the Town service, shall be entitled to receive his full pay for the period of his incapacity.

4. In both above cases whether entitlement is by virtue of Chapter 152 or not, if such period exceeds thirty days, continued payment (or difference) beyond such period shall be subject to approval by the Personnel Board which may require periodic written medical testimony supporting the claim of continued incapacity as a condition precedent to its approval.

Section 11.02 — Non Occupational Sick Leave

1. To be granted by the Department Head for a period of up to and including five days per year at regular pay. This, on an annual basis, and not accumulative from year to year.

2. To be granted by the Department Head, with the approval of the Personnel Board. A physicians certificate of illness may be requested for periods in excess of five days in any calendar year, after one year of continuous service, at $40.00 per week according to the following schedule:

1 year, up to and inc. 2 years	1 week
2 years, up to and inc. 3 years	2 weeks
3 years, up to and inc. 4 years	3 weeks
4 years up to and inc. 5 years	4 weeks
After 5 years	5 weeks
After 6 years	6 weeks

And so on up to a maximum of 26 weeks

ARTICLE XII — MISCELLANEOUS LEAVE PROVISIONS

Section 12.01 — Bereavement Leave

In the event of a death in the employee's immediate family, ie, father, mother, sister, brother, son, daughter, husband or wife, father-in-law, mother-in-law, it is recognized that three consecutive calendar days may be needed by the employee to attend the funeral service. If any of these three days are regularly scheduled working days for that employee, he shall suffer no loss in pay. For each day which otherwise would have been a regularly scheduled working day, the employee will receive one normal days' pay exclusive of any overtime. The last of these three days shall be the day of the funeral.

Section 12.02 — Leave Without Pay

Except as otherwise provided in this By-Law, all leaves of absence shall be without compensation and shall be subject to approval of the department head, and in the instance of any such leave exceeding two weeks, to the approval of the Personnel Board. In no case will a leave of absence be granted to enable an employee to accept or experiment with other gainful employment.

ARTICLE XIII — PERSONNEL GRIEVANCE PROVISIONS

Section 13.01 — Personnel Board to Administer

The Personnel Board of the Town shall constitute the Personnel Relations Review Board of the Town, and in that connection shall have the powers and duties, and perform the functions, assigned such Personnel Relations Review Boards by Section 21B of Chapter 40 of the General Laws; and said Boards shall, in the performance of its duties as Personnel Relations Review Board, be subject to the limitations imposed by said Section 21B and by the By-Laws of the Town.

When sitting as the Personnel Relations Review Board, the Personnel Board shall keep a separate record of its proceedings, which shall not be open to public inspection except as may otherwise be required by State law.

Section 13.02 — Grievance Procedure

There shall be a grievance procedure available to those employees of the Town whose rights under the classification plan have, in their opinion, been prejudiced in any way and covering all other grievances. As used in this section, the word "grievance" shall be construed to mean dispute between an employee and his supervisor arising out of an exercise of administrative discretion by such supervisor or supervisors.

STEP I. The employee shall take up his grievance orally with his immediate supervisor who shall reach a decision and communicate it orally to the employee within two working days.

STEP II. If the grievance is not settled as Step I, the employee shall within five working days present his grievance in writing to his supervisor who shall forward it to the department head (if he is not one and the same person) who shall hold a hearing within five working days if required. At this hearing there shall be present the employee and one representative if he requests it, his supervisor, the department head and the Chairman of the Personnel Board.

STEP IIA. If the grievance is not settled at Step II in those cases where the department involved is under the jurisdiction of a Board or Commission, Step II shall be reviewed before said Board or Commission with the same group in attendance.

STEP III. If the grievance is not settled at Step II or Step IIA, all records and facts in the case shall be referred to the Personnel Board acting as the Personnel Relations Review Board for adjudication. Those present at Step II or Step IIA shall appear at this hearing. Within twenty working days of the hearing, which shall be the next regular meeting of the Board except in cases of emergency, the employee shall be notified in writing through the department head as to the decision of the Board which shall be final.

ARTICLE XIV — AMENDMENTS AND SEVERANCE

Section 14.01 — Amendments

It shall be Town policy to amend this By-Law only at an Annual Town Meeting, unless amendment at an earlier time shall be made clearly imperative by a specific provision of State Law.

Section 14.02 — Severance Clause

The provisions of this By-Law are hereby declared to be severable, and if any such provision or the application of any such provision to any person or circumstances shall be held to

be invalid, illegal or unconstitutional, such invalidity, illegality or unconstitutionality shall not be construed to affect the validity, legality, or constitutionality of any of the remaining provisions or the application of said By-Law to persons or circumstances other than those as to which it is held invalid, illegal or unconstitutional.

PROCEEDINGS OF THE SPECIAL TOWN MEETING

February 13, 1967

A special Town Meeting was held in the auditorium of the Plainville Elementary School, South Street, Plainville at 7:30 P.M. on Monday, February 13, 1967. Meeting called to order at 7:43 by the Moderator, and the call of the meeting was read by Town Clerk Austin F. Grant.

The voters were checked into the hall by Robert Keniston (R) and David Kelly (D), recording a total of one hundred registered voters, 35 Women and 65 Men.

The bounds of the hall were declared to be the seats set up on the auditorium floor.

The tellers were appointed by the Moderator, right side of hall Sherman Jost and Raymond Smith, left side of hall, Donald McAlpine and James Cassidy. Austin F. Grant, Town Clerk, was appointed ballot box officer in the event of a ballot vote.

The Moderator made note of the fact that due to the storm on February 7, 1967 this meeting was postponed until February 13, 1967.

ARTICLE 1. Motion by LeRoy B. Wilson and seconded by L. Raymond Laferriere that the town vote to establish, under authority of Chapter 41, Section 108A of the General Laws, a plan classifying any and all positions permitted by such section or amendments thereto, and to amend the By-laws by adding thereto the "Consolidated Personnel By-law" recommended by the Personnel Planning Board, a copy of which is on file with the Town Clerk.

As a two-thirds vote was required, a standing vote was called: Results of vote: Yes 76, No 0. Motion carried.

ARTICLE 2. Motion by Raymond Crowell and seconded by David Lomasney that the town vote to transfer the sum of $1,638. from the Ambulance Reserve Fund, to purchase a new ambulance. Purchase to be made during the current year of 1967.

An amendment was made to this motion by LeRoy E. Wilson and seconded by Raymond V. Miller that this amount be changed to $1,800.

Vote on amendment showed: Unanimous Yes. Motion carried.

ARTICLE 3. Motion by Henry Neveux and seconded by Patrick Cacciapaglia that the town vote to extend the water mains, 12" in diameter, in Messenger Street easterly from its present terminus at or near the elementary school to Garrison Road, a distance of approximately one thousand three hundred feet, more or less, and to raise and appropriate the sum of $13,500. for the foregoing.

Mr. Loew of the Finance Committee recommended No Action on this article. A request for a secret ballot was called, voice vote on this motion was denied. A standing vote was called and the results of standing vote for secret ballot was: 63 Opposed, 7 Yes. Motion for secret ballot defeated. Question on the motion was called and the voice vote doubted. Results of standing vote on original motion 40 Yes, 47 Opposed. Motion to install water main defeated.

Motion by Daniel Malone and seconded by Raymond Miller that the meeting be adjourned at 8:20 P.M. Motion carried.

AUSTIN F. GRANT, Town Clerk

WARRANT

FOR ANNUAL TOWN MEETING

Monday, March 6, 1967

THE COMMONWEALTH OF MASSACHUSETTS

Norfolk,ss.

To Either of the Constables of Plainville:

Greetings:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Plainville qualified to vote in Town affairs, to meet in the Eelementary School Auditorium, South Street, in said Plainville on

MONDAY, THE SIXTH DAY OF MARCH 1967 A. D.

at eight o'clock in the forenoon, then and there to act on the following articles viz:

ARTICLE 1. The following Town Officers to be chosen by ballot viz: One Town Clerk, one Auditor, one Moderator, one Tree Warden; and three Constables for one year. One Selectman, Board of Welfare; one Assessor; one Water Commissioner; one Trustees of the Public Library; one Park Commissioner; one member of the Regional School Committee; two members of the School Committee, for three years. Three members of the Finance Committee; two for three years, and one member for one year. Two members of the Planning Board; one for five years and one for one year; and one member of the Housing Authority for five years.

For this purpose the polls will open at eight o'clock in the forenoon and shall be closed at eight o'clock in the evening.

For the consideration of all other Articles in this Warrant the meeting shall stand adjourned to the Third Monday in March at 7:30 p.m. in the Auditorium of the Plainville Elementary School on South Street in said Town.

ARTICLE 2. To choose all other necessary Town Officers not named in Article 1 for a term of one year.

ARTICLE 3. To consider and act on the reports of the Selectmen, Treasurer and other Town Officers.

ARTICLE 4. To see if the Town will vote to accept the provisions of Chapter 81 of the General Laws.

ARTICLE 5. To see if the Town will vote to fix the salary and compensation of all elective officers of the Town as provided by Section 108 of Chapter 41, General Laws, as amended, as follows:

	Appropriated 1966	Requested 1967
Moderator	$25.00 each meeting	$25.00 each meeting
Town Clerk	650.00 per year	650.00 per year
Town Treasurer	1,500.00 per year	1,500.00 per year
Selectmen, Chairman	700.00 per year	700.00 per year
Second Member	600.00 per year	600.00 per year
Third Member	600.00 per year	600.00 per year
Board of Health, Each Member (3)	100.00 per year	100.00 per year
Assessor, Chairman	900.00 per year	1,200.00 per year
Second Member	900.00 per year	1,200.00 per year
Third Member	900.00 per year	1,200.00 per year
Tax Collector	1,500.00 per year	1,500.00 per year
School Committee, Chairman	75.00 per year	75.00 per year
School Committee, each Member	60.00 per year	60.00 per year
Water Commissioner, Chairman	200.00 per year	200.00 per year
Second Member	200.00 per year	200.00 per year
Third Member, Secretary	350.00 per year	1,000.00 per year
Auditor	250.00 per year	250.00 per year
Constables	2.00 per hour	2.00 per hour
Tree Warden	2.00 per hour	2.00 per hour

or do or act in any manner relative thereto.

ARTICLE 6. To appropriate and raise by borrowing or otherwise such sums of money as may be required to defray Town charges for the financial year ending December 31, 1967 and expressly for the following purposes to wit:

		Requested
1. For the Support of the Public Library		
Salaries	$ 2,350.00	
Expenses	2,919.00	
		$ 5,269.00

45.	For Personnel Board		

ARTICLE 7. To see if the Town will vote to have the surety bonds of the: Collector of Taxes, Treasurer, Town Clerk, Secretary of the Water Department and Clerk of Selectmen placed with a fidelity or guarantee company, and appropriate the sum of $420.00 to pay for same, or do or act in any manner relative thereto.

ARTICLE 8. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1968, and to issue a note or notes therefore, payable within one year and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws, or take any action relative thereto.

ARTICLE 9. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the treasury, the sum of $15,000.00 for a Reserve Fund to provide for the extra-ordinary unforeseen expenses, as authorized by Section 6, Chapter 40, General Laws, or do or act in any manner relative thereto.

ARTICLE 10. To see if the Town will vote to accept the provisions of Chapter 90 of the General Laws, and raise and appropriate or transfer from unappropriated available funds in the Treasury, the sum of $6,050.00 for Chapter 90 Highway Maintenance, or do or act in any manner relative thereto.

ARTICLE 11. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the treasury, the sum of $14,650.00 for Chapter 81 Highways, or do or act in any manner relative thereto.

ARTICLE 12. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, the sum of $12,050.00 for Chapter 90 Highway Construction, to start the laying out and construction on Messenger Street, or do or act in any manner relative thereto.

ARTICLE 13. To see if the Town will vote to raise and appropriate or transfer from available funds in the treasury, the sum of $5,421.68, for permanent road construction on Bow Street and Rhodes Street, or do or act in any manner relative thereto.

ARTICLE 14. To see if the Town will vote to raise and appropriate the sum of $1,000.00 for the Conservation Fund, to be used by the Conservation Commission for Conservation Purposes, including the purchase of land, or do or act in any manner relative thereto.

ARTICLE 15. To see if the Town will vote to raise and appropriate the sum of $12,500.00 for carrying on the different catagories of Welfare, or do or act in any manner relative thereto.

ARTICLE 16. To see if the Town will vote to authorize the Board of Selectmen to appoint a Board of five, to be known as the By-Law Review Board, which Board shall review all the By-Laws and Ordinances of the Town together with all Rules and Regulations adopted by Town Departments, for the purpose of considering amendments or additions thereto, and to determine the feasibility and cost of compiling and printing the same, and to report at each Annual Town Meeting, or do or act in any manner relative thereto.

ARTICLE 17. To see if the Town will vote to accept Chapter 53, Section 121 of the Annotated Laws of Massachusetts, or do or act in any manner relative thereto. (A petition) Explanation: The acceptance of this Chapter and Section of the General Laws establishes a non-partisan Town Caucus.

ARTICLE 18. To see if the Town will vote to raise and appropriate the sum of $1,294.00, or any other sum, for the control of insects and Dutch Elm Disease, $500.00 for Insect Pest Control and $794.00 for Dutch Elm Disease, as provided under Chapter 132 of the General Laws, as amended by Chapter 657, Acts of 1956, and to be expended under the direction of the Moth Superintendent, or do or act in any manner relative thereto.

ARTICLE 19. To see if the Town will vote to raise and appropriate, or transfer the sum of $5,000.00, or any other sum, to the Fire Department Apparatus Fund, or do or act in any manner relative thereto.

ARTICLE 20. To see if the Town will vote to establish a Municipal Swimming Pool Fund (for the purpose of erecting, and/or replacing municipal swimming pool or pools) and to raise and appropriate or transfer from available funds in the treasury, the sum of $5,000.00 for this purpose, or do or act in any manner relative thereto.

ARTICLE 21. To see if the Town will vote to raise and appropriate or transfer from available funds in the treasury the sum of $25,000.00 for the Stabilization Fund, under authority of Chapter 40, Section 5B of the General Laws, or do or act in any manner relative thereto.

ARTICLE 22. To see if the Town will vote to install a gravel packed well approximately 50 feet deep, a pump and pumping station

connected to the public water distribution system, with electric power line, and a chain link fence to enclose the well area and access road; and to raise and appropriate for the aforesaid purpose a sum not to exceed $58,000.00 to be expended by and under the direction of the Water Commissioners; and to determine how said appropriation shall be raised, whether by taxation, by appropriation of available funds, by borrowing or otherwise, and if by borrowing, to authorize the issuance and sale of bonds and notes of the Town therefore; or do or act in any manner relative thereto. (⅔ vote required)

ARTICLE 23. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of $20,000.00 to be expended by and under the direction of the Water Commissioners for maintenance, improvement, extension of mains and/or new development to the public water system, as they in their judgment deem in the best interest of the Town, provided however, that such maintenance, improvement, extension and/or new developments conform to the plans and proposals submitted by Camp, Dresser, and McKee, engineers in their report to the Town.

ARTICLE 24. To see if the Town will vote to appropriate, by raising or transfer the sum of $1,100.00 to extend the existing water main (12") on Route #106, from the Anna Ware Jackson Elementary School, easterly approximately 135 feet, more or less, to the property of the King Philip South land; or do or act in any manner relative thereto.

ARTICLE 25. To see if the Town will vote to authorize the School Building Committee appointed under Article I of the Special Town Meeting of November 17, 1962 to complete the construction and initial equipping of the Anna Ware Jackson School and to raise and appropriate the sum of $3,014.62 for this purpose, and to determine how said sum shall be raised, whether by taxation or by transfer of available funds including the transfer of the School Building Preliminary Plans Fund, or do or act in any manner relative thereto.

ARTICLE 26. To see if the Town will vote to lay out, construct, maintain and operate a system or systems of common sewers in accordance with Chapter 83 of the General Laws, to be under the control of the Sewer Commissioners as provided for in Chapter 41 Section 63 of the General Laws, and for this purpose to authorize the Board of Selectmen to enter into on behalf of the Town, such agreements and contracts with other cities and towns as they deem in the best interest of the Town, and further to authorize the Board of Selectmen to apply for, whether individually or together with other cities and towns, available Federal or

State Funds, and that a Committee of three be appointed by the Board of Selectmen to be known as the Sewer Committee, which Committee is hereby duly authorized to carry out the work, pending election of the Sewer Commissioners, or do or act in any manner relative thereto.

ARTICLE 27. To see if the Town will vote to authorize the Board of Selectmen to enter into a contract with the Town of North Attleborough for the purpose of making connections for the collection, treatment and disposal of sewage and to provide capacity in the North Attleborough sewage system and sewer treatment facilities for the sewage of the Town of Plainville in accordance with Section 1 Chapter 83 of the General Laws of the Commonwealth, or do or act in any manner relative thereto.

ARTICLE 28. To see if the Town will vote to install street lights on the following named streets, and raise and appropriate a sum of money to pay for same:

One street light on pole #6, Mirimichi Street
Three street lights on Appletree Drive, poles #1, 3 and 5
Two street lights on Deerfield Road, poles #5 and 6
One street light on Grove Street, pole #3
One street light on Morse Avenue
One street light at intersection of Cross and High Streets
One street light on Wampum Street
One street light on Evergreen Road
One street light on Fales Road, pole #18
One street light on Hancock Street
One street light on Mathewson Street
One street light on Spring Street, pole #1268/1

or do or act in any manner relative thereto.

ARTICLE 29. To see if the Town will vote to raise and appropriate or transfer from available funds in the treasury, the sum of $1,000.00 or any other sum, to cover the cost of materials necessary to repair and renovate the town building on Spring Street, now being used by the Plainville Boy Scouts. This money to be under the supervision of the Board of Selectmen and only expended under their authorization, or do or act in any manner relative thereto.

ARTICLE 30. To see if the Town will vote to amend the By-Laws of the Town by adding to the "CONSOLIDATED PERSONNEL BY-LAW" the following Compensation Schedule:

COMPENSATION PLAN

Compensation by Grades

	Minimum	Weekly		Maximum
C-3	$ 80.00	$ 85.00	$ 90.00	$ 95.00
C-2	72.00	77.00	82.00	87.00
C-1	55.00	60.00	70.00	75.00
PW-5	110.00	115.00	120.00	125.00

M-1	1.50	1.60	1.70	1.80
		Annually		
I-6		$400.00		
I-5		350.00		
I-4		300.00		
I-3		250.00		
I-2		200.00		
I-1		150.00		

or do or act in any manner relative thereto. (⅔ vote required)

ARTICLE 31. To see if the Town will vote to amend the Zoning By-Laws as follows:

A. Amend the Zoning by adding in Article II, Section 2.1, the following: IV—Controlled Industrial District.

B. Amend the Zoning By-Law by amending the Zoning Map referred to in Article II, Section 2-2, by changing to an IC, Controlled Industrial District, the land presently zoned and shown as IB on said plan south of Fuller Street and north of West Bacon Street, and also that land shown as IB on said land bounded on the north by said West Bacon Street between South Street and Fletcher Street.

C. In Article IV, Section 4.1, by striking the words "Industrial Light" and inserting in lieu thereof the words "Industry".

D. In Article IV, Section 4.1, by adding after the words "Farm, Pig" Filling Station—Any area of land, including structures thereon, that is used for the supply of gasoline or oil or other vehicle fuel and which may include facilities used or designed to be used for polishing, greasing, washing, spraying or otherwise cleaning or servicing such motor vehicles. Such use shall not include body work or the painting of vehicles or other than minor repair work.

E. In Article II, Section 2.8 "Use Requlations Schedule", by striking the same in its entirety and substituting the following:

2.8 Use **Regulation Schedule**

Explanation of coded numbers appearing in the schedule above:

1—Provided that no buildings housing poultry are within 200 feet of any street or 100 feet of any adjoining property line.

2—Provided that 75% of the products sold must be raised on the premises. Not permitted within 20 feet of a lot line or 15 feet of a street line.

3—In existing dwellings only.

4—Providing the structure is at least 200 feet from any lot line.

5—Permitted for personnel required for the safe operation of a permitted use.

6—Not more than four boarders.

7—For a period of time not exceeding the greater of the two following time periods: (1) for a period of sixty days or (2) for a period commensurate with diligent pursuit of any construction, renovation or alteration to a building or buildings on the premises.

8—As Accessory Building Only.

E. In Article II, Section 2.6.1, by striking the same in its entirety, and inserting in lieu thereof the following:

2.6.1 The following Intensity of Use Schedule governs with respect to the various zoning districts except where compliance with the applicable schedule is excused:

(a) By provisions of the By-Law, or

(b) By reason of the grant of an exception from the Zoning Board of Appeals, in the form of a Special Permit, as hereafter permitted in certain instances, or

(c) By reason of the provisions of Sections 5A or 7A, or both, of Chapter 40A of the General Laws (Terc. Ed.) of Massachusetts.

Footnotes to Intensity of Use Schedule above:

a.—4,000 additional square feet of lot area for each family unit in excess of four dwelling units.

b.—Requirements for the RC district shall apply to residential uses permitted in the CB District.

c.—Within the area formed by the lines of intersecting streets and a line joining points of such lines twenty feet distant from their point of intersection, or in the case of a rounded corner, from the point of inter-

section of their tangents, no structure and no foliage shall be maintained between a height of three and one-half feet and six feet above the pavement grade.

d.—Corner lot shall maintain front yard requirements for each street frontage.

e.—Required in front yard.

f.—Area used for outdoor storage must be added to building coverage for intensity of use per cent.

* —Never more than three stories high.

**—Never more than two stories high.

F. Amend the Zoning By-Law by amending the Zoning Map referred to in Article II, Section 2.2 by changing from Industrial IA and Residential B to Commercial A the following described property:

Beginning at a point on a stone wall, said point being 490 feet northwesterly from Haynes Road;

Thence running northeasterly along said stone wall 110 feet to the line which defines the present Commercial A zoning line of land now or formerly of Edward J. Toone;

Thence turning and running northeasterly along said Commercial A zoning line to a point at the interchange of Route 495, a distance of 1684 feet;

Thence turning and running along the southerly line of said interchange and Route 495 to a point at land of the City of Attleboro;

Thence turning and running in several courses along the boundary line of land owned by the City of Attleboro to a point 580 feet measured along said line of the land of the City of Attleboro northerly from Haynes Road;

Thence turning and running in a straight line 1880 feet in a southwesterly direction to the point of beginning.

The entire area is shown in orange on a plan entitled, "Plan of land Plainville, Mass." for Pacella Bros. Corp., dated July, 1965, by James A. Freeman, C. E., of 429 No. Main Street, Attleboro, Mass., said plan being on file with the Planning Board of the Town of Plainville.

or do or act in any manner relative thereto. (⅔ vote required)

ARTICLE 32. To see if the Town will vote to participate as a member of a non-profit Massachusetts corporation to be formed under the proposed name of the "Southeastern Massachusetts Economic Planning and Development Corporation", the purpose of which corporation shall be to establish an economic development district under the Public Works and Economic Development Act of 1965, and all amendments thereto and revisions thereof, and authorize the Selectmen to apply to State and Federal Agencies and administrations for grants, loans, technical assistance and any other grants available to it under applicable provisions of State and/or Federal law, which grants, loans and technical assistance shall be used to conduct and undertake surveys, programs, engineering studies and construction projects which will benefit one or more of the cities and/or towns in the economic development district to be established by said corporation, and to appropriate the sum of Five Hundred Dollars ($500.00) as the Town's share of said corporation's first year anticipated expenses and participation contribution or take any other action relative thereto.

ARTICLE 33. To see if the Town will vote to authorize the Selectmen to apply for Federal Funds for the new proposed Fire, Police and Civil Defense Building, or do or act in any manner relative thereto.

ARTICLE 34. To choose any committee and hear the reports of any committee and act thereon.

And you are directed to serve this Warrant by posting copies thereof in seven (7) Public places in said Town, seven (7) days at least before the time of holding said meeting.

Hereof, fail not, and make due return of this Warrant with your doing thereon, to the Town Clerk at or before the time and place of said meeting as aforesaid.

Given under our hands this eighteenth day of February in the year of our Lord one thousand nine hundred and sixty-seven.

LEROY B. WILSON

RAYMOND V. MILLER

Selectmen of Plainville

A true copy. Attest:

DONALD J. PECK, Constable

PROCEEDINGS OF THE SIXTY-SECOND ANNUAL TOWN MEETING

TOWN OF PLAINVILLE, MASSACHUSETTS

March 6, 1967

Pursuant to the foregoing Warrant, the sixty-second Annual Town Meeting was held in the Auditorium of the Plainville Eelementary School, South Street, Plainville, Massachusetts.

The call of the meeting was read by Moderator Charles O. Peasley, and the polls declared officially opened at 8:00 o'clock a.m.

The following officials having been appointed by the Board of Selectmen, were sworn in to the faithful performance of their duties by Town Clerk, Austin F. Grant:

Earl B. Thompson (R) Warden

Daniel T. Malone (R) Deputy Warden

Marion McCabe (D) Clerk

Jane Flynn (D) Deputy Clerk

Tellers: Wanda Faille (D), Violet Osterholm (R), Helen Pesannello (D), Helen Cobb (R), Jacqueline DiGiantommaso (D) and Margaret Frederiksen (R) alternate tellers.

Ballot Box Officer: Robert Keniston (R)

The ballot box was examined by Earl B. Thompson (R), Marion McCabe (D), Robert Keniston (R) and Jane Flynn (D). Declared empty and the dial set at zero, and the keys turned over to the Ballot Box Officer.

The representatives for the Board of Registrars were Richard Cobb (R) and Robert Thibedeau (D).

The polls were declared officially closed at 8:00 o'clock p.m. by Deputy Warden (R), Daniel T. Malone. The ballot box was inspected by Daniel Malone (R), Jacqueline DiGiantommaso (D), Marion McCabe (D) and Helen Cobb (R). The ballot box showed 982 ballots cast. 477 men and 518 women. This total included eight absentee votes cast.

The following counters were sworn in by Town Clerk Austin F. Grant: Jesse W. Franklin (R), Allie B. C. McAlpine (R), Sally Brown (R), Dorothy Spaulding (R), Jean Henrich (R), Walter Fink (R), Lucille Keniston (R), Helen Theriault (D), Carol Barton (D), Camillo DiGiantommaso (D), John Flynn (D), Gael Kelly (D), Marie Reybrock (D), Georgeana LaFerriere (D).

At 10:30 p.m. the results of the balloting showed:

MINUTES OF THE ADJOURNED TOWN MEETING

March 20, 1967

The adjourned town meeting was called to order at 7:35 p.m. by Moderator Charles O. Peasley, in the auditorium of the Plainville Elementary School, South Street, Plainville, Norfolk County, Mass. Mr. Peasley called upon the Reverend Thomas Urban for the Invocation.

The bounds of the hall were described as the seats set up on the floor of the auditorium. No person would be allowed to participate in the Town Meeting from the bleacher seats.

A moment of silent prayer was observed by the assembly, in respect to our late Selectman, Miles E. Hooker.

The Moderator appointed the following to act as tellers: Frank Grzenda and Clifton DeMotte, left side of the hall; David Kelly and Reginald Keyes, right side of the hall. Town Clerk Austin F. Grant, was appointed as ballot box officer in the event of a ballot vote.

The voters were checked into the hall by means of the voting lists by Marion McCabe (D) and Robert Keniston (R). The voting lists showed 178 men and 103 women, a total of 281 voters present.

Moderator Charles O. Peasley stated that if there were no objections the results of the Town Election, March 6, 1967 would not be read.

ARTICLE 1. Election of officers.

ARTICLE 2. Upon a motion by Robert E. Loew and seconded by LeRoy B. Wilson, Alex Fredrickson, Francis Simmons and Everett W. Skinner, Sr. were appointed to serve as Measurers of Wood, Bark and Lumber for the ensuing year, and unanimously voted.

Upon motion by Raymond V. Miller and seconded by Robert E. Loew and unanimously voted the following were appointed to serve as Field Drivers and Fence Viewers for the ensuing year: Donald J. Peck, Robert R. Faille and Allen S. Breen.

ARTICLE 3. Motion by LeRoy B. Wilson and seconded by Raymond V. Miller and unanimously voted that the reports of the Selectmen, Treasurer and other Town officers, as printed with the exception of any typographical errors and omissions be accepted.

ARTICLE 4. Motion by Everett W. Skinner and seconded by Robert E. Loew that the Town vote to accept the provisions of Chapter 81 of the General Laws, and unanimously voted.

ARTICLE 5. Motion by Daniel Malone and seconded by David Lomasney that the town vote to fix the salary and compensation of all elective officers of the town as provided by Section 108 of Chapter 41, General Laws as amended, as follows:

Moderator	$25.00 each meeting
Town Clerk	650.00 per year
Town Treasurer	1,500.00 per year
Selectmen, Chairman	700.00 per year
Second Member	600.00 per year
Third Member	600.00 per year
Board of Health, each member (3)	100.00 per year
Assessor, Chairman	1,000.00 per year
Second Member	1,000.00 per year
Third Member	1,000.00 per year

Tax Collector	1,500.00 per year
School Committee, each member	60.00 per year
Chairman	75.00 per year
Water Commissioner, Chairman	200.00 per year
Second Member	200.00 per year
Third Member, Secretary	350.00 per year
Auditor	250.00 per year
Constables	2.00 per hour
Tree Warden	2.00 per hour

ARTICLE 6. At this time, upon motion by David Lomasney and seconded by Robert E. Loew and made unanimous by vote of the town, it was moved that Article 22 be taken up before Article 6.

ARTICLE 22. Motion by David Lomasney and seconded by Daniel Malone that the town vote to install a gravel packed well, approximately 50 feet deep, a pump and pumping station connected to the public water distribution system, with electric power line, and a chain link fence to enclose the well area and access road; and to raise and appropriate for the aforesaid purpose, a sum not to exceed $58,000. to be expended by and under the direction of the Water Commissioners. Said sum to be raised by the issuance of bonds or notes of the Town for a period not to exceed ten (10) years.

Much interest was shown in this article and upon questioning it was stated that this well would be located approximately 200-250 feet north of the present well. With this additional well the Town of Plainville would be taken care of for water until about 1990. This well would pump approximately 3/4 million gallons of water per day. The guestion was called and as a two-third vote was needed, a standing vote was taken. Results: Yes 231, No 16. Motion carried.

Upon motion by David Lomasney and seconded by Daniel Malone it was moved that Article 30, (Consolidated Personnel By-Law), be taken up at this time. Unanimously voted. As this was an addition to the Town By-Laws a standing vote was taken.

Upon motion by David Lomasney and seconded by Daniel Malone the town voted to amend the By-Laws of the Town by adding to the "Consolidated Personnel By-Law" the following Compensation Schedule:

COMPENSATION PLAN

COMPENSATION BY GRADES

	Minimum	Weekly		Maximum
C3-	$ 80.00	$ 85.00	$ 90.00	$ 95.00

45.	For Personnel Board	———

At this time Sgt. Robert Faille took the floor in regard to section 30 Police Department budget, asking consideration of the townspeople to restore the adjusted budget, stating the need of an additional cruiser and man. After much discussion a motion was presented by James Cassidy and seconded by Charles Bagley that the Police Budget, Section 30 be increased to $58,150., the additional money, $5,980. to go toward one more permanent patrolman and $4,000. to go toward a new cruiser. During this discussion the following voters spoke both in favor and against: Mr. Urban, Miss Maida King, James Cassidy, Mrs. Miller, Sgt. Faille, Marshall Brown, George Pray, Avidis Koshgarian, Frank Grzenda and Donald Colley. Mr. Urban moved the previous question, which was to close the debate. Motion passed. Donald Colley then made the motion that this section be reconsidered. The Moderator asked if he had voted in the majority and he said No. The Moderator then ruled that this motion to reconsider was not in order.

Upon motion by David Lomasney and seconded by Daniel Malone a five minute recess was called at 9:30 p.m.

Upon reconvening the question was called and the section 30 was amended as follows: Salaries 48,020., Capital 5,600. and Expenses 4,530., total Police Budget $58,150. voted.

Motion by Daniel Hunt and seconded by Allen Breen that Section 43, Civil Defense, be increased to $1,900. A standing vote was called and the results were Yes 67, No 115. Motion for increase lost.

The total of $983,240.58 was voted unanimously by the Town for Article 6.

ARTICLE 7. Motion by David Lomasney and seconded by LeRoy Wilson that the surety bonds of the Collector of Taxes, Treasurer, Town Clerk, Secretary of the Water Department and Clerk of the Selectmen be placed with a fidelity or guarantee company, and that the sum of $420 be appropriated to pay for same, this amount is included in the Insurance Account. Unanimously voted.

ARTICLE 8. Motion by Joseph Doiron and seconded by Raymond Miller that the Town vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1968, and to issue a note or notes therefore, payable within one year and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44 of the General Laws, and unanimously voted.

ARTICLE 9. Motion by H. Bertha Browne and seconded by LeRoy Wilson and unanimously voted that the Town transfer from unappropriated available funds in the treasury, the sum of $15,000 for a Reserve Fund to provide for the extra-ordinary unforeseen expenses, as authorized by Section 6, Chapter 40, General Laws.

ARTICLE 10. Motion by Everett Skinner and seconded by Robert Loew and made unanimous by the vote of the town that the provisions of Chapter 90 of the General Laws be accepted and to raise and appropriate the sum of $2,050 for the Town's share of Chapter 90 Maintenance and that in addition the sum of $4,000 be transferred from unappropriated available funds in the treasury to meet the State and County's share of

the cost of the work, the reimbursement from the State and County to be restored upon their receipt to unappropriated available funds in the Treasury.

ARTICLE 11. Motion by Everett Skinner and seconded by Robert Loew that the town vote to raise and appropriate the sum of $4,750 to meet the Town's share of the cost of Chapter 81 Highways, and that in addition the sum of $9,900 be transferred from unappropriated available funds in the Treasury to meet the State's share of the cost of the work. The reimbursement from the State to be restored upon the receipt to unappropriated available funds in the Treasury. Unanimously voted.

ARTICLE 12. Motion by Everett Skinner and seconded by Robert Loew that the Town vote to raise and appropriate the sum of $12,050. to continue the laying out and construction on Messenger Street, under Chapter 90 of the General Laws. The money to be raised as follows: $3,050. the Town's share to be raised and appropriated by taxation and the State and County's share of this work, $9,000. to be transferred from unappropriated available funds in the Treasury. The reimbursement from the State and County to be restored upon their receipt to unappropriated available funds in the Treasury. Unanimously voted.

ARTICLE 13. Motion by Everett Skinner and seconded by LeRoy Wilson that the sum of $5,421.68 be appropriated for permanent construction on Bow Street and Rhodes Street, and to meet said appropriation the sum of $5,421.68 be transferred from proceeds received, or to be received from the State under the provisions of Chapter 679, Acts of 1965. Unanimously voted.

ARTICLE 14. Motion by Daniel Malone and seconded by LeRoy Wilson and unanimously voted that the town raise and appropriate the sum of $1,000. for the Conservation Fund to be used by the Conservation Commission for the purchase of land.

ARTICLE 15. Motion by David Lomasney and seconded by LeRoy Wilson that the town vote to raise and appropriate the sum of $12,500. for carrying on the different categories of welfare and unanimously voted.

ARTICLE 16. Motion by Robert Loew and seconded by Raymond Miller that the Town vote to authorize the Board of Selectmen to appoint a board of five to be known as the By-Law Review Board, which board shall review all the By-Laws and ordinances of the Town together with all rules and regulations adopted by town departments, for the purpose

of considering amendments or additions thereto, and to determine the feasibility and cost of compiling and printing the same, and to report at each Annual Town Meetng. Unanimously voted.

ARTICLE 17. Motion by Normand Theriault and seconded by Raymond Miller that the town vote to accept Chapter 53, Section 121 of the Annotated Laws of Massachusetts: (Petition). Explanation: The acceptance of this Chapter and Section of the General Laws establishes a nonpartisan Town Caucus. After much discussion a motion was made that this article be laid on the table. Motion called for a standing vote: Results of vote, Yes 144, No 42. Motion to accept Chapter 53, Section 121 lost.

At 11 P.M. the Moderator adjourned the meeting until March 27, 1967 at 7:30 P.M.

Austin F. Grant, Town Clerk

At 7:30 P.M. the adjourned Town Meeting was called to order by the Moderator, Charles O. Peasley, on March 27, 1967. Voters were checked into the hall by means of the Voting Lists by Robert Keniston, (R) and Marion McCabe (D).

ARTICLE 18. Motion by David Lomasney and seconded by Raymond Crowell and unanimously voted that the town raise and appropriate the sum of $500. for the control of insects and Dutch Elm Disease to be expanded under the direction of the Moth Superintendent.

ARTICLE 19. Motion by Joseph Doiron and seconded by Raymond Miller that the Town vote to raise and appropriate the sum of $5,000. for the Fire Department Apparatus Replacement Fund. Unanimously voted.

ARTICLE 20. Motion by H. Bertha Brown and seconded by Joseph Doiron that no action be taken to establish a Municipal Swimming Pool Fund, and unanimously voted.

ARTICLE 21. Motion by Daniel Malone and seconded by Raymond Crowell that the town vote to raise and appropriate the sum of $10,000. for the Stabilization Fund; $5,000. by transfer from available funds in the Treasury and $5,000. by Taxation. This motion was amended by striking out $5,000. by taxation. Motion to transfer $5,000. from available funds carried.

ARTICLE 23. Motion by Raymond Crowell and seconded by LeRoy Wilson that no action be taken on this article. (Water System Improvements.)

ARTICLE 24. Motion by Joseph Dorion and seconded by David Lomasney that No Action be taken on this article. (Extend the existing water main on Route 106 from the Anna Ware Jackson Elementary School easterly approximately 135 feet, more or less, to the property of the King Philip South land.) So voted, but not unanimous.

ARTICLE 25. Motion by Robert Malin and seconded by LeRoy Wilson that this article be laid on the table until the next Annual Town Meeting. Unanimously voted.

ARTICLE 26. Motion by LeRoy Wilson and seconded by Robert E. Loew that the town vote to lay out, construct, maintain and operate a system or systems of common sewers in accordance with Chapter 83 of the General Laws, to be under the control of the Sewer Commissioners as provided for in Chapter 41, Section 63 of the General Law, and for this purpose to authorize the Board of Selectmen to enter into on behalf of the Town, such agreements and contracts with other cities and towns as they deem in the best interest of the Town, and further to authorize the Board of Selectmen to apply for, whether individually or together with other cities and towns, available Federal or State Funds, and that a committee of three be appointed by the Board of Selectmen to be known as the Sewer Committee, which committee is hereby duly authorized to carry out the work pending election of the Sewer Commissioners.

A substitute motion was presented by Robert Malin that the Town vote to establish a Sewer committee consisting of three members to be appointed by the Selectmen, said committee to have the authority to lay out a system or systems of common sewers in accordance with Chapter 83 of the General Laws and to expend any monies voted by the Town for the construction, maintenance and operation of said system pending election of Sewer Commissioners as provided for in Chapter 41, Section 36 of the General Laws, and for this purpose to authorize the Board of Selectmen to enter into on behalf of the town such agreements and contracts with other cities or towns as they deem in the best interest of the Town and further to authorize the Board of Selectmen to apply for, whether individually or together with other cities and towns, available Federal or State Funds. This substitute motion was amended by Charles R. Mason and seconded by Normand Theriault to strike out "that a committee of three (3) be appointed" and amend that a committee of

five be appointed by the Board of Selectmen, composed of one Selectman, one Planning Board Member, one Finance Committee Member and two members at large. Vote on amendment and substitute motion passed.

ARTICLE 27. Motion by Raymond Miller and seconded by Joseph Doiron that the Town authorize the Board of Selectmen to enter into a contract with the Town of North Attleborough for the purpose of making connections for the collection, treatment and disposal of sewage and to provide capacity in the North Attleborough sewage system treatment facilities for the sewage of the Town of Plainville in accordance with Section 1, Chapter 83 of the General Laws of the Commonwealth and so voted.

ARTICLE 28. Motion by David Lomasney and seconded by Robert E. Loew that the Town vote to install street lights on the following named streets:

Three street lights on Appletree Drive, poles #1, 3 and 5
One street light on Grove Street, pole #3
One street light on Morse Avenue
One street light at intersection of Cross and High Streets
One street light on Wampum Street
One street light on Evergreen Road
One street light on Fales Road, pole #18
One street light on Hancock Street
One street light on Mathewson Street
One street light on Spring Street, pole #1268/1

unanimously voted.

ARTICLE 29. Motion by H. Bertha Browne and seconded by Raymond Crowell that the Town vote to transfer from available funds in the treasury, the sum of $1,000. to cover the cost of materials necessary to repair and renovate the town building on Spring Street, now being used by the Plainville Boy Scouts. This money to be under the supervision of the Board of Selectmen and only expended under their authorization, and so voted.

ARTICLE 31. To see if the Town will vote to amend the Zoning By-Laws, or do or act in any manner relative thereto. (2/3 vote required)

VOTE: Motion by John Faria, seconded by Normand Theriault, that the Town will vote to amend the Zoning By-Laws as follows:

A. Amend the Zoning by adding in Article 11, Section 2.1, the following: 1C-Controlled Industrial District.

B. Amend the Zoning By-Law by amending the Zoning Map referred to in Article II, Section 2-2, by changing to an IC, Controlled Industrial District, the land presently zoned and shown as IB on said plan south of Fuller Street and north of West Bacon Street, and also that land shown as IB on said land bounded on the north by said West Bacon Street between South Street and Fletcher Street.

C. In Article IV, Section 4.1, by striking the words "Industrial Light" and inserting in lieu thereof the words "Industry".

D. In Article IV, Section 4.1, by adding after the words "Farm, Pig" Filling Station—Any area of land, including structures thereon, that is used for the supply of gasoline or oil or other vehicle fuel and which may include facilities used or designed to be used for polishing, greasing, washing, spraying or otherwise cleaning or servicing such motor vehicles. Such use shall not include body work or the painting of vehicles or other than minor repair work.

E. In Article II, Section 2.8 "Use Regulations Schedule", by striking the same in its entirety and substituting the following:

Explanation of coded numbers appearing in the schedule above:

1—Provided that no buildings housing poultry are within 200 feet of any street or 100 feet of any adjoining property line.

2—Provided that 75% of the products sold must be raised on the premises. Not permitted within 20 feet of a lot line or 15 feet of a street line.

3—In existing dwellings only.

4—Providing the structure is at least 200 feet from any lot line.

5—Permitted for personnel required for the safe operation of a permitted use.

6—Not more than four boarders.

7—For a period of time not exceeding the greater of the two following time periods: (1) for a period of sixty days or (2) for a period commensurate with diligent pursuit of any construction, renovation or alteration to a building or buildings on the premises.

8—As Accessory Building Only.

E. In Article II, Section 2.6.1, by striking the same in its entirety, and inserting in lieu thereof the following:

2.6.1 The following Intensity of Use Schedule governs with respect to the various zoning districts except where compliance with the applicable schedule is excused:

(a) By provisions of the By-Law, or

(b) By reason of the grant of an exception from the Zoning Board of Appeals, in the form of a Special Permit, as hereafter permitted in certain instances, or

(c) By reason of the provisions of Sections 5A or 7A, or both, of Chapter 40A of the General Laws (Terc. Ed.) of Massachusetts.

Footnotes to Intensity of Use Schedule above:

a.—4,000 additional square feet of lot area for each family unit in excess of four dwelling units.

b.—Requirements for the RC district shall apply to residential uses permitted in the CB District.

c.—Within the area formed by the lines of intersecting streets and a line joining points of such lines twenty feet distant from their point of intersection, or in the case of a rounded corner, from the point of intersection of their tangents, no structure and no foliage shall be maintained between a height of three and one-half feet and six feet above the pavement grade.

d.—Corner lot shall maintain front yard requirements for each street frontage.

e.—Required in front yard.

f.—Area used for outdoor storage must be added to building coverage for intensity of use per cent.

* —Never more than three stories high.

**—Never more than two stories high.

F. Amend the Zoning By-Law by amending the Zoning Map referred to in Article II, Section 2.2 by changing from Industrial IA and Residential B to Commercial A the following described property:

Beginning at a point on a stone wall, said point being 490 feet northwesterly from Haynes Road;

Thence running northeasterly along said stone wall 110 feet to the line which defines the present Commercial A zoning line of land now or formerly of Edward J. Toone;

Thence turning and running northeasterly along said Commercial A zoning line to a point at the interchange of Route 495, a distance of 1684 feet;

Thence turning and running along the southerly line of said interchange and Route 495 to a point at land of the City of Attleboro;

Thence turning and running in several courses along the boundary line of land owned by the City of Attleboro to a point 580 feet measured along said line of the land of the City of Attleboro northerly from Haynes Road;

Thence turning and running in a straight line 1880 feet in a southwesterly direction to the point of beginning.

The entire area is shown in orange on a plan entitled, "Plan of land Plainville, Mass." for Pacella Bros. Corp., dated July, 1965, by

James A. Freeman, C. E., of 429 No. Main Street, Attleboro, Mass., said plan being on file with the Planning Board of the Town of Plainville.

Results of Standing vote:

Yes	135
No	1

Motion carried.

ARTICLE 32. Motion by Raymond Crowell and seconded by Raymond Miller that the town vote to raise and appropriate the sum of $500. for the purpose of participating as a member of a non-profit Massachusetts Corporation to be known as the "Southeastern Mass. Economic Planning and Development Corp." and unanimously voted.

ARTICLE 33. Motion by LeRoy Wilson and Seconded by Raymond Miller that the town vote to authorize the Selectmen to apply for Federal Funds for the new proposed Fire, Police and Civil Defense Building, so voted.

ARTICLE 34. Motion by David Kelly and seconded by James Cassidy that the town vote to authorize the Board of Selectmen to appoint a study committee of three to be known as the "Research Committee for Town Aids." Which committee shall be authorized to investigate all Federal, State and County aids to towns for any and all purposes in all forms. For the purpose of obtaining through the Selectmen said aid for the town, and to report from time to time throughout the year and finally prior to January 15 of each year all research completed to the Selectmen and to report at each annual town meeting. Unanimously voted.

As there were no further reports from committees a motion was made by Daniel T. Malone that the Annual Town Meeting be adjourned at 10:00 P.M.

AUSTIN F. GRANT, Town Clerk

WARRANT

FOR SPECIAL TOWN MEETING

THE COMMONWEALTH OF MASSACHUSETTS

NORFOLK, ss.

To either of the Constables of the Town of Plainville.

Greeting:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Plainville qualified to vote in elections and Town affairs, to meet at the Elementary School Auditorium in said Plainville on

MONDAY, JUNE 19, 1967

at 7:30 o'clock p.m., then and there to act on the following articles, viz:

ARTICLE 1. To see if the Town will vote to change the zoning applicable to the following described parcel or tract of land, to wit:—

Those certain parcels of land situated at the southwesterly corner of Taunton Street (Mass. Route 152) and Messenger Street (Mass. Route 106), bounded and described as follows:

All of that land situated on the westerly side of Taunton Street for a depth of 400 feet lying between the North Attleborough-Plainville Town Line and the southerly line of Messenger Street.

From its present Zoning District 1B as defined in the Town Zoning By-laws to Zoning District CA—as defined in the Town Zoning By-laws, or do or act in any manner relative thereto. (⅔ vote required)

ARTICLE II. To see if the Town will vote to raise and appropriate a sum of money for the purpose of remodelling, reconstructing or making extra-ordinary repairs to an existing building (Garford Building) located on South Street so as to convert such building to Fire, Police and Civilian Defense Headquarters facilities, and to determine whether the

money shall be provided for by appropriation from available funds in the treasury, transfer of funds from the Post-War Rehabilitation Account, Sale of Real Estate Account, and by borrowing or otherwise, and if borrowing, to authorize the issuance and sale of bonds and notes of the Town therefore, or do or act in any manner relative thereto. (⅔ vote required)

ARTICLE III. To see if the Town will vote to authorize the Board of Selectmen to acquire on behalf of the Town by purchase or by eminent domain for the purpose of and/or incidental to a municipal building that certain parcel of land situated on the northerly side of Cottage Street bounded as follows:

South by Cottage Street, 90.78 feet:

West by Town of Plainville land 87.98 feet;

North by Town of Plainville land 77.20 feet;

West by Town of Plainville land 62.07 feet; and

North by Town of Plainville land 13.58 feet; and

East by land formerly of Earl F. and Margaret Barney, 150.05 feet, more or less. Being a portion of the land shown on Assessors Plans Sheet 12 Parcel 146 now owned by Gordon S. and Clare T. Proal.

And to raise and appropriate a sum of money for this purpose and to determine how the appropriation shall be raised, whether by taxation, transfer from available funds in the Treasury, transfer of funds from the Post-War Rehabilitation Account, Sale of Real Estate Account, and by borrowing or other wise, and if by borrowing, to authorize the issuance and sale of bonds and notes of the Town therefor, or do or act in any manner relative thereto. (⅔ vote required)

ARTICLE IV. To see if the Town will vote to raise and appropriate a sum of money for the purpose of remodelling, reconstructing or making extra-ordinary repairs to an existing building (Town Office Building) located on South Street, to contain expanded Town Office facilities; determine whether the money shall be provided for by taxation, from available funds in the treasury, transfer of funds from the Post-War Rehabilitation Account, Sale of Real Estate Account, and by borrowing or otherwise, and if by borrowing, to authorize the issuance and sale of bonds and notes of the Town therefore, or do or act in any manner relative thereto. (⅔ vote required)

ARTICLE V. To see if the Town will vote to raise and appropriate a sum of money for the cost of additional departmental equipment to equip the Garford Building as described in Article II of the Warrant for this meeting; determine whether the money shall be provided for by taxation, from available funds in the treasury, transfer of funds from the Post-War Rehabilitation Account, Sale of Real Estate Account, and by borrowing or otherwise, and if by borrowing, to authorize the issuance and sale of bonds and notes of the Town therefore, or do or act in any manner relative thereto. (⅔ vote required)

ARTICLE VI. To see if the Town will vote to raise and appropriate a sum of money to erect a swimming pool, and to determine the method of raising and appropriating said sum, whether by taxation, or through transfer of available funds, or do or act in any manner relative thereto.

ARTICLE VII. To see if the Town will vote to raise and appropriate a sum of money for carrying on the different catagories of Welfare, or do or act in any manner relative thereto.

ARTICLE VIII. To see if the Town will vote to raise and appropriate or transfer from available funds in the treasury, a sum of money for the Town's share of Blue Cross-Blue Shield payments, due to the increase in rates, or do or act in any manner relative thereto.

ARTICLE IX. To see if the Town will vote to raise and appropriate the sum of $8,000 to make repairs on Branch Avenue, Haynes Road, Elm Way and Zeller Avenue, in accordance with the provisions of Section 6H of Chapter 40 of the General Laws, or take any action relative thereto.

(Petition)

And you are directed to serve this Warrant, by posting up seven (7) attested copies thereof in said Town, seven (7) days at least before the time of holding said meeting.

Hereof fail not and make return of this Warrant with your doings thereon at the time and place of said meeting.

Given under our hands this 31st day of May in the year of Our Lord one thousand nine hundred and sixty-seven.

LEROY B. WILSON
RAYMOND V. MILLER
ROBERT E. LOEW
} Selectmen of Plainville

A true copy,

Attest:

DONALD J. PECK, Constable

June 10, 1967

I have this day posted up seven copies of the within warrant in seven public places, seven days before said meeting.

DONALD J. PECK, Constable

PROCEEDINGS OF SPECIAL TOWN MEETING

JUNE 19, 1967

Special Town Meeting held in the Town of Plainville, Elementary School Auditorium, South Street, on Monday, June 19, 1967.

Meeting called to order by Town Moderator, Charles O. Peasley at 7:40 p.m. Call of the meeting was read by Austin F. Grant, Town Clerk.

The voters were checked into the hall by Robert Keniston (R) and Marion McCabe (D) by use of the voting lists. A total of 173 voters present; 106 men, 67 women.

Bounds of the hall declared to be the seats set up on the auditorium floor, for participation in the meeting.

The Moderator named the following to act as tellers: right side of the hall, Fred Paul, Jr. and Richard Cooper; left side of hall, Frank Grzenda and Charles Simmons. Town Clerk, Austin F. Grant named ballot box officer.

ARTICLE 1. Motion by John Faria and seconded by LeRoy B. Wilson that the town vote to change the zoning applicable to the following described parcel or tract of land, to wit:—
Those certain parcels of land situated at the southwesterly corner of Taunton Street (Mass. Route 152) and Messenger Street (Mass. Route 106), bounded and described as follows:

All of that land situated on the westerly side of Taunton Street for a depth of 400 feet lying between North Attleborough-Plainville Town line From its present Zoning District IB as defined in the Town Zoning By-laws to Zoning District CA as defined in the Town Zoning By-laws.

A two-thirds vote is required on this article; result of voting:—

Yes 117 No 0.

Before Article 2 was read, the Moderator expressed a personal interest in this article and asked permission to relinquish the chair and take a seat on the floor of the auditorium in order to participate in the discussion. The meeting was turned over to Town Clerk, Austin F. Grant.

Mr. Clinton E. Barton, Sr., Chairman of the Municipal Expansion Committee read the report of the committee and requested that it be made a part of the record of this meeting.

ARTICLE 2. Motion by Robert E. Loew and seconded by Normand Theriault that the sum of $268,310. be and hereby is appropriated for the purpose of remodeling, reconstructing or making extraordinary repairs to an existing building (Garford Building) located on South Street so as to convert said building to Fire, Police and Civilian Defense Headquarters facilities and that to meet said appropriation, the sum of $1,205.02 shall be transferred from the Post-War Rehabilitation Fund, the sum of $15,246.00 shall be transferred from the Sale of Real Estate Fund, the sum of $23,858.98 shall be raised by taxation and the Treasurer with the approval of the Selectmen is hereby authorized to borrow the sum of $288,000. at one time or from time to time and to issue bonds or notes of the Town therefore under and pursuant to Chapter 44, Section 7, clause (3A), of the General Laws as amended and supplemented, each issue of such bonds or notes to be payable in not more than ten (10) years from its date.

The Finance Committee recommended that No Action be taken on this motion. After much discussion, Mr. Peasley moved the previous question. Motion approved. Vote on the original motion Yes 8, No 149. Motion defeated.

ARTICLE 3. Motion by LeRoy B. Wilson and seconded by Robert E. Loew that the town vote to authorize the Board of Selectmen to acquire on behalf of the Town, for the purpose of and/or incidental to a municipal building that certain parcel of land situated on the northerly side of Cottage Street bounded as follows: South by Cottage Street 90.78 feet: West by Town of Plainville land 87.98 feet; North by Town of Plainville Land 77.20 feet; West by Town of Plainville land 62.07 feet; and North by Town of Plainville land 13.58 feet; and East by land formerly of Earl F. and Margaret Barney, 150.05 feet, more or less. Being a portion of land shown on Assessors Plans Sheet 12 Parcel 146 now owned by Gordon S. and Clare T. Proal. And to transfer the sum of $3,500. from the Sale of Land Account for the aforesaid purpose.

Mr. Raymond Crowell stated that the Finance Committee recommends no action on this article. After some discussion the question was called. Results of standing vote: 11 Yes, 128 No. Motion lost.

ARTICLE 4. Motion by Clinton E. Barton and seconded by Robert E. Loew that No Action be taken on this article. Unanimously voted. (Remodel Town Office Building).

ARTICLE 5. Motion by Robert E. Loew and seconded by Raymond V. Miller that No Action be taken on this article. Unanimously voted. (Equipment for Garford Building.)

ARTICLE 6. Motion by John Ronan. Mr. Ronan presented a substitute motion. I move that the town vote to raise and appropriate the sum of $23,000. to erect a swimming pool. Motion seconded by Richard Guillette.

Raymond Crowell for the Finance Committee recommended No Action on this Article. Many questions were asked concerning the pool and after discussion the question was called. Voice vote was doubted and a standing vote called. Results of voting: Yes 84, No 60. Motion carried.

ARTICLE 7. Motion by Raymond Crowell and seconded by Joseph Dorion that the town vote to raise and appropriate the sum of $7,500. for carrying on the different catagories of Welfare. Unanimously voted.

ARTICLE 8. Motion by Joseph Doiron and seconded by Everett Skinner that the town vote to raise and appropriate the sum of $1,500. to pay for the Town's share of Blue Cross and Blue Shield.
A substitute motion was presented by Robert Malin and seconded by Earl Peck that the Town vote to transfer $1,500. from available funds for this purpose. Unanimous vote on the substitute motion.

ARTICLE 9. Motion by Everett Skinner and seconded by Robert E. Loew that the town vote to raise and appropriate the sum of $8,000. to make repairs on Branch Avenue, Haynes Road, Elm Way and Zeller Avenue, in accordance with the provisions of Section 6H of Chapter 40 of the General Laws. Unanimously voted.

Motion by Daniel T. Malone and seconded by Raymond Miller that the meeting be adjourned at 9:15 p.m. Unanimously voted.

Board of Selectmen
Plainville
Massachusetts

Gentlemen:

I have received a letter dated June 21 from the clerk of your board, with which letter he sent a copy of the warrant for the special town meeting which was held on June 19 and the proceedings thereat.

Under Article 6, it was voted "to raise and appropriate the sum of $23,000. to erect a swimming pool."

Under Article 7, it was voted "to raise and appropriate the sum of $7,500. for carrying on the different categories of Welfare."

Under Article 9, it was voted "to raise and appropriate the sum of $8,000. to make repairs" on certain roads.

I have been advised that your board of assessors fixed the 1967 tax rate on June 15, which date preceded the date of your town meeting. Because of this, your town meeting had no authority to provide appropriations after the date on which the rate was fixed unless there were available funds therefor or the appropriations were to be financed by borrowing.

Accordingly, there are no funds available under the action taken on these three articles.

Very truly yours,

ARTHUR H. MacKINNON
Director of Accounts

State House, Boston 02133

July 11, 1967

Mr. Austin F. Grant
Town Clerk
Plainville
Massachusetts

Dear Mr. Grant:

I enclose the amendment to zoning by-laws and the zoning map relating thereto adopted under article 31 of the warrant of the annual town meeting held March 20 and 27, 1967, with the approval of the Attorney General endorsed thereon.

Very truly yours,

CARTER LEE
Assistant Attorney General

AMENDMENT TO ZONING BY-LAW, TOWN OF PLAINVILLE

SPECIAL TOWN MEETING, JUNE 19, 1967

ARTICLE 1. To see if the Town will vote to change the zoning applicable to the following described parcel or tract of land, to wit:—

Those certain parcels of land situated at the southwesterly corner of Taunton Street (Mass. Route 152) and Messenger Street (Mass. Route 106), bounded and described as follows:

All of that land situated on the westerly side of Taunton Street for a depth of 400 feet lying between the North Attleborough-Plainville Town Line and the southerly line of Messenger Street.

From its present Zoning District IB as defined in the Town Zoning By-laws to Zoning District CA—as defined in the Town Zoning By-laws, or do or act in any manner relative thereto. (2/3 vote required.)

VOTE Motion by John Faria and seconded by LeRoy B. Wilson that the town vote to change the zoning applicable to the following described parcel or tract of land, to wit:—

Those certain parcels of land situated at the southwesterly corner of Taunton Street (Mass. Route 152) and Messenger Street (Mass. Route 106), bounded and described as follows:

All of that land situated on the westerly side of Taunton Street for a depth of 400 feet lying between North Attleborough-Plainville Town line and the southerly line of Messenger Street.

From its present Zoning District IB as defined in the Town Zoning By-laws to Zoning District CA as defined in the Town Zoning By-laws.

As a 2/3 vote is required on this article, a standing vote was taken. Results of vote: Yes 117, No 0.

A True Copy Attest:

AUSTIN F. GRANT, Town Clerk

Boston, Mass. Sept. 26, 1967

The foregoing amendment to zoning by-laws adopted under article 1 is approved.

ELLIOT L. RICHARDSON
Attorney General

REPORT OF THE MUNICIPAL EXPANSION COMMITTEE

To the Honorable Board of Selectmen

At the Annual Town Meeting held in March 1966 the following motion was made:

Voted that the Town authorize the Selectmen to appoint a committee of seven members to study a method of meeting municipal expansion needs by alteration to present facilities, use of the Garford property, or new construction on Town owned land located at the corner of School and Spring Streets, and to transfer the sum of $3,000. from the Sale of Real Estate Account as available for Preliminary Plans, sketches, estimates of cost and technical assistance. Unanimously voted.

The Selectmen appointed a committee which represented the departments involved, which are the Fire Department, Selectmen, Police Department, Finance Committee, Civil Defense, and two members at large. The Police Chief and Fire Chief were members ex-officio.

The committee after its organization sent invitations to five different architectural and engineering firms. Of these five, the firm of Korslund, LeNormand and Quann, Norwood, Mass. was chosen.

We visited other towns that had completed or were in the process of building Fire and Police Headquarters.

The architectural and engineering firm submitted the following proposals:

"Scheme A.

Using existing building on South St. and converting to Fire, Police and C.D. Headquarters facilities per Drawing 2A.

1.	Total area of 14210 sq. ft. at $16.00 sq. ft.	$227,360.00
2.	Demolishing areas shown on building	2,200.00
3.	Site work including new parking areas, new drain, etc.	8,000.00
		237,560.00
A)	Arch. and Eng. fees at 10%	23,750.00
B)	Contingency Items	7,000.00
		268,310.00

Scheme B.

Converting present Fire and Police Station into Town Hall facility per drawing PR14.

1.	Demolishing and Patching	$1,800.00	
2.	New Floors	4,200.00	
3.	New Walls	2,100.00	
4.	New Ceilings	2,400.00	
5.	New addition 2nd floor	12,500.00	
6.	New plumbing	3,000.00	
7.	New heating	3,400.00	
8.	New electrical	4,800.00	
9.	Misc. items	2,500.00	
			36,700.00
	Contractor's ovearhead and profit at 10%	3,600.00	
			40,300.00
	Arch. and Eng. fees at 10%	4,030.00	
			44,330.00
	Contingency	5,670.00	
	Or Approx. 6.25 per sq. ft.		50,000.00

Scheme C.

Locating New Fire and Police Station on Spring and School Sts. is not adviseable for the following reasons:

A) Location is not as well suited for operation of fire equipment for Fire or Police.

B) Is surrounded by residences.

C) Streets bordering this lot are narrow.

D) Cost of building on this lot would be between $25.00 and $27.50 per sq. ft.

Scheme D.

Locating New Town Hall on Spring and School Streets is not recommended for the following reasons:

A Cost of building would be between $22.50 and $25.00 per sq. ft.

B) Town not large enough for complete New Town Hall.

Scheme E.

Adding to existing Fire and Police Station to satisfy new program for Fire, Police Station, C.D. Headquarters and Town Offices. This is not recommended for the following reasons:

A) All land presently available around building is zoned Park Land and therefore cannot be rezoned until approval by State Legislation.

B) Library Building next to present station would have to be moved or demolished.

C) Cost for this would be between $23.00 and $26.00 per sq. ft.

D) Functional planning of all departments in this Scheme would be fair at best due to the location of this building in relation with the recreational facilities adjoining the property.

The commttee decided to accept Scheme A and Scheme B as we felt it was the most economical for the town.

Two public hearings were held, one in February and the other in April, to acquaint the townspeople with these proposals.

In computing the affect of this proposed program on the tax rate, had it been included in the 1967 tax rate, it would have increased it by approximately $5.00. However, as the Assessors have set the tax rate for 1967 — it would appear on the 1968 tax rate.

We feel that the townspeople should consider carefully the ever increasing demands upon the Town Office, Police Department and Fire Department facilities. The Town Offices are in use every evening by various departments and committees. The Selectmen's Office, for example, accommodates the files and meeting place of the Selectmen, Finance Committee, Planning Board and Veteran's Agent.

The Police Department's full facilities are conducted in a 9 x 9 room, with no place for interrogation, keeping of evidence (this has to be kept in various private homes) and joint meeting of their various departments.

Lack of facilities to detain prisoners has become a serious problem, as the Police Department has been advised several times, by out-of-town departments that it isn't convenient for them to continue to allow Plainville to use their facilities for an extended period of time.

The Fire Department is already housing parts of its apparatus, equipment and supplies in the Garford Building.

The Civil Defense hospital equipment has to be stored in two separate places, due to lack of space, and part of this space is a rental expense to the town.

We strongly urge the voters to give careful consideration to the articles covering this program, this evening.

Respectfully submitted,

CLINTON E. BARTON, SR.,
Chairman

LEROY B. WILSON, Clerk

Report of The Town Forest Committee

To the Honorable Board of Selectmen

Gentlemen:

We herewith submit our report for the Town Forest Committee for the year ending December 31, 1967.

Again this year the Town Forest was cleaned and trimmed. This was taken care of by the Boy Scouts as a Conservation project.

Appropriation	$75.00
Expended for Labor	$75.00

Respectfully submitted,
EVERETT W. SKINNER, SR.
ALEC H. FREDERICKSON
ROBERT J. PROAL
Town Forest Committee

Report of The Tree Warden

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my report as Tree Warden for the year ending December 31, 1967.

Appropriation		$500.00
Expended: Taking down trees, trimming and spraying, equipment rental and purchased labor, material	$456.52	
Total		$456.52
Balance		$43.48

Respectfully submitted,
EVERETT W. SKINNER, Tree Warden

Report of The Planning Board

To the Honorable Board of Selectmen:

Gentlemen:

The Planning Board this year routinely renewed numerous single lots for the Register of Deeds and conferred with several developers of subdivisions.

In more unusual business, we re-opened the issue of removing the railroad bridge on West Bacon Street; the matter is still pending.

Two of the Board members took a course for Planning Board personnel at Boston College, and we intend to continue if possible, to give the Board members formal training in their duties.

We joined the Massachusetts Federation of Planning Boards this year. We instituted the action to bring about the change to Zoning Area C A, the corner of land at Messenger and Taunton Streets.

We cleared up some questions on a building at the end of Sidney Street and can report that this situation is now in order.

A covenant was signed with Lewicki Brothers, for the completion of all utilities on Valerie and Ellen Drives, and a check covering the estimated amount to finish these ways was deposited with the Town Treasurer.

We signed a covenant and received a check to cover completion of required facilities to be installed in Section #3 of Highland Meadows Park (off Mirimichi Street).

The Board created a new Zoning Classification (I C) and carried through the necessary actions to change the area along the old railroad right of way from Fuller Street to slightly South of West Bacon Street to this designation. This will exclude some very undesirable industries which could have settled there in its former designation.

This year the Zoning By-Law Book, and the Official Zoning Map were brought up to date, and copies of both are available at the Selectmen's Office. All of the above has been expensive, but necessary.

Expenditures for 1967

Appropriation		$500.00
Transfer		21.37
Supplies	$33.78	
Postage	5.00	
Dues	30.00	
Printing	288.24	
Registry of Deeds	4.05	
Advertising	60.30	
Education (Boston College)	100.00	
Total		$521.37

Respectfully submitted,

JOHN E. FARIA, Chairman
BRUCE HASTINGS, Secretary
WILLIAM GILL
NORMAND THERIAULT
ERICK SARGENT

Report of Library Trustees

To the Honorable Board of Selectmen

Gentlemen:

In 1967 our program of expanding and strengthening the book collection has continued. The old shelving in the Adult Fiction Room has now been nearly completely replaced with new, adjustable shelves. The outside of the library has been painted and repairs made to windows and frames wherever indicated. Plans are being formulated by the three regional towns whereby books in the King Philip School Library will be made available all year around for residents of the three member towns. Since State Aid has been accepted by the town this reciprocal agreement has been in effect but has not been used extensively.

Mrs. James Finley has been appointed to succeed Mrs. John Ippolito as assistant to Mrs. Richard Cobb, librarian.

Library hours are as previously: Monday through Friday, 2:30-5:00 p.m. — Monday and Wednesday, 7:00-9:00 p.m.

Circulation:		
Juvenile Fiction	4,335	
Non-Fiction	1,414	
Adult Fiction	2,302	
Non-Fiction	1,417	
Magazines	425	
Records	66	
Appropriation (includes State Aid and Dog Tax)		$5,269.00
Transfer		79.72
Expenditures:		
Salaries	$2,522.53	(overdraft)*
Books and Magazines	1,000.00	
Operating Expenses	928.43	
State Aid	897.76	
		$5,348.72

*The reason for the overdraft in the salary appropriation was the change in the hourly rate of pay made by the Personnel Board after our budget had been approved for 1967. The Finance Committee arranged to make up the difference when needed.

Respectfully submitted,
JEAN HENRICH
BARBARA P. FLUCK
STANLEY MYERS

Report of The Park Department

To the Honorable Board of Selectmen:

Gentlemen:

The 1967 Plainville Park Program ran from June 19, 1967 to September 4, 1967. The staff consisted of Sandra Porter, Arts and Crafts Instructor; Arthur Washburn III, and William Proal were the lifeguards and also responsible for ground maintenance. The Commissioners wish to express their thanks for a job well done.

The Park Department Commissioners continued to explore ways in which to obtain swimming facilities for the town of Plainville and were successful in obtaining the necessary funds at the special town meeting held in June 1967.

Ground was broken for the new swimming pool in November and the base and fencing of the pool were completed before Thanksgiving. The finishing touches on the pool will be complete in order for the children of Plainville to swim when school is finished in June 1968.

The cooperation of the business community and the people of the town will be greatly appreciated by the Park Commissioners in bringing the new swimming facility to a happy and final conclusion in June.

We wish to thank all those people who voted at the special town meeting in favor of the pool, so that the children of the town will have a swimming facility of which we can all be justifiably proud.

Respectfully submitted,

JOHN J. RONAN
THOMAS ARMITAGE
RICHARD GUILLETTE
Park Commissioners

Report of The Conservation Commission

Gentlemen:

The Plainville Conservation Commission is developing a long range plan in improving their property on George Street.

This year, a dam was constructed on Mill Brook along with the excavation of the small pond behind the dam. This gives us a sizeable pond which is a constant supply of water in case of forest fires in the area. The brook has never failed, even through the drought years, so we feel that any improvement is an asset to the town.

The Commission held an annual Conservation Day in which both Boy and Girl Scouts participated, along with your Commissioners.

A survey was made by the Department of Natural Resources as to the feasibility of erecting a dam east of George Street to construct a pond. This was unfavorable as the soil was too coarse to hold back a water supply.

One thousand Red Pines are to be planted in the spring to improve the area. These to be supplied by the Department of Natural Resources.

We planted a quantity of Spring flowering bulbs this fall and hope to have a variety of blooms to beautify the area.

We want to thank all who helped in our efforts, especially to Bancroft Austin for his advice and participation on Conservation Day.

Conservation Commission

Appropriation		$500.00
Dues	$15.00	
Capital	285.00	
Equipment Rental	200.00	
Total Expenditures		$500.00

Respectfully submitted,

RAYMOND SMITH, Chairman

Report of The Elementary School Expansion Committee

To the Honorable Board of Selectmen:

The results of the census taken in October 1967 for the Elementary School Expansion Committee are as follows:

1962 Begins school	1968	135
1963 Begins school	1969	119
1964 Begins school	1970	109
1965 Begins school	1971	87
1966 Begins school	1972	70
1967 (to October)	1973	65

The committee therefore assumes that, only an extreme change in Plainville's growth rate will reguire additional elementary space for the next few years. This contention is based on the figures of the 1966 census taken by Mrs. Schoening and the figures of the 1967 census taken by Mrs. Fluck, showing almost identical figures. The committee recommends no census being taken in 1968.

Respectfully submitted,

H. BERTHA BROWNE, Secretary
RAY FELIX
DAVID KELLY
RAYMOND MILLER
WILLIAM GILL
JOHN MacDONNELL

Appropriation — $300.00 Expended — $250.00 Balance — $50.00

Report of Inspector of Milk and Dairies

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my report as Inspector of Milk and Dairies for the Town of Plainville for the year ending December 31, 1967.

Twenty-seven milk licenses at $1.00 each.

Paid to the Town Treasurer — $27.00.

Respectfully submitted,

EARL B. THOMPSON,
Milk Inspector

Report of The Town Ambulance

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my report for the year ending December 31, 1967.

Trips	184	
Mileage	3258 miles	
Patients	176	
Man Hours	464	
Total Billing	$1,803.00	
Billing collected and turned over to Treasurer (since March, 1967)	$1,345.00	
Oxygen	33 tanks	
Gasoline	305.4 gallons	
Appropriation		$1,000.00
Transfer E & D Dec. 31, 1967		49.93
Total		$1,049.93

Expended:

Ambulance Maintenance/Gasoline	$189.34	
Laundry	226.52	
Radio Maintenance	39.45	
Oxygen	35.02	
Office Supplies	16.60	
Labor	543.00	
Total Expended		$1,049.93

Ambulance Replacement Account:

Expended:

1967 International Ambulance	$6,722.00	
Red Light/Electronic Siren	264.00	
Radio Maintenance	14.00	
Total Expended		$7,000.00

On April 18, 1967 bids were received on a new ambulance with Sansone Motors of Norwood being awarded the contract. We purchased a 1967 International Model 1100-B Travelall. This unit was received by us on November 2, 1967 and made its first trip on November 3, 1967.

As we did not have funds to purchase a new stretcher and portable resuscitator as part of this ambulance I would request that an article for same be included in the 1968 Annual Warrant, to be purchased from the Ambulance Equipment Replacement Account.

Respectfully submitted,

C. E. SKINNER, JR.

Report of Town Counsel

To the Honorable Board of Selectmen

Gentlemen:

Cases presently pending against the Town of Plainville:

Ruth B. Franey vs.: Inhabitants of the Town of Plainville, Bristol Superior Court #21360. The Town is represented by the Attorney for the Liability Insurance Company.

There is also pending a case against the Zoning Board of Appeals; Edward Haderer, et al, vs.: Pacella Brothers, Inc., et als, Norfolk Superior Court #87814.

There is also pending a case of Massachusetts General Hospital vs.: The Town of Plainville, Suffolk Superior Court #625939.

There is also pending a case of the Town of Plainville vs.: United Builders, Inc., tax title foreclosure in the Land Court.

There were many opinions given, suggestions made for revisions of By-Laws and/or Regulations. Contracts were drawn as well as approved.

Respectfully submitted,

CHARLES R. MASON, Town Counsel

Report of The Highway Department

To the Honorable Board of Selectmen

Gentlemen:

Under Chapter 90 Maintenance, Messenger Street, a distance of 1800 feet, 700 tons of Bituminous Concrete type I-I was applied.

Under Chapter 90 New Construction, George Street from Route 1 to School Street was completed. On Messenger Street trees have been cut and the drainage system will be underway soon.

The Chapter 679 money was used to widen, reconstruct and asphalt sections of Rhodes Street and Bow Street.

The old wood bridge on Mirimichi Street was replaced with Concrete. This will eliminate having to rebuild this bridge every seven to eight years.

In conjunction with the Highway Department program, drainage, catch basins, brush cut along the roadside, gravel roads were scraped and gravelled; bituminous patching and the usual maintenance of roads was realized.

On Messenger Street from Taunton Street to the Anna Ware Jackson School a sidewalk was constructed. The bituminous concrete base has been applied and the top will be completed next year.

A two way radio with the Highway Department frequency has been installed in the Fire Department and with the round the clock coverage Communications are very good. The telephone number for the Highway Department is 699-2071; if you receive no answer call 695-5252 and the message will be relayed.

In submitting this report I again wish to thank your Board and the members of the Highway Department, and the other department heads of the Town for their cooperation during the year.

Respectfully submitted,

EVERETT W. SKINNER,
Superintendent of Streets

Winter Pre-hatch Dusting	31 acres
Drainage Ditches Cleaned	2190 feet
Brush Cut	140 feet
Culverts Cleaned	31 culverts

Respectfully submitted,

ALBERT W. HEUSER,
Superintendent

Report of Water Commissioners – 1967

To the Honorable Board of Selectmen

Gentlemen:

Following is the report of the Water Department for the year ending December 31, 1967. Records from the Town Pumping Station show that 144,957,560 gallons was pumped from Well #1 for the year 1967, an increase of 42,111,368 gallons more than the year 1966, a total of 4,987.8 pumping hours, 397,144 gallons daily, 16,547 gallons per hour or 275 gallons per minute.

Due to a delay in obtaining quality materials, Well #2 is not complete, but we hope it will be in service by early spring of 1968. When Well #2 is in service, the Park Street meter will be closed and we will be able to supply our consumers from our own Wells #1 and #2.

Due to the resignation of Mr. Bryon Schofield, Mr. Edward F. Rose was appointed to fill this vacancy.

There were four (4) new services installed in the year 1967, and five (5) swimming pools filled.

We wish to thank Supt. Everett Skinner for his tireless cooperation, Highway Department, Mr. Lawrence Carpenter, Treasurer. Honorable Board of Selectmen, Finance Committee, North Attleboro Water Department, and Camp, Dresser & McKee for their excellent cooperation during the year 1967.

Report of Inspector of Slaughtering

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my report as Inspector of Slaughtering for the year ending December 31, 1967.

The monthly reports required were sent to the Department of Health.

Six carcasses were inspected and stamped.

Respectfully submitted,

EARL B. THOMPSON,

Inspector of Slaughtering

REPORT OF THE FIRE ENGINEERS

To the Honorable Board of Selectmen:

Gentlemen:

We herewith submit our report for the year ending December 31, 1967.

Buildings	28
Grass and Brush	96
Flooded Cellars	18
Electrical	8
Miscellaneous	52
Lost Children	3
Accidents	18
Emergency Lights	6
Accidental Alarms	3
Sprinkler Surges	5
False Alarms	5
Bomb Scares	8
Auto	11
Rescue	12
Gas Leaks	2
Lock Outs	10
Transportation	39
First Aid	16
Mutual Aid	13
Practices and Meetings	27
Total	380
Ambulance Trips	184
Grand Total	564

The year 1967 has been another busy year for this Department with the number of requests for assistance increasing over the previous year.

We believe that the service and protection afforded the townspeople and their property has greatly improved this year due to the acquiring of two more men so that there is twenty-four hour coverage for dispatching of Fire, Police and Highway Departments. We now have four men and a Chief, with the four men working on rotating shifts. These men not only handle the dispatching during the night hours but are working

as firefighters and doing the duties of same. Many hours are spent every week on maintenance of equipment and building both the Fire Station and Town Offices. During the day-time these men have handled most all emergency calls and ambulance trips.

The Permanent Department, Call Department, C.D. Auxiliary Department and some members of the Police Department completed the Basic First Aid Course of the American Red Cross. After the first of the year all members will have the advanced First Aid Course.

Ten men spent two days at the Norfolk County Training Seminar at the Norfolk County Agricultural School at Walpole, two men a day at the Cushing Hospital in Framingham and Larry Simpson and Raymond Clontz of the Permanent Department attended a four day advanced practical course on initial emergency care of the sick and injured at Harvard University. This was sponsored by the Committee on Injuries and the American Academy of Orthopedic Surgeons. Chief Skinner attended many Seminars and Conferences during the year. Training and fire education has become more important every year and we hope to send many more men to the new schools and seminars that will be available this coming year.

The ladders on Engine 1 and Engine 2 were replaced this year with new aluminum ladders. Also, we replaced the rear tires on Engine 2 with new snow and mud grip tires. This coming year we hope to replace the rear tires on Engine 4.

We are asking to continue the Apparatus Replacement Account this next year. We are asking to replace the Chief's car which is six years old, either from this account or as an item in our regular budget.

With the inception of the twenty-four hour coverage after last year's Town Meeting our operating expenses increased to some extent and we had to request a transfer from our salary account to take care of this. Our budget was reduced from our original request and also it was not figured on the twenty-four hour basis. Consequently items such as electricity, supplies and so forth cost us more money than was allotted. A detailed explanation of all expenditures is available at the Chief's office.

The C.D. Auxiliary Fire Department continues to serve the Town in a most able manner. We now have twelve young men who spend many hours training, firefighting, and assisting the regular department.

We wish to take this opportunity to thank you, the officers and personnel of the department, the C. D. Auxiliary Department, Police Department, Highway Superintendent and his men who answered day-time calls, plus the Superintendent spending many extra hours on apparatus maintenance for us, and all other persons who have assisted and cooperated with us during the year.

Respectfully submitted,

EVERETT HATT

L. KENNETH BARNEY

Report of The Building Inspector

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit my report as Building Inspector for the Town of Plainville for the year ending December 31, 1967.

Sixty-eight building permits were issued. Total valuation of permits $347,300.00. Fees collected $351.50.

New dwellings	15
New additions to business establishments	9
Additions to dwellings and miscellaneous permits	32
Swimming pools including new Town Park pool	7
Razed buildings	5
Total	68

I wish to extend my thanks and appreciation to the Board of Selectmen, all other Town Officials, townspeople and contractors for their co-operation during the past year.

Respectfully submitted,

CLINTON E. BARTON, SR.
Building Inspector

Appropriation: Salary and Expenses	400.00
Expended	50.00
	450.00

Report of Sanitary Inspector

To the Board of Health
Plainville, Mass.

Gentlemen:

I herewith submit my report as Sanitary Inspector for the year ending December 31, 1967.

Soil tests were made on all building lots when application made for sewage disposal system installation prior to building permits. The sewage disposal system is designed to provide adequate service based on number of bedrooms, soil conditions as to drainage and the required elevation above ground water table at highest. Progress inspections are made as considered advisable and inspection before backfill is always made to determine construction.

Complaints made to Board of Health were investigated and resolved as quickly as possible. Advice was furnished for repair or addition to older existing sewage disposal systems as to least expensive method of correction.

Inspection of eating and drinking establishments were made according to Article X of State Sanitary Code and bacteria swab counts made of utensils used in service to public.

Laboratory analysis of milk and cream was made according to the Standard Methods procedure as well as Antibiotic residue assays.

Standard bacteriological water analysis was made weekly of town swimming pool during time in use, also tests of water or drainage as considered important by Board of Health and Sanitary Inspector. Standard analysis was also made of town water supply.

APPROPRIATION UNDER BOARD OF HEALTH

	Appropriated	Expended
Salary, Putnam Steele	$500.00	$500.00
Special Antibiotic Testing	200.00	200.00
Sanitary Inspections for Sewage Disposal	450.00	160.00

There were sixteen inspections and tests made for Sewage Disposal Systems, and fees collected for same amounted to $240.00.

Respectfully submitted,

PUTNAM STEELE,

Sanitary Inspector

Report of The Board of Appeals

Honorable Board of Selectmen:

Gentlemen:

The Board of Appeals is pleased to report a year of utter inactivity.

Apparently all other Boards, Committees, and Departments operated to the satisfaction of the townspeople to the extent that no situation or dispute requiring our services occurred. We view this turn of events with pleasure, and feel the town officers have functioned smoothly indeed.

May the year 1968 be as uneventful.

Respectfully submitted,

ROBERT W. HAYES, Chairman

ROBERT KENISTON

MELVIN DWYER

Appropriation — $200.00 Expended — $0.00 Balance — $200.00

Report of The Zoning Board of Appeals

To the Honorable Board of Selectmen:

Gentlemen:

We are pleased to submit the following report of the activities of the Zoning Board of Appeals for the year ending December 31, 1967.

The Board accepted, with regret, the resignation of one of its most active members, Mr. Robert Hayes, early in the year. Business pressures forced the former Chairman and sparkplug of the Board to ask that he be relieved of his position. Mr. Earl Peck was appointed to fill the vacancy.

There were twelve cases handled by the Board during the year. Five variances were requested, two were granted. Both of these were for non-conforming use of residential land. Three requested variances were denied. Two were for stable construction and the third was a non conforming use request. Four gravel and loam permits were renewed and one new application for gravel removal was denied. Two special permits for service stations were approved.

At the request of the Board, the Selectmen appointed Mr. Everett Skinner to be enforcing officer for Section 3.8 of the Zoning By-Law. Mr. Skinner's knowledge and experience will be of great assistance to the Board. Mr. Richard Stackpole was appointed to fill the vacancy caused by the resignation of Mr. William Scholtes.

The Board received in application fees and permit fees a total of $260.00 and encountered expenses totaling $274.15 in advertising, postage, stationery, clerical and legal fees.

We wish to thank all the Town departments for their assistance and co-operation during the past year.

Respectfully submitted,

ROBERT C. KENISTON, Chairman

RICHARD W. ESTEN

RICHARD D. PLANTE

FRANK R. McCABE

FRED TABER

EARL PECK

RICHARD R. STACKPOLE

GEORGE W. PRAY, Secretary

OFFICE OF CIVIL DEFENSE

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit my report as Civil Defense Director for the year ending December 31, 1967.

Appropriation		$900.00
Expended:		
Telephone	$144.20	
Surplus Property	15.06	
C. D. Fire Department	250.00	
C. D. Communications	27.24	
C. D. Hospital Rent	300.00	
Total Expended		$736.50
Balance		$163.50

Civil Defense made progress in some areas this year but not in others due to a lack of funds again this year.

The C. D. Fire Department added additional members and undertook a replacement program of some of their old equipment that has succumbed to the ravages of time. This year they replaced coats and boots and next year they hope to replace some of the more dilapidated helmets.

We had hoped to replace some of the old radios of the Communications service this year but this was not done due to a lack of funds. We are requesting funds again this year for this purpose as most of these radios are 6 volt models and are of questionable operational capability.

During the year the Federal reports were filled out, maintained, and up dated where necessary.

We wish to take this opportunity to thank all the other departments for their cooperation during the year.

Respectfully submitted,

DANIEL H. HUNT, Director

Report of Inspector of Animals

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my report as Inspector of Animals for the year ending December 31, 1967.

All cattle brought in from out of state were identified by ear tag and released.

The fall inspection asked for by the State was completed and the report was sent to the State.

Respectfully submitted,

EARL B. THOMPSON,
Inspector of Animals

Report of The Plumbing Inspector

To the Honorable Board of Selectmen:

I herewith submit my report as Plumbing Inspector for the Town of Plainville for the year ending December 31, 1967.

Total permits taken out	23
Total amount paid over to Town Treasurer	$203.50

Appropriation	$300.00
Expended	300.00

Respectfully submitted,

HOMER J. SHEPARD, SR.

Control of Insects and Dutch Elm Disease

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit my report for the year ending December 31, 1967.

Appropriation		$500.00
Expended:		
Labor	$255.31	
Purchased Labor and Equipment Rental	243.00	
Total		$498.31
Balance		$1.69

Respectfully submitted,
EVERETT W. SKINNER, Tree Warden

Report of Gas Inspector

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit my report as Gas Inspector for the year ending December 31, 1967.

Forty-five inspections were made.

Fees collected	$118.00	
Paid to Town Treasurer	118.00	
Appropriation		$300.00
Expended:		
Salary	$250.00	
		$250.00
Balance		$50.00

Respectfully submitted,

CHARLES C. BAGLEY,
Gas Inspector

Report of The Veterans' Agent

To the Honorable Board of Selectmen

Gentlemen:

Once again we have kept the case load of Veterans' Benefits to a minimum. Emergency relief, due to illness and accidents has been granted. In one instance the emergency relief expended was returned by the recipient.

At the present time we have just one regular case, which I feel is eligible and has been approved by the Commissioner of Veterans' Services.

I wish to thank all who have made the operation of this department successful this past year.

Respectfully submitted,

DANIEL T. MALONE
Veterans' Agent

Appropriation: Veterans' Benefits		$3,000.00
Expenses		350.00
Total		$3,350.00
Expended:		
Regular Benefits	$1,502.52	
Expenses	275.00	
		$1,777.52

Report of The Housing Authority

To the Honorable Board of Selectmen:

Gentlemen:

Plainville Housing Authority has received its financial support from the state this past December.

The Authority has purchased the property from Fred and Mary Paul, situated on East Bacon Street, and consisting of approximately 13 acres. The Authority has also approved tentative plans for 32 units for elderly housing.

We expect to go out to bid this spring, and construction will begin shortly thereafter.

Respectfully submitted,

PLAINVILLE HOUSING AUTHORITY

FRANCIS W. SIMMONS, Chairman
MELVIN DWYER, Secretary
CLINTON BARTON
WALTER FINK
RICHARD FLYNN

Report of The Town Auditor

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit my report as Auditor for the Town of Plainville for the fiscal year ending December 31, 1966:

An audit was made of various departments handling receipts to be turned in to the Town Treasurer.

The Report of Financial Transactions, Schedule A for the calendar year 1966 was completed and submitted to the Commonwealth of Massachusetts, Dept. of Corporations and Taxation, Bureau of Accounts.

The cooperation received from the various departments during the audit was appreciated by me.

Appropriation	$250.00
Expended	$250.00

Respectfully submitted,

ARTHUR H. GLEICHAUF, JR.
Auditor

Report of The School Committee

To the Citizens of Plainville:

We fully appreciate that the townspeople are spending a great deal of money toward the education of their children and feel that it is the duty and responsibility of this committee to provide the best possible instruction for and development of your child. We shall continue to periodically review, analyze, and survey our present methods in the various subjects to determine if they are the most effective and progressive programs obtainable for the funds available. We encourage our administrators to counsel and stimulate the teachers to obtain and maintain maximum efforts and results in their respective grades.

Much time and effort on the part of the School Committee and the Professional Rights and Responsibilities Committee of the Plainville Teachers Association was expended toward the enactment of a mutually acceptable salary schedule which would enable us to keep our fine group of teachers and place the superintendent in a good competitive position to hire new teachers or obtain replacements. We feel the salary schedule finally accepted for the school year 1967-1968 represents a most fair and generous agreement and should be reflected in the higher caliber of our teaching staff and a renewed dedication to their chosen profession. Collective bargaining sessions were also conducted with the custodial staff and the lunchroom staff with mutually acceptable contracts being agreed upon.

An increased awareness of the need for a good sound musical program in the elementary schools led the School Committee to allot more time this year to the Music Supervisor in order to enable her to give more adequate coverage and add wider scope to this very important activity.

We have had several months of a physical education program with a full time instructor. The students have participated enthusiastically and as a means of increasing the scope of this activity, we are planning purchases of additional equipment on an annual basis.

Federal funds were again made available this year for the purchase of library books and materials, and special emphasis was directed toward building up the library in the Jackson School.

The Operation Head Start program continues to be highly successful and undoubtedly merits consideration for at least another year.

Realizing the benefits the children are deriving from the Opportunity Class we hope to continue this class through June 1968.

Previously we have been working with a curriculum guide in our science classes, but this year the committee instituted a three-year science program in grades four, five and six under which a series of graded textbooks will be used for class instruction. This appears to have been a forward step in upgrading the quality of work in this area.

Steps were taken to reduce the operating loss in the lunchroom which continues to be due mainly to a reduction in the availability of surplus government commodities and increased cost for food and lunchroom operation. A nominal increase in the charge for school lunches was put into effect this year and this, along with other effected economies, has helped to put our present lunchroom deficit at a comparatively low figure.

During the past year our principal, Joseph Ambers, accepted a similar position in a larger school system at the Joseph W. Martin School in North Attleboro, and he was replaced by Edward Keaney who had been serving as teacher-principal at the Jackson School. William Skitt, formerly in the Attleboro school system, has joined our staff to fill the vacancy at the Jackson School created by the promotion of Mr. Keaney.

The committee was subjected to two changes in personnel this year. Harry Schoening, Jr., who had served the School Committee capably and well for eight years both as chairman and in several other capacities, resigned to take up residence in South Dartmouth. Richard Ney, a more recent member of the committee, resigned due to increasing business demands. These men will be sorely missed both by the committee and their many friends. They have been replaced by Bruce Hayes and Frank Buiting who will serve for the interim period until the March Town election.

Recent State Department of Education legislation requires us to have a kindergarten in operation by September 1, 1973, which may necessitate construction of additional classrooms in the near future.

In an attempt to unify the educational curriculum in the towns comprising the King Philip Regional system, the superintendents and prin-

cipals of these towns are meeting regularly in an effort to accomplish this goal.

The committee thanks those associated with the school for their fine work and assistance during the year. We acknowledge with gratitude the gift of the P.T.A. of movie screens for the two elementary schools, and are indebted to those mothers who assist in the library programs.

Respectfully submitted,

ROBERT W. ROOT, Chairman

HELEN A. SMITH, Secretary

FRANCIS P. BUITING

WILLIAM E. CLARKE

BRUCE A. HAYES

Report of The Superintendent of Schools

To the Plainville School Committee:

I consider it a privilege to submit my eighth annual report.

Introduction

In 1965 and 1966 in my reports I referred several times to legislation applying to schools. In 1967 additional matters of interest should be noted. Physical education is mandatory, and we started a program in September 1967. Mr. Kenneth Moore is conducting our program, and his report may be read on later pages. Kindergarten will be required by 1973 or sooner. Pupil teacher ratio of 25 to 1, with other requirements for additional professionals up to 10 per 1000 pupils, may also be spelled out. Programs for many types of disabilities are being mandated, and the time seems to be approaching when each child must have a program that fits his need.

Enrollment

The September 1967 first grade is down 30 pupils over the first grades of the past few years. This seems to be a one year phenomena and not a trend. 1968 census figures indicate that the first grade will be up to 120 or more again. October 1, 1966 enrollment was 663, October 1, 1967 enrollment was 650, October 1, 1968 enrollment is estimated at 675.

Teaching Staff

Miss Patricia Snell of Plainville, Mrs. Florence Glynn of Foxboro, and Mrs. Nancy Cox of Attleboro were the only new members added to the teaching staff this year. Mrs. Betty Ippolito returned to her duties after maternity leave. As noted above, Mr. Kenneth Moore assumed duties as Physical Education Supervisor.

Principals

Mr. Joseph R. Ambers accepted a position as Principal in North Attleboro. This position was filled by moving Mr. Edward L. Keaney from the Jackson School to the Elementary School. Mr. William R. Skitt was engaged as teaching-principal for the Jackson School.

School Facilities

All twenty rooms at the Elementary School are utilized. Two rooms are available at the Jackson School. For the 1967-68 school year, rooms are being used as follows:

	Elementary School	Jackson School
Grade 1	3	1
Grade 2	4	1
Grade 3	3	1
Grade 4	3	1
Grade 5	2	2
Grade 6	4	0
Ungraded Class	1	0
Opportunity Class		1
Special Class		1

One room at the Jackson School is rented to The Attleboro Area Association for Retarded Children, and one is used for storage by Civil Defense. These rooms are available if needed.

Federal Programs

1967 Federal Fund totals were: Title I, ESEA $4,825.00; Title II, ESEA $1,308.95; Summer Head Start $6,163.00. No NDEA funds were used this year. One of the problems in the use of Federal Funds is the late date of approval of projects. Actual approval of the projects comes after Town Meeting. Application is now being processed for $7,998, 1968 Summer Head Start. ESEA funds are usually allocated much later.

Lunch Program

The Lunch Program is operating under the supervision of Mrs. Evelyn Snell. Mrs. Elwyn Wolowicz, Mrs. Priscilla Hayden, and Mrs. Janet Marchand operate the Elementary School lunchroom, and Mrs. Muriel Laporte and Mrs. Charlotte Bagley operate the Jackson School cafeteria. We installed a cash payment system of collecting for lunches on the recommendation of the State Auditor.

Library

Libraries at both schools are operated by volunteers. The number of book and the quality of the library service is well above the average for the state and nation. Title II, PL 89/10 has made over $2,500 available, and we have used it all for library books and materials. If more funds are available this year, we plan additional purchases along these lines.

Custodians

A matron was added to the staff this year in an attempt to prevent dust from collecting in areas that could cause health hazards. Additional help was required as we were faced with a reduction of 12 hours working time by the Fair Labor Standards Act. The custodians are cleaning the lunchrooms as regular duty now rather than overtime or special work in the past.

New Trends in Curriculum

The Plainville Public Schools need take a back seat to no one in the area of new trends in curriculum. We have not gone overboard on any gimmicks but have modernized our offerings slowly but positively with a rationale that it is the function of an elementary system to develop basic skills. Where needed we have ungraded, team approach, teacher aides, departmentalized, self-contained classroom, individual instruction and other means to try to develop each individual to his maximum potential. In a small system it is often wise to let larger and richer school districts prove new methods before the small district adopts them. Thirty years of observation has taught me to be wary of any magic formula for instant education. No one answer has yet been found for all educational problems, and a close look at our structure will show a combination of many organizational and educational structures. We try to find a program that will fit each child.

Few communities are as fortunate as Plainville when it comes to school facilities. All buildings are relatively new and have been well maintained. You can be proud of your foresight in providing school space. However, a new roof will be needed on the Elementary School very soon.

Conclusion

More coordination between the regional towns seems to be the major accomplishment of the past year. In some curriculum areas this is very important. My efforts will continue in the direction of maximum effort to educate every child to the maximum of his ability.

And again I want to thank the School Committee, school personnel and all persons who have helped make this a successful school year.

Respectfully submitted,

CARL W. GREEN,

Superintendent of Schools

Report of the Principal of the Plainville Elementary School

Dear Sir:

During the year 1967 the Plainville Elementary School children were provided with a sound, forward-looking program, which, in my opinion, met the demanding requirements of a superior educational system.

I feel that much has been accomplished, but I am also aware that there is much to be done. The progressive and changing winds of the educational process demand constant and exhaustive work on the part of administrators, supervisors and teachers.

After an intensive study of testing materials, it was decided to change to the Lorge-Thorndike Intelligence Tests and the Iowa Tests of Basic Skills.

The Intelligence Tests provide a wide range of measurement with a greater degree of validity. The Iowa Achievement Test measures the basic skills which are necessary for proper development at the elementary level.

The performance of the children on these tests was more than satisfactory, and greater success is expected in 1968 and succeeding years. An analysis of test results for each year will provide administration and the teaching force with information pertaining to subject area strengths and weaknesses. Additional stress on those areas which we feel are not producing maximum achievement should result in a higher degree of performance.

Many of the teachers undertook courses at various colleges and universities in order to enrich their backgrounds and improve on their instructional skills. They also took advantage of several courses sponsored by the Norfolk County Teachers' Association.

The children were taken on various field trips in order to enrich their learning experiences. The third grades visited the Children's Museum in Jamaica Plain, and the fifth grades went to the Peabody Museum of Harvard University.

The Science Program was intensified with the provision of science textbooks for all children in Grades 4, 5 and 6. A team from N.A.S.A. visited the schools, and the children were stimulated greatly in the area of space exploration.

The utilization of audio-visual aids was constantly employed by the teachers to reinforce the learning experiences of the children. Films,

filmstrips, tapes, etc., were regularly received from the State Department of Education and other sources.

During the fall of 1967, the principals of the schools involved in the regional district started preliminary planning for a coordinated program of curriculum development and organization. This was done under the direction of the three superintendents and will eventually include representative teachers from the three towns at all levels. The purpose of this program is to provide the children with optimum learning experience at all levels.

Since I was involved in the operation at both schools, i.e., the Jackson and South Street Schools, I was in a favorable position to compare the programs at the two schools.

The basic curriculum is the same for both schools at all grades. The children are receiving the same course of instruction, with the only variance due to the individual teacher preference in supplementary areas of study and materials used.

The organization for both schools is similar. Starting September 1967, Grades 4 and 5 at Jackson, and Grades 4, 5 and 6 at the South School, were fully or semi-departmentalized.

Both schools are staffed with equally competent, resourceful and dedicated teachers. Plainville has been most fortunate in obtaining truly professional new teachers, and they have made a most welcome addition to the staff.

The teachers and I both realize that we are not faultless, but I am convinced that the children of Plainville are receiving a sound, progressive program of education.

In September 1967, Mr. William Skitt was appointed principal at the Jackson School, and I moved to the South Street School. I wish to take this opportunity to commend him for his fine performance and wish him continued success at the Jackson School.

I would like to thank the entire school staff for their invaluable assistance and cooperation. This includes supervisors, teachers, lunch and custodial personnel, school nurse, school secretary, and the volunteer mothers who have helped in our library.

Further, I wish to thank you for your guidance and assistance during this first year as principal of the South Street School.

Respectfully submitted,

EDWARD L. KEANEY, Principal

Description of the Physical Education Program of the Plainville Elementary Schools

A physical education program was instituted this year at the Plainville Elementary School and the Jackson School. The program is set up so that the 4th, 5th and 6th grade classes meet twice a week and the 1st, 2nd and 3rd grades once a week. The periods are, roughly, forty minutes in length.

The primary objective of the program is to improve the student's physical fitness. Each class is begun with 10 to 15 minutes of vigorous exercise as prescribed by the Blue Book designed by the President's Council on Physical Fitness under the Kennedy Administration. The exercises and activities are designed to improve the overall fitness of the students.

In the spring, the A.A.H.P.E.R. Physical Fitness Test will be given to grades 4, 5 and 6 to measure the effectiveness of this program. The test is designed to measure the strength of different parts of the body, plus the speed, agility and endurance of the body as a whole.

Another objective of the program is to introduce the children to a number of various sports, teaching them the basic fundamentals and skills involved, as well as the rules and regulations of each. A list of the activities used by both boys and girls together, and sometimes separately, includes soccer, touch football, kickball, basketball, stunts and tumbling, square dancing, volleyball, softball and numerous group games.

The lower grades are primarily involved in games of low organization which teach such things as adherence to rules, teamwork, rhythms, and some skills. Some tumbling and square dancing is also done.

Indirectly, it is hoped certain attitudes will be achieved, such as a desire to be physically fit, a confidence in participation in different activities, social skills resulting from interaction, one with another, and most important of all, a sense of fair play.

Respectfully submitted,

KENNETH I. MOORE, Instructor

Regular meeting of the School District Committee every first and third Monday at King Philip Regional High School at 8:00 o'clock P. M. sharp.

Report of the Chairman

Each year new problems appear before your Committee which necessitate many hours of discussions before the Committee policy or course of action is determined.

Last year one problem was the beginning of collective bargaining with employees of the District. This problem continues this year in part because the State minimum salary requirement will be raised once again in September 1968. A basic difficulty with the bargaining process in the academic area is that only two parties out of at least four which are affected by the results take part in the negotiations. Neither the pupils being educated in the schools nor the taxpayers supporting the schools are directly represented. Specifically, it is up to both the Committee representatives and the Teacher Association representatives to remember the concern of these other parties. To date there is evidence which indicates these responsibilities are being carried out.

On the horizon now are two fast approaching problems. The State Board of Education has recently endorsed "guidelines" concerning minimum standard pupil-teacher ratios and adequate, unified school districts. It can be expected that your District Committee will soon be considering plans to implement these guidelines just as your local Committees are currently preparing public kindergarten plans.

I take this opportunity to thank all the members of the Committee for their active participation and regular attendance at our many sessions during the past year.

CHARLES F. WINTER, Chairman
King Philip Regional School
District Committee

Report of Superintendent of Schools

To The King Philip Regional School District Committee

Another busy year has rushed by and it is time for me to submit my third annual report.

The position of Superintendent becomes increasingly more difficult as the education of our youth increases in importance and as the accumulation of knowledge and technology demands an expansion of the curriculum. Rising costs of education compels the Superintendent to weigh carefully the expenditures of public funds and necessitates more adequate budget control. The State and Federal Government are also increasing the number of reports required and are asking for more detailed information. Our school population is also steadily increasing which necessitates an increase in staff with the resulting increase in expenditures.

Accomplishments

The year 1967 has seen the completion of the storage building which provides improved facilities to care for athletic equipment as well as maintenance equipment. It also enables us to have a much more adequate refreshment stand to assist the King Philip Chapter of the Scholarship Foundation at home football games. During the summer of 1967 we installed a Foreign Language Laboratory, a Reading Laboratory and a Listening Laboratory for the Business Department. These facilities permit the upgrading of our curriculum at the High School. These facilities will enable our professional staff to make better provisions for individual students. Again this year we have tried to complete as many maintenance projects at the High School as time and staff permitted.

A major accomplishment was our ability to open school in September with a full complement of teachers. Education is faced with manpower problems as is business and industry. The steadily increasing enrollment nationally, in our state, and locally necessitates your school committee and administrative staff to compete for the best qualified personnel available. A major portion of the Superintendent's time is consumed in interviewing and evaluating personnel.

One deficiency, which we have and have had for the past eighteen months, is the lack of a full custodial staff at the High School. This has been partially alleviated by part time help and by the existing staff working overtime.

Personnel

Again this year we are proud of our small staff turnover. We are also pleased at the favorable position which we have with college and university placement offices. During the year 1967 we lost 15 teachers of whom: 10 moved to other teaching positions, 1 to business and industry and 4 left for family reasons. In addition to replacing these staff members we have added 3 members to our professional staff at the King Philip Regional School-North and 5 at the King Philip Regional High School.

The year 1968 will see the addition of 3 teachers at the Junior High School in order to improve our reading program and to provide instruction in French for our 7th graders. At the High School we will also add 3 teachers—one for the reading program and additional staff members for our home economics and industrial arts program. These positions should enable us to provide an improved educational program for these students not planning on a post high school education.

We have been most fortunate to have on our staff this year as Fullbright Exchange Teachers Ram Hath Lall and Joseph Peter Fernandes. We know that this has been a most rewarding experience for our students and staff. We hope that it will have been an enriching and rewarding experience for them.

High School Maintenance

September of 1968 will begin the 12th year of operating the High School plant. As a result we are beginning to see the needs for major maintenance efforts. During this year we must accomplish some roofing repairs, pointing of brick work, resurfacing some of our road areas, and repainting a number of classrooms. In addition we hope to be able to replace the dishwashing machine and may be compelled to re-tube at least one of our three boilers.

The servicing agreement with the heating control company has provided for more efficient operation. An extensive number of defective parts were replaced by the control company during the summer.

King Philip Regional Vocational High School

The efforts of the Director, Preston I. Titus and his staff to provide a worthwhile skills training program continues and added cooperative educational programs with local business and industry increases its value to our students. This area of technical education all too often is overlooked by parents and students. We are fortunate to have this dedicated and conscientious faculty.

King Philip Regional High School

We are fortunate to have a concerned staff of professionals at our High School under the able leadership of Principal Charles L. Manos. Our High School program is constantly being weighed and evaluated by the High School faculty in order to best provide for the needs of our students.

Kin Philip Regional School—North

The new Junior High School is in its second year of operation. The young faculty under the leadership of Principal Paul B. Waaramaa is carefully reviewing the school program with a view to making it a most significant and effective phase of our educational program.

Closing

I wish to express my appreciation to the King Philip Regional School District Committee for their support and patience as they spend uncounted hours to provide a good educational program. Unfortunately, their efforts are all too often unrewarded and their only recognition occurs when complaints are heard.

I wish to express my appreciation to the faculty members of the King Philip Regional School District, both old and new, for their conscientious and dedicated efforts to meet the current and future needs of our boys and girls and especially for their patience and understanding during those many trying days when we have had to evacuate the school buildings.

It is also important to extend my personal thanks for the efforts of our custodial staff who do their best to maintain healthy and safe facilities which are most important to a good educational program.

This year I would be remiss if I failed to express my appreciation to the members of the police and fire departments for their patience and dedication to duty as they investigated the all too numerous bomb scares.

A special word of appreciation is extended to the Secretary and Treasurer of the School Committee and to the clerical staff in my office whose dedication and patience enables us to operate effectively. Only these people really undrstand thc complexities of operating an educational institution in 1967.

The 1968 Budget

Following is some data indicating comparisons with the 1967 Budget:

	1968	1967
Administration	2%	2%
Instruction	62%	60%
Other School Services	12%	13%
Operation and Maintenance	12%	12%
Fixed Charges	3%	2%
Acquisition Fixed Assets	1%	3%
Adult Education	1%	1%
Vocational Education	7%	7%
	100%	100%

The 1968 Budget represents an increase of 12.6% over the 1967 Budget.

Salaries comprise 74% and expenses 26% of the 1968 Budget compared to 73% for salaries and 27% for expenses in the 1967 Budget. Salaries in the 1968 Budget have increased 15.6% over 1967 and Expenses have increased 4.8%.

Report of the Principal
King Philip Regional High School

To: Mr. David W. Eaton, Superintendent, King Philip Regional School District

From: Mr. Charles L. Manos, Principal, King Philip Regional High School

Subject: Annual Report

Date: December 21, 1967

It is with pleasure that I submit the following report as the Principal of the King Philip Regional High School.

Organization

P. G.	1
Grade 12	178
Grade 11	204
Grade 10	220
Grade 9	244
	847

In the spring of 1962 the King Philip Regional High School was visited by an evaluation committee of the New England Association of Colleges and Secondary Schools. The report contained commendations, and recommendations for the school. Based upon the committe's recommendations, King Philip was voted a member of the regional association. During the past year, the principal filed a comprehensive report stating that the recommendations of the visiting committee had been fulfilled. After the annual meeting of the New England Association in December, 1967, a letter was received from Mr. Richard Bradley, Executive Secretary, stating that the report was satisfactory and that membership would be continued for another five-year period. Since evaluation is required every ten years, before 1972 another evaluation committee will be visiting King Philip.

A vital part if any school program is the program of studies. The

constant revision of this program is a cooperative effort involving all members of the faculty.

This year for the first time, we have offered Creative Writing as an elective course in the senior year. We have also expanded to the junior year, the recently adopted business English program. The vocabulary program utilized effectively in grades 10-11-12 is showing fine results. We hope to expand it to grade 9 next year.

The language department has now completed the transition to the audio-lingual approach for all modern foreign languages. The installation of our fine language laboratory has aided tremendously in the proficiency of the students in their second or even third languages. During the summer ten of our students, together with the foreign language department chairman, Mrs. William Wallace, studied in France at the Foreign Language School in Caen. This helped them prepare for the French V course offered for the first time this fall.

A new listening laboratory in the busines department has proved to be a valuable teaching aid for the students. It is enabling students to progress faster with a higher degree of proficiency in shorthand and typing. King Philip moved into the "machine processing" age, with the delivery of an 026 key punch. Notehand for college bound students was coupled with typing to give these students new skills to assist them in college.

One of the highlights of the school year was the annual Fashion Show conducted by the staff and students of the Home Economics Department.

We are proud of our art department and its work in a variety of media. Their attractive "stained-glass" panels adorning the room directly over the main entrance were the center of our Christmas display this year.

Fifty-nine students from the King Philip Regional High School competed in the annual National Merit Scholarship Qualifying Test. Sixteen percent scored higher than 90% of the students in the United States taking the test. Two students, Catherine Langley and Robert Croswell, scored in the 99 percentile and qualified as finalists in the quest for national scholarships. Six students in the top 5% received letters of commendation from the National Merit Scholarship Corporation:

Peter D. DaVia	Stephen C. Greene
Paula DeLaiarro	Raymond E. Knowles
Diane D. Doiron	Patricia M. O'Brien

The Cooperative testing program is utilized by the English, Mathematics, Science and Social Studies departments in cooperation with the Guidance department. Results of these examinations are used to assist in student grouping and counseling. Item analyses are available with these tests so that department chairmen may evaluate their programs.

For the first time a course in industrial design was offered to students interested in the graphic arts. Two representatives of the groups were selected as finalists in the annual technical drawing competition sponsored by the Mass. Technical Drawing Teachers Association.

The King Philip Regional High School faculty was pleased and proud to welcome as a member of its faculty, a Fullbright Scholar, Mr. Ram Nath Lall from the Sainik School, Tilaiya, Bihair, India, where he was the chairman of the mathematics department.

The reading program made rapid forward strides this year with the installation of a new well-equipped reading laboratory. With the advent of this new facility, students may now work at their own, individual, pace. A summer reading program was inaugurated at the King Philip Regional School-North covering all regional school students.

Mrs. Charles Bailey and Mrs. Howard Davis, secretaries in the general office and in the guidance department, together with Mrs. Earl Waldron contribute a tremendous service to our school through their efforts. They truly have a gigantic task of compiling reports, maintaining registers, preparing transcripts, assisting teachers and answering questions from hundreds of students and parents each day.

Although we have been short of custodial help this fall, the staff under the direction of Mr. Clayton Cummings has performed untiringly to provide us with the very best custodial services.

We continue to "eat like kings" in our fine cafeteria, operated so efficiently by Mr. Julius Candela and his fine staff.

A great deal of credit is due Mr. Raymond Hill and his 84 member marching band for their outstanding performance this year. These young men and women add enthusiasm and spirit for our spectators at assemblies and at sporting events.

The health program has functioned efficiently and effectively at King Philip under the direction of Miss Margaret Keady. Students are

carefully screened for potential problems by means of physical examinations, and vision and hearing tests.

In conjunction with our health program, 9th, 10th, and 11th grade students are participating in a dental rinse program sponsored by the B. U. Graduate School of Dentistry.

I have been extremely pleased with the performance and devotion to duty of all members of the school staff. It is vital that all concerned cooperate fully, if a school is to function successfully.

The efficient operation of the guidance staff, under the capable direction of Mr. Francis X. O'Regan, has been of great assistance to all staff members and to me. Many thanks to Mr. Walter White, my capable assistant, for his excellent work during the past school year. He works diligently at all times for the benefit of the King Philip Regional High School.

My sincere thanks to the members of the regional school committee and to Mr. David Eaton, Superintendent of the Regional School District, and to all of the staff at the King Philip Regional High School.

Respectfully submitted,

CHARLES L. MANOS,

Principal

Report of the Principal
King Philip Regional School — North

To: Mr. David W. Eaton, Superintendent, King Philip Regional School District

From: Mr. Paul B. Waaramaa, Principal, King Philip Regional School-North

I hereby submit my second annual report as Principal of King Philip Regional School-North.

The School opened, for its second year, on September 6, 1967. The student body numbered 250 seventh graders and 284 eighth graders. The Staff is made up of 2 Administrators, 2 Guidance personnel, 28 Teachers (an increase of two over last year), a Librarian, a Nurse, a Speech Therapist, 3 Secretaries, 4 Custodians, a Matron, a Cafeteria Manager, and 11 Kitchen personnel.

The names of those Teachers who either were added to the Staff or filled vacancies are as follows: Mrs. Mary Andrews, Girls' Physical Education Teacher; Mr. Robert Clorite, Science Teacher; Mr. Dana D'Amour, Boys' Physical Education Teacher; Mrs. Christine Davis, English Teacher; Mr. Joseph Fernandes, Science Teacher; Mr. Vincent Galiano, Science Teacher; Mr. Robert Goldberg, Social Studies Teacher; Mr. Joseph Hamel, Science Teacher; Mr. David Hasenfus, Wood Shop Teacher; and Miss Sally Pariseau, Home Economics Teacher.

It is appropriate here to single out Mr. Joseph Fernandes who is teaching 7th Grade Science for us this year. Mr. Fernandes is a native of India and has come to us under the auspices of the Fullbright Teacher Exchange Program. While it is Mr. Fernandes' job to learn about the American Educational System, I feel that the student body, as well as the Staff, have learned a lot from this fine young man.

The goals that were defined in last year's report have been partially accomplished. We now have a new Science Curriculum. The Introductory Physical Science Course now being offered to eighth graders is both interesting and educational. Its premise, that students must perform, in the classroom, experiments which promote learning in Science, fits our educational concepts.

Another major Curriculum change has been the expansion of our Modern Mathematics offering. Every student who is ready for Modern Mathematics is now receiving this instruction.

Other goals that were planned last year and are well on their way this year are: Television in the classrooms (two sets have been installed in the building); and an expansion of our Intramural Sports Program (we now offer twelve different sports to boys and girls during the school year).

One goal of last year was not accomplished—that was a revised report card. It will therefore be entered as a goal for next year.

Future Plans:

It often seems that the middle child in a family is neglected while parents' love and care is centered on the older and younger children. We intend to see that this school, which stands between the elementary schools and the high school, does not receive the same treatment. Our solution is to define new goals each year for this school and reach them. The goals for 1968 are as follows:

1. A new English Curriculum.
2. A revised report card.
3. The adaptation of a modular scheduling system.
4. The addition of French to the seventh graders Curriculum.
5. An expansion of the Co-curricula Program.

Statement:

Several citizens have asked me if they could be proud of this school. My answer is a definte, Yes. You can be proud that you had a part in building the first Regional Junior High in the State of Massachusetts. You can be proud of the fact that this school fits the curriculum to the needs of each individual child and not the other way around. You can be proud that this school will continue to examine the pressures put on adolescents: for example, tradition, winning athletic teams, provincialism; and then reduce them or eliminate them according to their value and their importance. Last, you can be proud of the fact that this school will always attempt to blend the best parts of traditional education with the best parts of the new innovations to accomplish our major goal of turning out intelligent students.

In closing, I want to thank the School Committee, the Teaching Staff, the Custodial Staff, the Cafeteria Staff, the School Secretaries, the Townspeople, and you, Mr. Eaton, for all the cooperation and friendliness shown me during these past 12 months.

PAUL B. WAARAMAA, Principal

Report of the King Philip Regional Vocational High School

In June 1967 there were eleven graduates from the Vocational High School. There were seven students graduating from the carpentry division and four from the machine shop division. One of the machine shop graduates is preparing for college and is enrolled in the King Philip Regional High School as a post graduate student. All of the remaining graduates, both carpentry and machine, are employed in the field of work for which they have been trained.

The Vocational School enrollment as of October 1, 1967, was one hundred and five. There were eighty-seven boys and eighteen girls. The eighteen girls are in the High School Vocational Home Economics program.

On Sunday, June 11, 1967, there was an open house held at the seventh new home that has been completed by the carpentry students. This year the new home was built for Mertice and Annie Forsyth and is located at 264 South Street in Wrentham, Mass.

The open house was well attended and there were, as usual, many favorable comments in regard to the workmanship of the students as well as to the program in general.

At the present time the two advanced carpentry classes are well on the way to construction of the next new home. This home, when completed, will make a total of eight that have been constructed in the regional district by the carpentry students in conjunction with the school building program.

In September, the first and second year carpentry students built a press box in back of the bleachers on the football field. The press box is a small building that sits about twenty feet above the ground and allows newspaper reporters and camera men to have a full unobstructed view of the entire field. After building the press box the students continued their training in the shop. The freshmen began training in the use of hand tools, and the sophomores in using both hand and power tools.

While in the shop, the students receive their training by building cabinets, bookcases, tables and many other numerous small jobs. The work is done for the area's schools, municipal departments, churches, charitable organizations and the general public. The work done by the students for the schools and municipal departments represents a sizable savings in dollars to the taxpayer in the district.

The machine shop students receive their training in a similar manner by making many different kinds of machine tools and replacement parts for school equipment, etc. The machine tools that the students make may be purchased by the students for the cost of the material used. This makes it possible for a student to collect many valuable machinist's tools during his training time. By the time a student graduates he is able to accumulate a fairly complete set of machinists' tools at a fractional cost of their value.

From the beginning of the Vocational Education program at King Philip it has been recommended each year by this office to make help available for the vocational students with severe reading problems. This year, by taking advantage of Public Law 88-210 of the Vocational Education Act, it was made possible to include a reading program as part of the Vocational School curriculum.

There are two classes being held each school day. One period is provided for developmental reading. One period each day after the regular school day is devoted to a clinical type reading class. All materials and the teacher's salary for the after school sessions is being paid for with federal funds. A testing program is being used to determine the amount of improvement made by the students. It is hoped that this program may be continued.

The school is still continuing with the co-operative programs. As to date there are twelve different companies representing either building construction or the machinist trade. Some of the students are employed in each of the different programs. These students attend the school classes for one week to receive instruction in their academic and related subjects. The second week the students are employed by the co-operating concerns where they receive practical shop experience. The student's progress is watched very closely. If at any time he falls behind in his classroom work, or if he is not receiving the proper variety of training on the job, then he will be returned to the school on a full time basis.

Some of the co-operating industries have apprentice training programs so that it is possible for a vocational school graduate to continue with his training after graduation.

The Norfolk Bristol County Regional Vocational Technical School Planning Board that formed in March 1966 has been meeting regularly. An agreement has been reached and signed by all members. There will be a brochure compiled explaining the whole program in detail. This brochure will be mailed to every resident in the towns that are included in the region. Some time in the future it will be presented to the people at a town meeting for them to decide if they wish to support this school.

The Vocational Director and staff would like to thank the School Committee, and Superintendent, David Eaton, for their cooperation and understanding, and we will continue to do our best to serve the youth in this area.

Respectfully submitted,

PRESTON I. TITUS, Director

Adult Education Yearly Report

This year the enrollment in the evening program nearly doubled. There are approximately six hundred adults attending evening classes.

This year because of increased enrollment the facilities of both the King Philip Regional High School and the King Philip Regional School North are being used. Classes are in session four evenings each week.

This year great effort was expended to find out what kind of courses were desired. This was accomplished by circulating questionnaires in the regional towns. There was a new advisory board for adult education appointed. This new advisory board was instrumental in the increased enrollment.

The evening classes are divided into four categories and each include the following courses:

1. Vocational Evening Trade Extension: These courses are for those who are employed at the trade but wish to learn more about it and become more proficient. The courses being held are machine shop practice, which is held for 120 hours; and machine shop blueprint reading and math, which is held for 80 hours

2. Vocational Practical Arts: These courses are designed to help people in home making and a more satisfying use of leisure time. Classes being held are in beginning and advanced sewing, rug braiding, knitting, rug hooking, tailoring, decorative painting, floral craft and decorations, ceramics and pottery, foods (party refreshments), and slip covers and draperies. All the practical arts classes are in session for 60 hours.

3. Vocational Apprenticeship: A course is being held for apprentice machinists. This course is for men who are serving an apprenticeship or learning a trade, and is held for 150 hours each year and the complete course covers four years. The course gives training in math, science, blueprint reading, and trade history related to the trade.

4. Academic Classes: The classes being held this year are in English, history, typing I and II, bookkeeping, office machines, speedwriting, algebra I and II, psychology, and painting, and sketching. All of the listed courses are being held for 40 clock hours.

Additional courses being offered in January 1968 are income tax returns, safe boating, foods (party refreshments) and golf. All of these courses will be for 20 hours except safe boating. The safe boating course will run for six two hour weekly sessions.

Several of the academic courses are offering credits that are acceptable to the State Department of Education, Division of University Extension, and may be applied toward a state high school diploma.

The King Philip Regional District will continue to offer educational courses to the many adults in the area who wish to continue their education.

Respectfully submitted,

PRESTON I. TITUS, Director

Report of the Director of Guidance

The year 1967 has been a rewarding year for the members of the Guidance Department in that many of our goals for guidance in the district have been realized.

High School

The counseling service, which is considered to be the prime function of the Guidance Department, is a continually expanding operation. During 1967 there have been nearly 2,400 individual conferences with students, parents, teachers, and other interested parties at the high school level. These conferences have covered a wide field; for example, educational planning, occupational planning, financial and scholarship aid, study habits, planning high school courses, school adjustment, attendance, and others too numerous or individualistic to mention.

The school consultation program is in its second year of operation. Mr. Willis Scott, Mental Health Coordinator from the Leslie B. Cutler Guidance Clinic in Norwood, has met frequently with administrators, counselors, school nurses, teachers, speech therapist, and other members of the faculty concerning student problems. Over forty (40) individual problems have been discussed with Mr. Scott and other interested school members.

Thirty-one (31) representatives of colleges and institutions of higher learning have visited the high school to meet with counselors and students in order to explain the educational offerings of their school. The members of the Guidance Department have traveled extensively in the past year visiting institutions of higher education and business firms. A number of business firms visited the high school this past year, both individually and through the Northeastern University Career Information Center.

The Cooperative Test series was expanded this year to include the science and social studies departments. This program now provides test data in four academic areas, the two previously mentioned, and English and mathematics. This program is an important part of the school evaluation system because it allows the student the opportunity to evaluate himself in various areas of study with other students throughout the country. In addition, it provides the department heads an opportunity to investigate their cumular offerings and assess the students' particular strengths and weaknesses. Statistical reports are prepared comparing

the progress of each class year by year. These reports are an invaluable educational aid for the District's administrators.

Sixty-eight (68%) percent of the Class of 1967 went on to further education and it now appears an equal number of the Class of 1968 will also attend some institution of higher education. This necessitates a drastic increase in clerical work in the guidance office. This year, 1,102 transcripts of marks, Midyear and Final transcripts have been sent to schools. In addition, many employers are now seeking a more comprehensive report of high school achievement for job candidates.

Many of the graduates of the high school and adults within the region are utilizing counseling services in the high school. The major area of interest for these people is furthering their education or seeking information on financial aid sources that enable them to continue their education.

Junior High School

The Guidance Department at the seventh and eighth grade level has been equally busy in the past year. The two counselors have had nearly 1,800 conferences with students, parents, and teachers. Although eighth grade students are regularly seen three times per year, and seventh grade students twice per year, many students are seen on a more frequent basis because of academic failure and/or social-emotional maladjustment. It has been the experience of the counselors at the junior high school that the largest part of their counseling time is needed by students with personal and social problems. This is a fact because of the age of these students and the physical and emotional maturation process that these young people are experiencing.

Another area of great challenge to the junior high school counselor and to the parents of children this age is planning their high school program in order to prepare them for either future education or the world of work.

A significant change in the testing program at the junior high level was instituted in the past year. The Iowa Test of Basic Skills was administered to both grades seven and eight. This instrument tests the students in the following areas: Vocabulary, Reading, Languages, Work Study Skills, Arithmetic.

This test program will also be of value to the student in assessing his strengths and weaknesses, planning his future education, and assisting the counselors in recommending remedial instruction. Statistical and

informational reports will be prepared and explained to teachers and administrators. The Iowa Test provides an item analysis which enables the faculty to assess their particular strengths and weaknesses.

Drop-Out Study

A tally and classification of school leavers at the junior and senior high schools during the twelve month period ending October 1, 1967 are as follows:

		Boys	Girls
1.	Was not interested in school	3	2
2.	Preferred to work	0	3
3.	Failing	0	0
4.	Financial reasons	0	0
5.	Ill Health	1	1
6.	Marriage	0	6
7.	Disliked certain subject or teacher	0	0
8.	Parents wanted pupil to leave school	0	0
9.	Entered Armed Forces	2	0
10.	Other	0	0
11.	Unknown	0	0
		6	12

By Grade:

Grade 7		Grade 8		Grade 9		Grade 10		Grade 11		Grade 12	
B	G	B	G	B	G	B	G	B	G	B	G
0	0	0	0	1	1	2	4	2	3	1	4

Local statistics indicate that for this period the King Philip Regional School District has a drop-out rate of 1.2%, wth 98.8% of the school population remaining in school. This is the third consecutive year that the drop-out rate has remained below the 2% level.

Follow-Up — Class of 1966

Summary	
Received Higher Education	51.63%
Employed	32.68
Home	2.62
Armed Services	11.76
Unemployed	1.31

Educational and Vocational Placement

Colleges and Universities	26.22%
Junior Colleges	3.66
Nursing Schools	.61
Secretarial/Business	6.09
Technical Schools	8.54
Preparatory Schools	.61
Beauty Culture Schools	1.22
Art Schools	1.22
Armed Services	12.18
Employed	32.93
Married—employed	3.05
Married—at home	2.45
Unemployed	1.22

The Director of Guidance has also been active in professional activities in the past year, serving as membership chairman of the Massachusetts School Counselors Assocation and a second term on the Board of Directors of the same organization.

The cooperation of the school administrators has been outstanding and the continued support and assistance of Mr. David W. Eaton, Superintendent of Schools, assures the continued growth and improvement of the guidance services of our school district.

Annual Report

of the

SELECTMEN

BOARD OF WELFARE

and

BOARD OF HEALTH

of the

TOWN OF PLAINVILLE

MASSACHUSETTS

For the Year Ending December 31, 1967

Report of the Board of Selectmen

To the Citizens of Plainville:

We, the Selectmen of the Town of Plainville, herewith submit our report for the year ending December 31, 1967.

The Board of Fire Engineers requested that the Town Highway Department personnel attend daytime fires as regular call men, due to the manpower shortage of firemen during the daytime hours. This request was granted and the highway department personnel gave the Town added fire protection.

The heavy snow storm of February 7, 1967 caused the postponement of the scheduled special town meeting to February 13, 1967.

The Plainville Civic Association sponsored a band concert at the Clarence E. Telford Memorial Park. It is the hope of the Board of Selectmen that these fine concerts continue, as it brings much enjoyment to the townspeople. About 1500 people attended the concert held on August 10, which featured the first Naval Band of Boston.

The introduction of new treasury warrants for the various town departments, showing running balances, proved to be of great value to the Board of Selectmen and the Finance Board.

The Board of Selectmen wish to thank the Town departments and the Townspeople for their fine support.

Respectfully submitted,

LeROY B. WILSON, Chairman

RAYMOND V. MILLER

ROBERT E. LOEW

Board of Health Report

To the Citizens of Plainville:

We herewith submit our report for the year ending December 31, 1967.

During the past year the Board of Health licensed another sanitary pumping service, which should give the townspeople added service.

A Measles Clinic was held on January 26, 1967 and was very successful.

Once again the Board would like to call upon the parents to notify this Board regarding communicable diseases.

The Board of Health has on file the following list of dangerous diseases:

Dog Bites	14
Mumps	2
Scarlet Fever	4
German Measles	2

A new town ambulance was received and put into operation in November at a total cost of $7,000.00 equipped. This figure was a transfer from the receipts of the ambulance service since 1961.

Many sanitary complaints were received during the year and sanitary investigations were conducted by Putnam Steele, Sanitary Inspector. The Board's thanks go to Mr. Steele for a job faithfully performed.

The Board of Health would like to thank the Department heads and the townspeople for their fine support during the year.

Respectfully submitted,

LeROY B. WILSON, Chairman

RAYMOND V. MILLER

Report of Agent for Board of Selectmen

To the Honorable Board of Selectmen

Gentlemen:

As Agent for the Board of Selectmen, I herewith submit my report for the year ending December 31, 1967.

I have made my investigations regarding violations to the Zoning By-Laws. These were in relation to trailers, the keeping of horses illegally, junk, multiple dwellings, and annual inspections of the restaurants and clubs before issuance of licenses for 1968.

I wish to thank the Board of Selectmen and all Town Officials for their help and also the townspeople for their excellent co-operation.

Respectfully submitted,

CLINTON E. BARTON, SR.

Selectmen's Agent

WARRANT

For

Annual Town Meeting

1968

WARRANT

FOR ANNUAL TOWN MEETING

Monday, March 4, 1968

THE COMMONWEALTH OF MASSACHUSETTS

Norfolk, ss.

To Either of the Constables of Plainville:

Greetings:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Plainville qualified to vote in Town affairs, to meet in the Elementary School Auditorium, South Street, in said Plainville on

MONDAY, THE FOURTH DAY OF MARCH 1968 A.D.

at eight o'clock in the forenoon, then and there to act on the following articles viz:

ARTICLE 1. The following Town officers to be chosen by ballot viz: One Town Clerk, one Auditor, one Moderator, one Tree Warden; and three Constables for one year. One Selectman, Board of Health and Welfare; One Assessor, one Tax Collector, one Town Treasurer, one Water Commissioner, one Trustee of the Public Library, one Park Commissioner and two members of the School Committee for three years. Three members of the Finance Committee for three years, one member of the Finance Committee for one year. One member of the Planning Board for five years.

For this purpose the polls will open at eight o'clock in the forenoon and shall be closed at eight o'clock in the evening.

For the consideration of all other Articles in this Warrant the meeting shall stand adjourned to the Third Monday in March at 7:30 P.M. in the Auditorium of the Plainville Elementary School on South Street in said Town.

ARTICLE 2. To choose all other necessary Town Officers not named in Article 1 for a term of one year.

ARTICLE 3. To consider and act on the reports of the Selectmen, Treasurer and and other Town Officers.

ARTICLE 4. To see if the Town will vote to accept the provisions of Chapter 81 of the General Laws.

ARTICLE 5. To see if the Town will vote to fix the salary and compensation of all elective officers of the Town as provided by Section 108 of Chapter 41, General Laws, as amended, as follows:

	Appropriated 1967	Requested 1968
Moderator	$25.00 each meeting	$25.00 each meeting
Town Clerk	650.00 per year	950.00 per year
Town Treasurer	1,500.00 per year	2,000.00 per year

PW-4	100.00	105.00	110.00	115.00
PW-3	95.00	100.00	105.00	110.00
PW-2	90.00	95.00	100.00	105.00
PW-1	80.00	85.00	90.00	95.00
PS-4	110.00	117.50	125.00	132.50
PS-3	105.00	112.50	120.00	127.50
PS-2	100.00	107.50	115.00	122.50
PS-1	75.00	80.00	85.00	90.00
S-1	135.00	140.00	147.50	155.00

by 10%, said increased rates to be effective with the first pay period commencing on April 1, 1968, or do or act in any manner relative thereto. (⅔ vote required)—(A Petition)

ARTICLE 8. To see if the Town will vote to have the surety bonds of the Collector of Taxes, Treasurer, Town Clerk, Secretary of the Water Department and Clerk of Selectmen placed with a fidelity or guarantee company, and appropriate the sum of $465.00 to pay for same, or do or act in any manner relative thereto.

ARTICLE 9. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1969, and to issue a note or notes therefore, payable within one year and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44 General Laws, or take any action relative thereto.

ARTICLE 10. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, the sum of $15,000.00 for a Reserve Fund to provide for the extra-ordinary unforeseen expenses, as authorized by Section 6, Chapter 40, General Laws, or do or act in any manner relative thereto.

ARTICLE 11. To see if the Town will vote to accept the provisions of Chapter 90 of the General Laws, and raise and appropriate, transfer from unappropriated available funds in the Treasury, or borrow, the sum of $6,050.00, and if by borrowing to authorize the issuance of bonds or notes of the Town therefor; or do or act in any manner relative thereto. (⅔ vote required)

ARTICLE 12. To see if the Town will vote to raise and appropriate, transfer from unappropriated available funds in the treasury, or borrow, the sum of $14,650.00 for Chapter 81 Highways, and if by borrowing to authorize the issuance of bonds or notes of the Town therefor; or do or act in any manner relative thereto. (⅔ vote required)

ARTICLE 13. To see if the Town will vote to raise and appropriate, transfer from unappropriated available funds in the treasury, or borrow, the sum of $12,050.00 for Chapter 90 Highway Construction, to continue the laying out and construction on Messenger Street; and if by borrowing to authorize the issuance of bonds or notes of the Town therefor; or do or act in any manner relative thereto. (⅔ vote required)

ARTICLE 14. To see if the Town will vote to raise and appropriate or transfer from available funds in the treasury, the sum of $2,650.00 for permanent road construction on George Street, from Wampum Street to the Wrentham Town Line, or do or act in any manner relative thereto.

ARTICLE 15. To see if the Town will vote to raise and appropriate or transfer a sum of money for the purchase of a new truck for the Highway Department, or do or act in any manner relative thereto.

ARTICLE 16. To see if the Town will vote to raise and appropriate the sum of $29,500.00, for carrying on the different categories of Welfare, or do or act in any manner relative thereto.

ARTICLE 17. To see if the Town will vote to raise and appropriate the sum of $1,000.00 for the Conservation Fund, to be used by the Conservation Commission for Conservation Purposes, including the purchase of land, or do or act in any manner relative thereto.

ARTICLE 18. To see if the Town will vote to raise and appropriate or transfer a sum of money to pay the Water Department over-draft, $2,012.91, or do or act in any manner relative thereto.

ARTICLE 19. To see if the Town will vote to raise and appropriate the sum of $1,294.11, or any other sum, for the control of insects and Dutch Elm Disease, $594.11 for Insect Pest Control and $700.00 for Dutch Elm Disease, as provided by Chapter 657, Acts of 1956, and to be expended under the direction of the Moth Superintendent, or do or act in any manner relative thereto.

ARTICLE 20. To see if the Town will vote to raise and appropriate the sum of $15,000.00, to make repairs on Extension of Maple Street or Martin Lane, in accordance with the provisions of Section 6H of Chapter 40 of the General Laws, or take any action relative thereto. (A Petition)—(⅔ vote required)

ARTICLE 21. To see if the Town will vote to raise and appropriate or transfer the sum of $5,000.00 or any other sum, to the Fire Department Apparatus Fund, or do or act in any manner relative thereto.

ARTICLE 22. To see if the Town will vote to raise and appropriate or transfer from available funds in the treasury, the sum of $25,000.00 for the Stabilization Fund, under authority of Chapter 40, Section 5B of the General Laws, or do or act in any manner relative thereto.

ARTICLE 23. Shall the town vote to extend contributory group hospital, surgical and medical insurance to elderly persons retired from the service of the town and to their dependents with fifty per cent of the premium cost, a portion of the administrative expense and the payment of a surcharge or subsidiary rate to be paid by the town?, or do or act in any manner relative thereto.

ARTICLE 24. To see if the Town will vote to raise and appropriate or transfer the sum of $270.48, or any other sum, to pay 1967 Park Department bills, or do or act in any manner relative thereto.

ARTICLE 25. To see if the Town will vote to change the zoning applicable to the following described parcel or tract of land from its present Zoning District RC as defined in the Town Zoning By-Laws to Zoning District CB as defined in the Town Zoning By-Laws, or do or act in any manner relative thereto:—That certain parcel of registered land, together with the buildings and improvements thereon, situate in

Plainville in the County of Norfolk and the Commonwealth of Massachusetts, bounded and described as follows:—Northerly by the Southerly line of East Bacon Street, 65.30 feet; Easterly by land now or formerly of Sarah Perrin, 199.45 feet; Southerly by land now or formerly of Cronin & Swift Land Company, 60.80 feet; and Westerly by land now or formerly of Earl B. Thompson, 199.24 feet. All of said boundaries are determined by the Land Court to be located as shown on a plan drawn by A. Schuyler Clapp, Civil Engineer, dated June 5, 1920, as approved by said Court, filed in the Land Registration Office as No. 7750A, a copy of a portion of which is filed in Norfolk Registry District with Certificate No. 5058, Vol. 26. (A Petition)—(⅔ vote required)

ARTICLE 26. To see if the Town will vote to install street lights at the following locations, and raise and appropriate a sum of money to pay for same:

One street light corner Garfield and South Streets

One street light at Plainville Park Pool

One street light at St. Martha's Church Driveway, South Street.

or do or act in any manner relative thereto.

ARTICLE 27. To see if the Town will vote to raise and appropriate or transfer from Available funds in the Treasury, the sum of $250.00 to purchase a new stretcher for the Town Ambulance. This stretcher is to replace one that is not usable. Or do or act in any manner relative thereto.

ARTICLE 28. To see if the Town will vote to transfer a sum of money from the "Sale of Land Account" to be expended under the direction of the Board of Selectmen, to make a portion of the Garford Building suitable for storage purposes, or do or act in any manner relative thereto.

ARTICLE 29. To see if the Town will vote to declare:—

A. That an industrial development financing authority is needed in the Town.

B. (1) That unemployment and the threat thereof exists in the Town of Plainville or (2) that security against future unemployment and lack of business opportunity can be provided, by attracting new industry to the Town or substantially expanding industry existing in the Town through an industrial development project or projects financed under Chapter 40D of the General Laws.

And further that the Board of Selectmen appoint a board of five directors to serve for terms of one, two, three, four and five years, respectively, measured in each case from the April first next following their original appointment, as provided for by Chapter 772 of the Acts of 1967, or do or act in any manner relative thereto.

ARTICLE 30. To see if the Town will vote to amend Article III of the Town By-Laws to have Section 2 become Section 1 and to add a new Section 2 to read as follows:

Section 2. The term of office of the committee members shall begin at the organization meeting following their election and shall continue until the close of the annual town meeting nearest the end of the term fixed by law, or do or act in any manner relative thereto. (⅔ vote required.)

ARTICLE 31. To choose any committee and hear the report of any committee and act thereon.

And you are directed to serve this Warrant by posting copies thereof in seven (7) public places in said Town, seven (7) days at least before the time of holding said meeting.

Hereof, fail not, and make due return of the Warrant with your doing thereon, to the Town Clerk at or before the time and place of said meeting as aforesaid.

Given under our hands this thirteenth day of February in the year of our Lord one thousand nine hundred and sixty-eight.

Annual Report

of the

TOWN CLERK

of

PLAINVILLE, MASSACHUSETTS

For the Year Ending December 31, 1968

OFFICE OF TOWN CLERK

Town of

Plainville, Massachusetts

March 22, 1968

To: Bessie Barton of said Plainville:

Dear Madam:

By virtue of the authority in me vested, with full power of revocation, I do hereby appoint you Assistant Town Clerk of said Plainville, with all powers, duties and authority appertaining to said office.

AUSTIN F. GRANT,

Town Clerk

WARRANT
FOR ANNUAL TOWN MEETING

Monday, March 4, 1968

THE COMMONWEALTH OF MASSACHUSETTS

Norfolk, ss.

To Either of the Constables of Plainville:

Greetings:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Plainville qualified to vote in Town affairs, to meet in the Elementary School Auditorium, South Street, in said Plainville on

MONDAY, THE FOURTH DAY OF MARCH 1968 A.D.

at eight o'clock in the forenoon, then and there to act on the following articles viz:

ARTICLE 1. The following Town officers to be chosen by ballot viz: One Town Clerk, one Auditor, one Moderator, one Tree Warden; and three Constables for one year. One Selectman, Board of Health and Welfare; One Assessor, one Tax Collector, one Town Treasurer, one Water Commissioner, one Trustee of the Public Library, one Park Commissioner and two members of the School Committee for three years. Three members of the Finance Committee for three years, one member of the Finance Committee for one year. One member of the Planning Board for five years.

For this purpose the polls will open at eight o'clock in the forenoon and shall be closed at eight o'clock in the evening.

For the consideration of all other Articles in this Warrant the meeting shall stand adjourned to the Third Monday in March at 7:30 P.M. in the Auditorium of the Plainville Elementary School on South Street in said Town.

ARTICLE 2. To choose all other necessary Town Officers not named in Article 1 for a term of one year.

ARTICLE 3. To consider and act on the reports of the Selectmen, Treasurer and and other Town Officers.

ARTICLE 4. To see if the Town will vote to accept the provisions of Chapter 81 of the General Laws.

ARTICLE 5. To see if the Town will vote to fix the salary and compensation of all elective officers of the Town as provided by Section 108 of Chapter 41, General Laws, as amended, as follows:

	Appropriated 1967	Requested 1968
Moderator	$25.00 each meeting	$25.00 each meeting
Town Clerk	650.00 per year	950.00 per year
Town Treasurer	1,500.00 per year	2,000.00 per year

S-1	135.00	140.00	147.50	155.00

by 10%, said increased rates to be effective with the first pay period commencing on April 1, 1968, or do or act in any manner relative thereto. (⅔ vote required)—(A Petition)

ARTICLE 8. To see if the Town will vote to have the surety bonds of the Collector of Taxes, Treasurer, Town Clerk, Secretary of the Water Department and Clerk of Selectmen placed with a fidelity or guarantee company, and appropriate the sum of $465.00 to pay for same, or do or act in any manner relative thereto.

ARTICLE 9. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1969, and to issue a note or notes therefore, payable within one year and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44 General Laws, or take any action relative thereto.

ARTICLE 10. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, the sum of $15,000.00 for a Reserve Fund to provide for the extra-ordinary unforeseen expenses, as authorized by Section 6, Chapter 40, General Laws, or do or act in any manner relative thereto.

ARTICLE 11. To see if the Town will vote to accept the provisions of Chapter 90 of the General Laws, and raise and appropriate, transfer from unappropriated available funds in the Treasury, or borrow, the sum of $6,050.00, and if by borrowing to authorize the issuance of bonds or notes of the Town therefor; or do or act in any manner relative thereto. (⅔ vote required)

ARTICLE 12. To see if the Town will vote to raise and appropriate, transfer from unappropriated available funds in the treasury, or borrow, the sum of $14,650.00 for Chapter 81 Highways, and if by borrowing to authorize the issuance of bonds or notes of the Town therefor; or do or act in any manner relative thereto. (⅔ vote required)

ARTICLE 13. To see if the Town will vote to raise and appropriate, transfer from unappropriated available funds in the treasury, or borrow, the sum of $12,050.00 for Chapter 90 Highway Construction, to continue the laying out and construction on Messenger Street; and if by borrowing to authorize the issuance of bonds or notes of the Town therefor; or do or act in any manner relative thereto. (⅔ vote required)

ARTICLE 14. To see if the Town will vote to raise and appropriate or transfer from available funds in the treasury, the sum of $2,650.00 for permanent road construction on George Street, from Wampum Street to the Wrentham Town Line, or do or act in any manner relative thereto.

ARTICLE 15. To see if the Town will vote to raise and appropriate or transfer a sum of money for the purchase of a new truck for the Highway Department, or do or act in any manner relative thereto.

ARTICLE 16. To see if the Town will vote to raise and appropriate the sum of $29,500.00, for carrying on the different categories of Welfare, or do or act in any manner relative thereto.

ARTICLE 17. To see if the Town will vote to raise and appropriate the sum of $1,000.00 for the Conservation Fund, to be used by the Conservation Commission for Conservation Purposes, including the purchase of land, or do or act in any manner relative thereto.

ARTICLE 18. To see if the Town will vote to raise and appropriate or transfer a sum of money to pay the Water Department over-draft, $2,012.91, or do or act in any manner relative thereto.

ARTICLE 19. To see if the Town will vote to raise and appropriate the sum of $1,294.11, or any other sum, for the control of insects and Dutch Elm Disease, $594.11 for Insect Pest Control and $700.00 for Dutch Elm Disease, as provided by Chapter 657, Acts of 1956, and to be expended under the direction of the Moth Superintendent, or do or act in any manner relative thereto.

ARTICLE 20. To see if the Town will vote to raise and appropriate the sum of $15,000.00, to make repairs on Extension of Maple Street or Martin Lane, in accordance with the provisions of Section 6H of Chapter 40 of the General Laws, or take any action relative thereto. (A Petition)—(⅔ vote required)

ARTICLE 21. To see if the Town will vote to raise and appropriate or transfer the sum of $5,000.00 or any other sum, to the Fire Department Apparatus Fund, or do or act in any manner relative thereto.

ARTICLE 22. To see if the Town will vote to raise and appropriate or transfer from available funds in the treasury, the sum of $25,000.00 for the Stabilization Fund, under authority of Chapter 40, Section 5B of the General Laws, or do or act in any manner relative thereto.

ARTICLE 23. Shall the town vote to extend contributory group hospital, surgical and medical insurance to elderly persons retired from the service of the town and to their dependents with fifty per cent of the premium cost, a portion of the administrative expense and the payment of a surcharge or subsidiary rate to be paid by the town?, or do or act in any manner relative thereto.

ARTICLE 24. To see if the Town will vote to raise and appropriate or transfer the sum of $270.48, or any other sum, to pay 1967 Park Department bills, or do or act in any manner relative thereto.

ARTICLE 25. To see if the Town will vote to change the zoning applicable to the following described parcel or tract of land from its present Zoning District RC as defined in the Town Zoning By-Laws to Zoning District CB as defined in the Town Zoning By-Laws, or do or act in any manner relative thereto:—That certain parcel of registered land, together with the buildings and improvements thereon, situate in Plainville in the County of Norfolk and the Commonwealth of Massachusetts, bounded and described as follows:—Northerly by the Southerly line of East Bacon Street, 65.30 feet; Easterly by land now or formerly of Sarah Perrin, 199.45 feet; Southerly by land now or formerly of Cronin & Swift Land Company, 60.80 feet; and Westerly by land now or formerly of Earl B. Thompson, 199.24 feet. All of said boundaries are determined by the Land Court to be located as shown on a plan drawn by A. Schuyler Clapp, Civil Engineer, dated June 5, 1920, as approved by said Court, filed in the Land Registration Office as No. 7750A, a copy of a portion of which is filed in Norfolk Registry District with Certificate No. 5058, Vol. 26. (A Petition)—(⅔ vote required)

ARTICLE 26. To see if the Town will vote to install street lights at the following locations, and raise and appropriate a sum of money to pay for same:

One street light corner Garfield and South Streets
One street light at Plainville Park Pool
One street light at St. Martha's Church Driveway, South Street.
or do or act in any manner relative thereto.

ARTICLE 27. To see if the Town will vote to raise and appropriate or transfer from Available funds in the Treasury, the sum of $250.00 to purchase a new stretcher for the Town Ambulance. This stretcher is to replace one that is not usable. Or do or act in any manner relative thereto.

ARTICLE 28. To see if the Town will vote to transfer a sum of money from the "Sale of Land Account" to be expended under the direction of the Board of Selectmen, to make a portion of the Garford Building suitable for storage purposes, or do or act in any manner relative thereto.

ARTICLE 29. To see if the Town will vote to declare:—

A. That an industrial development financing authority is needed in the Town.

B. (1) That unemployment and the threat thereof exists in the Town of Plainville or (2) that security against future unemployment and lack of business opportunity can be provided, by attracting new industry to the Town or substantially expanding industry existing in the Town through an industrial development project or projects financed under Chapter 40D of the General Laws.

And further that the Board of Selectmen appoint a board of five directors to serve for terms of one, two, three, four and five years, respectively, measured in each case from the April first next following their original appointment, as provided for by Chapter 772 of the Acts of 1967, or do or act in any manner relative thereto.

ARTICLE 30. To see if the Town will vote to amend Article III of the Town By-Laws to have Section 2 become Section 1 and to add a new Section 2 to read as follows:

Section 2. The term of office of the committee members shall begin at the organization meeting following their election and shall continue until the close of the annual town meeting nearest the end of the term fixed by law, or do or act in any manner relative thereto. (⅔ vote required.)

ARTICLE 31. To choose any committee and hear the report of any committee and act thereon.

And you are directed to serve this Warrant by posting copies thereof in seven (7) public places in said Town, seven (7) days at least before the time of holding said meeting.

Hereof, fail not, and make due return of the Warrant with your doing thereon, to the Town Clerk at or before the time and place of said meeting as aforesaid.

Given under our hands this thirteenth day of February in the year of our Lord one thousand nine hundred and sixty-eight.

LEROY B. WILSON, Chairman

RAYMOND V. MILLER

ROBERT E. LOEW

Selectmen of Plainville

A true copy, Attest: DONALD J. PECK, Constable

This 27th day of February 1968

I hereby certify that the above warrant was posted in seven public places in the Town of Plainville, seven days before said Town Meeting.

DONALD J. PECK, Constable

Attest: AUSTIN F. GRANT, Town Clerk

PROCEEDINGS OF THE SIXTY-THIRD ANNUAL TOWN MEETING

TOWN OF PLAINVILLE, MASSACHUSETTS

March 4, 1968

Pursuant to the foregoing Warrant, the sixty-third Annual Town Meeting was held in the Auditorium of the Plainville Elementary School, South Street, Plainville, Mass.

The call of the meeting was read by Moderator Charles O. Peasley, and the polls declared officially opened at 8:00 o'clock a.m.

The following officials having been appointed by the Board of Selectmen, were sworn in to the faithful performance of their duties by Town Clerk Austin F. Grant.

Robert Keniston (R) Warden

Bessie Barton (R) Deputy Warden

Marion McCabe (D) Clerk

Jane Flynn (D) Deputy Clerk

Tellers: Helen Cobb, Violet Osterholm (R), Lucille Keniston (R), Alternate; Helen Pesanello, Jacqueline DiGiantomasso and Gael Kelly, Alternate (D).

Ballot Box Officer Raymond N. Smith (R).

The ballot box was examined by Bessie Barton and Helen Cobb (R), Marion McCabe and Gael Kelly (D), declared empty and the dial set at zero, and the keys turned over to the Ballot Box Officer.

The representatives for the board of Registrars were Richard M. Cobb (R) and Robert E. Thibedeau (D).

At 8:00 p.m. the polls were declared officially closed by Warden Robert Keniston. The ballot box was inspected by Robert Keniston and Bessie Barton, Marion McCabe and Jane Flynn. The ballot box showed 1178 ballots cast and the voting list also showed a total of 1178 votes cast.

At 8:00 p.m. the following counters were sworn in by Town Clerk Austin F. Grant: Jesse W. Franklin, Allie B. C. McAlpine, Margaret Frederiksen, Beverly Armstrong, Dorothy Spaulding, Robert McAlice, Jean Henrich (R); John Flynn, Helen Theriault, Marie Diede, Shirley Marcoux, Camillo Digiantommaso, Nancy Duffy and Marion Reilly (D).

At 11:00 p.m. the results of the balloting showed:

MINUTES OF THE ADJOURNED TOWN MEETING

March 18, 1968

The adjourned Town Meeting was called to order by Moderator Charles O. Peasley, the voters were checked into the hall by Robert Keniston (R), and Marion McCabe (D). The meeting was opened at 7:35 and closed immediately, due to the snow storm. A regular quorum was not present and the Moderator declared the meeting adjourned until March 25, 1968 in the Elementary School, South Street, Plainville.

ADJOURNED TOWN MEETING

March 25, 1968

Charles O. Peasley, Moderator, opened this session of the Annual Town Meeting at 7:30 p.m. with a prayer. To lead us in prayer this evening, our friend and citizen, and retired minister, John M. Bowmar, officiated.

The bounds of the hall were designated as the seats on the auditorium floor. The tellers appointed by the Moderator were Fred Paul, Jr. and John Flynn, the right side of the hall; Theodore Wickman and Boyd Cheney, left side of the hall.

The Town Clerk read the record showing that this is a postponed meeting of the Town Meeting of March 18, due to a lack of quorum. The Moderator stated that if there were no objections the minutes of the Town Election, March 4, 1968 would not be read.

Town Clerk Austin F. Grant was appointed ballot box officer in the event of a ballot vote.

The voters having been checked into the hall by Robert Keniston (R) and Marion McCabe (D) totaled 242; 94 women and 148 men.

ARTICLE 2. Upon motion of David Lomasney and seconded by Robert E. Loew, Alec H. Fredrickson, Francis W. Simmons and Everett W. Skinner, Sr. were appointed as Measurers of Wood, Bark and Lumber for the ensuing year, and unanimously voted.

Upon motion by Robert R. Faille and seconded by Daniel Malone, and unanimously voted that Donald J. Peck, Robert R. Faille and Allen S. Breen be appointed Fence Viewers and Field Drivers for the ensuing year.

ARTICLE 3. Upon motion by Robert R. Faille and seconded by Daniel Malone it was unanimously voted that the reports of the Selectmen, Treasurer and other Town Officers be accepted as printed with the exception of any omissions, and typographical errors.

ARTICLE 4. Motion by Everett Skinner and seconded by Robert Loew and unanimously voted that the Town vote to accept the provisions of Chapter 81 of the General Laws.

ARTICLE 5. Motion by Thomas Levis and seconded by Daniel Malone that the town vote to fix the salary and compensation of all elective officers of the town as provided by Section 108 of Chapter 41, General Laws as amended as follows:

Moderator	$25.00 each meeting
Town Clerk	800.00 per year
Town Treasurer	2,000.00 per year
Selectmen, Chairman	800.00 per year
Second Member	700.00 per year
Third Member	700.00 per year
Board of Health, each member (3)	100.00 per year
Assessors, Chairman	1,100.00 per year
Second Member	1,100.00 per year
Third Member	1,100.00 per year
Tax Collector	1,500.00 per year
School Committee, Chairman	75.00 per year
Each Member	60.00 per year
Water Commissioner, Chairman	250.00 per year
Second Member	250.00 per year
Third Member, Secretary	400.00 per year
Auditor	250.00 per year
Constables	2.50 per hour
Tree Warden	2.50 per hour

and unanimously voted.

Upon a motion by Thomas Levis and seconded by Daniel Malone and unanimously voted Articles 7 and 26 were taken up before Article 6, because the action could reflect in the summary of Article 6.

ARTICLE 7. Motion by John MacDonnell and seconded by Robert E. Loew that the town vote to amend the Personnel By-law by increasing the minimum, maximum and all intermediary step rates of each and all classifications or compensation grades as presently shown on compensation plan under titles PW 5, PW 4, PW 3, PW 2, PW 1, PS 5, PS 4, PS 3, PS 2, PS 1, S1, by 7½%, said increased rates to be effective with the first pay period commencing on April 1, 1968. As this is a bylaw change a two thirds vote is required. Standing vote taken, unanimously voted, no opposition vote.

ARTICLE 26. Motion by Thomas Levis and seconded by Raymond Miller that the town vote to install street lights at the following locations, 1 street light corner Garfield and South Streets; one street light at Plain-

ville Park Pool; one street light at St. Martha's Church Driveway, South Street; the cost of these lights is included in the Street Light Budget in Article 6, section 16, and unanimously voted.

ARTICLE 6. Motion by David B. Lomasney that the town vote to accept the recommendations by the Finance Committee and raise and appropriate the sum of $1,139,613.27 to defray Town charges for the financial year ending December 31, 1968, and expressly for the following purposes to wit:

39.	Regional School District Committee		
	Operating Budget	391,180.00	
	Capital Cost High School	20,929.92	
	Capital Cost Junior High School	33,197.33	
			445,307.25
40.	Industrial Development Commission		No Request
41.	Planning Board		500.00
42.	Conservation Commission		500.00
43.	Civil Defense		1,050.00
44.	Elementary School Expansion Committee		No Request
45.	Personnel Board		300.00
46.	By-Law Review Committee		100.00

Moved by David Lomasney and seconded by Robert Loew that the amount of $1,130,013.27, as amended, be raised and appropriated to defray Town charges for the financial year ending December 31, 1968, and expressly for the purposes as listed above, and unanimously voted.

A five minute recess was declared by the Moderator, at this time.

ARTICLE 8. The Finance Committee recommends that the surety bonds of the Collector of Taxes, Treasurer, Town Clerk, Secretary of the Water Department, and Clerk of the Board of Selectmen be placed with a fidelity or guarantee company, and that the sum of $460.00 be raised and appropriated to pay for same. This amount is included in the insurance account, Article 6, Section 8, motion by Joseph Doiron and seconded by David Lomasney and unanimously voted.

ARTICLE 9. Motion by H. Bertha Browne and seconded by Everett Skinner and made unanimous by vote of the town that the Town Treasurer be authorized, with the approval of the Selectmen, to borrow money from time to time, in anticipation of the revenue of the financial year beginning January 1, 1969, and to issue a note or notes therefore, payable

within one year and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44 of the General Laws.

ARTICLE 10. Motion by Daniel Malone and seconded by Raymond Miller that the Town vote to transfer from unappropriated available funds in the treasury, the sum of $15,000.00 for a Reserve Fund to provide for the extra-ordinary expenses, as authorized by Section 6, Chapter 40, General Laws. Unanimously voted.

ARTICLE 11. Motion by Everett Skinner and seconded by David Lomasney that the town vote to accept the provisions of Chapter 90 of the General Laws and that the sum of $2,050.00 be raised and appropriated for the Town's share of Chapter 90 Maintenance, and that in addition the sum of $4,000.00 be transferred from unappropriated available funds in the Treasury to meet the State and County's share of the cost of the work, the reimbursement from the State and County to be restored upon their receipt to unappropriated available funds in the Treasury, and unanimously voted.

ARTICLE 12. Motion by Everett Skinner and seconded by David Lomasney and unanimously voted, that the town raise and appropriate the sum of $4,750.00 to meet the Town's share of the cost of Chapter 81 Highways, and that in addition the sum of $9,900.00 be transferred from unappropriated available funds in the Treasury to meet the State's share of the cost of the work. The reimbursement from the State to be restored upon the receipt to unappropriated available funds in the treasury.

ARTICLE 13. Motion by Everett Skinner and seconded by Robert Loew and unanimously voted that the sum of $12,050.00 be raised and appropriated to continue the laying out and construction Messenger Street, under Chapter 90 of the General Laws. The money to be raised as follows: $3,050.00 the Town's share to be raised and appropriated by taxation; and the State and County's share of the work $9,000.00 to be transferred from unappropriated available funds in the Treasury. The reimbursement from the State and County to be restored upon their receipt to unappropriated available funds in the Treasury.

ARTICLE 14. Motion by Everett Skinner and seconded by Robert Loew that the sugm of $2,650.00 be appropriated for permanent road construction on George Street, from Wampum Street to the Wrentham line, and to meet said appropriation the sum of $2,650.00 be transferred from proceeds received or to be received from the State under the provisions of Chapter 616, Acts of 1966. Unanimously voted.

ARTICLE 15. Motion by Thomas Levis and seconded by Joseph Doiron that the Town vote to transfer the sum of $500.00 from the road machinery account and the sum of $5,900.00 from unexpended available funds in the Treasury, for the purchase of a new truck for the Highway Department. Unanimously voted.

ARTICLE 16. Motion by Thomas Levis and seconded by Joseph Doiron that the town vote to raise and appropriate the sum of $29,500.00 for the various catagories of Welfare. Unanimously voted. The Finance Committee in their report stated that we, as well as every community in the State have been faced with skyrocketing welfare costs. Hopefully the trend will be reversed with the eventual take-over of Welfare by the State, but when this will become a reality, is not known.

ARTICLE 17. Motion by H. Bertha Browne and seconded by Everett Skinner that the sum of $1,000.00 be raised and appropriated for the Conservation Fund, to be used by the Conservation Commission for Conservation purposes, including the purchase of land, and unanimously voted.

ARTICLE 18. Motion by Alfred Bolduc and seconded by Joseph Doiron that the sum of $2,012.91 be transferred from available funds in the Treasury, to pay a water department overdraft. This article requires a 4/5 vote. Results: 195 for: 0 against.

ARTICLE 19. Motion by Joseph Doiron and seconded by Robert Loew that the town raise and appropriate the sum of $1,000.00 for the control of insects and Dutch Elm Disease, to be expended under the direction of the Moth Superintendent, and unanimously voted.

ARTICLE 20. Motion by Daniel Malone and seconded by Raymond Miller that the sum of $2,000.00 be transferred from available funds in the Treasury to make repairs on Extension of Maple Street or Martin Lane, in accordance with the provisions of Section 6H of Chapter 40 of the General Laws.

Maurice Theriault amended the above motion by striking out the sum $2,000.00 and inserting $15,000.00 in its place, $2,000.00 by transfer and $13,000.00 by taxation, seconded by William Armstrong.

Much discussion was held on this amendment. The Planning Board former Chairman William Clarke advised that they had the Town Counsel draw up a covenant with Mrs. Martin and they had waited five years,

but nothing had been done. The present Planning Board has tried to clear this matter up. Due to the size of the street, and the conditions existing and placing of dwelling on the street, it is not possible to have this street properly drained and graded for a town accepted road. Mr. Clarke however, advised the meeting that he thought the Town had a moral obligation to repair this road for the residents.

The question was called and the vote on the amendment was defeated. The vote on the original motion to repair the road under provisions of Section 6H Chapter 40 was carried. Vote on amendment: 46 Yes, 110 No. Vote on original motion 197 Yes, 0 No.

ARTICLE 21. Motion by Joseph Doiron and seconded by Robert Loew that the sum of $2,500.00 be transferred from available funds in the Treasury for the Fire Department Apparatus Replacement Fund. Whereas the Finance Committee has recommended the purchase of a new car for the Chief of the Fire Department, the requested amount $5,000.00 has been reduced by $2,500.00.The $2,500.00 cost of the new car is reflected in the Fire Department budget. Motion unanimously voted.

ARTICLE 22. Motion by Alfred Bolduc and seconded by Robert Loew that the sum of $25,000.00 be transferred from available funds in the treasury for the Stabilization Fund, under authority of Chapter 40, Section 5B of the General Laws, and unanimously voted.

ARTICLE 23. To extend contributory group hospital, etc. insurance to elderly persons retired from the service of the town. Finance Committee recommends no action. Further instruction to the Selectmen revealed that this article should be a referendum on the ballot of the Annual Town Meeting. No action taken thereon.

ARTICLE 24. Motion by Thomas Levis and seconded by Raymond Miller that the sum of $270.48 be transferred from available funds in the treasury to pay 1967 Park Department bills, and unanimously voted.

ARTICLE 25. Motion by Mrs. Chase and seconded by Oliver Chase that the town vote to change the zoning applicable to the following described parcel or tract of land from its present Zoning District RC as defined in the Town Zoning By-Laws to Zoning District CB as defined in the Town Zoning By-Laws.

Mrs. Chase explained the reason for this change advising that the property would be used for a Real Estate Office if the change was adopted. Much opposition was expressed by neighbors, due to traffic con-

ditions and parking problems. A hearing had been held by the Planning Board as required by law, and the Planning Board did not recommend this change. After considerable discussion the question was called. Vote on Article 25 was not carried.

ARTICLE 27. Motion by Alfred Bolduc and seconded by Robert Loew that the sum of $218.88 be transferred from the Ambulance Replacement Account to purchase a new stretcher for the Town Ambulance. This stretcher to replace one that is not usable. Unanimously voted.

ARTICLE 28. Motion by Raymond Miller and seconded by Robert Loew that the sum of $15,000.00 be transferred from the Sale of Land Account, to be expended under the direction of the Board of Selectmen, to make a portion of the Garford Building suitable for storage purposes.

After discussion wherein the Selectmen advised the townspeople of the use to which this building would be put, such as storing fire apparatus, highway trucks and CD equipment. Question called and the vote on the motion was unanimous.

ARTICLE 29. Motion by Raymond Miller and seconded by Robert Loew that the Town vote to declare: A. That an industrial development financing authority is needed in the Town. B. (1) That unemployment and the threat thereof exists in the Town of Plainville of (2) that security against future unemployment and lack of business opportunity can be provided, by attracting new industry to the Town or substantially expanding industry existing in the Town through an industrial development project or projects financed under Chapter 40D of the General Laws.

And further that the Board of Selectmen appoint a board of five directors to serve for terms of one, two, three, four and five years, respectively, measured in each case from the April first next following their original appointment, as provided for by Chapter 772 of the Acts of 1967. Unanimously voted.

ARTICLE 30. Motion by H. Bertha Browne and seconded by Robert O. Malin that the town vote to amend Article III of the Town By-laws to have Section 2 become Section 1 and to add a new Section 2 to read:

Section 2. The term of office of the committee members shall begin at the organization meeting following their election and shall continue until the close of the annual town meeting nearest the end of the term fixed by law. Unanimously voted.

ARTICLE 31. As there were no reports of special committees the meeting was adjourned at 12:00 midnight, upon a motion by Daniel Malone.

AUSTIN F. GRANT, Town Clerk

WARRANT

FOR PRESIDENTIAL PRIMARY

THE COMMONWEALTH OF MASSACHUSETTS

NORFOLK, ss.

WARRANT

FOR STATE ELECTION

THE COMMONWEALTH OF MASSACHUSETTS

Norfolk, ss.

To either of the Constables of the Town of Plainville,

Greetings:

In the name of the Commonwealth of Massachusetts you are hereby directed to notify and warn the legal voters of the Town of Plainville, to meet in the auditorium, of Plainville Elementary School, South Street, in said Plainville, on

TUESDAY, THE FIFTH DAY OF NOVEMBER, 1968

at 6:00 o'clock A.M., it being the Tuesday after the first Monday in said month, then and there to give their votes for the following officers:

PRESIDENTIAL ELECTORS	For President and Vice President
REPRESENTATIVE IN CONGRESS	For 10th Congressional District
COUNCILLOR	For the Second District
SENATOR	For the Second Norfolk District
TWO REPRESENATIVES IN GENERAL COURT	For Fourteenth Norfolk District
TWO COUNTY COMMISSIONERS	For Norfolk County
SHERIFF	For Norfolk County
ONE COUNTY COMMISSIONER (To fill Vacancy)	For Norfolk County

And also to vote "YES" or "NO" on the following questions:

QUESTION NO. 1

Prosposed Amendment to the Constitution

Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in a joint

session of the two branches held June 16, 1965, received 210 votes in the affirmative and 26 in the negative, and in a joint session of the two branches held May 10, 1967, received 220 votes in the affirmative and 9 in the negative?

YES ☐
NO ☐

Summary

The proposed amendment of the Constitution increases from five days to ten days the period of time the Constitution gives the Governor to act upon measures passed by the Legislature and submitted to him for approval. No other changes are made in the several Constitutional provisions relative to action by the Governor upon such measures.

QUESTION NO. 2

Proposed Amendment to the Constitution

Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in a joint session of the two branches held August 30, 1966, received 188 votes in the affirmative and 46 in the negative and in a joint session of the two branches held May 10, 1967, received 174 votes in the affirmative and 78 in the negative?

YES ☐
NO ☐

Summary

The proposed amendment of the constitution authorizes the Legislature to impose an income tax graduated according to total income, and authorizes the granting of reasonable exemptions, deductions and abatements, as an alternative to the exercise of the Legislature's existing power to tax income under Article 44 of the Amendments to the Constitution. Without limiting the foregoing authorization, the proposed amendment permits any such tax to be imposed at a uniform percentage of an individual's federal income tax liability or at graduated rates applied to his total income taxable federally, and it permits reasonable variations of any federal provision. It requires that the graduated rates, exemptions, and deductions be set without regard to the kind of income being taxed.

QUESTION NO. 3

Proposed Amendment to the Constitution

Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in a joint

session of the two branches held July 20, 1966, received 225 votes in the affirmative and 1 in the negative, and in a joint session of the two branches held June 15, 1967, received 210 votes in the affirmative and 2 in the negative?

YES ☐
NO ☐

Summary

The proposed amendment of the Constitution defines the circumstances in which a Governor's inability to perform his functions shall cause his office to become vacant, and it establishes a procedure for making the necessary determinations. The office will become vacant following a declaration of disability by the Governor himself or by the Chief Justice and a majority of the Associate Justices of the Supreme Judicial Court, or such other body as the Legislature may provide. The vacancy will terminate four days after the Governor declares that no disability exists, unless (1) within that period the Chief Justice and majority of the Associate Justices, or such other body provided by the Legislature, should make a contrary declaration and (2) within another stated period the Legislature, by two-thirds of each branch present and voting, then determines the issue contrary to the Governor's declaration.

The same procedure will also apply to a Lieutenant Governor who in the case of a vacancy is performing the Governor's duties.

The proposed amendment also requires the election of a Governor for the unexpired balance of the four-year term if a vacancy in the office of Governor as described in the proposed amendment continues for a six-month period expiring more than five months prior to a biennial state election other than an election for Governor.

QUESTION NO. 4

Law Proposed By Initiative Petition

Do you approve of a law summarized below, upon which the House of Representatives did not vote and upon which the Senate did not vote?

YES ☐
NO ☐

Summary

The proposed law provides that the official ballot in the biennial State election for the year 1970 shall contain a question asking the voters whether there shall be a convention in 1971 to (1) revise, alter or amend the constitution of the Commonwealth on the following subjects, insofar as they relate to the structure of government, and no others; the Execu-

tive Branch; the General Court; the Executive Council; the government of cities, towns and counties and their relationship to each other and to the government of the Commonwealth; (2) simplify and rearrange the constitution, and (3) provide methods of amendment thereof. The question will state that the convention shall not consider or propose any measure which relates to the Massachusetts Declaration of Rights, the provisions of the Massachusetts constitution concerning the "Judiciary Power" (other than provisions respecting the Executive Council), or any of the excluded matters enumerated in Article XLVIII, II, Section 2 of the Massachusetts constitution. The question will fix the number of delegates to the convention at 150, of whom 20 members shall be members of the General Court; the remaining 130 members shall be elected by the voters in the manner summarized below. The question will also state that the convention shall conclude its business not later than 120 days from its first session.

The proposed law provides that if a majority of the voters on the foregoing question is in the affirmative, the convention shall be held in July, 1971 to revise, alter or amend the constitution on the matters enumerated above only. The House of Representatives and the Senate shall each elect as delegates 10 of its members, not more than 6 from each branch coming from the same political party. Of the remaining 130 delegates, 10 shall be elected at large and 120 shall be elected from the 40 senatorial districts, 3 from each. Provision is made for the manner of nominating and electing these 130 delegates, without party or political designation, for filling vacancies occuring in the position of any delegate, from whatever source chosen, and for the conduct of the convention's business.

Any revisions, alterations and amendments of the Massachusetts constitution adopted by the convention shall be submitted to the people at the State election in 1972 for their ratification and adoption in such manner as the convention may direct. If a majority of the people voting thereon ratify and adopt such revision, alteration or amendment, the constitution shall be deemed to be changed accordingly.

The proposed law also provides that if the vote on the question to be submitted at the biennial State election in 1970 is in the affirmative, the Governor shall appoint a preparatory commission of 5 members to compile data to aid the convention in the discharge of its duties. Each member of the commission shall receive compensation of $10,000 and the commission may expend a sum not in excess of $200,000, as the Governor may approve, for its expenses.

QUESTION NO. 5

A. Shall licenses be granted in this city (or town) for the sale therein of all alcoholic beverages (whiskey, rum, gin, malt beverages, wines and all other alcoholic beverages)? YES ____ NO ____

B. Shall licenses be granted in this city (or town) for the sale therein of wines and malt beverages (wines and beer, ale and all other malt beverages)? YES ____ NO ____

C. Shall licenses be granted in this city (or town) for the sale therein of all alcoholic beverages in packages, so called, not to be drunk on the premises? YES ____ NO ____

D. Shall licenses be granted in this city (or town) for the sale of all alcoholic beverages by hotels having a dining room capacity of not less than ninety-nine persons and lodging capacity of not less than fifty rooms? YES ____ NO ____

QUESTION NO. 6

"Shall the commonwealth of Massachusetts retain capital punishment for crime?" YES ____ NO ____

For these purposes the polls will be open from 6 o'clock A.M. to 8:00 o'clock P.M.

Hereof fail not and make return of this Warrant with your doings thereon at the time and place of said meeting.

Given under our hands this 21st day of October in the year One Thousand Nine Hundred and Sixty-eight.

PROCEEDINGS FOR STATE ELECTION

November 5, 1968

The State Election was held in the auditorium of the Plainville Elementary School, South Street, Plainville, Norfolk County, Massachusetts, on Tuesday, the fifth day of November, 1968.

The election workers were sworn in to their duties by Town Clerk Austin F. Grant, and the polls were officially opened at 6:00 A.M.

The following election workers appointed by the Selectmen: Robert Keniston (R), Warden; Stanley Cole (R), Deputy Warden; Marion McCabe (D), Clerk; Deputy Clerk, Jane Flynn(D); Ballot Box Officer, Stanley Myers (R); Tellers: Violet R. Osterholm (R), Helen Cobb (R), Ruth Ashman (R); Alternates: Evelyn Soule (D), Jacqueline DiGiantommaso (D), Helen Pesanello (D), Alternate.

The ballot box was checked by Helen Cobb and Stanley Cole (R), Jane Flynn and Helen Pesanello (D), found empty, dial set at zero and the keys turned over to the police officer.

At the registered vote of 1200, the ballot box was changed over to the old ballot box. This box was inspected by Jane Flynn and Helen Pesanello (D), Ruth Ashman and Robert Keniston (R), dial set at zero and the keys turned over to the police officer.

At 5:15 P.M. the ballot box (old), proved to be defective and with the count at 114 the ballot were transferred to the box showing the count of 1200 under the jurisdiction of the Warden and other officials.

Polls were officially declared closed at 8:00 P.M. by Warden Robert Keniston. The total vote on ballot box, including the absent vote 1840, 961 women, 862 men. Partial ballots cast four—2 men and 2 women; 13 absent ballots, non registered military; 30 Absentee ballots registered voters for a total of 47. 1793 registered voters.

At 8:00 P.M. the following were sworn in by Town Clerk Austin F. Grant for counting: Shirley Marcoux, Gael Kelly, John Flynn, Nancy Duffy, Helen Theriault, Marie Diede, Francis Weaver, Marion Reilly and Joan Speer, all Democrats; Irene Tremblay, Lucille Keniston, Allie McAlpine, Beverly Armstrong, Jean Henrich, Patricia Walls, Margaret Frederiksen, Phyllis Bolduc, Esther Grant and Gary LeBlanc, all Republicans. The counting which was completed at 3:30 A.M. on Wednesday showed the following results:

Total Expenditues		2,040.92
Balance		$49.08

Report of the Board of Registrars

To the Honorable Board of Selectmen

Gentlemen:

This past year has been extremely busy and a noteworthy one for the Board of Registrars, and we feel some recognition should be made of our progress.

A new association for the Boards of Registrars of Norfolk County has been formed and should be very helpful.

A state law was passed requiring that all voting lists contain both men and women on the same list, rather than two separate lists, as in the past.

After our organization March 30, 1968, many sessions were held by the board to complete street lists and voting lists. Special sessions were necessary because of Federal Elections and State Primaries for the purpose of adding new voters and it should be noted that for the first time in the history of the Town of Plainville, voter registration exceeded nine hundred and six Republicans and nine hundred and fifty-eight Independents. A total of two thousand one hundred and one voters.

Board members for the year are:

RICHARD M. COBB, Chairman

ROBERT B. THIBEDEAU, Secretary

MAURICE R. THERIAULT

AUSTIN F. GRANT, Clerk

License Fees Received by Town Clerk

Ruth Fulton, clerical	1,764.70	
		$5,356.70
Expended		$5,812.82
Balance		$127.18

Report of The Town Forest Committee

To the Honorable Board of Selectmen

Gentlemen:

We herewith submit our report for the Town Forest Committee for the year ending December 31, 1968.

The Town Forest was once again cleaned and trimmed by the Boy Scouts as their conservation project. The appropriation of $75.00 was paid to the Boy Scout troop for the work done.

Respectfully submitted,

EVERETT W. SKINNER
ALEC FREDERICKSON
ROBERT J. PROAL
Town Forest Committee

Norfolk County Mosquito Control Project

To the Citizens of Plainville:

Submitted herewith is the report of the Norfolk County Mosquito Control Project of its activities in the Town of Plainville for the year ending December 31, 1968.

Aerial larvicide	625 acres
Misting, from trucks	980 acres
Backpack spraying	27 acres
Winter pre-hatch dusting	135 acres
Drainage ditches cleaned	625 feet
Culverts cleaned and opened	9 culverts
Fog application, by truck	250 acres
Residential aerial adulticide	384 acres

Respectfully submitted,

ALBERT W. HEUSER
Superintendent

Report of The Planning Board

To the Honorable Board of Selectmen

Gentlemen:

The Planning Board has met regularly on the first and third Monday of each month with special meetings when necessary. All meetings were held in the Town Offices and were open to the public. Sixteen plans not requiring approval were presented to the Board to be signed for recording. Fifteen were signed and signatures were withheld from one because it created a lot of illegal stature due to frontage and constituted a subdivision.

Three zoning petitions were received during the year and the required hearings held. One was considered at the 1968 Annual Town Meeting and two will be considered at the 1969 Annual Town Meeting.

The Board gave consent for one appellant to reapply for a variance when less than two years had lapsed since his last application.

One complaint from the building inspector that a contractor had started construction without the necessary Board of Health approval was acted upon.

One special meeting was held with Mr. Neal Hannon of the Dept. of Commerce and Development (now the Dept. of Community Affairs) to discuss the Plainville Master Plan—the amount to which it had been implemented and its value to the town.

The performance bond of two contractors held by the town was reduced due to the amount of work completed.

The Planning Board is unable to report progress in its efforts to effect the removal of the railroad bridge on West Bacon Street (which we consider very dangerous due to the much increased traffic on this street) because of the bankruptcy of the railroad. However efforts will be renewed this year with the new owners of the railroad.

We wish to thank Mr. Everett Skinner for his invaluable advice particularly with respect to the amount of work completed in sub-

divisions under construction, and all other Boards and individuals who have offered us their assistance during the year.

Appropriation	$500.00
Expenses	79.59
Returned to the Town	$420.41

Respectfully submitted,

BRUCE E. HASTINGS, Chairman
NORMAND THERIAULT, Secretary
JOHN FARIA
WILLIAM GILL
LEWIS ROBINSON

Report of The Tree Warden

To the Honorable Board of Selectmen

Gentlemen:

The appropriation this year was used to take down dead trees and for trimming dead wood.

This year I will ask for $500.00 additional to put cables and rods in some of our shade trees.

I hope in the near future, we can start a replanting program, to help replace the trees that have had to be removed.

Appropriation		$500.00
Expended: Bancroft's Inc.	450.00	
Labor	40.14	
Total Expended		490.14
Balance		$9.86

Respectfully submitted,

EVERETT W. SKINNER
Tree Warden

Report of The Park Department

To the Honorable Board of Selectmen
Gentlemen:

August 19, 1968 the dream of the Plainville Park Commission was realized when the Plainville Municipal Pool was opened. At present the facility's estimated worth ranges between $75,000 and $100,000 well above the $23,000 fund voted at the special town meeting held in June 1967.

This was made possible by the overwhelming cooperation of local industries in supplying the filter house in its entirety, bath house and drainage materials, cement blocks, black-top and skilled labor where needed. A local business and citizen financial drive netted $2,520.00.

The months of June, July and August were ones of hard work for a core of volunteers under the able guidance of Everett Skinner. These men worked evenings, Saturdays and Sundays laying cement blocks, cement, plumbing, wiring—in general doing what had to be done to put the pool in operation.

The staff was headed by Jeff Kent, assisted by Paula Sharon, Joan Gzrenda and Ann Connery. A sports and craft program was carried on during the weeks prior to the pool opening. Swimming lessons for beginners through Junior Life Saving classes were given to 175 children

The vacancy made by the resignation of Richard Guillette in April was filled by Miriam Lomasney. Donald McAlpine replaced John Ronan who resigned in October.

Words cannot express the justifiable pride and heart felt thanks which the Park Commission extends to all who aided in bringing such a magnificent swimming facility to the Town of Plainville.

Expenditures for 1968

Appropriation		$7,240.00
Expended:		
Office Supplies	$7.00	
Lights	11.96	
Non-Capital Equipment and Parts	75.73	
Purchased Labor, Equipment Rental	357.45	
Transportation and Equipment Maintenance	197.53	

Gas, Oil, Repairs	19.53	
Pool Maintenance	119.23	
Arts and Crafts Supplies	67.43	
Wages	3,622.50	
New Equipment	708.95	
Total Expenditures		5,187.22
Balance		$2,052.78

Respectfully submitted,

THOMAS ARMITAGE, Chairman
MIRIAM LAMASNEY
DONALD McALPINE
JOHN RONAN, Resigned
RICHARD GUILLETTE, Resigned

Report of The Wire Inspector

To the Honorable Board of Selectmen
Gentlemen:

I herewith submit my report as Inspector of Wires for the Town of Plainville for the year ending December 31, 1968.

Fifty-five permits were issued and $55.00 in fees turned over to the Town Treasurer.

I would like to take this opportunity to thank the Board of Selectmen, Town Departments, contractors and the Townspeople for the cooperation given me during the year.

Respectfully submitted,

EARL J. LAVIN
Inspector of Wires

Appropriation:	
Salary	$300.00
Expenses	50.00
Expended	$300.00

Report of Finance Committee

December 31, 1968

To the Honorable Board of Selectmen:

The Town Finance Committee has had frequent meetings throughout the year. We have had excellent representation from our members and believe we have resolved many problems. Many more however still remain to be resolved.

The money appropriated at the annual Town Meeting for extraordinary and unforeseen expenses has been disbursed as follows:

Fire Department Apparatus Repairs	$3,000.00
Tax Collector for Change Fund	25.00
Water Department for Change Fund	25.00
For Veterans' Agent	3,000.00
For Welfare Payroll	810.00
For Assessors Clerk's Salary	1,140.00
Interest on Temporary Loans	646.55
For T.B. Case	1,138.00
For Premature Baby Care	366.95
For Tax Collector—for Supplies	200.00
For Town Office Maintenance — Repairs to Building	495.00
For Fire Department — Payroll Account — Call Department	2,706.99
To Ambulance Account — Payroll	150.00

For Vocational Education	477.48
	$14,180.97
Returning a Balance of	$819.03

This committee feels that better fiscal and accounting procedures are of prime importance. We therefore recommend to your board that serious consideration be given to the following:

1. A Town Accountant
2. Some type of Purchase Order System for better budget control.
3. Closer liaison between the Wage Personnel Board, The Selectmen, and Finance Committee.

We wish to thank all Department Heads for their cooperation during the year.

Respectfully submitted,

DAVID B. LOMASNEY, Chairman
DANIEL MALONE
BERTHA BROWN
JOSEPH DOIRON
THOMAS LEVIS
AVIDES KOSHKARION
RAY FELIX
JOHN MacDONNELL, Resigned
ALFRED BOLDUC, Resigned

Report of The Highway Department

To the Honorable Board of Selectmen

Gentlemen:

Under Chapter 81 the following streets were surface treated with one-quarter gallon per square yard of MC 800 asphalt with a sand cover: West Bacon Street from Fletcher Street to the North Attleboro Town Line; Warren Street, Walnut Street; High Street from the Wrentham Town Line to Warren Street; Shepard Street, Grove Street from East Bacon Street to Brunner Street; Spring Street from East Bacon Street to Broad Street; Bow Street, Rhodes Street and Cottage Street from South Street to Spring Street.

Under Chapter 90 Maintenance, 397.35 tons of Bituminous Concrete Type I-1 was applied on Messenger Street.

Under Chapter 90 New Construction on George Street, the embankments were graded and grass seed applied.

The Old Cemetery on West Bacon Street was mowed and cleaned up during the summer months.

The Town Dump required a great deal of attention this past year. A REMINDER: WHEN DUMP IS CLEANED OFF, PLEASE DUMP OVER THE EMBANKMENT.

In conjunction with the Highway Department program, drainage, catch basins, brush cut along the roadside, gravel roads were scraped and graveled; bituminous patching and the usual maintenance of roads was realized.

The Department purchased a new 1968 F 800 Ford Truck. Many thanks to the citizens of our community for appropriating this money.

The thaw and rains of March seventeenth through March twenty-fourth brought many problems.

The Department worked many hours making temporary repairs to alleviate many drainage conditions, controling the dams, and road wash-outs.

The Commonwealth of Massachusetts passed a bill, Chapter 684 Acts of 1968, authorizing money to make permanent repairs. The Board of Selectmen has applied for money under this Act and when it is received payment repairs will be made.

I wish to thank everyone who helped in this emergency.

The money appropriated under Section 6H Chapter 40 of the General Laws, to make repairs to private ways, Branch Avenue, Haynes Road, Elm Way, Zeller Avenue and Martin Lane, was expended to excavate, gravel, grade, roll and refinish and penetrate these roads with three-quarter gallon per square yard of M. C. 250 asphalt. The balance of the money will be used to seal these roads next year.

It has been a pleasure to work with and for the other departments during the year.

In submitting this report I again wish to thank your Board and the members of the Highway Department, and the other department heads of the Town for their cooperation during this year.

Respectfully submitted,

EVERETT W. SKINNER
Superintendent of Streets

Report of Sanitary Inspector

To the Board of Health
Plainville, Mass.

Gentlemen:

Program of soil tests, inspection, design of required sewage disposal system and inspection before backfill were made as usual at new building sites. Repairs and additions to older existing sewage disposal systems were designed after investigation, and complaints inspected.

Inspections of eating and drinking establishments were made according to Article X of State Sanitary Code, and bacteria swab tests made of eating and drinking utensils.

Laboratory analysis of milk and cream samples sold in Town were made on a quarterly basis. Antibiotic Residue Assays were made on milk samples.

Standard bacteriological water analysis was made of Town Swimming Pools and any conditions considered necessary by Board of Health.

The new Town Swimming Pool will be tested weekly during the season. Perfect conditions existed this past season for the time the pool was in use and received very intelligent and close supervision.

Respectfully submitted,

PUTNAM STEELE, R. S.

Report of The Police Department

To the Honorable Board of Selectmen

Gentlemen:

I would like to take this opportunity to thank you and the Townspeople, for the help and understanding you have given this Department.

Your Police Department has, in the past year, served many papers, issued numerous citations, and assisted the public in ways that befit a good police officer.

It certainly is an indication of your forward thinking when you make mandatory for your police officers to be trained, and give them the best training possible. The money spent to send our officers to the State Police Academy will be returned to the Town many times in the form of a good officer.

The stress, in the coming years on this Department, will be training and schooling, as I want the men to be proud of themselves, but most important, I want the Town to be proud of us.

I would also like to extend my personal thanks to the Fire and Highway Department for all the assistance given.

I know that the men of this Department are anxious to prove their worth to the Town, and I am sure that the Townspeople will encourage and boost them during the coming years.

I cannot end without thanking the other Town departments and employees who have been most helpful and understanding.

Respectfully submitted,

ROBERT R. FAILLE
Chief of Police

Appropriation		$56,003.80
Expended:		
Salaries:		
Regular Department	$35,369.52	
Relief and Church Duty	5,491.20	
Vacations, Holidays, Sick-Leave	2,574.00	
Special Duty: Lock-up, Court and Overtime	3,713.67	
		$47,148.39
Expenses:

		$6,461.49
Total Expended		53,609.88
Balance		$2,393.92

Control of Insects and Dutch Elm Disease

To the Honorable Board of Selectmen

Gentlemen:

This year the appropriation for this account was used to take down dead trees, caused by Dutch Elm Disease.

Where wires were involved Massachusetts Electric Company paid to have these trees removed below the wires, making it possible for the Town to take down more trees than our appropriation would have allowed.

Appropriation		$1,000.00
Expended:		
Labor	$524.60	
Equipment Rental	$470.00	
		994.60
Balance		5.40

Respectfully submitted,

EVERETT W. SKINNER
Tree Warden

Report of The Gas Inspector

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit my report as Gas Inspector for the year ending December 31, 1968.

Twenty-six (26) inspections were made.

Fees collected	$65.00
Paid to Town Treasurer	65.00

Appropriation:		
Salary	$250.00	
Printing	18.00	
Total		$268.00
Balance		$32.00

Respectfully submitted,

CHARLES C. BAGLEY,
Gas Inspector

Report of The Town Auditor

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit my report as Auditor for the Town of Plainville for the fiscal year ending December 31, 1967.

An audit was made of a few departments prior to turning the books over to the State Auditors. Since I was unable to complete the audit, the salary for the office was returned to the Town Treasury.

The Report of Financial Transactions, Schedule A, for the calendar year 1967 was completed and submitted to the Bureau of Accounts of the Commonwealth of Massachusetts.

I recommend that the office of Town Auditor be made appointive rather than elective, and that no appointment be made in the years in which a State audit is conducted.

Appropriation	$250.00
Expended	None

Respectfully submitted,

ROBERT O. MALIN,
Auditor

Report of The Veterans' Agent

To the Honorable Board of Selectmen

Gentlemen:

Due to the strikes throughout the state and illness, our case load on Veterans' Benefits increased somewhat this year. All applications for benefits were referred to the Commissioner of Veterans' Services, and approval granted for the aid given, therefore, the town will be reimbursed one-half for all aid approved by the Commissioner. This reimbursement is sent directly to the Town Treasurer, and is not reflected in the Veterans' Agent's report.

We have, at present, two regular cases. These are visited regularly by the Commissioner's representative and reviewed. In my opinion, both are eligible recipients.

I wish to thank all who have helped me during this past year in the operation of my department.

Respectfully submitted,

DANIEL T. MALONE,
Veterans' Agent

Appropriation		$3,000.00
Transfer		3,000.00
Expenses		350.00
		$6,350.00
Expended:		
Regular cases (2)	$2,695.90	
Temporary aid	1,528.15	
		4,224.05
Expenses:		
Travel, Dues, Supplies		350.00
		4,574.05
Balance in account		1,775.95

Report of Library Trustees

To the Honorable Board of Selectmen

Gentlemen:

In 1968 we have continued our program of expanding the facilities of our Public Library. We have added to our shelving by installing new, approved library shelving which adds to the appearance as well as the convenience. The reading room has been painted and minor repairs have been made. A book cart, step stool and a record-display rack were purchased.

A Dictionary of American Biography was purchased to aid pupils in their school work. A book of Knowledge Encyclopedia for Children has been added to our reference books besides our regular purchases of new books published for adults and children.

Next year we hope to continue our shelving program and redecorate the entrance hall. We also plan to begin a program of floor refinishing next year as this has been postponed until its a real necessity.

We wish to commend our Librarian and Assistant for their cooperation and diligence and to thank our maintenance man, Dick Cobb for his extra time and duties.

Library hours continue as before: Monday through Friday, 2:30 - 5:00 p.m. — Monday and Wednesday, 7:00 - 9:00 p.m.

Circulation:

Juvenile Fiction	4,187
Non-Fiction	1,295
Adult Fiction	2,740
Non-Fiction	1,404
Magazines	375
Records	121
Total	10,122

The people who use our library totaled 1,321,317 adults and 1,004 children.

Appropriation (includes State Aid and dog tax)		$5,514.00
Expenditures:		
Salaries	$2,604.27	
Books and Magazines	1,199.50	
Operating Expenses	662.75	
		5,393.85
Balance		$ 120.15

Respectfully submitted,

JEAN HENRICH
STANLEY MYERS
GEORGE CURTIS

Report of Inspector of Milk and Dairies

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit my report as Inspector of Milk and Dairies for the Town of Plainville for the year ending December 31, 1968.

Twenty-five milk licenses at $1.00 each.

Paid Town Treasurer — $25.00.

Respectfully submitted,

ROBERT C. KENISTON,
Milk Inspector

By Law Review Committee

To the Honorable Board of Selectmen

Gentlemen:

The By-Law Review Committee was organized in January of 1968 and herewith submit their first report for the year ending December 31, 1968.

During the year all of the existing By-Laws were reviewed for possible changes. Since the Soil Removal By-Laws accepted in 1958 were in duplication with the Zoning By-Laws accepted in 1965, articles were submitted for the Warrant of the Annual Town Meeting of 1969 to eliminate the earlier By-Laws and incorporate those provisions which were more restrictive into the present Zoning By-Law.

Changes to the Personnel By-Law were requested by the Personnel Board. These changes will be submitted to the Town at the annual town meeting.

The By-Law Review Committee is requesting authority to reprint the existing By-Laws in a standard format and indexing system so as to make it easy to keep the By-Laws up to date and prevent duplication. This will be a continuing project and the sum of One Thousand Dollars ($1,000.00) is requested to begin the printing in 1969.

1968 Appropriation	$ 100.00
Expended	None
Requested 1969	$1,100.00

Respectfully submitted,

ROBERT O. MALIN, Chairman

DAVID KELLY, Secretary

REGINALD KEYES

CHARLES R. MASON

CHARLES O. PEASLEY

Report of Water Commissioners

To the Honorable Board of Selectmen

Gentlemen:

Following is the report of the Water Department for the year ending December 31, 1968. Records from the Town Pumping Stations show that 154,384,250 gallons pumped, 9,426,690 more than the year 1967. A total of 5,838.0 pumping hours, 422,970 gallons daily, 17,624 gallons per hour, 292 gallons per minute.

Well No. 2 off George Street is now in service and we are sure it will meet with the Town's expectations. There is still more work to be done at the Park Street meter, this will be completed as soon as parts are available.

We wish to thank Superintendent Everett Skinner, Sr., for his tireless cooperation, Highway Department, Mr. Lawrence Carpenter, Town Treasurer, Honorable Board of Selectmen, Finance Committee, North Attleboro Water Department, Plainville Fire Department, and Camp, Dresser and McKee for their excellent cooperation during the year 1968.

Report of Inspector of Slaughtering

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit my report as Inspector of Slaughtering for the year ending December 31, 1968.

The monthly reports required were sent to the Department of Health.

There was no need for carcass inspection or stamping.

Respectfully submitted,

ROBERT C. KENISTON
Inspector of Slaughtering

Report of Inspector of Animals

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit my report as Inspector of Animals for the year ending December 31, 1968.

All cattle brought in from out of state were identified by ear tag numbers and released.

An inventory of all livestock in the Town was completed and figures returned to the State.

Seven dog bites were reported and all animals were placed under quarantine and then released after inspection and full reports sent to the State.

Respectfully submitted,

ROBERT C. KENISTON
Inspector of Animals

Report of The Building Inspector

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit my report as Building Inspector for the year ending December 31, 1968.

The following permits were issued, at an estimated total of $932,310.00, total fees collected were $1,071.00.

13	New Dwelling	$220,500.00
7	Private Swimming Pools	12,300.00
27	Additions, alterations private homes	33,560.00
5	Additions to Business establishments and	
2	New Business Buildings	88,300.00
2	New Gasoline Stations	50,400.00
2	Municipal Buildings	515,000.00
3	Additions to private schools	11,000.00
6	Small sheds	1,250.00
7	Buildings Razed	

Included in the total fees collected, are fees for renewal of permits which were declared void because construction had not been started within the ninety days regulated by town by-law.

The largest permit issued was for the construction of the new Housing Authority complex in the amount of $500,000.00.

Once again I would like to thank the Selectmen, all other Town Officials, contractors and townspeople for their cooperation during the past year.

Respectfully submitted,

CLINTON E. BARTON, SR.
Building Inspector

Appropriation:	Salary	$400.00	
	Expenses	100.00	
	Expended		$500.00

Report of The Zoning Board of Appeals

To the Honorable Board of Selectmen
Plainville, Mass.

Gentlemen:

We are pleased to submit the following report of the activities of the Zoning Board of Appeals for the year ending December 31, 1968.

The Board received and accepted with regret, the resignation of three members throughout the year and will miss the fine work contributed by these gentlemen, Messrs. Richard Esten, Earl Peck and Richard Stackpole. To fill these vacancies, the Board welcomed Malcolm Buchanan, Thomas Mikulis and James Rinaldi.

There were eight cases handled throughout the year consisting of 1 Special Permit for construction, 4 Variance requests and 3 Gravel or Loam permits. Granted were 1 Special Permit, 3 Variances with 1 denied and 3 Gravel or Loam permits extended.

The Board received and paid to the Town Treasurer for applications and permit fees $175.00. It spent from its established budget $145.20 for postal fees, clerical work, advertising, stationary and dues.

We sincerely thank all Town Departments for their support and assistance during the past year.

Respectfully submitted,

GEORGE PRAY, Chairman

RICHARD PLANTE

FRANK McCABE

FRED TABER

MALCOLM BUCHANAN

THOMAS MIKULIS

JAMES RINALDI

THEODORE A. WICKMAN, Collector of Taxes

REPORT OF THE TAX COLLECTOR
Carol A. Barton

To the Honorable Board of Selectmen

Gentlemen:

I feel quite happy and pleased with my report of collections from March 6 to October 1, 1968.

Of the $114.358.76 uncollected taxes committed to me by the State Auditors, I have collected almost half of that figure. Included in this amount is $13,028.40 of 1968 Excise Taxes. Although my goal as Tax Collector was to reduce the uncollected figure to zero, I feel I have accomplished much in the few months I have held office.

With the constant help of Mr. Robert Driscoll and Mr. James Riley, State Auditors for the Commonwealth, I have been able to collect taxes and keep a very good system of posting collections to my books. They were very understanding and patient with me while I was learning my duties.

It is a struggle for some people to pay their taxes, but the good people who do pay, are wondering why so many others have been able to get by without paying. It is a shame that the previous tax collector did not clamp down on the uncollected taxes, because these unpaid taxes from 1963 through 1966 are going to be hard to collect. I am pleased that Norman Theriault was appointed as your new Tax Collector. I know he will try to do his best also, to help the Town of Plainville.

Without the help of my Deputy Collector, Mr. James Riley, much of the money collected would not have come to the town otherwise, as his continuous calls on some of the delinquent tax payers has shown us that this money can be collected if enforced. Most people realize this, and now know Mr. Riley has done a wonderful job for Plainville.

My sincere thanks to the Board of Selectmen, Town Clerk Austin F. Grant, Town Treasurer Lawrence F. Carpenter and all who assisted me during these past months. A special thanks to the townspeople who so ably supported me in my work.

Following is a list of monies collected:

COLLECTIONS

	1968	1967	1966	1965	1964	1963

Report of Civil Defense

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit my report as Civil Defense Director for the year ending December 31, 1968.

Appropriation		$1,050.00
Expended:		
C. D. Fire Department	$245.98	
Communications	12.55	
Office Supplies	12.86	
Postage	1.24	
Printing	25.00	
Rent	300.00	
Surplus Property	29.25	
Telephone	139.90	
Flood Emergency	270.70	
Total Expended		$1,037.48
Balance		$ 12.52

Civil Defense again this year made progress in some key areas but again because of a lack of funds could not make progress in others.

The big story of 1968 was the flood in March. Civil Defense along with the other municipal departments worked many many hours during the week of the flood.

Again this year we failed to replace any of the old radios of the Communications Service. The money we had earmarked for this purpose was spent on sandbags, pumps, etc. during the flood.

We are happy to report that the C.D. Fire Department added additional men during the year, and continued with their program of replacing some of their older more dilapidated equipment.

At the present time plans are being formulated to reorganize the C.D. Police Department, and to establish a radiological monitoring station

with trained monitors to operate it. Present plans call for this facility to be located in the Fire Station.

We wish at this time to thank all the other departments for their help and cooperation throughout the past year. We also want to extend a special thank you to the Boy Scouts and the other volunteers for their invaluable assistance during the March flood.

Respectfully submitted,

DANIEL H. HUNT, Director

Report of The Conservation Commission

To the Honorable Board of Selectmen

Gentlemen:

The Conservation Commission wishes to thank those who volunteered their services during 1968. In particular the Boy Scouts and Girl Scouts who have worked on Community beautification and the reopening of fire trails.

The commission conducted a "Conservation Day" with 75 scouts receiving an award for taking part.

Conservation areas are being improved through the application of lime and fertilizer. Feed strips for wildlife were plowed and seeded with winter rye.

The gravel pit area that is not being used has been scheduled for grading and seeding. Weather prevented this project in 1968.

Appropriation	$500.00
Expended	289.02
Balance	$210.98

Respectfully submitted,

RONALD FREDRICKSON, Chairman
Conservation Commission

Report of The Town Ambulance

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit my report for the year ending December 31, 1968.

Trips	200	
Mileage	3430 miles	
Patients	183	
Man Hours	475	
Total Billing	$2,060.00	
Billings collected and turned over to the Treasurer	$1,208.82	
Oxygen	24 tanks	
Appropriation		$1,200.00
Transfer E & D 12/18/68		150.00
Total		$1,350.00

Expended:

Ambulance Maintenance	$ 43.55	
Gasoline	127.90	
Laundry	203.95	
Supplies	72.28	
Oxygen	12.91	
Repair of E. & J Resuscitator	72.95	
Radio Maintenance	84.20	
Office Supplies	47.50	
Training (2 men Ambulance School)	70.00	
Salaries	614.40	
Total Expended		$1,349.64
Balance		$ .36

Ambulance Replacement Account:
Expended: 1 Model 30 all level Cot $218.88

All ambulances now have to be certified by the Commonwealth of Massachusetts, Department of Public Health, Division of Hospital Facilities.

Our ambulance was certified for this year with the understanding that we would furnish the equipment and supplies required. I therefore request that an article be inserted in the Warrant to purchase same from the Ambulance and Equipment Replacement Account.

Also with the opening of Route 495 we will be working with Foxboro, Mansfield, Wrentham, Franklin, Bellingham and the State Police on a Mutual Aid arrangement, Fire, Ambulance and Police. In order to have communications with these other Towns I would request that we purchase a radio on the frequencies of the Towns involved from the Ambulance and Equipment Replacement Account, and that an article be inserted in the Warrant to cover same.

Respectfully yours,

C. E. SKINNER, JR.
Chief of Fire Department

Report of The Board of Appeals

Honorable Board of Selectmen

Gentlemen:

The Board of Appeals is pleased to report another year of utter inactivity.

Apparently all other Boards, Committees, and Departments operated to the satisfaction of the townspeople to the extent that no situation or dispute requiring our services occurred. We view this turn of events with pleasure, and feel the town officers have functioned smoothly indeed.

May the year 1969 be as uneventful.

Respectfully submitted,

ROBERT W. HAYES, Chairman
ROBERT KENISTON
MELVIN DWYER

Appropriation — $200.00 Expended — $0.00 Balance — $200.00

Report of The Board of Fire Engineers

To the Honorable Board of Selectmen

Gentlemen:

We herewith submit our report for the year ending December 31, 1968.

Following is a list of calls answered by the Department.

Buildings	39
Auto	10
Flooded Cellars	131
Electrical	6
Lost Children	5
Practices	20
Accidents	37
Rescue	27
Transportation	58
False Alarms	11
Miscellaneous	92
Accidental Alarms	4
Sprinkler Surges	3
Lock-outs	26
First Aid	16
Investigations	35
Water in wells	8
Bomb Scares	4
Sanitize Cellars and Buildings	32
Mutual Aid	18
Grass and Brush	83
Total	665
Ambulance Trips	200
Grand Total	865

The services of the Fire Department continue to increase each year as the above will show. In 1967 we had 380 calls plus 184 Ambulance trips for a total of 564.

This year we had to have the pump on Engine 1 repaired and also had to put a second hand front end pump on Engine 2. We should pur-

chase a pumping engine next year as our equipment is becoming quite old. Engine 1 is a 1946 — 500 gallon pumper; Engine 2 is a 1952 — 500 gallon front end pumper; Engine 4 is a 1957 — 750 gallon pumper. We also operate a 1966 Ladder Truck; 1960 Rescue Truck; 1967 Ambulance; and a 1968 Chiefs' Car. We are requesting in our budget this year for monies to purchase a second hand chassis and front end pump to make a tank truck to replace Engine 3 which has been out of service for over a year.

Ten men again attended a two day Training Seminar this past September at Walpole, sponsored by the Norfolk Fire Chief's Association. Two men attended a four day advanced practical course on initial emergency care of the sick and injured at Harvard University sponsored by the Committee on Injuries and the American Academy of Orthopaedic Surgeons. A winter program of different subjects was offered by the Norfolk County Training Committee one night a month which was well attended.

Again this year the C.D. Auxiliary Fire Department served the Town in many instances and continues to be of much value to the regular Department.

We wish to take this opportunity to thank your Board, the officers and personnel of this Department, the C.D. Auxiliary Fire Department, Police Chief Robert Faille and the men of the Police Department, Superintendent of Streets, Everett Skinner and the men of the Highway Department, and all others who have assisted and cooperated with us during the year.

Respectfully submitted,

EVERETT HATT, Chairman
L. KENNETH BARNEY
WALTER COLEMAN
Board of Fire Engineers

Report of The Housing Authority

To the Honorable Board of Selectmen:

The Plainville Housing Authority has made very good progress this past year in getting construction started in the fall. An expected completion date is that of September, 1969.

The original plan called for thirty units. This has been increased to forty units.

LeRoy Wilson was appointed by the State to replace the former state appointee, Richard Flynn.

Many applications have been received by the Housing Authority from persons desiring occupancy. Upon receipt of forms from the state, one will be mailed to each applicant. These forms are to be properly filled out and returned to the Authority.

Respectfully submitted,

FRANCIS W. SIMMONS, Chairman
CLINTON E. BARTON, Vice Chairman
MELVIN F. DWYER, Secretary
WALTER T. FINK, Treasurer
LEROY B. WILSON, Ass't. Treasurer

Report of The School Committee

To the Citizens of Plainville:

In our fast changing and educationally demanding world, the nation as a whole, and each community in turn, is investing more and more in the education of its young people. This is expected to have a profound effect on the standard of living of our whole society and create a greater degree of personal freedom and well being for the individual. These stresses are becoming apparent in demands on the town, the educational profession, school committees, and all groups involved in the educational process.

The committee had to increase the frequency of its meetings from one to two per month to cope with the increased workload. The additional time afforded has been directed toward improving curriculum, teaching means and methods, coordination with other schools in the region, and generally to improve the efficiency and keep pace with present day demands on our elementary schools. Efforts are under way to particularly improve reading, math, science, music, and physical education programs in order to bring them into line with other elementary schools in the region and the Junior High School system.

We are pleased with the increased interest of parents in the reborn Parent-Teachers Association and the active participation of their members in our schools. However, we urge all interested townspeople to attend our school committee meetings, which have always been open to the public, and to come up with suggestions and constructive criticism for the improvement of our schools. Such attendance would provide first hand information as to what goes on behind the scenes and an insight into the duties, responsibilities, and activities of your elected school committee members.

The School Committee has recently voted to embark on a full kindergarten program beginning in September 1970 and is presently giving consideration to the type of program to be presented along with ways and means for effecting a smooth and efficient transitional period for all concerned.

Your committee has a fine appreciation for the need to promote and encourage a higher degree of responsibility and professionalism on the part of all teachers and is constantly on the alert to institute new and improved programs and methods which will help to accomplish this. In

this regard, during the past year we have been holding conferences with supervisors and department heads in order to obtain their views and exchange ideas with a view to upgrading and strengthening various aspects of our educational program.

Recently much needed and very necessary repairs were made to the roof at the South Street School, and this has been followed up by painting and brightening the water damaged areas. The committee recently made inspection tours of both schools, and it was evident that certain areas need specific attention. The South Street School has had no major repairs for eighteen years and thought is being given to setting up a regular yearly improvement and repair program to be spread over a period of years.

The State Board of Education has set up guidelines which provide that each school committee with less than 2,000 pupils under its jurisdiction on December 31, 1968, shall submit a plan to implement inclusion in a school district maintaining and operating a complete kindergarten-grade 12 educational program, governed by a single school committee and one superintendent. This plan must be forwarded to the Commissioner of Education by December 31, 1969, which means that the local committee must begin directing their thinking along this line.

The lighting situation in the yard at the South Street School and the drainage problem on Route 106 in front of the Anna Ware Jackson School have had the attention of the school committee, and both of these problems have been corrected satisfactorily.

We have been diligently working on making sure that the facilities, equipment, and educational curriculum at both the South Street and Anna Ware Jackson Schools are comparable. Assignment of pupils at both schools is determined essentially by geographical consideration. Any deficiency which presently might still exist with regard to initial equipment due to the newness of the Jackson School will be corrected within the coming school year.

The School Committee is looking toward making the Anna Ware Jackson School a complete six grade unit. It follows then that essentially the same quality of education is provided for all children regardless of the school building to which they are assigned.

We continue to seek for ways and means to provide within the Plainville public schools the best possible systems and methods available to us at the price we feel is fair and reasonable for Plainville. Increasing

salaries, cost of equipment, repairs and maintenance, extended curricula, etc., will cause a continuing upward pressure on the budget that can no longer be controlled locally. We are confident, however, that progress can be made in spite of state and federal controls, and we shall not relax our efforts until we are much more satisfied that our schools are among the best in the district.

The Committee wishes to extend thanks to all those associated with the schools, including the town departments, for their cooperation and assistance during the past year. We thank the P.T.A. for placement of outdoor basketball baskets and backboards at the Jackson School, and we are most grateful to those mothers who so willingly and capably assist in the library programs.

Respectfully submitted,

ROBERT W. ROOT, Chairman

HELEN A. SMITH, Secretary

FRANCIS P. BUITING

BRUCE A. HAYES

Report of The Superintendent of Schools

To the Plainville School Committee:

I consider it a privilege to submit my ninth annual report.

Introduction

It has been my policy to try to maintain a reasonably consistent pattern in my annual report so that comparisons can be made from year to year. Each paragraph heading in this report defines a critical area and may be compared with other years. The items also serve as references and records for years to come. By reading these reports any citizen can get a pretty good idea of the past and present size, organization, staffing, operation and cost of the Plainville School System.

Enrollment

The September 1968 first grade enrolled 135 pupils as compared to 90 in 1967. Total enrollment was 679, with 493 at the Elementary School and 186 at the Anna Ware Jackson School. All totals were about what we estimated.

Teaching Staff

Mrs. Phyllis Martin returned to Plainville Elementary School after three years in Rhode Island. New teachers added in September are Mrs. Paula Smith, Mrs. Barbara Fluck, Miss Cheryl Jordan, Miss Jo-Ann Bourgeois, Mrs. Sarah Woods, and Mr. Louis George at the Elementary School. Miss Marilyn Washburn and Mrs. Lynne Reynolds are new at the Jackson School. Mrs. Carolyn Cooper began teaching full time and Mrs. Janet Cooke part time. Miss Louise B. Spier retired in June as Art Supervisor, with Mrs. Rita Oster assuming this position in September. Miss Jill Lomasney finshed the 1967-68 year for Mrs. Doreen Harlow.

Principals

Mr. Edward Keaney remained at the Elementary School and Mr. William R. Skitt continued as teaching principal at the Jackson School.

School Facilities

All twenty rooms at the Elementary School are being used. One room is available at the Jackson School. For the 1968-69 school year rooms are used as follows:

	Elementary School	Jackson School
Grade 1	3	2
Grade 2	3	1
Grade 3	4	1
Grade 4	3	1
Grade 5	2	2
Grade 6	4	
Ungraded Class	1	
Opportunity Class		1
Special Class		1

Some first and fifth grade pupils who normally would expect to attend the Elementary School were assigned to the Jackson School this fall. This may be necessary any year to maintain reasonable class sizes.

Federal Programs

1968 Federal Fund totals were: Title I ESEA $4,825, Title II ESEA $1,326.89, Summer Head Start $6,702, NDEA $502.41 — Total $13,356.30.

State Aid

At the present time it is impossible to determine the amount of State Aid that the town will receive in 1969. In 1966 we received $76,793.26, in 1967 the amount was $112,076.26, and in 1968 $162,763.69 was received. We can determine the entitlement but the actual receipts depend on the amount collected by the Commonwealth. We have been actually getting 55% of our entitlement.

Lunch Programs

Mrs. Evelyn Snell directs the lunch program for both schools. Mrs. Elwyn Wolowicz, Mrs. Priscilla Hayden and Mrs. Janet Marchand operate the Elementary School lunchroom. Mrs. Mary Gaboury and Mrs. Helen Bigelow operate the Jackson School cafeteria, replacing Mrs. Muriel LaPorte who moved out of town and Mrs. Charlotte Bagley who resigned.

Library

Although we have spent more money on library books in the past four years than maybe in the entire time that Plainville has existed as a town, we still need to do more. $5,000 is not much when converted into books. Every effort is being made to improve our library system.

Custodians

Al Pothier, Aram Pothier, Pauline Pothier, and Frank Sienko maintain the buildings and equipment. No changes were made this year.

Curriculum

In cooperation with the other towns in the region, we have been studying our curriculum and looking for areas in need of change or common adoption. Modern math is our present area of concern. Actually we do have a pretty good modern math program with Harcourt, Brace & World Company. Regardless of what program we adopt, Grades 7, 8 and 9 are a separate segment and do not depend on a common base in Grades 1-6. However, we do plan to adopt the same program in all three towns by September 1969. We will not change all grades but will change two grades at a time.

Conclusion

I would have to characterize the 1967-68 school year as a good, solid, steady one with nothing spectacular to highlight it. We do have a new roof on the Elementary School and a play area at the Jackson School. We are trying to establish a common modern math program for September 1969. We are using more audio-visual equipment now but can still expand in the use of this media.

I wish to thank the School Committee and all personnel who have worked together to make this a successful school year.

Respectfully submitted,

CARL W. GREEN,

Superintendent of Schools

Report of The Principal of the Plainville Elementary School

Dear Mr. Green:

I consider it a privilege to submit this second annual report to you, and I will attempt to outline the significant events and developments during the school year of 1968.

Curriculum

During 1968 a greater emphasis was placed on health and penmanship instruction. A committee was organized to formulate and structure a health program which would fulfill the needs of the Elementary school child. This committee is under the direction of Mrs. Jeannette Pray, R.N., and its members are Miss Georgina Griswold, Mrs. Phyllis Martin, Mr. Kenneth Moore and Mrs. Wendy Reynolds.

Each month a specific health topic is presented to the children, such as consumer education, nutrition, social development, etc. Safety is a predominant theme of this program with some aspect of safety education presented each month.

The teachers are provided with supplementary information and instructional materials by the committee, which has utilized such sources as the Massachusetts Department of Education, the American Medical Association and the Massachusetts Dairy Council.

The teaching staff has been advised to place greater emphasis on penmanship skills, with further investigation and implementation in this area expected during 1969.

"Growth in Arithmetic" by Harcourt, Brace & World, Inc., is still the basic math text and course of study for our system. However, many teachers, having taken modern math courses, have introduced various phases of the modern concept in their instruction, utilizing transparencies, filmstrips, films and various other aids. As you are aware, and mentioned in your report, investigation is presently under way at the regional level to coordinate a similar math program for all three towns.

The subject matter content has remained the same in other areas of curriculum. Meanwhile, teachers have utilized a progressive, modern-

istic approach in regard to their method of instruction. This has been accomplished by a truly professional dedication toward self-improvement by attendance at lectures, seminars, county and area workshops, and by taking advantage of various courses being offered at the local colleges and universities.

Pupil Testing Service

One of the most outstanding developments in our school program was in the area of individual pupil testing. We were most fortunate to have trained, certified personnel on our staff who could provide this most important and necessary function. Administration and teachers were provided with the proper evaluative criteria for handling specific learning disabilities, thus fulfilling the school's responsibility in meeting the needs of all the children.

I would like to thank and express my appreciation to Mrs. Florence Glynn and Mrs. Phyllis Martin who conducted our testing program.

Field Trips

As in the past, our third and fifth grades had the opportunity to visit places of educational interest and value. Two of our third grade classes went to the Children's Museum and the other class went to the Museum of Science with the Jackson School third grade. The fifth grade classes from both schools visited aboard the U.S.S. Massachusetts, now permanently enshrined in Fall River as the official Bay State World War Two Memorial.

A special highlight took place in early June when myself, the sixth grade teachers and children, and many hardy and dedicated chaperones, ventured forth from Plainville to the exciting metropolis of New York City. When the visit was first suggested, some apprehension was expressed due to the large number of children involved and the many complications which might arise from a trip of this nature. In my opinion, and I believe this would be attested to by most of the children and adults, the trip was a resounding success. This was due primarily to the exemplary attitude and cooperativeness on the part of our boys and girls.

Some of the major points of interest were the United Nations Building, Bronx Zoo, and the general area of lower Manhattan, including Battery Park and the Statue of Liberty. When our excursion had been completed we were all delighted to dine at one of New York's famous Automats.

Regional Communication

Myself and Mr. Skitt have been meeting regularly with the principals and guidance counselors from the other towns in our region. These meetings are intended to provide a deeper insight into the function and operation of each school's program from grade one through grade twelve, with special emphasis on developing an ease of transition as the child progresses from the elementary to the secondary levels.

Acknowledgments

It was again deeply gratifying to be associated with the splendid staff which we are so fortunate to have here in Plainville. In particular, I wish to express my thanks and appreciation to the supervisors and teachers who have exhibited a continuing dedication toward their profession and the children. Also, I would like to thank the lunch and custodial staff for their help and cooperation. Sincere appreciation and gratitude is extended to Mrs. Lomasney and her group of volunteer mothers who have made our library operation so successful. To Mrs. Pray, our school nurse, and Mrs. Lunn, our secretary and administrative right arm, many thanks for their invaluable aid.

I would like to express my gratitude to the P.T.A. for their fine work and assistance in helping to improve the school operation, and also the several town departments who have cooperated so generously during the year.

It has been a distinct pleasure working with Mr. Skitt and his outstanding group at Jackson School. They can well be proud of an excellent school operation, and I would like to convey a much-deserved expression of appreciation for their assistance.

Finally, I would like to express my gratitude to you for your invaluable counsel and assistance.

Respectfully,

EDWARD L. KEANEY, Principal

Report of The Principal of the Anna Ware Jackson Elementary School

I hereby submit the annual report of the Principal of the Anna Ware Jackson School for the year ending December 21, 1968.

A number of significant and educationally noteworthy events occurred at the Jackson School during the past year, my first as the School's principal. An enrollment increase of approximately twenty per cent from 155 to 198 pupils necessitated the creation of an additional first grade classroom. Despite this fact, the Plainville school system still manages to maintain an extremely favorable pupil-teacher ratio, which is acknowledged as so essential to a modern and educationally effective learning program.

Significant accomplishments are never the work of one individual, and I would be remiss if I did not mention the excellent faculty and staff with whom I work. Their friendly, cooperative and progressive manner, and their innate sensitivity to the needs of children, make the school's personnel a distinct pleasure to work with. To improve themselves professionally and to remain contemporary with the vast amount of new knowledge available to educators, most faculty members took courses offered at various area institutions. Their efforts in compiling and selling a cookbook resulted in their being able to donate 67 new volumes to our library. The people of Plainville can justly feel proud of this fine group of professional people.

Strengthening the offerings of our library received a great deal of my attention this year. Through donations from the Plainville Teachers' Association, Miss Louise Spier, the Jackson School faculty, interested individuals and a United States Government Title II grant, we were able to add many new selections to our library. With more and more current educational emphasis being placed on the school library as one of the most important and integral aspects of a modern learning program, more money and more time will have to be expended in this area.

The recognition of individual learning disabilities and assessment of scholastic success was undertaken through the administration of a comprehensive testing program. Lorge-Thorndike intelligence tests were given to all students in Grades 3 and 5. Achievement was assessed in the Iowa Test of Basic Skills administered to Grades 3, 4 and 5, and the

Stanford Achievement Test given to Grade 2. Considerable emphasis and effort was expended to identify children's learning disabilities as early as possible in their school experience. Qualified teachers administered the Wexler and Stanford-Binet intelligence tests to individual students when it was deemed necessary. Also utilized were clinical psychologists and the facilities of the Cutler Clinic in Norwood. Eyes and ears were tested by Mrs. Pray, the School Nurse.

I was privileged to attend and participate in the principal's meetings involving the schools of the regional district. Much was accomplished through the interchange of ideas, and as these meetings continue I feel many more educational benefits will be accrued by all participating communities. Primary emphasis thus far has been in the areas of curriculum coordination and in the articulation of educational objectives.

Our students were privileged to attend and participate in many fine assembly programs. Playground facilities were improved through the repaving of the playground and the purchase of additional equipment by the Plainville Parent-Teacher Association and the School Fund.

Much of my effort was expended in the development of an operative philosophy and revision of the teachers' handbook, inventory of audio-visual aids, supply requisition system, and continued development of school-community relations.

In conclusion, let me express my deep appreciation for the cooperation extended to me by the people of Plainville, the Plainville Teachers' Association, Plainville Parent-Teacher Association, the Police, Fire and Highway Departments, Mrs. Norman Varney and her volunteer library staff, and particularly to Mr. Green and Mr. Keaney for their invaluable assistance.

In the Jackson School the people of Plainville have much to be proud of, a modern facility, dedicated teachers, and polite, eager and enthusiastic children with whom it is a pleasure to work. It has given me a great deal of satisfaction to have been a small part of this very successful and rewarding year.

Respectfully submitted,

WILLIAM R. SKITT, Principal

ORGANIZATION

Mr. Charles F. Winter, Chairman

Mr. Edward B. Brown, Vice Chairman

Mrs. Marilyn D. Ware, Secretary

Mr. David K. Moulaison, Treasurer

SUPERINTENDENT OF SCHOOLS

Mr. Charles L. Manos
84 Boardman Street
Norfolk, Massachusetts 02056

SUPERINTENDENT'S OFFICE

Mrs. Paul F. Sheehan

Mrs. Elton I. Franklin, Jr.

Mrs. Laurette M. Cruickshank

Mr. David K. Moulaison

Regular meeting of the School District Committee every first and third Monday at King Philip Regional High School at 8:00 P.M.

Report of the Chairman

As always many differing problems have been on the Committee's agenda during the past year. In late 1968 Mr. David Eaton resigned his position as Superintendent of Schools in order to become associated with Boston University. On December 16 at a joint meeting of the King Philip Regional School District Committee and the Town of Norfolk School Committee Mr. Charles Manos was elected to the Superintendency of the two systems in accordance with a written agreement of the committees. Mr. Manos has been a Principal in the King Philip system since 1964.

In mid-1968 the two committees established a new position of Administrative Assistant to the Superintendent and Mr. David Moulaison was appointed to fill the position. On September 1, 1968, Mr. Moulaison was also appointed Treasurer of the District.

At this time a year ago it appeared that the State Board of Education would shortly begin to apply pressure on school committees with respect to minimum standards for pupil-teacher ratios. The pressure instead is being applied on incorporating and/or consolidating small school district into larger units. Each school committee with less than 2000 pupils under its jurisdiction on December 31, 1968 must submit a plan to the Commissioner of Education by December 31, 1969 as to how it shall become a part of a school district maintaining and operating a complete K-12 educational program containing at least 2000 pupils governed by a single school committee with one superintendent of schools.

The simplest way for the King Philip Regional School District Committee to comply with this directive is to present a plan which would add the Grades K-6 of the three district Towns of Norfolk, Plainville, and Wrentham to the present 7-12 unit. This may or may not coincide with the plans that the three local committees must submit. In any event the four committees have set us a series of joint meetings to attempt to determine a satisfactory common plan if possible.

The Collective Bargaining Act has added significantly to the time that committee members must volunteer. I take this opportunity to thank all the members of the committee for their active participation and regular attendance at our many sessions during this past year.

Respectfully submitted,

CHARLES F. WINTER, Chairman
King Philip Regional School
District Committee

Report of Superintendent of Schools

I am extremely pleased to submit this combined report as superintendent of schools and high school principal.

Introduction

As our educational system has developed the goals of secondary education have been defined in many ways. These goals usually include preparation for higher education, preparation for vocational endeavors and preparation for life. Our responsibilities therefore are: to attempt to develop all students to their fullest potential; to train students to become capable of making intelligent decisions, and to help perpetuate the basic ideals upon which our country was founded. These basic concepts are really interlocking facets of the same fundamental attitude toward education, for only as the individual is assisted in reaching his potential can he be expected to make a vital, meaningful contribution as a citizen of his community. We must strive to see that each student is given the opportunity and assistance to reach his maximum fulfillment so that these goals become possible.

Program of Studies

A vital part of any school program, and an essential item if we are to achieve our stated goals, is the program of studies. In the King Philip Regional School District we are constantly reviewing all facets of our course of studies to ascertain whether the program currently being offered effectively meets the needs of the students. Department heads, principals, teachers and guidance personnel meet to discuss possible additions, deletions, or adjustments in the current program.

A total revision of the social studies curriculum has been undertaken by members of the department. During the past year, extensive meetings have been conducted using a variety of resource people for the purpose of revamping the curriculum. The successful culmination of their efforts has resulted in a stronger, more current social studies curriculum with such courses as sociology, economics, African Studies, Asian Studies and comparative government.

Other additions to the program of studies next year are Modern Literature, Drama and Typewriting III. In the junior high school, Mechanical Drawing and a new course combining mathematic and art, and changes in the social studies curriculum will be introduced during the next school year.

Impending Space Problems

One of the problems facing us in the near future at the regional high school is the lack of adequate classroom facilities. We are utilizing the present facilities at approximately 98% of capacity this year and have virtually no room for expansion. Based on present enrollments in the junior high school and in the elementary schools of the district, with no allowance for new students entering the regional area, the student enrollment projections for the next eight years are:

	High School		Total	
	Vocational	Academic	High School	Jr. High
1968-69	100	893	993	569
69-70	100	939	1039	610
70-71	100	1060	1160	626
71-72	100	1102	1202	649
72-73	100	1195	1295	696
73-74	100	1259	1359	699
74-75	100	1322	1422	707
75-76	100	1348	1448	Not Avail.
76-77	100	1403	1503	Not Avail.

Foreign Language

The importance of foreign language study has continued to be emphasized at the King Philip Regional High School. Students are urged to take as many years of a foreign language as is offered in order to derive the greatest benefits from the study of the language. The language laboratory provides an important elaboration of the entire foreign language program. Many new materials are being used in the laboratory to improve the students' comprehension of the foreign language. Students have the opportunity of hearing a variety of native speakers on tapes and records, as well as recording their own voices. The supplementary materials and equipment improve the instructional program by offering more content and developing greater student skills

Business Education

Additional federal funds received this year under the Vocational Education Act were used to complete the new listening laboratory in the business education department. This valuable aid enables students to

progress according to their own abilities. New courses are being considered for addition to the curriculum in the area of typing and a work-study type program.

Mathematics

In a cooperative effort with the business education department, the mathematic department this past year introduced a new course in general mathematics, stressing fundamentals of business mathematics for those students desiring to enter the business curriculum.

Science

This year, the science department introduced two new programs on the ninth grade level. The Biological Science Curriculum Study program and the Earth Science Curriculum Study program were adopted to offer laboratory-oriented courses to grade 9 students. The department has also been working on a study of water pollution in the surrounding areas. This project, carried on by the advanced biology and chemistry classes and the Bio-Chemistry Club, is designed to offer students an insight into scientific research as well as to reinforce concepts learned in the classroom.

English

Moving ahead in a variety of areas, the English department has now completed its development of a sequential course in grammar and in vocabulary building. For the first time a standard term paper format has been accepted by all teachers in the high school. In an effort to expand the English curriculum, new courses in Modern Literature and in Drama will be offered next year.

Music

At the Christmas Concert in December, the members of the band proudly displayed their new uniforms to the large audience in attendance. In addition to their numerous appearances during the year at football games and in parades, the band members worked diligently on two candy drives to assist in defraying a substantial part of the cost of their new uniforms.

Reading

We truly feel that it is imperative that all students learn to read efficiently if they are to succeed academically and in their future lives.

A second teacher was added at both the high school and junior high school to help cope with this problem of reading. Also, the regional school district again sponsored a successful remedial program in reading for all students in the district. This was made possible through Title I federal funds.

Social Studies

The major project of the Social Studies Department for the past school year was an extensive study to revise the present curriculum. The study consisted of examining the philosophy in relation to the needs of our students and evaluating the curriculum offerings in comparison with national projects and other schools in the state. In addition, staff members took curriculum courses and attended conferences or workshops. The department has also continued its work in strengthening and enriching the areas of history, civics and geography with N.D.E.A. projects based on long-range plans to provide students of these areas with materials for independent study and instructional enrichment.

Students of Social Studies have also had a variety of activities to enrich their studies through team teaching, the use of resource speakers, field trips and participation in youth conferences and forums. Several outstanding events were the student exchange with South Boston High School, the mock U.N. sponsored by the Hockomock League, and the Law Day visit to the district court.

In September we welcomed Mr. William Costa as the new principal of the King Philip Regional School — North. Mr. Costa came well recommended and is doing an outstanding job. We are indeed fortunate to have added such a fine professional educator to our staff.

Acknowledgements

I would like to express my appreciation to Mr. Walter White, Assistant Principal, Mr. Francis X. O'Regan Jr., Director of Guidance, and to all faculty members of the King Philip Regional School District for their cooperation during the past school year. It is vital that all members of the staff unite to provide our children with the best education possible.

A special word of thanks goes to all secretaries, custodians and cafeteria workers for their efforts on behalf of the students of our communities. These are the unheralded workers who do so much behind the scenes.

Finally, I would like to express my appreciation to the members of the King Philip Regional School District Committee for their complete cooperation with me in my past role as high school principal. I would also like to take this opportunity to thank the King Philip Regional School Committee and the Norfolk School Committee for appointing me as the new Superintendent of Schools. I will strive to live up to the confidence and trust you have placed in me by naming me to this position.

Sincerely yours,

CHARLES L. MANOS

Report of the Principal
King Philip Regional High School

It is with pleasure that I submit my first Annual Report as Principal of the King Philip Regional School — North.

The junior high school was originated to meet the particular needs of rapidly maturing students by providing a period of transition between the elementary and high schools. The responsibilities of the junior high school include the preparation of students by sharpening skills, increasing knowledge, and developing proper attitudes including the qualities of self-reliance, independence, and individual responsibility. The methods, materials, and the total personnel of the school are devoted to these tasks. Each year the body of knowledge to be learned changes. There are new methods and materials. The students and teachers are changed by their experiences and in that they sense they are different each year. Innovation with the intent of becoming more efficient and more effective is a necessity. In keeping with that philosophy extensive innovations have been introduced within the year.

French is now being offered in a two year sequence. By allowing two years to complete the equivalent of the ninth grade French curriculum there is a more realistic time period for increased mastery. Facility in English and Reading is one of the primary criteria for learning French. To prepare other students to take French in the future all students not enrolled in French are enrolled in Developmental Reading to improve an area strongly correlated with success in a Foreign Language.

Intramural athletics are scheduled throughout the school year for boys and girls. The response of the students to the program has been outstanding. Individual and team sports are available. Competition, personal health, physical fitness, and maximum participation are stressed. Physical fitness testing and the use of the physical therapy room for remedial activities have been incorporated into the Physical Education curriculum.

The Student Council continues to become a more important factor in school life sponsoring public service activities, dances, and other student activities as well as providing a source of student opinions and ideas.

Many activities have commenced that will continue in the ensuing school year. A textbook replacement program has been instituted to replace obsolescent and worn textbooks on a rotating five year basis.

The Guidance and Administrative personnel are preparing a guidebook for incoming pupils explaining the policies, procedures, and opportunities existing in the school.

The Science Program is being expanded to make the laboratory the focal point of Science education. Science will be an active experience for all students. The textbook will supplement the program.

The English Program will make use of a listening center in the Library equipped with sets of earphones for group listening to poetry, short stories, classics, and dramatic recordings. The students have also participated in plays that provide entertainment for other students as well as teaching poise, diction, and the other skills related to dramatics.

The Social Studies teachers are investigating new curriculum materials to improve those aspects of the program concerned with tobacco, alcohol, narcotics, race relations, and moral values.

The Art and Mathematics teachers are developing a course combining Art, Geometry, and Architecture to show the interrelationships of the factors inherent in design. The course will be team taught by members of both departments. The abstract and practical aspects of Mathematics will be illustrated to make Mathematics a more realistic and meaningful activity for students.

The school is well-equipped with Audio-Visual equipment. This year the provision of materials to be used with that equipment will be stressed. Filmstrips, audio-tapes, transparencies, and disc recordings will be purchased for use in all curricula areas.

Mechanical Drawing will be introduced for all junior high boys to be taught by the Metal and Wood Shop Instructors.

Administratively we are more nearly approaching individualized student scheduling. The last period of the day is scheduled as a universal study period throughout the school providing time for Band, Chorus, student meetings, special help, and other activities without the necessity of excusing students from academic classes. The students are

also served at three rather than two lunches providing more room and faster service. There is more time to eat lunch in a more relaxed atmosphere. The awards program is also being revised to provide suitable and consistent awards for athletic and academic participation and achievement. Curriculum guides are being reviewed and rewritten throughout the school year. Special Education programs for the emotionally disturbed and perceptually handicapped are also being investigated. Regular meetings have been established with the Principals of the Elementary schools who send pupils to the Regional Secondary schools and with the Junior-Senior High School Guidance Staff to facilitate the exchange of meaningful information, improve the ease of transition for the students in moving between levels, and correlate other activities and studies that will contribute strength to the entire educational program. It is a busy and, I feel, productive year.

I greatly appreciate the opportunity of being Principal of the King Philip Regional School — North and I sincerely thank all of those who have been of such great assistance in helping me assume the responsibilities of the position.

Respectfully submitted,

WILLIAM J. COSTA

Principal

Report of the King Philip Regional Vocational High School

In June 1968 there were eighteen graduates from the Vocational High School. There were eleven students graduating from the carpentry division and seven from the machine shop division.

All of the Vocational School graduates are either in the service, employed in the field of work for which they were trained, or in apprenticeship programs.

Three of the carpentry graduates were enlisted in the construction battalion of the United States Navy. Because of their vocational training and trade experience they were enlisted at a higher grade level than is customary for a high school graduate. It would take a regular graduate approximately two years to reach the same grade level.

One of our former machine shop student graduates is working for a concern as a state certified tool maker.

The Vocational School enrollment as of October 1, 1968, was one hundred and five. There were eighty-six boys and nineteen girls. The nineteen girls are in the high school vocational home economics program.

On Sunday, June 9, 1968, there was an open house held at the eighth new home. This latest home was constructed for Mr. and Mrs. John Geisselman and is located on Valerie Drive in Plainville, Massachusetts. There were many visitors who attended the open house exhibit. Expressions of approval of the building program as well as the quality of workmanship performed by the students was voiced by the visitors.

At the present time the advanced carpentry students are mid-way in the construction of the latest new home. The completion of this latest house will represent the ninth building that has been built by the vocational carpentry students. As customary, the first year students received their instructions in hand tools while the older students use both machine and hand tools while working on the various shop jobs.

The work done in the shop is on cabinets, bookcases, tables, bulletin boards, portable buildings, playground equipment, etc. This work is done for the school departments, municipal departments, churches, charitable

organizations, the students, and the general public. The work done for the school departments and the municipal departments represents a saving to the taxpayers in the district.

The machine shop students receive their training by making many different kinds of machine tools and replacement parts for the school equipment, etc.

The reading program for vocational students that was inaugurated last year is continuing this year and there are approximately thirty-five boys enrolled who need assistance in varying degrees.

The reading classes are held each afternoon for one period after the regular school day. Transportation home for these students is furnished by the school bus that leaves at 3:45 each afternoon. Achievement tests show that all of the boys who started in the program last year improved their reading ability in varying amounts. The results prove that this is an important addition to the overall program.

The Vocational School is still continuing with the co-operative programs. At the present time there are nineteen different businesses and industries that have been given approval by the Vocational Bureau of the State Department of Education. Not all of these establishments are active, but all are available for a program. The co-operative students attend the school classes for one week to receive instruction in their academic and related subjects. The second week the students are mployed by the co-operative concerns where they receive practical shop experience. The students' progress is watched very closely. If at any tim he falls behind in his classroom work, or if he is not receiving the proper variety of training on the job, then he will be returned to the school on a full time basis. The co-operative program is for the senior students only.

Some of the companies continue the co-operative student in an apprenticeship program after he graduates from the Vocational School. Because of his vocational training and background he is not required to attend the full time of the apprenticeship program. The attendance time is shortened by at least one year or more.

The Norfolk Bristol County Regional Vocational Technical School that was approved by the planning board is at the present waiting for the

towns involved to appropriate money to publish a brochure. When the brochure is ready it will be mailed to all residents in the towns that form the region.

Some time after the brochures have been circulated it will be recorded as an article in the warrant to be presented to the people at a town meeting asking them to decide if they approve of this type of an educational program.

The vocational director and staff will continue to do their best to serve the youth in this area.

Respectfully submitted,

PRESTON I. TITUS

Director

Adult Education Yearly Report

This year the enrollment will exceed six hundred students in the various adult education classes.

It is expected that there will be approximately thirty-four different classes held during the year. The duration of the classes ranges from six to twenty-five weeks and there are trwenty-six different teachers employed. The number of clock hours of a class ranges from eighteen to one hundred and fifty. Classes are being held four evenings each week and are being conducted at the King Philip Regional High School in Wrentham and the King Philip Regional School North in Norfolk.

Those students who successfully complete a class will be awarded a certificate of achievement.

The evening courses are divided into three catagories:

I. Vocational Practical Arts: These courses are designed to help people in home making and a more satisfying use of leisure time. Classes being held are in beginning and advanced sewing, rug braiding, knitting, rug hooking, tailoring, decorative painting, floral craft and decorations, slip covers and draperies, interior decorating, and flower arranging.

II. Vocational Apprenticeship: A course is being held for apprentice machinists. This course is for men who are serving an apprenticeship or learning a trade, and is held for 150 hours each year and the complete course covers four years. The course gives training in math, science, blueprint reading, and history related to the trade.

III. Academic Classes: The classes being held this year are in English, typing I and II, bookkeeping, office machines, speedwriting, painting, chemistry, slimnastics, securities and

investing, tennis, golf, and safe boating.

Several of the academic courses are offering credits that are acceptable to the State Department of Education, Division of University Extension, and may be applied toward a state high school diploma.

The King Philip Regional District will continue to offer educational courses to the many adults in the area who wish to continue their education.

Respectfully submitted,

PRESTON I. TITUS

Report of the Director of Guidance

High School

The Guidance Department has begun to feel the strain of increased enrollment in grades nine through twelve during 1968. At the present time, the two counselors at the high schol are assigned approximately 370 students, each of which is very close to the maximum of 400 students to one counselor allowed by the Massachusetts State Department of Education. This situation should be alleviated in July of 1969 with the addition of a full time counselor at this level and should provide a good ratio of students to counselors until June of 1973, barring any unforeseen population explosion.

During 1968, there have been nearly 2600 individual conferences with students, parents, teachers, and other interested parties, at the high school level. The conferences have covered a wide field, such as educacational planning, occupational planning, financial and scholarship aid, study habits, planning educational programs, school and personal adjustment, attendance, and others too numerous or individualistic to mention. An aid to post high school educational: planning has been the visits of thirty-nine representatives of colleges and institutions of higher learning. Another valuable aid acquired by the guidance department this past year, is the College Viewdeck, a sophisticated dated retrieval system adapted for student use. It analyzes characteristics common to all two and four year institutions and those with which students are most concerned as they attempt to choose the college best suited to their needs.

A counseling area of equal concern is Occupational Counseling for the terminal high school student. In 1968, this service was expanded, with numerous employment representatives visiting the high school to speak to the students. This program was conducted in conjunction with local employers and also with the cooperation and assistance of Northeastern University Career Information Center. A representative of the Massachusetts Division of Employment Security spoke to all seniors entering the labor market regarding the services of this agency, as well as the job openings available in this area. In 1969, lines of communication have been established with the manager of the Attleboro office and it is envisaged that this service will be vastly increased by a job placement bulletin beginning in April. During the latter part of 1969, the new counselor will concentrate on this area in order to develop a more viable program of information as an adjunct to the counseling services.

The school consultation program, in conjunction with the Leslie Cutler Clinic, Norwood has shown tremendous growth, both at the junior and senior high school levels. There were 103 consultations with the representative of the clinic and counselors, administrators, teachers, and special service personnel, including single and multiple discussions of particular cases. In sixteen cases, the parents contacted the Cutler Clinic for service or for referral to the resources. Of this number, four are in treatment, four in diagnostic evaluation, and three awaiting diagnostic evaluation. In addition, four students have been placed in residential treatment centers due to the severity of their emotional problems.

The number of transcript requests has shown the greatest growth during the past twelve months. In 1968, there has been a 27% increase over 1967; 1419 transcripts in the following categories were sent out:

Grade 12	(207 students)	1062
Graduates		279
Transfers		78
		1419

This has necessitated increased clerical work for both Mrs. Davis, the secretary, and for the counselors. In the case of the grade 12 students, each transcript must include an evaluative paragraph on the student's academic and personal strengths and weaknesses.

Junior High School

Two new counselors were hired this year at the Junior High School to replace Miss Gail Wexler, who moved to Connecticut, and Mr. Stanley Hamilton, who was transferred to the High School staff. Mr. Joseph P. Lojko Jr. arrived on August 12, 1968, and Miss Deana Ruvich took up her duties on September 3, 1968.

There have been in excess of 1800 guidance conferences since September, involving students, staff, and parents. In addition, the counselors have attended nearly 50 professional meetings and conferences. The guidance staff also continues to be available every second and fourth Wednesday evening of each month, by appointment, for the convenience of working parents.

All grade seven students, as well as grade eight students new to the system, were given the Otis-Lennon Mental Ability Test. The Differential Aptitude Test was administered to all grade eight students. The Iowa Test of Basic Skills was administered last spring and the results are being sent home through the students. Through the results of the Iowa achievement tests, a study was conducted to determine areas of strength and weakness.

Throughout the first marking period, recommendations were received, evaluated, and acted upon regarding the proper placement of youngsters.

Counseling sessions are continuing throughout the year. These will involve students, primarily, but will frequently take in parents and teachers. It continues to be the experience of this department that many students require more frequent counseling in the area of personal and social problems, although academic and course selection problems are also common.

Pupil Personnel Services

In May of 1968, the Director of Guidance was also appointed Director of Pupil Personnel Services, with the following areas of supervision: Speech and Hearing, Physically Handicapped, Visually Handicapped, Mental Health and Rehabilitation, Perceptually Handicapped, Mentally Retarded, and Emotionally Disturbed. This step was an effort to coordinate and supervise the special service areas and to develop new programs within grades 7 through 12.

At the present time, the District has three classes for the mentally retarded students with a total enrollment of 29 students. In the past year, a class for the trainable retarded was added at the junior high school, with an enrollment of five students. Procedure regarding evaluation and intake to the classes have been developed and implemented. Since August of this year, 23 students have been administered individual intelligence tests because they gave evidence of retardation. The majority of this testing was accomplished at the junior high school level by the guidance counselors.

Four students have been receiving home instruction because of physical handicaps. This program is co-sponsored by the State Department of Education and, like all the areas of pupil personnel service, is reimbursed by the State Department of Education.

In the area of Speech Therapy, the District has a part-time Speech Therapist and, at present, 98 students in grades 7 through 12 are receiving speech therapy.

Ten students have been referred to the Massachusetts Rehabilitation Commission which provides vocational and educational rehabilitation services to those disabled persons who need them in order to secure and retain gainful employment.

In the areas of the perceptually handicapped and emotionally disturbed, studies have been under way in these areas as to the philosophy, organization, and implementation of these programs. In addition, the studies are also taking into consideration the various Federal Projects already existing in adjacent communities.

In the area of Health, 849 students had routine physicals by the School Physician and 42 were referred for further diagnosis and/or treatment. Over 1425 students were given hearing and eye tests. 100 students were referred for hearing defects and 221 were referred for vision defects.

Drop-Out Study

A tally and classification of school leavers at the junior and senior high schools during the twelve month period ending October 1, 1968, are as follows:

	Boys	Girls
1. Was not interested in school	0	1
2. Preferred work	8	4
3. Failing	0	0
4. Financial Reasons	0	0
5. Ill health	0	0
6. Marriage	0	1
7. Disliked subject or teacher	0	0
8. Parents wanted pupil to leave school	0	0
9. Entered Armed Services	3	0
10. Other	2	0
	13	6

By Grade:

Grade 7		Grade 8		Grade 9		Grade 10		Grade 11		Grade 12	
B	G	B	G	B	G	B	G	B	G	B	G
0	0	0	0	4	3	3	0	4	1	2	2

Local statistics indicate for this period the King Philip Regional School District has a drop-out rate of 1.2%, with 98.8% of the school population remaining in school. This is the fourth consecutive year that the drop-out rate has remained below the 2% level.

Follow-Up — Class of 1967

Summary	Per Cent
Receiving Higher Education	57.9
Employed	29.7
Home	04.1
Armed Services	07.6
Unemployed	00.7

Educational and Vocational Placement	Per Cent
College and Universities	33.8
Junior Colleges	07.6
Nursing Schools	04.8
Secretarial/Business	05.5
Technical Schools	05.5
Preparatory Schools	00.7
Beauty Culture	00.0
Art Schools	00.0
Armed Services	07.6
Employed	28.3
Married — employed	01.4
Married — at home	04.1
Unemployed	00.7

Follow-Up Class of 1963

The Guidance Department conducted a five year follow-up study of the Class of 1963. There were 128 students in this class and 87 individuals (68%) who responded to the survey. The following is a summary of the follow-up in numerical form:

Summary

1. Attended Graduate School	10
2. Attended Institutions of Higher Education	61
3. Employed	50
4. Armed Services	19
5. Married	36
Educational Placement	
1. Colleges and Universities	36
2. Junior Colleges	5
3. Nursing Schools	5
4. Business/Secretarial	3
5. Technical Schools	7
6. Preparatory Schools	1
7. Beauty Culture Schools	3
8. Art Schools	1
	—
	61

Conclusion

In addition to the many duties and responsibilities discussed in this report, three of the counselors have taken further courses at the graduate level in order to expand their knowledge in the field. All counselors, the speech therapist, and the teachers in the mentally retarded classes have Master's Degrees or will receive their degrees shortly. Many of these staff members are active in professional organizations after the regular school hours, which greatly enhances not only their knowledge of their field, but brings them into contact with leaders in education and gives them an opportunity to contribute locally as well as on a State-wide basis.

The cooperation of the school committee and school administration has been outstanding and their continued support and assistance assures continued growth in guidance and the pupil personnel service areas.

Report of the Personnel Board

To the Honorable Board of Selectmen

Gentlemen:

Since the inception of the Personnel By-Law and Personnel Board, the past year, 1968, has by far been the most active. Herewith are some of these activities and some thoughts for the future:

The Board has joined the Massachusetts Municipalities Personnel Association, whose aim and purpose is to communicate the activities of personnel boards throughout the state.

We have reviewed with and agreed upon numerous changes to the Personnel By-Law with the By-Law Review Committee and plan on continuous updating and modernizing of same.

We have clarified the role of the Personnel Board as the arm of the Selectmen to interpret the Personnel By-Law, to review employee grievances and to assure updating of competitive wages and benefits.

We met with representatives of the Town employees to discuss and recommend a wage and benefit package for 1969. Some of these include an overall 4% cost of living increase for full-time employees, accumulative sick leave and a more reasonable vacation structure.

We hope to, in the ensuing year, have a better line of communication and relationship with all Town departments and meet with each and every one to obtain this goal. To this end we have initiated studies to establish formal job descriptions of every position in Town, revise personnel information forms, develop an efficient personnel record keeping system and review Plainville's salary scale with the Massachusetts survey.

In passing, to help clarify a point or two, we note here that the Personnel Board has no jurisdiction over salaries of elected officials. The past year has also shown some confusion to procedure, format and authority of the Personnel Board, notwithstanding some confusion on our part also; these we also hope to clarify and resolve in the near future.

We accepted with regret the resignation of Robert Firth from this board.

To conclude, be advised below of our 1968 financial budget status.

GEORGE LEMIRE
GAEL KELLY

REPORT OF COMMITTEE TO SECURE A TOWN PHYSICIAN

To the Honorable Board of Selectmen

Gentlemen:

This committee has interviewed four doctors whom have shown interest in coming to Plainville.

However, the lucrative offers of other towns and groups have lured these physicians elsewhere. Space availability, for office and home facilities have also played a prominent role in a physician not locating here at present.

This committee at present is interviewing a doctor at a Rhode Island Hospital, and this, if matters beforementioned are resolved, could result in our obtaining a physician for the Town of Plainville.

Respectfully submitted,

ANTHONY G. NADEEM
PAUL F. RIOUX
JOHN J. RONAN
JOHN F. MacDONNELL

Annual Report

of the

SELECTMEN

BOARD OF WELFARE

and

BOARD OF HEALTH

of the

TOWN OF PLAINVILLE

MASSACHUSETTS

For The Year Ending December 31st, 1968

Report of The Board of Selectmen

To the Citizens of Plainville:

We, the Selectmen of Plainville, herewith sumbit our report for the year ending December 31, 1968.

In January, the Board of Selectmen organized the By-Law Review Committee, a committee appointed to study our Town By-Laws, and to make recommendations for changes, some of which are to be voted on at the March 1969 Annual Town Meeting.

The Conservation Commission appeared before the Board of Selectmen requesting that the Board enforce the General Law, Chapter 266, Section 126, "Defacing Natural Scenery," which was approved by this Board on October 17, 1967. This chapter refers to the nailing of signs on trees and it was so voted to oversee the enforcement of this law.

Masslite Inc. has taken the necessary steps to eliminate approximately 95 per cent of the dust which emanates from their manufacturing process. This result was attained through the concerted efforts of Masslite's new General Manager, Mr. Russell Kenney, the Board of Selectmen, and the Anti-Grit Committee, this committee being a citizens group led by three Plainville housewives, Mrs. Richard Kelley, Mrs. Macon Bryant, and Mrs. Ernest Pothier.

On March 18, 1968, the Board of Selectmen proclaimed that a State of Emergency, involving the health and safety of persons and property had existed in the Town due to the abnormal rainfall in excess of 5 inches in less than a 24-hour period which resulted in road washouts, flooded cellars, resulting in no heat for some of our citizens, failure of telephone facilities and other general facilities which the Town was unable to cope with without additional expense over and above their normal expenditures. Your town departments: Fire, Highway, are to be commended for their fine efforts and dedication to the citizens of Plainville during this crisis.

There were varous hearings held in relative to underground and above ground storage of gasoline and other volatile substances for which permits were issued during the past year as prescribed by the General Laws.

An organizational meeting was held to organize the 18 former members of the Town's Area Redevelopment Association Committee for the purpose of up-dating the O.E.D.P. plan for the Town. The Committee worked hard and long and submitted an excellent and detailed up-dating of this plan.

Throughtout the year, various resignations were received and appointments made to fill the vacancies created.

Tax Collector Carol A. Barton, elected in March 1968, resigned as of October 1, 1968 due to her moving to Cape Cod, and Normand A. Theriault was appointed to fill the interim vacancy until the March 1969 Town elections.

Donald J. Peck resigned as Acting Chief of Police on October 23, 1968, and Robert R. Faille was appointed Acting Chief of Police effective the same date.

Throughtout the year this Board conducted hearings on New England Telephone and Telegraph and Massachusetts Electric Company pole locations in various sections of Town and granted the necessary permits to cover these installations.

The Highway Dept. completed repairs to various private ways in Town as voted by you, at Town Meeting. Roads repaired were, Elm Way, Zellar Avenue, Branch Avenue, Hoynes Road, and Martin Lane. The Board authorized the Fire Chief to send two firefighters to Ambulance School in Boston conducted by Harvard Medical School. These firefighters are also the ambulance attendants on our Town Ambulance, and upon returning from this school, conducted training sessions and passed on their knowledge gained at school to the other members of their department. The men of the Fire Department also attended seminars conducted at Sturdy Hospital on patient treatment, handling, etc. in transportation of ambulance patients.

The resignation of Herbert Morse, who for many years served as Dog Officer, was accepted July 1, 1968, and Joseph Calzaretta was appointed Dog Officer effective the same date.

Various alcoholic violations were received from the A.B.C. and proper action was taken in accordance with the nature of the violations against the holder of the license involved.

A new ballot box is to be purchased by the Town for use at Town Elections, and this Board also proposes to increase the number of voting booths now in use.

Renovations have been made to the Garford Building as per your appropriation of $15,000.00 for this purpose at the Annual Town Meeting. This building is now partially heated, and is now entirely constructed of exterior block walls for use by the Town for storage of Highway and Fire Trucks. The work which was done on this building greatly improved its appearance and also its usefulness.

On July 1, 1968, the effective date came for the Commonwealth of Mass. to assume the responsibility for the Welfare Dept. of the Town of Plainville. This Board had gone on record as apposed to the take-over. Nevertheless, the fiscal responsibility for welfare was assumed as of July 1, 1968, and the state-wide chaos that has developed since, is now history. We hope that the State comes up with some stop-gap measures to reduce the spiraling costs of welfare under their new program.

The Board of Selectmen voted to close Belcher Street to thru traffic and allow Joseph Lorusso of Plainville Sand and Gravel to bring this road to new grade and apply bituminous concrete to the roadway to the Foxboro Town Line. All work is to be done to the satisfaction of the Highway Superintendent, Everett Skinner, Sr., and the Board of Selectmen.

The Board of Selectmen wish to thank Highway Superintendent, Everett Skinner, Sr., and the men of his department, Fire Chief, Clarence E. Skinner, Jr., and the men of his department, Police Chief, Robert R. Faille, and the men of his department, all other Town Departments and the Townspeople for their fine support and understanding.

Respectfully submitted,

RAYMOND V. MILLER, Chairman

ROBERT E. LOEW

Board of Health Report

To the Citizens of Plainville:

We herewith submit our report for the year ending December 31, 1968. This Board met on numerous Saturdays throughout the year to make sanitary inspections, not only of complaints received, but also inspections of all food establishments, Rogers Nursing Home, and any establishments which do not hold a Common Victualers License. Many sanitary complaints were investigated by this Board and also Mr. Putnam Steele, Sanitary Inspector, whose recommendations are sought on solutions to these complaints. We wish to thank Mr. Steele for a job well done.

Once again this Board requests Parents to notify us regarding communicable diseases.

This Board has on file the following list of dangerous diseases:

Dog Bites	7
T. B.	1
Mumps	2
Scarlet Fever	3
Chicken Pox	6
German Measles	1

It is our hope to have a measles clinic and also a DPT clinic, if and when the serums are made available to us from the State Department of Public Health, in the coming year.

Numerous Sanitary percolation tests were approved for various new buildings throughout the year.

All retail food establishments were inspected, and certificates of compliance to State Standards were issued on approval, by this Board.

Several rental properties were condemned by this Board as a result of complaints received and inspections made, and condemnations were removed upon compliance by the property owner with the Board of Health stipulations. There is still one condemnation outstanding as of Dec. 31, 1968.

During the early months of 1968, this Board had numerous complaints in regards to Cumberland Farms Inc., trucks hauling and spilling liquid manure on roads and land in Plainville. Through constant surveillance

and pressures brought to bear on this company, this problem does not exist at the present.

This Board signed a three year contract with Mr. E. Gucwa for garbage collection for the Town at a cost of $5,000.00 per year.

Several meetings were held during the year with representatives of the District Nursing Association in regards to increasing their services to the Town. As a result of these meetings, we found there is a definite need for closer contact between the Board of Health and the patients being cared for by the District Nurses.

During the past year, the conditions existing at the Town Dump on Cowell Road have been discussed. Unauthorized dumping by out-of-town firms and out-of-town residents have been listed as causes of random dumping and unauthorized burning. Control over the dump, especially where it is open 24 hours a day is difficult to obtain. However, we are studying several methods to obtain tighter control of this facility including the erection of a gate and fencing on the road side of the dump and perhaps the issuance of stickers to residents of the Town to facilitate apprehension of violators. The Conservation Commission has been most helpful in offering solutions to this matter, and the Police Department for watching surveillance of nighttime dumping.

The Board of Health would like to thank all Department Heads and the townspeople for their fine support given us during the past year.

Respectfully submitted,

Plainville Board of Health

RAYMOND V. MILLER, Chairman

Report of Agent for Board of Selectmen

To the Honorable Board of Selectmen
Gentlemen:

As Agent for the Board of Selectmen three appearances in Court with Town Counsel and Mr. Loew of the Board of Selectmen resulted in a judgment against a person residing in a building without a certificate of occupancy, and the building being erected without a permit.

Investigations were made of complaints by the Zoning Board of Appeals relative to violations of the zoning by-law. Investigation of complaint relative to non-authorized use of a building led to a public hearing, which was held on October 22, 1968 and resulted in the operation of this garage being halted.

All restaurants, clubs and inn holding liquor licenses were inspected before the renewal of licenses for 1969.

I wish to thank the Board of Selectmen, and all Town Officials for their help and the townspeople for their cooperation during this past year.

Respectfully submitted,

CLINTON E. BARTON, SR.
Agent for the Board of Selectmen

C-2	72.00	77.00	82.00	87.00
C-1	55.00	60.00	70.00	75.00
PW-5	118.25	123.63	129.00	134.38
PW-4	107.50	112.88	118.25	123.63
PW-3	102.13	107.50	112.88	118.25
PW-2	96.75	102.13	107.50	112.88
PW-1	86.00	91.38	96.75	102.13
PS-4	118.25	126.31	134.38	142.44
PS-3	112.88	120.94	129.00	137.06
PS-2	107.50	115.56	123.63	131.69
PS-1	80.53	86.00	91.38	96.75
S-1	145.13	150.50	158.56	166.63

by 4%, said increased rates to be effective with the first pay period commencing on April 1, 1969, Or do or act in any manner relative thereto.

t. In Article VII, Compensation Plan by adding as follows:

I-7 $300.00 annually

or do or act in any manner relative thereto. (Personnel Board) ⅔ vote

ARTICLE 8. To see if the Town will vote to amend Article I, Section 1 of the Town By-laws by deleting "One Auditor" from the town officers to be elected for term of one year and to authorize the Board of Selectmen to appoint an Auditor for a term not exceeding one year, or do or act in any manner relative thereto. (⅔ vote)

ARTICLE 9. To see if the Town will vote to have the surety bonds of the Collector of Taxes, Treasurer, Town Clerk, Secretary of the Water Department and Clerk of the Selectmen, placed with a fidelity or guarantee company and appropriate the sum of $430.00 to pay for same, or do or act in any manner relative thereto.

ARTICLE 10. To see if the Town will vote to authorize the treasurer, with the approval of the Selectmen, to borrow money from time to time, in anticipation of the revenue for the financial years beginning January 1, 1969 and January 1, 1970, in accordance with provisions of General Laws, Chapter 44, Section 4, and to renew any note or notes as may be

given for a period of less than one year, in accordance with the provisions of General Laws, Chapter 44, Section 17, or take any other action relative thereto.

ARTICLE 11. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the treasury, the sum of $20,000.00 for a Reserve Fund to provide for the extra-ordinary unforeseen expenses, as authorized by Section 6, Chapter 40, General Laws, or do or act in any manner relative thereto.

ARTICLE 12. To see if the Town will vote to accept the provisions of Chapter 90 of the General Laws, and raise and appropriate, or transfer from unappropriated available funds in the Treasury, the sum of $10,550.00 for Chapter 90 Highway Maintenance, or do or act in any manner relative thereto.

ARTICLE 13. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the Treasury, the sum of $14,650.00 for Chapter 81 Highways, or do or act in any manner relative thereto.

ARTICLE 14. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the treasury, the sum of $12,050.00 for Chapter 90 Highway Construction, or do or act in any manner relative thereto.

ARTICLE 15. To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury, the sum of $2,731.12 for permanent road construction on Hawkins Street, or do or act in any manner relative thereto.

ARTICLE 16. To see if the Town will vote to raise and appropriate the sum of $1,294.11 or any other sum, for the control of insects and Dutch Elm Disease, ($594.11 for Insect Pest Control and $700.00 for Dutch Elm Disease), as provided by Chapter 657, Acts of 1956, and to be expended under the direction of the Moth Superintendent, or do or act in any manner relative thereto.

ARTICLE 17. To see if the Town will vote to raise and appropriate the sum of $1,000.00 for the Conservation Fund, to be used by the Conservation Commission for Conservation purposes, including the purchase of land, or do or act in any manner relative thereto.

ARTICLE 18. To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury, the sum of $1,250.00 ($500 for Certification, $750 for Radio) for Town Ambulance, or do or act in any manner relative thereto.

ARTICLE 19. To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury, the sum of $1,293.72 ($174.36 Bond Issue and $1,119.36 Hospital Tax) this being the amount assessed to Plainville for Norfolk County Hospital, or do or act in any manner relative thereto.

ARTICLE 20. To see if the Town will vote to transfer from the Fire Department Apparatus Fund, the sum of $7,500.00, to the Stabilization Fund, under authority of Chapter 40, Section 5B of the General Laws, or do or act in any manner relative thereto.

ARTICLE 21. To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury, the sum of $25,000.00 for the Stabilization Fund, under authority of Chapter 40, Section 5B of the General Laws, or do or act in any manner relative thereto.

ARTICLE 22. To see if the Town will vote to authorize the School Building Committee appointed under Article 1 of the Special Town Meeting of November 17, 1962 to complete the construction and initial equipping of the Anna Ware Jackson School and to raise and appropriate the sum of $3,014.62 for this purpose, and to determine how said sum shall be raised, whether by taxation of by transfer from available funds, or do or act in any manner relative thereto.

ARTICLE 23. To see if the Town will vote to raise and appropriate the sum of $1,000.00 to reprint any or all of the Town By-laws (General, Zoning, Building, Personnel, etc.) said sum to be spent under the direction of the By-Law Review Committee, and to authorize said Committee to establish and maintain a standard indexing system for said By-laws, or do or act in any manner relative thereto. (By-Law Review Committee)

ARTICLE 24. To see if the Town will vote to install an 8 inch water main on Fletcher Street, southerly to Elizabeth Street, then to Riley Street, the distance of 800 feet. The sum of $6,000.00 to be transfered from available funds from the Water Department Account under Chapter 40, Section 20, General Laws, or do or act in any manner relative thereto.

ARTICLE 25. To see if the Town will vote to install a 6 inch water main, from Broad Street southerly to Pleasant Street, the distance of 300 feet. The sum of $2,175.00 to be transfered from available funds from the Water Department Account under Chapter 40, Section 20, General Laws, or do or act in any manner relative thereto.

ARTICLE 26. To see if the Town will vote to install a 6 inch water main on George Street northerly, from James to Ewald Avenue, a distance of 500 feet. The sum of $3,625.00 to be transfered from available funds from the Water Department Account under Chapter 40, Section 20, General Laws, or do or act in any manner relative thereto.

ARTICLE 27. To see if the Town will vote to raise and appropriate or transfer the sum of $1,500.00 to resurface the roadway into the Town Park and the Parking Area behind the Town Offices, or do or act in any manner relative thereto.

ARTICLE 28. To see if the Town will vote to accept section 97A of Chapter 41 of the General Laws for the establishment of a Police Department, and to amend said Section 97A of Chapter 41 of the General Laws hereby accepted by deleting "In any such Town in which such appointments are not subject to Chapter 31, they shall be made **"annually"** and the Selectmen may remove such chief or other officers for cause at any time after a hearing," and inserting in place thereof "In any such Town in which such appointments are not subject to Chapter 31, they shall be made **"continuous"** and the Selectmen may remove such chief or other officers for cause at any time after a hearing.", or do or act in any manner relative thereto. (⅔ vote required)

ARTICLE 29. To see if the Town will vote to install street lights at the following locations, and raise and appropriate a sum of money to pay for same:

1 Street light Cooney Avenue.
4 Street lights Valerie Drive.
1 flood light Water Department Pumping Station.

or do or act in any manner relative thereto.

ARTICLE 30. To see if the Town will vote to raise and appropriate the sum of $268,310.00 for the purpose of remodeling, reconstructing or making extra-ordinary repairs to an existing building (Garford Building) located on South Street so as to convert such building to Fire, Police and Civilian Defense Headquarters facilities, and to determine whether the

money shall be provided for by appropriation from available funds in the treasury, transfer of funds from the Post-War Rehabilitation Account, Sale of Real Estate Account, and by borrowing or otherwise, and if by borrowing, to authorize the issuance and sale of bonds and notes of the Town therefor, or do or act in any manner relative thereto. (⅔ vote required)

ARTICLE 31. To see if the Town will vote to authorize the Board of Selectmen to acquire on behalf of the Town by purchase or by eminent domain for the purpose of and/or incidental to a municipal building that certain parcel of land situated on the northerly side of Cottage Street bounded as follows:

South by Cottage Street 90.78 feet;
West by Town of Plainville land 87.98 feet;
North by Town of Plainville land 77.20 feet;
West by Town of Plainville land 62.07 feet; and
North by Town of Plainville land 13.58 feet; and
East by land formerly of Earl F. and Margaret Barney, 150.05 feet, more or less. Being a portion of the land shown on Assessors Plans Sheet 12 Parcel 146 now owned by Gordon S. and Clare T. Proal.

And to raise and appropriate the sum of $3,500.00 for this purpose and to determine how the appropriation shall be raised, whether by taxation, transfer from available funds in the Treasury, transfer of funds from the Post-War Rehabilitation Account, Sale of Real Estate Account, and by borrowing or otherwise, and if by borrowing, to authorize the issuance and sale of bonds and notes of the Town therefor, or do or act in any manner relative thereto. (⅔ vote required)

ARTICLE 32. To see if the Town will vote to raise and appropriate the sum of $50,000.00 for the purpose of remodeling, reconstructing or making extra-ordinary repairs to an existing building (Town Office Building) located on South Street, to contain expanded Town Office facilities; determine whether the money shall be provided for by taxation, from available funds in the Treasury, transfer of funds from the Post-War Rehabilitation Account, Sale of Real Estate Account, and by borrowing or otherwise, and if by borrowing, to authorize the issuance and sale of bonds and notes of the Town therefor; or do or act in any manner relative thereto. (⅔ vote required)

ARTICLE 33. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the Treasury, the sum

of $20,000.00 to be expended under the dlirection of the Board of Selectmen, to continue improvements of the Garford Building, or do or act in any manner relative thereto.

ARTICLE 34. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the Treasury, the sum of $3,000.00 for the purpose of placing police, fire and highway radio antennas on top of new town water standpipe on East Bacon Street, or do or act in any manner relative thereto.

ARTICLE 35. To see if the Town will vote to amend the By-Laws of the Town by striking therefrom Article XVII (Soil, Loam, Sand, or Gravel Removal) in its entirety, or do or act in any manner relative thereto. (⅔ vote required)

(Explanation) Most of these requirements are covered in the Zoning By-laws and those which are not, are picked up in the following articles, or will be picked up in the ensuing year by the By-Law Review Committee. (By-Law Review Committee)

ARTICLE 36. To see if the Town will vote to amend the Zoning By-Law of the Town by striking therefrom Article I, Section 1.4 (Penalty) in its entirety and inserting in lieu thereof the following:

"1.4 Penalty — Unless otherwise specifically provided herein any person violating any of the provisions of this By-Law shall be fined not more than $50.00 for each offense. Each day that such violation continues shall constitute a separate offense," or do or act in any manner relative thereto. (⅔ vote required. By-Law Review Committee)

ARTICLE 37. To see if the Town will vote to amend the Zoning By-Law by adding in Article III (General Regulations) a section 3.8.3.5 as follows:

"3.8.3.5. The owners of land in Plainville which has been or may hereafter be excavated shall erect suitable barriers or take other suitable measures so that such excavation does not constitute a hazard to public safety. If in the opinion of the Board of Selectmen a hazard to public safety does exist, the Board of Selectmen shall notify the owner in writing and specify the barriers and/or other suitable measures to be taken, which shall be carried out within five days by the owner or owners," or do or act in any manner relative thereto. (⅔ vote required. By-Law Review Committee)

ARTICLE 38. To see if the Town will vote to amend the Zoning By-Law by adding in Article III (General Regulations) a section 3.8.8. as follows:

"3.8.8. Penalty. The penalty for violation of any provision of this section shall be $50.00 for the first offense, $100.00 for the second offense, $200.00 for each subsequent ofense," or do or act in any manner relative thereto. (⅔ vote required. By-Law Review Committee)

ARTICLE 39. To see if the Town will vote to amend the Zoning By-Laws and Zoning Map of the Town of Plainville to the extent necessary to change the following described property from its present classification, to the classification RD:

Easterly	by a line parallel to and 300 feet westerly from the westerly line of Taunton Street;
Southerly	by the existing RD zone;
Westerly	by a straight line which is an extension to the north of the westerly line of the existing RD zone; and
Northerly	by Turnpike Lake.

or do or act in any manner relative thereto. (⅔ vote required)—(A petitioned article)

ARTICLE 40. To see if the Town will vote to abandon Peterson Road and to authorize the Selectmen to execute, acknowledge and deliver in the name and behalf of the Town of Plainville a deed of the interest of the Town of Plainville in said Peterson Road to Henry A. Peterson for one dollar ($1.00), or take any action relative thereto. (A petitioned article)—(⅔ vote required)

ARTICLE 41. To see if the Town will vote to abandon the way known variously as "Dark Hole Road," "Deep Hole Road," or "Ellis Pond Road" at the portion hereafter described:—Beginning at a wall corner in the southeasterly side of said Road, the wall corner being about 885 feet northeasterly of Taunton Street as measured along said Road; thence northeasterly by a wall and said Road, about 276 feet to the Route #1-495 Interchange; thence northerly about 25 feet to the northwesterly side of said Dark Hole Road; thence southwesterly by said Road, about 290 feet; thence crossing said Road, about 25 feet southeasterly to the point of beginning; all as shown on that plan entitled "Plan of Land in Plainville, Mass. Drawn for Freedman and Petkun, April 1967, Scale 1 inch equals 80 feet, Revised Jan. 1969, The W. T. Whalen Eng. Co., or do or act in any manner relative thereto. (⅔ vote required)

ARTICLE 42. To see if the Town will vote to accept a conveyance of an easement from Irvin Petkun and Arthur Freedman of the following described circular parcel of land, said land to be used for the purpose of a traffic turn-around circle:

The circle is to be 100 feet in diameter, and the center thereof is located 50 feet in a northeasterly projection from the wall corner (said corner being described in another article in this Warrant to abandon a part of Dark Hole Road), and being a continuation of the wall, all as shown on that plan entitled "Plan of Land in Plainville, Mass., Drawn for Freedman & Petkun, April 1967, Scale 1 inch equals 80 feet, Revised January 1969, The W. T. Whalen Eng. Co.", or do or act in any manner relative thereto. (⅔ vote required)

ARTICLE 43. To see if the Town will vote to authorize the Selectmen to convey by quitclaim deed to Arthur Freedman and Irvin Petkun for One Dollar ($1.00), the following described land:—

The way known variously as "Dark Hole Road, "Deep Hole Road," or "Ellis Pond Road," at the portion hereafter described:—Beginning at a wall corner in the southeasterly side of said Road, the wall corner being about 885 feet northeasterly of Taunton Street as measured along said Road; thence northeasterly by a wall and said Road, about 276 feet to the Route #1-495 Interchange; thence northerly about 25 feet to the northwesterly side of said Dark Hole Road; thence southwesterly by said Road, about 290 feet; then crossing said Road, about 25 feet southeasterly to the point of beginning; all as shown on that plan entitled "Plan of Land in Plainville. Mass. Drawn for Freedman & Petkun, April 1967, scale 1 inch equals 80 feet, Revised Jan. 1969, The W. T. Whalen Eng. Co.", or do or act in any manner relative thereto. (⅔ vote required)

ARTICLE 44. To see if the Town will vote to authorize the Board of Selectmen to appoint a committee of five persons to be known as the Town Government Study Committee to investigate the feasibility of reorganizing the Town government, combining and/or consolidating town departments and/or offices or officers, establishing a Town Manager form of government and related revisions in the Town Government, said committee to report at the next annual town meeting with its recommendations, if any. Or do or act in any manner relative thereto.

ARTICLE 45. To see if the Town will vote to accept the following by-law under Article I of the Town By-Laws:

"The nomination of all candidates for Town Officers required to be voted for by official ballot at its annual meeting, shall be made by nomi-

nation papers as provided by Chapter 53, Section 6 of the General Laws, and no political party caucus nor town caucus shall be held for the nomination of said candidates," or do or act in any manner relative thereto. (⅔ vote required)

ARTICLE 46. To choose any committee and hear the report of any committee and act thereon.

And you are directed to serve this Warant by posting copies thereof in seven (7) public places in said Town, seven (7) days at least before the time of holding said meeting.

Hereof, fail not, and make due return of the Warrant with your doing thereon, to the Town Clerk at or before the time and place of said meeting as aforesaid.

Given under our hands this eleventh day of February in the year of our Lord one thousand nine hundred and sixty-nine.

RAYMOND V. MILLER, Chairman

ROBERT E. LOEW

ROBERT R. FAILLE

Annual Report

of the

TOWN CLERK

of

PLAINVILLE, MASSACHUSETTS

For the Year Ending December 31st, 1969

OFFICE OF TOWN CLERK

Town of

Plainville, Massachusetts

April 22, 1969

To: Bessie Barton of said Plainville:

Dear Madam:

By virtue of the authority in me vested, with full power of revocation, I do hereby appoint you Assistant Town Clerk of said Plainville, with all powers, duties and authority appertaining to said office.

AUSTIN F. GRANT

Town Clerk

WARRANT

FOR THE ANNUAL TOWN MEETING

MONDAY, MARCH 3, 1969

THE COMMONWEALTH OF MASSACHUSETTS

Norfolk, ss.

To Either of the Constables of Plainville:

Greetings:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Plainville qualified to vote in Town affairs, to meet in the Elementary School Auditorium, South Street, in said Plainville on

MONDAY, THE THIRD DAY OF MARCH 1969 A. D.

at eight o'clock in the forenoon, then and there to act on the following articles viz:

ARTICLE 1. The following Town Officers to be chosen by ballot viz: One Town Clerk, One Auditor, One Moderator, One Tree Warden, and Three Constables for One Year. One Selectman, Board of Health: One Assessor, One Water Commissioner, One Trustee of the Public Library, One member of the School Committee for three years. One Tax Collector for two years. Two members of the Regional School District Committee; one for three years, and one for one year; two members of the Park Commissioners; one for three years and one for two years; three members of the Finance Committee; two for three years and one for two years; one member of the Housing Authority for five years; two members of the Planning Board; one for five years and one for three years; and the following question:

QUESTION NO. 1

Shall the town extend contributory group hospital, surgical and medical insurance to elderly persons retired from the service of the town and to their dependents with fifty per cent of the premium cost, a portion of the administrative expense and the payment of a surcharge of subsidiary rate to be paid by the town?

YES	
NO	

For this purpose the polls will open at eight o'clock in the forenoon and shall be closed at eight o'clock in the evening.

For the consideration of all other Articles in this Warrant the meeting shall stand adjourned to the Third Monday in March at 7:30 P. M. in the Auditorium of the Plainville Elementary School on South Street in said Town.

ARTICLE 2. To choose all other necessary Town Officers not named in Article 1 for a term of one year.

ARTICLE 3. To consider and act on the reports of the Selectmen, Treasurer and other Town Officers.

ARTICLE 4. To see if the Town will vote to accept the provisions of Chapter 81 of the General Laws.

ARTICLE 5. To see if the Town will vote to fix the salary and compensation of all elective officers of the Town as provided by Section 108 of Chapter 41, General Laws, as amended, as follows:

or do or act in any manner relative thereto.

ARTICLE 7. To see if the Town will vote to amend the Personnel By-Law as follows:

a. In Article I, Section 1.02-6 by deleting the word "officer."

b. In Article II, Section 2.06-3 by adding the sentence, "Written job descriptions of all employees under the jurisdiction of the Personnel Board shall be made available to the Board by Department Heads."

c. In Article II, Section 2.06-10 by deleting the word "action" (after the word any) and substituting the words "changes in the Compensation Plan."

d. In Article II, by adding a new section 11, as follows:

"Review with the Department Heads all salary and wage changes to be included in their departmental budgets for the ensuing year and make recommendations to the Selectmen."

e. In Article IV, Section 4.01.1 by deleting the words "with the approval of the Personnel Board."

f. By striking Section 4.02 and inserting in lieu thereof the following - "Section 4.02 - Overtime Provision.

Any town employee, including the Superintendent of Streets but excluding all others in the Supervisory Group, who performs extra time work over his regularly scheduled work day or work week shall be paid for the overtime work at the rate of one time his basic hourly rate or hourly equivalent of the rate established for his respective position by the Compensation Plan Schedule."

g. In Article V, Section 5.01-1 by deleting the sentence beginning "In the case of an emergency....." and replace with: "In the case of an emergency declared by the Board of Selectmen, a Department Head may, subject to the limitations of the departments appropriation, employ part time employees at the minimum of grade without requirement of prior approval of the Personnel Board."

h. In Article VI, Section 6.02 Part Time and Seasonal Group by adding "Clerk, Senior, Part Time..... M-3" after Ambulance Attendant, etc.

i. In Article VI, Section 6.02 Inspection Group by adding "Meter Reader.....1-7."

j. In Article VII, Section 7.04 by deleting Section 7.04 in its entirety. (Initial applications of the Compensation Plan)

k. In Article VII, Section 7.05 by renumbering it 7.04 (Holiday Pay).

l. In Article VII, renumbered Section 7.04-1 (Holiday Pay) by adding two new holidays as follows:

Washington's Birthday..... Third Monday in February
Patriots' Day..... Third Monday in April

m. In Article VIII, Section 8.01-2 by deleting the words "but less than 15 years," and replacing with "up to and including 10 years."

n. In Article VIII, Section 8.01-3 by deleting the words "for 15 years or more," and replacing with "more than 10 years, up to and including 20 years."

o. In Article VIII, Section 8.01 by adding a new Section 8.01-4 as follows:

Section 8.01-4 Vacation leave of four calendar weeks with full pay shall be granted to any such employee who has been continuously employed by the Town for 20 years or more.

p. In Article VIII, Section 8.01 by renumbering Sections 8.01-4, 8.01-5 and 8.01-6 to 8.01-5, 8.01-6 and 8.01-7 respectively.

q. In Article XI, Section 11.02-1 by deleting it in its entirety and substituting with: "To be granted by the Department Head, with the approval of the Personnel Board, for a period of up to and including seven days per year at regular pay for full time employees, effective after ninety calendar days of employment. This leave to be accumulative from year to year."

r. In Article XI, Section 11.02-2 by deleting the words "five days in any calendar year," and replacing with "accumulative leave."

s. In Article VII, Compensation Plan by increasing the minimum, maximum and all intermediary step rates of each and all classifications or compensation grades as presently shown on compensation plan under titles

	Minimum	Weekly		Maximum
C-3	$ 80.00	$ 85.00	$ 90.00	$ 95.00
C-2	72.00	77.00	82.00	87.00
C-1	55.00	60.00	70.00	75.00
PW-5	118.25	123.63	129.00	134.38
PW-4	107.50	112.88	118.25	123.63
PW-3	102.13	107.50	112.88	118.25
PW-2	96.75	102.13	107.50	112.88
PW-1	86.00	91.38	96.75	102.13
PS-4	118.25	126.31	134.38	142.44
PS-3	112.88	120.94	129.00	137.06
PS-2	107.50	115.56	123.63	131.69
PS-1	80.53	86.00	91.38	96.75
S-1	145.13	150.50	158.56	166.63

by 4%, said increased rates to be effective with the first pay period commencing on April 1, 1969, or do or act in any manner relative thereto.

t. In Article VII, Compensation Plan by adding as follows:

1-7	$300.00 annually

or do or act in any manner relative thereto. (Personnel Board) 2/3 vote

ARTICLE 8. To see if the Town will vote to amend Article I, Section 1 of the Town By-Laws by deleting "One Auditor" from the town officers to be elected for term of one year and to authorize the Board of Selectmen to appoint an Auditor for a term not exceeding one year, or do or act in any manner relative thereto. (2/3 vote)

ARTICLE 9. To see if the Town will vote to have the surety bonds of the Collector of Taxes, Treasurer, Town Clerk, Secretary of the Water Department and Clerk of the Selectmen, placed with a fidelity or guarantee company and appropriate the sum of $430.00 to pay for same, or do or act in any manner relative thereto.

ARTICLE 10. To see if the Town will vote to authorize the treasurer, with the approval of the Selectmen, to borrow money from time to time, in anticipation of the revenue for the financial years beginning January 1, 1969 and January 1, 1970, in accordance with provisions of General Laws, Chapter 44, Section 4, and to renew any note or notes as may be given for a period of less than one year, in accordance with the provisions of General Laws, Chapter 44, Section 17, or take any other action relative thereto.

ARTICLE 11. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the treasury, the sum of $20,000.00 for a Reserve Fund to provide for the extraordinary unforseen expenses, as authorized by Section 6, Chapter 40, General Laws, or do or act in any manner relative thereto.

ARTICLE 12. To see if the Town will vote to accept the provisions of Chapter 90 of the General Laws, and raise and appropriate, or transfer from unappropriated available funds in the Treasury, the sum of $10,550.00 for Chapter 90 Highway Maintenance, or do or act in any manner relative thereto.

ARTICLE 13. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the Treasury, the sum of $14,650.00 for Chapter 81 Highways, or do or act in any manner relative thereto.

ARTICLE 14. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the treasury, the sum of $12,050.00 for Chapter 90 Highway Construction, or do or act in any manner relative thereto.

ARTICLE 15. To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury, the sum of $2,731.12 for permanent road construction on Hawkins Street, or do or act in any manner relative thereto.

ARTICLE 16. To see if the Town will vote to raise and appropriate the sum of $1,294.11 or any other sum, for the control of insects and Dutch Elm Disease, ($594.11 for Insect Pest Control and $700.00 for Dutch Elm Disease), as provided by Chapter 657, Acts of 1956, and to be expended under the direction of the Moth Superintendent, or do or act in any manner relative thereto.

ARTICLE 17. To see if the Town will vote to raise and appropriate the sum of $1,000.00 for the Conservation Fund, to be used by the Conservation Commission for Conservation purposes, including the purchase of land, or do or act in any manner relative thereto.

ARTICLE 18. To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury, the sum of $1,250.00 ($500 for Certification, $750 for Radio) for Town Ambulance, or do or act in any manner relative thereto.

ARTICLE 19. To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury, the sum of $1,293.72 ($174.36 Bond Issue and $1,119.36 Hospital Tax) this being the amount assessed to Plainville for Norfolk County Hospital, or do or act in any manner relative thereto.

ARTICLE 20. To see if the Town will vote to transfer from the Fire Department Apparatus Fund, the sum of $7,500.00, to the Stabilization Fund, under authority of Chapter 40, Section 5B of the General Laws, or do or act in any manner relative thereto.

ARTICLE 21. To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury, the sum of $25,000.00 for the Stabilization Fund, under authority of Chapter 40, Section 5B of the General Laws, or do or act in any manner relative thereto.

ARTICLE 22. To see if the Town will vote to authorize the School Building Committee appointed under Article 1 of the Special Town Meeting of November 17, 1962 to complete the construction and initial equipping of the Anna Ware Jackson School and to raise and appropriate the sum of $3,014.62 for this purpose, and to determine how said sum shall be raised, whether by taxation or by transfer from available funds, or do or act in any manner relative thereto.

ARTICLE 23. To see if the Town will vote to raise and appropriate the sum of $1,000.00 to reprint any or all of the Town By-Laws (General, Zoning, Building, Personnel, etc.) said sum to be spent under the direction of the By-Law Review Committee, and to authorize said Committee to establish and maintain a standard indexing system for said By-Laws, or do or act in any manner relative thereto. (By-Law Review Committee)

ARTICLE 24. To see if the Town will vote to install an 8 inch water main on Fletcher Street, southerly to Elizabeth Street, then to Riley Street, the distance of 800 feet. The sum of $6,000.00 to be transferred from available funds from the Water Department Account under Chapter 40, Section 20, General Laws, or do or act in any manner relative thereto.

ARTICLE 25. To see if the Town will vote to install a 6 inch water main, from Broad Street southerly to Pleasant Street, the distance of 300 feet. The sum of $2,175.00 to be transferred from available funds from the Water Department Account under Chapter 40, Section 20, General Laws, or do or act in any manner relative thereto.

ARTICLE 26. To see if the Town will vote to install a 6 inch water main on George Street northerly, from James to Ewald Avenue, a distance of 500 feet. The sum of $3,625.00 to be transferred from available funds from the Water Department Account under Chapter 40, Section 20, General Laws, or do or act in any manner relative thereto.

ARTICLE 27. To see if the Town will vote to raise and appropriate or transfer the sum of $1,500.00 to resurface the roadway into the Town Park and the Parking Area behind the Town Offices, or do or act in any manner relative thereto.

ARTICLE 28. To see if the Town will vote to accept Section 97A of Chapter 41 of the General Laws for the establishment of a Police Department, and to amend said Section 97A of Chapter 41 of the General Laws hereby accepted by deleting "In any such Town in which such appointments are not subject to Chapter 31, they shall be made 'annually' and the Selectmen may remove such chief or other officers for cause at any time after a hearing," and inserting in place thereof "In any such Town in which such appointments are not subject to Chapter 31, they shall be made 'continuous' and the Selectmen may remove such chief or other officers for cause at any time after a hearing," or do or act in any manner relative thereto. (2/3 vote required)

ARTICLE 29. To see if the Town will vote to install street lights at the following locations, and raise and appropriate a sum of money to pay for same:

1 Street light Cooney Avenue.
4 Street lights Valerie Drive.
1 Flood light Water Department Pumping Station.

or do or act in any manner relative thereto.

ARTICLE 30. To see if the Town will vote to raise and appropriate the sum of $268,310.00 for the purpose of remodeling, reconstructing or making extra-ordinary repairs to an existing building (Garford Building) located on South Street so as to convert such building to Fire, Police and Civilian Defense Headquarters facilities, and to determine whether the money shall be provided for by appropriation from available funds in the treasury, transfer of funds from the Post-War Rehabilitation Account, Sale of Real Estate Account, and by borrowing or otherwise, and if by borrowing, to authorize the issuance and sale of bonds and notes of the Town therefor, or do or act in any manner relative thereto. (2/3 vote required)

ARTICLE 31. To see if the Town will vote to authorize the Board of Selectmen to acquire on behalf of the Town by purchase or by eminent domain for the purpose of and/or incidental to a municipal building that certain parcel of land situated on the northerly side of Cottage Street bounded as follows:

South by Cottage Street 90.78 feet;
West by Town of Plainville land 87.98 feet;
North by Town of Plainville land 77.20 feet;
West by Town of Plainville land 62.07 feet; and
North by Town of Plainville land 13.58 feet; and
East by land formerly of Earl F. and Margaret Barney, 150.05 feet, more or less. Being a portion of the land shown on Assessors' Plans Sheet 12 Parcel 146 now owned by Gordon S. and Clare T. Proal.

And to raise and appropriate the sum of $3,500.00 for this purpose and to determine how the appropriation shall be raised, whether by taxation, transfer from available funds in the Treasury, transfer of funds from the Post-War Rehabilitation Account, Sale of Real Estate Account, and by borrowing or otherwise, and if by borrowing, to authorize the issuance and sale of bonds and notes of the Town therefor, or do or act in any manner relative thereto. (2/3 vote required)

ARTICLE 32. To see if the Town will vote to raise and appropriate the sum of $50,000.00 for the purpose of remodeling, reconstructing or making extra-ordinary repairs to an existing building (Town Office Building) located on South Street, to contain expanded Town Office facilities, determine whether the money shall be provided for by taxation, from available funds in the Treasury, transfer of funds from the Post-War Rehabilitation Account, Sale of Real Estate Account, and by borrowing or otherwise, and if by borrowing, to authorize the issuance and sale of bonds and notes of the Town therefor; or do or act in any manner relative thereto. (2/3 vote required)

ARTICLE 33. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the Treasury, the sum of $20,000.00 to be expended under the direction of the Board of Selectmen, to continue improvements of the Garford Building, or do or act in any manner relative thereto.

ARTICLE 34. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the Treasury, the sum of $3,000.00 for the purpose of placing police, fire and highway radio antennas on top of new town water standpipe on East Bacon Street, or do or act in any manner relative thereto.

ARTICLE 35. To see if the Town will vote to amend the By-Laws of the Town by striking therefrom Article XVII (Soil, Loam, Sand, or Gravel Removal) in its entirety, or do or act in any manner relative thereto. (2/3 vote required)

(Explanation) Most of these requirements are covered in the Zoning By-Laws and those which are not, are picked up in the following articles, or will be picked up in the ensuing year by the By-Law Review Committee. (By-Law Review Committee)

ARTICLE 36. To see if the Town will vote to amend the Zoning By-Law of the Town by striking therefrom Article I, Section 1.4 (Penalty) in its entirety and inserting in lieu thereof the following:

"1.4 Penalty - Unless otherwise specifically provided herein any person violating any of the provisions of this By-Law shall be fined not more than $50.00 for each offense. Each day that such violation continues shall constitute a separate offense," or do or act in any manner relative thereto. (2/3 vote required. By-Law Review Committee)

ARTICLE 37. To see if the Town will vote to amend the Zoning By-Law by adding in Article III (General Regulations) a Section 3.8.3.5 as follows:

"3.8.3.5. The owners of land in Plainville which has been or may hereafter be excavated shall erect suitable barriers or take other suitable measures so that such excavation does not constitute a hazard to public safety. If in the opinion of the Board of Selectmen a hazard to public safety does exist, the Board of Selectmen shall notify the owner in writing and specify the barriers and/or other suitable measures to be taken, which shall be carried out within five days by the owner or owners," or do or act in any manner relative thereto. (2/3 vote required. By-Law Review Committee)

ARTICLE 38. To see if the Town will vote to amend the Zoning By-Law by adding in Article III (General Regulations) a Section 3.8.8. as follows:

"3.8.8. Penalty. The penalty for violation of any provision of this section shall be $50.00 for the first offense, $100.00 for the second offense, $200.00 for each subsequent offense," or do or act in any manner relative thereto. (2/3 vote required. By-Law Review Committee)

ARTICLE 39. To see if the Town will vote to amend the Zoning By-Laws and Zoning Map of the Town of Plainville to the extent necessary to change the following described property from its present classification, to the classification RD:

Easterly	by a line parallel to and 300 feet westerly from the westerly line of Taunton Street;
Southerly	by the existing RD zone;
Westerly	by a straight line which is an extension to the north of the westerly line of the existing RD zone; and
Northerly	by Turnpike Lake.

or do or act in any manner relative thereto. (2/3 vote required) - (A petitioned article)

ARTICLE 40. To see if the Town will vote to abandon Peterson Road and to authorize the Selectmen to execute, acknowledge and

deliver in the name and behalf of the Town of Plainville a deed of the interest of the Town of Plainville in said Peterson Road to Henry A. Peterson for one dollar ($1.00), or take any action relative thereto. (A petitioned article) - (2/3 vote required)

ARTICLE 41. To see if the Town will vote to abandon the way known variously as "Dark Hole Road," "Deep Hole Road," or "Ellis Pond Road" at the portion hereafter described: - Beginning at a wall corner in the southeasterly side of said Road, the wall corner being about 885 feet northeasterly of Taunton Street as measured along said Road; thence northeasterly by a wall and said Road, about 276 feet to the Route #1-495 Interchange; thence northerly about 25 feet to the northwesterly side of said Dark Hole Road; thence southwesterly by said Road, about 290 feet; thence crossing said Road, about 25 feet southeasterly to the point of beginning; all as shown on that plan entitled "Plan of Land in Plainville, Mass., Drawn for Freedman and Petkun, April 1967, Scale 1 inch equals 80 feet, Revised Jan. 1969, The W.T. Whalen Eng. Co.," or do or act in any manner relative thereto. (2/3 vote required)

ARTICLE 42. To see if the Town will vote to accept a conveyance of an easement from Irvin Petkun and Arthur Freedman of the following described circular parcel of land, said land to be used for the purpose of a traffic turn-around circle:

The circle is to be 100 feet in diameter, and the center thereof is located 50 feet in a northeasterly projection from the wall corner (said corner being described in another article in this Warrant to abandon a part of Dark Hole Road), and being a continuation of the wall, all as shown on that plan entitled "Plan of Land in Plainville, Mass., Drawn for Freedman & Petkun, April 1967, Scale 1 inch equals 80 feet, Revised January 1969, The W.T. Whalen Eng. Co., "or do or act in any manner relative thereto. (2/3 vote required)

ARTICLE 43. To see if the Town will vote to authorize the Selectmen to convey by quitclaim deed to Arthur Freedman and Irvin Petkun for one dollar ($1.00), the following described land:

The way known variously as "Dark Hole Road," "Deep Hole Road," or "Ellis Pond Road," at the portion hereafter described: - Beginning at a wall corner in the southeasterly side of said Road, the wall corner

being about 885 feet northeasterly of Taunton Street as measured along said Road; thence northeasterly by a wall and said Road, about 276 feet to the Route #1-495 Interchange; thence northerly about 25 feet to the northwesterly side of said Dark Hole Road; thence southwesterly by said Road, about 290 feet; then crossing said Road, about 25 feet southeasterly to the point of beginning; all as shown on that plan entitled "Plan of Land in Plainville, Mass., Drawn for Freedman & Petkun, April 1967, Scale 1 inch equals 80 feet, Revised Jan. 1969, The W.T. Whalen Eng. Co.," or do or act in any manner relative thereto. (2/3 vote required)

ARTICLE 44. To see if the Town will vote to authorize the Board of Selectmen to appoint a committee of five persons to be known as the Town Government Study Committee to investigate the feasibility of reorganizing the Town government, combining and/or consolidating town departments and/or offices or officers, establishing a Town Manager form of government and related revisions in the Town Government, said committee to report at the next annual town meeting with its recommendations, if any, or do or act in any manner relative thereto.

ARTICLE 45. To see if the Town will vote to accept the following By-Law under Article I of the Town By-Laws:

"The nomination of all candidates for Town Officers required to be voted for by official ballot at its annual meeting, shall be made by nomination papers as provided by Chapter 53, Section 6 of the General Laws, and no political party caucus nor town caucus shall be held for the nomination of said candidates," or do or act in any manner relative thereto. (2/3 vote required)

ARTICLE 46. To choose any committee and hear the report of any committee and act thereon.

And you are directed to serve this Warrant by posting copies thereof in seven (7) public places in said Town, seven (7) days at least before the time of holding said meeting.

Hereof, fail not, and make due return of the Warrant with your doing thereon, to the Town Clerk at or before the time and place of said meeting as aforesaid.

Given under our hands this eleventh day of February in the year of our Lord one thousand nine hundred and sixty-nine.

RAYMOND V. MILLER, Chairman

ROBERT E. LOEW

ROBERT R. FAILLE

Selectmen of Plainville

A true copy, Attest: EDGAR T. PEAVEY, Constable

This 21st day of February 1969

I have this day posted seven (7) copies of the within Warrant in seven (7) public places seven (7) days before said Town Meeting.

EDGAR T. PEAVEY, Constable

Attest: AUSTIN F. GRANT, Town Clerk

ANNUAL TOWN MEETING
ELECTION OF OFFICERS

March 3, 1969

Pursuant to the foregoing warrant, the sixty-fourth Annual Town Meeting call was read by Moderator Charles O. Peasley at 8:00 A. M., Monday, March 3, 1969 in the auditorium of the Plainville Elementary School, South Street, Plainville, and after the reading of Article 1, the Moderator declared that any action on Article 1 of this warrant would be postponed, due to the severity of the snowstorm, until Monday, March 10, 1969 at 8:00 A. M.

Those present at this session were:

Moderator,	Charles O. Peasley
Town Clerk,	Austin F. Grant
Warden,	Robert Keniston
Deputy Warden,	Stanley Cole
Teller,	Lucille Keniston (alternate)

and Robert B. Thibedeau, representative of the Board of Registrars (D).

AUSTIN F. GRANT, Town Clerk

PROCEEDINGS OF THE SIXTY-FOURTH ANNUAL TOWN MEETING

The business session of the sixty-fourth Annual Town Meeting for the Town of Plainville, Norfolk County, Massachusetts was called to order by Moderator Charles O. Peasley, at 7:30 P. M. in the auditorium of the Plainville Elementary School, South Street, Plainville.

The meeting was opened by invocation by Rev. Robert Smith of the Plainville United Methodist Church.

The voters were checked into the hall by means of the voting lists by Robert Keniston (R) and Marion McCabe (D). Final count at the end of the meeting showed 357 voters present; 153 women and 204 men.

The Moderator declared the bounds of the hall to be the seats on the floor and the bleachers to the Moderator's right, as the area for participating voters.

The Moderator named the following as counters: to the right of the Moderator, Emile Landry and Robert Barney, to the Moderator's left, Frank Grzenda and Arthur W. Washburn, Jr. Austin F. Grant, Town Clerk, was named Ballot box officer in the event of a ballot vote.

For the convenience of the speakers and to make the meeting as efficient as possible, Mr. Peasley advised that a traveling "Mike" would be used. Mr. Robert Thibedeau was in charge of this, and the speakers were instructed to give their name, as it would help with the record, and to know who was in attendance and speaking, also an aid to the newspapers.

ARTICLE 2. Motion by Raymond Miller and seconded by Robert E. Loew that Francis W. Simmons, Alec H. Fredrickson and Everett W. Skinner be appointed as Measurers of Wood, Bark and Lumber for the ensuing year. Unanimously voted.

Motion by Raymond Miller and seconded by Robert E. Loew that Robert R. Faille, Allen S. Breen and Edgar T. Peavey be appointed as Fence Viewers and Field Drivers for the ensuing year, and unanimously voted.

ARTICLE 3. Motion by Robert Faille and seconded by Raymond Miller that the reports of the Selectmen, Treasurer and other Town Officers be accepted as printed with the exception of any omissions and typographical errors. Unanimously voted.

ARTICLE 4. Motion by Everett W. Skinner and seconded by Robert E. Loew that the Town vote to accept the provisions of Chapter 81 of the General Laws, and unanimously voted.

ARTICLE 5. Motion by Avedis Koshgarian and seconded by Raymond Miller that the town vote to fix the salary and compensation of all elected officials of the Town as provided by Section 108 of Chapter 41, General Laws as amended as follows:

Moderator	$ 25.00 each meeting
Town Clerk	800.00 per year
Town Treasurer	2,000.00 per year
Selectmen, Chairman	800.00 per year
Second member	700.00 per year
Third member	700.00 per year
Board of Health, each member (3)	100.00 per year
Assessor, Chairman	1,100.00 per year
Second member	1,100.00 per year
Third member	1,100.00 per year
Tax Collector	1,500.00 per year
School Committee, Chairman	75.00 per year
School Committee, each member	60.00 per year
Water Commissioner, Chairman	250.00 per year
Second member	250.00 per year
Third member, Clerk	400.00 per year
Auditor	250.00 per year
Constables	2.50 per hour
Tree Warden	2.50 per hour

Under discussion on this article, Mr. Normand Theriault, Tax Collector, amended the Tax Collector's salary to $3,000. per year. Mr. Theriault spoke in defense of this increase by advising the meeting that in computing his salary, he found he was working twenty-five hours per week since taking over the job, and realized this when he assumed the position, but felt that he and his predecessor had done a good job in collecting unpaid taxes to the amount of $60,000., and felt that he was entitled to the additional salary. The Finance Committee has recommended no increases in elected officials' salaries pending the establishment of a five member committee to investigate the combining of or consolidating town officers. Mr. Theriault brought to the attention of the voters that this committee and its report would not be active for about three years, and he felt that an increase in salary was evident at the present time.

Mr. Theriault assured the voters at the meeting that he was committed to the position of Tax Collector for another two years and regardless of the outcome of his amendment would continue to do a good job for the Town.

Mrs. Neva Chase questioned relative to the time the clerks in the office worked and whether they collected any money for the Tax Collector. Mr. Robert Loew, member of the Board of Selectmen, advised that as a convenience for the townspeople, the clerks in the Selectmen's office did collect excise, real estate taxes and water bills.

Mr. Koshgarian advised that the Finance Committee recommend that no salary increase be given to elected officials, and Mr. Thomas Levis re-affirmed this by stating that due to the increase in all town appropriations, they did appreciate Mr. Theriault's work, but felt that no increases could be granted to Town elected officials this year.

The question was called. Vote on the amendment was not unanimous, and the amendment was lost. The vote on Article 5, as recommended by the Finance Committee was voted and declared unanimous by the Moderator.

At this time the Moderator asked Mr. David Lomasney, Chairman of the Finance Committee if he wished to change the order of business.

Upon a motion by David Lomasney and seconded by Raymond Miller, it was voted to take up Article 7 and Article 29, before Article 6, as both have a bearing on the total appropriation of Article 6. Unanimously voted.

ARTICLE 7. Motion by Joseph A. Doiron and seconded by Robert E. Loew that Article 7 be accepted as printed. Much discussion ensued on this article. Under Section H, Mrs. Elaine Morel requested information as to which department this clerk, Senior, Part Time M-3 applied. She was advised that this covered the Assessor's part time clerk, authorization for same having been given through the Personnel Board and Finance Committee last July. Much discussion was held relative to the need for an additional clerk in the office. The Assessors advised that Mrs. Fulton, the present clerk, was experienced in their work, having the background for it where the other clerks in the office were not so qualified.

Mr. Clarence Skinner spoke relative to Section 1, two extra paid holidays, and change in the vacation schedule. The committee from the three departments, highway, police and fire, in a meeting with the

Personnel Board had agreed, after much discussion of the requests by the town employees, to the sections as printed in Article 7.

Question asked under Article 7, Section F, if this meant time and one-half, the answer was that this was straight time, if on an hourly basis it would be the straight hourly rate, but on a salary basis would be broken down to an hourly rate, straight time.

The question was called, and the Moderator called for a standing vote, as this is a by-law change, requiring a 2/3 vote. Results of voting: 107, Yes; 199, No. The Article was lost.

Mr. David Kelly spoke relative to this article, stating that some of the people did not realize what they were voting for and requested a five minute recess so that the people could study this Article. Mr. Kelly stated that he felt the town employees were entitled to the 4% cost of living increase.

A vote to reconsider was taken, results: 126 Yes; 170, No. There will be no reconsideration of this Article.

ARTICLE 29. Motion by Ray Felix and seconded by Raymond Miller that the town vote to install street lights as follows: 1 Street light, Cooney Avenue; 4 Street lights, Valerie Drive and 1 flood light Water Department Pumping Station.

Mr. Hastings of the Planning Board questioned whether street lights could be installed by the town on unaccepted streets of the Town. He was answered in the affirmative. Vote was taken on the Article and was unanimous.

At 8:50 P. M. Mr. Lomasney made a motion that a ten minute recess be declared in order for the Finance Committee to do some arithmetic as a result of the vote on Article 7.

The meeting was again called to order at 9:10 by Moderator Charles O. Peasley.

ARTICLE 6. Motion by David B. Lomasney and seconded by Thomas Levis that the sum of $743,519.34 be raised and appropriated; $742,066.94 by taxation and $1,452.40 by transfer to wit:

1.	Library	5,514.00	
2.	Selectmen C & I	19,000.00	
3.	Board of Health	10,863.00	
4.	Inspector of Wires	400.00	
5.	Building Inspector	500.00	
6.	Gas Inspector	300.00	
7.	Plumbing Inspector	300.00	
8.	Insurance: Town Schedule	10,761.00	
	Blue Cross-Blue Shield, Inc.	6,934.68	
	Total		17,695.68
9.	Memorial Day	250.00	
10.	Town Ambulance	1,500.00	
11.	Town Office Maintenance	3,270.00	
12.	Zoning Board of Appeals	400.00	
13.	Board of Appeals	100.00	
14.	Veterans' Benefits and Expenses	6,350.00	
15.	Street Lights	9,707.00	
16.	Vocational Education	1,500.00	
17.	Treasurer	4,331.00	
18.	Auditor	250.00	
19.	Interest on Temporary Loans & Maturing Debt	21,000.00	
20.	Tax Title	700.00	
21.	Maturing Debt	55,000.00	
22.	Finance Committee	0.00	
23.	Norfolk County Retirement	9,634.68	
24.	Town Clerk	1,970.00	
25.	Registrars	2,340.00	
26.	Assessors	6,600.00	
27.	Tax Collector	2,900.00	
28.	Fire Department	48,867.26	
29.	Police Department	62,599.72	
30.	Dog Officer	900.00	
31.	Water Department	24,455.00	
32.	Highway Excl. 81-90	19,900.00	
33.	Snow Removal	20,000.00	
34.	Tree Warden	1,000.00	
35.	Town Forest Committee	75.00	
36.	Park Department	7,240.00	
37.	Local Schools	374,190.00	
38.	Regional Schools	519,227.59	

39.	Industrial Development Commission	200.00
40.	Planning Board	400.00
41.	Conservation Commission	300.00
42.	Civil Defense	875.00
43.	School Expansion Committee	50.00
44.	Personnel Board	300.00
45.	By-Law Review Committee	100.00

The amount of $374,190.00 for the local school budget was accepted but not recommended by the Finance Committee.

Motion by William Clarke and seconded by George Hayden, members of the King Philip Regional School Committee amended the motion by adding the amount of $519,227.59 to the recommended figure, making a total of $1,262,746.93 to be raised and appropriated and transferred for Article 6.

William Clarke requested of the meeting that Mr. Manos, Superintendent of the King Philip Regional Schools be allowed to speak and answer questions pertaining to the King Philip budget. As there were no objections, the Moderator granted this request.

Mr. Manos explained the budget and the salary schedules, also the reason why the Regional School operated differently than the local schools. After much discussion the question was called and the amendment to include the amount of $519,227.59 to Article 6. Vote on the amendment was unanimous. No objections voiced.

Mr. Jensen brought up the question of placing the Town Insurance for bids. Mr. Lomasney called upon the Selectmen, Mr. Miller, Chairman, taking the floor, to advise that the town property came up for renewal at different times during the year, and advertising for bids did take place a couple of years ago, but only one bid was received. In view of that fact, the insurance was carried by the same agent, Mr. Harry Dunnebier. Mr. Lomasney advised that the Finance Committee had conducted a survey of town insurance last year and after two companies had reviewed the policies, advised that they could not do any better or as well for the town. Therefore, the town insurance is still being carried by the same agent.

Mr. Lomasney brought to the attention of the voters that by approving the amount of $6,600.00, they had allowed the Assessors to hire a part time clerk. He brought this to the attention of the voters because of their defeat of Article 7, under Section H, to establish a clerk for this department, and he did not want the voters to be misled. Mr. Jensen inquired as to the amount this item would be reduced if the clerk's salary was deducted. Mr. Lomasney advised the figure would be $4,100.00 instead of $6,600.00 and cautioned the voters that while the Finance Committee was anxious to keep the tax rate as low as possible, they did not want to destroy the efficiency of the departments.

Motion by Mr. Jensen and seconded by Mr. Ronan that the Assessor's budget be amended to read $4,100.00. Vote on the amendment was not unanimous. The amendment was not carried and the original amount retained.

Mr. Jay Clough spoke about Article 6 being a package deal, and that formerly each item was voted on separately. Mr. Peasley, Moderator, advised that the voters would have an opportunity to vote on each section of Article 6 separately and to discuss same.

Mr. Lloyd Jensen requested a breakdown on departmental budgets. Mr. Lomasney advised that this could and would be done on any section requested.

Mr. Lomasney gave the breakdown on the Board of Health Budget and Mr. Normand Theriault gave the breakdown on the Tax Collector's Budget, explaining the item for deputy collector. The reason for this item is that there were so many outstanding excise taxes and the only way these could be removed from the books was to be put through the Registry of Motor Vehicles and this entailed expense to the deputy collector. This item would be continued for about three years until the outstanding taxes have been cleaned up.

Mr. Lomasney gave a breakdown on the Fire Department Budget, explaining that the original requested figure was cut from $63,555.72 to $50,233.72, and with the defeat of Article 7 (Personnel By-Law) reduced the amount to $48,867.26. The original figure included a tank truck, additional hose and other items.

The Police Department budget was cut from $65,061.73 to $63,767.33, and further cut to $62,599.72. This amount includes two new cruisers. The original request by the Police Chief was for one cruiser, but due to the excessive cost of repairs to the two present cruisers it was the opinion of the Finance Committee that for economical purposes it would be advisable to purchase two new cruisers.

During the discussion of this section, Police Department, a motion was made by Oliver Chase that the meeting be adjourned until Monday, March 24, 1969 at 7:30 P.M. Motion to adjourn was unanimously voted at 10:50 P.M.

AUSTIN F. GRANT, Town Clerk

ADJOURNED SESSION ANNUAL TOWN MEETING

March 24, 1969

The adjourned session of the Annual Town Meeting was called to order by Moderator Charles O. Peasley, Monday evening, March 24, 1969 at 7:30 P.M., after the Moderator declared that a quorum was present.

The bounds of the hall remained the same as the previous week, the chairs on the floor and the bleachers to the right of the Moderator. The voters were checked into the hall by Robert Keniston (R) and Marion McCabe (D) by means of the voting lists. Three hundred and seventeen voters were present; 184 men and 133 women.

George Massey and Fred Benker were appointed tellers for the right side of the hall; Harry Cooper and Neal Avery were appointed for the left side of the room. Austin F. Grant, Town Clerk, was again appointed Ballot Box Officer in the event of a ballot vote.

Mr. Peasley declared that if there were no objections the reading of the minutes of the meeting of March 17, 1969 would be omitted, and that the meeting would resume where it had finished with Chief Faille explaining the Police Budget.

Mr. Jesse Franklin requested that the Police Budget be broken down. Mr. Lomasney, Chairman of the Finance Committee turned the floor over to Mr. Faille for explanation.

The budget of the Dog Officer was questioned and Mr. Lomasney explained that the salary of the Dog Officer remained the same, the difference was for equipment and supplies. It was suggested that the report of the dog officer be included in the Town Report along with his telephone number. It was explained that Mr. Calzaretta assumed the office in July and the report would be available for the next year.

Under the Highway Exclusive of Chapter 81 and 90, Mr. Lomasney advised that Mr. Skinner, Highway Superintendent, had reduced the figure to $19,700.00 instead of $19,900.00.

Mr. Chase requested information on the Tree Warden, and was advised that most of this budget was used for materials and expenses.

Upon a motion by David Lomasney and seconded by Raymond Miller it was unanimously voted to raise and appropriate the sum of $1,261,402.03 and transfer the sum of $500.40 received from the Norfolk County for Dog Taxes and the State Aid to Libraries sum of $952.50 to defray Town charges for the financial year ending December 31, 1969 and expressly for the purposes as listed above in Article 6.

At this time Mrs. Elaine Morel requested permission to read the following: "Last Saturday night, March 22, a few people invited the taxpayers of Plainville to a meeting at the home of Mr. and Mrs. Joseph Germaine. To our dismay only a few concerned taxpayers took the time to come. For those few it was time well spent.

We had the opportunity to meet all the candidates for the office of Selectman, which made them more than just names on a ballot.

Mr. Miller and Mr. Lomasney were good enough to give their time to explain the rest of the Warrant to those present. They also talked with us about the rising taxes, the reasons for them and what we should do about it. It was also mentioned that it was almost impossible to find people to fill committees that are needed in order to run a town properly. Many, many questions were answered at great length.

These people came on their own time and at short notice, and they were delighted in doing so. They gained the respect of all present. It was the first time we have seen taxpayers and town officials working together and it was great.

The only thing we regret is that more people did not take the time to come. We feel that they missed a lot. We can't thank Mr. Miller and Mr. Lomasney enough for giving of themselves so willingly and generously."

Mr. Peasley, Moderator, declared that the Chair directs that this statement be included in the record.

ARTICLE 8. Motion by Raymond Miller and seconded by Robert E. Loew that no action be taken on this Article. (Delete Auditor from town officers to be elected.) Unanimously voted to take no action.

ARTICLE 9. Motion by Thomas Levis and seconded by Raymond Miller and unanimously voted that the surety bonds of the Collector of Taxes, Treasurer, Town Clerk, Secretary of the Water Department and Clerk of the Board of Selectmen be placed with a fidelity or guarantee company. No appropriation needed as this amount is included in Insurance account, Section 8 of Article 6.

ARTICLE 10. Motion by Thomas Levis and seconded by Raymond Miller and unanimously voted by the Town that the Treasurer be authorized with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue for the financial years beginning January 1, 1969 and January 1, 1970 in accordance with the provisions of the General Laws, Chapter 44, Section 4, and to renew any note or notes as may be given for a period of less than one year in accordance with the provisions of General Laws, Chapter 44, Section 17.

ARTICLE 11. Motion by H. Bertha Browne and seconded by Raymond Miller that the Town vote to raise and appropriate the sum of $15,000.00 for a Reserve Fund, to provide for the extraordinary and unforeseen expenses, as authorized by Section 6, Chapter 40, of the General Laws.

This article was amended by Robert B. Loew and seconded by Robert Faille, that the town raise and appropriate by taxation the sum

of $18,000.00 for a Reserve Fund to provide for the extraordinary unforeseen expenses as authorized by Section 6, Chapter 40, General Laws for the following purposes: $15,000.00, Reserve Fund; $3,000.00 to be held in Escrow by Finance Committee, to cover any step raises granted by Personnel Board during the year.

This Article was further amended by Robert O. Malin that the amendment be amended to transfer the sum of $18,000.00 from available funds in the Treasury. The amendment to the amendment was seconded by Robert E. Loew. Vote taken was carried but not unanimously. Amount of $18,000.00 to be transferred.

ARTICLE 12. Motion by Everett Skinner and seconded by Stanley Myers that the Town vote to accept the provisions of Chapter 90 of the General Laws, and the sum of $3,550.00 be raised and appropriated for the Town's share of Chapter 90 Maintenance, and that in addition, the sum of $7,000.00 be transferred from unappropriated available funds in the Treasury to meet the State and County's share of the cost of the work, the reimbursement from the State and County to be restored upon their receipt to unappropriated available funds in the Treasury. Unanimously voted.

ARTICLE 13. Motion by Everett Skinner and seconded by Robert Loew that the Town vote to raise and appropriate the sum of $4,750.00 to meet the Town's share of the cost of Chapter 81 Highways, and that in addition, the sum of $9,900.00 be transferred from unappropriated available funds in the Treasury to meet the State's share of the cost of the work. The reimbursement from the State to be restored upon the receipt to unappropriated available funds in the Treasury. Unanimously voted.

ARTICLE 14. Motion by Everett Skinner and seconded by Robert E. Loew that the sum of $12,050.00 be raised and appropriated to continue the laying out and construction on Messenger Street, under Chapter 90 of the General Laws. The money to be raised as follows: $3,050.00, the Town's share to be raised and appropriated by taxation; and the State and County's share of the work, $9,000.00 to be transferred from unappropriated available funds in the Treasury. The reimbursement from the State and County to be restored upon their receipt to unappropriated available funds in the Treasury. Unanimously voted.

At this point Mrs. Karen Breede congratulated Mr. Skinner as one of the best Highway Superintendents in the area.

ARTICLE 15. Motion by Everett Skinner and seconded by Joseph Doiron that the sum of $2,731.12 be appropriated for permanent road construction on Hawkins Street, and to meet said appropriation the sum of $2,731.12 be transferred from proceeds received or to be received from the State under the provisions of Chapter 616, Acts of 1968. Unanimously voted.

ARTICLE 16. Motion by Joseph Doiron and seconded by Thomas Levis that the sum of $1,000.00 be transferred from available funds in the Treasury, to be expended under the direction of the Moth Superintendent for the control of insects and Dutch Elm Disease and unanimously voted.

ARTICLE 17. Motion by Ray Felix and seconded by Thomas Levis that no action be taken. Voted, but not unanimously. ($1,000.00 for Conservation Fund.)

At this time, 8:50 P.M., the Moderator declared a ten minute recess.

Meeting reconvened at 9:05 P.M.

ARTICLE 18. Motion by Daniel Malone and seconded by Thomas Levis that the Town vote to transfer the sum of $500.00 from the Town Ambulance Account for the certification of the Town Ambulance. This Article was amended by Robert E. Loew and seconded by Robert R. Faille that the sum of $1,250.00 be transferred;for the Certification $500.00 and $750.00 for Radio, from available funds in the Treasury. Mr. David Lomasney amended the amendment to read Transfer from the Ambulance Replacement Fund. As the voice vote was doubted, a standing vote was called: Results: Yes, 166; No, 58. Amendment to amendment carried.

ARTICLE 19. Motion by Joseph Doiron and seconded by Thomas Levis that the amount of $1,118.88 be transferred from Available Funds in the Treasury for the Norfolk County Hospital Tax and Bond Issue and unanimously voted.

ARTICLE 20. Motion by H. Bertha Browne and seconded by Raymond V. Miller that the Town vote to transfer from the Fire Department Apparatus Fund the sum of $7,500.00 to the Stabilization Fund, under authority of Chapter 40, Section 5B of the General Laws. As a result of discussion on this Article, Daniel T. Malone amended this motion by moving that Article 20 not be acted upon at this meeting and be transferred to the next Special Town Meeting after the Town Treasurer receives more information. Mr. Carpenter, Town Treasurer, explained that this Fire Apparatus Replacement Fund was not approved by the Department of Corporations and Taxation. By placing this amount in the Stabilization Fund, it could be invested and it would be necessary to have a vote of the Town Meeting to appropriate this money for any purpose. The vote on the amendment was taken and was lost. Vote on the original motion was unanimous.

ARTICLE 21. The Finance Committee recommends No Action be taken on this Article. Motion that No Action be taken made by Ray P. Felix and seconded by David B. Lomasney and unanimously voted. (Stabilization Fund.)

ARTICLE 22. Motion by Robert O. Malin and seconded by Avedis Koshgarian that the sum of $3,014.62 be transferred from available funds in the Treasury to be used by the School Building Committee to complete construction and initial equipping of the Anna Ware Jackson School. Unanimously voted.

ARTICLE 23. The By-Law Review Committee requests $1,000.00 for printing of new booklets. The Finance Committee recommends No Action upon motion by Thomas Levis and seconded by Raymond Miller. It was unanimously voted that No Action be taken on this Article.

ARTICLE 24. Motion by Joseph Doiron and seconded by Thomas Levis that the Town vote to install an 8 inch water main on Fletcher Street; southerly to Elizabeth Street then to Riley Street, the distance of 800 feet and that the sum of $6,000.00 be transferred from available funds in the Water Department Account. A standing vote was taken, results: 245, Yes; 0, No.

ARTICLE 25. Motion by Joseph Doiron and seconded by Thomas Levis that the Town vote to install a 6 inch water main from Broad

Street southerly to Pleasant Street, the distance of 300 feet and that the sum of $2,175.00 be transferred from available funds in the Water Department Account under Chapter 44, Section 20 of the General Laws. This article was amended by Everett Skinner to read: 6 inch water main on Broad Street a distance of 75 feet and 225 feet on Pleasant Street from Broad Street in a southerly direction. Amendment seconded by Robert Thibedeau. Standing vote on amendment: 206, Yes; 0, No. Amendment carried.

ARTICLE 26. Motion by Joseph Doiron and seconded by Robert Loew that the Town vote to install a 6 inch water main on George Street, northerly from James Street to Ewald Avenue, a distance of 500 feet and that the sum of $3,625.00 be transferred from available funds in the Water Department Account, under Chapter 44, Section 20 of the General Laws. As a result of discussion on the size of pipe to be used this Article was amended by Everett W. Skinner to read 8 inch pipe. The results of a standing vote on the amendment was: Yes, 239; No, 0. Motion carried.

Due to the lateness of the hour, Mr. Lomasney moved that the order of business be changed and that Article 33 be taken up before Article 27, and so voted.

ARTICLE 33. Motion by David Lomasney and seconded by Joseph Doiron that the Town vote to transfer the sum of $1,288.67 from the Post War Rehabilitation Fund, $918.80 from the Municipal Building Account and $3,746.00 from the Sale of Land Account for improvements to the Garford Building, a total of $5,953.47 and that the sum of $9,000.00 be transferred from Overlay Reserve Account for the demolition of the damaged portion of the Garford Building. So voted.

At 11:15 P.M., it was voted that the meeting be adjourned until Tuesday, March 25, at 7:30 P.M. in the auditorium of the Plainville Elementary School.

AUSTIN F. GRANT, Town Clerk

ADJOURNED SESSION ANNUAL TOWN MEETING

March 25, 1969

At 7:40 P.M. the Moderator declared that a legal quorum was present and called the adjourned session of the Annual Town Meeting to order. 75 men and 53 women were present.

The bounds of the hall were proclaimed. Non-voters and guests on the bleachers, north side of the hall. The counters were appointed by the Moderator as follows: left of the Moderator, Boyd Cheney and Harry Cooper; right of Moderator, Emile Landry and Lloyd Jensen. Ballot box officer, Town Clerk, Austin F. Grant.

ARTICLE 27. Motion by Daniel Malone seconded by Thomas Levis that the recommendation of the Finance Committee that No Action be taken on this Article. (Resurface the roadway into the Town Park.) An amendment was made by Robert E. Loew and seconded by Robert R. Faille that the Town vote to transfer the sum of $1,500.00 from available funds in the Treasury to resurface the roadway into the Town Park and the parking area. Vote on the amendment was lost. The vote on the original motion, "No Action" was carried but not unanimously.

ARTICLE 28. Motion by Robert R. Faille and seconded by Raymond V. Miller that the Town vote to accept Chapter 41, the Section 97A of the General Laws for the establishment of a Police Department. Much discussion took place on this Article. Mr. Reginald Keyes requested that the Article be read and it was explained that the Article could not be voted as read, as the General Laws could not be amended. The results of the standing vote: Yes, 91; No, 3.

ARTICLE 30. Motion by Thomas Levis and seconded by Avedis Koshgarian that this Article be tabled indefinitely, and unanimously voted. (Convert Garford Building.)

ARTICLE 31. Motion by Avedis Koshgarian and seconded by Thomas Levis that this Article be tabled indefinitely, and unanimously voted. (Acquire land northerly side Cottage Street.)

ARTICLE 32. Motion by Joseph Doiron and seconded by Thomas Levis that this Article be tabled indefinitely and unanimously voted. (Remodel Town Office Building.)

ARTICLE 34. Motion by Joseph Doiron and seconded by Thomas Levis that No Action be taken on this Article and unanimously voted. (Antennas on Water Tower.)

ARTICLE 35. Motion by David Kelly and seconded by Arthur W. Myers that this Article be accepted in its entirety. Unanimously voted. 105, Yes; 0, No.

ARTICLE 36. Motion by David Kelly and seconded by Robert Malin that the Town vote to amend the Zoning By-Law of the Town by striking therefrom Article I, Section 1.4 (Penalty) in its entirety and inserting in lieu thereof the following:

"1.4 Penalty - Unless otherwise specifically provided herein any person violating any of the provisions of this By-Law shall be fined not more than $50.00 for each offense. Each day that such violation continues shall constitute a separate offense." Standing vote taken. Yes, 105; No, 0.

ARTICLE 37. Motion by David Kelly and seconded by Robert Malin that the Town vote to amend the Zoning By-Law by adding in Article III (General Regulations) a Section 3.8.3.5 as follows:

"3.8.3.5 - The owners of land in Plainville which has been or may hereafter be excavated shall erect suitable barriers or take other suitable measures so that such excavation does not constitute a hazard to public safety. If in the opinion of the Board of Selectmen a hazard to public safety does exist, the Board of Selectmen shall notify the owner in writing and specify the barriers and/or other suitable measures to be taken which shall be carried out within five days by the owner or owners." Standing vote taken. Yes, 109; No, 0.

ARTICLE 38. Motion by David Kelly and seconded by Robert Malin that the Town vote to amend the Zoning By-Law by adding in Article III (General Regulations) a Section 3.8.8 as follows:

"3.8.8. Penalty - The penalty for violation of any provision of this Section shall be $50.00 for the first offense, $100.00 for the second offense, $200.00 for each subsequent offense." A standing vote was taken. Yes, 111; No, 0. Motion carried.

ARTICLE 39. Motion by Robert E. Loew and seconded by Thomas Levis that No Action be taken on this Article. (Petitioned Article by Henry Peterson) As there was no one to represent Mr. Peterson, "No Action" was voted.

ARTICLE 40. Motion by Robert E. Loew and seconded by Raymond Miller that No Action be taken on this Article. (Petitioned Article by Henry Peterson) Unanimously voted.

ARTICLE 41. Motion by Emile Landry and seconded by Joseph Doiron that this Article be tabled. Unanimously voted. (Abandon way known as Dark Hole Road, etc.)

ARTICLE 42. Motion by Emile Landry and seconded by Joseph Doiron that this Article be tabled. Unanimously voted. (Conveyance of easement.)

ARTICLE 43. Motion by Emile Landry and seconded by Joseph Doiron that this Article by tabled. Unanimously voted. (Quitclaim deed.)

ARTICLE 44. Motion by Raymond Miller and seconded by Robert E. Loew that the Town vote to authorize the Board of Selectmen to appoint a committee of five persons to be known as the Town Government Study Committee to investigate the feasibility of re-organizing the Town Government, combining and/or consolidating town departments and/or offices, or establishing a Town Manager form of government and related revisions in the Town Government, said committee to report at the next Annual Town Meeting with its recommendations, if any. This motion was amended by Richard Ellis, seconded by John Faria as follows:

To see if the Town will vote to authorize the Board of Selectmen to appoint a committee of five appropriately qualified persons none of whom currently hold elective or appointive positions in the Town of Plainville. Such committee to be known as the Town Government Study

Committee to study and suggest methods of improving the efficiency and responsiveness of the present town governmental structure either through closer adherence to existing By-Laws or by their revision, said committee to report to the next Annual Town Meeting with its recommendations. Unanimously voted. Amendment carried.

ARTICLE 45. Moderator Charles Peasley read a letter from Town Counsel that this Article was out of order, therefore, Mr. Peasley declared no action to be taken. Article out of order.

At this point Mr. Lloyd Jensen commended the Finance Committee on the fine work done by this committee for presentation to the Town Meeting.

Mr. Theodore Brauner also commended the Highway Department on the excellent work done during the winter.

At 9:12 P. M., Mr. Raymond Miller moved that the Annual Town Meeting be adjourned. Unanimously voted.

AUSTIN F. GRANT, Town Clerk

WARRANT FOR THE ANNUAL TOWN ELECTION

Monday, April 14, 1969

COMMONWEALTH OF MASSACHUSETTS

Norfolk, ss.

To Either of the Constables of Plainville:

Greetings:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Plainville qualified to vote in Town affairs, to meet in the Elementary School Auditorium, South Street, in said Plainville on

MONDAY, THE FOURTEENTH DAY OF APRIL, 1969 A.D.

at eight o'clock in the forenoon, then and there to act on the following articles viz:

ARTICLE 1. The following Town Officers to be chosen by ballot viz: One Town Clerk, One Auditor, One Moderator, One Tree Warden, and Three Constables for One Year. One Selectman, Board of Health; One Assessor, One Water Commissioner, One Trustee of the Public Library, One member of the School Committee for three years. One Tax Collector for two years. Two members of the Regional School District Committee; one for three years, and one for one year; two members of the Park Commissioners; one for three years and one for two years; three members of the Finance Committee; two for three years and one for two years; one member of the Housing Authority for five years; two members of the Planning Board; one for five years and one for three years; and the following question:

QUESTION NO. 1

Shall the town extend contributory group hospital, surgical and medical insurance to elderly persons retired from the service of the town and to their dependents with fifty per cent of the premium cost, a portion of the administrative expense and the payment of a surcharge or subsidiary rate to be paid by the town?

For this purpose the polls will open at eight o'clock in the forenoon and shall be closed at eight o'clock in the evening.

And you are directed to serve this Warrant by posting copies thereof in seven (7) public places in said Town, seven (7) days at least before the time of holding said meeting.

Hereof, fail not, and make due return of the Warrant with your doing thereon, to the Town Clerk at or before the time and place of said meeting as aforesaid.

Given under our hands this fourth day of March in the year of our Lord one thousand nine hundred and sixty-nine.

RAYMOND V. MILLER, Chairman
ROBERT E. LOEW
ROBERT R. FAILLE
Selectmen of Plainville

A true copy,
Attest:
EDGAR T. PEAVEY, Constable

This 7th day of April, 1969.

I hereby certify that I have this day posted up seven (7) copies of the within Warrant in seven (7) public places in said town seven (7) days before said meeting.

EDGAR T. PEAVEY, Constable

Attest:

AUSTIN F. GRANT, Town Clerk

PROCEEDINGS OF THE SIXTY-FOURTH ANNUAL TOWN ELECTION

TOWN OF PLAINVILLE, MASSACHUSETTS

April 14, 1969

Pursuant to the foregoing Warrant, the sixty-fourth Annual Town Election was held in the Auditorium of the Plainville Elementary School, Plainville, Massachusetts.

The ballot box was inspected by Marie Diede (D), Jacqueline DiGiantommaso (D), Helen Cobb (R), Lucille Keniston (R), declared empty and the dial set at zero, and the keys turned over to Ballot Box Officer, Stanley Myers.

The following officials, having been appointed by the Board of Selectmen, were sworn in to the faithful performance of their duties by Town Clerk Austin F. Grant: Robert Keniston (R), Warden, Stanley Cole (R), Deputy Warden, Jane Flynn (D), Clerk, Jacqueline DiGiantommaso (D), Deputy Clerk. Tellers: Helen Cobb, Margaret Frederiksen (R), Lucille Keniston (R), Alternate; Evelyn Soule, Marie Diede (D), Helen Pesanello (D), Alternate. Patrolmen Walter Sandland and William A. Macomber were the officers on duty.

The call of the meeting was read by Moderator Charles O. Peasley and the polls declared open at 8:00 A. M.

The representatives for the Board of Registrars were: Richard M. Cobb, (R), Robert Thibedeau and Maurice Theriault (D).

At 8:00 P. M. the polls were declared closed by Warden Robert Keniston. The ballot box inspected by Phyllis Bolduc, Patricia Walls (R), Jacqueline DiGiantommaso and Jane Flynn (D), and registered 995 ballots cast. At this time the absentee ballots were opened, checked on the voting lists, making a total of 1000 votes cast; 471 men and 529 women.

The following counters, appointed by the Board of Selectmen, were sworn in by Town Clerk Austin F. Grant: Allie B. C. McAlpine, Beverly Armstrong, Patricia Walls, Irene Tremblay, Esther Grant, Phyllis Bolduc and Ruth Ashman, (R); Martin Foley, Gael Kelly, Rita Pimental, Camille DiGiantommaso, Nancy Duffy, Helen Theriault and Marion Reilly (D).

At 11:30 P. M. the results of the counting showed the following results:

AUSTIN F. GRANT, Town Clerk
ROBERT KENISTON, Warden

WARRANT FOR SPECIAL TOWN MEETING

THE COMMONWEALTH OF MASSACHUSETTS

Norfolk, ss.

To either of the Constables of the Town of Plainville.

Greetings:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Plainville qualified to vote in elections and Town affairs, to meet at the Elementary School Auditorium, South Street, in said Town of Plainville on

Monday, June 16, 1969

at 7:30 P.M., then and there to act on the following articles, viz:

ARTICLE 1. To see if the Town will vote to abandon Peterson Road and to authorize the Selectmen to execute, acknowledge and

deliver in the name and behalf of the Town of Plainville a deed of the interest of the Town of Plainville in said Peterson Road to Henry A. Peterson for one dollar ($1.00) or take any action relative thereto. (A Petitioned Article) 2/3 vote required.

ARTICLE 2. To see if the Town will vote to amend the Zoning By-Laws and map of the Town of Plainville to the extent necessary to change the following described property from its present classification to the classification CA:

Easterly by Taunton Street
Northerly by IB zone
Westerly by a line parallel to and 300 feet westerly from the westerly line of Taunton Street; and
Southerly by Messenger Street,

or do or act in any manner relative thereto. (A Petitioned Article) 2/3 vote required.

ARTICLE 3. To see if the Town will vote to authorize the Board of Selectmen to appoint any member thereof to another town office or position under the provisions of Chapter 41 Section 4A of the General Laws, or do or act in any manner relative thereto.

And you are directed to serve this Warrant, by posting up seven (7) attested copies thereof in said Town, seven (7) days at least before the time of holding said meeting.

Hereof fail not and make return of this Warrant with your doings thereon at the time and place of said meeting.

Given under our hands this 20th day of May in the year of our Lord one thousand nine hundred and sixty-nine.

ROBERT E. LOEW
ROBERT R. FAILLE
RAY P. FELIX
Selectmen of Plainville

A true copy,
Attest: EDGAR T. PEAVEY, Constable
June 9th, 1969

PROCEEDINGS OF THE SPECIAL TOWN MEETING

TOWN OF PLAINVILLE

June 16, 1969

A Special Town Meeting was held in the Town of Plainville, Norfolk County, Massachusetts, in the Auditorium of the Plainville Elementary School, South Street, Plainville, on Monday evening, June 16, 1969.

The voters were checked in to the hall by Robert Keniston and Marion McCabe, checking 426 registered voters; 226 men and 200 women.

The meeting was called to order by Moderator Charles O. Peasley at 7:55 P. M. The call of the meeting was read by Town Clerk, Austin F. Grant.

The Moderator declared the bounds of the hall to be the chairs set up on the floor of the auditorium and the bleachers on the right and left side of the hall.

Tellers named by the Moderator were: left side of the hall, Gunnar Gustafson and Raymond Crowell, right side, David Kelly and William Simpson. Ballot box officer, Ralph Hancock.

ARTICLE 1. Motion by David Lomasney and seconded by Ray Felix that the Town vote to abandon Peterson Road and to authorize the Selectmen to execute, acknowledge and deliver in the name and behalf of the Town of Plainville a deed of the interest of the Town of Plainville in said Peterson Road to Henry A. Peterson for one dollar ($1.00).

At this time Attorney Ernest White requested permission to speak in behalf of Mr. Peterson. No objections were raised and the Moderator granted this request.

Mr. White explained both Articles 1 and 2 and answered questions concerning the articles.

PLAINVILLE PUBLIC LIBRARY

After much discussion the question was called and the results of a standing vote were: Yes, 330; No, 7.

ARTICLE 2. Motion by Joseph A. Doiron and seconded by Ray Felix that Article 2 be accepted as written. As a result of much discussion on this article, an amendment was proposed by Mrs. Nancy Newman. The Moderator declared a five minute recess in order for Mrs. Newman to prepare her amendment to the motion.

Meeting called to order again at 9:15 P. M.

Mr. Bradford Harrison moved that a secret ballot be taken on this article, seconded by Mrs. Harrison. A standing vote was taken on this motion; Yes, 314; No, 44. The motion for a secret ballot was lost.

Mrs. Newman moved to amend the motion by striking out the words "Northerly by IB Zone" and substituting therefor, the words "Northerly by a line parallel to and 400 feet northerly from the northerly line of Messenger Street."

Standing vote on amendment: Yes, 314; No, 44. Amendment carried.

The Moderator declared that as he had taken an active part in the next matter to come before the house and would like to have an opportunity to express his opinion, he was appointing Town Clerk Austin F. Grant to fill the position as Moderator.

ARTICLE 3. Motion by Robert E. Loew and seconded by Robert R. Faille that the Town vote to authorize the Board of Selectmen to appoint Robert R. Faille, one of its members, to the position of Chief of Police for the current year.

At this point Rev. John A. Cantwell and Rev. Robert Smith approached the microphone and addressed the assembly.

A subsequent motion was made by David Lomasney and seconded by Charles O. Peasley that when we vote on this article it be by secret ballot.

Mr. David Kelly presented the following motion: "I move that the Town vote to accept the provisions of Chapter 41, Section 4A and in so doing appoint Robert R. Faille as Chief of Police for the remainder of the current year." The Moderator advised at this time, that the subsequent motion would have to be voted upon before the main question is amended.

The vote on the secret ballot was favorable.

Much discussion ensued on the main question and many voters were allowed to speak. The question was called and Mr. Peasley explained that the vote on the previous question was a vote to end the discussion. Result of the standing vote was: Yes, 309; No, 41. The discussion was closed and the vote taken on the main article.

The voters proceeded to vote by ballot and the results after the tellers finished counting were: Yes, 214; No, 177. The Selectmen were given the authority to appoint Robert R. Faille Chief of Police for the remainder of the current year.

Upon a motion by Raymond V. Miller and seconded by Robert E. Loew, the Special Town Meeting was adjourned at 11:00 P. M.

AUSTIN F. GRANT, Town Clerk

CHARLES R. MASON
Attorney at Law
61 North Washington Street - Room 3
North Attleboro, Massachusetts

March 21, 1969

Charles Peasley, Town Moderator
Town of Plainville
Plainville, Massachusetts

Dear Sir:

Article 45 relating to the nomination of candidates for the officers to be elected at the Annual Town Meeting is, in my opinion, out of order.

First of all, as to nomination by nomination papers, this is by State statute and to so declare in the Town By-Laws would be surplusage. As to the elimination of political or other caucuses, this cannot be done by Town By-Law. The right of political parties or others to caucus granted by General Laws and may be abrogated only by Legislative Act, acceptance of the Town Caucus System under Chapter 53, Section 121 or if stated otherwise in the Town Charter.

Very truly yours,

CHARLES R. MASON
Attorney at Law

THE COMMONWEALTH OF MASSACHUSETTS
DEPARTMENT OF THE ATTORNEY GENERAL
State House Boston 02133

ROBERT H. QUINN
Attorney General

June 19, 1969

Mr. Austin F. Grant
Town Clerk
Plainville, Massachusetts

Dear Mr. Grant:

I enclose the amendment to zoning by-law adopted under Article 35 of the warrant at the annual town meeting held March 17, 1969, and March 25, 1969, with the approval of the Attorney General endorsed thereon. I regret that I must also enclose the amendment to zoning by-laws adopted under Articles 36, 37 and 38 of the warrant with the disapproval of the Attorney General. These amendments are disapproved for the reason that the public hearing required on all proposed changes in zoning by-laws was not held.

The action taken under Article 28, being the acceptance of a statute, does not require the approval of the Attorney General to be effective, and is therefore returned without action.

Very truly yours,

CARTER LEE
Assistant Attorney General

TOWN OF PLAINVILLE, MASSACHUSETTS

March 26, 1969

I hereby certify that the following is a true copy of Articles 35, 36, 37 and 38, and the votes taken thereon, at the Annual Town Meeting, held in the Town of Plainville, Norfolk County, Massachusetts, March 17, 1969, adjourned to March 25, 1969, at which a legal quorum was present.

AUSTIN F. GRANT, Town Clerk

ARTICLE 35. To see if the Town will vote to amend the By-Laws of the Town by striking therefrom Article XVII (Soil, Loam, Sand or Gravel Removal) in its entirety, or do or act in any manner relative thereto. (2/3 vote)

(Explanation) Most of these requirements are covered in the Zoning By-Laws and those which are not, are picked up in the following articles, or will be picked up in the ensuing year by the By-Law Review Committee. (By-Law Review Committee)

VOTE: Motion by David Kelly and seconded by Arthur W. Myers, that the Town vote to amend the By-Laws of the Town by striking therefrom Article XVII (Soil, Loam, Sand, or Gravel Removal) in its entirety. A standing vote was taken. Results: Yes, 105; No, 0.

Boston, Mass. June 19, 1969

The foregoing amendment to zoning by-laws adopted under Article 35 is approved.

ROBERT H. QUINN
Attorney General

ARTICLE 36. To see if the Town will vote to amend the Zoning By-Laws of the Town by striking therefrom Article I, Section 1.4 (Penalty) in its entirety and inserting in lieu thereof the following:

"1.4 Penalty - Unless otherwise specifically provided herein any person violating any of the provisions of this By-Law shall be fined not more than $50.00 for each offense. Each day that such violation continues shall constitute a separate offense," or do or act in any manner relative thereto. (2/3 vote required. By-Law Review Committee)

VOTE: Motion by David Kelly and seconded by Robert Malin that the Town vote to amend the Zoning By-Law of the Town by striking therefrom Article I, Section 1.4 (Penalty) in its entirety and inserting in lieu thereof the following:

"1/4 Penalty - Unless otherwise specifically provided herein any person violating any of the provisions of this By-Law shall be fined not more than $50.00 for each offense. Each day that

such violation continues shall constitute a separate offense."

A standing vote was taken. Results: Yes, 105; No, 0.

Boston, Mass. June 19, 1969

The foregoing amendment to zoning by-laws adopted under Article 36 IS DISAPPROVED.

ROBERT H. QUINN
Attorney General

ARTICLE 37. To see if the Town will vote to amend the Zoning By-Law by adding in Article III (General Regulations) a Section 3.8.3.5 as follows:

"3.8.3.5. The owners of land in Plainville which has been or may hereafter be excavated shall erect suitable barriers or take other suitable measures so that such excavation does not constitute a hazard to public safety. If in the opinion of the Board of Selectmen a hazard to public safety does exist, the Board of Selectmen shall notify the owner in writing and specify the barriers and/or other suitable measures to be taken which shall be carried out within five days by the owner or owners," or do or act in any manner relative thereto. (2/3 vote required. By-Law Review Committee)

VOTE: Motion by David Kelly and seconded by Robert Malin that the Town vote to amend the Zoning By-Law by adding in Article III (General Regulations) a Section 3.8.3.5 as follows:

"3.8.3.5. The owners of land in Plainville which has been or may hereafter be excavated shall erect suitable barriers or take other suitable measures so that such excavation does not constitute a hazard to public safety. If in the opinion of the Board of Selectmen a hazard to public safety does exist, the Board of Selectmen shall notify the owner in writing and specify the barriers and/or other suitable measures to be taken which shall be carried out within five days by the owner or owners."

A standing vote was taken. Results: Yes, 109; No, 0.

A true copy,
Attest: AUSTIN F. GRANT, Town Clerk

Boston, Mass. June 19, 1969

The foregoing amendment to zoning by-laws adopted under Article 37 IS DISAPPROVED.

ROBERT H. QUINN
Attorney General

ARTICLE 38. To see if the Town will vote to amend the Zoning By-Law by adding in Article III (General Regulations) a Section 3.8.8 as follows:

"3.8.8 Penalty. The penalty for violation of any provision of this section shall be $50.00 for the first offense, $100.00 for the second offense, $200.00 for each subsequent offense," or do or act in any manner relative thereto. (2/3 vote required. By-Law Review Committee)

VOTE: Motion by David Kelly and seconded by Robert Malin that the Town vote to amend the Zoning By-Law by adding in Article III (General Regulations) a Section 3.8.8 as follows:

"3.8.8 Penalty. The penalty for violation of any provision of this section shall be $50.00 for the first offense, $100.00 for the second offense, $200.00 for each subsequent offense."

A standing vote was taken. Results: Yes, 111; No, 0.

A true copy,
Attest: AUSTIN F. GRANT, Town Clerk

Boston, Mass. June 19, 1969

The foregoing amendment to zoning by-laws adopted under Article 38 IS DISAPPROVED.

ROBERT H. QUINN
Attorney General

September 18, 1969

Mr. Austin F. Grant
Town Clerk
Plainville, Massachusetts

Dear Mr. Grant:

I am happy to enclose the amendment to zoning by-laws adopted under Article 2 of the warrant at the special town meeting held June 16, 1969, with the approval of the Attorney General endorsed thereon.

Very truly yours,

CARTER LEE
Assistant Attorney General

CL:cav
Enclosure

TOWN OF PLAINVILLE, MASSACHUSETTS

June 26, 1969

Attorney General
Robert H. Quinn
State House
Boston, Mass.

Dear Sir:

I hereby certify that the following is a true copy of the Article and vote taken thereon at the Special Town Meeting, held in the Town of Plainville, Monday, June 16, 1969 at 7:30 P.M.

The Warrant for this Special Town Meeting was posted in seven public places, seven days before said meeting by the Constable, and a quorum was present at the meeting.

AUSTIN F. GRANT, Town Clerk

ARTICLE 2. To see if the Town will vote to amend the Zoning By-Laws and map of the Town of Plainville to the extent necessary to change the following described property from its present classification to the Classification CA:

Easterly by Taunton Street
Northerly by IB zone
Westerly by a line parallel to and 300 feet westerly from the westerly line of Taunton Street,

or do or act in any manner relative thereto. (A petitioned Article, 2/3 vote required.)

VOTE: Motion by Joseph A. Doiron that the Town vote to accept Article 2 as written. After much discussion the Article was amended by Nancy Newman to read:

I move that the Town vote to amend the Article by striking out the words "northerly by IB Zone" and substituting therefor the words "northerly by a line parallel to and 400 feet northerly from the northerly line of Messenger Street."

Vote on amendment: Yes, 314; No, 44. Amendment carried.

AUSTIN F. GRANT, Town Clerk

Boston, Mass. September 18, 1969

The foregoing amendment to zoning by-laws adopted under Article 2 is approved.

ROBERT H. QUINN
Attorney General

Report of the Board of Registrars

To the Honorable Board of Selectmen

Gentlemen:

The past year has been a normal one for the Board of Registrars, with the new registrations not exceeding by any great degree the normal for a town of our size.

As it was mentioned in last year's report, the forming of the Norfolk County Registrars of Voters Association would be helpful and it has. Most all towns have the same relative problems, and solutions voiced by other towns can and have been helpful to this board. Changes in election laws, and the duties of Registrars throughout the Commonwealth are discussed at great length at our "work shop" type meetings.

A member of Plainville's Board of Registrars has been honored by being elected as Treasurer of this newly formed organization.

With talk of changing the voting age so prevalent it is quite educational to hear the various viewpoints circulated throughout these meetings.

The Census takers have been assigned and we hope the townspeople will cooperate fully in their efforts to make our records complete.

The latest Registrars' figures are as follows:

Republicans	788
Democrats	235
Independents	897

Respectfully submitted,

RICHARD M. COBB, Chairman
ROBERT B. THIBEDEAU, Secretary
MAURICE R. THERIAULT
AUSTIN F. GRANT, Town Clerk

Board of Registrars Expenditures

Balance		$ 176.44

Report of the Finance Committee

To the Honorable Board of Selectmen:

Your Town Finance Committee has had frequent meetings throughout this year. We have had excellent representation and have enjoyed the cooperation of Town Officials in resolving the problems that have arisen.

We sincerely regret the resignation of Mrs. H. Bertha Browne and Mr. Daniel Malone and their presence will be sorely missed.

We have been fortunate in the appointment of Mr. George Pray and Mr. Robert Barney to fill these vacancies.

The money appropriated at the Annual Town Meeting for extraordinary and unforeseen expenses has been disbursed as follows:

1.	Interest on Temporary Loans	$1,402.94
2.	Vocational Education	75.44
3.	Interest on Temporary Loans	1,547.00
4.	For Tax Title	3.94
5.	For Vocational Education	57.30
6.	For Dog Officer	80.00
7.	For Highway Center of Town Account	1,000.00
8.	For Insurance (under estimated)	843.71
9.	For Town Office Maintenance	1,195.00
10.	For Vocational Education	15.60
11.	For Ambulance Account (payroll)	100.00
12.	For Tax Title	30.54
13.	For Vocational Education	48.60
14.	For Fire Department (Forest Fire & Call Men)	2,733.95
15.	For Police Department (Expenses-underestimated)	1,000.00
16.	For Police Department (Payroll account)	1,492.64
17.	For Civil Defense (rent)	131.38
18.	Vocational Education	196.70
19.	For Fire Department (Expense)	1,151.53
20.	Selectmen's Account	120.00

21. For Vocational Education	63.00
22. For Ambulance Account	112.27
Leaving an unexpended balance of	$1,598.46

The following inter-departmental transfers were allowed (these required no transfers of money from our extraordinary and unforeseen account):

(a) From Mental Health to Board of Health (Percolation Tests)	$400.00
(b) From Selectmen C & I to Town Office Maintenance (Air Conditioner)	$225.00

From the Escrow Account (set aside for step increases during the year):

		$3,000.00
(1) To the Police Department	$307.36	
(2) To Selectmen - Clerk	130.00	
		437.36
Balance in Escrow Account		$2,562.64

Your Finance Committee strongly recommends that the voters give deliberate consideration to the establishment of the position of Town Accountant. This individual, in addition to providing the obvious benefits of an up to the minute accounting of all Town funds, could also assume the responsibilities of Office Manager, Selectmen's Agent, and Town Purchasing Agent.

Such a position would provide a nucleus for efficient and business-like practices.

Respectfully submitted,

DAVID B. LOMASNEY, Chairman
DANIEL T. MALONE - resigned
H. BERTHA BROWNE - resigned
JOSEPH A. DOIRON
THOMAS W. LEVIS
AVIDES S. KOSHGARIAN
RAYMOND V. MILLER
GEORGE W. PRAY
ROBERT E. BARNEY
ROBERT E. LOEW,
Chairman Selectmen
LAWRENCE H. CARPENTER,
Treasurer

Town of Plainville Finance Committee

Report of the Highway Department

To the Honorable Board of Selectmen

Gentlemen:

Under Chapter 81 a complete drainage system was installed on Berry Street near the Wrentham Town Line to eliminate a bad condition that has existed for many years.

Mathurin Road, Freemont Street, Hillside Road, Cottage Street from Spring Street to Pleasant Street and a section of Messenger Street were surface treated with one-quarter gallon per square yard of M. C. 800 Asphalt with a sand cover.

Under Chapter 90 Maintenance 953.85 tons of Bituminous Concrete Type I-1 was applied on Messenger Street.

The Old Cemetery on West Bacon Street was mowed and cleaned up during the summer months.

In conjunction with the Highway Department program, drainage, catch basins, brush cut along the roadside, gravel roads were scraped and graveled; bituminous patching and maintenance of roads was realized.

The balance of the money appropriated under Chapter 40, Section 6H of the General Laws to make repairs to private ways was used to seal Branch Avenue, Haynes Road, Elm Way, Zeller Avenue and Martin Lane with one-quarter gallon per square yard of M. C. 800 Asphalt with a sand cover.

Under Chapter 616 a section of Hawkins Street from Peck Road northerly was excavated, widened, graveled, graded, rolled and penetrated with three-quarter square yard of M. C. 250 Asphalt.

It has been a pleasure to work with and for the other departments during the year.

In submitting this report I again wish to thank your Board and the members of the Highway Department, and the other department

heads of the Town for their cooperation during the year.

Respectfully submitted,

EVERETT W. SKINNER
Superintendent of Streets

Report of the Plainville By-Law Review Committee

Board of Selectmen
South Street
Plainville, Massachusetts

To the Honorable Board of Selectmen

Gentlemen:

We hereby submit our annual report to you and the residents of Plainville for the year 1969.

Unfortunately, because of personal commitments and the resignation of one of our original members, our Committee was unable to be as active in 1969 as in 1968. The committee regrets the resignation of Mr. Robert Malin, our part chairman and original member and we wish to thank him for his extra fine effort in his work with us.

The committee welcomes the appointment of Mr. Raymond Miller.

Again, this year, a $100.00 expense account will be requested and an additional $1,000.00 for reprinting as many of the by-laws as possible.

The Committee urges the townspeople to vote this extra reprinting money because most of the by-laws are so out of date and in several cases there are no copies available at all.

One of our main objectives in reprinting will be to have them in loose leaf form so future updating will be at a minimum cost (page by page, rather than book by book).

The Committee looks forward to more refinement of the by-laws and more close cooperation in doing so with the town departments and committees.

1969 Appropriation	$100.00
1969 Expended	None
1970 Budget Request	$100.00

Respectfully submitted,
REGINALD KEYES
DAVID KELLY
CHARLES MASON
CHARLES PEASLEY
RAYMOND MILLER

Report of the Town Counsel

Board of Selectmen
Town of Plainville

Town Counsel's Report:

The following cases are still pending against the Town:

Nirvana Trust	Vs:	Town of Plainville
Ruth Franey	Vs:	Town of Plainville
James Jinks	Vs:	Town of Plainville
Florent Baker	Vs:	Town of Plainville

There is also a case pending on behalf of the Town of Plainville Vs: United Builders, Inc. et al - Land Court Tax Title Foreclosure.

The Town Counsel has been kept busy with various tax problems, zoning problems, sub-division problems, rendering of opinions, drafting deeds and other instruments and various other legal problems from the various Town Departments.

I expect that legal problems will continue and in all probability increase.

I express my appreciation to all Town Officers and Boards and in particular the Board of Selectmen for the assistance and cooperation given me during the year 1969.

Very truly yours,

CHARLES R. MASON
Town Counsel

Report of the Gas Inspector

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit my report as Gas Inspector for the year ending December 31, 1969.

Twenty-seven (27) inspections were made.

Fees collected		$76.00	
Paid to Town Treasurer		$76.00	
Appropriation			$300.00
Expended: Salary	$250.00		
Expenses	50.00		
Total			$300.00

Respectfully submitted,

C.C. BAGLEY
Gas Inspector

Report of the Wire Inspector

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit my report as Inspector of Wires for the Town of Plainville for the year ending December 31, 1969.

Sixty-three (63) Permits were issued and $63.00 in fees turned over to the Town Treasurer.

I would like to take this opportunity to thank the Board of Selectmen, Town Departments, Massachusetts Electric Company, Contractors, and the Townspeople for the cooperation given to me during the years I have been Inspector.

Respectfully submitted,

EARL J. LAVIN
Wire Inspector

Report of the Conservation Commission

To the Honorable Board of Selectmen

Gentlemen:

Annual report of the Plainville Conservation Commission:

The conservation area off George Street has seen increased use during 1969. Activities which the commission encourages are: camping with permission, hiking the many trails, hunting and fishing in season and use of the nature trail. Winter sports of sledding are encouraged at the "gravel pit area".

The conservation area has been improved through the partial grading of the gravel pit area. Different varieties of seed bearing crops for wildlife were planted. Boy Scouts have done additional clearing of fire trails. Litter has been picked up by concerned people who wish to enjoy a clean environment. A conservation field day for Boy and Girl Scouts was held with 70 scouts receiving conservation patches.

The commission has fought the pollution of our environment with indifferent success. It is hoped that everyone will be in this fight for clean air and water. An aroused public will force action by authorities.

During 1970 the commission hopes to finish the clearing of the fire trails and to chip the brush that has been cut. A picnic area by the Mill Pond will be finished. We would like to receive suggestions on additional projects. Any help would also be appreciated by the commission.

Sincerely,

ROBERT FREDRICKSON
STANLEY MYERS
RAYMOND SMITH
EVERETT SKINNER
ARTHUR WASHBURN
RITA WATSON
ROBERT PROAL

Report of the Plumbing Inspector

To the Honorable Board of Selectmen

Gentlemen:

The following is a report of the Plumbing Permits issued for the Town of Plainville for the year ending December 31, 1969.

Total Permits taken out	31
Total fees paid to Treasurer	$403.50

HOMER J. SHEPARD, SR.
Plumbing Inspector

Appropriation:	Salary	$300.00
	Expended	$300.00

Report of the Housing Authority

To the Honorable Board of Selectmen:

Plainville Housing Authority saw the completion of the elderly housing project on Route 106 this fall as scheduled. Open house was held late in October and at that time applications were accepted for 90% of the apartments. At the present time the project is fully rented. Trees and shrubbery will be planted early this spring, and acceptance of the project is expected soon thereafter.

Authority member, Melvin Dwyer, was elected Executive Director by the Authority, leaving a vacancy on the Board.

The Authority would like to take this opportunity to thank Police, Fire and Highway Departments for their fine cooperation during construction.

Respectfully submitted,

FRANCIS W. SIMMONS, Chairman
CLINTON E. BARTON, Vice Chairman

Report of the Personnel Board

To the Honorable Board of Selectmen

Gentlemen:

The year 1969 has been a year of activity and turnover for the Personnel Board. Notwithstanding, we have shown some progress in the continuing aims stated in previous years reports, such as:

We have submitted changes in the Personnel By-Laws to the By-Law Review Committee in an effort of continuing updating and modernizing of same. We have continued membership in the Massachusetts Municipalities Personnel Association, thereby contributing to information collated by the Association, and disseminated for the use of member Town governments.

We have endeavored to continue clarifying the procedures and policies of the Personnel Board in our contacts with other Town Boards, Departments and Town employees.

We met with representatives of the Town employees to discuss and recommend a wage and benefit package for 1970. Some of these include a three year wage schedule, embodying in yearly increments of 10%, 7% and 6% cost of living increases; accumulative sick leave provisions and an improved vacation structure.

We have made progress in having a complete personnel record keeping system, received job descriptions of most positions in Town and met with most Town Departments in an effort to improve communications.

We accepted with regret the resignations of James Cassidy, Richard Stackpole, Robert Adams and Walter Matthews.

To conclude, the following is the 1969 financial statement of the Personnel Board:

Appropriated:		$300.00
Expended:		
Mass. Municipalities Assn., Dues	$20.00	
Baldwins, Office supplies	25.80	

Fairmount Press, Printing of Forms	76.45
Total Expended	$122.25
Balance	$177.75

Respectfully submitted,

FRANCIS R. McCABE, Chairman
GAEL E. KELLY, Secretary
JOHN GIESSELMAN
GEORGE LEMIRE
WALTER MATTHEWS (resigned)

Industrial Development Financing Authority

To the Honorable Board of Selectmen

Gentlemen:

The Industrial Development Financing Authority has been organized, as per the vote of the Townspeople of Plainville, Massachusetts, at the Annual Town Meeting, held in March 1969, and is now in the process of being certified by the Commonwealth of Massachusetts.

Respectfully submitted,

FREDERICK J. BRAUNER, Chairman
CHARLES MASON, Vice Chairman
GRACE SIMMONS, Secretary
RAYMOND MILLER
WARREN ALLEN

Report of Agent for Board of Selectmen

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit my report as Agent for the Board of Selectmen for the year ending December 31, 1969.

During the year I have made periodic examinations of all areas of the town in an effort to keep Plainville free of cars abandoned on private property.

The townspeople have been most cooperative and have complied with regulations when notified of their violations. It is well to call attention to the fact that "Unregistered, inoperative automobiles stored out of doors for more than six months shall be considered junk." This is quoted from the Zoning By-law under Article IV - Definitions.

Many calls have been received and answered relative to the Zoning By-laws and I would like to express my thanks to Town Counsel Charles R. Mason for his advice and cooperation.

All local establishments holding alcoholic beverage licenses have been inspected and occupancy permits issued for 1970.

My thanks to the Board of Selectmen and Health and all town officials for their cooperation during the past year.

Respectfully submitted,

CLINTON E. BARTON, SR.

Report of the Building Inspector

To the Honorable Board of Selectmen

Gentlemen:

I submit herewith my report as Building Inspector for the Town of Plainville for the year ending December 31, 1969.

The following permits were issued at an estimated total of $2,760,768.55 and fees collected total $2,955.50.

26	Dwellings	$466,500.00
1	Apartment Complex	2,200,000.00
24	Alterations and Additions to dwellings	34,488.55
10	Additions and Alterations to Industrial and Commercial Buildings	26,830.00
10	Miscellaneous Permits: Barns, Sheds, Garages	12,950.00
1	Addition to Private School	20,000.00
3	Buildings Razed	

There was an increase of 50% in the total dwelling permits issued over 1968.

The largest permit issued was for a 311 unit apartment complex. Two additions to factory buildings were issued in compliance with the anti-water pollution program which should prove beneficial to our ponds and the Ten Mile River.

It has been my pleasure to serve as Building Inspector for the Town and wish to thank the Board of Selectmen, all other town officials, townspeople and contractors for their cooperation during the past year.

Especially do I thank Warren Paglari who was appointed Assistant Building Inspector, for his assistance and availability when I had to be out of Town.

Respectfully submitted,
CLINTON E. BARTON, SR.
Building Inspector

Appropriation		$500.00
Salary	$400.00	
Expenses	100.00	
	$500.00	

Report of Sanitary Inspector

To the Honorable Board of Selectmen:

Soil tests, inspection of location drainage and design of required disposal systems were made at all new building. Inspection is made before backfill at all locations. This program covers all new building, both residential and industrial.

Complaints were promptly investigated, advice given as to correction and investigation made as to compliance in the time allowed to resolve.

Inspection was made at eating and drinking establishments, and laboratory analysis of milk and cream samples on a quarterly basis were taken during the year.

Standard bacteriological water analysis of new Town Swimming Pool was made on a weekly basis during the season and all tests showed that this pool was maintained at the very highest standard of purity for swimming facility.

I wish to express my thanks to the Board of Selectmen, Town Office and Mr. Everett Skinner for their help and cooperation during the past year.

Respectfully submitted,
PUTNAM STEELE, R.S.
Sanitation Inspector

APPROPRIATION:	Salary	$500.00
	Special Milk Analysis	200.00
	Expended	$700.00

Report of Inspector of Milk and Dairies

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit my report as Inspector of Milk and Dairies for the Town of Plainville for the year ending December 31, 1969.

All dairies were visited and twenty-six (26) licenses at one dollar ($1.00) each issued.

Paid to Town Treasurer - $26.00.

Respectfully submitted,

ROBERT C. KENISTON
Inspector of Milk and Dairies

Report of Inspector of Slaughtering

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit my report as Inspector of Slaughtering for the Town of Plainville for the year ending December 31, 1969.

The monthly reports required by the State were sent to the Department of Health with all information.

Three animals were inspected for slaughtering for home use.

Respectfully submitted,

ROBERT C. KENISTON
Inspector of Slaughtering

Report of Inspector of Animals

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit my report as Inspector of Animals for the Town of Plainville for the year ending December 31, 1969.

All cattle brought into Town from out of State were identified by ear tag numbers and released.

A complete inventory of all livestock in the Town was completed and figures returned to the State.

The inventory showed: 43 Horses, 12 Ponies, 1 Dairy Heifer, 1 Dairy Cow, 12 Beef, 18 Sheep and 3 Goats.

Sixteen dog bites were reported and all animals were placed under quarantine and then released after inspection and a full report was sent to the State for each case.

Respectfully submitted,

ROBERT C. KENISTON
Inspector of Animals

Report of Norfolk County Mosquito Control Project

To the Citizens of Plainville:

Submitted herewith is the report of the Norfolk County Mosquito Control Project of its activities in the Town of Plainville for the year ending December 31, 1969.

Aerial Larvacide	725 acres
Winter pre-hatch dusting	150 acres
Drainage ditches cleaned	2577 feet
Brush cut	105 feet
Culverts cleaned	13 culverts
Misting from trucks	2125 acres
Backpack spraying	83 acres
Fog application	350 acres

Respectfully submitted,

ALBERT W. HEUSER
Superintendent

Report of the Park Department

To the Honorable Board of Selectmen

Gentlemen:

Park activities centered around the new swimming pool which had been completed in August of 1968.

Three hundred seventy-five (375) children received swimming instruction with one hundred forty (140) Red Cross cards given for certification of beginners through Junior Life Saving.

The staff was headed by Paula Sharon, assisted by Susan McKinnon, Joan Gzrenda and Andrea Poirer. Grounds and maintenance were taken care of by Tom Vine and Steve Cooper.

The craft and sports programs were held to a minimum by the Park Commissioners in an attempt to hold back expenditures pending the actual operating cost of the new pool for a complete season.

Replacement of playground equipment was begun with the purchase of a new merry-go-round.

We wish to publicly thank Everett Skinner for his assistance with the mechanical operation of the pool.

Appropriation:		$7,240.00
Expended:		
Office supplies	17.21	
Power, light, water	861.30	
Non-capital parts and equipment	167.64	
Purchased labor	13.42	
Equipment Maintenance gas, oil, repairs	87.47	
Pool Maintenance	673.06	
Arts and Crafts	8.62	
Grounds care	62.15	
New equipment	654.02	
Salaries	3,706.85	6,251.74
Balance		$988.26

Respectfully submitted,
THOMAS ARMITAGE, Chairman
MIRIAM LOMASNEY
DONALD McALPINE

Report of the Town Government Study Committee

To the Honorable Board of Selectmen

Gentlemen:

The Town Government Study Committee has not functioned efficiently due to the lack of a full committee. However, we made every effort to meet monthly. During that time we did meet with the Chairman of a nearby similar committee and learned how they proceeded in making a study and making changes that might benefit their town.

At present the committee is doing research into the forms of government that area towns might have.

Respectfully submitted,

LENA G. CHOMA, Secretary
RICHARD ELLIS
JANICE BOUCHER
ROBERT M. SMITH

Report of the Town Ambulance

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit my report for the year ending December 31, 1969.

Trips	230
Patients	223
Mileage	5,127
Man Hours	649
Oxygen	23 Tanks
Billing	$2,667.00
Billings Collected and Turned over to the Treasurer	$1,964.50

Appropriation:		$1,500.00
Transferred E & D		212.27
Total		$1,712.27
Expended:		
Oxygen	$ 40.28	
Laundry	262.39	
Ambulance Maintenance	130.79	
Supplies & Misc. Expenses	45.77	
Gasoline	156.89	
Radio Maintenance	29.65	
Training (2 men school)	100.00	
Salaries	946.50	
Total Expended:		$1,712.27
Balance:		-0-

Ambulance Replacement Account:		
Transferred Town Meeting:		$1,250.00
Expended:		
Kelly Bros. Installation of Formica Top & Door for Resusitator	$ 40.00	
A.E. Halperin Co. Equipment & Supplies	327.74	
American Fire Equipment Equipment	158.00	
Total Expended:		525.74
Balance:		$724.26

The year 1969 has been the busiest year since the start of the Ambulance service in 1961 when we made 98 trips. This year totals show 230 trips plus many more trips by the Fire Chief's Car.

We have complied with all regulations of the Department of Public Health, Division of Hospital Facilities in order to be Certified by the Commonwealth of Massachusetts.

I am requesting $300.00 be transferred from the Replacement Account. Last year we transferred $1,250.00 from this account for supplies and equipment in order to comply with the State requirements and also to purchase a radio on the Norfolk County frequency. Due to increased costs we were unable to purchase same. I feel this is a very important piece of equipment for the efficient operation of the ambulance.

Respectfully yours,

C. E. SKINNER, JR.
Chief of Fire Department

Report of the Police Department

Honorable Board of Selectmen
Town Offices
Plainville, Massachusetts

Gentlemen:

As the year 1969 comes to a close, I would like to submit the following reports for the Town book.

The first and in my mind the foremost accomplishments of 1969 was the fact that Patrolmen LaMothe, Sandland and our new Sergeant Macomber graduated from the Massachusetts State Police Academy near the tops of their classes. Sergeant Peavey has been to a Narcotic School run by the State Police and also a command training seminar. He is enrolled at Dean College now. Patrolman Sandland has graduated from the F. B. I. Firearms instructors course and is also at Dean. Patrolman LaMothe is listed to go to the Narcotic School in January, and Patrolman Olszewski has been accepted for the State Police Academy in 1970 and is also a student at Dean. And I have been attending a course at Bryant on Police Administration. This, I feel shows much interest on the part of the men but should also give the townspeople a sense of pride, because they made this possible.

We have remodeled the Police Station and made a separate office for the Police Chief, which has been very nice, and I would like to state that as much as possible I will be in my office every Tuesday

evening so that any person in Town, young or old, that has a problem they would like to talk over in private, or just want to stop in, they will be welcome. I am hoping to complete the reapirs on the Police Station this year.

It goes without saying that the best investment the Town made last year was the two Police package cruisers. These vehicles have been in steady use, have been maintained, and maintenance costs have been minimal, so that we do not need new ones this year.

I want to thank the men of my Department for their diligence and support, the Fire & Highway departments for their tremendous help, and all others who have made the job easier by their help.

As you know this Department is requesting Tenure from the townspeople this year, and I would like to explain this briefly here. As you are aware, we are appointed annually, and are the only Town in the area in this position. The only difference between Tenure and what the Town accepted last year is to abolishment of the annual appointment, as the control is still held by the Board of Selectmen, and they can set their own recommendations as to what qualifications are best for this Town, as opposed to Civil Service where it is all handled by the State. I want to thank your Board for the support you have given us in this endeavor and hope that the townspeople will support us, too.

With the constant changes in the laws today, it is rewarding to see the men of this department furthering their knowledge and education and I hope that you and the Town are as proud of us as we are proud to be Plainville Police Officers.

Respectfully submitted,

ROBERT R. FAILLE
Chief of Police

POLICE SERGEANT'S REPORT

December 21, 1969
Sgt. William A. Macomber
Plainville Police Department

To: Chief Robert R. Faille
Subject: Report of all arrests, complaints, and papers served for the Town Report.

Larceny	25
Breaking & Entering	40
Sudden deaths	5
Assaults	2
Run-aways	8
Recovered property	10
Malicious destruction	23
Domestic	25
Child molesting	3
Attempted suicides	5
Armed robbery	1
Arsons	2
Rape	1
Disturbances	28
Gaming	1
Child neglect	1

To date:

143 summons for appearance in court
5 warrants service made
3 show cause papers served
3 subpoenas
1 order or notice
2 capias

Total: 157 papers have been serviced by this department.

Arrest Report:

26 arrested for operating under the influence of alcohol and drunk
4 operating after suspension of license
3 for larceny

1 for A.W.O.L.
1 for rape
1 for assault and battery on a police officer
15 for other departments on warrants
29 arrests involving drugs
Total: 80 arrests made to date

This department has followed through and made a full investigation of all cases reported to us. Many man hours have been spent on the reporting and investigation of all cases reported to this department.

Respectfully submitted,

WILLIAM A. MACOMBER
Sergeant

Robert R. Faille, Chief
Plainville Police Department
Plainville, Massachusetts

Dear Chief:

Per your request for my report re: Motor Vehicle Accidents for the year ending 1969 along with a report of the serviceability of both cruisers with the present mileage as of this date, December 16, 1969, please accept this following report:

This Department has investigated one hundred and forty-eight Motor Vehicle Accidents, out of which thirty-seven were injured. Three were fatally injured, two Pedestrian Accidents, one of which was a fatality.

Total Mileage on Cruiser unit 33 is 33,156.1 Miles.
Total Mileage on Cruiser unit 34 is 29,000.0 Miles.

Each of these units is inspected by the Chief, Sergeant, and every Police Officer before each starting of shifts, and a report is made out and given in after each tour of duty is ended if anything is faulty. Also, each one of these units mileage is checked and an oil change

and oil filter is given to them at 1500 miles.

Tune-ups are attended to by Plymouth Dealers at Anderson Motors in Attleboro at every 10, 000 miles. To this date all units are in very good mechanical and excellent body condition.

Respectfully,

THOMAS R. LaMOTHE

REPORT OF THE RECORDS DIVISION OFFICER

Chief Robert R. Faille
Plainville Police Department
Plainville, Massachusetts

Dear Chief:

This year of 1969 has been a very good one as far as the records' section is concerned, but as any new system there are a few bugs in it.

I now make a proposal for the year 1970:

1. All Motor Vehicle accidents investigated by this department shall have a report made out. If damage is over $200. 00 two (2) copies will be made out, damage under $200. 00, a Police copy for our records shall be made out.

2. Any complaint received and investigated by this department shall have reports made out and all incidentals such as date of births shall be recorded, also middle initials.

3. All citations marked Complaint shall be left in the basket on the desk after the complaint has been disposed of and on the back side of the Police Department copy the disposition of said case, so that at the end of the year a report can be easily made.

4. All Arrests that are made during this coming year shall have a "Blue" Arrest Sheet made out. The disposition of said arrest shall be submitted on the seventh line from the bottom. If arrested on a

Warrant for another department, state so on the same line, and give name of department and officer (s) who picked same up.

I would like to thank all the Officers who have done a very good job this past year in helping me with this system.

Thank you,

THOMAS LaMOTHE
Records Division Officer

REPORT OF CITATIONS FOR 1969

December 18, 1969

Robert R. Faille
Chief of Police
Plainville Police Department
Plainville, Massachusetts

Dear Chief:

Please accept this report that you requested of me on all citations and the reasons why they were issued.

There were 147 citations issued for the year ending 1969, and the following are the charges listed below:

Endangering	8
Speeding	64
Drunkenness	4
Red Lights	10
Stop Signs	26
Operating after suspension	3
Operating without a license	13
Operating under the influence	6
Possession of an alcoholic beverage	3
Operating an unregistered and Uninsured	3
Leaving the scene after causing personal injury	1
Improper starting	5

Racing	2
Failure to stop for a school bus	6
Improper turn	1
Failing to use care and caution	1
Operating without registration in possession	7
Leaving the scene of an accident after causing property damage	1
Failing to display inspection sticker	1
Failing to have vehicle under control when passing	1
Allowing an improper person to operate	2
Operating after 1:00 a.m.	2
Operating without a license in possession	4
Failing to display proper equipment	1
Total Charges	175

As of this date there were 85 complaints, which ended in court action at Wrentham District Court, amounting to approximately 278 hours court time for this department.

As of this date there were 49 warnings issued by members of this department which did not warrant court action, but were referred to the Registrar of Motor Vehicles, and will be handled by his office.

There were also 10 arrests made by members of this department, resulting from Motor Vehicle violations upon the highways. Of these violations were speeding, drunkenness, operating under the influence, operating without a license, operating without a license and registration in possession and operating after suspension. All charges were found guilty by the courts.

This department has spent numerous hours on selective enforcement at dangerous intersections where accident rates were the highest, also on streets where complaints from residents about speeding and other motor vehicle violations were reported.

The above is my report for the year ending 1969 on all citations issued by members of this department.

Respectfully,
PHILIP S. OLSZEWSKI
Patrolman, Plainville Police Department

Report of the Veterans' Agent

To the Honorable Board of Selectmen

Gentlemen:

Two increases in the veteran's budget in 1969, and increased benefits paid to recipients of veteran's services resulted in an increase in the budget. All applicants for veteran's services were approved by the commissioner of veteran's services, therefore, the town will be reimbursed for one-half of all aid approved by the commissioner.

Throughout 1969 veterans' services has assisted many veterans, and has at present two regular cases.

Respectfully submitted,

WILLIAM A. MACOMBER
Veterans' Agent

Appropriation:		$6,000.00
Expenses		350.00
		6,350.00
Expended:		
Regular cases (2)	$3,876.00	
Temporary	1,370.41	5,246.41
Expenses: Travel, dues, supplies		350.00
		4,596.41
Balance in account		$743.59

Report of the Board of Fire Engineers

To the Honorable Board of Selectmen

Gentlemen:

We herewith submit our report for the year ending December 31, 1969.

Following is a list of calls answered by the Department:

Buildings	30
Grass & Brush	66
Investigations	58
Automobiles	11
Accidents	16
Miscellaneous	89
Lock Outs	13
Rescue	8
First Aid	16
Bomb Scares	6
False Alarms	10
Accidental Alarms	4
Sprinkler Alarms	10
Mutual Aid	9
Practices & Meetings	24
Flooded Cellars	41
Transportation	59
Total	470
Ambulance Trips	230
Grand Total	700

This has been a full year for this department. Considerable effort and time has been spent on Training, Schooling, and Fire Prevention. The day of the strong back as a primary qualification for firefighting is gone. The demand will be for the technician, for the man who by education and aptitude has a capacity for developing the skill and efficiency needed to use the firefighting equipment developed by science.

The State of Massachusetts officially opened a Fire Academy in Stow, Massachusetts with a Supervisor of Fire Training and staff.

Each of the four full time firefighters attended classes on different phases of firefighting during the year at the Academy and on December 5th we are proud to say that each graduated at the first graduation exercises held by the State of Massachusetts.

A ten week course in Fire Department First Aid was held at our fire headquarters with all members attending one night a week for three hours per night. The instructors were from the State Fire Academy under the supervision of the Supervisor of Fire Training and in cooperation with the American Red Cross. This course covered Standard and Advanced First Aid, Rescue, and Accidents.

Firefighters Raymond Clontz and Calvin Lessard attended and graduated from an American Red Cross First Aid Instructors course held in Brockton for six weeks and are now certified First Aid Instructors for the State Fire Academy and the American Red Cross.

Firefighters Richard Pelletier and Robert Skinner attended and graduated from a four day advanced practical course on initial emergency care of the sick and injured at Harvard University sponsored by the State Committee on injuries and the American Academy of Orthopaedic Surgeons.

Deputy Chief Thomas Armitage and Firefighter Raymond Clontz attended a course of instruction for Cardiopulmonary Resuscitation in accordance with the American Heart Association at the Sturdy Memorial Hospital and graduated as instructors for this department on this subject.

The four regular firefighters and five call firefighters attended a two day Firefighters Seminar at the Norfolk Agricultural School in Walpole, September 21st and 22nd. This was sponsored by the Norfolk County Fire Chiefs' Association under the supervision of the Massachusetts Fire Academy.

Twelve firefighters including the regular men attended and graduated from a two night a month for three months course in firefighting held at the Norfolk County Agricultural School in Walpole sponsored by the Norfolk County Fire Chiefs' Association under the supervision of the Massachusetts Fire Academy.

Firefighters Richard Pelletier and Robert Skinner attended a course on Cardiopulmonary Resuscitation at the Sturdy Memorial Hospital.

Firefighters Calvin Lessard and Robert Skinner attended a one day seminar on Fire Prevention and Demonstrations at the Boston Fire Department Training Academy presented by the Massachusetts Safety Council.

Besides the above special schooling regular practices and meetings were held for the full department and members of the auxiliary department bi-monthly, plus many hours were spent by the full time men at study and practice.

A great deal of literature on fire prevention was obtained and a complete program was carried out during Fire Prevention Week in the Schools, Churches, and at Fire Headquarters. Also many hours were spent at the Hilltop Terrace, Rogers Nursing Home, and the local industries during the year.

As recommended in our last year's report, we are this year requesting the purchase of a pumping engine. An article will be inserted in the warrant for same.

We are also recommending the purchase of hose, home receivers, boots, coats, and helmets this year. This is to replace some items that need replacing and to supply some of the firefighters with equipment we do not have sufficient quantities of.

We wish to take this opportunity to thank your Honorable Board, the Officers and personnel of this department, the C.D. Auxiliary Fire Department, Police Chief Robert Faille and the Officers and men of the Police Department, Superintendent of Streets, Everett Skinner and the men of the Highway Department, and all others who have assisted and cooperated with us during the year.

Respectfully submitted,

WALTER COLEMAN, Chairman
EVERETT HATT
CLARENCE E. SKINNER, JR.

Report of the Board of Appeals

To the Honorable Board of Selectmen

Gentlemen:

This Board apports another year of inactivity. Apparently all other Boards, Committees and Departments have operated to the satisfaction of the townspeople to the extent that no situation or dispute requiring our services occurred. We view this turn of events with pleasure, and feel the town officers have functioned smoothly indeed.

We sincerely hope 1970 will be as uneventful.

Respectfully submitted,

ROBERT W. HAYES, Chairman
ROBERT KENISTON
MELVIN DWYER
Board of Appeals

Control of Insects and Dutch Elm Disease

To the Honorable Board of Selectmen

Gentlemen:

This year the appropriation for this account was again used to take down dead trees, caused by the Dutch Elm Disease.

Massachusetts Electric Company again this year paid to have these trees removed below the wires, thereby making it possible for the Town to remove more trees than our appropriation would have allowed.

Appropriation:		1,000.00
Expended:		
Labor	275.20	
Bancrofts Inc.	723.50	998.70
Balance		$ 1.30

Respectfully submitted,
EVERETT W. SKINNER
Moth Superintendent

Report of Water Commissioners

To the Honorable Board of Selectmen

Gentlemen:

Following is the report of the Water Department for the year ending December 31, 1969. Records from the Town Pumping Station show that 234,285,450 gallons pumped, 79,901,200 more than the year 1968. A total of 8,774.8 pumping hours, 641,604 gallons daily, 26,733 gallons per hour and 446 gallons per minute.

Wells #1 and #2 were completely redeveloped in the Spring of 1969. Also the Water Main Extension Project on Fletcher, Broad and George Streets have been successfully completed.

We wish to thank Superintendent Everett Skinner, Sr., the Highway Department, Mr. Lawrence Carpenter, Honorable Board of Selectmen, Finance Committee, North Attleboro Water Department, and Camp, Dresser and McKee for their excellent cooperation during the year 1969.

Report of Library Trustees

To the Honorable Board of Selectmen

Gentlemen:

We have had a good year. In 1969 our circulation has been good. We have added to our physical assets and many new and interesting books for our reading public.

A program has been established with the Boston Public Library Bookmobile through which books are loaned for our circulation. This program helps to reduce our capital outlay for books.

We have done some maintenance in the building, but hope to do a refinishing program on the floors. The entrance hall was redecorated.

Our Librarian, Mrs. Richard Cobb, has continued her high standard of excellence. We wish to thank her for her work as our Librarian.

We also wish to thank Mrs. James Finley for her work as our Assistant Librarian. We appreciate her devotion and diligence, and regret that she found it necessary to leave. We were fortunate in securing the services of Mrs. Robert Keniston as our Assistant Librarian. She has been with us before and we welcome her return.

Many thanks go to our maintenance man, Dick Cobb, for his extra curricular work in our behalf.

Civil Defense Report

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit my report as Civil Defense Director for the year ending December 31, 1969.

Although severely hampered again this year by a lack of funds C.D. did make some notable progress.

During the spring we trained twelve Radiological monitors, and received Radiological monitoring equipment from the Federal Government.

During the late spring and early summer we were able through the efforts of Chief Faille of the Police Department to form the nucleus of an Auxiliary Police Force.

The Auxiliary Fire Department continued their training program and added several new members during the course of the year.

Due to financial crisis created by the Emergency Hospital neither the Police or Fire Departments had any monies to purchase some much needed equipment and training aids.

Communications faired somewhat better equipment wise than the Police and Fire Departments. We were able to purchase two radios through Surplus Property. Also we were forced to replace our attack warning monitor radio after the old one proved uneconomical to keep in repair any longer.

As was previously mentioned in this report, the Emergency Hospital created a financial crisis for D.D. during the year. In August we were forced to remove the remaining segment from the Anna Ware Jackson School. The only suitable space we could obtain was a rented area at a cost of seventy five dollars a month. Needless to say, this was not figured in our budget and necessitated a transfer of funds to correct the deficiency in the budget created by the move into the rented quarters. As the year ended we were in negotiations with the Town of Norton for removal of the Hospital to their jurisdiction as it obviously is no longer economical for the Town of Plainville to keep it. We hope to have the move to Norton completed shortly after the first of the year.

We wish at this time to express our sincere thanks to all the other Municipal Departments for their help and cooperation throughout this past year.

Director

Report of the Town Forest Committee

To the Honorable Board of Selectmen

Gentlemen:

We herewith submit our report for the Town Forest Committee for the year ending December 31, 1969.

The Town Forest was again cleaned and trimmed by the Boy Scouts as their conservation project. The appropriation of $75.00 was paid to the Boy Scout Troop for the work done.

Respectfully submitted,

EVERETT W. SKINNER
ALEC FREDERICKSON
ROBERT J. PROAL
Town Forest Committee

Report of the Tree Warden

To the Honorable Board of Selectmen

Gentlemen:

The appropriation this year was again used to take down dead trees and for trimming dead wood.

Some work was done on the shade trees with rods and cables, and during 1970 we plan to start a replanting program on a small plane to help replace some of the trees which have been removed.

Respectfully Submitted,

EVERETT W. SKINNER
Tree Warden

Report of the Planning Board

To the Honorable Board of Selectmen

Gentlemen:

The Planning Board has met regularly on the first and third Monday of each month with the exception of those that conflicted with town meetings.

Both the spring and fall meetings of the Massachusetts Federation of Planning Boards were attended also the Ten Mile River meeting in Attleboro.

The Planning Board is of the opinion that it is important that Plainville join a regional planning district and therefore scheduled meetings with the two agencies that we may join. We met with the Southeast Regional Planning and Economic Development District on June 6, 1969 and with the Metropolitan Area Planning Council on September 29, 1969. After consideration of the relative merits we recommend that Plainville join the Southeastern Regional Planning and Economic Development District. We have prepared an article to be placed in the town meeting warrant for this purpose.

Hearings were held on three articles submitted by the By-Law Review Committee at the 1969 Town Meeting and later declared invalid due to the fact that no hearings were held, these have been submitted for the 1970 warrant.

The Planning Board has prepared one amendment designed to reduce confusion associated with the present Frontage and Width requirements.

Notices were sent by Town Counsel, on order of the Planning Board, to two subdivision developers relating to streets and sidewalks which must be completed in accordance with covenants held by the town.

The master linen of our zoning map has been sent to an engineering firm to be updated and should be completed shortly.

Communication has been established with the New York Central Railroad and new negotiations have been started in our efforts to have the bridges over the old New Haven tracks and right of way removed. This is the fifth year the Planning Board has been working on this project which has been stalled due to the New Haven bankruptcy.

Seventeen plans not requiring approval were presented for signatures. Fourteen were signed as presented, two were later signed revisions and one was submitted by the appellant to the Board of Appeals for a variance.

Our Budget Request for 1969 was	$500.00
Our Appropriation was	400.00
We have Expended	398.84
Balance	$ 1.16

On behalf of the other members and myself I wish to thank all of the boards, committees, town departments and citizens for the assistance given us this past year.

Respectfully submitted,

BRUCE E. HASTINGS, Chairman
DONALD CARTER, Secretary
WILLIAM GILL
NORMAN THERIAULT
RICHARD BIBBY

Report of the School Committee

To the Citizens of Plainville:

An annual report to the people of Plainville covering all the activities and subjects dealt with during the course of a year, and involving all the issues and decisions encountered over a 12-month span would fill many pages, and in the interest of brevity it is our purpose here only to touch on some of the highlights which we consider to be of public interest.

For the first time in its history, Plainville will inaugurate a public kindergarten program in September of this year. In order to provide the space necessary for such a program, and to bring our age level more in line with the rest of the state, the School Committee has voted that effective with the 1970-71 school year, the entrance age for grade one will be 6 years as of August 31, and for kindergarten it will be 5 years as of the same date. Any child between the ages of 5 years 8 months and 6 years may be promoted to the first grade from kindergarten on the recommendation of the kindergarten teacher within the first two weeks of the school year.

The parents of all 5th and 6th grade children should be more than pleased and interested to learn that the School Committee has approved a new textbook and test kit program in Science for these grades beginning in January 1970.

For many years the Plainville Schools have been struggling with a report card which has proved to be contradictory and confusing to parents and teachers in determining the progress of their children in the school system. A sub-committee of teachers, administrators and School Committee representatives presented its recommendations for improvement in the layout and content of the report cards to be used in the Plainville elementary schools, and their recommendations were enthusiastically approved by the School Committee. We feel the new card is a fine step in the right direction and should serve to better inform the parent of his child's status, and also provide the teachers with an opportunity for fairer and more comprehensive grading of the students under his/her jurisdiction.

Our Physical Education Director has broadened his program this year to include intramural basketball and has added substantial equipment to better carry out his physical fitness and bodily exercise activities. There has been a decided improvement in this area over the past two or three years.

The elementary school gymnasium and pertinent facilities continue to be used to good advantage by the young people of Plainville. Both the Youth Forum and the P.A.L. (Plainville Athletic League) are conducting regular programs which are intended to instill in the participants good sportsmanship, wholesome activity, and correct social conduct, and to all appearances the programs are accomplishing their purpose to a satisfactory degree.

The School Committee authorized two Young Audiences Programs for the present school year. These have proven very interesting and informative in the past, and we are pleased to approve the recommendation of the Music Supervisor again this year. It was gratifying to learn that a portion of the cost of such programs will be shared by the Dominican Academy.

We had a successful Head Start Program this past summer and application has been made for approval of funds to continue the Head Start Program for the summer of 1970.

A quantity of new desks were purchased this year to continue our program of modernization. In this connection, the administrative offices were renovated, new counter tops were installed in many of the classrooms, and a new floor maintenance machine was purchased.

It has always been the goal of this committee to upgrade and strengthen our curriculum and programs especially in the basic subjects and the sciences to the point where we will be recognized as local leaders in the elementary school education - this to be done at no sacrifice to other subjects presently being taught. We shall continue to review, analyze, and survey our present methods in the three R's to determine whether they are the most effective and progressive programs that we can provide for the funds available. In this respect it is incumbent upon us to find ways and means to encourage and stimulate our teachers to attain and maintain maximum efforts and results in their respective teaching positions.

We are now in our third year of collective bargaining sessions with the Professional Rights and Responsibilities Committee of the Plainville Teachers' Association. Our position has been to try and keep our settlements with the teachers on a fair and just basis, keeping in mind the size of the town, size of the school system, teaching demands, and other factors which would influence our final decision.

The committee wishes to express its gratitude to all those associated with the schools for their fine support and assistance during the past year; we are most appreciative of the assistance of the King Philip Regional carpentry students in renovating the administrative offices; we acknowledge with sincere thanks the gift of the P.T.A. of library books for the elementary schools; and, as usual, we are especially grateful to those people who assist in our library programs.

Respectfully submitted,

ROBERT W. ROOT, Chairman
ELMA M. UNDERHILL, Secretary
RAYMOND ANNINO
FRANCIS P. BUITING
BRUCE A. HAYES

Report of the Superintendent of Schools 1969

The basic job of our schools is to prepare the students so that their fullest potential may be realized. We must teach skills to all, up to the very limit of their capabilities. In addition, we must prepare them to contend effectively with the multitude of problems and responsibilities they will face in the adult world. This does not mean that we can cram enough learning into their early years to last the balance of their lives. This is merely "basic training" which prepares them for future years. This training must also concern itself with helping young people understand themselves and the world about them.

In the King Philip Regional School District we are constantly evaluating the curriculum and the overall objectives to insure that we are moving constantly toward our future goals. In the individual reports submitted by Mr. D'Aniello, Mr. Costa, Mr. Titus and Mr. O'Regan you will read of some of the problems, the achievements, and the aspirations of the administrators in their respective schools. I truly feel that to maintain the "status quo" in our schools is to fall behind and invite educational disaster. Constant improvement is a necessity.

As I mentioned in my initial report as superintendent, the basic problems facing us in the near future is the lack of adequate classroom facilities at the high school. This past summer we usurped the student council store, installed an additional door and created a small classroom. We are utilizing the present facilities at approximately 98% of capacity and leave virtually no room for expansion. Using the present enrollments in the junior high school and the three elementary schools as a base and with no allowance for additional students moving into the regional area, the student enrollment projections for the next eight years are:

	ACADEMIC	VOCATIONAL	TOTAL	JUNIOR HIGH
1969-70	897	100	997	621
1970-71	1005	100	1105	673
1971-72	1096	100	1196	705
1972-73	1188	100	1288	729
1973-74	1283	100	1383	717
1974-75	1349	100	1449	718
1975-76	1372	100	1472	779
1976-77	1397	100	1497	804(est)
1977-78	1446	100	1546	829(est)

To provide for this tremendous influx of students it is imperative that we start planning immediately for the construction of a new grade 7, 8, 9 junior high school in the town of Plainville. With the addition of this building and barring any unforseen increase in school population, our housing needs should be satisfied until after the 1977-78 school year.

In March we welcomed Mr. A. J. D'Aniello to the regional school district as Principal of the high school. He was selected from an outstanding group of candidates and has done an excellent job. We are indeed fortunate to have added such an outstanding administrator to the regional high school faculty.

I would like to express my appreciation to all of the administrative staff, and to all faculty members of the King Philip Regional School District for their cooperation during the past school year. It is vital that we all unite to provide the children with the best possible education.

To the secretarial staff, custodians, and cafeteria workers my special thanks for their splendid effort on behalf of the tri-town students.

To the members of the regional school committee I would like to express my sincere appreciation for their invaluable assistance, for their long hours of service and for their concern with the problem of improving the King Philip Regional Schools.

Sincerely yours,
CHARLES L. MANOS
Superintendent

Report of the Superintendent of Schools

To the Plainville School Committee:

I consider it a privilege to submit my tenth annual report.

Introduction

It would be very easy at this time to use the entire space allotted to sum up the achievements of the past ten years. They have been many for the Plainville school system as you have expanded from 18 to 30 classrooms and have added Physical Education, Speech Therapy, Special Education, and a new building to your program. Departmentalization, semi-departmentalization, ungraded classes and an Opportunity Class with teacher aides have been established. Modern math, a co-basal reading system and additional testing programs have been installed. All teachers have worked to maintain and upgrade their professional skills. Much has been learned about specific learning disabilities, emotional disturbance, retardation and other handicaps to learning. Much is being done to overcome these handicaps which in the past were either ignored or accepted as problems that existed but could not be solved by the schools. Much progress has been made in the past decade.

Enrollment

The September 1969 First Grade enrolled 131 pupils, compared to 135 in 1968. Total enrollment was 702, with 480 at the Elementary School and 222 at the Jackson School. All totals were very near our estimates.

Teaching Staff

New teachers added in September were Miss Catherine Bertram at the Elementary School and Miss Lauren Haug at the Jackson School. Mrs. Doris Rae is teaching part time at the Jackson School. Miss Judith Stolworthy became Art Supervisor.

Principals

Mr. Edward Keaney continued at the Elementary School, and Mr. Emory Merrill replaced Mr. William Skitt at the Jackson School.

School Facilities

All twenty rooms at the Elementary School and all ten rooms at the Jackson School are used as follows:

	Elementary School	Jackson School
Grade 1	3	2
Grade 2	3	2
Grade 3	3	1
Grade 4	4	1
Grade 5	2	2
Grade 6	4	0
Ungraded	1	0
Opportunity Class	0	1
Special Class	0	1

Policy has been to permit any child in town to attend either school. No district lines are established. All sixth grades are at the Elementary School.

Federal Programs

1969 fund totals were: Title I, ESEA, $4,640; Title II, ESEA, $606.14; NDEA $814.68; Summer Head Start, $6,702; TOTAL, $12,762.82.

State Aid

It is difficult to be sure of the amount of State Aid that the town will receive in 1970. We will receive considerably more than we did in 1969. Each year since 1966 the amount of State Aid has relatively stabilized the local cost of schools in Plainville, even if expenditures for the Regional School are included. In fact, the 1969 school tax was $6.00 lower than the 1967 school tax rate.

Lunch Program

The lunch program continues under the capable direction of Mrs. Evelyn Snell. Mrs. Elwyn Wolowicz, Mrs. Priscilla Hayden, and

Mrs. Janet Marchand provide the lunches at the Elementary School. Mrs. Mary Wyzga and Mrs. Helen Bigelow operate the Jackson School cafeteria.

Library

The P.T.A. has continued to provide library services to both schools as in the past. As the volume of work has increased, more people have devoted much time to this project. We owe special thanks to Mrs. Rita Watson, Mrs. Miriam Lomasney, Mrs. Adele Felix, and the girls of Troop #963 for their endeavors during the year, including the summer and Christmas vacations. Also, Mrs. Norma Varney and Mrs. Emmy Buiting have continued the program at Jackson School.

Custodians

The custodial staff saw no changes during the year. Increased use of the building may eventually require the addition of night custodial time.

Curriculum

The main mission of a Grade 1-6 elementary school system is the teaching of fundamentals. Reading and arithmetic are the crucial areas of instruction. Other subjects taught are vehicles that are used to better teach and stimulate the learning in these basic skills. Many and varied materials are used by the teachers and supervisors to reach these ends. A new curriculum center in the Elementary School is recommended as a partial answer to this concept.

Conclusion

The Town of Plainville has an excellent school system. Modern buildings, plenty of space and a low pupil-teacher ratio are conditions not found in many communities. Administrators, teachers and all other school personnel working together in mutual trust and harmony for the good of the pupils is another factor that makes good education. The people of Plainville should be proud of their schools as they exist today. I wish to thank all the dedicated people who have worked together to make these good schools possible.

Respectfully submitted,

CARL W. GREEN
Superintendent of Schools

Report of the Principal of the Plainville Elementary School

Dear Mr. Green:

It is with pleasure that I submit this third annual report as Principal of the Plainville Elementary School.

Organization

The class and grade organization has remained the same, with all 20 rooms being utilized for instruction. In Grade 1 through Grade 3, all classes were self-contained. Grade 4 continued on a partial semi-departmental arrangement, and Grade 5 on a semi and fully departmental basis. Grade 6 has continued to operate on a fully departmentalized structure.

Great effort has been expended in attempting to place the child in the situation which will benefit him the most. Teacher observation and recommendation, evaluation and analysis of all testing, and determination of developmental level of growth in all phases, have been the main criteria in our efforts toward proper placement.

Curriculum

There were no major changes in the curriculum as such, but areas were expanded and strengthened through the acquisition of new materials and teacher adaptation to these materials and other processes of instruction. In the area of Science, for example, we were fortunate to have $1,639.36 approved under Title III of the National Defense Education Act, which provides the community with 50% reimbursement.

Some of the items acquired from this funding are as follows: mobile instructor's desk, animal cell model, plant cell model, elementary school life science unit, primary science unit and a human skeleton with cabinet. Also, various kits including: density, evaporation, radiation, heat transfer, cloud chamber and galaxy. Standard lab equipment such as: beakers, cylinders, dishes, flasks, filters, test tubes, tubing and stoppers were also obtained.

Teacher Training

As exhibited in the past, the teachers have shown a true spirit of professionalism by taking courses at various area institutions of higher learning. They have also attended many workshops, lectures and seminars suited to their specific areas of instruction.

With the growing concern over the diagnosis and treatment of children having learning disabilities, an excellent percentage of our teachers successfully completed a course sponsored by the Massachusetts Association for Children with Learning Disabilities.

Report Cards

This past year resulted in the development of a new report card for the Plainville Schools. A committee comprised of school board members and teachers, under the coordination of Mr. Skitt, formulated this card after much analysis and investigation and with frequent consultation with all of the teachers. Basic changes effected were: a separate card for Grades 1-3 and Grades 4-6, four reporting periods rather than five, the elimination of letter marks for Grades 1-3, and in general, a detailed and specific report reflecting the social, emotional and academic progress of the child.

Field Trips

The children were afforded the opportunity to visit places of educational value through the utilization of interesting and informative field trips. The third grades went to the Museum of Science in Boston, and the fifth grades to the John Woodman Higgins Armory in Worcester. The sixth grades went to Heritage Hall in East Boston, which provided a graphic and excellent review of revolutionary times in and around Boston. They also were able to visit the Wax Museum on Boylston Street before returning home to Plainville. This past fall the fifth and sixth grade children were able to see a very interesting exhibit of prominent industry in and around the Attleboro area by visiting "Expo 70" held at the Attleboro High School.

Physical Education, Music and Art

In the area of Physical Education, much progress was made due to the acquisition of new equipment and the efforts of Mr. Moore, our instructor. Under the direction of Mr. Moore an intramural basketball program was started this year with boys in Grades 4, 5 and 6 participating. This is proving to be a sound program as evidenced by the enthusiasm and fine attendance for this offering.

Our music program, under the direction of Mrs. Harrison, provided the children with many opportunities to develop an appreciation and interest in this area. Youth symphony concerts held at the school and trips to Boston to attend musical performances were some of the activities that the children were exposed to.

In the field of art we were most fortunate to be able to obtain the services of Miss Judith Stolworthy, who has developed a very interesting and creative program for our system. The extreme enthusiasm shown by both children and teachers have further verified this fact.

Conclusion

In my opinion, Plainville can well be proud of an excellent school system. Many factors have contributed to this, but primarily the fortunate circumstances of having a sincere and dedicated teaching staff, helpful and cooperative parents, and an enthusiastic and cooperative group of young boys and girls.

Acknowledgments

I would like to thank and express my gratitude to everyone who has contributed in any way to the operation of the schools. I would especially like to thank you for your continued help and advice in matters of school administration.

Respectfully,

EDWARD L. KEANEY, Principal

Report of the Principal of the Anna Ware Jackson School

I respectfully submit to you my first annual report as Principal of the Anna Ware Jackson School for the year ending December 31, 1969.

My first year as Principal of the Jackson School has been a very rewarding experience. You, Mr. Keaney, and the teachers of Plainville have all been very helpful and understanding. I would be remiss if I forgot to mention the classified help. Their friendly and cooperative manner helps cheer up a gloomy day.

A number of noteworthy events have occurred at the Jackson School this year. Our enrollment has reached an all time high of 227 students, yet we have maintained an excellent pupil-teacher ratio, at a time when surrounding towns have overcrowded classes and double sessions.

The interior of Jackson School has been greatly enhanced through the purchase of new royal blue curtains for the stage and the acquisition of two new flags for the cafeteria. Our future assembly programs will be held in a much better setting and will be easier to direct.

Our cafeteria has also received a new wall mounted Physical Educator. This equipment, ordered by Mr. Moore, our Physical Education Coordinator, has helped stimulate and improve our winter "gym" program. The Physical Educator adapts for a diversity of different exercises. Gym classes, you might say, are "swinging" this year for the children can work out on ropes, still-rings, poles, trapezes, and parallel bars.

A new television was added to our list of audio-visual equipment. The first grade teachers have used the set effectively in conjunction with "Sesame Street". Certain sections of the program are followed up with enrichment materials and drill.

Our school library, under the able direction of Mrs. Buiting, and assisted by Mrs. Bedard, Mrs. Underhill, Mrs. Soule, Mrs. Finnegan and Mrs. Varney, has been increased by over 300 new books. The

purchase of these books was brought about through the hard work of the Plainville Teachers' Association and the Jackson School teachers. A fair and cake sale provided the necessary money for these new editions.

The development of individual student potentialities in terms of special abilities, interests and needs must be met through the use of diverse learning experiences and instructional procedures. The Lorge-Thorndike intelligence tests were given to all students in Grades 3 and 5 to help determine needs and potentials. Grades 3, 4 and 5 were assessed by the Iowa Test of Basic Skills, and Grade 2 children were administered the Stanford Achievement Test. In addition to our group testing program, teachers qualified to administer the Wechsler and Stanford-Binet intelligence tests, were kept busy testing individual students when the group tests failed to provide enough information.

Some of our special counseling cases were helped by the clinical psychologist at the Cutler Clinic in Norwood and by the social worker from the Children's Protective Services in Taunton.

Mrs. Pray, the School Nurse, administered ear and eye tests to all the students, and Dr. Cotter, the School Physician, inoculated some of the children in Grades 1-3 against German Measles. Dr. Cotter also gave complete physical examinations to all of the children in Mrs. Reynolds' class and to all the boys and girls in the first and fourth Grades.

Some significant improvements took place on the playgrounds this year. Two large and dangerous ventilation pipes were removed from the center of our athletic field. The removal of these pipes gave us a much larger and safer play area. Frank Sienko and Al Pothier demonstrated their artistic talents by painting different games on the blacktop play area, thus giving the children even more games to play.

On Arbor Day the First Grade children, under the supervision of Mrs. Martin and Mrs. Keyes, planted two lovely dogwood bushes in front of the school. In the future we hope to continue our beautification program with many more tree plantings.

Field trips were taken last spring by most of the students. The first graders enjoyed themselves at Capron Park, while the third

graders went to the Museum of Science in Boston. Mrs. Cooper took her fifth graders to the Armory in Worcester, and Mrs. Reynolds journeyed with her boys and girls to the State Fish Hatchery and to the Plainville Fire Station.

Another highlight of the spring season was the Jackson School Science Fair. Mrs. Unger was its director, and the Fair was extremely successful. Ted Buiting was the Grand Prize Winner, while Gala Harrison captured the Division One title, and Dennis Watson took top honors in Division Two.

In closing, I wish to thank the School Committee and Superintendent Green and the Plainville teachers for their concerned and sincere efforts to provide the best education possible. We must continue to study and plan for curriculum revisions in the future if we are to provide modern education, a most essential responsibility if our democracy is to continue its leadership, or even its existence, in the world.

Respectfully submitted,

EMORY MERRILL, Principal

Statistics

SUPERINTENDENT'S OFFICE

Mrs. Paul F. Sheehan
Mrs. Peter Kosten
Mrs. Elton I. Franklin, Jr.
Mr. William B. White

Regular meeting of the School District Committee every first and third Monday at King Philip Regional High School at 8:00 P. M.

Report of the Principal
King Philip Regional High School

I am pleased to submit my first Annual Report as Principal of King Philip Regional High School. Upon assuming the principalship on March 6, 1969, I was most impressed by the spirit of acceptance and cooperation that prevailed. I was fortunate to inherit a most efficient, well-organized school.

As I settled into my position, I concentrated on two major responsibilities of the principalship - the daily administrative tasks and an administrative evaluation of the total school environment. I was most desirous of discovering the quality-level of education in my new school. As I visited the classrooms and laboratories, I was most pleased with my observations. Quality instruction was taking place at King Philip Regional High School. Excellent teaching methods were being employed and a variety of materials and equipment were being utilized. I sensed a good teaching-learning environment in many classes. I was most happy with the program of studies. King Philip Regional High School was moving ahead to meet the challenges of the times. I found many fine programs in the operational or planning stages. I quickly investigated the goals and objectives of these programs and found them to be sound and desirable.

The Cooperative Office Practice Course of the Business Department is an outstanding program. It is working out very well and will be expanded in the future. We also have a Cooperative Work Study Program for students enrolled in our Special Education course.

Our English program was truly enhanced by the addition of our Modern Literature course. This course has been well received by the seventy students enrolled. In today's society, we must endeavor to offer a modern curriculum which meets the needs of our students. Our Modern Literature course, as well as our Drama course, strengthens the humanities facets of our curriculum.

I am most pleased with our new Social Studies courses. Afro-Asian Studies, American-Russian Government, Contemporary Issues and Sociology-Economics, developed during last Summer's Workshop, have been most successfully implemented. We feel these courses are most relevant and modern.

Our Foreign Language courses are being enhanced by the latest techniques of teaching. Much use is being made of our language laboratory and supplementary audio-visual material.

The Science Department is continuing its thrust to enhance all Science courses. Many meetings have been held at all levels. Many of the new approaches are being assimilated: BSCS Biology has been adopted; CHEM Study are being used in our Chemistry courses. A greater emphasis on laboratory work is evident. The Science Department is especially proud of its new Weather Station and fully-operating greenhouse, two important means of making subject matter more relevant and interesting.

Our Mathematics program is most comprehensive. The courses offered meet the needs of our total population as they range from General Mathematics to Calculus. Evaluative criteria applied to the Mathematics program indicate a well-organized and effective program.

Our Guidance services are most complete and effective. The services range from highly-individualized counseling to a computer-assisted program. I have noted with pride that our services include counseling for parents and alumni as well as students.

When I became Principal of King Philip Regional High School last March, a rather serious problem in Athletics immediately confronted me. I am pleased to note that conditions are improving. I am very proud of our accomplishments on the gridiron and look forward to similar accomplishments and progress in the other areas of Athletics.

Due to an imporved scheduling format, our Physical Education program has been enhanced. Classes are smaller and more time is alloted for personalized instruction.

Our Reading program is operating well. Two instructors and a most modern, well-equipped laboratory provide meaningful assistance to those 200 pupils enrolled.

Home Economics is well enrolled. Over 200 future homemakers are being taught a well-thought-out program to assist them in family and home management.

We are most proud of our Music Department. The King Philip Band and Choir performed outstandingly to large audiences at both our Spring and Christmas Concerts. The Marching Band and Color Guard, replendent in their new uniforms, performed at all football games as well as in a number of parade appearances.

The Industrial Arts offerings have interested over 360 students. Our Industrial Design course is proving a most valuable experience for those interested in technical and engineering fields. Mechanical Drawing, Wood and Metal classes are substantially subscribed. Many fine projects have been made by our students.

An area of concern is our Art Department. This year finds 234 pupils enrolled. Although our art teacher is doing an admirable job of instructing and motivating, any increase in numbers would be detrimental to our program. We may have to close the enrollment at 240 next year. Any further increase beyond 240 would be a hardship both on the instructor and the one-room facility.

Sensing the pulse of our school during my first weeks as principal, I noticed that some improvement was needed in the vital area of communications. In an effort to close any "gaps" that might inhibit progress, two committees were established last Spring; one committee composed of fourteen teachers was called the Faculty Council; the other committee composed of twenty students was called the Principal's Committee on Student Concerns. Both groups were invited to meet with me to explore ways of improving our school. The experiences I have had with these two groups have proven to be most valuable. Many excellent ideas have come forth to improve and enhance our school atmosphere and programs. Some of the significant ideas have resulted in changes in the areas of student rights and responsibilities, evaluation, discipline, social events, dress, scheduling and student government. I have found both student and faculty thoughts most helpful in my efforts to create the best possible educational opportunities here at King Philip Regional High School. In keeping with this objective, a Newsletter was sent to all parents informing them of our progress and inviting them to share their ideas and concerns with us. The response has been most gratifying.

I am pleased to report that increased efforts have been made toward the end of coordinating our Senior High program with the Junior

High and Elementary programs. Several joint meetings have been held and more are planned so that we might fully understand our mutual objectives and aspirations. The fine cooperation I have received from the Junior High staff and the Elementary Schools of our district is most pleasing to me. Our efforts to communicate have been extended both within and without our school. Many meetings have been held with clergymen and community agencies concerning our mutual roles of service to young people.

A problem which must be commented on is the drug problem. I have been most cognizant of the fact that drugs threaten the very lives of our students. Many steps have been taken to protect our students. The following procedures are employed:

1. Units on Drugs presented to 10 Biology classes and 9 Social Studies classes.
2. Guest speakers (2) from Marathon House, a drug rehabilitation center, visited 21 English and Social Studies classes. They are scheduled to return to complete coverage of remaining groups.
3. Guest speakers from Marathon House met with the Administration and Guidance staff.
4. A filmstrip-record unit has been purchased by the school system to be used in Biology and Social Science classes.
5. A set of overhead projectuals have been purchased to be used in Guidance and classrooms.
6. Drug education has been discussed by both Faculty Council and Student committees.
7. Administrators have attended several local, state and regional conferences on drug abuse.
8. A procedure has been worked out by the Administrative staff regarding how to proceed if a drug use or possession case is discovered.
9. Three very fine films have been scheduled for this Spring.

Many additional procedures are planned for the future to assist our students to recognize the inherent dangers of drug abuse.

I was saddened by the low enrollment in some of our elective courses this past year. Latin, Russian, Creative Writing and Advanced Chemistry could not be offered because of the small number

of enrollees. Rather than drop the courses from our curriculum, we have offered the Creative Writing and Advanced Chemistry on an Independent Study Basis. Several students responded and have subscribed to them as supplementary electives. We are most anxious to retain these courses as part of our formal curriculum. Perhaps interest will be renewed next year.

Extra-curricular activities have been enlarged and participation is excellent. Many young people are most actively involved in our various clubs. Many fine projects have been undertaken bringing many benefits to our students as well as to people in other lands. I think specifically of the National Honor Society project which resulted in a new school building for the children of El Arenal, Nicaragua. Also several projects have assisted needy people in the area including Marathon House in Attleboro and the New England Home for Little Wanderers in Boston. I am proud of our student activities and the fine spirit of concern for the less fortunate.

An extra-curricular activity creating some excitement this year is our Mathematics Team. We have entered our team in the Southeastern Massachusetts Mathematics League and have been most successful in league competition. A Future Secretary Club has been formed. Our Foreign Language Clubs continue to be most active. A most enjoyable time was had by all who attended the International Christmas party held in our cafeteria.

Although my evaluation of our school has pointed out many fine accomplishments, I must also share some of my concerns. Information regarding increasing enrollments leads me to recommend that we think seriously of expanding our facilities. While class sizes are good this year, I am a bit anxious as to the future with enrollments climbing in the lower grades. This is a threat to continued quality education. The curriculum expansion, so vital in our times, may have to be curtailed because of space limitations. As the influx from the lower grades increases, the pupil-teacher ratio will be increased. We cannot enlarge our staff because of the limited number of teaching stations. The only resolution will be to increase the number of pupils per class. This presents a problem which will interfere with modern objectives of achieving greater pupil participation and involvement in the learning experience.

The increasing number of young people with psycho-social problems also concerns me. It seems that the time is nearing when we must have an Adjustment Counselor who can better meet the needs of these young people. I also feel that our facilities in the Guidance area are quite restricted. We need additional space to cope with the increasing services rendered.

I am most proud of our school and the students and staff which make it a dynamic, sensitive institution of learning and growth. I would like to express my appreciation to Mr. Walter White, my most capable Assistant Principal, Mr. Francis X. O'Regan, Jr., Director of Guidance and Pupil Personnel Services, and to all faculty members for the fine cooperation during the time I have been at King Philip. A special word of thanks to our School Nurse, our Secretaries, Custodian, Matron and Cafeteria personnel for their fine efforts.

I am proud to be a member of such an excellent school system. I am grateful to Mr. Manos and the School Committee for their fine support and encouragement during my first year. I consider it a privilege to serve the young people of our district.

Respectfully,
A.J. D'ANIELLO
Principal

Report of the Principal
King Philip Regional School - North

It is with pleasure that I submit my second Annual Report as Principal of the King Philip Regional School - North.

The function of a junior high school in a regional school district encompassing secondary education are more extensive than those of the traditional junior high school existing within a single community. Students are admitted from dissimilar communities and must be welded into a cohesive group with a strong base solidly grounded in fundamental academic processes prior to entering the regional high school. In order that this goal may be attained within two years, there are two necessary modes of action: accurate student placement and a program of studies suitable for each student. Initially there must be an accurate assessment of each incoming pupil's level of proficiency and aptitude in the major subject matter areas. With this knowledge the student is placed in a group equivalent to his present level of achievement and development potential. In fairness to the pupil the placement should be as precise as possible. The information concerning incoming grade seven pupils is obtained from the principals and teachers in the elementary schools.

I am very pleased with the high level of rapport existing among the schools of the three Communities in the Regional District. The monthly principals' meetings and the visitations with regular classroom and special education teachers later in the school year have contributed to greater understanding, improved coordination and, very importantly, the exchange of more data concerning the pupils than had previously been accomplished. The exchange helps improve both levels of education. Since no one knows the incoming seventh grade pupils better than the sixth grade teachers, the data received is of immense value in the accurate placement of the pupils.

It has been a productive year from the viewpoint of internal activities designed to improve the school's programs. The teachers have prepared revised curriculum guides in practically all subject matter areas. A Student Handbook has been printed that contains a wealth of data for incoming seventh grade pupils and transfer students. A more comprehensive Teachers' Handbook was ready for all teachers at the beginning of the school year.

Department Coordinators have been appointed to assist in the administration and coordination of activities within and among departments. They are to be assigned annually on a rotating basis among qualified teachers. The Coordinators teach full schedules and are not responsible for the teacher evaluations. Their primary functions are related to the effective and efficient operation of their departments. Presently, four Coordinators have been appointed to the following departments:

Language Arts - English Reading, French, Speech Therapy.
Mathematics and Technology - Mathematics, Industrial Arts.
Science and Health - Science, Physical Education, Home Economics.
Cultural Studies - History, Geography, Music, Art.

As the numbers of pupils and teachers increase the departments will be subdivided and additional Coordinators appointed.

This year the school is commencing a major project with far-reaching academic ramifications. The teachers, guidance personnel and administrative staff will complete the Evaluative Criteria for Junior High Schools, the professional standard for junior high schools, prepared by the National Association of Secondary-School Principals. The instrument is designed to indicate how well the school accomplishes its objectives in relation to its stated philosophy. Areas of strength, weakness and appropriate guidelines to remedial action are noted. Assessment is the initial step in the determination of the direction of effort and the allocation of resources to develop a truly superior junior high school. A planned program will be developed that will serve as a timetable and guide for action.

Innovations have been effected in all subject matter areas. Some of the more important ones are noted below:

Reading - English - There is a high degree of correlation between Reading - English facility and success in a Foreign Language. Therefore, all students with a reading weakness or who are not ready for French in grade seven are enrolled in the Reading Program. In English many tapes and disc recordings have been added to enliven the Literature Program. Paperback books, new literature texts and library listening stations have augmented the program offerings.

Mathematics - Audio tapes have been introduced for remedial drill work. There is an increased emphasis on basic skills. A prognostic test has been added to help select qualified eighth grade students for the Algebra Program. Programmed textbooks will be introduced next year in a pilot project. A team teaching project to teach the interrelationships of Art, Architecture and Arithmetic is being prepared for introduction next year.

Science - The Science Program is being converted from a textbook oriented program to a laboratory centered program for all students.

Social Studies - In an attempt to develop a Social Studies Curriculum that reflects the needs of today's youth, a new curriculum is being organized that will replace the page by page approach that generally handles too much material in too little depth with a Geography Program based on in depth study of dissimilar areas and a History Program based on a study of concepts in American History.

French - The French Course has been divided into a two year sequence to allow increased mastery and an unhurried pace. Prognostic tests will be given in grade six this year to assist in the selection of students who are ready to study French in the seventh grade.

Industrial Arts - Technical Drawing has been added for all seventh and eighth grade boys. Each year is divided into thirds encompassing Metal Shop, Wood Shop and Technical Drawing.

Home Economics - A greater emphasis is being placed on food preparation and the manufacturing of a garment by each girl in the school year.

Physical Education - An Intramural Program for boys and girls has been introduced. The program parallels physical education instruction providing individual and team competitive sports throughout the school year. Awards are presented to all who participate in one or more sports. Approximately 85% of the boys and 75% of the girls participate. Boys and girls are tested using the standards of the American Association for Health, Physical Education and Recreation. Awards including the Presidential Fitness Awards are presented to successful students.

Audio-Visual - Library - A catalog containing a listing of all Audio-Visual materials by subject matter areas has been prepared for each teacher. An increasingly large number of audio-visual devices is available for teacher use. Art prints and sculpture reproductions have been added to the library collection to increase the scope of the library's offerings as an Instructional Materials Center.

I thank all of the staff members of the King Philip Regional School - North for their contribution to the consistent improvement of the schools. The efforts of the Assistant Principal, Guidance Staff, School Nurse, Secretaries, Cafeteria Personnel and Custodians have been commendable and are sincerely appreciated.

Respectfully submitted,
WILLIAM J. COSTA
Principal

Report of the Director of Guidance

The past year has been an interesting and exciting year within the area of pupil personnel services. The program has expanded both in guidance and speech therapy. The department has not only expanded in staff members, but in the amount and quality of services available to the students, parents, and adults of the region. However, simultaneously, the student population has grown and population growth in the future appears a critical factor in the functions and services of this department as we enter a new decade.

HIGH SCHOOL - GUIDANCE:

Mr. Daniel C. Keleher joined the guidance staff in July, 1969, and was assigned students in the academic and vocational high schools. In addition, his duties included developing lines of communications with area personnel managers. Mr. Keleher also wrote "The Future Employees' Guidebook" that was distributed to all students in the class of 1970 who indicated they wished to enter the labor market after graduation. Concurrently, Miss Resca and Mr. Hamilton developed "The College Planning Handbook" that was distributed to all members of the Class of 1970 who plan to further their education.

During 1969 there have been nearly 4,100 individual conferences with students and over 450 conferences with parents. In addition, there have been over 1,000 conferences with teachers and graduates. These conferences have covered a variety of subjects such as educational planning, occupational planning, financial and scholarship aid. However, there appears to be a growing need for other kinds of student assistance in the 1970's of which all communities should be aware now, so that proper planning can take place. This situation was vividly demonstrated this year when I had to request the Leslie B. Cutler Clinic to allow their Mental Health consultant to spend more time in the schools, so that the large numbers of student problems could be discussed. A survey of student problems has indicated that almost eight percent (8%) of the school district's population exhibit symptoms that can be classified as social, disciplinary, or school adjustment problems and possible emotional disturbance. The school consultation program can be of assistance as an interim measure; however,

it is becoming very evident that a school adjustment counselor (social worker) will be needed in the '70's. He would work closely with parents, counselors, and teachers to effect improved educational opportunities for these children to allow them to make an adequate adjustment and transition to the world they will enter upon graduation from high school. The 1960's have left us a national legacy of student dissatisfaction, changes in the values of society, and a great deal of confusion. One way of insuring the continuation of meaningful education is to provide counseling services for the students of the '70's, both at the elementary and secondary levels.

The testing program at the high school has provided the counselors with a valuable evaluative tool in assessing the students' strengths and weaknesses. Students receive copies of the following test results to take home: The Differential Aptitude Test, Kuder Occupational Interest Survey, National Educational Development Test, National Merit Scholarship Test, and College Entrance Examination Board Tests.

In each instance, preceding the distribution of results, a group meeting was held to explain in detail the results of the test and, also, how to use the accompanying interpretive literature. Students have obtained the results of group achievement tests and a detailed review of the Kuder Occupational Interest Survey in individual conferences.

During the summer of 1969, the counselors conducted a self-evaluation of the guidance services, using the criteria established by the New England Association of Colleges and Secondary Schools. Three areas of need were clearly obvious: 1. the need for additional clerical assistance in the guidance office (almost 1,500 transcripts have been processed this year), 2. the need for additional space for reference material and conferences and 3. a need for communication with students who terminated their formal education before graduation. Miss Resca undertook the latter recommendation, and a report of this activity follows:

FORMER STUDENT FOLLOW-UP (for 1962 to 1968)

Follow-ups sent out:	74
Replies:	17
Employed:	9
Married/Home:	2
Married/Employed:	4
Finished High School:	1

As a result of survey and encouragement of guidance services available to them, eight (8) students out of ten (10) desiring assistance have returned to avail themselves of guidance office.

JUNIOR HIGH SCHOOL - GUIDANCE:

In the year ending December 12, 1969, there was an increase of about 1,000 conferences by the counselors. Actually, more than 5,000 conferences have been held of which over 600 were with parents, and in excess of 2,500 were student conferences. Counselors continued to be available twice monthly during the evenings for parents who would otherwise be unable to come in and talk about their youngsters. These parent conferences are available at both the junior and senior high schools.

All grade seven students, as well as grade eight students new to the system, were given Otis-Lennon Mental Ability Test. The Differential Aptitude Test was administered to all grade eight students. The Iowa Test of Basic Skills was administered last spring and the results were sent home through the students. In addition to the regular testing program, four individual tests were administered by the counselors when this was deemed appropriate. Through the results of the Iowa achievement tests, a study was conducted to determine areas of strength and weakness.

Throughout the first marking period, recommendations were received, evaluated, and acted upon regarding the proper placement of youngsters. Referrals for placement outside the public school setting also were made in the case of more severe personal adjustment problems.

Counseling sessions are continuing throughout the year. These will involve primarily students, but will frequently take in parents and teachers. It continues to be the experience of this department that many students require more frequent counseling in the area of personal and social problems, although academic and course selection problems continue to be high.

SPEECH THERAPY:

The King Philip Regional School District, in cooperation with the Norfolk and Wrentham Elementary districts, now provide two full-

time speech therapists. Miss Jane Jacobson, who has completed her Masters program at the State University of Buffalo, is shared by Norfolk and the junior high school. Mrs. Jane Shriner, who has a Masters degree in Speech and Audiology, is shared by Wrentham and the high school. By screening students as they enter the district and by referrals from faculty and nurses, they have identified seventy-eight (78) students with speech defects. Therapy is provided for these students, either individually or in small groups, twice each week. Students do not lose valuable class time because, in most instances, they are given appointments during study hall time.

HEALTH:

The King Philip Regional School District is very fortunate to have excellent services of two well-qualified registered nurses: Mrs. Ann Chabot at the junior high school and Mrs. Sally Webb at the high school. Both nurses are important and contributing members of the pupil personnel team and are relied upon by the administration, faculty, and counselors for their professional advice. Both nurses meet with the counselors and the mental health consultant from the Cutler Clinic twice each month to discuss student problems.

During the past school year, 716 students have had routine physicals by the School Physician and 59 were referred for further diagnosis and/or treatment. Over 1,420 students were given hearing and eye tests. 72 students were referred for hearing defects and 128 were referred for vision defects.

During 1969, eleven (11) students received home instruction because of their inability to attend regular classes. Teachers at the junior and senior high schools provide this instruction after regular school hours. Eight (8) students were referred to the Massachusetts Rehabilitation Commission for educational/vocational counseling because of physical disabilities.

SPECIAL EDUCATION:

The district has three (3) classes for mentally retarded students, with a total enrollment of thirty-nine (39) students, and has experienced over-crowding at the junior high school level. This overcrowding became necessary when a work-study program was intro-

duced at the high school level for the twelve (12) students who are 16 years of age and older. The objective of this program is to aid students in two ways; to provide them with an opportunity to gain work experience and, also, to adjust to the expectations and conditions of work. Although this program is only four months old, the students have demonstrated a renewed interest in learning and appear to see greater meaning in their educational programs.

CONCLUSION:

In November, 1969, the Massachusetts Advisory Council on Education released its report on Pupil Services for Massachusetts Schools. The King Philip Regional School District has met many of the recommendations of this report, however, it is evident that in the 1970's we must do two things: maintain the level of pupil services we have already attained but, also, we must seek to improve our services by adding staff members, such as a school adjustment counselor, teachers for the emotionally disturbed and perceptually handicapped, and additional clerical staff members.

The cooperation of the school committee and school administration has been outstanding and their continued support, encouragement, and assistance assures the parents of the region continued growth in services by the Pupil Personnel service members of the faculty.

DROP-OUT STUDY:

A tally and classification of school leavers at the junior and senior high schools during 1969 are as follows:

Boys: 15	14 - disinterested in school
	1 - withdrawal insisted upon by parent because of low grades
Girls: 5	3 - disinterested in school
	2 - marriage/at home

Local statistics indicate for this period the King Philip Regional School District has a drop-out rate of 1.2%, with 98.8% of the school population remaining in school. This is the fifth consecutive year that the drop-out rate has remained below the 2% level.

FOLLOW-UP - CLASS OF 1964:

The Guidance Department conducted a five-year follow-up study of the Class of 1964. There were 191 students in this class and 101 responded to the survey (53%). The following is a summary of the follow-up in numerical form:

1.	Attended or now attending Graduate School	5
2.	Attended Institutions of Higher Education and Completed Program	55
3.	Attended Institutions of Higher Education but did not Complete Program	19
4.	Employed	69
5.	Armed Services	20
6.	Married	37

FOLLOW-UP - CLASS OF 1968:

	Number	Percentage
Receiving Higher Education	108	58.4
Employed	47	25.4
Home	5	2.7
Armed Services	15	8.1
Unemployed	3	1.6
No Information	7	3.8

Adult Education Yearly Report

This year the enrollment will be in excess of five hundred students in the different classes being conducted at the King Philip Regional High School and the King Philip Regional School - North.

There are twenty-two instructors teaching thirty-three different classes. There are classes being held four evenings each week. The length of classes range from six to twenty-five weeks duration and from twenty to one hundred-fifty clock hours.

Students successfully completing a class will be issued a certificate of achievement.

The evening courses are divided into three catagories:

I. Vocational Practical Arts: These courses are designed to help people in homemaking and a more satisfying use of leisure time. Classes being held are in beginning and advanced sewing, knitting, rug hooking, tailoring, decorative painting, floral craft and decorations, ceramics and pottery and cake decorating and draperies.

II. Vocational Apprenticeship: Courses are being held for apprentice machinists and apprentice bricklayers. These courses are for men who are serving an apprenticeship or learning a trade, and is held for 150 hours each year and the complete course covers four years. The course gives training in math, science, blueprint reading, and history related to the trade.

III. Academic Classes: The classes being held this year are in typing I and II, office machines, speedwriting, painting, tennis, golf, safe boating, and woodworking.

Several of the academic courses are offering credits that are acceptable to the State Department of Education, Division of University Extension, and may be applied toward a state high school diploma.

The King Philip Regional District will continue to offer educational courses to the many adults in the area who wish to continue their education.

Respectfully submitted,
PRESTON I. TITUS
Director

Report of the King Philip Regional Vocational High School

In June 1969 there were thirteen graduates. There were eleven students graduating from the carpentry division. All graduates are either in the service, employed in the field of work for which they were trained, or in apprenticeship programs.

The Vocational School enrollment as of October 1, 1969 was one hundred and seven. There were eighty-nine boys and eighteen girls. The eighteen girls are in the High School Vocational Home Economics program.

On Sunday, June 15, 1969, there was an open house held at the ninth new home that was constructed in conjunction with the house carpentry building program. This program enables the junior and senior carpentry students to construct a complete new home each school year.

The latest new home was built for Mr. and Mrs. Robert Laz of Norfolk, Massachusetts and is located at 37 Rockwood Road. There was a large attendance at the open house. Those attending were high in their praise of the program and of the quality of workmanship demonstrated by the students.

At the present time the advanced carpentry students are in the process of constructing their tenth new home. While the two upper classes are working on the new home on alternate weeks the first and second year students are in the carpentry shop. The freshman students receive instruction in hand tools while the second year students work with both hand and power tools on the various jobs that are customarily done in a shop. An example of some of the items that the students work on are bookcases, tables, benches, bulletin boards, kitchen cabinets, portable buildings, physical education equipment, etc. This work is done for the school department, municipal departments, churches, charitable organizations, students, and the general public. Much of the work done in both the machine and carpentry shops represents a sizeable financial saving to the taxpayers in the district.

The machine shop students are continuing the practice of making replacement parts for school equipment. For the past two years the

students have done a lot of machine work that has been helpful in the operation of the machinery at the ski slope in Wrentham. Many of the tools that are used by machinists are made by the students while they are attending the course. These tools may be purchased by the students for the cost of material only. Many of the students, because of this, have a fairly complete set of tools by the time they graduate.

The reading program that was inaugurated two years ago had to be dropped this year because of poor attendance. This program was conducted at the end of a regular school day because it was the only way it could be programmed. Because of part time work, athletic and other commitments by the students it was not practical to continue. A partial special reading program is being conducted during the regular school day by using part of the students' English class time.

The school is still continuing with the co-operative programs. The co-operative students attend the school classes for one week to receive instruction in their academic and related subjects. The second week the students are employed by the co-operating concerns where they receive practical shop experience. The student's progress is watched very closely and if at any time the student falls behind in his classroom work, or if he is not receiving the proper variety of training on the job, then he will be returned to the school on a full time basis. The co-operative program is for seniors only and they must be receiving all A's and B's in order to participate.

The Norfolk Bristol County Regional Vocational Technical School planning board is still organized but at present inactive. It is expected that in the Spring they will begin to meet again and compile information to pass along to the public.

I would like to express my gratitude to all who have helped to make our program successful and we shall continue to do our best for the youth of this area.

Respectfully submitted,
PRESTON I. TITUS
Director

Report of the Chairman

Another year has gone by and no significant relief for the local property taxpayer has been provided by the State with respect to supporting our public schools. In fact, many programs which can lead to receiving either State or Federal funds are worked out on some sort of sharing basis and, hence, create a difficult decision for the School Committee to make. For example, should an innovative or enticing program be undertaken in order to secure modern equipment and material with outside money when the cost of utilizing it must eventually revert to the property tax source? The Committee and our administration have tried to be realistic in these areas.

It was required by the State Board of Education that a plan be submitted to the Commissioner by December 31, 1969 showing how the present 7-12 King Philip system shall become a part of a single school district maintaining and operating a complete K-12 educational program containing at least 2,000 pupils governed by one school committee with one superintendent. During the past year, therefore, a subcommittee formed from the membership of the (elementary) School Committees of Norfolk, Plainville and Wrentham and the (secondary) King Philip Regional School Committee, advised by their respective Superintendents, held a series of meetings at which a common plan was evolved for the four committees. This plan has been submitted by the King Philip Committee.

The plan calls for requesting sometime in late April or early May of 1970 that the Towns of Norfolk, Plainville and Wrentham consider adopting an amendment to the present King Philip Regional School District Agreement which would essentially regionalize the school systems administered by the four committees under the King Philip Committee, possibly as of January 1, 1971. In the event that one or more of the Towns do not accept such a plan at a Town Meeting, it can be anticipated, of course, that the State Board will continue to press the individual committees to keep submitting some similar (or identical) plan year after year. Unfortunately, it is not possible at this reporting date to list the exact details of the proposed amendment since the State has not returned to us a draft of the legal wording they intend to recommend.

It is to be noted that Mr. William B. White has accepted the position of Administrative Assistant to the Superintendent for the King Philip District and the Town of Norfolk. He has also been appointed Treasurer of the King Philip Regional School District.

I take this opportunity to thank the membership of the Committee for their regular attendance and active participation during our many meetings throughout the past year.

CHARLES F. WINTER, Chairman

King Philip Regional School
District Committee

Zoning Board of Appeals

To the Honorable Board of Selectmen
Plainville, Massachusetts

Gentlemen:

We are pleased to submit the following report of the activities of the Zoning Board of Appeals for the year ending December 31, 1969.

The Board received and accepted with regret the resignation of one member, Fred Taber, throughout the year. Mr. Maurice Pothier was appointed to fill this vacancy.

There were four cases handled throughout the year consisting of two special permits for construction, two variance requests and one gravel or loam permit. Granted were two special permits, two variances and one gravel or loam permit extended.

The Board received and paid to the Town Treasurer for applications and permit fees $107.00. It spent from its established budget $51.00 for postal fees, clerical work, advertising, stationery and dues.

We sincerely thank all Town Departments for their support and assistance during the past year.

Respectfully submitted,

JAMES M. RINALDI, Chairman
RICHARD PLANTE, Treasurer
THOMAS MIKULIS
ROBERT KENISTON
GEORGE PRAY
MAURICE POTHIER
MALCOLM BUCHANAN, Secretary

Annual Report

of the

SELECTMEN

BOARD OF WELFARE

and

BOARD OF HEALTH

of the

TOWN OF PLAINVILLE

MASSACHUSETTS

For The Year Ending December 31st, 1969

Report of the Board of Selectmen

To the Citizens of Plainville:

We, the Selectmen of Plainville, herewith submit our report for the year ending December 31, 1969.

Throughout the year this Board has conducted hearings on New England Telephone and Telegraph Company and Massachusetts Electric Company for pole locations in various sections of Town and granted the necessary permits to cover new installations and also in some instances new relocations of certain poles.

Several alcoholic violations were received from the Alcoholic Beverages Control Commission and proper action was taken in accordance with the nature of the violations against the holder of the license involved. Also, as a part of the routine duties of this Board, all establishments serving alcoholic beverages were inspected for their compliance with State and Local rules and regulations.

A new ballot box was purchased by the Town for use at Town Elections, and we would like to thank Town Clerk Austin F. Grant for his cooperation with our Board in this endeavor.

The heavy snows of last February and early March contributed to the collapse of a portion of the roof of the town-owned Garford property on South Street. Steps were taken immediately to protect surrounding properties and make the general area secure from any further damage until demolition of the damaged area could be effected. You, the voters, at the Annual Town Meeting voted monies to carry out demolition of the damaged area and the reconstruction of the rear wall of the building as it now stands. This property we feel is invaluable to the Town for the storage of Highway trucks, Fire trucks and on occasion a Police Cruiser and general storage.

There were several hearings held relative to the underground storage of gasoline and other volatile substances for which permits were issued during the past year as prescribed by the General Laws of this Commonwealth.

On February 25, 1969 at 10:00 A.M. this Board declared that pursuant to the General Law, Chapter 44, Section 14, that a State of Emergency existed in the Town of Plainville due to abnormal snowfall, effective 7:00 A.M. that same date. This procedure would enable your Board to expend monies that were not normally budgeted and would normally have resulted in an overdraft of the Snow Removal Account.

On April 14, 1969, Ray P. Felix was elected to serve a three year term on this Board. With his election, Raymond V. Miller retired after a nine year term on this Board, having served his town well and faithfully. The Board of Selectmen welcome Mr. Felix to the Board.

Annual appointments made by the Board were made April 19, 1969 instead of prior to April 1, 1969, necessitated by the postponed Town Election.

In May of this year, the Town Employees Group Insurance policy was placed with the Attleborough Savings Bank, thus saving the Town a sizeable amount of monies.

Your Board of Selectmen and Planning Board are initiating action which we hope will alleviate bridge crossings over abandoned railroad tracks in Town. The bridges under discussion are Green Street, Cross Street, Fuller Street and West Bacon Street. Both the Penn Central Railroad and Norfolk County Commissioners have been contacted.

Our Board is endorsing the proposal you will vote on at Town Meeting. That the Town vote to join the South Eastern Massachusetts Regional Planning District, which we hope will enable us to obtain funding for municipal projects, such as water and sewage. Regional Planning District Memberships are now a must for Federal participation in Municipal Programs.

As a result of competitive examination, this Board took pleasure in appointing William A. Macomber to the post of Sergeant in the Plainville Police Department. This now places two sergeants within the ranks of your Police Department.

Throughout the year various resignations were received with regret and appointments made to fill the vacancies created. At this time, the Board would like to express its sincere appreciation to all who have served the Town in both elective and appointive positions. This Board needs and solicits your help and cooperation, loyalty, and ideas, from its citizens to foster a greater community, a community which has the potential to grow and prosper. But without your help, it is harder to achieve. We need assistance in filling vacancies, we need your cooperation.

A portion of Hawkins Street was reconstructed by the Highway Department this fall and drainage conditions rectified. The Selectmen voted to extend its closing of Belcher Street to allow Plainville Sand and Gravel Company to finish grading this road and the Norfolk County Commissioners to resurvey and complete a new Chapter 90 layout.

A hearing was held relative to a Dog Kennel operation and certain restrictions were imposed on the license of the operators.

Various licenses and permits were approved and signed by this Board throughout the year.

Your Board members kept abreast of current State, County and Local problems by their attendance at various meetings sponsored by the Massachusetts Selectmen's Association, Norfolk County Selectmen's Association and various State, County and Municipal agencies.

The Board of Selectmen wish to thank Highway Superintendent Everett W. Skinner, Sr., and Board Clerks, Mrs. Bessie Barton and Mrs. Irene Tremblay, Assessors Clerk, Mrs. Ruth Fulton, Town Clerk Austin F. Grant and all other Town Departments and the Townspeople for their fine support and cooperation and understanding.

Respectfully submitted,

ROBERT E. LOEW, Chairman
ROBERT R. FAILLE
RAY P. FELIX
Plainville Board of Selectmen

Report of the Board of Health

To the Citizens of Plainville:

We herewith submit our report for the year ending December 31, 1969. This Board met on numerous Saturdays throughout the year to make necessary sanitary inspections, not only of complaints received but also inspection of all food establishments, and any establishments which do not hold a Common Victualers License. Many sanitary complaints were investigated by this Board and also Mr. Putnam Steele, Sanitary Inspector, whose recommendations are sought on solutions to these complaints. Our thanks to Mr. Steele for a job well done.

This Board requests parents to notify us regarding communicable diseases.

This Board has on file the following list of dangerous diseases:

Dog Bites	6
Mumps	4
Scarlet Fever	8
Chicken Pox	10
German Measles	2

This Board in conjunction with the School Department held a Measles Clinic this past year. Also in conjunction with Doctors DeWitt and Franklin, and through the cooperation of the Fire Department and the assistance of Mr. Joseph Calzaretta our Dog Officer, we held a Rabies Clinic for Dogs which was well attended.

Our sincere thanks to the members of the Kappa Sigma Sorority for their assistance at the Rabies Clinic.

During the year many sanitary complaints and sewage problems were investigated and the necessary action to abate nuisances taken.

This Board was the host town in December for the meeting of the Southeastern Board of Health Association. This was a first for the town.

The Town Dump was maintained by the highway department in

excellent shape, but however, certain conditions do exist in regards to dumping by out-of town residents. The Board of Health budget includes monies to enclose the dump by means of a chain link fence and also posting of the dump by signs as to hours of dumping and so forth.

Many percolation tests were approved for various new buildings and also numerous repairs to existing sewage systems.

This Board, by your vote at Town Meeting of our budget, increased our District Nursing Services to the townspeople. Also we joined the Norfolk County Mental Health Association to better aid children in town with mental illness.

The Board of Health would like to thank all department heads and the townspeople for their support and cooperation extended to us this past year.

Respectfully submitted,

PLAINVILLE BOARD OF HEALTH
Robert E. Loew, Chairman
Robert R. Faille
Ray P. Felix

Annual Town Meeting

1970

ANNUAL REPORT

WARRANT

FOR THE ANNUAL TOWN MEETING

MONDAY, MARCH 2, 1970

THE COMMONWEALTH OF MASSACHUSETTS

Norfolk, ss.

To Either of the Constables of Plainville:

Greetings:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Plainville qualified to vote in Town affairs, to meet in the Elementary School Auditorium, South Street, in said Plainville on

MONDAY, THE SECOND DAY OF MARCH 1970 A.D.

at eight o'clock in the forenoon, then and there to act on the following articles, viz:

ARTICLE 1. The following Town Officers to be chosen by ballot viz: One Town Clerk, One Auditor, One Moderator, One Tree Warden, Three Constables for One Year. Two Selectmen and Board of Health; One for Three Years and One for One Year; One Assessor, One Water Commissioner, One Trustee Public Library, One Park Commissioner and Two Members of the School Committee for Three Years. Two Members of the Regional School Committee; One for Three Years and One for One Year. Three Members of the Finance Committee; Two for Three Years and One for One Year. Two Members of the Housing Authority; One for Five Years and One for Two Years and One Member of the Planning Board for Five Years; and the following question:

QUESTION NO. 1

Shall the Town, in addition to the payment of fifty per cent of a premium for contributory group life and health insurance for employees in the service of the town and their dependents, pay a subsidiary or additional rate?

YES	
NO	

For this purpose the polls will open at eight o'clock in the forenoon and shall be closed at eight o'clock in the evening.

For the consideration of all other Articles in this Warrant the meeting shall stand adjourned to the Third Monday in March at 7:30 P.M. in the Auditorium of the Plainville Elementary School on South Street in said Town.

ARTICLE 2. To choose all other necessary Town Officers not named in Article 1 for a term of one year.

ARTICLE 3. To consider and act on the reports of the Selectmen, Treasurer and other Town Officers.

ARTICLE 4. To see if the Town will vote to accept the provisions of Chapter 81 of the General Laws.

ARTICLE 5. To see if the Town will vote to fix the salary and compensation of all elective officers of the Town as provided by Section 108 of Chapter 41, General Laws, as amended as follows:

	Appropriated 1969	Requested 1970
Moderator	$25.00 each meeting	$25.00 each meeting
Town Clerk	800.00 per year	1,000.00 per year
Town Treasurer	2,000.00 per year	3,000.00 per year
Selectmen, Chairman	800.00 per year	1,000.00 per year
Second Member	700.00 per year	900.00 per year
Third Member	700.00 per year	900.00 per year
Board of Health, Each Member	100.00 per year	200.00 per year
Assessor, Chairman	1,100.00 per year	1,200.00 per year
Second Member	1,100.00 per year	1,200.00 per year
Third Member	1,100.00 per year	1,200.00 per year
Tax Collector	1,500.00 per year	3,000.00 per year
School Committee, Chairman	75.00 per year	75.00 per year
Each Member	60.00 per year	60.00 per year
Water Commissioner, Chairman	250.00 per year	250.00 per year
Second Member	250.00 per year	250.00 per year
Third Member, Secretary	400.00 per year	500.00 per year
Auditor	250.00 per year	250.00 per year
Constables	2.50 per hour	2.50 per hour
Tree Warden	2.50 per hour	2.50 per hour

or do or act in any manner relative thereto.

ARTICLE 6. To see if the Town will vote to amend the Personnel By-Law as follows:

2.06 - 10 by deleting the word "action" (after the word any) and substituting the words "changes in the compensation plan."

4.01 (a) by changing the first paragraph as follows:

Public Works "40 hours"

4.01 (b) by changing the first paragraph as follows:

Fire "40 hours"

4.02 by deleting the words "one time" and substituting the words "one and one half times."

And by adding a new sentence to wit: "Overtime work is to be on an emergency basis only, not covering another man's shift, to be determined by the Department Head with the approval of the Board of Selectmen."

5.01 - 1 by deleting the sentence beginning "In case of an emergency....." and replace with: "In the case of an emergency declared by the Board of Selectmen, a Department Head may, subject to the limitations of the department's appropriation, employ part time employees at the minimum of grade without requirement of prior approval of the Personnel Board."

6.02 Public Safety Group

by eleminating "Sergeant, Detective" and replacing with "Lieutenant" and by eliminating "Firefighter, Senior Grade" and replacing with "Captain".

6.02 by eliminating S1 catagories and changing to "Department Heads" and pay an annual salary under Compensation by Grades after PS 1.

	Minimum		Annual	Maximum
Department Heads	8,500.00	9,000.00	9,500.00	10,000.00

6.02 Part Time and Seasonal Group, by adding "Clerk, Senior, Part Time.....M3 after Ambulance Attendant.

6.02 Inspection Group, by adding "Meter Reader I-7

6.02 by elimination of "Lifeguard, Seasonal ..... X-1 Playground Supervisor, Seasonal.....X-2" and replacing: "Arts & Crafts, Seasonal.....X-1; Lifeguard, Seasonal.....X-2 and Park Supervisor, Seasonal.....X3"

7.04 by deleting in its entirety.

7.05 by renumbering it 7.04 (Holiday Pay).

8.01 by deleting the words "but less than 15 years." and replacing with "up to and including 10 years."

8.01 - 3 by deleting the words "for 15 years or more" and replacing with "more than 10 years, up to and including 20 years."

8.01 by adding a new section 8.01 - 4 as follows:

8.01 - 4 Vacation leave of four calendar weeks with full pay shall be granted to any such employee who has been continuously employed by the Town for 20 years or more."

8.01 by renumbering Sections 8.01 - 4, 8.01 - 5 and 8.01 - 6 to 8.01 - 5, 8.01 - 6 and 8.01 - 7 respectively.

11.02 - 1 by deleting it in its entirety and substituting with: "To be granted by the Department Head for a period of up to and including 10 days per year at regular pay, effective after ninety calendar days. This leave to be accumulative up to sixty days. Physicians certificates of illness may be requested, by the Personnel Board, for periods in excess of five days."

11.02 - 2 by deleting the words "in any calendar year, after one year of continuous service, at $40.00 per week according to the following schedule:" and by adding a new sentence: "After accumulative leave has been exhausted, $40.00 per week shall be allowed according to the following schedule of continuous service:"

In Article VII, Compensation Plan by adding as follows:
"I-7 $300.00 Annually."

The following schedule for a three year contract on the COMPENSATION PLAN:

or do or act in any manner relative thereto.

ARTICLE 13. To see if the Town will vote to accept the provisions of Sections 42, 43 and 44 of Chapter 48 of the General Laws providing for the establishment of a fire department to be under the control of an officer to be known as the Chief of the Fire Department, or do or act in any manner relative thereto.

ARTICLE 14. To see if the Town will vote to authorize the Treasurer with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue for the financial years beginning January 1, 1970 and January 1, 1971 in accordance with provisions of General Laws, Chapter 44, Section 4, and to renew any note or notes as may be given for a period of less than one year, in accordance with the provisions of General Laws, Chapter 44, Section 17, or take any action relative thereto.

ARTICLE 15. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the treasury, the sum of $25,000.00 for a Reserve Fund to provide for the extra-ordinary unforeseen expenses, as authorized by Section 6, Chapter 40, General Laws, or do or act in any manner relative thereto.

ARTICLE 16. To see if the Town will vote to accept the provisions of Chapter 90 of the General Laws, and raise and appropriate, or transfer from unappropriated available funds in the Treasury, the sum of $10,550.00 for Chapter 90 Highway Maintenance, or do or act in any manner relative thereto.

ARTICLE 17. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the Treasury, the sum of $14,650.00 for Chapter 81 Highways, or do or act in any manner relative thereto.

ARTICLE 18. To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury, the sum of $12,050.00 for Chapter 90 Highway Construction, or do or act in any manner relative thereto.

ARTICLE 19. To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury, the sum of $2,690.00, under the provisions of Section 4, Chapter 768 Acts of 1969, for permanent road construction on Hawkins Street, or do or act in any manner relative thereto.

ARTICLE 20. To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury, the sum of $500.00 to be used under the provisions of Section 6H of Chapter 40 of the General Laws, or do or act in any manner relative thereto.

ARTICLE 21. To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury, the sum of $8,071.68 under Section 5 of Chapter 768 of the Acts of 1969, to be expended by the Highway Department for the purpose of reconstruction, maintenance and repair of public highways and bridges, and of the enforcement of traffic laws, or do or act in any manner relative thereto.

ARTICLE 22. To see if the Town will vote to purchase a four wheel drive front end loader for the Highway Department, and raise and appropriate for this purpose the sum of $24,000.00 and to determine the manner of raising and appropriating the said sum, whether by transferring from available funds in the treasury, by taxation, or by financing over a period of five years, or do or act in any manner relative thereto.

ARTICLE 23. To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury, the sum of $3,700.00 for the purpose of installing a school zone under Chapter 616 of the Acts of 1967, on South Street (Route 1A), or do or act in any manner relative thereto.

ARTICLE 24. To see if the Town will vote to raise and appropriate the sum of $1,294.00, or any other sum, for the control of insects and Dutch Elm Disease ($594.00 for Insect Pest Control and $700.00 for Dutch Elm Disease), as provided by Chapter 132, Section 14 of the General Laws, and to be expended under the direction of the Moth Superintendent, or do or act in any manner relative thereto.

ARTICLE 25. To see if the Town will vote to raise and appropriate or transfer the sum of $1,000.00 for the Conservation Fund, to be used by the Conservation Commission for Conservation purposes, including the purchase of land, or do or act in any manner relative thereto.

ARTICLE 26. To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury, the sum of $25,000.00 for the Stabilization Fund, under authority of Chapter 40, Section 5B of the General Laws, or do or act in any manner relative thereto.

ARTICLE 27. To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury, the sum of $15,000.00 to be expended by and under the direction of the Water Commissioners for a new well site to conform to the plans and proposals submitted by Camp, Dresser & McKee, Engineers, in their report to the Town, or do or act in any manner relative thereto.

ARTICLE 28. To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury, the sum of $300.00 for a radio for the Town Ambulance, or do or act in any manner relative thereto.

ARTICLE 29. To see if the Town will vote to raise and appropriate or transfer the sum of $35,000.00 for the purchase of a Class A Pumping Engine, and originally equipping said engine; and to determine whether $10,000.00 shall be provided for by transfer of funds from the Stabilization Fund, and $25,000.00 by borrowing or otherwise; and if by borrowing to authorize the issuance and sale of bonds and notes of the Town therefor, or do or act in any manner relative thereto. (2/3 vote)

ARTICLE 30. To see if the Town will vote to reimburse the Plainville Police Benefit the sum of $357.81, to replace the equipment owned by them and lost in the fire in the Donald J. Peck house on December 23, 1967, this money to be raised and appropriated or transferred from available funds in the Treasury, or do or act in any manner relative thereto.

ARTICLE 31. To see if the Town will vote to petition the Massachusetts General Court to enact a bill substantially as follows:

Section 1. The tenure of office of the present incumbents of the offices of chief of police, sergeant of police, and all patrolmen having one year's active duty in the police department of the Town of Plainville, shall be unlimited. Said incumbents shall not be removed from office, lowered in rank or suspended, except for just cause and reasons specifically given them in writing by the Board of Selectmen.

Section 2. This act shall be submitted to the voters of the Town of Plainville at the annual town meeting to be held next following passage of this bill in the form of the following question which shall be placed upon the official ballot to be used for the election of officers at said meeting: "Shall an act passed by the General Court entitled 'An Act providing tenure for the present incumbents of the offices of chief of police, sergeant of police, and police patrolmen in the Police Department of the Town of Plainville' be accepted?" If a majority of the votes cast in answer to said question is in the affirmative this act shall thereupon take effect, but not otherwise; or do or act in any manner relative thereto.

ARTICLE 32. To see if the Town will vote to petition the Massachusetts General Court to enact a bill which is substantially as follows:

Section 1. Everett Skinner, incumbent of the office of Highway Superintendent of the Town of Plainville, shall hold said office during good behavior until he reaches age seventy, but he may be removed therefrom for cause after hearing in the manner provided by section forty-three of Chapter thirty-one of the General Laws.

Section 2. This act shall be submitted for acceptance to the voters of the Town of Plainville at the annual Town Meeting in the form of the following question which shall be placed upon the official ballot to be used for the election of town officers at said meeting: "Shall an act passed by the General Court in the year nineteen hundred and seventy entitled 'An Act providing tenure in office until age seventy for Everett Skinner, incumbent of the position of Highway Superintendent' be accepted?" If a majority of the votes in answer to said question is in the affirmative, this act shall thereupon take full effect, but not otherwise, or do or act in any manner relative thereto.

ARTICLE 33. To see if the Town will vote to amend the Zoning By-Laws of the Town by striking therefrom Article 1, Section 1.4 (Penalty) in its entirety and inserting in lieu thereof the following:

1.4 Penalty - Unless otherwise specifically provided herein any person violating any of the provisions of this By-Law shall be fined not more than $50.00 for each offense. Each day that such violation continues shall constitute a separate offense, or do or act in any manner relative thereto. (2/3 vote)

ARTICLE 34. To see if the Town will vote to amend the Town Zoning By-Law, Article II, Section 2.6-1 as follows:

1. To change the figures associated with the word "frontage" to read as follows:

RA	RB	RC	RD	CA	CB	CC	IA & IB	IC	
225	140	100	140	225	125	140	200	150	feet

2. To add a footnote "g", to read as follows:

Strict compliance with the frontage requirements above may be waived, providing that at least 80% of the frontage requirement is met, and that full width as required, is available at the building line, or do or act in any manner relative thereto. (2/3 vote)

ARTICLE 35. To see if the Town will vote to amend the Zoning By-Law by adding in Article III (General Regulations) a section 3.8.3.5 as follows:

3.8.3.5 The owners of land in Plainville which has been or may hereafter be excavated shall erect suitable barriers or take other suitable measures so that such excavation does not constitute a hazard to public safety. If in the opinion of the Board of Selectmen, a hazard to public safety does exist, the Board of Selectmen shall notify the owner in writing and specify the barriers and/or other suitable measures to be taken which shall be carried out within five days by the owner or owners, or do or act in any manner relative thereto. (2/3 vote)

ARTICLE 36. To see if the Town will vote to amend the Zoning By-Law by adding in Article III (General Regulations) a section 3.8.8 as follows:

3.8.8 Penalty - The Penalty for violation of any provision of this section shall be $50.00 for the first offense, $100.00 for the second offense, $200.00 for each subsequent offense, or do or act in any manner relative thereto. (2/3 vote)

ARTICLE 37. To see if the Town will vote to join the Southeastern Massachusetts Regional Planning and Economic Development District, and to raise and appropriate the sum of $645.00 for the annual per capita cost, said appropriation to be raised by revoking the vote taken on Article 32 of the adjourned Town Meeting, held March 27, 1967; and transferring from the Southeastern Massachusetts Planning and Development Corporation fund, the sum of $500.00; and to raise by taxation, the sum of $145.00; or do or act in any manner relative thereto.

ARTICLE 38. To see if the Town will vote to raise and appropriate the sum of $1,000.00 to reprint any or all of the Town By-Laws (General, Zoning, Personnel, etc.). Said sum to be spent under the direction of the By-Law Review Committee and all unexpended sums to be carried over from year to year for continuous use of said committee in maintaining a system of updated by-laws, or do or act in any manner relative thereto.

ARTICLE 39. To see if the Town will vote to amend the Town of Plainville By-Laws, Article 1, Section 1, Paragraph 4, by striking therefrom the word "Advisory" and inserting in lieu thereof the word "Finance", or do or act in any manner relative thereto. (2/3 vote)

ARTICLE 40. To see if the Town will vote to amend the Town of Plainville By-Laws, by striking therefrom the "Addendum to Section 1" in its entirety, or do or act in any manner relative thereto.

ARTICLE 41. To see if the Town will vote to authorize the Selectmen to sell from time to time any accumulated scrap materials, old equipment, or unused materials by the Town, or do or act in any manner relative thereto.

ANNUAL REPORT

ARTICLE 42. To see if the Town will vote to amend the action taken at the Annual Town Meeting on March 25, 1969, Article 44, providing for a Town Government Study Committee, so as to change "none of whom hold elective or appointive positions" to "five appropriately qualified persons, one of whom is a town official", or do or act in any manner relative thereto.

Article 43: To see if the Town will vote to raise and appropriate or transfer from available funds in the treasury, the sum of $15,000 under the provision of Chapter 519, Act of 1967, to be expended by the Board of Selectmen for the purpose of erecting and installing traffic signals at the intersection of Messenger St. (Route 106) and Taunton St. (Route 152), said amount to be 75% reimbursable upon completion by the Commonwealth or do or act in any manner relative thereto.

ARTICLE 44: To choose any committee and hear the report of any committee and act thereon.

And you are directed to serve this Warrant by posting copies thereof in seven (7) public places in said Town, seven (7) days at least before the time of holding said meeting.

Hereof, fail not, and make due return of the Warrant with your doing thereon, to the Town Clerk at or before the time and place of said meeting as aforesaid.

Given under our hands this twenty-third day of January in the year of our Lord one thousand nine hundred and seventy.

ROBERT E. LOEW, Chairman
RAY P. FELIX
Selectmen of Plainville

Annual Report

PLAINVILLE
MASSACHUSETTS
1970

In Memoriam

AVEDIS S. KOSHGARIAN

December 1968 to May 1970

RESOLUTION

WHEREAS, the citizens of Plainville have learned with deep regret and sorrow of the death of AVEDIS S. KOSHGARIAN, and

WHEREAS, Avedis "Al" Koshgarian was currently serving as Chairman of the Finance Committee, and

WHEREAS, he served faithfully as a loyal and dedicated servant to the inhabitants of the Town of Plainville, and

WHEREAS, he labored tirelessly and diligently with a profound desire to improve the Town of Plainville, and

WHEREAS, by his example and interest he won the respect and admiration of those with whom he served on the Finance Committee,

THEREFORE BE IT RESOLVED, that as a symbol of our respect, a copy of this resolution be inserted in the next Annual Town Report.

Annual Report

of the

TOWN CLERK

of

PLAINVILLE, MASSACHUSETTS

For the Year Ending December 31, 1970

OFFICE OF TOWN CLERK

Town of

Plainville, Massachusetts

March 4, 1970

To: Bessie Barton of Said Plainville:

Dear Madam:

By virtue of the authority in me vested, with full power of revocation, I do hereby appoint you Assistant Town Clerk of said Plainville, with all powers, duties and authority appertaining to said office.

AUSTIN F. GRANT,
Town Clerk

WARRANT

FOR ANNUAL TOWN MEETING

Monday, March 2, 1970

THE COMMONWEALTH OF MASSACHUSETTS

Norfolk, ss.

To Either of the Constables of Plainville:

Greetings:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Plainville qualified to vote in Town affairs, to meet in the Elementary School Auditorium, South Street, in said Plainville on

MONDAY, THE SECOND DAY OF MARCH 1970 A.D.

at eight o'clock in the forenoon, then and there to act on the following articles, viz:

ARTICLE 1. The following Town Officers to be chosen by ballot viz: One Town Clerk, One Auditor, One Moderator, One Tree Warden, Three Constables for One Year. Two Selectmen and Board of Health; One for Three Years and One for One Year; One Assessor, One Water Commissioner, One Trustee Public Library, One Park Commissioner and Two Members of the School Committee for Three Years. Two Members of the Regional School Committee; One for Three Years and One for One Year. Three Members of the Finance Committee; Two for Three Years and One for One Year. Two Members of the Housing Authority; One for Five Years and One for Two Years and One Member of the Planning Board for Five Years; and the following question:

QUESTION NO. 1

Shall the Town, in addition to the payment of fifty per cent of a premium for contributory group life and health insurance for employees in the service of the town and their dependents, pay a subsidiary or additional rate?

YES	
NO	

For this purpose the polls will open at eight o'clock in the forenoon and shall be closed at eight o'clock in the evening.

For the consideration of all other Articles in this Warrant the meeting shall stand adjourned to the Third Monday in March at 7:30 P.M. in the Auditorium of the Plainville Elementary School on South Street in said Town.

ARTICLE 2. To choose all other necessary Town Officers not named in Article 1 for a term of one year.

ARTICLE 3. To consider and act on the reports of the Selectmen, Treasurer and other Town Officers.

ARTICLE 4. To see if the Town will vote to accept the provisions of Chapter 81 of the General Laws.

ARTICLE 5. To see if the Town will vote to fix the salary and compensation of all elective officers of the Town as provided by Section 108 of Chapter 41, General Laws as amended as follows:

	Appropriated 1969	**Requested 1970**
Moderator	$25.00 each meeting	$25.00 each meeting
Town Clerk	800.00 per year	1,000.00 per year
Town Treasurer	2,000.00 per year	3,000.00 per year
Selectmen, Chairman	800.00 per year	1,000.00 per year
Second Member	700.00 per year	900.00 per year
Third Member		900.00 per year
Board of Health, Each Member	100.00 per year	200.00 per year
Assessor, Chairman	1,100.00 per year	1,200.00 per year
Second Member	1,100.00 per year	1,200.00 per year
Third Member	1,100.00 per year	1,200.00 per year
Tax Collector	1,500.00 per year	3,000.00 per year
School Committee,		
Chairman	75.00 per year	75.00 per year
Each Member	60.00 per year	60.00 per year
Water Commissioner, Chairman	250.00 per year	250.00 per year
Second Member	250.00 per year	250.00 per year
Third Member, Secretary	400.00 per year	500.00 per year
Auditor	250.00 per year	250.00 per year
Constables	2.50 per hour	2.50 per hour
Tree Warden	2.50 per hour	2.50 per hour

or do or act in any manner relative thereto.

ARTICLE 6. To see if the Town will vote to amend the Personnel By-Law as follows:

2.06 - 10 by deleting the word "action" (after the word any) and substituting the words "changes in the compensation plan."

4.01 (a) by changing the first paragraph as follows:
Public Works "40 hours"

4.01 (b) by changing the first paragraph as follows:
Fire "40 hours"

4.02 by deleting the words "one time" and substituting the words "one and one half times."

And by adding a new sentence to wit: "Overtime work is to be on an emergency basis only, not covering another man's shift, to be determined by the Department Head with the approval of the Board of Selectmen."

5.01 - 1 by deleting the sentence beginning "In case of an emergency . . . ." and replace with: "In case of an emergency declared by the Board of Selectmen, a Department Head may, subject to the limitations of the department's appropriation, employ part time employees at the minimum of grade without requirement of prior approval by the Personnel Board."

6.02 Public Safety Group
by eliminating "Sergeant, Detective" and replacing with "Lieutenant" and by eliminating "Firefighter, Senior Grade" and replacing with "Captain".

6.02 by eliminating S1 categories and changing to "Department Heads" and pay an annual salary under Compensation by Grades after PS 1.

	Minimum	Annual		Maximum
Department Heads	8,500.00	9,000.00	9,500.00	10,000.00

6.02 Part Time and Seasonal Group, by adding "Clerk, Senior,

6.02 Inspection Group, by adding "Meter Reader ..... I-7"

6.02 by elimination of "Life-guard, Seasonal ..... X-1, Playground Supervisor, Seasonal ..... X-2" and replacing: "Arts and Crafts, Seasonal ..... X-1; Lifeguard, Seasonal ..... X-2 and Park Supervisor, Seasonal ..... X-3"

7.04 by deleting in its entirety.

7.05 by renumbering it 7.04 (Holiday Pay).

8.01 by deleting the words "but less than 15 years." and replacing with "up to and including 10 years."

8.01 - 3 by deleting the words "for 15 years or more" and replacing with "more than 10 years, up to and including 20 years."

8.01 by adding a new section 8.01 - 4 as follows:

8.01 - 4 Vacation leave of four calendar weeks with full pay shall be granted to any such employee who has been continuously employed by the Town for 20 years or more."

8.01 by renumbering Sections 8.01 - 4, 8.01 - 5 and 8.01 - 6 to 8.01 - 5, 8.01 - 6 and 8.01 - 7 respectively.

11.02 - 1 by deleting it in its entirety and substituting with: "To be granted by the Department Head for a period of up to and including 10 days per year at regular pay, effective after ninety calendar days. This leave to be accumulative up to sixty days. Physicians' certificates of illness may be requested, by the Personnel Board, for periods in excess of five days."

11.02 - 2 by deleting the words "in any calendar year, after one year continuous service, at $40.00 per week according to the following schedule: "and by adding a new sentence: "After accumulative leave has been exhausted, $40.00 per week shall be allowed according to the following schedule of continuous service:"

In Article VII, Compensation Plan by adding as follows:

"I-7 $300.00 Annually."

The following schedule for a three year contract on the COMPENSATION PLAN:

or do or act in any manner relative thereto.

ARTICLE 13. To see if the Town will vote to accept the provisions of Sections 42, 43 and 44 of Chapter 48 of the General Laws providing

for the establishment of a fire department to be under the control of an officer to be known as the Chief of the Fire Department, or do or act in any manner relative thereto.

ARTICLE 14. To see if the Town will vote to authorize the Treasurer with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue for the financial years beginning January 1, 1970 and January 1, 1971 in accordance with provisions of General Laws, Chapter 44, Section 4, and to renew any note or notes as may be given for a period of less than one year, in accordance with the provisions of General Laws, Chapter 44, Section 17, or take any action relative thereto.

ARTICLE 15. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the treasury, the sum of $25,000.00 for a Reserve Fund to provide for the extra-ordinary unforeseen expenses, as authorized by Section 6, Chapter 40, General Laws, or do or act in any manner relative thereto.

ARTICLE 16. To see if the Town will vote to accept the provisions of Chapter 90 of the General Laws, and raise and appropriate, or transfer from unappropriated available funds in the Treasury, the sum of $10,550.00 for Chapter 90 Highway Maintenance, or do or act in any manner relative thereto.

ARTICLE 17. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the Treasury, the sum of $14,650.00 for Chapter 81 Highways, or do or act in any manner relative thereto.

ARTICLE 18. To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury, the sum of $12,050.00 for Chapter 90 Highway Construction, or do or act in any manner relative thereto.

ARTICLE 19. To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury, the sum of $2,690.00, under the provisions of Section 4, Chapter 768 Acts of 1969 ,for permanent road construction on Hawkins Street, or do or act in any manner relative thereto.

ARTICLE 20. To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury, the sum of $500.00 to be used under the provisions of Section 6H of Chapter 40 of the General Laws, or do or act in any manner relative thereto.

ARTICLE 21. To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury, the sum of $8,071.68 under Section 5 of Chapter 768 of the Acts of 1969, to be expended by the Highway Department for the purpose of reconstruction. maintenance and repair of public highways and bridges, and of the enforcement of traffic laws, or do or act in any manner relative thereto.

ARTICLE 22. To see if the Town will vote to purchase a four wheel drive front end loader for the Highway Department, and raise and appropriate for this purpose the sum of $24,000.00 and to determine the manner of raising and appropriating the said sum, whether by transferring from available funds in the Treasury, by taxation, or by financing over a period of five years, or do or act in any manner relative thereto.

ARTICLE 23. To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury, the sum of $3,700.00 for the purpose of installing a school zone under Chapter 616 of the Acts of 1967, on South Street (Route 1A), or do or act in any manner relative thereto.

ARTICLE 24. To see if the Town will vote to raise and appropriate the sum of $1,294.00, or any other sum, for the control of insects and Dutch Elm Disease ($594.00 for Insect Pest Control and $700.00 for Dutch Elm Disease), as provided by Chapter 132, Section 14 of the General Laws, and to be expended under the direction of the Moth Superintendent, or do or act in any manner relative thereto.

ARTICLE 25. To see if the Town will vote to raise and appropriate or transfer the sum of $1,000.00 for the Conservation Fund, to be used by the Conservation Commission for Conservation purposes, including the purchase of land, or do or act in any manner relative thereto.

ARTICLE 26. To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury, the sum of $25,000.00 for the Stabilization Fund, under authority of Chapter 40, Section 5B of the General Laws, or do or act in any manner relative thereto.

ARTICLE 27. To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury, the sum of $15,000.00 to be expended by and under the direction of the Water Commissioners for a new well site to conform to the plans and proposals submitted by Camp, Dresser & McKee, Engineers, in their report to the Town, or do or act in any manner relative thereto.

ARTICLE 28. To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury, the sum of $300.00 for a radio for the Town Ambulance, or do or act in any manner relative thereto.

ARTICLE 29. To see if the Town will vote to raise and appropriate or transfer the sum of $35,000.00 for the purchase of a Class A Pumping Engine, and originally equipping said engine; and to determine whether $10,000.00 shall be provided for by transfer of funds from the Stabilization Fund, and $25,000.00 by borrowing or otherwise; and if by borrowing to authorize the issuance and sale of bonds and notes of the Town therefor, or do or act in any manner relative thereto. (2/3 vote)

ARTICLE 30. To see if the Town will vote to reimburse the Plainville Police Benefit the sum of $357.81, to replace the equipment owned by them and lost in the fire in the Donald J. Peck house on December 23, 1967, this money to be raised and appropriated or transferred from available funds in the Treasury, or do or act in any manner relative thereto.

ARTICLE 31. To see if the Town will vote to petition the Massachusetts General Court to enact a bill substantially as follows:

Section 1. The tenure of office of the present incumbents of the office of chief of police, sergeant of police, and all patrolmen having one year's active duty in the police department of the Town of Plainville, shall be unlimited. Said incumbents shall not be removed from office, lowered in rank or suspended, except for just cause and reasons specifically given them in writing by the Board of Selectmen.

Section 2. This act shall be submitted to the voters of the Town of Plainville at the annual town meeting to be held next following passage of this bill in the form of the following question which shall be placed upon the official ballot to be used for the election of officers at said meeting: "Shall an act passed by the General Court entitled 'An Act providing tenure for the present incumbents of the offices of chief of police, sergeant of police, and police patrolmen in the Police Department of the Town of Plainville' be accepted?" If a majority of the votes cast in answer to said question is in the affirmative this act shall thereupon take effect, but not otherwise; or do or act in any manner relative thereto.

ARTICLE 32. To see if the Town will vote to petition the Massachusetts General Court to enact a bill which is substantially as follows:

Section 1. Everett Skinner, incumbent of the office of Highway Superintendent of the Town of Plainville, shall hold said office during good behavior until he reaches age seventy, but he may be removed therefrom for cause after hearing in the manner provided by section forty-three of Chapter thirty-one of the General Laws.

Section 2. This act shall be submitted for acceptance to the voters of the Town of Plainville at the annual Town Meeting in the form of the following question which shall be placed upon the official ballot to be used for the election of town officers at said meeting: "Shall an act passed by the General Court in the year nineteen hundred and seventy entitled 'An Act providing tenure in office until age seventy for Everett Skinner, incumbent of the position of Highway Superintendent' be accepted?" If a majority of the votes in answer to said question is in the affirmative, this act shall thereupon take full effect, but not otherwise, or do or act in any manner relative thereto.

ARTICLE 33. To see if the Town will vote to amend the Zoning By-Laws of the Town by striking therefrom Article 1, Section 1.4 (Penalty) in its entirety and inserting in lieu thereof the following:

1.4 Penalty—Unless otherwise specifically provided herein any person violating any of the provisions of this By-Law shall be fined not more than $50.00 for each offense. Each day that such violation continues shall constitute a separate offense, or do or act in any manner relative thereto. (2/3 vote)

ARTICLE 34. To see if the Town will vote to amend the Town Zoning By-Law, Article II, Section 2.6-1 as follows:

1. To change the figures associated with the word "frontage" to read as follows:

RA	RB	RC	RD	CA	CB	CC	IA and IB	IC
225	140	100	140	225	125	140	200	150 feet

2. To add a footnote "g", to read as follows:
Strict compliance with the frontage requirements above may be waived, providing that at least 80% of the frontage requirement is met, and that full width as required, is available at the building line, or do or act in any manner relative thereto. (2/3 vote)

ARTICLE 35. To see if the Town will vote to amend the Zoning By-Law by adding in Article III (General Regulations) a section 3.8.3.5. as follows:

3.8.3.5. The owners of land in Plainville which has been or may hereafter be excavated shall erect suitable barriers or take other suitable measures so that such excavation does not constitute a hazard to public safety. If in the opinion of the Board of Selectmen, a hazard to public safety does exist, the Board of Selectmen shall notify the owner in writing and specify the barriers and/or other suitable measures to be taken which shall be carried out within five days by the owner or owners, or do or act in any manner relative thereto. (2/3 vote)

ARTICLE 36. To see if the Town will vote to amend the Zoning By-Law by adding in Article III (General Regulations) a section 3.8.8. as follows:

3.8.8 Penalty—The Penalty for violation of any provision of this section shall be $50.00 for the first offense, $100.00 for the second offense, $200.00 for each subsequent offense, or do or act in any manner relative thereto. (2/3 vote)

ARTICLE 37. To see if the Town will vote to join the Southeastern Massachusetts Regional Planning and Economic Development District, and to raise and appropriate the sum of $645.00 for the annual per capita cost, said appropriation to be raised by revoking the vote taken on Article 32 of the adjourned Town Meeting, held March 27, 1967; and transferring from the Southeastern Massachusetts Planning Development Corporation fund, the sum of $500.00; and to raise by taxation, the sum of $145.00; or do or act in any manner relative thereto.

ARTICLE 38. To see if the Town will vote to raise and appropriate the sum of $1,000.00 to reprint any or all of the Town By-Laws (General, Zoning, Personnel, etc.). Said sum to be spent under the direction of the By-Law Review Committee and all unexpended sums to be carried over year to year for continuous use of said committee in maintaining a system of updated by-laws, or do or act in any manner relative thereto.

ARTICLE 39. To see if the Town will vote to amend the Town of Plainville By-Laws, Article 1, Section 1, Paragraph 4, by striking therefrom the word "Advisory" and inserting in lieu thereof the word "Finance", or do or act in any manner relative thereto. (2/3 vote)

ARTICLE 40. To see if the Town will vote to amend the Town of Plainville By-Laws, by striking therefrom the "Addendum to Section 1" in its entirety, or do or act in any manner relative thereto.

ARTICLE 41. To see if the Town will vote to authorize the Selectmen to sell from time to time any accumulated scrap materials, old equipment, or unused materials by the Town, or do or act in any manner relative thereto.

ARTICLE 42. To see if the Town will vote to amend the action taken at the Annual Town Meeting on March 25, 1969, Article 44, providing for a Town Government Study Committee, so as to change "none of whom hold elective or appointive positions" to "five appropriately qualified persons, one of whom is a town official", or do or act in any manner relative thereto.

ARTICLE 43. To see if the Town will vote to raise and appropriate or transfer from available funds in the treasury, the sum of $15,000.00 under the provision of Chapter 519, Act of 1967, to be expended by the Board of Selectmen for the purpose of erecting and installing traffic signals at the intersection of Messenger Street (Route 106) and Taunton Street (Route 152), said amount to be 75% reimbursable upon completion by the Commonwealth, or do or act in any manner relative thereto.

ARTICLE 44. To choose any committee and hear the report of any committee and act thereon.

And you are directed to serve this Warrant by posting copies thereof in seven (7) public places in said Town, seven (7) days at least before the time of holding said meeting.

Hereof, fail not, and make due return of the Warrant with your doing thereon, to the Town Clerk at or before the time and place of said meeting as aforesaid.

Given under our hands this twenty-third day of January in the year of our Lord one thousand nine hundred and seventy.

ROBERT E. LOEW, Chairman
RAY P. FELIX
Selectmen of Plainville

A true copy, attest: ALLEN S. BREEN, Constable
This 20th day of February 1970

A true Copy: Attest:

I have this day posted up seven (7) copies of the within Warrant in seven (7) public places in said Town of Plainville, seven (7) days before said meeting.

ALLEN S. BREEN, Constable

Attest: AUSTIN F. GRANT, Town Clerk

PROCEEDINGS OF THE SIXTY-FIFTH ANNUAL TOWN MEETING

TOWN OF PLAINVILLE, MASSACHUSETTS

March 2, 1970

Pursuant to the foregoing warrant, the sixty-fifth Annual Town Meeting was opened by the Town Moderator, Charles O. Peasley at 8:00 A.M. on Monday, March 2, 1970 in the auditorium of the Plainville Elementary School, South Street, Plainville, Norfolk County, Massachusetts.

The workers, having been appointed by the Board of Selectmen were sworn in to the faithful performance of their duties by Assistant Town Clerk, Bessie Barton. Robert Keniston, Warden; Stanley G. Cole, Deputy Warden; Marion McCabe, Clerk; Jane Flynn, Deputy Clerk; Stanley Myers, Ballot Box Officer; Tellers: Helen Cobb, Violet Osterholm, Lucille Keniston, Alternate; Jacqueline DiGiantommaso, Marie Diede, Evelyn Soule, Alternate.

The ballot box was inspected by Helen Cobb, Violet Osterholm, Marion McCabe and Jacqueline DiGiantommaso; declared empty and the dial set at zero and the key turned over to the Ballot Box Officer, Stanley Myers.

Sergeant Edgar Peavey, Patrolman Walter Sandland, Franklin Knight and Ernest Loring were the officers on duty during the hours of voting.

Richard M. Cobb, Robert Thibedeau and Maurice Theriault, members of the Board of Registrars were in attendance for any questions relative to voting lists.

At 8:00 P.M. the polls were officially declared closed by Warden Robert Keniston. The ballot box was inspected by John Diede, Jane Flynn, Gael Kelly and Stanley Cole. The box registered 894 votes cast. The absentee votes were checked on the voting lists and registered on the ballot box, making a total of 902 votes cast. The voting lists checked by the tellers showed the results of the voting to be 462 women and 440 men; total 902.

At 8:00 P.M. the following counters were sworn in by Assistant Town Clerk Bessie Barton: Nancy Duffy, Marion H. Reilly, John Diede, Helen Theriault, Gael Kelly, Beverly Armstrong, Althea Rogers, Rubena Cole, Allie B. C. McAlpine and Jean Henrich. The result of the counting is as follows:

PROCEEDINGS OF THE SIXTY-FIFTH ANNUAL TOWN MEETING

The business session of the sixty-fifth Annual Town Meeting for the Town of Plainville, Norfolk County, Massachusetts, was called to order by Moderator Charles O. Peasley at 7:30 P.M. in the Auditorium of the Elementary School, South Street, Plainville.

The meeting was opened with an invocation by Rev. Father Joseph P. Reilly, Pastor of St. Martha's Church.

The bounds of the hall were declared to be the seats on the floor. Any person desiring to participate must be within these bounds.

The Moderator appointed the following as counters: Frank Grzenda and Walter Edwards to the right of the Moderator; Daniel Malone and Albert Pothier at his left. Town Clerk Austin F. Grant was appointed Ballot Box Officer in the event of a ballot vote.

The voters were checked into the hall by means of the voting lists by Robert Keniston (R) and Jane Flynn (D) and a total of 247 voters were checked; 100 women, 147 men.

The Moderator declared if there were no objections the minutes of the meeting of March 2, Election of Officers, would be omitted.

ARTICLE 2. Motion by Ray P. Felix and seconded by Robert E. Loew that Francis W. Simmons, Alec H. Fredrickson and Everett W. Skinner be appointed as Measurers of Wood, Bark and Lumber for the ensuing year. Unanimously voted.

ARTICLE 2. Upon a motion by Robert E. Loew and seconded by Ray P. Felix, Robert R. Faille, Allen R. Breen and Edgar T. Peavey were appointed as Fence Viewers and Field Drivers for the ensuing year, and unanimously voted.

ARTICLE 3. Motion by Robert W. Root and seconded by Clarence E. Skinner, Jr. that the reports of the Selectmen, Treasurer and other Town Officers be accepted as printed with the exception of any omissions and typographical errors, and unanimously voted.

ARTICLE 4. Motion by Robert E. Loew and seconded by Robert R. Faille that the Town accept the provisions of Chapter 81 of the General Laws and unanimously voted.

ARTICLE 5. Motion by Avedis Koshgarian and seconded by David Lomasney that the town vote to fix the salary and compensation of all elected officials of the Town as provided by Section 108 Chapter 41, General Laws, as amended as follows:

Moderator	$25.00 each meeting
Town Clerk	900.00 per year
Town Treasurer	2,500 per year
Selectmen, Chairman	900.00 per year
Second Member	800.00 per year
Third Member	800.00 per year
Board of Health, Each Member (3)	100.00 per year
Assessor, Chairman	1,100.00 per year
Second Member	1,100.00 per year
Third Member	1,100.00 per year
Tax Collector	2,000.00 per year
School Committee, Chairman	75.00 per year
Each Member	60.00 per year

Water Commissioner, Chairman	250.00 per year
Second Member	250.00 per year
Third Member, Secretary	500.00 per year
Auditor	250.00 per year
Constables	2.50 per hour
Tree Warden	2.50 per hour

All above salaries were unanimously voted.

ARTICLE 6. It was voted that this article (amendment to the Personnel By-Law) be taken section by section. As this is a by-law change a standing vote will be taken. ⅔ vote. Motion by Francis McCabe that 2.06-10 be accepted as printed. By deleting the word "action" (after the word any) and substituting the words "changes in the compensation plan." Unanimously voted: 143 Yes, 0 No.

4.01 (a) Motion by Francis McCabe and seconded by John Geiselman that this be accepted as printed. During the discussion of this section it was pointed out that it will not mean the appointment of an additional man and it will not mean a cut in pay, the same amount of money will be paid for a forty hour work week instead of forty-five. Chief Skinner spoke for the Highway Superintendent who was out of town due to illness in the family. Results of the standing vote: 102 yes, 2 no. 40 hour week for Highway Department passed.

4.01 (b) Forty hour week for the Fire Department. Motion by Francis McCabe and seconded by Fire Chief Clarence E. Skinner, Jr. that this section be accepted as read. During the discussion of this section, James Cassidy amended it to read forty-eight hours instead of forty hours for the Fire Department. However, there was no second to the amendment. The question was called and the vote on the main section was 183 for and 9 against.

Section 4.02, by deleting the words "one time" and substituting the words "one and one-half times". This section was not recommended by the Finance Committee, however, the Board of Selectmen recommended that this section be accepted. Standing vote on 4.02 was 92 Yes and 96 No. Section 4.02 not passed.

5.01 - 1 by deleting sentence beginning "In case of emergency" and replacing with "In case of an emergency declared by the Board of Selectmen, a Department Head may, subject to the limitations of the

department's appropriation, employ part time employees at the minimum of grade without requirement of prior approval of the Personnel Board." Result of standing vote: Yes 160, No 0. Unanimously voted.

6.02 Public Safety Group, by eliminating "Sergeant, Detective" and replacing with "Lieutenant" and eliminating "Firefighter, Senior Grade" and replacing with "Captain." It was explained under the discussion on this section that at the present time we have no "Sergeant, Detective" or "Firefighter, Senior Grade" in either the Police or Fire Department. There are two Sergeants in the Police Department at this time, and the classification in the By-Law does not have an advancement for the Sergeants. We do not have a Senior Grade Firefighter, but do have a Captain in the Call Department and it was felt that these two classifications should be added to the By-Law. Standing vote on the amendment was not unanimous, result of voting, Yes 145, No 6.

At 9:30 P.M. it was unanimously voted to have a fifteen minute recess.

The meeting was again called to order by the Moderator. Mrs. Charles Choma was appointed as a counter to replace Daniel Malone.

6.02 Motion by Robert E. Loew and seconded by Robert Faille that this section be accepted as read. Francis McCabe amended this section to read $8,500. minimum and $9,500. maximum. The Finance Committee also recommended this figure with no step in between. Mr. Loew explained to the meeting the reason for the different steps in this section, stating that each department head would receive the maximum figure as outlined in the amended section, of $9,500. and there would be no step increase to work toward. Vote on original motion was Yes 120, No 61. Vote on amendment: Yes 169, No 0. Amendment carried, figure to be $8,500. — $9,500.

6.02 Inspection Group: Motion by Francis McCabe and seconded by Gary LeBlanc that this be accepted as read. Yes 122, No 0.

6.02 Eliminate Lifeguard: Motion by Francis McCabe and seconded by John Gieselman that this section be accepted as read. Yes 120, No 0.

Section 7.02 Motion by Francis McCabe and seconded by Everett Skinner, Jr. that this be deleted in its entirety. Yes 97, No 0. Unanimously voted.

Section 7.05: Motion by Francis McCabe and seconded by George Pray that this section be accepted as read. Unanimously voted: Yes 89, No 0.

Section 8.01: Motion by Francis McCabe and seconded by Freeman Rogers that this section be accepted as read: Unanimously voted.

Section 8.01 - 3 Motion by Francis McCabe and seconded by George Pray that this section be accepted as written. Unanimously voted: Yes 91, No 0.

Section 8.01 by adding new section 8.01 - 4 Motion by Francis McCabe and seconded by George Pray that this section be accepted as written, unanimously voted: Yes 109, No 0.

8.01 Motion by Francis McCabe and seconded by George Pray that this section be accepted as written and unanimously voted: Yes 87, No 0.

11.02 - 1 Motion by Francis McCabe and seconded by John Gieselman that this section be accepted as written. Result of standing vote: Yes 72, No 22.

11.02 - 2 Motion by Francis McCabe and seconded by George Pray that this be accepted as written, with the exception of the last sentence. This last sentence to be transferred to the end of the Compensation Plan. Unanimously voted: Yes 113, No 0.

Motion by Jay Clough and seconded by James Cassity that we adjourn to next Monday, March 22, 1970. Amended by Robert E. Loew and seconded by Ray P. Felix that the meeting adjourn to Tuesday, March 17, 1970 at 7:30 P.M. Amendment carried and the meeting adjourned to March 17, 1970 at 7:30 P.M. At this time the Moderator thanked the counters for a job well done, stating they had a big job to do and they had performed well.

ADJOURNED MEETING, MARCH 17, 1970

The meeting was called to order by Moderator Charles O. Peasley. Counters were appointed as follows: Oliver Chase and Clayton Cate, to the right of the Moderator; Earl Bennet and Boyd Cheney to his left. Austin F. Grant, Ballot Box Officer. Bounds of the hall declared to be the same as the previous night.

ARTICLE 6. Compensation Plan. Motion by Francis McCabe and seconded by David Lomasney that the Compensation Plan be accepted as written. Oliver Chase amended the section to read: To offer the town employees 5% for 1970, 3% for 1971 and 0% for 1972, instead of the proposed 10%, 7% and 6%. Mr. Bellows moved that the vote on this amendment be by secret ballot. As there was no second to this motion the Moderator declared it illegal. Vote on the amendment declared as negative by the Moderator.

Vote on original motion: Yes 137, No 5. Compensation Plan voted as read.

Motion by Francis McCabe and seconded by George Pray that Section I-7 be accepted as read and unanimously voted: Yes 134, No 0.

ARTICLE 7. Motion by Joseph Doiron and seconded by John Geiselman that the surety bonds of the Collector of Taxes, Treasurer, Town Clerk, Secretary of the Water Department and Clerk of the Board of Selectmen be placed with a fidelity or guarantee company. The amount of money needed for this article is included in the Insurance Account under Section 8 of Article 12. Unanimously voted.

ARTICLE 8. Motion by Thomas Levis and seconded by Raymond Miller that the Town vote to install street lights at the following locations:

1 street light on South Sreet, Pole #496
1 street light on Taunton Street, Station 2850
1 street light on Hillside Road, Pole #19

The money to pay for same is included in Article 12, Section 15, Street Lights. Unanimously voted.

ARTICLE 9. Motion by George Pray and seconded by Avedis Koshgarian that in view of the indecision regarding the duties of a town accountant, the motion be amended to read that this article be tabled until such time as more specific information is available. Vote carried, but not unanimously.

Before voting on this article the Town Government Study Committee presented the report of its committee on findings relative to Town Accountants.

At this time Mr. Thomas Reynolds moved that the order of business be changed and we go into Article 12. Vote declared in the affirmative by the Moderator.

Mr. Fredrick Brauner moved that a five minute recess be held at 9:15 P.M. Unanmously voted. The meeting was called to order at 9:25 P.M.

The Moderator declared he would not read Article 12, but it would be taken up section by section in order to give the voters a chance to discuss any section they desired.

ARTICLE 12. Motion by David Lomasney that the town vote to raise and appropriate by borrowing or otherwise such sums of money as may be required to defray Town charges for the financial year ending December 31, 1970 and expressly for the followoing purposes to wit:

Library: To include the Dog Tax and State Aid to Libraries	$6,109.00
Selectmen, Salaries and Expenses	24,241.55
Board of Health	11,263.00
Wire Inspector	400.00
Building Inspector	500.00
Gas Inspector	300.00
Plumbing Inspector	300.00
Insurance: Town Schedule=	11,868.00
Group Insurance: Blue Cross-Blue Shield	8,386.56
Memorial Day	250.00
Town Ambulance	1,500.00
Town Building Maintenance	3,645.00
Zoning Board of Appeals	200.00
Board of Appeals	100.00
Veterans' Benefits	7,350.00
Street Lights	10,134.00
Vocational Education	2,000.00
Town Treasurer	4,700.00
Town Auditor	250.00
Interest on Temporary Loans and Maturing Debt	25,000.00
Tax Title	200.00
Maturing Debt	55,000.00
Finance Committee	200.00
Norfolk County Retirement	11,983.73
Town Clerk	2,555.00
Board of Registrars	2,625.00
Assessors	7,200.00

Tax Collector	3,500.00
Fire Department	57,018.71
Police Department	67,546.95
Dog Officer	950.00
Water Department	24,455.00
Highway Exclusive of Chapter 81 and 90	21,650.00
Snow Removal	20,000.00
Tree Warden	1,000.00
Town Forest Committee	75.00
Park Department	7,770.00
Local School Salaries and Expenses	435,000.00
Regional School District	579,487.80

Planning Board	750.00
Conservation Commission	500.00
Civil Defense	1,000.00
Elementary School Expansion Committee	.....
Personnel Board	300.00
By-Law Review Committee	100.00
Industrial Development Financing Authority	200.00

Total amount of the above recommended by the Finance Committee $1,,420,364.30. At this time Joseph Calzaretta, Dog Officer amended the amount for Dog Officer to read $1,550. the orginal amount requested by Mr. Calzaretta. After much discussion it was voted to increase the amount of $950. to $1,550. A standing vote was taken as the voice vote was doubted; results of standing vote: Yes 106, No 58.

Mr. Francis Buiting amended the amount recommended by the Finance Committee to read $450,589. this amendment was seconded by Bruce Hayes. Much discussion took place on this section and the vote on the amendment to increase the local school budget was taken, result of standing vote: Yes 63, No 104, the amendment was defeated.

William Clarke amended the amount recommended by the Finance Committee be increased to $620,186.04 and seconded by Charles Choma. Mr. Clarke also requested permission of the meeting for Supt. Charles Manos to explain the budget to the people. This request was granted but not unanimously. After much discussion George Pray moved the previous question seconded by Joseph Doiron. Vote on previous question: Yes 144, No 1.

Voice vote on amendment, No vote Carried. Amendment lost.

At 11:50 P.M. upon a motion by Robert E. Loew and seconded by Ray P. Felix it was voted to adjourn the meeting until Wednesday, March 18, 1970 at 7:30 P.M. and unanimously voted.

ADJOURNED SESSION MARCH 18, 1970

Meeting called to order by the Moderator at 7:45 P.M. The bounds of the hall were declared to be the same as the previous meetings. Counters were appointed as follows: right side of Moderator Ted Wickman, John Crowley; left side Thomas Reynolds and Roland Cartier. Ballot Box Officer, Town Clerk Austin F. Grant.

ARTICLE 12. David B. Lomasney moved that the sum of $1,421,156.30 for the provision of Article 12, of which $690.60 County Dog Tax and $952.50 is State Aid. Motion seconded by George Pray and unanimously voted.

ARTICLE 10. Motion by Raymond Miller and seconded by George Pray that No Action be taken on this article. (Abolish office of Town Auditor)

ARTICLE 11. Motion by Avedis Koshgarian and seconded by Thomas Levis that No Action be taken on this article. Voted but not unanimously.

ARTICLE 13. Motion by Robert E. Loew and seconded by Robert R. Faille that the Town vote to accept the provisions of Sections 42, 43 and 44 of Chapter 48 of the General Laws providing for the establishment of a fire department to be under the control of an officer to be known as the Chief of the Fire Department.

Mr. Loew read the sections of the General Laws covering this article and Mr. Raymond Miller explained the reason being that when Plainville was separated from Wrentham we were in a fire district and a fire department was never established.

James Cassidy moved that this article be laid on the table indefinitely. The voice vote was doubted and a standing vote taken. Yes 37, No 47. Motion lost.

George Pray moved the previous question (stop debate) seconded by Thomas Levis, motion unanimously voted. 80 Yes, 0 No.

Vote on original motion in the affirmative.

ARTICLE 14. Motion by Avedis Koshgarian and seconded by Thomas Levis that the Town vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue for the financial years beginning January 1, 1970 and January 1, 1971 in accordance with the provisions of General Laws, Chapter 44, Section 4, and to renew any note or notes as may be given for a period of less than one year, in accordance with the provisions of General Laws, Chapter 44, Section 17 and unanimously voted.

ARTICLE 15. Motion by Thomas Levis and seconded by Raymond Miller that the Town vote to transfer from Available Funds in the Treasury, the sum of $15,000. for a Reserve Fund, to provide for the extraordinary and unforeseen expenses, as authorized by Section 6 Chapter 40, of the General Laws, and unanimously voted.

ARTICLE 16. Motion by Robert E. Loew and seconded by Roberf Barney that the town vote to accept the provisions of Chapter 90 of the General Laws, and raise and appropriate the sum of $3,550. The Town's share and in addition the sum of $7,000. be transferred from unappropriated available funds in the Treasury to meet the State and County's share of the cost of the work, the reimbursement from the State and County to be restored upon their receipt to unappropriated available funds in the Treasury and unanimously voted.

ARTICLE 17. Motion by Robert W. Root and seconded by Robert E. Loew that the town vote to raise and appropriate the sum of $4,750. to meet the Town's share of the cost of Chapter 81 Highways, and that in addition the sum of $9,900. be transferred from unappropriated available funds in the Treasury to meet the State's share of the cost of the work. The reimbursement from the State to be restored upon the receipt to unappropriated available funds in the Treasury. Unanimously voted.

ARTICLE 18. Motion by Robert E. Loew and seconded by Robert W. Root that the Town vote to raise and appropriate the sum of $12,050. to continue the laying out and construction on Messenger Street, under Chaper 90 of the General Laws. The money to be raised as follows: $3,050. the Town's share to be raised and appropriated by taxation; and the State and County's share of the work, $9,000. to be transferred from unappropriated available funds in the Treasury. The reimbursement from the State and County to be restored upon their receipt to unappropriated available funds in the Treasury.

ARTICLE 19. Motion by Robert W. Root and seconded by Robert E. Loew that the sum of $2,690. be appropriated for permanent road con-

struction on Hawkins Street, and to meet said appropriation the sum of $2,690. be transferred from proceeds received or to be received from the State under the provisions of Section 4, Chapter 768 Acts of 1969. Unanimously voted.

ARTICLE 20. Motion by Robert E. Loew and seconded by Robert W. Root that the Town vote to transfer from available funds in the treasury (Free Cash) the sum of $500. to be expended by the Highway Department under the provisions of Section 6H of Chapter 40 of the General Laws, and unanimously voted.

ARTICLE 21. Motion by Robert W. Root and seconded by Robert E. Loew that the sum of $8,071.68 be appropriated under Section 5 of Chapter 768 of the Acts of 1969, to be expended by the Highway Department for repairs and maintenance of East Bacon Street and Lincoln Avenue. Unanimously voted.

ARTICLE 22. Motion by Avedis Koshgarian and seconded by Robert E. Loew that the Town vote to raise and appropriate the sum of $24,000. to purchase a four wheel drive front end loader for the Highway Department, and that the Treasurer, with the approval of the Selectmen is hereby authorized to borrow the sum of $24,000. and to issue bonds and notes of the Town therefore for a period not to exceed five years. A standing vote was taken and the results: Yes 89; No 0. Unanimously voted.

ARTICLE 23. Motion by Robert Barney and seconded by Thomas Levis and unanimously voted that the sum of $3,700. be transferred from Available Funds in the Treasury for the purpose of installing a school zone under Chapter 616 Acts of 1967, on South Street (Route 1A). The reimbursement from the State to be restored to unappropriated available funds in the Treasury upon its receipt.

ARTICLE 24. Motion by George Pray and seconded by Avedis Koshgarian that the sum of $1,000. be raised and appropriated by taxation for the control of insects and Dutch Elm Disease, as provided by Chapter 132, Section 14 of the General Laws, and to be expended under the direction of the Moth Superintendent. Unanimously voted.

ARTICLE 25. Motion by Thomas Levis and seconded by George Pray that the sum of $1,000. be transferred from available funds in the Treasury for the Conservation Fund, to be used by the Conservation Commission for Construction purposes, including the purchase of land. Unanimously voted.

ARTICLE 26. Motion by Avedis Koshgarian and seconded by Thomas Levis that the sum of $10,000. be raised and appropriated for the Stabilization Fund, under authority of Chapter 40 Section 58 of the General Laws. Unanimously voted.

ARTICLE 27. Motion by Joseph Doiron and seconded by George Pray that the sum of $15,000. be raised and appropriated by taxation, to be expended by the Water Commissioners for a new well site to conform to the plans and proposals submitted by Camp, Dresser & McKee, Engineers, in their report to the Town. Unanimously voted.

ARTICLE 28. Motion by Raymond Miller and seconded by Russell Mulligan that No Action be taken on this Article.

An amendment was made by Robert E. Loew and seconded by Clarence E. Skinner that the sum of $300. be transferred from the Ambulance Replacement Fund to purchase a radio for the Town Ambulance. The Moderator declared the voice vote on the amendment a Yes vote, but not unanimously voted.

ARTICLE 29. Motion by David Lomasney and seconded by Joseph Doiron that the Town vote to purchase a Class A. Pumping Engine, and originally equipping said engine; and to meet said appropriation the sum of $10,000. be transferred from the Stabilization Fund, and the sum of $25,000. be bonded; and the Treasurer with the approval of the Selectmen, be authorized to issue a note or notes of the town for a period not to exceed five years. Motion carried.

ARTICLE 30. Motion by George Pray and seconded by Raymond Miller that the sum of $357.81 be transferred from Available Funds in the Treasury to reimburse the Plainville Police Benefit, to replace the equipment owned by them and lost in a fire. Motion carried but not unanimous.

ARTICLE 31. Motion by Ray P. Felix and seconded by Robert E. Loew that this article be accepted as printed.

Mrs. Lynn Reynolds amended this article by deleting the word "one" and replacing with the word "three" so that the phrase would read "three years active duty".

Much discussion was held on this amendment and after considerable time George Pray moved the previous question, seconded by Thomas Levis. Vote to limit the date was 86 Yes, 0 No. (Tenure of office, Police.)

The voice vote on the amendment was doubted and the result of the standing vote was Yes 22, No 63. The amendment was lost.

The voice vote on the original motion was carried but not unanimously.

ARTICLE 32. Motion by Robert E. Loew and seconded by George Pray that this Article be accepted as read. Motion carried but not unanimously. (Tenure for E. Skinner, Highway Supt.)

ARTICLE 33. Motion by Bruce Hastings seconded by David Lomasney that this article be accepted as read. As this is a change in the Zoning By-Law a standing vote is taken. Results: Yes 55, No. 0. Unanimous. (Amend Article 1, Section 1.4).

ARTICLE 34. Motion by Bruce Hastings and seconded by Thomas Levis that this article be accepted as read. Results of a two-thirds vote, Yes 72, No. 0. Moderator declared it unanimous. (Amending Zoning By-Law Article II, Section 2.6-1).

ARTICLE 35. Motion by Bruce Hastings and seconded by George Pray that this article be accepted as read. Results of two-thirds vote: Yes 72, No 0. Unanimous. (Adding to Zoning By-Law Article III a section 3.8.3.5).

ARTICLE 36. Motion by Bruce Hastings and seconded by Thomas Levis that this article be accepted as read. Results of two-thirds vote: Yes 72, No 0. Unanimous. (Amend Zoning By-Law by adding in Article III a section 3.8.8 Penalty.)

ARTICLE 37. Motion by Raymond Miller and seconded by Thomas Levis that this article be accepted as printed. Unanimously voted. (Join Southeastern Mass. Regional Planning and Economic Development District.)

ARTICLE 38. Motion by Thomas Levis and seconded by Raymond Miller that the Town vote to transfer the sum of $1,000. to reprint any or all of the Town By-Laws, (General, Zoning, Personnel, etc.) Said sum to be spent under the direction of the By-Law Review Committee and all unexpended sums to be carried over from year to year for continuous use of said committee in maintaining a system of updated by-laws. Unanimously voted.

ARTICLE 39. Motion by Charles R. Mason and seconded by Raymond Miller that the Town vote to amend the Town of Plainville By-Laws,

Article 1, Section 1, Paragraph 4, by striking therefrom the word "Advisory" and inserting in lieu thereof the word "Finance". Result of standing vote: Yes 69, No 0. Unanimous.

ARTICLE 40. As this Article was acted upon in 1958 with the acceptance of the Town By-Laws this article is not necessary and the Moderator declared it stricken from the records.

ARTICLE 41. Motion by Robert Barney and seconded by David Lomasney that this article be amended to read: the Town vote to authorize the Selectmen to sell from time to time, on behalf of the town, any accumulated scrap materials, old equipment, or used materials by the Town and unanimously voted.

ARTICLE 42. Motion by Robert E. Loew and seconded by Gary LeBlanc that the Town vote to amend the action taken at the Annual Town Meeting on March 25, 1969, Article 44, providing for a Town Government Study Committee, so as to change "none of whom hold elective or appointive positions" to "five appropriately qualified persons, one of whom is a town official". Moderator declared the motion carried, but not unanimous.

ARTICLE 43. Motion by Joseph Doiron and seconded by David Lomasney that the town vote to raise and appropriate the sum of $15,000. under the provision of Chapter 519, Acts of 1967, to be expended by the Board of Selectmen for the purpose of erecting and installing traffic signals at the intersection of Messenger Street, (Route 106) and Taunton Street (Route 152), said amount to be 75% reimbursable upon completion by the Commonwealth. Unanimously voted.

ARTICLE 44. There being no reports of committees or committees to be appointed, upon a motion by Robert E. Loew and seconded by Thomas Levis the Town Meeting was adjourned at 10:40 P.M.

The Moderator thanked the counters for their fine work on the three evenings.

At each session the voters were checked into the hall by means of the voting lists by Robert Keniston and Jane Flynn. On March 16, a total of 247 voters were present; 100 women and 147 men. On Tuesday, March 17, a total of 202; 79 women and 123 men and at the final session March 18, a total of 114; 39 women and 75 men.

AUSTIN F. GRANT, Town Clerk

THE COMMONWEALTH OF MASSACHUSETTS

Department of the Attorney General

State House, Boston 02133

Office of Robert H. Quinn, Attorney General

July 24, 197

Mr. Austin F. Grant
Town Clerk
Plainville, Massachusetts

Dear Mr. Grant:

I enclose the amendments to zoning by-laws adopted under Article 33, 34, 35 and 36 of the warrant and the amendment to general by-laws adopted under Article 39 of the warrant, at the annual town meeting held March 16, 17 and 18, 1970, with the approval of the Attorney General endorsed thereon.

Very truly yours,

CARTER LEE
Assistant Attorney General

CL:cav
Enclosure

Posted August 5, 1970
AUSTIN F. GRANT

TOWN OF PLAINVILLE, MASSACHUSETTS

Office of Austin F. Grant, Town Clerk

May 15, 1970

I hereby certify that the following are true copies of the articles and votes taken thereon at the Annual Town Meeting, held in the Town of Plainville, Norfolk County, Massachusetts, March 16, 1970 at which an official quorum was present, and adjourned to March 17 and 18, 1970, in the Elementary School Auditorium, South Street, Plainville, Mass.

AUSTIN F. GRANT, Town Clerk

ARTICLE 33. To see if the Town will vote to amend the Zoning By-Laws of the Town by striking therefrom Article 1, Section 1.4 (Penalty) in its entirety and inserting in lieu thereof the following:

1.4 Penalty — Unless otherwise specifically provided herein any person violating any of the provisions of this By-Law shall be fined not more than $50.00 for each offense. Each day such violation continues shall constitute a separate offense, or do or act in any manner relative thereto.

Vote: Motion by Bruce Hastings and seconded by David Lomasney that this article be accepted as read. Results of standing vote: Yes 73, No 0.

ARTICLE 34. To see if the Town will vote to amend the Town Zoning By-Law, Article II, Section 2.6-1 as follows:

1. To change the figures associated with the word "frontage" to read as follows:

RA	RB	RC	RD	CA	CB	CC	IA and IB	IC
225	140	100	140	225	125	140	200	150 feet

2. To add a footnote "g", to read as follows:
   Strict compliance with the frontage requirements above may be waived, providing that at least 80% of the frontage requirement is met, and that full width as required, is available at the building line, or do or act in any manner relative thereto.

Vote: Motion by Bruce Hastings and seconded by David Lomasney that this article be accepted as read. Result of standing vote: Yes, unanimously voted.

ARTICLE 35. To see if the Town will vote to amend the Zoning By-Law by adding in Article III (General Regulations) a section 3.8.3.5 as follows:

3.8.3.5 The owners of land in Plainville which has been or may be hereafter be excavated shall erect suitable barriers or take other suitable measures so that such excavation does not constitute a hazard to public safety. If in the opinion of the Board of Selectmen, a hazard to public safety does exist, the Board of Selectmen shall notify the owner in writing and specify the barriers and/or other suitable measures to be taken which shall be carried out within five days by the owner or owners, or do or act in any manner relative thereto. (2/3 vote)

VOTE: Motion by Bruce Hastings and seconded by Thomas Levis that this article be accepted as read. Result of standing vote was unanimous.

ARTICLE 36. To see if the Town will vote to amend the Zoning By-Law by adding in Article III (General Regulations) a section 3.8.8. as follows:

3.8.8. Penalty — The Penalty for violation of any provision of this section shall be $50.00 for the first offense, $100.00 for the second offense, $200.00 for each subsequent offense, or do or act in any manner relative thereto. (2/3 vote).

VOTE: Motion by Bruce Hastings and seconded by Thomas Levis that this article be accepted as read. Result of standing vote was unanimous.

July 24, 1970

Boston, Mass.

The foregoing amendments to zoning by-laws adopted under Articles 33, 34, 35 and 36 are approved.

ROBERT H. QUINN, Attorney General

ARTICLE 39. To see if the Town will vote to amend the Town of Plainville By-Laws, Article 1, Section 1, Paragraph 4, by striking therefrom the word "Advisory" and inserting in lieu thereof the word "Finance", or do or act in any manner relative thereto. (2/3 vote).

VOTE: Motion by Charles R. Mason and seconded by Raymond V. Miller that the Town vote to amend the Town of Plainville By-Laws, Article 1, Section 1, Paragraph 4, by striking therefrom the word "Advisory" and inserting in lieu thereof the word "Finance", and unanimously voted.

AUSTIN F. GRANT, Town Clerk

July 24, 1970

Boston, Mass.

The foregoing amendment to general by-laws adopted under Article 39 is approved.

ROBERT H. QUINN, Attorney General

FOR SPECIAL TOWN MEETING

THE COMMONWEALTH OF MASSACHUSETTS

NORFOLK, ss.

To either of the Constables of the Town of Plainville.

Greetings:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Plainville qualified to vote in elections and Town affairs, to meet at the Elementary School Auditorium, South Street, in said Town of Plainville on

TUESDAY, MAY 26, 1970

at 7:30 P.M., then and there to act on the following articles, viz:

ARTICLE 1. To see if the Town will vote to raise and appropriate the sum of $40,698.24 for the Regional School District Committee, Operating and Capital Costs, thereby establishing as the Town charges for the financial year ending December 31, 1970 for the purpose of said Regional School District Committee, Operating and Capital Costs, the total of $620,186.04; the sum of $579,487.80 having been previously voted under Article 12, Paragraph 38 of the Warrant for the 1970 Annual Town Meeting, or to do or act in any manner relative thereto.

ARTICLE 2. To see if the Town will vote to raise and appropriate the sum of $15,589 for the support of local schools, salaries and expenses, thereby establishing as the Town charges for the financial year ending December 31, 1970, for the purpose of said local schools, salaries and expenses, the total of $450,589; the sum of $435,000 having been previously voted under Article 12, Paragraph 37, of the Warrant for the 1970 Annual Town Meeting, or to do or act in any manner relative thereto.

And you are directed to serve this Warrant, by posting up seven (7) attested copies thereof in said Town, seven (7) days at least before the time of holding said meeting.

Hereof fail not and make return of this Warrant with your doings thereon at the time and place of said meeting.

Given under our hands this 8th day of May in the year of Our Lord one thousand nine hundred and seventy.

PROCEEDINGS OF SPECIAL TOWN MEETING

MAY 26, 1970

TOWN OF PLAINVILLE, MASSACHUSETTS

A Special Town Meeting was held in the Auditorium of the Plainville Elementary School, South Street, Plainville, Norfolk County, Massachusetts on Tuesday evening, May 26, 1970. The Moderator called the meeting to order at 7:40 P.M. at which time an official quorum was present.

The following counters were appointed by the Moderator: Daniel T. Malone and Grenith M. Rose, to the Moderator's right; Frank Grzenda and Theodore A. Wickman to the Moderator's left. Austin F. Grant, Town Clerk was appointed Ballot Box Officer. The bounds of the hall were determined to be the chairs set up on the auditorium floor.

The call of the meeting was read by Austin F. Grant, Town Clerk.

Voters were checked into the hall by means of the voting lists by Robert Keniston (R) and Marion McCabe (D). Total registered voters present—75: 45 men and 30 women.

ARTICLE 1. Avedis Koshgarian, Chairman of the Finance Committee, read the recommendation of the Finance Committee and moved that no action be taken on this article, seconded by Thomas Levis. Voice vote was declared by the Moderator as negative.

A motion was made by William Clarke and seconded by Francis Buiting that the Town vote to raise and appropriate the sum of $40,698.24 for the Regional School District Committee, Operating and Capital Costs, thereby establishing as the Town charges for the financial year December 31, 1970 for the purpose of said Regional School District Committee, Operating and Capital Costs, the total of $620,186.04; the sum of $579,487.80 having been previously voted under Article 12, Paragraph 38 of the Warrant for the 1970 Annual Town Meeting.

A substitute motion was presented by Avedis Koshgarian and seconded by Thomas Levis, to permit the Treasurer, with the approval of the Board of Selectmen, to borrow a sum of monies for a period of not more than one year, to enable the Town of Plainville to meet the additional sum of $40,698.24 for the Regional School District Committee, Operating and Capital costs for the year 1970.

The Moderator declared that a 2/3 vote would be necessary for this as the motion was to borrow. Result of standing vote: Yes 49, No 10, substitute motion carried.

After a short recess a count was called to determine if a quorum was present. Result of count showed 67 voters present.

ARTICLE 2. Motion by Francis Buiting and seconded by Raymond Annino that the Town vote to raise and appropriate the sum of $15,589. for the support of local schools, salaries and expenses, thereby establishing as the Town charges for the financial year ending December 31, 1970, for the purpose of said local schools, salaries and expenses the total of $450,589.; the sum of $435,000. having been previously voted under Article 12, Paragraph 37, of the Warrant for the 1970 Annual Town Meeting.

A substitute motion was submitted (or amendment) by Thomas Levis, seconded by Robert E. Loew; to permit the Treasurer, with the approval of the Selectmen, to borrow a sum of monies for a period of not more than one year, to enable the Town of Plainville to meet the additional sum of $15,589.00 for the local schools, salaries and expenses for the year 1970.

Again the Moderator advised that a 2/3 vote would be necessary. Result of standing vote: Yes 42, No 22. As this was not a 2/3 vote the Moderator declared the motion lost.

Meeting adjourned at 8:20 P.M.

AUSTIN F. GRANT, Town Clerk

PROCEEDINGS OF SPECIAL TOWN MEETING

JUNE 25, 1970

TOWN OF PLAINVILLE, MASSACHUSETTS

A Special Town Meeting was held in the Town of Plainville, Thursday, June 25, 1970 at 7:30 P.M. The meeting was called to order by the Moderator at 7:40 P.M. The Moderator appointed the following as tellers: Robert R. Faille and Reginald Keyes. Town Clerk Austin F. Grant was appointed Ballot Box Officer.

The voters were checked into the hall by Robert Keniston and Marion McCabe and there were sixty voters present. The Moderator declared a quorum prsent and recognized David B. Lomasney, Vice Chairman of the Finance Committee, who read the following Resolution upon the death of Avedis Koshgarian.

WHEREAS, the citizens of Plainville have learned with deep regret and sorrow of the death of AVEDIS S. KOSHGARIAN, and

WHEREAS, Avedis "Al" Koshgarian was currently serving as Chairman of the Finance Committee, and

WHEREAS, he served faithfully as a loyal and dedicated servant to the inhabitants of the Town of Plainville, and

WHEREAS, he labored tirelessly and diligently with a profound desire to improve the Town of Plainville, and

WHEREAS, by his example and interest he won the respect and admiration of those with whom he served on the Finance Committee,

Therefore BE IT RESOLVED, that as a symbol of our respect, a copy of this Resolution be inserted in the next Annual Town Report.

DAVID B. LOMASNEY, Vice Chairman

Plainville Finance Committee

seconded by Thomas Levis and made unanimous by the Town Meeting.

ARTICLE 1. Motion by David Lomasney and seconded by Thomas Levis that the Town vote to raise and appropriate the sum of $40,698.24 for the Regional School District Committee, Operating and Capital Costs, thereby establishing as the Town charges for the financial year ending December 31, 1970 for the purpose of the Regional School District Committee, Operating and Capital Costs, the total of $620,186.04; the sum of $579,487.80 having been previously voted under Article 12, Paragraph 38 of the Warrant for the 1970 Annual Town Meeting. Unanimously voted.

At 7:50 a motion to adjourn was unanimously voted and the Moderator declared the meeting closed.

PROCEEDINGS OF STATE PRIMARY

September 15, 1970

TOWN OF PLAINVILLE, MASSACHUSETTS

The State Primary was held in the auditorium of the Plainville Elementary School, South Street, Plainville, Norfolk County, Massachusetts on Tuesday, September 15, 1970. The following officials, having been previously appointed by the Selectmen were sworn in to the faithful performance of their duties by Town Clerk Austin F. Grant; Robert Keniston, Warden (R), Bessie Barton, Deputy Warden (R), Marion McCabe (D), Clerk, Jane Flynn, (D), Deputy Clerk, Stanley Myers, Ballot Box Officer; Tellers, Marie Diede (D), Evelyn Soule (D), Jacqueline DiGiantommaso (D), Helen Cobb (R), Violet Osterholm (R), Lucille Keniston (F).

The ballot box was inspected by Marie Diede, Evelyn Soule, Lucille Keniston and Stanley Myers, found empty and dial set at zero and the keys turned over to the police officer.

The polls were declared open at 12:00 Noon by the Town Clerk.

At 8:00 P.M. the polls were declared closed. The ballot box was inspected by Esther Grant, Allie B. C. McAlpine, Nancy Duffy and Gael Kelly and the report of the tellers showed that the number of votes cast 323, agreed with the total on the ballot box.

A 8:00 P.M. the following counters were sworn in by the Town Clerk: Gael Kelly (D), Rita Pimental (D), Nancy Duffy (D), Marion Reilly (D), and Helen Theriault (D); Irene Tremblay (R), Allie B. C. McAlpine (R), Esther Grant (R), Beverly Armstrong (R) and Jean Henrich.

WARRANT

FOR STATE ELECTION

THE COMMONWEALTH OF MASSACHUSETTS

Norfolk, ss.

To either of the Constables of the Town of Plainville,

Greetings:

In the name of the Commonwealth of Massachusetts you are hereby directed to notify and warn the legal voters of the Town of Plainville to meet in Plainville Elementary School Auditorium, on South Street in said Plainville, on

TUESDAY, THE THIRD DAY OF NOVEMBER, 1970

at 8:00 o'clock in the forenoon, it being the Tuesday after the first Monday in said month, then and there to give their votes for the following officers:

SENATOR IN CONGRESS	For This Commonwealth
GOVERNOR	For This Commonwealth
LIEUTENANT GOVERNOR	For This Commonwealth
ATTORNEY GENERAL	For This Commonwealth
SECRETARY OF THE COMMONWEALTH	For This Commonwealth
TREASURER AND RECEIVER-GENERAL	For This Commonwealth
AUDITOR OF THE COMMONWEALTH	For This Commonwealth
REPRESENTATIVE IN CONGRESS	For the 10th Congressional District
COUNCILLOR	For the 2nd Councillor District
SENATOR	For the Norfolk-Bristol Senatorial District
TWO REPRESENTATIVES IN GENERAL COURT	For the 14th Representative District
DISTRICT ATTORNEY	For the Norfolk District
CLERK OF COURTS	For the Norfolk County
REGISTER OF DEEDS	For the Norfolk District
COUNTY COMMISSIONER (1)	For the Norfolk County

And also to vote "YES" or "NO" on the following questions:

QUESTION NO. 1

Proposed Amendment to the Constution

Do you approve of the adoption of an amendment to the Constitution summarized below, which was approved by the General Court in a joint session of the two branches held July 15, 1968, received 155 votes in the affirmative and 98 in the negative, and in a joint session of the two branches held May 14, 1969, received 147 votes in the affirmative and 119 in the negative?

YES _____

NO _____

Summary

The proposed amendment to the Constitution authorizes the Legislature to classify real property according to uses, and authorizes the assessment, rating and taxation of real property at different rates in the different classes so established, but proportionately in the same class. The amendment further authorizes the granting of reasonable exemptions and abatements.

QUESTION NO. 2

Proposed Amendment to the Constitution

Do you approve of the adoption of an amendment to the Constitution summarized below, which was approved by the General Court in a joint session of the two branches held October 9, 1967, received 237 votes in the affirmative and 0 in the negative, and in a joint session of the two branches held May 14, 1969, received 262 votes in the affirmative and 4 in the negative?

YES _____

NO _____

Summary

The proposed amendment to the Constitution abolishes the requirement that in order to vote in a state election a person must have resided within the Commonwealth one year. If amended, the Constitution would require only that a voter have resided six months in the town or district in which he claims a right to vote.

QUESTION NO. 3

Proposed Amendment to the Constitution

Do you approve of the adoption of an amendment to the Constitution summarized below, which was approved by the General Court in a joint session of the two branches held October 9, 1967, received 142 votes in the affirmative and 102 in the negative, and in a joint session of the two branches held May 14, 1969, received 222 votes in the affirmative and 49 in the negative?

YES	
NO	

Summary

The proposed amendment to the Constitution reduces the minimum age for voting in a state election from twenty-one to nineteen.

QUESTION NO. 4

Proposed Amendment to the Constitution

Do you approve of the adoption of an amendment to the Constitution summarized below, which was approved by the General Court in a joint session of the two branches held July 15, 1968, received 181 votes in the affirmative and 66 in the negative, and in a joint session of the two branches held May 15, 1969, received 208 votes in the affirmative and 54 in the negative?

YES	
NO	

Summary

The proposed amendment to the Constitution amends the existing constitutional provisions which direct the division of the Commonwealth into 240 representative districts and 40 senatorial districts. It provides for a census of the inhabitants of each city and town in the Commonwealth in the year 1971 and in every tenth year thereafter. The census of 1971 is to be the basis for determining the representative and senatorial districts for the ten-year period beginning January 1, 1975. Each subsequent census shall be the basis of determining the districts for each ten-year period beginning the fourth January following each census, so that the census in 1981 will determine the districts as of January, 1985, etc.

The amendment provides that the house of representatives shall consist of two hundred and forty members and the senate of forty members. In its first regular session following each census, the Legislature shall divide the Commonwealth into two hundred and forty representative districts of contiguous territory and forty senatorial districts also of contiguous territory. Each representative district shall contain, as nearly as may be, an equal number of inhabitants according to the census. Each

senatorial district shall also contain as nearly as may be an equal number of inhabitants according to the census. A representative district shall not unite two or more counties, towns or cities, or parts thereof, or a city and a town or parts thereof, in one district unless the same is unavoidable. Further, no town of less than six thousand inhabitants shall be divided in forming representative districts. It is also provided that the County of Dukes County and Nantucket County shall each be a representative district, notwithstanding the foregoing. The senatorial districts, each of which shall elect one Senator, shall be formed without uniting two counties or parts of two or more counties, unless the same is unavoidable.

Each representative shall be an inhabitant of the district for which he is chosen at least one year immediately preceding his election, and each senator shall be an inhabitant of the district for which he is chosen at the time of his election and shall have been an inhabitant of the Commonwealth for at least five years immediately preceding his election. Any representative or senator who ceases to be an inhabitant of the Commonwealth shall cease to represent his district.

The amendment also provides that the Legislature (1) may by law limit the time within which judicial proceedings may be instituted calling in question any such division and (2) shall prescribe by law the manner of calling and conducting elections for the choice of representatives and of ascertaining their election.

Finally, the amendment annuls the existing constitutional provisions with respect to apportionment of representative and senatorial districts, although those provisions will remain in effect until January 1, 1975.

QUESTION NO. 5

Multiple Choice Question

Which one of the following do you prefer with reference to the future course of action by the United States in Vietnam?

To vote on this question mark a cross X in the square at the right of the subdivision you prefer. **DO NOT VOTE FOR MORE THAN ONE.**

A. Win a military victory. ☐

B. Withdraw our armed forces in accordance with a planned schedule. ☐

C. Withdraw all our armed forces immediately. ☐

QUESTION NO. 6

A. Shall licenses be granted in this city (or town) for the sale therein of all alcoholic beverages (whisky, rum, gin, malt beverages, wines and all other alcoholic beverages.)

YES ☐
NO ☐

B. Shall licenses be granted in this city (or town) for the sale therein of wines and malt beverages (wines and beer, ale and all other malt beverages)?

YES ☐
NO ☐

C. Shall licenses be granted in this city (or town) for the sale therein of all alcoholic beverages in packages, so called, not to be drunk on the premises?

YES ☐
NO ☐

D. Shall licenses be granted in this city (or town) for the sale of all alcoholic beverages by hotels having a dining room capacity of not less than ninety-nine persons and lodging capacity of not less than fifty rooms?

YES ☐
NO ☐

For these purposes the polls will be open from 8:00 o'clock a.m. to 8:00 o'clock p.m.

And you are directed to serve this warrant by posting up attested copies thereof in not less than seven (7) public places in the town seven (7) days at least before the time of holding said meeting.

Hereof fail not and make return of this Warrant with your doings thereon at the time and place of said meeting.

Given under our hands this 13th day of October in the year One Thousand Nine Hundred and Seventy.

PROCEEDINGS OF STATE ELECTION

November 3, 1970

TOWN OF PLAINVILLE, MASSACHUSETTS

The State Election was held in the Auditorium of the Plainville Elementary School, South Street, Plainville, Norfolk County, Massachusetts on Tuesday, November 9, 1970. The following election workers, having been previously appointed by the Board of Selectmen, were sworn in to the faithful performance of their duties by Town Clerk, Austin F. Grant.

Robert Keniston (R), Warden, Stanley Cole (R), Deputy Warden, Marion McCabe (D), Clerk, Jane Flynn (D), Deputy Clerk, Stanley Myers (R), Ballot Box Officer, Helen Cobb, Violet Osterholm and Lucille Keniston (R), Marie Diede, Evelyn Soule and Jacqueline DiGiantommaso (D) tellers.

The polls were officially declared opened at 8:00 A.M. by the Town Clerk and the call of the meeting read. The ballot box was inspected by Marie Diede (D), Helen Cobb (R), Violet Osterholm (R), and Evelyn Soule (D) found empty and the dial set at zero.

Voting continued steady throughout the day and at 5:40 P.M. the ballot box registered 1028. At this time the second ballot box was put into use.

At 8:00 P.M. the following counters were sworn in by Town Clerk, Austin F. Grant; Gael Kelly, Rita Pimental, Nancy Duffy, Marion E. Reilly, Helen Theriault, David Dion, Pauline Walsh (D); Allie B. C. McAlpine, Margaret Fredricksen, Beverly Armstrong, Rubena Cole, Jean Henrich, Esther Grant, Phyllis Bolduc (R).

At 8:00 P.M. the polls were officially declared closed by Warden Robert Keniston. The voting lists were checked by the tellers and the absentee ballot cast. The total vote on the ballot box was 1546 including the absentee ballots.

The results of the counting follows:

WARRANT

FOR SPECIAL TOWN MEETING

THE COMMONWEALTH OF MASSACHUSETTS

NORFOLK, ss.

To either of the Constables of the Town of Plainville.

Greetings:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Plainville qualified to vote in elections and Town affairs, to meet at the Elementary School Auditorium, South Street, in said Town of Plainville on

MONDAY, NOVEMBER 9, 1970

at 7:30 P.M., then and there to act on the following articles, viz:

ARTICLE 1. To see if the Town will vote to raise and appropriate or transfer from available funds in the treasury the sum of $35,000.00 for the establishing and/or operating of a sanitary land fill rubbish disposal area and not limiting the generality thereof but including the authorization to lease, purchase, take by eminent domain, or otherwise deal in land for this purpose, or to do or act in any manner relative thereto.

ARTICLE 2. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of $15,000.00 to be expended by the Board of Selectmen for the purpose of erecting and installing traffic signals at the intersection of Messenger Street (Route 106) and Taunton Street (Route 152), and to revoke any vote made under Article 43 of the 1970 Annual Town Meeting, or to do or act in any manner relative thereto.

ARTICLE 3. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of $5,000.00 to be expended by the Board of Selectmen for the purchase of radio equipment for the use of the police and fire departments, or to do or act in any manner relative thereto.

ARTICLE 4. To see if the Town will vote to transfer from Overlay Reserve Account the sum of $4,000.00 to the Removal of Snow Account, or to do or act in any manner relative thereto.

And you are directed to serve this Warrant, by posting up seven (7) attested copies thereof in said Town, seven (7) days at least before the time of holding said meeting.

Hereof fail not and make return of this Warrant with your doings thereon at the time and place of said meeting.

Given under our hands this 13th day of October in the year of Our Lord one thousand nine hundred and seventy.

ROBERT E. LOEW
RAY P. FELIX
ROBERT W. ROOT
Selectmen of Plainville

A true copy, Attest: Robert R. Faille, Constable
October 30, 1970

I hereby certify that the within Warrant was posted in seven (7) public places in said Town of Plainville, seven (7) days before said meeting.

ROBERT R. FAILLE, Constable

A true Copy. Attest: AUSTIN F. GRANT, Town Clerk

PROCEEDINGS OF THE SPECIAL TOWN MEETING

November 9, 1970

TOWN OF PLAINVILLE, MASSACHUSETTS

A Special Town Meeting was held in the Town of Plainville, Norfolk County, Massachusetts, in the Auditorium of the Plainville Elementary School, South Street, on Monday evening, November 9, 1970.

At 7:40 P.M. it was declared that a quorum was present and the call of the meeting was read by Town Clerk, Austin F. Grant in the absence of the Moderator.

The first order of business to come before the meeting was the election of a temporary Moderator. Upon a motion by Robert E. Loew and seconded by Joseph A. Doiron, Charles R. Mason, Town Counsel, was nominated. Motion by Ray P. Felix and seconded by Robert E. Loew that nominations be closed, unanimously voted. Charles R. Mason was unanimously elected as temporary Moderator.

Mr. Mason declared the bounds of the hall for voting to be the seats on the floor of the auditorium, and appointed the following as tellers for the meeting: Reginald Keyes and Thomas Armitage, right side of the hall; William B. Gill, Jr. and Everett Skinner, left side of the hall.

The voters were checked into the hall by the Registrars voting lists by Robert Keniston (R) and Marion McCabe (D). Results of checking showed seventy-six (76) voters present; fifty men and twenty-six women.

ARTICLE 1. Motion by David Lomasney and seconded by Thomas Levis that the town vote to amend Article 1 to read: to see if the town will vote to transfer from the Overlay Reserve Account, the sum of $30,000. for the establishing of a sanitary land fill rubbish disposal area and not limiting the generality thereof but including the authorization to lease, purchase, take by eminent domain, or otherwise deal in land for this purpose. Unanimously voted.

ARTICLE 2. Motion by Thomas Levis and seconded by Robert Barney that Article 2 be amended to read that the town vote to rescind that portion of Article 43, of the 1970 Annual Town Meeting, which provides that, "the installation of traffic lights be under the provisions of Chapter 519, Acts of 1967. Said amount to be 75% reimbursable upon completion by the Commonwealth."

The vote on this article was carried but was not unanimous.

ARTICLE 3. Motion by George Pray and seconded by David Lomasney that Article 3 be amended to read: the town vote to transfer from the Overlay Reserve Account, the sum of $1,700. to be expended by the Board of Selectmen for the purchase of a new base station and remote unit for the use of the Fire Department, and unanimously voted.

ARTICLE 4. Motion by Robert Barney and seconded by Joseph A. Doiron and unanimously voted that the town transfer from the Overlay Reserve Account, the sum of $4,000. to the Snow Removal Account.

At 7:58 a motion to adjourn was made by Thomas Levis and seconded by David Lomasney, and unanimously voted.

AUSTIN F. GRANT, Town Clerk

Telford, Edna B., 54 Pleasant Street—Retired—Widowed.

Zilch, Jacqueline C., 1 Vernon Young Drive—Office Receptionist, Billing and Orders—Widowed.

Report of the Board of Registrars

To the Honorable Board of Selectmen

Gentlemen:

The year of 1970 has been a year that the changing of the voting age has been uppermost in the minds of the Board of Registrars. For as you know and as you read this report, that the lowering of the voting age has been adopted and special changes had to be made to allow for the different age groups to be entered into our files.

The files we keep and the system we use compares favorably with most of the towns in the country. Being members of the Norfolk County Board of Registrars Association affords us the opportunity to keep abreast of all changes adopted at the state level and to make the necessary changes.

The census takers have been assigned and instructed. They will be seeking information on seventeen year olds and we urge all Plainville residents to co-operate.

Our latest figures are as follows:

Republicans	919
Democrats	283
Independents	1103

Respectfully submitted

Annual Report

of the

SCHOOL COMMITTEE

of

PLAINVILLE, MASSACHUSETTS

For the Year Ending December 31, 1970

SCHOOL OFFICIALS

FRANCIS P. BUITING, Chairman — Term expires 1971
King Philip Regional High School Representative
Telephone. 695-5625

MRS. ELMA UNDERHILL, Secretary — Term expires 1972
Telephone: 695-5207

BRUCE A. HAYES — Term expires 1971
Telephone: 695-3765

MRS. SARAH ROBERTS — Term expires 1973
Telephone: 695-5368

RAYMOND ANNINO — Term expires 1973
Telephone: 695-0033

Meeting of the School Committee is held in the
Plainville Elementary School
on the second Monday of each month
and in the Jackson Elementary School
on the fourth Monday of each month

Superintendent of Schools, Plainville

CARL W. GREEN
Residence — Telephone: 699-2604
Supt.'s Office, Elementary School — Telephone: 695-5796
Principal's Office, Elementary School — Telephone: 695-6571
Jackson School — Telephone: 695-3939

Authorized to Issue Work Certificates

CARL W. GREEN, Superintendent
GERTRUDE H. LUNN, Secretary

School Physician

DR. JOHN T. COTTER
Telephone: 695-6342

School Nurse

MRS. JEANNETTE PRAY
Telephone: 699-2149

Attendance Officer

MRS. JEANNETTE PRAY

School Calendar 1970-1971

Plainville Elementary School and Jackson Elementary School

First term opens September 9, 1970

First term closes December 23, 1970

Second term opens January 4, 1971

Second term closes February 12, 1971

Third term opens February 22, 1971

Third term closes April 16, 1971

Fourth term opens April 26, 1971

Fourth term closes June 25, 1971

Holidays:

Columbus Day, October 12, 1970

Teachers' Convention, October 30, 1970

Veterans' Day, November 11, 1970

Thanksgiving, November 26, 1970

Good Friday, April 9, 1971

Memorial Day, May 31, 1971

School Sessions:

Kindergarten (morning session)	8:45 a.m. to 11:15 a.m.
Kindergarten (afternoon session)	12:15 p.m. to 3:00 p.m.
Grades 1 through 6	8:45 a.m. to 3:00 p.m.

Fire Alarm (no-school signals)

3 double blasts of the Fire Alarm at 7:30 a.m.

NO SCHOOL — ALL DAY — ALL GRADES

NO SCHOOL news will be given over Radio Stations WARA and WBZ.

Normally, if King Philip Regional High School has no school because of weather, the Plainville Elementary Schools will not be in session.

Report of The School Committee

This report will try to bring the citizens up to date on the major events of the calendar year 1970 as they affect the educational aspects and improvements of the plants, equipment and facilities. The committee would be remiss, however, if it did not attempt to convey to you the major trends that it sees taking shape with longer range effects.

Since proficiency in reading, writing and arithmetic still forms the basis for a sound education the committee has requested the professional staff to revise, update and improve the Reading Curriculum and implemented the program. This effort coupled with the purchase of additional books and the introduction of modular grouping is expected to increase the number of pupils that are reading on their proper level in each grade. A similar revision is scheduled for the Arithmetic Curriculum in 1971.

The public kindergarten program required by the state got off to a good start in September. The necessary equipment was purchased. With a modest increase in operating cost 85 pupils are now receiving training that will help them to adjust more readily to the requirements of the first grade. With nearly all eligible children attending public kindergarten the usual differences, when only approximately 50% of the children attended private kindergarten, are greatly minimized.

A rather comprehensive special education program is required by the State Board of Education. We presently cover mentally retarded, emotionally disturbed children and children with various learning disabilities, specifically those with speech handicaps. For others where a special local program is not practical due to the small number of students involved, your School Committee provides funds for tuition and transportation to other towns or institutions that can provide the proper programs. We carry out a testing program aimed at tentative identification of various learning disabilities and diagnosing pupils' problems for reference to either more professional help or a specific corrective program.

A teacher evaluation system was instituted with its primary aim to assist teachers to become better aware of their teaching methods and to find ways for continual improvement through a fair and open minded dialogue with the administration. Another effect of this evaluation is also that suggestions can be made to the administration about improvements in the school system.

An after school basketball program is now in its second season for the 4th, 5th and 6th grades for interested youngsters and its now extended to include girls as well. It gives them a chance to learn and practice the finer points of the game and also to benefit from the recreational and motivational aspects.

The past year has seen a good number of improvements in the physical plant. The South Street building is approximately 20 years old and a continuing maintenance program is necessary to avoid it falling into disrepair with its consequent high costs. The boiler required an extensive overhaul, hot topping of the driveway, inside/outside painting, remodeling of the girls locker room into a curriculum center and a gas heater were additional improvements.

The Anna Ware Jackson School Library was provided with books to better meet the needs of the pupils. The necessary furniture for the nurses' room and the library was purchased and the proper heater-booster for the dishwasher was installed. Continued use of the school buildings by the various youth organizations in the town has been our policy; however, the town is protected against the expense of possible damage that may result from such use.

The Committee feels that the time has come for us to apprise you of situations and changes that are taking place that materially affect the quality of education and the cost to the town.

State and federal laws and the State Board of Education set minimum educational standards for the curriculum, but also for the operation of the schools and the special services to be provided. Though these measures are mostly beneficial from an educational viewpoint, they contribute substantially to the increased operating costs of the school system beyond the control of the local school committee and not subject to their judgment of the local needs or benefits. In many cases the economic need of the parents rather than the educational needs of the pupils forms the basis for participation.

Since employee bargaining organizations have been set up the teacher salaries in particular have seen substantial increases for years in a row. Without expressing here an opinion as to what constitutes an equitable and fair salary, it can be stated that this has been the single largest factor in the increased operating cost of the school system, since salaries and wages constitute approximately 80% of the annual budget.

It is also apparent that your school committee can not ignore the regional, state and national trends without getting into serious difficulties.

We can not overlook inflation as a major factor in the cost increases for the school system either, because it not only affects the salaries, but also the cost of books and supplies, heating, electricity, transportation, etc.

In short, the same factors that increase the cost of living for each of us in services and goods is having the same effect on the cost for the schools. Consequently, the same remedies apply, such as reduced inflation, limit the wage and salary settlements and/or curtail the educational programs. The reduction in educational programs and increased effectiveness are the only ways open to a local school committee and albeit to a limited degree.

Throughout the year your committee has been weighing necessary versus desirable programs in terms of their cost, the ability to pay for these programs and the educational benefits. We felt that the following desirable improvements have to be shelved until better times come along: participation in Project SPOKE, a full time paid librarian, teacher aides, and guidance counseling.

Regionalization proposals and proposals for a Vocational Technical School have also been shelved for cost reasons.

Increased financial aid from the state and federal governments would ease the real estate tax load, but would inevitably place this on another form of taxation and not constitute a real solution.

It is apparent from the foregoing that the local school systems throughout the Commonwealth face difficult years ahead. Arresting the inflation and reaching an equilibrium in salaries will help some. More drastic measures might be required — for instance, a school system operating basically year round. A number of schools are presently experimenting with this idea.

Now more than ever the participation and involvement of concerned citizens with educational matters is vital. Let your school committee as well as state and federal legislators know your viewpoints on the issues in education; to provide the best education to our children that these times and the future require for a cost that the nation can afford.

We sincerely thank all townspeople who contributed to our school system some of their time and themselves for a better educational program, especially the volunteer librarians and homeroom mothers. We also appreciate the PTA gifts of a TV set for the South Street School and Compton's Encyclopedia for the library of the Anna Ware Jackson School.

Respectfully submitted,

FRANCIS P. BUITING, Chairman

ELMA M. UNDERHILL, Secretary

BRUCE A. HAYES

SALLY ROBERTS

RAYMOND ANNINO

Report of The Superintendent of Schools

To the Plainville School Committee:

I consider it a privilege to submit my eleventh annual report.

Introduction

Below are some of the items that should be noted from the 1970 year. Many items are mentioned to become a matter of record for future reference. Comparisons can be made with other years.

Enrollment

The September 1970 First Grade enrolled 97 pupils, compared to 131 in 1969. The eligible age for Grade One was changed from 5 years 8 months to 6 years, and Kindergarten was added. Children 5 years of age as of August 31st are permitted to attend Kindergarten. Total enrollment was 776, with 546 at the Elementary School and 230 at the Jackson School. Kindergarten children attend one half day so this is the equivalent of 736 full-time pupils compared to 702 in 1969.

Teaching Staff

Many changes in the teaching staff occurred during the 1970 year. Mrs. Helen Henderson passed away suddenly on January 5, 1970 leaving a void at the Elementary School that will be hard to fill. Miss Donna Moore was secured to take that position. Leaving in June were Andrea Unger, Meredith McLean, Lauren Haug, Viola Carter, Catherine Bertram and Marilyn Martin. Mrs. Esther Grant, who returned to the classroom in 1946, retired at the close of school in June. Phyllis Martin moved to Rhode Island November 1, 1970. New teachers hired are Donna Moore and Margaret Fiedler, Kindergarten; Barbara O'Hara and Ann Neal, Grade 1; Betty Ippolito and Nancy Samulski, Grade 2; Lynn Schweinshaut, Grade 3; Susan Shaughnessy and Geraldine Ladabauche, Grade 4; also, Mrs. Lois Robinson for additional reading.

Mr. Edward Keaney continued at the Elementary School, and Mr. Richard Cashman replaced Mr. Emory Merrill at the Jackson School.

School Facilities

All twenty rooms at the Elementary School and all ten rooms at the Jackson School are used as follows:

	Elementary School	Jackson School
Kindergarten	2	0
Grade 1	3	1
Grade 2	3	2
Grade 3	3	2
Grade 4	3	1
Grade 5	2	2
Grade 6	4	0
CRAM	0	1
Special Class	0	1

Federal Programs

1970 Federal Fund totals were: Title I ESEA $7,482.07; Title II ESEA $465.02; Summer Head Start $5,650.91; NDEA $1,456.89 — Total $15,054.89.

State Aid

Plainville has done quite well in the matter of State Aid. 1970 total was $141,326.20 more than 1969. In 1970 in Chapter 70, plus 15% for being in a Regional School District, this aid should be $382,199.74, up $91,855.20 over 1969. Receipts and estimates are listed elsewhere in the Town Report for your information.

Lunch Program

Mrs. Evelyn Snell has directed the lunch program through a very difficult period. For years we have received 9 cents in Federal Aid for each lunch served. Each year it was more difficult to make ends meet. Now we receive 12 cents for paid and 42 cents for free lunches. Also, the supervisor's pay receives the same state aid as other school expenditures. Under these conditions we can serve good lunches and stay in the black. Mr. Elwyn Wolowicz, Mrs. Priscilla Hayden and Mrs. Janet Marchand prepare the lunches at the Elementary School. Mrs. Rosalie Patchin and Mrs. Helen Bigelow operate the Jackson School cafeteria.

Custodians

Albert Pothier, Aram Pothier, and Frank Sienko continued as custodians for the past year. Pauline Pothier continued as Matron. For collective bargaining purposes the custodians joined Local 14891, International Union of District 50 A.T.W.

Curriculum

Major change this year has been emphasis on specific learning disabilities and modular grouping and scheduling. These concepts are too complicated to discuss in a report such as this, but they offer new hope for the goal of developing all children to their maximum capabilities.

Conclusion

1970 was a good year for Plainville Schools and some gains were made, notably in the introduction of Kindergarten and a program for specific learning disabilities. Your support is needed to maintain all programs at present levels. Only by all working together can good education be provided for all children.

Respectfully submitted,

CARL W. GREEN,
Superintendent of Schools

Report of The Principal of the Plainville Elementary School

Dear Mr. Green:

I respectfully submit my fourth annual report as Principal of the Plainville Elementary School. I will attempt to briefly indicate those areas which undertook a demension of change or expansion.

Learning Disabilities

A major step toward providing all of our children an equal educational opportunity was taken in the Plainville School System during this year. Formal programs were established for the purpose of identification and treatment of those children who indicated a need for special attention in the area of learning disabilities.

Under the direction of Mrs. Reynolds, large groups of children in Grades 3 and 4 were initially screened, resulting in the further diagnosing and evaluation of those most seriously handicapped. Those children were then given individual and small group instruction by Mrs. Reynolds with the purpose of attempting to overcome the specific disability.

In Grades 5 and 6 Mrs. Carpenter has been working with children who have been identified as having some type of learning disability.

Mrs. Lois Robinson has done remedial work with children in Grades 4, 5 and 6 and has taken Mrs. Carpenter's fifth grade reading class in order to allow Mrs. Carpenter time to work with those children previously mentioned.

We are very fortunate in Plainville to have these qualified and competent individuals on our staff.

Summer Programs

In addition to the Headstart Program, we were able to conduct a program under Title I ESEA due to a larger than expected funding from this source. Children entering Grades 2, 3 and 4 were given reinforcement in the areas of reading and math. Students were recommended by teachers and selected on a basis of availability and need. Mrs. Barbara Fluck and Miss Jo Ann Bourgeois conducted the program and did an excellent job.

Reading

During 1970 the reading program was thoroughly examined, resulting in major revision and expansion in this most critical subject. In general the program is designed to encompass three factors of approach; developmental, corrective and remedial. Three basal reading systems are being utilized, along with supplemental materials and equipment.

Needless to say, much time and effort was spent in the realization of this program. I would like to personally express my gratitude, and, I am sure, the gratitude of the entire staff, to those primarily responsible for the research and development of this project.

This study and subsequent implementation was primarily due to the efforts of Mrs. Ruth Carpenter, a sincere and dedicated individual who devoted her time and energy to an extreme degree. I would also like to thank Miss Beatrice Wood and Miss Nancy Peters, who assisted Mrs. Carpenter in this project.

Curriculum Center

Due to the establishment of the reading program and the subsequent need for space, it was decided to convert the old locker room downstairs into a Curriculum Center. This area is being used as a central clearing house for the books and materials being utilized in the reading program. It is also used to house much of the science equipment and materials utilized in all subject areas. It is also being utilized by Mrs. Reynolds for small group instruction, and still serves as the dining area for the teachers.

Modular Scheduling

In keeping with the philosophy of attempting to adjust the program to better meet the need of the individual, we have attempted to organize our students and classes under a module-type arrangement. Briefly, children are separated into small groups, based on level of skill development and mode or way by which individual children learn. In order to accommodate this type organization, much juggling and experimentation was necessary by both teachers and administration. We will continue to seek ways to make this type program more effective and workable, as the end product should certainly justify all effort expended.

Conclusion

The community of Plainville can be assured that they have kept pace with instructional developments and sound educational practices to the degree of expenditure in which they function.

Teachers have continued to indicate their concern for self-improvement by taking courses, attending workshops and seminars, and, in geeral, familiarizing themselves with current materials and information geared to making them better professionals.

I would like to thank all those who have in any way contributed to the operation of the Plainville Schools, and to thank you personally for your continued help and counsel.

Respectfully,

EDWARD L. KEANEY, Principal

Report of The Principal of the Anna Ware Jackson Elementary School

Dear Mr. Green:

I consider it a great privilege to submit to you my first annual report as Principal of the Anna Ware Jackson School for the year ending December 31, 1970.

A number of significant and educationally noteworthy events have occurred at the Jackson School during the past year. Under the direction of Mrs. Bedard and Mrs. Buiting, the Jackson School Rooms Mothers Association has become a reality. The Room Mothers have been extremely busy, for they not only staff the library each day, but also plan for upcoming social events, parties, field trips, and help the teachers with many clerical jobs.

Due to a Federal Grant, I have been able to purchase approximately 230 new books for our library.

Students at the Jackson School this year have been on several interesting field trips, including trips to radio station WARA, the Plainville Fire Department, Bronson Museum, Fernandes Super Market, and World War I Park.

Each month the students were able to attend and participate in many fine assembly programs.

I attended several principals' meetings involving the schools of the regional district. These meetings were very beneficial and new ideas regarding curriculum and educational objectives were discussed.

We have been fortunate this year to have Mrs. Reynolds, our Learning and Speech Coordinator, who has devoted considerable effort to identifying various learning disabilities of the children as early as possible. We have also utilized clinical psychologists and the faciltes of the Cutler Clinic in Norwood.

Mrs. Pray, the school nurse, has tested eyes and ears of the pupils.

The Lorge-Thorndike Intelligence Tests were given to all students in Grades 3 and 5 to help determine the children's unique needs and potentials.

The playground was improved through the addition of a Funnel Ball which resembles a large, iron basketball hoop with four openings through which the ball may pass. This was donated by parents, children and teachers of the Jackson School in memory of Mike Nelson, who was killed by an automobile. Also, through this fund additional high jumping materials were purchased to help Mr. Moore in physical education classes.

This year the Jackson teachers have been experimenting with many new materials. It is not unusual to go into various classrooms and see children delighting in the use of tape recorders, filmstrips, overhead transparencies, teaching tapes, cameras, and instructional games.

I would be remiss if I did not mention the excellent faculty and staff with whom I work. Their friendly, kind, considerate manner and their true sensitivity to the needs of the children make it a pleasure to work with them.

In closing, let me express my deep appreciation to the people of Plainville, the Plainville Teachers' Association, Police, Fire and Highway Departments, Mrs. Mabel Bedard and her wonderful group of Room Mothers, and particularly Mr. Green and Mr. Keaney, who have all helped me greatly this year. The Jackson School is very fortunate to have a clean, modern building, sincere and interested teachers, and polite and eager-to-learn children. I have received great satisfaction working with all the parties that I have mentioned and feel that I have been a little spoke in a large and ever-circling wheel.

Respectfully submitted,

RICHARD K. CASHMAN, Principal

STATISTICS

84 Boardman Street
Norfolk, Massachusetts 02056

SUPERINTENDENT'S OFFICE

Mrs. Paul F. Sheehan

Mrs. Peter Kosten

Mrs. Elton I. Franklin, Jr.

Mr. William B. White

Regular meeting of the School District Committee every first and third Monday at King Philip Regional High School at 8:00 P.M.

Report of the Chairman

The year 1970 seemed to present more than its share of controversial problems.

Negotiations under the Collective Bargaining Act were difficult and drawn out over the entire school year with agreement not being reached until June with the aid of a State appointed mediator.

The unusual rash of bomb threats in the fall had an extremely disruptive effect on the school and will prolong school in the spring. I wish to thank the Police and Fire Chiefs of the three towns for their cooperation and the formulation of a procedure to cope with these threats with a minimum of interruption to the school.

We are actively searching for a principal to replace Mr. A. J. D'aniello who resigned. In the interim, Mr. Walter White is serving as acting principal.

My thanks to all committee members for their cooperation and willingness to face any and all problems.

Respectfully submitted,

EDWARD B. BROWN, Chairman
King Philip Regional School
District Committee

Report of Superintendent of Schools

It is with pleasure that I submit the following report as the Superintendent of the King Philip Regional School District.

Since the primary objective of our schools is to prepare the youth of our region so that they may realize their fullest potential we must endeavor to give each student the best education posible. In addition to providing the students with basic information in their academic and vocational courses, we must also prepare them to cope with the responsibilities of the adult world. Toward this end the staff of the King Philip Regional School District constantly evaluates and attempts to strengthen the curriculum of the schools.

We are indeed fortunate to have a fine faculty at both the regional high school and the regional school-north. The teachers are dedicated to provide your children with a quality education.

The major problem facing us in the immediate future is that of overcrowding at the regional high school. For the second year in a row we have created small classrooms where we could find space available. This year one section of the bus lobby was converted to classroom use. Still our enrollment grows and our space problems increase. We are now utilizing the high school facilities at 100% of capacity and expect between 75 and 100 additional students next year. The chart that follows does not take into consideration possible increases in enrollments due to additional home construction in the area. It is based strictly on present enrollments in the elementary schools of the three towns and the regional junior high school.

	Academic & Vocational High (Capacity 1000)	Jr. High	Total
1970-71	1093	675	1768
1971-72	1158	710	1868
1972-73	1265	711	1976
1973-74	1374	694	2068
1974-75	1436	690	2126
1975-76	1454	742	2196
1976-77	1451	712	2163
1977-78	1486	Unavailable	
1978-79	1452	Unavailable	

A school building needs sub-committee is now meeting regularly. Since the present high school building is not large enough to house the projected enrollment it is imperative that building plans be implemented to meet the growing need of the regional school district.

I would like to express my sincere appreciation to all members of the regional school faculty for their cooperation in providing the type of education desirable for the young people of the King Philip Regional School District. My thanks also to all regional employees. Each one is a vital link in a chain forged for one purpose — quality education.

To the members of the regional school committee, thank you for a job well done. Your long hours of service, your regular attendance at numerous meetings, your active participation in discussions, testify to your willingness to work toward the goal of excellence in our schools.

Respectfully submitted,

CHARLES L. MANOS
Superintendent of Schools

Excerpts from the Reports of the Department Chairmen

ATHLETIC:

The High School Athletic Department has added Freshmen Baseball and Freshmen Hockey to its interscholastic program. I feel these new teams will help to improve our varsity programs in the near future.

The overall program at the High School is progressing slowly. We must upgrade our program in order to compete in the Leagues with which we are associated. The Hockomock League is one of the best in the State. We at King Philip must form some kind of feeder program for our varsity teams. Freshmen teams will help accomplish this task. I do feel that our Basketball program is the weakest part of our program. The towns in the District have good outside programs in Football, Baseball and Hockey, but there is no substantial program in Basketball. I think there is a definite need for Interscholastic Basketball at a lower level in our system.

BUSINESS

This is the first year that Typing I is required of all ninth grade Business Education students. Moving Typing I to the ninth grade level enables the department to offer Typing III to the twelfth grade Business students where more legal, medical and technical typing could be incorporated into a course. Also, for the first time, **Introduction of Accounting** is now offered to the eleventh and twelfth grade college student as an elective.

The Business curriculum now has a formal occupational sequence which enables students to follow a prescribed outline for training in the secretarial, accounting, or clerical field according to their vocation goals.

The cooperative office education course, started last year, has been continued and expanded. This course enables Senior business students to work part time for a cooperative employer in the business community and receive valuable experience before graduation. The Business Department has received a total of $31,000 in Federal Funds for this program. With these funds, the department has purchased additional new equipment including an electric calculator.

ENGLISH

There was little in the way of major innovation in terms of teaching methods this year due to overcrowding which necessitated a tight scheduling of all teaching stations. We did try some mini team-teaching with a teacher exchange of classes in order to present varied creativity in composition assignments and a more comprehensive analysis of literary interpretation. The business department has assigned work in stenography and typewriting which was corrected in business English courses for mistakes in grammar.

We have continued to enlarge and improve our film strip and record libraries for the use of the faculty and student body.

The department purchased 1000 paperback books for use in the study of literature. Paperback books give the classroom teacher greater flexibility in the selection of titles due to reduced costs. The use of "Reader's Digest" and "Scope-Scholastic" has helped the slow reader to improve reading habits.

ENGINEERING GRAPHICS AND TECHNICAL DRAWING:

This year brought an intensification in descriptive Geometry theory in the Industrial Design course as well as experimentation in the lost wax casting process. As a final project, an exhaust system was designed and a model was built for experience in sheet metal drawing.

In September, the course names were changed in order that they may more nearly describe the course content. Mechanical Drawing is now known as Technical Drawing and Industrial Design is Engineering Graphics and Design.

To enrich these courses, a new blueprint machine was acquired and technical model construction sets used for the beginning students. There are 20 students in Engineering Graphics and Design. New textbooks were bought for this course and the entire class will be entered in a statewide Technical Drawing competition in the Spring of 1971.

FOREIGN LANGUAGE:

The curriculum in foreign languages is constantly being revised through the use of new basic materials and supplementary materials. This year, new materials have been introduced in Spanish I. These in-

clude new textbooks, workbooks, records, tapes and pictures. New materials are also being used in some French II classes. For the first time, there is a Spanish IV class. In the French V class, five of the students spent six weeks in France last Summer and are able to share with the rest of the class some of their experiences. French is truly a "living language" in this group.

The language laboratory continues to be a successful adjunct to the foreign language classes. All students are scheduled for lab practice at least two half-periods a week. A variety of materials is available for use in the lab. The overhead projector is being used this year especially in some of the French classes.

The excessive size of a few language classes this year is of concern to the members of the department. Because we were unable to have an additional full-time teacher for French and Spanish, there is only one French IV class and it has thirty-three students. This is totally unrealistic since students at this level should have constant opportunity to speak the language and this is impossible with such a large group. Also, since the language laboratory is only equipped with thirty stations, the whole class cannot practice in the lab at the same time.

Large classes, lack of adequate staff, lack of storage space will inevitably interfere with the quality of instruction. However, the members of the department hope that the facilities for instruction will expand in order to keep the quality of the overall language program on a continued high level.

INDUSTRIAL ARTS:

The quality of both subject matters was enhanced this past year by improved techniques through the use of new tools. The Wood Shop has three new routers that expedite project-making tremendously. The Metal Shop boasts a new Sheet Metal Department: Early American door lamps are in vogue this year. Besides sheet metal projects, the students make a variety of projects in the machine shop, foundry, forge or welding department.

The making of laminated archery bows, involving wood and plastics, was a full scale innovation this year in the Wood Shop. For the upper classmen, skill has been brought to such a keen edge that some are making hutch cupboards. (This, however, requires more than twice their allotted class time.)

Projections for the future in both Shops will be for more quality, sophistication and coordination. The most outstanding projection, however, will be in the replacement of old equipment. The school and original equipment are 14 years old and much of the equipment consists of hand-me-downs from the Vocational School.

MATHEMATICS:

The Mathematics Department has been involved with the Business Department in an interdisciplinary effort directed towards the enhancement of our program in Business Mathematics for students orientated in this area in grades 9 and 10. This has raised the standards of accuracy in fundamentals necessary in Business courses, allowing the Business teachers to spend more time in the application of these fundamentals in practical courses.

The interest in Senior Mathematics—Analytical Geometry and Intro to Calculus—has necessitated the additional class in this subject. Seniors who have completed courses through Algebra Two, but who are still weak in fundamentals of Algebra and Geometry, are assigned to a Senior Math Review course this year.

We recommend that some area of Computor Mathematics should be included in the Course of Studies for 1971. Certain classes in Mathematics courses are too large in pupil enrollment to effectively carry out the objectives of the course. Next year, with larger numbers of students at King Philip, and no additional teacher, the enrollment in Mathematics classes will often be too large to do the efficient and high standard job we always strive for in the Mathematics Department.

MUSIC:

Our Music Program is progressing steadily. All phases of the program are updated each year with the latest materials available and, in many instances, with materials written by the Instructor.

The performing groups have accomplished a great deal during this past year—the Concert Band and Choir performed at the Mid-Winter and Spring Concerts and at Graduation; the Marching Band and Color Guard made appearances in the three Towns of the Region, performed at all Home and Away Football games, assemblies and pep rallies.

The main area of difficulty lies in our feeder programs. At the present time, we have an adequately-scheduled General Music Program at the Junior High level, but we must work on the scheduling of the instrumental and choral classes and try to instigate an active instrumental program in the Elementary Schools of all three towns.

READING:

Larger enrollment in the overall school population showed a proportionate increase in the numbers of those requiring remedial instruction in Reading. Since remedial instruction requires concentration on the individual needs of the students, class size is limited to nine students. In the Spring and Fall of 1970, the two reading teachers in the high school have instructed 326 students in grades 9-12. These students have been instructed in the skill areas of word recognition, word attack, vocabulary development, comprehension, rate, critical reading and the listening-study skills. The students were assigned on the basis of teacher and guidance referrals and language arts test scores.

Since reading students were scheduled from study hall and the number of said students had increased, it was necessary to change from a two-semester to a tri-semester program. Due to these shorter semesters, we offered a more-concentrated and intensified program through which we hope to help the student develop his reading skills to a level of greater proficiency.

SCIENCE:

During the year, a pilot study of new Physics course, Harvard Project Physics, was completed with favorable results. Certain aspects of this course are now incorporated into Physics classes.

Environmental Science was introduced into the curriculum to replace Physical Science. This course redirects the study of Sience into environmental considerations which gives the student a better background to study some of the present problems of society. Through this study, a more aware and knowledgeable citizen is being prepared.

SOCIAL STUDIES:

With 834 students enrolled in the Social Studies Program and only two required courses, we find almost half the student body pursuing Social Studies electives.

In the elective courses, students pursuing different courses of study are grouped. This homogeneous grouping for certain courses allows for greater flexibility for students to enroll in many Social Studies courses and allows students to study and learn with a greater cross section of the King Philip students. Thus the teacher can encourage team learning and provide for individual differences and independent study.

The teachers in the department are continuously striving for greater student understanding of the past, understanding of cultures, more student

participation, use of resource people in the classroom, and more independent and in-depth study. There are varying teaching methods and approaches with their students in all areas of instruction. Materials outside the text, independent study, small group work, discussion and use of audio-visual aids are greatly used in Social Study classes.

HOME ECONOMICS:

Our Annual Fashion Show in June was smaller than usual due to the change in the date of Graduation, but we still presented 265 garments. The stage setting was designed and executed by the students.

In November, we had two entries in the "Make It Yourself With Wool" Contest, sponsored by the American Woolen Association. There were 65 girls in our New England area competition. One of our Seniors won third prize in the Senior Division and one of our Sophomores received Honorable Mention in the Junior Division.

We are at over capacity enrollment for our existing facilities. Except for the Family Living and Home Management units, we need our rooms exclusively, to prepare demonstrations. This is not possible at this time because other classes are held in our labs during the three periods per day that we are not teaching. This problem is particularly acute in the Foods area.

We realize that conditions are crowded throughout the building, but hope that, in the near future, we will have additional facilities and staff. Since many of our students marry shortly after graduation, we feel we have much to offer, and would like to give these advantages to a larger percentage of students than is now possible under existing conditions.

Report of the Principal
King Philip Regional School – North

It is with pleasure that I submit my third Annual Report as Principal of the King Philip Regional School-North.

During the school year the teachers, guidance personnel and administrative staff completed the Evaluative Criteria for Junior High Schools, the professional standard for junior high schools, prepared by the National Association of Secondary School Principals. The instrument is designed to indicate how well the school accomplishes its objectives in relation to its stated philosophy. Areas of strength, weakness and appropriate guidelines to remedial action are noted. Assessment is the initial step in the determination of the direction of effort and the allocation of resources to develop a truly superior junior high school.

The details of the total evaluation are too numerous to enumerate specifically within the limitations of this report, however, in essence the evaluation revealed that the school has a basically strong curriculum that is varied to meet individual needs within the limits imposed by student population, facilities and reasonable financial expenditures. There is strength in the extensive number of course offerings and in the intensive manner in which fundamentals are taught. The growth of audio-visual facilities, library resources and teaching aids kept pace with the needs of the students. Our textbook replacement program has, in spite of a rising enrollment and costs, permitted a continuous planned replacement of obsolete texts. It appears that the most serious deficiencies lie in a steadily increasing student-teacher ratio and the need for a comprehensive health program of which narcotic, alcohol and tobacco education are vital segments. Historically health education became science-health education which in turn became science education to the exclusion of health. It is vital that health education be reinstated and accorded a place of prominence in the curriculum because it meets a present vital need. It must not be a program that meets present drug problems in a crisis form of attack but a logically conceived, well-developed comprehensive program that includes all relevant aspects of individual hygiene, health and safety. The preparation of a pilot program in this area is one of the primary goals of our in-service curriculum study during the present school year.

Curriculum revision is intimately concerned with the needs of the incoming pupils from the three Communities constituting the District.

We have, through the cooperation and assistance of the Elementary Schools, introduced a Foreign Language prognostic test in Grade Six, conducted achievement testing with the same standardized test, discussed incoming pupils individually with each school system, conducted orientation days for Grade Six pupils and generally freely exchanged a wealth of data that has greatly facilitated the accurate placement of each student. Monthly Administrators' meetings are held in each District School on a rotating basis to discuss the improvement of communication between schools and to develop programs of mutual value.

Internally in the life of a school there are always many changes. Some of the changes within the various areas of instruction are noted below in an abbreviated form:

English—An increased emphasis on grammar, spelling and written expression. It is our intent to strengthen all students generally in the area of fundamental English before differentiating instruction according to the levels of achievement of each group.

French—We are continuing our efforts to correlate the results of Foreign Language prognostic tests administered in Grade Six and teachers' informal opinions as well as academic grades with success in French in the junior high school as measured by teacher-made and standardized tests. We expect to carry this investigation into the high school as the students advance. It is our wish to determine the most valid and reliable methods of predicting readiness for entering a Foreign Language and Foreign Language success.

Mathematics—The Mathematics Teachers initiate their instruction with a review of the addition, subtraction, multiplication and division of whole numbers, fractions, decimals and per cent. Programmed textbooks are being added to the Grade Eight Algebra Program.

Reading—Controlled readers, short and long reading selections in graded kits, reference work and a vast variety of commercially and teacher prepared materials and tests are utilized in providing a high level of individual and group instruction that has led to a substantial increase in the level of reading achievement. We have increased the number of students involved in the program.

Science—An increased quantity of laboratory materials has been purchased to individualize the laboratory experiences for all students.

Social Studies—Geography and History are being strengthened by devoting instructional time to the ideological, political, economic and sociological aspects of the areas studied.

Industrial Arts—The Grade Seven program has been altered to involve technical drawing and plastic technology with the traditional basic wood working. The Grade Eight program has also been changed to include technical drawing and electricity with the metal working curriculum.

Home Economics—Each Grade Eight student now completes a garment which is modeled at our Annual Fashion Show. The Grade Seven girls in Foods and Nutrition prepare the refreshments for parents and friends attending the Show.

Physical Education—In the Physical Education program increased emphasis is being placed on sports with a carryover in adult life and we are introducing some co-ed intramurals beginning with volleyball.

Audio-Visual Services—Audio-Visual services are included in our Library to provide an integrated media center where books, periodicals, filmstrips, prints, sculptures, recordings, etc. as well as Audio-Visual equipment are available to all teachers and students in a cross-cataloged central location. It allows for increased utilization and economy. I feel that our center is an excellent one and I am very pleased with the high rate of usage of all materials.

Band and Chorus—The Band and Chorus have developed into very successful organizations. Their performances are of a high quality particularly considering that they are junior high students.

Community Activities—The Band and Chorus have performed for retarded students with our Home Economics students making and serving refreshments. The Industrial Arts students provided note paper, pads, pencil holders and checkerboard sets for a Veterans Administration Hospital. The Art students prepared room and table decorations for Red Cross distribution.

Administration and Guidance—

(a) Annually we review the Teachers' Manual, Student Handbook, Curriculum Guides and the Student Awards Program.

(b) Each term a student Report Card is sent home which now may be retained by the parents for referral and comparison purposes.

(c) The students' program is rotated daily so that a given class is conducted during a different period each day. This allows for the equitable distribution of the better teaching time.

(d) A new program has been introduced to assist the perceptually handicapped.

(e) Student placement techniques have been refined and procedures developed to ease the transition from the Elementary School.

Conclusion—I would assess student morale as being high. They have a distinct pride in their school as evidenced by their care of the physical plant and equipment. The students seem to be happy learning within a firm but fair organization in which increased independence and self-reliance are stressed. I am pleased that an already low number of disciplinary cases continues to decline.

The success of a school is the realization of the concerned efforts of the students, parents, teachers, guidance and administrative personnel, office staff, custodians and cafeteria workers. I thank them for their contributions to an extremely pleasant and successful school year. In a school there is no real happiness without success. I feel that collectively we have established the correct direction of movement and I trust that in the future we shall maintain our direction and increase our momentum so that we can provide the quality of education that all students require and deserve.

Respectfully submitted,

WILLIAM J. COSTA, Principal
King Philip Regional School-North

Report of the Director of Guidance and Pupil Personnel Services

1970 has been a rewarding year for the members of this department. The increased number of conferences with students, adults, and graduates points out the greater use of the counseling services being offered. The Federal Government has awarded $11,500 to the King Philip Regional School District for use in Guidance and Special Education.

GUIDANCE:

At the present time, there are five guidance counselors serving the students of grades seven through twelve and during 1970 they had over 11,000 conferences with students, teachers, parents, and other school and community personnel. Over 60% of their conferences were with students currently enrolled in school and another 5% of their conferences were with adults and graduates. The 1970-1971 counselor-pupil ratio is over 335 to 1 and, with the continued growth in enrollment anticipated at both the high school and junior high school, additional counselors will have to be added to the staffs of both schools to meet the needs of the students and community. The American School Counselors' Association recommends a counselor-pupil ratio of 250 to 1, as does the Willis Harrington Study of Massachusetts Public Schools in 1965.

A great deal of time was spent during the summer of 1970 in writing "The School and Community Report", the first step that is taken in preplanning for a visit of the Evaluation Committee of the New England Association of Colleges and Secondary Schools in 1972. Particular gratitude and thanks are expressed to the three community representatives, Dr. Philip H. White of Norfolk, Mr. Robert E. Loew of Plainville, and Mr. C. Gordon Woodhams of Wrentham.

During the summer months of 1970, the counselors not only completed many of the clerical aspects of the guidance department, providing more time for individual conferences with students during the school year, but also had over 500 conferences with students, parents, and new students who moved to the region.

The Guidance Department received $1,100 from the National Defense Education Act Funds in 1970. This government program has been discontinued in 1971. Over $1,800 was received from Public Law 90-576 Funds to support programs in Vocational Information. The Interactive Learning System Data Retrieval System has been rented for three months at a total cost of $2,200; however, with the $1,800 federal grant, the cost was only $400 to the District. It is particularly satisfying to watch the seventh

and eighth grade students using this system and being willing to stay after school to obtain information on occupations.

SPECIAL EDUCATION:

The Massachusetts State Department of Education awarded the King Philip Regional School District over $8,500 to support and improve the Work-Study Program for students enrolled in this program. Mr. Robert Browne and Miss Elizabeth McGillycuddy are new to the high school faculty and are directly involved in this program. Mr. Browne has been particularly active in contacting local and state agencies in order to enlist their support for this program. Mr. Browne and Miss McGillycuddy have undertaken projects to improve the curriculum in this area and to develop this program to its greatest potential.

In addition, Wrentham, Norfolk, and the King Philip Regional School District have entered into another cooperative program. Mrs. Susan Logan was added to the staff in September to work with students who have learning disabilities. Speech Therapy and Health Programs are being continued, as has been outlined in previous annual reports. Although there have been changes in the staff, new staff members are maintaining the high level of efficiency and professional concern that has been evident in the past.

DROP-OUT STUDY:

A tally and classification of school leavers at the junior and senior high schools during 1970 are as follows:

Boys	3	2 Work
		1 Disinterested in School
Girls	15	9 Marriage
		5 Work
		1 Disinterested in School
Total	18	

Local statistics indicate for 1970 a school-leaver rate of only 1%; however, the number of marriages of high-school-age girls increased from 2 in 1969 to 9 in 1970. This is most certainly a matter of concern because

these young women will find it difficult to secure satisfying employment opportunities in the future.

FOLLOW-UP — CLASS OF 1965:

The Guidance Department conducted a five-year Follow-up Study of the Class of 1965. There were 192 students in this class and 121 students responded to the survey (63%).**

	Boys	Girls	Total
1. Attended or now Attending Graduate School	1	1	2
2. Attending College for Degree	5	2	7
3. Attended Institutions of Higher Education and Completed Program	10	23	33
4. Attended Institutions of Higher Education but Did Not Complete Program	4	2	6
5. Employed	36	44	80
6. Armed Services	11	1	12
7. Married	22	44	66

**Totals when added are above number replying, since many graduates are employed, have also attended school, have completed service obligations, or are married.

FOLLOW-UP — CLASS OF 1969:

The Guidance Department conducted a one-year follow-up study of the Class of 1969. There were 216 students in this class and 206 students responded to the survey (95%).

1. Receiving Higher Education	109	50.47%
2. Employed	65	30.09%
3. Home	5	2.31%
4. Armed Services	13	6.02%
5. Unemployed	14	6.48%
6. No Information	10	4.63%

CONCLUSION:

Pupil Personnel Services have increased and improved in the past six years; however, there are still areas that should be improved, such as Guidance and Special Education facilities at the high school, the addition of elementary school counselors, a psychologist, and additional clerical help.

The cooperation of the School Committee and Administration has been excellent, and appreciated by the members of this department.

Report of King Philip Regional Vocational High School

The school enrollment as of October 1, 1970 was one hundred twenty-five. There were ninety-nine boys and twenty-six girls. The twenty-six girls are in the high school vocational home economics program.

On Sunday, June 7, 1970, there was an open house held at the site of the tenth new house that was constructed in conjunction with the house carpentry building program. This program enables the junior and senior carpentry students to construct a complete new house each year.

This year's new house was constructed for Mr. and Mrs. Benjamin Barrows of Wrentham, and is located on Bow Street in Plainville. The open house was well attended and many favorable comments were given in regard to this method of training the students and the quality of workmanship.

At the present time the students are in the process of constructing their eleventh new house. While the two upper classes are working away from the school on the building on alternate weeks the first and second year students are working in the school shop. The first year students receive instructions in hand tools while the second year students work with both hand and power tools on the different kinds of jobs that are customarily done in a shop. Some of the items that the students work on are bookcases, benches, tables, kitchen cabinets, bulletin boards, hutch cabinets and many other different articles. Work is done for the school department, municipal departments, churches, charitable organizations, students, teachers and the general public. Much of the work done by the machine and carpentry shops result in a substantial financial saving to the district.

In the machine shop many of the tools that are used by machinists are made by the students as a means of instruction. When finished these tools may be purchased by the student for the cost of the material only. Many of the students because of this have collected a sizeable number of tools by the time they graduate.

The school is still active with the co-operative program and some new companies have been added. The co-operative students attend school classes for one week and receive instruction in their academic and related subjects. The alternate week the students are employed by the co-operative concerns where they receive practical shop experience.

I would like to express my appreciation to all who have helped to make our program a success and we shall continue to do our best for the youth of this area.

Respectfully submitted,

PRESTON I. TITUS, Director

Adult Education Yearly Report

This year the enrollment will be in excess of five hundred students in the various classes being conducted at the King Philip Regional High School, Vocational School, and King Philip Regional School-North.

There are twenty-three instructors teaching twenty-nine different classes and classes are being held four evenings each week. The length of classes range from six to twenty-five weeks, and and from twenty to one hundred fifty clock hours duration. Students successfully completing a class are issued a certificate of achievement.

The evening courses are divided into four different classifications:

I. **Vocational Evening Trade Extension:**

This is a program for those who are working in a special field of trade and wish to up-grade themselves and become more proficient. This year there is a shop course for machinists.

II. **Vocational Apprenticeship:**

Courses are being held for apprentice machinists and apprentice bricklayers. These courses are for men who are serving an apprenticeship or learning a trade, and is held for 150 hours each year and the complete course covers four years. The course gives training in math, science, blueprint reading, and history related to the trade.

III. **Vocational Practical Arts:**

These courses are designed to help people in home making and a more satisfying use of leisure time. Classes being held are in beginning and advanced sewing, knitting, rug hooking, tailoring, decorative painting, floral craft and decorations, ceramics and pottery, and cake decorating.

IV. **Academic Classes:**

The classes being held this year are in typing I and II, painting, tennis, golf, safe boating, woodworking, algebra I and II, and high school equivalency preparatory.

The King Philip Regional District will continue to offer educational courses to the many adults in the area who wish to continue their education.

Respectfully submitted,

PRESTON I. TITUS, Director

Balance		$ 44.90

Report of the Highway Department

To the Honorable Board of Selectmen

Gentlemen:

Under Chapter 81 and Chapter 768 Section 5 a complete drainage system was installed on Lincoln Avenue from South Street Easterly 350 feet.

At the intersection of High Street and Hancock Street a new drainage system was installed.

High Street from Warren Street to Hawkins Street, Hawkins Street, Cross Street, Berry Street and a section of George Street were surface treated with one-quarter gallon per square yard of M.C. 800 asphalt with a sand cover.

Under Chapter 90 Maintenance 1,117 tons of Bituminous Concrete Type I-I was applied on Taunton Street.

The Old Cemetery on West Bacon Street was mowed and cleaned up during the summer months.

In conjunction with the Highway Department program: drainage, catch basins, brush cut along the roadside, gravel roads were scraped and graveled; bituminous patching maintenance of roads was realized.

Due to the no burning law a great deal of time was spent cleaning up leaves.

A new four wheel drive 2 CY front end loader was purchased with the money appropriated at last year's Town Meeting. This has proven to be a very valuable piece of equipment. Many thanks to the townspeople for voting this money.

It has been a pleasure to work with and for the other departments during the past year.

In submitting this report, I again wish to thank your Board and the members of the Highway Department, and the other department heads of the Town for their cooperation during the year.

Respectfully submitted,

EVERETT W. SKINNER
Superintendent of Streets

Report of the Wire Inspector

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit my report as Inspector of Wires for the Town of Plainville for the year ending December 31, 1970.

A total of 78 permits were issued and $143.00 in fees was turned over to the Town Treasurer.

It is my hope to institute a revised fee schedule during the coming year. The present one dollar fee for all permits does not cover the cost of the department and therefore, is a burden on the general taxpayer. With the new fee schedule there would be money over and above expenses, to be turned over to the town as revenue.

I would like to thank the Board of Selectmen, Town Departments, Massachusetts Electric Company, Contractors, and the Townspeople for their cooperation during the past year.

Respectfully submitted,

FREDERICK M. METTERS
Inspector of Wires

Report of the Sanitary Inspector

Board of Health,
Plainville, Mass.

Gentlemen:

Soil investigations and tests were made at proposed sites of sewage disposal systems for new building, progress inpections were made as considered advisable and final inspection before backfill is a definite requirement. This program has proven to be very satisfactory over the years since its inception by your Board.

Repair or additions were made to existing houses by owners when conditions indicated, and investigation, design or repair and inspection before backfill are furnished homeowner when advised at office and repair permit taken out.

Complaints were investigated, reported to your Board and resolved as soon as possible under conditions. Court action is indicated when reasonable correction time is not complied with. Advised correction installation is not mandatory if result keeps all sewage effluent sub surface at all times, however cooperation is extended howeowner as to design to secure correct results at least expense.

Inspection of eating and drinking establishments were made and bacteria swab tests of utensils, this program will be on more frequent basis for coming year.

Respectfully submitted,

PUTNAM STEELE, R. S.
Sanitary Inspector and Engineer

Report of Inspector of Milk and Dairies

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit my report as Inspector of Milk and Dairies for the Town of Plainville for the year ending December 31, 1970.

This represented the issuance of twenty-seven (27) licenses. A call was made to each business with ten (10) Dairies and seventeen (17) Stores or Restaurants represented.

Paid to Town Treasurer the amount of $27.00.

Respectfully submitted,

ROBERT C. KENISTON
Inspector of Milk and Dairies

Report of Inspector of Slaughtering

To the Honorable Board of Selectmen

Gentlemen:

I herewith sumbit my report as Inspector of Slaughtering for the Town of Plainville for the Year ending December 31, 1970.

All monthly reports required by the State were sent to the Department of Health with all required information.

There were no reported slaughterings in the Town for the year 1970.

Respectfully submitted,

ROBERT C. KENISTON
Inspector of Slaughtering

Report of Inspector of Animals

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit my report as Inspector of Animals for the Town of Plainville for the year ending December 31, 1970.

Two (2) reports of suspected misuse of animals were investigated and found to be unfounded.

As required by the State a complete inventory of all livestock in the Town was compiled and figures returned to the State. The inventory showed 57 Horses, 12 Ponies, 1 Dairy Cow, 5 Heifers, 13 Beef, 20 Sheep, 4 Goats and 12 Swine.

Twenty-three Dog bites were reported and all animals were placed under quarantine, then released after inspection for rabies and two separate reports sent to the State for each case. The number of bites this year is a 50% increase over last year and signifies the possible need of leash regulations in our Town.

It was also of interest to note the number of unlicensed dogs, and dogs not having had their rabies shots as prescribed by law involved in these bites.

Respectfully submitted,

ROBERT C. KENISTON
Inspector of Animals

Report of The Conservation Commission

Honorable Board of Selectmen
Plainville, Massachusetts

The report for 1970 of the Plainville Conservation Commission is submitted as follows:

The conservation commission had a busy and rewarding year. Many projects have been brought to completion with the assistance of our fellow citizens. Our national concern with conservation has seen a deepening awareness of its importance in everyone's life. We would urge everyone to become involved in the fight to preserve our natural resources.

The following list is of the contributions of labor and material given by concerned people:

What Can I Do? A listing of what Mr. Citizen can do to improve the environment by his own effort. Prepared by Mr. Clayton Cate, printed by the Plainville United Methodist Church and distributed by the Girl Scouts.

A conservation questionnaire prepared and distributed by Troop 132 Boy Scouts. Out of 400 copies distributed the Commission received 57 replies.

A litter clean-up of selected roadways in Plainville by Girl Scouts and Boy Scouts with volunteers acting as drivers. The Cadette Girl Scouts painted and distributed litter barrels to various areas in town.

Improvements at the conservation area on George Street:

Erection of a new sign for the conservation area prepared by the Boy Scouts.

A nature trail marked and laid out by the Boy Scouts.

Six picnic tables made by Mr. Ken Darling who donated his time and labor.

Wildlife feeding plots planted by the commission.

Additional planting of ornamental flower bulbs by the commission.

Conducted a conservation training day for Girl Scouts and Boy Scouts and presented awards for attending.

Additional clearing of firelanes was done by Boy Scouts of Troop 132.

Respectfully submitted:

Members of the Commission:
RONALD FREDRICKSON
STAN MYERS
RAYMOND SMITH
RITA WATSON
EVERETT SKINNER
ARTHUR WASHBURN

Norfolk County Mosquito Control Project

To the Citizens of Plainville:

Submitted herewith is the report of the Norfolk County Mosquito Control Project of its activities in the Town of Plainville for the year ending December 31, 1970.

Aerial larvicide	540 acres
Misting from trucks	2230 acres
Backpack spraying	90 acres
Winter pre-hatch dusting	17 acres
Drainage ditches cleaned	3500 feet
Brush cut	430 feet
Culverts cleaned	15 culverts

Respectfully submitted,

ALBERT W. HEUSER, Superintendent

Report of the Park Department

To the Honorable Board of Selectmen

Gentlemen:

The year 1970 showed a marked increase in the use of the facilities at the park. The Baseball Field was used almost every evening by the P. A. L. The "Packers" Football Team practiced each evening in the fall and of course the swimming pool received the largest crowds since it was built.

Our summer staff consisted of: Paula Sharon, Supervisor; Paul Schofield and Joan Lomasney, lifeguards; Carolyn Slowe, arts and crafts teacher, and groundskeeping duties divided between Kevin Malin, Steve Cooper and Steve Skinner.

Approximately 410 children received swimming instructions and 160 Red Cross Cards were presented to qualifiers.

Our thanks are extended to the local school committee and Supt. Carl Green for their donation of their surplus clothing lockers. These have been installed in the bath-house.

We are indebted to Everett W. Skinner, Sr., for the daily pool maintenance.

Appropriation		$7,700.00
Expended:		
Salaries	$4,249.43

MIRIAM LOMASNEY

Report of The Town Ambulance

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my report for the year ending December 31, 1970.

Trips	256	
Patients	249	
Mileage	5176.1	
Man Hours	656	
Oxygen	40 tanks	
Billings	$2,932.00	
Billings collected and turned over to the Town Treasurer	$1,847.55	
Appropriation		$1,500.00
Transferred from E & D		400.00
Total		1,900.00

Expended:

Oxygen	$28.89	
Laundry	303.66	
Ambulance Maintenance	174.80	
Supplies and Miscellaneous	71.20	
Office Supplies	54.60	
Gasoline	159.26	
Radio Maintenance	145.30	
Salaries	961.00	
Total Expended		$1,898.71
Balance		$1.29

Ambulance Replacement Account

Transferred Town Meeting	$1,024.26
Expended:	
Motorola Radio (1 two-way mobile radio)	1,003.00
Balance	$21.26

The services of the ambulance continue to increase each year.

The radio requested and voted at the last Town Meeting on the Norfolk County frequency from the Ambulance and Equipment replacement account has been received and installed. This has proved to be very valuable working with the Towns of Wrentham and Foxboro.

The members of the Fire Department have continued to attend courses on First-Aid and Cardio-Pulmonary Resuscitation offered by Sturdy Memorial Hospital and others throughout the year.

We were very fortunate this year to have a Resusci-Anne donated to the Fire Department by the Plainville Lions Club. This is a most valuable training aid for the men in the proper technique of resuscitation. We will be more than willing to demonstrate or instruct any group in Town on this phase of life saving.

I would recommend that you request monies for the replacement of the present ambulance in the Annual Town Warrant as same is now four years old.

Respectfully yours,

C. E. SKINNER, JR.
Chief of Fire Department

Report of the Library Trustees

To the Honorable Board of Selectmen

Gentlemen:

The Library Trustees have reported the following accomplishments in 1970. We have made some improvements in the building itself by painting and papering the entrance hall and stairway. The leak in the upstairs window was finally repaired so the ceiling in the adult fiction room was repainted to cover the water damage.

We purchased a new vacuum cleaner which was badly needed and some additional shelving for books. The old shelving will be removed to the upstairs and we hope to sort and store some of the volumes which have been moved upstairs for lack of space. Twenty-two pairs of curtains were repaired and cleaned. We received a legacy of $100 from the estate of Annie Sawyer with which we purchased three nw reading chairs for the adult and study rooms.

We have installed a telephone for the convenience of people who can not get out and would like information or to renew books. The number is 695-1784. We hope this will prove helpful to the reading public.

For next year we hope to make improvements on the floors which badly need refinishing. We also hope to replace the front windows with some that will fit in with the age of the building. The fireplaces also need some work done on them. We plan to continue with our shelving program and to make book purchases which will be helpful to our students and reading public.

Once more we would like to express our appreciation to Mrs. Cobb and to her assistant, Mrs. Keniston for the great interest they take in making our small library as valuable as it is. Mr. Cobb continues keeping our library looking shipshape and we are grateful to him.

Report of The Planning Board

To the Honorable Board of Selectmen

Gentlemen:

During the past year the Planning Board has:

Considered and signed for recording 9 plans not requiring approval.

Granted one waiver on type of curbing to be used by a developer.

Held numerous conferences with developers relative to work in process or proposed construction at several locations.

Accepted with regret the resignation of Mr. Normand Theriault.

In joint conference with the Board of Selectmen appointed Mr. Jay Underhill to fill the vacancy caused by Mr. Theriault's resignation.

Sent several more letters to the Penn Central Railroad relative to the removal of the several bridges over their abandoned right of way, the planning boards efforts in this matter date back nearly six years.

Respectfully submitted,

BRUCE E. HASTINGS, Chairman

Report of the Police Department

Honorable Board of Selectmen
Town Offices,
Plainville, Mass.

Gentlemen:

As we come to the close of 1970 I have mixed feelings about what type of year it was for the Police Department. I review the accomplishments and they are many but I also have to look at the other side of the coin and ask myself, could it have been better?

I am very proud of the energy and time spent by the men of this department in helping to improve their knowledge, performances and give the Town what we feel is better service. I am quite disturbed however in the course crime is taking and the best way to enforce preventive patrols. As you are aware, we had numerous serious crimes in Plainville during 1970 and these attest to the fact that with the new highways in our area we are getting the bad elements from most of the big cities and our neighboring State, so we can no longer feel secure in the old adage, we are only a small Town. The criminal element is well aware of our capabilities, and as a result, not only do our citizens become victimized but also our business community, and I hope that we can all take a long hard look at what is best to remedy an ever increasing bad situation.

I would like to take this opportunity to thank your Board, your staff, the Fire Department, Highway Department and all others that helped us through the year. I would also like to thank Supt. Carl Green for his assistance to me last year.

Sincerely,

ROBERT R. FAILLE
Chief of Police

Larceny	5
Disturbance	3
Motor Vehicle violation (arrest)	14
Total arrest (not including warrant arrest)	62

VEHICLE VIOLATIONS

During 1970 there was a total of 294 traffic violations investigated by this Department resulting in the issuance of 84 written warnings, 192 court complaints and 14 arrests.

This Department also investigated 116 Motor Vehicle Accidents, 34 involving personal injury, 82 which resulted in property damage, and 1 fatal.

There were also 167 summons served along with 10 subpoenas, 4 notice of hearings, and 28 warrants received and executed during the year ending 1970.

CHIEF'S SUMMARY

On completion of the activity reports for the Police Department in Plainville for the year 1970 it is interesting to note the general increase in crime in our area due mostly I would suspect to the easy access to most areas made possible by the new highway network in our area, lack of fear of prosecution due to being under the influence of drugs and a more sophisticated type of criminal element. In years past our respective small towns were easy "marks" because of lack of training and personnel of Police Department, but hopefully the tide is turning in our favor.

Below is listed the activity in our Department for 1970 as compared to 1969:

	1970	1969
Traffic violations (radar used most of summer)	294	147
Motor vehicle accidents	116	148
Legal papers served	209	157
Arrests (in 1969 we had 29 arrests on one case)	62	82
Complaints and investigations	371	180

Among the complaints and investigations in 1970 we had one murder, two attempted murders, two major robberies and two aggravated assault (use of weapon). I feel this is an indication of what today's Police Officer is faced with and I feel that with the break down in respect for Law and Order we can expect these figures to increase greatly, and I want to express my pride in the men of this department. They are young, aggressive, dedicated and are all attending schools evenings to keep pace with todays changing society and laws.

ACCIDENT REPORT FEES

Statement of the fees received, for accident reports requested by insurance companies.

The checks that made payment of the fee have been turned over to the Town Official responsible for matters of this nature, and a copy of the receipts are also enclosed.

There was a total of $102.00 received as fees for accident reports investigated by this Department.

MONIES RETURNED TO THE TOWN

Report of The Tree Warden

To the Honorable Board of Selectmen
Gentlemen:

The appropriation this year was again used to take down dead trees and for trimming dead wood.

Respectfully submitted,

EVERETT W. SKINNER,
Tree Warden

Appropriation		$1,000.00
Expended:		
Wages	$388.75	
Bancrofts, Inc.	608.93	
		997.68
Balance		2.32

Control of Insects and Dutch Elm Disease

To the Honorable Board of Selectmen

Gentlemen:

This year the appropriation for this account was again used to take down dead trees, caused by the Dutch Elm Disease.

Massachusetts Electric Company again this year paid to have these trees removed below the wires, thereby making it possible for the Town to remove more trees than our appropriation would have allowed.

Appropriation		$1,000.00
Expended:		
Labor	$464.91	
Bancrofts, Inc.	513.50	
		978.41
Balance		21.59

Respectfully submitted,

EVERETT W. SKINNER
Moth Superintendent

Report of The Town Forest Committee

To the Honorable Board of Selectmen

Gentlemen:

We herewith submit our report for the Town Forest Committee for the year ending December 31, 1970.

The Town Forest was cleaned and trimmed by the Explorer Scouts as their conservation project. The appropriation of $75.00 was paid to the Explorer Scout Troop for the work done.

Respectfully submitted

EVERETT W. SKINNER
ALEC FREDERICKSON
ROBERT J. PROAL
Town Forest Committee

Report of The Zoning Board of Appeals

To the Honorable Board of Selectmen

Gentlemen:

We are pleased to submit the following report of the activities of the Zoning Board of Appeals for the year ending December 31, 1970.

The Board received and accepted with regret the resignation of three members, Richard Plante, Malcolm Buchanan and Mr. Thomas Mikulis. Mr. David Darwell, Mrs. Constance Boucher and Mrs. Lorraine Woodward were appointed to fill vacancies.

There were eleven cases throughout the year consisting of five variance requests, one special permit for construction and five gravel and/or loam removal perits. Granted were one special permit, three variance requests and three gravel and/or loam removal permits extended.

The Board received and paid to the Town Treasurer for applications and permit fees $255.00 and expended from its established budget $200.00.

We sincerely thank all Town Departments for thei rsupport and assistance during the past year.

Respectfully submitted,

JAMES RINALDI, Chairman

MAURICE POTHIER

DAVID DARWELL

CONSTANCE BOUCHER

Report of The Board of Fire Engineers

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit my report for the year ending December 31, 1970. Following is a list of calls answered by this Department

Buildings	22
Grass & Brush	68
Investigations	85
Miscellaneous	124
Mutual Aid	15
Meetings & Practices	22
Rescue	9
Automobiles	22
Accidents	21
Lock outs	13
First Aid	11
Bomb Calls	23
False Alarms	3
Accidental Alarms	3
Sprinkler Alarms	4
Flooded Cellars	17
Transportation	62
Lost Children	3
Total	527
Ambulance Trips	256
Grand Total	783
1969 Total	700

As in the past year many hours were spent on Training, Schooling, and Fire Prevention. Firefighter Calvin Lessard enrolled in the Fire Science Technology course at the Bristol Community College this year and successfully completed the Introduction to Fire Protection section the first semester. The next term he will be taking the Organization and Management of Fire Departments course.

As per the vote of the last Annual Town Meeting a 1,000 gallon per minute pumping engine has been ordered from the Farrar Company of Woodville, Massachusetts for the sum of $35,000.00. We expect delivery during the month of July.

I am requesting in my budget this year monies to purchase 2½" hose for this truck.

Also this year I am requesting one more man to work during the day-time. I feel this is necessary for proper coverage of the Town and for more efficient operation of this department.

We have on order from the Motorola Company a new base station and remote set for the dispatch office to replace our present equipment which is fifteen years old. As per my discussions with your Board and the Finance Committee we should replace many of the mobile units which were purchased at the same time. Due to the present financial conditions I have postponed this program until next year.

Respectfully submitted,

CLARENCE E. SKINNER, JR.
Chief of Department

Appropriation	$57,018.71

By Law Review Committee

To the Honorable Board of Selectmen

Gentlemen:

We hereby submit our annual report to you and the residents of Plainville for the year 1970.

The Committee is well on the way to reprinting the Town By-Laws. We have established an indexing system which, although simple, will be explained to you and the residents when they are delivered to your office.

It is planned and hoped that the Town General By-Laws (Chapter I) and the Personnel By-Laws (Chapter II) will be reprinted early in 1971.

It is also hoped that by the end of 1971, the entire set (6 chapters) of By-Laws will be reprinted and further refining done by the Committee.

Our financial status for the year 1970 is as follows:

1970 Appropriated	$100.00	
1970 Expended	none	
1971 Budget request		$100.00

Respectfully submitted,

REGINALD KEYES, Chairman
DAVID W. KELLY, Secretary
CHARLES MASON
CHARLES PEASLEY
RAYMOND MILLER

Industrial Development Financing Authority

To the Honorable Board of Selectmen

Gentlemen:

The Industrial Development Financing Authority is available to extend funds to qualified businesses who seek to expand facilities and/or wish to relocate in Plainville, Mass. As a group we cannot solicit, thus we wait upon the results of the labors of the Industrial Development Committee.

Respectfully submitted,

FREDERICK J. BRAUNER, Chairman
CHARLES R. MASON, Atty.,
Vice Chairman
GRACE SIMMONS, Secretary
RAYMOND V. MILLER
WARREN B. ALLEN

Report of Civil Defense

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit my report as Civil Defense Director for the year ending December 31, 1970.

Appropriation		$1,000.00
Expended:		
Telephone	$89,08	
Dues	10.00	
Surplus Property	53.80	
C.D. Police	184.20	
C.D. Fire	64.00	
Total Expended		$401.08
Balance		$598.92

Although severely hampered again this year by a lack of funds C.D. did make some progress.

During this year we were able to form the nucleus of an Auxiliary Police force.

The Auxiliary Fire Department continued their training program during the course of the year.

We wish at this time to express our sincere thanks to all the other Municipal Departments for their help and cooperation throughout this past year.

Respectfully submitted,

DANIEL H. HUNT,
Director

Report of The Building Inspector

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my report for the year ending December 31, 1970.

A total of sixty-seven permits were issued at an estimated value of $643,479.00, and fees turned over to the Town Treasurer total $654.00.

29	New Dwellings	$489,500.00
4	Swimming Pools	8,495.00
17	Additions to dwellings and Remodeling permits	29,100.00
8	Additions and remodeling to Industrial and Business Establishments	23,500.00
3	New Industrial Structures	79,000.00
2	Tool sheds, residential	484.00
2	Garages, residential	4,400.00

During the year the property owned by V. Giacomino was condemned by the Board of Health and the Fire Chief. Through this office legal action was taken and a committee appointed to investigate the property. This committee was appointed under the General Laws, and consisted of three persons; one an engineer, one a builder and the Fire Chief. It was the unanimous opinion of this committee that this building was a hazard to safety and recommended it be demolished. I wish to thank Mr. James Freeman, the Civil Engineer, Mr. William Hurkett, the builder and Chief Clarence E. Skinner, Jr. for contributing their time and experience in this survey.

While the total building permits issued is less than in 1970, building has remained steady and the dwellings erected are of good quality and style.

It has been a pleasure to serve another year as Building Inspector for the Town of Plainville, and I wish to thank the Board of Selectmen, Mrs. Tremblay and Mrs. Sandland, the Fire Chief, Police Chief and the men in the Police Department who have assisted me several times,

also Everett Skinner, Sr., Highway Superintendent. Warren Paglari, who was again appointed Assistant Building Inspector has been most helpful during the year.

Respectfully submitted,

CLINTON E. BARTON
Building Inspector

Appropriation		$500.00
Salary	$400.00	
Expenses	100.00	

Report of the Veterans' Agent

To the Honorable Board of Selectmen

Gentlemen:

Submitted herewith is the report of the Veterans' Agent for the year ending December 31, 1970. All applicants for veterans services since July 1, 1970 (when I became Veterans' Agent) were approved by the state commissioner of veterans' services. Fifty per cent of all monies paid to recipients by the town will be reimbursed by the Commonwealth of Massachusetts.

Approximately 112 inquries for veteran's services were received in the last half of 1970.

Respectfully submitted,

DONALD C. SOULE
Veterans' Agent

Appropriation	$7,000.00
Expenses	350.00
	7,350.00
Expended:	
Services	$5,741.69
Expenses:	
Travel, Clerical, Supplies, etc.	350.00
	6,091.69
Balance	$1,258.31

Report of The Board of Appeals

To the Honorable Board of Selectmen:

Gentlemen:

This Board apports another year of inactvity. Apparently all other Boards, Committees and Departments have operated to the satisfaction of the townspeople to the extent that no situation or dispute requiring our services occurred. We view this turn of events with pleasure, and feel the town officers have functioned smoothly indeed.

We sincerely hope 1971 will be as uneventful.

Respectfully submitted,

ROBERT W. HAYES, Chairman
ROBERT KENISTON
MELVIN DWYER
Board of Appeals

Report of the Personnel Board

To The Honorable Board of Selectmen

Gentlemen:

The year of 1970 has again been two years of activity for the Personnel Board. We lost the services of our able chairman, Francis McCabe, who resigned. Two new members, Mr. Thomas Reynolds and Mr. Lon Bonczeh, were added and have been active in pursuing the aims of the Board.

We have endeavored to continue clarifying the procedures and policies of the Personnel Board in our contacts with other Town Boards, Departments and Town Employees.

We particularly wish to thank the Board of Selectmen and Finance Committee for their advice and support.

To conclude, the following is the financial statemen tof the Personnel Board:

Appropriated:		$300.00
Expended	47.00	
Total expended		47.00
Balance		$253.00

Respectfully submitted,

JOHN F. GIESSELMAN, Chairman

GAEL E. KELLY, Secretary

GEORGE LEMIRE

THOMAS G. REYNOLDS III

LON BONCZEH

Report of The Housing Authority

To the Honorable Board of Selectmen:

The Housing Project for the Elderly has completed its first full year of operation. During the year five vacancies occured which were immediately filled.

In March, Joseph A. Doiron was elected to fill the unexpired term of Melvin Dwyer who was elected Executive Dirctor.

Trees and shrubbery were planted in the Spring as scheduled and in the Spring of 1971 we plan to plant a row of maple trees along the East Bacon Street side of the project.

We are still receiving new applications for tenancy and those eligible are being put on a waiting list to fill future vacancies.

The Authority would like to thank the local church groups, the women's clubs and the Girl Scouts for their contributions to the entertainment of the residents of Hilltop Terrace. We also want to thank the Police, Fire and Highway Departments for their wonderful cooperation during the year.

Respectfully submitted,

FRANCIS W. SIMMONS, Chiarman
CLINTON E. BARTON, Vice Chairman
WALTER T. FINK, Treasurer
LeROY B. WILSON, Assistant Treasurer
JOSEPH A. DOIRON
MELVIN F. DWYER, Executive Director

Report of the Town Government Study Committee

To the Honorable Board of Selectmen

Gentlemen:

Despite the fact that our efforts have once again been hindered by a shortage of members, the town government study committee has met frequently during the past year.

We have been meeting with representatives of the various town departments, as well as with knowledgeable spokesmen from area towns, in order to become familiar with all facets of town government. By doing so, we hope to be able to make valuable and workable suggestions for improving and streamlining our town's government in the years to come.

Respectfully submitted,

ROBERT M. SMITH
LENA G. CHOMA
JANICE L. BOUCHER
GEORGE W. PRAY
Representative Finance Committee

Report of Water Commissioners

To the Honorable Board of Selectmen

Gentlemen:

Following is the report of the Water Department for the year ending December 31, 1970. Records from the Town Pumping Station show that 207,384,323 gallons pumped for the year 1970. A total of 95,229 pumping hours, 568,176 gallons daily, 23,674 gallons per hour and 394 gallons per minute.

The two standpipes were inspected by Robert L. Merithew Inc., Water Tank Inspectors, and had the following report: The new standpipe is in excellent condition both interior and exterior with no evidence of paint failure or rust. They recommended that this be inspected again in 1973.

The interior coatings on the Old Standpipe have failed with substantial amounts of rust and scale present on the surface of the plates. The exterior coating is in fair condition with rust present on most of the vertical seams.

The structural condition of the tank appears to be good with no peaked verts or serious leaks present. No maintenance work is recommended for this tank but a routine check is advised. Thirteen color photographs were enclosed with the report for the Water Commissioners to examine.

The Commissioners are asking for an additional sum of money to continue exploring for a new plentiful water supply. We feel this is necessary for future protection.

We wish to thank Superintendent Everett Skinner, Sr., Mr. Lawrence Carpenter, Honorable Board of Selectmen, Finance Committee, Camp, Dresser and McKee and any other departments who in any way assisted the Water Commissioners during the year 1970.

Report of Town Counsel

Board of Selectmen

Dear Sirs:

The following cases are still pending for or against the Town:

Nirvana Trust Vs: Town of Plainville

James Jenks Vs: Town of Plainville

Florent Baker Vs: Town of Plainville

Anna Sullivan, et al Vs: Town of Plainville

Town of Plainville Vs: William D. Smith Estate — tax title foreclosure

During the year 1970, I attended meetings of the Board of Selectmen and oher Town Boards and Departments when requested. Throughout the year I rendered numerous legal opinions to various Town Boards, Departments and assisted in the drafting of Town Meeting Articles. I consulted with or was consulted by nearly every Town Department and advised on various agreements, leases, contracts and other instruments. As problems and developments arise and are solved new ones come along to take their place.

In conclusion I would like to expres my gratitude to the Board of Selectmen for appointing me as Town Counsel and for their faith and confidence in me. I would like to thank the Selectmen and all Town Departments and Officials for the full cooperation during the year.

Respectfully submitted,

CHARLES R. MASON

Town Counsel

Annual Report

of the

SELECTMEN

and

BOARD OF HEALTH

of the

TOWN OF PLAINVILLE

MASSACHUSETTS

For the Year Ending December 31st, 1970

Report of The Board of Selectmen

To the Citizens of Plainville:

We the Selectmen of Plainville. herewith submit our report for the year ending December 31, 1970.

Throughout the year this Board has conducted numerous hearings on New England Telephone and Telegraph Company and Massachusetts Electric Company petitions for pole locations in various streets of Town and granted the necessary permits to cover the new locations or relocations of certain poles. This Board has also issued a directive to the above named companies that prior to issuing any additional permits for new poles or relocations that all stubs and poles that have had wires removed under previous permits must be removed as a precedent to any future permits being issued.

There were several new alcoholic beverage licenses issued this year in addition to renewals of existing licenses. This Board in the coming year will review all license fees for all licenses, alcoholic, sanitary, plumbing, gas, wire, etc., and we hope to update the fees so that these departments will be self-sustaining.

At Town Meeting we will ask the voters present to vote to accept the portion of State Highway Rte. 1A from the North Attleborough Town line to Wrentham Town line providing the Mass. D.P.W. undertakes certain repairs to the drainage system and does certain resurfacing work. This road will then be accepted by the Board of Selectmen for the Town providing this work has been done and is acceptable. Your Board Chairman and Highway Department Superintendent Everett W. Skinner have worked very closely with the State D.P.W. on this matter.

The Giacomino property on the Corner of South and Fuller Streets was condemned by the Building Inspector and was ordered demolished and removed with the Board of Selectmen and Fire Chief working with Mr. Barton.

Various discussions were held concerning the Town Ambulance. In the coming year, the Board of Selectmen and Fire Chief will apply for 50% reimbursible funds from the Federal Governments Safe Highway Act in order at some future date to replace our ambulance. This will require the voters approval when our application is approved. Police

Chief Robert Faille has also informed this Board that he will apply for safety patrol work from this same Act and which would be 100% reimbursible for radios, radar, etc.

Annual appointments were made by the Board of Selectmen on April 4, 1970. As per your vote at the 1970 Annual Town Meeting, the Fire Department was established under Chapter 48, s. 42, 43, & 44, and on March 24, 1970 this Board by the power invested in it, unanimously appointed C. E. Skinner, Jr. the Chief of the Department. With this vote the Board of Fire Engineers was disbanded, and this Board would like to thank the members of the Board, Everett Hatt, Walter Coleman and Clarence Skinner for their faithful service to the Town and the Fire Department. Also on March 24, 1970 the Board of Selectmen appointed Robert R. Faille, Chief of Police and Everett W. Skinner Superintendent of Highways.

This Board would like you to lend your support to the Two Tenure Articles that will appear on the Ballot for the Town Election. These articles are for Tenure of office for Everett W. Skinner, Superintendent of Highways, and for the members of the Plainville Police Department.

Your Board has held numerous meetings and discussions in regards the removal of the railroad bridges on West Bacon Street, Fuller and Cross Streets. The bridges on Fuller and Cross Streets would be removed by Northeast Concrete at no cost to the Town when approval is received from the appropriate State Agency. We will seek monies from the removal of the West Bacon Street bridge at some future date. Your Board feels grade crossings on Fuller and Cross Streets would be safer than the present bridges and West Bacon Street is an abandoned roadbed of the Railroad and therefore would not require a grade crossing.

Your Board members kept abreast of current State, County, and Local problems by their attendance at various meetings sponsored by the Selectmen's Associations and various State, County, and municipal agencies.

Throughout the year various resignations were received with regret and appointments made to fill the vacancies created. This Board would like to express its appreciations to all who have served in both elective and appointive positions.

This Board accepted with regret the resignation of Mrs. Clinton (Bessie) Barton as the Selectmen's clerk which was effective June 1, 1970. Mrs. Barton had served the Town for many years as Selectmen's

Clerk and also as Assistant Town Clerk. For her many years service to the Town the Board of Selectmen are most thankful. Mrs. Kathleen Sandland was appointed Clerk for the Selectmen's Office to fill the vacancy created by Mrs. Barton's resignation.

On March 3, 1970, both Mr. Felix and myself welcomed Robert Root to this Board. Mr. Root's election to this office filled the 1 year unexpired term of Robert R. Faille who had resigned effective January 21, 1970 as a Selectman so as to devote all his energies to his duties as Chief of Police.

Your Highway, Police and Fire Departments have had a very busy year as you are probably well aware after having read their respective reports elsewhere in this Annual Report. It is a pleasure to have had these Deprtments working for the Townspeople this past year.

We would like to thank Chief Robert R. Faille, Chief Clarence Skinner, Jr., Highway Superintendent Everett W. Skinner and the men of their respective departments for their fine support and co-operation during the year.

We would also like to thank Board Clerks Mrs. Irene Tremblay and Mrs. Kathleen Sandland, and Ms. Ruth Fulton, Mrs. Bessie Barton, Town Clerk Austin Grant, Mr. Clinton Barton, the Finance Committee, Personnel Board, and other Town Departments and Townspeople for their fine support, co-operation and understanding during the past year.

Respectfully submitted,

ROBERT E. LOEW, Chairman

RAY P. FELIX

Board of Health Report

To the Citizens of Plainville:

We herewith submit our report for the year ending December 31, 1970.

This Board met on numerous Saturdays throughout the year to make necessary sanitary inspections, not only of complaints received but the inspection of all food establishments and any establishments that do not hold a common victuallers license. All food service establishments were inspected as well as grocery stores. Sanitary complaints were investigated by this Board in regards sewage disposal problems and also were investigated by Mr. Putnam Steele, Sanitary Inspector whose recommendations are sought on solutions to these complaints. Mr. Steele also inspects all new installations of disposal systems and we wish to thank him for a job well done.

The Board requests parents to notify us regarding all communicable diseases.

This Board has on file the following list of dangerous diseases:

Dog Bites	23
Mumps	2
Scarlet Fever	19
Chicken Pox	10
Hepatitis	10

This Board in conjunction with Dr. DeWitt and THROUGH the co-operation of the Fire Department and the assistance of Joseph Calzaretta our Dog Officer and the members of Kappa Sigma Sorority held a Rabies Clinic for dogs which was well received and attended. For your assistance a sincere thank you.

Masslite Inc. has as usual been a source of numerous complaints. Through many meetings we hope that the problem that has plagued us for many years will soon be solved. Dr. Melvin First, an Air Pollution Expert has been hired by Masslite and his working drawings are presently being sent to fabricators of air pollution equipment for fabrication. It is our sincere hope that this equipment will be forthcoming in the very near future.

The Town Dump was maintained by the Highway Department in excellent shape. The Town Dump now has a fence completely blocking access when the Dump is closed and this Board has voted the days and hours when this facility can be used. We have money to start a sanitary landfill operation in regards the purchase of land and equipment and the money to operate the same is contained within the Board of Health budget. As you probably have noticed the Board of Health Budget for the year 1971 contains a healthy increase which can be attributed to two areas of the Budget: 1. The Town Dump and 2. the Garbage Contract. We feel the general condition of the dump is in excellent shape and we request that you co-operate in using the dump by folowing the rules and regulations for its use.

Many percolation tests were approved for new construction and also numerous repairs to existing systems were approved.

You will note the reports of Putnam Steele, Sanitary Inspector; Robert Keniston, Inspector of Slaughtering, Animals and Milk, and Joseph Calzaretta, Dog Officer, elsewhere in this report. We would like to thank them for the service they have rendered to the Town during the past year.

In closing, I would like to take this opportunity to say something about sanitary problems as they relate to cesspools. You the owner of the property with a cesspool problem, irregardless of what you might want others to believe know of the problem before your neighbor has to complain to the Board of Health. Instead of refusing to take the necessary action to correct it, why not just fix it before we as the Board of Health have to present you with an order to abate the nuisance. It is your property, not on anyone else.

The Board of Health would like to thank all the Department Heads and the Townspeople for the support and co-operation extended to us in the past year.

Respectfully submited,

ROBERT E. LOEW, Chairman
RAY P. FELIX
ROBERT W. ROOT

Report of Agent for Board of Selectmen

To the Honorable Board of Selectmen:

Gentlemen:

I hereby submit my annual report to you as Agent for the Board of Selectmen, and in this capacity wish to state that the annual inspection of all establishments holding alcoholic beverages licenses has been completed and occupancy permits issued.

The owners of these restaurants and clubs are most cooperative and try to comply with Town and State laws relating to buildings.

During the past year I have made regular inspections throughout the town for abandoned cars and many have been called to my attention. Most of the owners are very cooperative and want to dispose of these vehicles, but it is getting increasingly harder to get a "junk" dealer to take them away. With the coming of Spring another drive will be underway to keep the Town of Plainville free of cars abandoned on private property.

My sincere thanks to the Board of Selectmen and Health, and all other town officials for their cooperation during the past year.

Respectfully submitted,

CLINTON E. BARTON,
Agent for the Board of Selectmen

Report of the Town Auditor

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my report as Auditor for the Town of Plainville for the year ending December 31, 1970.

Following suggestions received from the State auditing department, the audit for the year ending December 31, 1969 was completed and the Report of Financial Transactions, Schedule A for the calendar year 1969 was completed and submitted to the Commonwealth of Mass., Department of Corporations and Taxation, Bureau of Accounts and accepted.

Respectfully submitted,

CHRISTINE C. LOVELY, Auditor—

Report of the Finance Committee

To the Honorable Board of Selectmen:

Your Town Finance Committee has held many important meetings throughout the year. We cannot recall any one meeting when our committee did not have a quorum.

We sincerely regret the unfortunate passing of Mr. Avides Koshgarian, our Honorable Chairman.

We must also report the resignation of Mr. Raymond Miller, whose experience and strong efforts throughout the years will be surely missed.

We have been very fortunate in the appointments of Mr. Gerard L. Jeannotte, Mr. Joe Doiron, and Mr. Joseph Solito, who have so ably filled these vacancies.

The money appropriated at the Annual Town Meeting for Extraordinary and Unforeseen Expenses has been dispersed as follows:

1.	Purchase of Fire Hose	$1,275.00
2.	Down Payment for Front End Loader	2,395.00
3.	Board of Health Expense—Town Dump	1,000.00
4.	Highway Department Expense—Replace Frame	1,000.00
5.	Board of Health—Town Dump Maintenance	2,000.00
6.	Interest on Temporary Loans	538.07
7.	Tax Collector—Expenses	407.00
8.	Ambulance Account	400.00
9.	For Fire Dept. (Forest Fire and Call Men)	3,530.10
10.	Insurance Expense (Rate Adjustment)	950.00
11.	Fire Department (Expense)	750.00
12.	Fire Department (Expenses)	250.00
13.	Snow Account	504.83
	Leaving an unexpended balance of	000.00

The following interdepartmental transfers were allowed:

(a)	Library Account—from Capital to Payroll	$100.00
(b)	Fire Department—from Salary Account to General Expenses	600.00

(c) Veteran's Agent—from Benefit Account to Expense Account	400.00
(d) Police Department from Payroll Account to Expense Account	1,000.00

Out of a total appropriation of $200.00, the Finance Committee has a balance of $80.25. The $119.75 was spent on dues for the Mass. Association of Finance Committees and attendance at instructional meetings of the Mass. Association of Finance Committees.

We wish to thank all officials of the Town for their co-operation in our endeavors to give the Town a sound financial base from which to operate.

Respectfully submitted,

THOMAS LEVIS, Chairman

DAVID LOMASNEY, Vice Chairman

GERARD JEANNOTTE

ROBERT BARNEY

JOSEPH DOIRON

JOSEPH SOLITO

GEORGE PRAY, Secretary

ROBERT LOEW, Chairman Selectmen

LAWRENCE CARPENTER, Treasurer

WARRANT

For

Annual Town Meeting

1971

WARRANT

FOR THE ANNUAL TOWN MEETING

Monday, March 1, 1971

THE COMMONWEALTH OF MASSACHUSETTS

Norfolk, ss.

To Either of the Constables of Plainville:

Greetings:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Plainville qualified to vote in town affairs, to meet in the Elementary School Auditorium, South Street, in said Plainville on

MONDAY, THE FIRST DAY OF MARCH 1971 A.D.

at eight o'clock in the forenoon, then and there to act on the following articles, viz:

ARTICLE 1. The following Town Officers to be chosen by ballot viz: One Town Clerk, One Auditor, One Moderator, One Tree Warden, Three Constables for One Year. One Selectman, Board of Health, One Assessor, One Treasurer, One Tax Collector, One Water Commissioner, One Park Commissioner, One Trustee Public Library, Two Members of the School Committee for Three Years. Two Members of the Planning Board; One for Five Years and One for Two Years. Four Members of the Finance Committee; Three for Three Years and One for One Year. Two Members of the Housing Authority; One for Five Years and One for One Year; and the following questions:

Question No. 1

"Shall an Act passed by the General Court in the year nineteen hundred and seventy, entitled 'An Act Providing Tenure of Office until age seventy for Everett W. Skinner, incumbent of the office of Highway Superintendent in the Town of Plainville', be accepted?"

YES	
NO	

Question No. 2

"Shall an Act passed by the General Court in the year nineteen hundred and seventy, entitled 'An Act providing tenure for the present incumbent of the offices of chief of police and sergeant, and for any patrolman who has served in such position for a period of one year, in the police department of the Town of Plainville', be accepted?"

YES	
NO	

For this purpose the polls will open at eight o'clock in the forenoon and shall be closed at eight o'clock in the evening.

For consideration of all other articles in this Warrant the meeting shall stand adjourned to the Third Monday in March at 7:30 P.M. in the Auditorium of the Plainville Elementary School on South Street in said Town.

ARTICLE 2. To choose all other necessary Town Officers not named in Article 1 for a term of one year.

ARTICLE 3. To consider and act on the reports of the Selectmen, Treasurer and other Town Officers.

ARTICLE 4. To see if the Town will vote to accept the provisions of Chapter 81 of the General Laws.

ARTICLE 5. To see if the Town will vote to fix the salary and compensation of all elective officers of the Town as provided by Section 108 of Chapter 41, General Laws, as amended as follows:

	Appropriated 1970	**Requested 1971**
Moderator	$25.00 each meeting	$25.00 each meeting

ARTICLE 11. To see if the Town will vote to authorize the Treasurer with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue for the financial years beginning January 1, 1971 and January 1, 1972 in accordance with provisions of General Laws, Chapter 44, Section 4, and to renew any note or notes as may be given for a period of less than one year, in accordance with the provisions of General Laws, Chapter 44, Section 17, or take any action relative thereto.

ARTICLE 12. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the treasury, the sum of $25,000.00 for a Reserve Fund to provide for the extra-ordinary unforeseen expenses, as authorized by Section 6, Chapter 40, General Laws, or do or act in any manner relative thereto.

ARTICLE 13. To see if the Town will vote to raise and appropriate or transfer from available funds in the treasury, the sum of $25,000.00 for the Stabilization Fund, under authority of Chapter 40, Section 5B of the General Laws, or do or act in any manner relative thereto.

ARTICLE 14. To see if the Town will vote to accept the provisions of Chapter 90 of the General Laws, and raise and appropriate, or transfer from unappropriated available funds in the Treasury, the sum of $10,550.00 for Chapter 90 Highway Maintenance, or do or act in any manner relative thereto.

ARTICLE 15. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the Treasury, the sum of $14,650.00 for Chapter 81 Highways; or do or act in any manner relative thereto.

ARTICLE 16. To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury, the sum of $12,050.00 for Chapter 90 Highway Construction, or do or act in any manner relative thereto.

ARTICLE 17. To see if the Town will vote to raise, appropriate or transfer, Eleven Thousand Dollars ($11,000.00) for the purchase of a new truck and body for the Highway Department, or do or act in any manner relative thereto.

ARTICLE 18. To see if the Town will vote to raise, appropriate or transfer, Thirty-five Hundred Dollars ($3,500.00) for the purchase of a new sander for the Highway Department, or do or act in any manner relative thereto.

ARTICLE 19. To see if the Town will vote to raise, appropriate or transfer, Twelve Hundred Dollars ($1,200.00) for the purchase of a new Plow and Frame for the Highway Department, or do or act in any manner relative thereto.

ARTICLE 20. To see if the Town will vote to accept Route 1A from the Commonwealth of Massachusetts, described as follows:

> Route 1A (South Street) from North Attleboro line (Station 390+90) to the Wrentham line (Station 517+90+ —) provided an adequate drainage system is installed as well as resurfacing and otherwise improve the road with the Board of Selectmen to approve the work upon its completion and accept it for the Town of Plainville, or do or act in any manner relative thereto.

ARTICLE 21. To see if the Town will vote to raise and appropriate the sum of $1,294.00, or any other sum, for the control of insects and Dutch Elm Disease ($594.00 for Insect Pest Control and $700.00 for Dutch Elm Disease), as provided by Chapter 132, Section 14 of the General Laws, and to be expended under the direction of the Moth Superintendent, or do or act in any manner relative thereto.

ARTICLE 22. To see if the Town will vote to raise and appropriate or transfer the sum of $1,000.00 for the Conservation Fund, to be used by the Conservation Commission for Conservation purposes, including the purchase of land, or do or act in any manner relative thereto.

ARTICLE 23. To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury, the sum of Three

Thousand Dollars ($3,000.00) to be expended by and under the direction of the Water Commissioners for the exploring and testing for the continuation of seeking a plentiful Well Site, or do or act in any manner relative thereto.

ARTICLE 24. To see if the Town will vote to accept as public ways, the streets shown as Valerie Drive, and Ellen Drive, only between Valerie drive and Walnut St., on a definitive plan of a subdivision entitled "Walnut Terrace, Plainville, Mass., December 1962. Scale 1"=60'. The W. T. Whalen Engineering Co.," which plan is recorded with the Norfolk County Registry of Deeds in Plan Book 216, as No. 182 of 1964, or do or act in any manner relative thereto.

ARTICLE 25. To see if the Town will vote to authorize the installation of sidewalks on Deerfield Drive a distance of 250 feet northerly from Appletree Drive, and on Pinetree Drive 200 feet southwesterly from Appletree Drive, under the direction of the Highway Superintendent, and to raise and appropriate for this purpose the sum of $1,500.00, or do or act in any manner relative thereto.

ARTICLE 26. To see if the Town will vote to raise and appropriate the sum of $15,000.00 for the purpose of installing the necessary services and building or rebuilding of the following streets: Pinetree Drive, Azalea Drive, Oak Drive and Birchwood Drive as shown on that plan entitled "Section III, Highland Meadows Park, Plainville, Mass. June 1962, The W. T. Whalen Engineering Co.," which plan is recorded with Norfolk Deeds as #780 1965 in plan book 218, or do or act in any manner relative thereto.

ARTICLE 27. To see if the Town will vote to accept Appletree Drive and Deerfield Drive and that part of Pinetree Drive of approximately 297 feet as shown on that plan entitled "Section I of Highland Meadow Park in Plainville, Mass., October, 1961, Scale 1" = 40'. The W. T. Whalen Engineering Co.," which plan is recorded with Norfolk Registry of Deeds, and further to accept Pinetree Drive as shown on that plan entitled "Section II, Highland Meadow Park, Plainville, Mass., January 1962. The W. T. Whalen Engineering Co.," which plan is recorded with Norfolk Deeds, being a distance of 250 feet more or less.

The same to be public streets for all purposes, or do or act in any manner relative thereto.

ARTICLE 28. To see if the Town will vote to accept as Public Ways, the streets shown on that sub-division plan of land entitled "Highland

Meadow Park, Section III, Plainville, Mass. June 1962" which plan is filed as #780 1965 in plan book 218 of Norfolk Registry of Deeds, the streets being as follows: Azalea Drive, Birchwood Drive, Oak Drive, Pinetree Drive, or do or act in any manner relative thereto.

ARTICLE 29. To see if the Town will vote to raise, appropriate or transfer the sum of Two Thousand Five Hundred Dollars ($2,500.00) for use of the Conservation Commission, for the purpose of surveying land of the Commission, or do or act in any manner relative thereto.

ARTICLE 30. To see if the Town will vote to raise and appropriate the sum of $12,000.00 for the purpose of the control of submerged vegetation in Turnpike Lake, or do or act in any manner relative thereto.

ARTICLE 31. To see if the Town will vote to amend the Zoning By-Laws and map of the Town of Plainville to the extent necessary to change the following described property from its present classification to the classification CA:

Easterly by Taunton Street

Southerly by the existing CA Zone;

Westerly by a line parallel to and 300 feet westerly from the westerly line of Taunton Street; and

Northerly by a line parallel to and 400 feet northerly from the northerly line of the existing CA Zone.

or take any action in relation thereto. (A petitioned article)

ARTICLE 32. To see if the Town will vote to raise and appropriate the sum of $60,000.00 for the erection and originally equipping of a building for the housing of at least two Town Departments on the land of the Town at the corner of Spring Street and School Street, the erection and equipping to be under the direction of the Board of Selectmen, or do or act in any manner relative thereto.

ARTICLE 33. To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury, the sum of Eighty Dollars ($80.00) to pay Mr. James A. Freeman, Civil Engineer, for precolation tests, sewage disposal design and inspection of construction, for October, 1969, on Hillside Road three (3) house lots for Albo Construction Company (Alfred Bolduc) and one (1) house lot on Bow Street for Alfred Bolduc, or do or act in any manner relative thereto.

ARTICLE 34. To see if the Town will vote to raise and appropriate or transfer $1,500.00 to be used to survey the Ten Mile River, to be expended under the direction of the Ten Mile River Task Force, or do or act in any manner relative thereto.

ARTICLE 35. To see if the Town will vote to raise and appropriate or transfer $3,000.00 for the purpose of paying overdrafts in the Town Insurance, Street Lights, Zoning Board of Appeals and Police Department Budgets for 1970, or do or act in any manner relative thereto.

ARTICLE 36. To choose any committee and hear the report of any committee and act thereon.

And you are directed to serve this Warrant by posting copies thereof in seven (7) public places in said town, seven (7) days at least before the time of holding said meeting.

Hereof, fail not, and make due return of the Warrant with your doing thereon, to the Town Clerk at or before the time and place of said meeting as aforesaid.

Given under our hands this 2nd day of February in the year of our Lord one thousand nine hundred and seventy-one.

ROBERT E. LOEW, Chairman

RAY P. FELIX, Clerk
